A camp at Wrightstown, Bucks County, Pa., was organized during the summer by the Senior Brotherhood. During the week-ends the members, consisting of Walter Wooding, Wm. Jillard, Martin Born, James Bealmer and George Anderson, left the hot city and enjoyed the rest in the country. The camp was also used by the Sir Galahad Order and Troop 232, Boy Scouts. Wm. Jillard decided to forget about horseback riding after a brief ride that terminated on the ground. Tennis honors were evenly distributed. Groundhog hunting, fishing and other sports occupied the balance of the time. We owe a debt of gratitude to Captain Wooding, who gave us the use of the camp equipment. Mr. and Mrs. Paul Dietz and Mr. and Mrs. Pussey were very kind in making our camp more enjoyable. Mrs. Ruth Dietz certainly can cook and her fried chicken dinners are unsurpassed. Ask Mr. and Mrs. Wilcox! The crowd used George Anderson for a player piano and allowed him to stop only for meals. Walter Wooding became instructor in horseback riding. The prize for killing chickens went to Wm. Jillard and James Bealmer. So even though rain did sometimes mar the day, the never-ending interesting events kept everybody in high spirits.

TROOP 232, B. S. OF A.

Troop 232, under the direction of Asst. Scout Master Walter Wooding went to camp at Wrightstown, Pa., on Monday, August 14th.

The camp was all that a model Scout camp should be and everyone had a very helpful week.

Even several days of rain failed to dampen the enthusiasm of 232.

One of the most enjoyable features of the camp was the great snipe hunt directed by Messrs. Wooding, Dietz and Pussey. Scouts Baker and Heeble held the bag while Scouts Morelock, Baker, Smith and others rounded up the birds.

The Troop began its Fall activities with a full meeting on Friday evening, September 9th, at which time Scout Master Skillen announced some interesting plans for the Fall.

SUNDAY SCHOOL PICNIC

The Sunday School picnic held at Willow Grove Park on Saturday, July 16th, was one of the best attended and most thoroughly enjoyed picnics we have ever had.

The arrangements made by the superintendent, Mr. Boyle, were perfect in every detail and with delightful weather everyone had a good time.

We missed greatly having Messrs. Buck and Skillen in charge of the kitchen.

Mr. Eugene Gillin and Mr. Voss were capable substitutes.

NUMBER 10

ALL SAINTS' DAY

The services on All Saints' Day, Tuesday, November 1st, will be held in the chapel at 10 A. M. We remember before the Altar on All Saints' Day all those who have passed to Life Eternal during the year. This is a very beautiful and impressive service.

O King of Saints, we give Thee praise and glory

For the bright cloud of witnesses unseen,
Whose names shine forth like stars in sacred story,

Sending our steps to realms of light serene.

† †

THE EVENING SERVICE

Many of those who were present at the Evening Service on Anniversary Sunday spoke on the beauty and impressiveness of the evening service.

If you have gotten out of the habit of coming to church on Sunday evening, you are missing a great deal in your religious life.

The special musical numbers, the informal address, the kneeling and benediction hymns are all a fitting close to the Lord's Day, and a source of inspiration and helpfulness for the week to follow.

Once more 'tis eventide, and we,

Oppressed with various ills, draw near;
What if Thy form we cannot see?

We know and feel that Thou art here.

† †

SUNDAY SCHOOL

Sunday School reopened on September 18th, with 218 scholars present. Attendance on September 25th was 245. We are looking forward to a progressive and enthusiastic year.

We regret very much the resignations of Miss Margaret Aikens, Miss Ella Aikens and Mrs. Boyle, for many years faithful and efficient teachers in St. Paul's Sunday School. Many of the present group of loyal workers among our young people are products of their classes, and the good that they have accomplished and their influence on the lives and characters of their scholars can never be estimated.

Two new classes have been formed of those promoted from the Junior Department.

Many promotions were made in the Junior School now so thoroughly and efficiently manned by Misses Florence McGowan, Josephine Cole and Elizabeth Cole and their associates.

In this department of the School we regret the resignation of Miss Marjorie Frink, who is attending school in Washington, D. C., this Winter. Miss Frink's Class will be taught by Miss Anne Cole, a new teacher this year.

Messrs. Livezey and Gillen have been of great help to the school this year acting as substitute teachers until a final readjustment of the classes in the Senior School is made.

It was very pleasing to every one to have in attendance on Anniversary Sunday Mr. and Mrs. Howard Buck, former loyal teachers in St. Paul's School.

We are glad to welcome Mr. Fred Blatz as a new teacher in the Senior School.

The first Sunday in October was marked by a splendid attendance in every department of the school with ten new scholars.

It rained hard on October 9th—which is Anniversary Sunday, and designated as Rally Day this year. Over 60 per cent. of our enrollment braved the rain. Last year we gave many prizes and certificates for perfect attendance. The records so far this year give promise of many similar prizes to be awarded at the end of this school year.

We miss Mr. Walter Wooding in the office, but fortunately Mr. Robert Skillen has returned to help in the Treasurer's Department.

Mrs. William Wiley, Jr., will continue to assist the Secretary, and Dr. and Mrs. Sladen have again volunteered to help with the visiting.

The splendid record made in the school last year was largely due to the many visits made by Dr. and Mrs. Sladen, Mr. Spence Dunbar, Mr. C. R. Ritter and Miss Schofield.

Activities for the Lenten Offering are beginning.

The Superintendent, Mr. Boyle, announced that a particularly large quota would be expected of the Brotherhood Class. This class made a determined effort to win the banner last year. The Brotherhood Class is sponsoring an entertainment for Friday evening, October 14th, and appreciates very much the co-operation they have received from the school and the Parish organizations.

BAZAAR DATES NOVEMBER 17, 18, 19—KEEP DATES OPEN

ANNIVERSARY SUNDAY

The 23d Anniversary of the first service held on the site of the present Church was celebrated on the seventeenth Sunday after Trinity, October 9th.

The officers and teachers of the Sunday School held a Corporate Communion at the early service.

Later the Sunday School marched into Church and took part in the 10.45 service. It rained hard all morning, but 60 per cent. of the enrollment came for Sunday School and the service following.

The Young People's Fellowship held their first devotional meeting for the Fall just previous to the Evening Service and the newly-elected President, Martin Born, Jr., led the discussion.

The Evening Service was splendidly attended and was featured by a brief recital by the Rector of our early beginnings at St. Paul's and of the progress we have made in the face of many hindrances.

The music at both Morning and Evening Services was most helpful and inspiring.

The Rector read to the congregation the following letter received from the Rev. Edwin S. Carson, first Rector of St. Paul's, and who as a Deacon held the first service in the old Mission:

CHRIST CHURCH RECTORY

Ridgewood, New Jersey

October 3, 1927.

My Dear Mr. Wilcox:

I am reminded that Sunday, October 9th, marks the 23rd Anniversary of the first service held in the Memorial Church of St. Paul, and this date brings back to me very pleasant memories. It is a Red Letter Day in my ministry and one very dear to those faithful people who worked and worshipped in the old building which we called St. Paul's Mission, at Fifteenth and Porter Streets.

While I cannot be with you and the dear people of the Memorial Church of St. Paul on this Anniversary Sunday, I want you to know that I am with you all in spirit.

Please convey to the congregation on October 9th the good wishes both of Mrs. Carson and myself, and rest assured that we shall continue to remember you in our prayers and thoughts.

Faithfully and sincerely yours,

EDWIN S. CARSON.

SUNDAY SCHOOL NOTES

William Renshaw, a member of Mr. Livezey's Sunday School Class, is a first year student this year at William and Mary College, Williamsburg, Va.

George Cranston, who made such a brilliant record at W. and M. last year, is home this winter, but expects to return for the fall term in 1928.

YOUNG PEOPLE'S FELLOWSHIP

The Y. P. F. began its devotional meetings for the year on Anniversary Sunday, October 9th, under the direction of its new officers.

At the business meeting held Friday, October 7th, the following officers were elected for the new year's work:

President—Martin Born, Jr.
Vice-President—Wilbur Hiehle.
Secretary—Jeanette Hoffman.
Treasurer—Fred Samuel.

None of these officers served in 1926-1927. A rising vote of thanks and appreciation was tendered to the retiring President, Miss Anna Wallace, and her associate officers. They worked diligently for the success of the young people's movement and our Fellowship is on a par with the leading Fellowships of the Diocese.

All young people in the Parish, age 16 and over, are cordially invited to attend our meetings on Sunday evenings at 7 o'clock.

Come and join with us in our devotions and our discussions.

ALTAR GUILD

This being Bazaar year and otherwise a very busy one, the Altar Guild has decided not to have their annual luncheon, the proceeds of which helped to cover some necessary expenses.

We are asking, therefore, for voluntary contribution toward our work.

It would help very much if some of the vacant Sundays, a list of which is appended, were taken. This would assure us of memorial flowers for the Altar each week.

It may be interesting for you to know that after the Altar Guild attended a meeting of the Diocesan Altar Guild we decided to become a corporate member and now as a unit we have one vote in that body. The Diocesan Society has charge of the Altars in many of our Missions and in the chapels at the Philadelphia General Hospital and branches, Oakbourne, the prisons, etc.

Open dates for Altar Flowers:

January 16th.
February 6th, 20th, 27th.
July 3d, 17th, 31st.
August 14th, 21st, 28th.
October 2d.
November 27th.
December 4th, 18th.

If you desire to place Memorial or Thank-Offering Flowers on the Altar on any of the above dates, the Altar Guild will gladly consult with you and make the necessary arrangements.

CLARISSA SCHOFIELD, Directress.

ADVANCED JUNIOR BROTHERHOOD

Gilbert Moore was elected Vice-Director of the Chapter at the regular meeting on September 28th.

Our new Charter as an advanced Chapter has just been received. We are Chapter No. 46.

The meetings have been well attended and plans for the Fall are under way.

We have made ourselves responsible for the Brotherhood Class in the Sunday School and held our first corporate Communion on Sunday morning, October 9th. This will be a feature of our work this year. A corporate Communion of the Chapter once every month.

We expect to have a strong basketball team and have been practicing with a group from Mr. Born's Chapter, composed of William Moore, Alfred Wager, Bernard Samuel, Howard Keenan, John Hiesman, William Hamilton and Carl Wurtzbach.

This group will most likely play as a second team.

William Pelletreau is trying to arrange games with other Junior Brotherhood teams. Last year we played Advocate, Resurrection, St. Simeon's and others.

Saturday, October 15th, at the Brotherhood Convention, Fred Samuel, Gilbert Moore, William Pelletreau and Edwin Avele will play with the volley ball team representing Camp Carleton, against teams from other Brotherhood Camps. The Convention will be held at Holy Trinity Church on Saturday and Sunday, October 15th and 16th. A group from the Chapter will attend the Corporate Communion at Holy Trinity on Sunday morning, October 16th.

Y. P. F.

"Tis better to have aspired and lost than never to have aspired."

But—in our estimation it's a great deal better to win and, although our aspirations are high, the Y. P. Fellowship is out to win, and we know that every one in the Parish will help us.

Talks, discussions, mission work, banquets and parties are but a few of the things in our program, but the most important of all is to realize and live the word Fellowship.

To do this, we must not only help each other, but we must be more tolerant to those who are weaker than we, or those who are stronger than we; and, in time, our Fellowship will bear fruit, for we shall know how to love our fellow-men—an essential part of the Christian religion.

Won't you join our fellowship?

MARTIN L. BORN, President.

THE ORGAN

By resolution of the Vestry a very important piece of property improvement was undertaken during the summer months—the complete overhauling and rebuilding of the organ.

This instrument has given splendid service over a period of twenty years. We have a contract which calls for monthly service and help to keep the organ in tune, but even with this care, parts wear out and must be replaced.

Dr. Sladen was head of the committee in charge of the repairs, working in conjunction with Mr. Boyle, representing the Finance Committee. Mr. Beck, the organist and choirmaster, kindly offered suggestions and passed on the fulfilling of the contract.

We are greatly indebted to them for a very helpful service to the Parish.

Mr. Beck has promised a series of Recitals on the rebuilt instrument, the dates of which will shortly be announced.

† †

BOY SCOUTS

Regular meetings are held every Friday evening at 7.30 o'clock. The troop is progressive, but we are in need of capable assistants to help with this important branch of our boys' work. If you have had experience in Scouting, consult Dr. J. R. Skillen, Scoutmaster of Troop 232. He can use you in the Troop program.

† †

YOUR CHURCH ENVELOPES

Many communicants are in arrears in their weekly envelopes. It will help the Accounting Warden greatly at this period in the Parish year if all arrears are made up just as soon as it is possible to do so.

For the many checks and remittances received from envelope subscribers during the past few weeks the Accounting Warden is greatly appreciative. It is not always possible to acknowledge such remittances separately.

If you do not have envelopes we still have a few sets for the remaining months of 1927.

† †

THE HALLOWE'EN PARTY

The annual Hallowe'en Party of the Sunday School will be held this year on Friday evening, October 28th, at 7.30.

We will have the usual Hallowe'en games followed by the feast of good things prepared and served by the members of the Dorcas Society.

This is a costume party and the usual prizes will be awarded.

CHURCH PERIODICAL CLUB

The Periodical Club has started its work for the Winter season. Will you kindly send us all books, magazines and picture post cards for which you have no further use? The Club appreciates very much those received during the Summer months.

Anyone desiring to mail out a monthly magazine to the Mission fields will be furnished with addresses upon request. We have a great demand for printed matter of all kinds—please help.

RUMMAGE SALE

The Fall Rummage Sale will be held on Friday and Saturday, October 28th and 29th. Please give us all your cast-off clothing, furniture, rugs, etc., for this sale. We will gladly call at your convenience to collect any articles that you may have.

Rummage Sales help not only the Parish but the clothing, shoes, furniture, etc., that we dispose of at these sales is a great help to less fortunate people unable to purchase new things.

THE BAZAAR

DATES

THURSDAY, FRIDAY and SATURDAY,
NOVEMBER 17, 18 and 19

The time for the Parochial Bazaar is rapidly drawing near and we will need the help and co-operation of every communicant, young and old, to make it a real success.

Those in charge of the various Bazaar activities are working and planning, but they need your help and support.

If you are not already on a Bazaar Committee won't you please volunteer to work in some branch of this united Parish effort?

Perhaps you have some helpful suggestions to make that will be of interest to us all.

A Bazaar meeting will be held on Monday evening, October 24th, to which every member of the Parish is cordially invited. Come and help us to plan for a united Parish effort.

Bazaar tickets will be ready for distribution at that time.

PARISH NOTES

Misses Ida and Kate Lillegar spent a very pleasant week recently as the guests of Mr. and Mrs. Kershaw.

This is the first visit of the Misses Lillegar since they were admitted to Christ Church Hospital three years ago.

Many luncheons were held in their honor by members of St. Paul's, and Messrs. Blatz and Garrison took them on extended auto tours through Fairmount Park and over the new Delaware River Bridge.

It pleased us all to see them in their accustomed place in church on Sunday morning. We miss them very much, but rejoice to know that they are well and happy in their new home.

DONATION DAY

At the House of Rest

5919 Wayne Avenue, Germantown
Monday, October 24, 1927

Donations of money, groceries, fruit, vegetables, preserves and household supplies will be gratefully received. Checks may be made payable to Mrs. Mahlon N. Kline, Treasurer, Rex and Seminole Avenue, Chestnut Hill. Members of the Board of Managers will be at the home all day to welcome visitors.

A sale of cakes, candy, aprons and fancy articles will be held by the Auxiliary, at the Home on Donation Day. Checks for Auxiliary may be made payable to Mrs. Ralph Hershey.

Mrs. M. Watt will gladly receive contributions from members of St. Paul's.

DORCAS SOCIETY

The Dorcas Society resumed its weekly meetings on September 12th, after a vacation of two months.

The attendance so far has been very satisfactory. We have enrolled one new member, Miss Julia Lockhart. The first of the Dorcas activities for the year was a dinner on October 1st. The proceeds from which will go into our treasury, which is very much depleted by our last year's gift.

We expect to hold our annual Rummage Sale the last week of this month. If anyone having rummage to give for this sale will kindly speak to any member of the Dorcas Society, they will have it called for on the day before the sale. The Strawberry Festival held on June 15th was well attended and every one had a good time. As yet all of the money for Strawberry Festival tickets has not been received by the treasurer. Some returns are still due from members of the Sunday School. Please help us to close our books for this activity as quickly as possible.

Do not forget the Bazaar. Let all the Parochial societies work together and then it surely will be a success.

The heads of the tables have been appointed by the Rector and our President, and they in turn have chosen their assistants. If anyone has been overlooked, it was not intended, and we will be glad to place them at any table where they are needed. On Monday, September 26th, after the business meeting, we had a Covered Dish Social. The dishes were many and varied and in every way most enjoyable.

We were further entertained on this occasion by Mr. Albert Eastwood and Mr. Fred Blatz. Every one present had a pleasant evening.

We expect to have one social each month, not to raise money, but just to come together for a social evening.

(MRS.) HARRIET J. SKILLEN,

Secretary.

THE BAZAAR

Do you like good home-made Cakes, Pies, Biscuits and Bread? A fine display of home-made bread and pastry will be for sale at extremely reasonable prices at the Bazaar Cake Table. Would you be willing to donate any of the above articles. If so, send us the address and we will call at your convenience. Your co-operation and help will make the Cake Table a success.

MRS. W. SCOTT.

COME AND HEAR THE BOYS AND GIRLS AT THE BAZAAR

THE BAZAAR

The committee in charge of the Doll Table at the coming Bazaar is working hard to please the members and friends of the Parish who have in mind the purchase of a doll or dolls or articles pertaining to dolls.

There will be a large selection of large and small dolls, nearly all completely and beautifully dressed.

Special orders may be placed at any time through Miss Schofield or any member of the Doll Table.

Order your doll or dolls now and have it delivered at your convenience.

If you have no children of doll age—purchase one for a child in the neighborhood.

We will gladly furnish the name and address of a child whose Christmas you can make bright and happy by the gift of a doll.

SUNDAY SCHOOL

An Epistle to Teachers

(A paraphrase of the Thirteenth Chapter of First Corinthians, written for Sunday School Teachers, Lest They Forget)

By Joseph Clark, D.D., Former General Superintendent, New York State Sunday School Association.

Though I speak with the tongues of scholarship and of learning, and though I use approved methods of education, but fail to win my pupils to Christ, or to build them up in Christian character, I am as the man of the wind in the Syrian desert.

And though I have the gift of teaching, and understand all mysteries of religious psychology, and though I have all Biblical knowledge, and lose not myself in the task of bringing others to Christ, I am become as a cloud of mist in an open sea.

And though I have read all Sunday School literature, and attend Sunday School conventions and institutes and summer schools, and am satisfied with less than winning my pupils to Christ and establishing them in Christian character and service, it profiteth me nothing.

The soul-winning teacher, the character-building teacher, suffereth long and is kind; he envieth not others who are free from the teaching task; he vaunteth not himself; he is not puffed up with intellectual pride.

Such a teacher does not behave himself unseemly between Sundays, seeketh not his own comfort, is not easily provoked.

Beareth all things, believeth all things, hopeth all things, endureth all things.

The soul-winning teacher never faileth; but whether there be prophecies of redemption through the intellect, they shall fail; whether there be theories of salvation through morality, they shall cease; whether there be destructive Biblical criticism, it shall vanish away.

When the soul-winning teacher was a child, he understood as a child. In teaching

children he must consider the nature of the child. Nor can he forget that when he became a man he put away childish things. In teaching men, therefore, he must teach Christ in a manly way.

And now abideth Knowledge, Method, Evangelism, these three; but the greatest of these is Evangelism.

WOMAN'S AUXILIARY

Our Auxiliary began its meetings for the Fall and Winter on Wednesday, October 5th, with a splendid attendance.

We are planning a Cake Sale and Supper for Saturday evening, December 3d, to raise funds for the purchase of the material that we will make up for Missions during the Winter. In next month's Chronicle we will publish the list of articles which were made up last year.

Every baptized woman in the Parish is a member of the Woman's Auxiliary. Our work is to sew for Missions, to pray for Missions, and to further the Missionary activity of the Church in every way possible.

We hope this year to interest more of the communicants of St. Paul's in this important branch of our parochial life.

We may not all sew, but we can all take a blue box, for the United Thank-Offering and we can all pray for the extension of Christ's Kingdom. Come and help us. Every Wednesday at 2 P. M.

ORDER OF SIR GALAHAD

The officers of this Order are very grateful to Mr. Thomas Boyle for his generous aid in helping us to defray the expenses of our Summer Camp.

A very small sum is asked of the campers, because we are anxious to give as many boys as possible the privilege of going to Camp. All of our deficit this year was made up by Mr. Boyle.

This group of boys, all under twelve, meet every Wednesday evening at 7.30. Mr. Geo. Anderson is the Director of the Order, and Mr. Fred Blatz is acting as assistant.

GIRLS' FRIENDLY SOCIETY

The G. F. S. is starting in for another year, and are all very busy and enthusiastic over their plans for the coming Bazaar. We are having splendid meetings, from thirty-five to forty in the older group, while the candidates have equally well attended meetings.

Friday afternoon at 4 o'clock is the hour for the little ones, and all are welcome. Then work is at present the making of scrap-books, while the older girls on Monday evenings are busy making things for the grab-bags and candy table. Also, we are painting Christmas cards which we hope you will all ask to see. As I am sure if you do see them you will want to send some for Christmas. You can get them from any member of the G. F. S. or any of the associates, Miss Schetky, Miss Hoffman, Miss Schumacher, Mrs. Johnson and Miss McCarter are Associates this year.

Miss McCarter is also taking charge of the candidates on Fridays. We are all very glad to know, too, that Mrs. Johnson is still going to come when she can and that Miss Johnson is our new and youngest member.

VIRGINIA HAINES, Secretary.

+ +

GIRLS' FRIENDLY

The Candidates, directed by Miss Clara MacCarter, are meeting every Friday afternoon at 4 o'clock. The Candidates will have full charge of the Fish Pond and similar activities at the Bazaar, and are working at present to have some interesting novelties for display at that time.

Contributions of small gifts suitable for use in the Fish Pond will be greatly appreciated.

Sunday School girls and their friends under 13 are welcome at our Friday afternoon meetings.

+ +

BAZAAR

An outstanding feature of St. Paul's Bazaar is the Restaurant, where splendid dinners are served every evening. Mrs. Aikens and her associates will be in charge again and are planning to serve a variety of choice foods at very nominal prices.

On Saturday evening, the last night of the Bazaar, the dinner will be cooked and served by the men, thus affording the ladies a much needed rest on what is usually a very, very busy evening.

When you come to the Bazaar arrange to stay and have dinner. The Junior Minstrels and St. Paul's Quartet will entertain in the auditorium, beginning at 7.30.

CONVOCATION ACTIVITIES

At the last meeting of the Women's Aid to the South Philadelphia Convocation, May 24, 1927, it was agreed to send to the Diocesan Treasurer, \$300.00 of the \$500.00 annual pledge for Diocesan Missions. This has been done.

The balance, \$200.00, is due before December 31st. To meet this obligation, it was agreed to hold on the evening of November 3rd at the Church of the Holy Apostles an entertainment—admission 50 cents.

To secure the desired return, it means every delegate interested, as an audience of 500 will be needed to reach the goal of \$200.00, plus expenses. Plans have been made for an interesting program so you need not hesitate to ask your friends to come.

At the last meeting it was suggested to hold a sale of useful and fancy articles, cakes, candy, etc., during the afternoon, but it has been considered wiser to hold the sale early in the evening or during the intermission or after the program is finished.

Next Meeting

Place—Gloria Dei (Old Swedes Church).

Time—October 25th, 4 P. M.

MATILDA P. FOX, President.

MRS. W. L. PRICKETT, Secretary.

JUNIOR BROTHERHOOD OF ST. ANDREW

Rushland! All off! And the boys of the Junior Chapter of the Junior Brotherhood jumped off the train. It was a great trip, that first week in August at Ewer's Mills. Never before have I encountered anywhere so many different hobbies in a group of ten boys. There was Bill Moore (the boy Nurmi), the air was so invigorating that he had no sooner gotten off the train than he wanted to race the Ford truck to camp, a distance of four miles. There was Emerson Larkin (the young Isaac Walton), who couldn't get enough "minnies" in one week so he decided to stay there: Stanley Dever, the young follower of Tunney. In a boxing match on Tuesday evening he hit his opponent so hard and so often that he (the opponent) came near listening to the song of the Druids.

That is just a few of the many things that helped to make it the best camp we have ever had!

The Annual Corporate Communion of the Confirmed boys and men of the Parish will be held on the 1st Sunday in Advent, November 27th, at 7.30 A. M.

This is one of the most helpful and inspiring services of the year. The men of the Parish united in a wonderful service of re-consecration.

✦ ✦

RED CROSS

FLOODS, fires, tornadoes, cloudbursts, earthquakes, mine tragedies—

To each of them the American Red Cross responded instantly.

The hungry were fed. The sick were ministered to. The homeless were sheltered. The bereaved were comforted. The hopeless were heartened.

All expense of collecting and expending special funds contributed for sufferers was borne by the permanent organization, which is maintained by membership dues.

You have the opportunity to become a member for 1928 during the Eleventh Annual Roll Call which will begin November 11th and continue until November 24th.

EVENING SERVICES

The attendance at the Sunday evening service has been splendid during October. The music at the evening service has been unusually good and Mr. Beck has promised that the choir will continue to give their best efforts to make this a helpful service.

On Sunday evening, November 6th, the officers of the Herbert Warriner Post, attended the evening service to pay respect to the memory of American Soldiers, Sailors and Marines. Mr. Walter Lorman, Commander of the Post, spoke briefly of the ex-service man's attitude toward the keeping of Armistice Day and toward the world movement for Peace.

The Evening Service on November 27th, will be conducted entirely by the members of the Young People's Fellowship.

Your friends and neighbors would welcome an opportunity to come to service with you. Have you ever thought of asking them?

THANKSGIVING DAY

The Annual Thanksgiving Day Service will be held on Thursday, November 24th (Thanksgiving Day), at 10 A. M.

Thank-Offerings of foodstuffs; vegetables, fruits, canned goods, jellies, etc., will be received at this service for the House of Rest, the Diocesan Home for Aged Women in Germantown.

The offering at this service is for the work of the Episcopal Hospital.

For peaceful homes and healthful days,
For all the blessings earth displays,
We owe Thee thankfulness and praise
Who givest all.

✦ ✦

WOMAN'S AUXILIARY

The Auxiliary began its meetings for the year on Wednesday, October 5th.

Twenty-five Blue Boxes, for the United Thank Offering were turned in to Mrs. John Aikens, treasurer, and \$29.00 was presented at the conference on the 26th. While we are grateful indeed to those who use the Blue Boxes, they should be more widely used in the Parish. Every woman should request and use a Thank Offering Blue Box. Surely we all have many things to be thankful for.

The Auxiliary will welcome you on Wednesday to its meetings and to help with its sewing. The Auxiliary sews for Missions, prays for Missions and learns of Missions. Our greatest pleasures in life are found in service for others, there is no other secret of happiness, contentment and peace.

On Saturday, December 3rd, the Auxiliary will hold a cake sale and supper in the Parish House, to raise funds for its winter's work. Remember the date, and help us in our unselfish endeavors to spread Christ's Kingdom on earth.

DORCAS SOCIETY

The members of the Dorcas Society wish to extend their thanks to all who so kindly donated rummage for our Rummage sale, held October 28th and 29th.

The Hallowe'en Party for the Sunday School was held in the Parish House on the evening of November 2nd and everybody had a wonderful time. The Dorcas Society filled and distributed to the children about 300 bags, containing an apple, peanuts and other goodies.

Prizes were provided, which were awarded for the best fancy and for the most original costumes.

We are all looking forward to and working for November 17th, 18th and 19th, when we will hold our biennial Bazaar.

We would like all the members and friends of St. Paul's Church to come out and give us their support in this, and help us make it the most successful Bazaar we have ever had.

We also extend our sympathy to Mrs. Evensen in her great affliction.

ORDER OF SIR GALAHAD

The Order of Sir Galahad meets Wednesday evenings from 7.30 to 9.00 in the Parish House. The membership has increased to 20 boys between the ages of 9 and 12. Mr. Fred Blatz has assumed the directorship of athletic activities. In accordance with the principles of Sir Galahad, pledged to service, the Order will take charge of the cloak room checking during the Bazaar. They also will have charge of the used book table.

We are constantly seeking new members, therefore if you have a boy or know of a boy who would like to associate himself with Sir Galahad, please send him to the Parish House on Wednesday evenings. We will assure him a pleasant time and an opportunity for service.

YOUNG PEOPLE'S FELLOWSHIP

The month of October was a very successful month in the Fellowship. The meetings held every Sunday evening at 7 o'clock, have been well attended and the talks and discussions have been most interesting and helpful.

The papers presented by Albert Eastwood and Mary Blakely, brought out many points of view. Mr. Eastwood's paper raised the question as to whether one can be a thorough going Christian and still be popular. Miss Blakely's paper was on Prayer.

Dr. S. Skillen presented another interesting paper on Truth.

The Monthly Business Meeting will be held on Friday evening, November 11th (Armistice Day).

It has been decided to have supper together in the Parish House the first Sunday of the month.

This suggestion came too late to have a supper on November 6th and the supper this month will be held on Sunday evening, November 13th.

ST. PAUL'S BAZAAR

Thursday, Friday and Saturday,
November 17th, 18th and 19th

One of the most important parochial activities of the month is the biennial Bazaar, to be held on the date as mentioned above.

Committees have been working hard for many months to make this venture a complete success.

Much of this work will be in vain unless every member of the Parish co-operates.

We need your whole-hearted interest and support.

When the Bazaar opens with an appropriate service on the afternoon of November 17th, you will find a completely organized and equipped, and a beautifully decorated market for the sale of merchandise of every kind and description.

One large space will be given over to the display and sale of *Fancy Articles* of all kinds. Here and at other booths you will find many appropriate Christmas gifts. The prices are reasonable, and the service good. Why not plan to do at least some of your Christmas shopping here.

Busy housewives will find home made bread, cakes and pies at the cake table and all kinds of groceries at the grocery table. Buy your supplies for the week end at the Bazaar. The quality is of the best, prices fair and you are helping us.

All kinds of useful articles will be on sale at the five and ten, including Christmas tree decorations.

Dolls and toys will be displayed at the doll table.

For the children, we will have the usual fish pond and also a Chinese Laundry.

Aprons of all kinds, will be for sale, also handkerchiefs and such needed things as towels and wash rags.

Pretty girls will sell you drugs and perfumes.

Sir Galahad Boys will offer a great assortment of books.

The Brotherhood Class is offering Church calendars and stationery.

At still another booth—all kinds of candy will be for sale.

If you have not purchased your usual supply of Christmas cards, as yet, wait until you see the unique cards offered at the Bazaar. We are particularly interested in advocating the use of religious cards for Christmas and

will have a splendid assortment for you to choose from at several booths.

Inasmuch as very few housekeepers have time now for preserving and canning, we will have a great display of all kinds of home made jams, jellies, preserves, and with the sweets, some relishes also, chow-chow, pickles, chilis, etc.

For your refreshment you may purchase not only lemonade and peanuts but all kinds of cooling and refreshing soda water.

Ice cream in various forms will be dispensed by experienced young men.

That your every comfort and convenience may be cared for, you will find a completely equipped and superbly manned restaurant. Dinner will be served every evening, during the Bazaar. Bring the family for dinner some evening and for the entertainment which follows.

On Thursday evening, the Boys' Junior Minstrels will be the attraction, the boys are from twelve to fourteen and have been training for sometime. On Friday evening, the Girls' Junior Minstrels will entertain you and on Saturday evening, a wonderful vaudeville show. The girl champion harmonica player of the city will play for you every evening.

The dinner on Saturday evening will be cooked and served by the men, to give the restaurant force a much needed rest. Come for dinner on Saturday evening and stay to hear the complete returns from the Bazaar read. You will be interested because you have helped.

Space does not permit the recounting of many other Bazaar features. We have worked hard to please you; now we are asking you to do your part—to come and bring as many of your friends and acquaintances as possible. The decorations alone will be well worth coming to see.

AUXILIARY DINNER, DECEMBER 3rd

THE SUNDAY SCHOOL

We are making splendid progress this fall in this most important branch of our Parish work.

With the whole question of religious education so largely in the mind of the public, today it is a great credit to our Parish to have such a splendidly organized and equipped school and one which should merit the co-operation and support of the parents.

We are striving at present for regularity and punctuality. Parents can help greatly in both respects. The lesson period is all too short as it is and the children should by all means arrive in time for the opening of the school.

Our reorganization for this year is just about completed and the school is now completely and efficiently manned.

Miss Anna Wallace is assisting Miss McGowan with the work of the Beginner's Department. We are justly proud of this important department of our school.

Graded lessons are taught in the Junior and Intermediate Departments, under the leadership of Miss Josephine Cole and Miss Elizabeth Cole. These principals with their devoted associates are contributing a constructive and highly developed piece of educational work.

In the main school, we welcome. Miss Elizabeth Werntraub and Mr. Fred Blatz, as teachers of the scholars recently promoted from the Junior School.

Mr. Frank Livezey, an experienced teacher of boys, has returned to take the class formerly taught by Mrs. Sladen, and Mrs. Sladen is teaching a combined group from the classes of Mrs. Boyle and Miss Margaret Aikens.

In Mrs. Sladen's Class and in the Brotherhood Class we hope to train our future leaders in Sunday School work.

We appreciate very much the visitation work carried on in behalf of the school, by Mr. C. R. Ritter and by Dr. and Mrs. Sladen. This work has helped greatly in bringing our school up to its present standard.

Miss Mabel Wiley has been substituting for Miss Hoffman during her absence and will soon take over a new class of girls to be formed in the main school.

Dr. Louise Weintraub for many years a faithful teacher in St. Andrew's Sunday School has been of great help in acting as a substitute teacher. Mr. E. F. Gillin has also been most helpful.

Come and visit our school some Sunday and there you will gladly send your children regularly and punctually and encourage others to do the same.

The Annual Hallowe'en Party of the Sunday School, held on Wednesday evening, November 2nd, was a splendid success.

Nearly every member of the school, except

the kindergarten, was present and everyone enjoyed the evening.

We are grateful to our many many helpers. The Dorcas Society kindly supplied the refreshments, many of the older members of the congregation helped with the games, and the Young People's Fellowship and Brotherhood of St. Andrew, were very helpful in helping to organize and supervise the hundreds of children present.

The Beginner's Department of the school held its own party, on Thursday afternoon, with Miss McGowan in charge.

It rained hard all day Thursday, but we had a very wonderful party just the same.

CHRISTMAS DECORATIONS

There is nothing so inspiring as the feeling that pervades the Church and the home at Christmas time. Good cheer, best wishes, bright colors, gifts—they all help to express our joy at this happy season.

In our festal preparations, let us not forget the chancel and church decorations. The Altar Guild is in charge of this work and the decorations are provided for by the voluntary contributions of interested communicants and friends.

Let us make the beauty of the Church a bright spot in our memory throughout the coming year. Contributions may be given to any member of the Altar Guild.

PRAYER FOR YOUNG PEOPLE

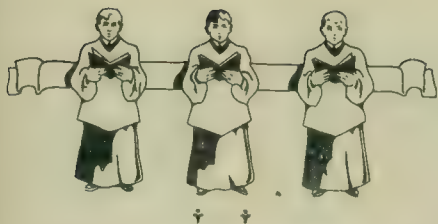

Written by The Rt. Rev. John Gardner Murray, D.D., Presiding Bishop, at the request of the National Commission on Young People's Work.

O God, our Heavenly Father, in life's morning we come to Thee for guidance through its entire day. Help us always to follow Jesus in the paths of righteousness. Walking in His footsteps, may we, as did He before us, not only increase in wisdom and stature, but also in favor with Thee and our fellow men. Keep us in Thy Love that we may glorify Thee in our labor and our life. Bless us with health and strength and purity, and give us a will to serve Thee in every good work, so that we may make a better world for all people to live in here, and become worthy of Thy Presence in a brighter world hereafter, for Jesus' sake, Amen

THE CHRISTMAS OFFERING

Thou art coming, Thou art coming;
We shall meet Thee on Thy way;
We shall see Thee! We shall know Thee,
We shall bless Thee, we shall show Thee,
All our hearts could never say:
What an anthem that would be,
Music rapturously sweet,
Pouring out our love to Thee,
At Thine own all glorious feet.

THE MESSIAH SERVICE

More and more we are coming to look upon the Messiah Service as an important part of our preparation for Christmas.

This year the service will be held on Sunday evening, December 18th, at 8.00 P. M. A program of the musical numbers is printed in this copy of the CHRONICLE.

May we urge all of our readers to attend this service and to share its beauty and joy with others.

We are inclined to be so lax, in this day and generation, in the fulfillment of our religious duties. It is so easy to make every other preparation for Christmas, except the most important and most necessary, the careful preparation of our hearts to receive our Lord and Saviour.

Your Christmas peace and joy will be greatly increased by attending the Messiah Service.

MESSIAH SERVICE

CHRISTMAS SERVICES

Christmas Day

Holy Communion, 6.00 A. M., preceded by a half hour of instrumental music and the singing of ancient Christmas Carols by the Choir. It is a great pleasure to announce that Mr. Francis Lapatino, the well known Harpist and Mr. John K. Witzemann, noted Violinist, will play for us at this service.

The instrumental music begins at 5.30 A. M. The Carol singing at 5.50 and the service at 6.00.

The evening service will be omitted on Christmas Day.

THE WOMEN'S AUXILIARY

Our Auxiliary meets every Wednesday at one o'clock in the Parish House and all women of the Parish are cordially invited. Those who attend find our work most interesting. At present we are making about one hundred garments, consisting of women's and children's dresses, operating gowns and pajamas. We purchase these garments from the Supply Bureau, and after making and returning them, we are credited with the finished garments. The Auxiliary also supplies a number of household articles, such as sheets, spreads, pillow cases, and towels. If we so desire, we may designate where all these articles are to be sent. We are greatly in need of workers and extend a cordial invitation to all the women of St. Paul's to come and help us with this most helpful endeavor.

MARY V. HAZLETT, President.

DORCAS SOCIETY

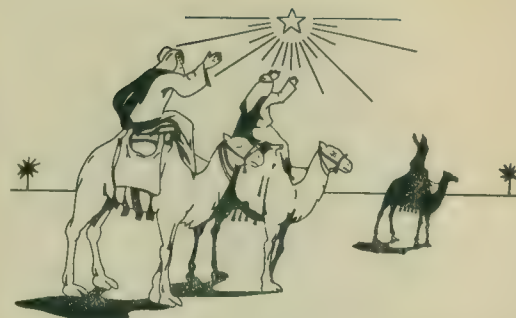

The past month showed an increase in attendance, owing to the interest in the Bazaar. Let us hope the attendance will continue to improve.

On Monday evening, November 28th, we had a visitor, who came from Switzerland. She told us many interesting facts about the Church in that country.

Clarence Baltz, the son of our treasurer, who has been seriously ill in the Episcopal Hospital is now convalescent.

We wish to thank you all for your help in the Bazaar, both in work and donations, and we wish you a very Merry Christmas and a Happy, Prosperous New Year.

THE BAZAAR

The 1927 Bazaar, was in every respect, a great success, and the totals recorded below, some of which will be further increased, tell a story of faithful and efficient effort on the part of many loyal workers.

The beautiful decorations were the work of Mr. C. E. Cole, aided by many of our young people. Many visitors remarked that in this feature, and in others, the Bazaar was unique and on a very high plane.

In this brief article we desire to express in some small measure, our sense of gratitude and appreciation. We are very thankful, indeed, to the leaders and their assistants; the local merchants for their cooperation; and to our Parishioners and their friends for their patronage.

THANKSGIVING

Our Thanksgiving Day Offering for the Episcopal Hospital amounted to \$150.00. A very generous amount for this splendid institutional work.

Of the foodstuffs sent, several baskets were distributed locally and the remainder sent to the House of Rest.

My dear Mrs. Watt:

Will you thank the Rector and members of St. Paul's Memorial Church for their kind and generous donation of groceries, preserves, jelly, and canned goods. The Board of Managers acknowledge it through me (the Matron). It is certainly kind of you and we appreciate it so much.

Again thanking you, I am

Sincerely,

ORDER OF SIR GALAHAD

Each week finds us with an increased membership, which is more than encouraging. We have commenced to use our full ritual during meetings, and the work is exemplified by the boys themselves.

The work assigned to the Order during the recent Bazaar was very successful, and the lads worked energetically and faithfully, proving their motto of service. The Sir Galahad lads thank every one who patronized their book table and especially those individuals who donated books for the sale.

We extend very Merry Christmas wishes to our supporters and also our best wishes for their success during the coming New Year.

GEORGE C. ANDERSON.

GIRLS' FRIENDLY SOCIETY

The Girls' Friendly Society is very anxious to thank all those who so kindly helped them with their part in the Bazaar. And now we are already started on two new projects. One, the filling of Christmas stockings for the little children in the Philadelphia General Hospital, and the other, a Pageant to be given January 8th, in the Church. This Pageant tells of Christmas and the birth of Christianity. We hope you will all come to see it, as we feel that it will be very lovely and instructive.

† †

THE CHURCH PERIODICAL CLUB

would like anyone having used books, magazines, etc., to send them in as soon as possible. We send every year new small toys, books and games, also religious post cards, to children in hospitals and other institutions for the Christmas holidays.

Hoping you will cooperate and help us by donating one or more of the above mentioned.

MRS. W. SCOTT.

YOUNG PEOPLE'S FELLOWSHIP

"Father, We Come with Youth and Vigor Pressing"

Two months of real honest-to-goodness advent progress, and as a climax, the Young People's Service on Sunday Evening, that was proclaimed by everyone to be a splendid success.

A short time ago, though we had a meeting, in which many suggestions were offered to better our Fellowship.

Here are ten ways of killing our Fellowship:

1. Don't come to the meetings.
2. If you do come, come late.
3. If the weather doesn't suit you, don't think of coming.
4. If you do attend a meeting, find fault with the work of the officers and other members.
5. Never accept an office, as it is easier to criticise than it is to do things.
6. Nevertheless, get provoked if you are not appointed on a committee, but if you are appointed do not attend the committee meetings.
7. If asked by the chairman to give an opinion regarding some important matter, tell him you have nothing to say. After the meeting, tell everyone how things ought to be done.
8. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and do it all, complain about how the Fellowship is run by a clique.
9. Hold back your dues as long as possible, or don't pay at all.
10. Don't bother about new members, "Let George do it."

However, I know that everyone is going to back up the officers and come out 100% strong.

BUDGET FOR 1928

At the stated meeting of the Vestry held Wednesday evening, December 21st, the following budget presented by the Finance Committee, was approved for 1928.

You will notice that the Vestry has included in the Budget the full amount which the Diocese expects of us for the General and Diocesan Church Program.

Over a three year period our givings for Diocesan and General Church items, which count on our quota, have amounted to between \$1500 and \$1600 a year. This is a very creditable showing for the Parish, but naturally we are all anxious to do our full share in supporting the program of the Church.

To raise our full budget which for 1928 amounts in round figures to \$12,500.00, will mean a determined effort on the part of all. It means of course that we should have 500 contributors giving on an average of 50 cents a Sunday. This is a larger amount than many of our Parishioners are now contributing toward the Parish support, although our pledges have been greatly increased for 1928. Thinking in terms of present day values, 50 cents a Sunday or more is certainly within the reach of most of us. We spend that much weekly for many other less important things. Some of the younger communicants who spend large amounts weekly, apparently gladly and willingly for pleasure, give the very minimum to the Church, and in some instances nothing at all.

In very few instances do the pledges made for 1928 show evidence of a real sacrifice, an actual denying of something so that the work of the Church may go on, molding and shaping the lives of boys and girls, men and women, both in this community and abroad.

It is always a source of wonder, when the pledges and reports are received, how some can give so much, how others can possibly give so little and how others, who demand every service that the Church has to render, give nothing at all.

We need to do some real heart searching, to force ourselves to be really honest with ourselves, on this whole subject. Are we really putting first things first or have we given unimportant and superficial things the place of honor in our lives?

Are our offerings really

Holy offerings, rich and rare,
Offerings of praise and prayer,
Homage of each humble heart
Ere we from thy house depart
All that childlike love can render
Of devotion true and tender,

or are they just the leavings after we have paid for our ease and comfort, for our amusements, for our cars and our gasoline and oil?

JOIN THE CONFIRMATION CLASS

Just a few cents we feel we have to spare. And this we offer back to the loving Father who gave us all that we have? No wonder God doesn't prosper some of us, how could He prosper any one whose life is ruled by a spirit like that.

Let us all give serious thought to this whole subject, thanking God for the great privilege of worshipping and working and giving in this Parish, which is showing forth the broad outlook and the inspiring vision of a loving and redemptive Saviour in a community that so sorely needs Him.

DORCAS SOCIETY

The regular weekly meetings of the Dorcas Society were discontinued during the holiday season, as has been our custom in the past. We will resume our work on Monday evening, January 9th, and hope for a good attendance, so that the Society may commence the new year with a strong following and determined effort.

The annual election of officers will take place at our first meeting, and we look for the support of each and every member to make their term as successful as the past.

THE CHURCH ARMY

The Church Army, which has been winning constantly, increasing enthusiasm for its methods in eastern dioceses, opens a Church Army Training Center in Providence, R. I., on the Feast of the Epiphany, for the development of an American branch of the work. "Help us find candidates," says Captain Mountford, "keen young men who don't yet feel called to Holy Orders, but still want a man's job in the Church."

THE CHRISTMAS SERVICES

It is very difficult to express in words the beauty and joy of the services on Christmas Day.

The early morning service with the lights and the music and with perhaps the largest group of communicants ever to receive at a single service in St. Paul's was most inspiring.

At the later service the Church was filled again with a devoted congregation, made up largely of Sunday School Scholars who came to sing their beautiful Christmas Carols on the birthday of the Christ Child.

Loving and grateful hearts presented an unusually large Christmas offering. At least 325 of the Christmas offering envelopes were used, a striking evidence of the fact that the Christmas offering represents the gifts, not of a few, but of a loyal and united congregation. That in itself is an inspiring thought for Christmas Day and for the New Year so closely to follow.

We are very grateful indeed to so many kind and willing hearts, for the beautiful decorations, the splendid music, better perhaps than at any service in the past, the wonderful offering, and far above everything for the loving spirit of Christ which was so manifested in every activity of this most blessed and sacred of Days.

CHRISTMAS PAGEANT

As many of you know, the Girls' Friendly Society started its New Year with a Christmas Pageant which not only included the older girls, but many of our little ones as well. It was given under the direction of Miss Virginia Glenn and we are all very much indebted to her for all the time and thought she put into it. We would also like to thank the choir for their support. We are starting the New Year full of "pep" and planning great things for the future. In numbers we are stronger than ever, and hope that we may add many more new names to our roll in 1928.

The following girls took the principal parts in the pageant and all did splendidly.

Helen Clark	Caroline Halfpenny
Virginia Glenn	Margaret Williams
Jean Hoffman	Dorothy Williams
Evelyn Moore	Grace Green
Dorothy Moore	Dorothy Pelletreau
Anna McCook	Elva Whiteman
Virginia Haines	Jeannette Eyman
Lucille Fitzgerald	Esther Burns

A RETREAT

"Come ye yourselves apart into a desert place, and rest a while." Retirement, and silence, and opportunity to reflect and wait upon God; with united worship and singing at intervals; and a leader to stimulate and direct their meditations:—such is the purpose sought by a group in this diocese. A gathering of this character for men will be held the week-end of Septuagesima, February 5th, from late Friday evening to early Monday morning, conducted by the Rev. Thomas A. Conover, of Bernardsville, N. J. The next week the Rev. George L. Richardson, of Burlington, Vermont, will lead a similar program for women. The group making preliminary arrangements includes: Messrs. Harry S. Huber, Jr., Lawrence J. Morris, G. Frank Shelby and Lee Sowden; Miss Elizabeth W. Fisher, Mrs. William C. Perkins, Mrs. J. Allison Scott, Miss Sarah Tompkins and Mrs. George Woodward; Rev. Messrs. Charles E. Eder, Frank Goostrey, C. J. Harriman, Albert H. Lucas, John Mockridge, Leslie F. Potter and Stanley V. Wilcox. The plans have been laid before Bishop Garland, and with his permission those who are willing to co-operate, or who wish detailed information, and to be kept in touch with developments, may address Lee Sowden, 202 South 19th Street.

"Come, my people, enter thou into thy chambers, and shut thy doors about thee."

Consult the Rector for further details.

YOUNG PEOPLE'S FELLOWSHIP

A group from the Y. P. F. left the Parish House about 11 P. M. on Christmas Eve and visited many homes in the Parish to greet them with carols.

The first devotional service of the New Year was held on Sunday evening, January 8th, the President. Mr. M. Born led the devotion. Many plans are under way that promise to make 1928 a banner year in the history of St. Paul's Y. P. F. Come and join us.

CHOIR MUSICAL

THE CHRISTMAS ENTERTAINMENT

Santa Claus paid his annual visit to St. Paul's Sunday School on Wednesday, December 28th. He came to visit the Junior School in the afternoon and found a large group of children, in care of faithful teachers, playing games and having a lively Christmas party. Santa brought a gift for every child present.

In the evening he came again, this time with a large troupe of well trained performers to entertain us all with a bright and cheery Christmas play entitled, "Christmas at Stebbins." The play coached by Mrs. Thomas S. Boyle was greatly enjoyed by the large audience present.

We were all sorry to learn of the illness of Bruce Edkins, who was to play the part of Mr. Raymond. Spence Dunbar stepped in at the last moment and gave a very creditable performance. Little Edgar Glenn was greatly enjoyed as Joe the orphan, who found such great happiness at Christmas.

RECTOR'S LETTER

MY DEAR FRIENDS:

It has been well and truly said that Lent is very old yet always new. It comes to us again with its duties, its privileges and its responsibilities. It comes with the same familiar call for retirement, for self-examination and for repentance, and it offers—in its more frequent services and communions and instructions—its help to a more Christ-like life. Souls have always found in a proper observance of Lent many rich, true and lasting blessings.

It is my responsibility as your Rector to call you to a well-kept Lent.

You will find in this issue of the Chronicle a complete calendar of the Lenten services. A copy of this on cardboard will be mailed to your homes so that you may have it ever before you.

Many will treasure it, I know, and take advantage of the opportunities offered. Such will grow in grace and in the knowledge and love of God. To such hearts will come the peace of God, which passeth all human understanding; greater courage to face life's battles; new strength to overcome adversities.

To others to whom it comes it will mean little. These are the occasional communicants, excusing themselves for non-attendance at divine worship on any and every pretext. It is my hope that perhaps many such will find in this Lenten season an opportunity to overcome their religious indifference, and that they will come to know once again the joy of assembling and meeting together to render thanks, to hear His holy word, to ask His guidance, and to meet Him in the Blessed Sacrament.

God help us all to a faithful performance of our Lenten duties.

STANLEY V. WILCOX.

LENT

When I survey the wondrous cross
On which the Prince of glory died,
My richest gain I count but loss,
And pour contempt on all my pride.

Forbid it, Lord, that I should boast,
Save in the cross of Christ, my God;
All the vain things that charm me most,
I sacrifice them to His blood.

See, from His head, His hands, His feet,
Sorrow and love flow mingled down!
Did e'er such love and sorrow meet,
Or thorns compose so rich a crown?

Were the whole realm of nature mine,
That were a tribute far too small;
Love so amazing, so divine,
Demands my soul, my life, my all.

MESSAGE FROM LIBERIA

This was picked up by an amateur in Paterson, N. J., and mailed to Bishop Overs, who duly received it on Christmas Eve.

Many members of the congregation will remember Mr. Donovan's visit to St. Paul's during his last visit to the United States, and his interesting account of his work in Liberia.

THOUGHTS FOR CHURCH SCHOOL TEACHERS

BISHOP OF ALABAMA

"You may have certificates from a dozen schools, and yet if you do not attend regularly the public worship of the Church, you should not be entrusted with the instruction of the children of the Church. Your example will destroy your teachings."

Whatever subject you may teach, require accuracy on the part of every pupil.

What really counts in the school is your influence.

The teacher should ask the class this question every Sunday: "Who will attend service with me this morning?"

BROTHERHOOD OF ST. ANDREW

A meeting was held on Tuesday evening, January 24, at the residence of Mr. E. F. Gillin, to discuss the reorganization of the Senior Chapter of the Brotherhood of St. Andrew. It was decided to begin at once to make an effort to increase the membership in the chapter and to meet regularly on the second and fourth Tuesdays of each month.

Every member of the chapter realizes the many opportunities for Brotherhood work in the Parish, and a definite program of service is soon to be adopted. Here is a short record of the work done by one Brotherhood chapter in Chicago. There is still a great need for just such work in this Parish today.

"With regard to the services at the church, they put cordons around the church, that men passing by might be asked to come in. They put men at the doors of the church, that men coming in might receive a welcome. They put men in the pews of the church, that a man coming in might have a neighbor—a man who would be neighborly unto him, one who would hand him a book and show him the place, one who would leave the church with him, get up an acquaintanceship with him, and thus establish a basis on which he could be dealt with and attracted toward the Kingdom of God. For all these men began to realize what they had never realized before, that they were citizens of no less a kingdom than the Kingdom of God; and there was a dignity in that citizenship that made it the thought of their minds and the topic of their conversation."

DORCAS SOCIETY

During the Lenten season which we will soon enter, we expect to have a number of interesting speakers to address us at our meetings on Monday evenings.

The officers elected for the year 1928 are as follows:

Miss Clarissa Schofield, President; Mrs. Alexander Wallace, Vice-President; Mrs. Robert J. Skillen, Secretary; Mrs. William T. Chase, Treasurer.

The first social of the new year was held on Monday evening, February 6th. A goodly number attended. After the business meeting adjourned, a very tasty repast was served by the refreshment committee.

At this meeting our President gave a brief outline of the work she expects to accomplish during the coming year. Judging by the many ideas she expressed, we may expect a very busy and successful year.

Let us hope that all the members will come out and give her their hearty support and co-operation in her undertakings.

HARRIET J. SKILLEN,
Secretary.

ORDER OF SIR GALAHAD

This group, consisting of the youngest boys in the Parish, is gradually assuming a most important place among Parish organizations. Dedicated to the principle that church environment at this age is conducive to real Christian character at maturity, the Sir Galahad Order is making itself felt.

In addition to the ritual and religious features of our meetings, we have a lengthy gymnasium period. We invite lads between the ages of 9 and 12, and they can be assured of lasting friendships made in a healthy and spiritual environment.

GEO. C. ANDERSON.

† †

GIRLS' FRIENDLY SOCIETY

The Girls' Friendly are working very hard this Lent on a musical play to be given sometime after Easter. We have two objects in view in doing this: One, to make a donation toward the Easter offering; and the other to help finance our annual trip to Cape May—two objects which I know are of interest to all.

Our Lenten Study Class will be held at the Rectory on Friday evenings at a quarter to eight. And we cordially invite all Associates to come and meet with us. This class will consist of the older girls in the Monday evening group. The younger group will attend the Children's Service on Wednesday afternoon and help in the choir.

We also want to thank all our Associates who have been so very faithful this winter, and without whom we could never have carried on.

† †

YOUNG PEOPLE'S FELLOWSHIP

Perhaps the finest, most enjoyable and most friendly event ever attempted by the Fellowship was the Poverty Party held on Friday evening, February 10th. One thing at least is certain, that never before have all the members been brought so close together in a spirit of fellowship. A great deal of commendation is due the committee which worked so efficiently, and to Miss Wallace who, although not on the committee, worked and co-operated with them. Many thanks, Anna, from the Fellowship as a whole.

"The Terrible Meek"

will be our next great accomplishment and I do hope and I know that no one in the Parish can afford to miss this drama of the Passion.

May I depend on seeing you there?

MARTIN F. BORN,
President.

LENTEN OFFERING ACTIVITIES

Every member of the Sunday School is active at present on behalf of the Lenten offering.

Miss Katherine Johnson's Class held a Cake Sale and Supper on Saturday, February 4th, and appreciate very much the co-operation given them.

Miss Schummacker's Class had a Card Party and Social on Friday, February 10th, the proceeds from which will help to swell the class total.

The Primary, Junior and Intermediate Departments in charge of Misses Josephine and Elizabeth Cole will hold a Cake Sale and Supper on Saturday, February 18th, afternoon and evening.

Mr. Anderson's Class is giving a Pre-Lenten Party at the Rectory on Wednesday evening, February 15th.

Mr. Martin Born's Class will give a Minstrel Show on Friday evening, February 17th. Mr. Chambers and Mr. Braggs are coaching the players so we are assured of a splendid performance.

The Brotherhood Class will hold a Lenten Supper on Saturday evening, March 17th. You may engage a table for four, six or eight persons. Tickets 75 cents each.

Other classes are working earnestly to meet their quotas and to make a real self-sacrificing offering this Lent.

Several Cake Sales will be held on the Saturdays during Lent. Dates to be announced later.

† †

RUMMAGE SALE

The Brotherhood Class will hold a Rummage Sale in March to help toward the Lenten offering. They will welcome gifts of second-hand furniture and clothing and will gladly call for any such at your convenience. Perhaps your neighbors will help us to make this sale a success. These sales are not only a help to us, but through them we help many who get usable articles of all kinds at a minimum cost. Children's clothing and shoes are always in demand.

† †

A SUCCESS

The Y. P. F. gave a very successful Poverty Party on Friday evening, February 10th. A very carefully thought-out program of games, followed by an equally attractive menu, reflects a great credit on a very capable committee.

FAITH AT THE CROSS

BY

REV. ABRAM LINWOOD URBAN

A Series of Addresses Delivered in St. Paul's on Good Friday, 1927

It is the last awful act of the divine tragedy. The hour seems to belong to the powers of darkness. The unknowing crowd who had waved palms and sung hosannas and then cried "Crucify him" are here, enemies mock and the soldiers play their dice. A few lone figures at the foot of the cross represent all there is of faith in this dark hour. Hate seems stronger than love.

In spirit we kneel as through many centuries souls have knelt, for faith still lives. Why is it that faith in One rejected by His own and dishonored has lived through the centuries? What in the Cross makes men kneel? What does faith see there, what find?

The Christ of the Cross! Who is He? It is the question of the ages. "What think ye?" It is to many a strange fact that this question has no complete answer except as He is seen on His Cross. What do we see? A man, but a man different from all we know of men. It is the revelation of the heart of that man that subdues us, and compels faith. Can we believe it? Is it the Heart of God?

What did the Cross mean to Jesus? How did He regard that hour? He had gone forward to it consciously and deliberately. He had chosen it. Why? When on His way to trial and judgment and death some Greeks asked to see Him. It strangely moved Him. "The hour is come," He exclaimed, "when the Son of Man shall be glorified." Are we to see Christ glorified on that Cross? He so saw it. "Now is my soul troubled; and what shall I say? Father, save me from this hour; but for this cause came I into the world. Father, glorify thy name." Then, seeing far beyond the Cross, He cried, "And I, if I be lifted up from the earth, will draw all men unto me."

Of all the words of our Lord none is more wonderful than this, none more challenging to faith, none more assuring to faith, none that faith must more surely rise to, for only as we see the glorified Christ on the Cross can it have any message except world-despair. Unless the Cross is lifted up into the burning light of His view of it, it can be only the world's deepest tragedy. Let our faith so approach it.

A FAITHFUL ATTENDANCE DURING THE LENTEN SEASON

BE REGULAR IN YOUR CHURCH ATTENDANCE

FIRST WORD

"Father, forgive them, for they know not what they do."

The soldiers nail Jesus to the Cross, the cross is lifted up and planted in the ground. I cannot use words to picture the moment, but I hear again these first words. They are not words of bitter condemnation, but of pity. The soldiers are but instruments in the hands of their superiors, brutal, but ignorant. They know not what they do.

The Saviour looks upon the crowd. I can think that His mind goes back to the day of palms, when, on His way to Jerusalem and death, the unknowing crowd sang their hosannas. What tragedy was enacted between the morning of Palm Sunday and the evening of Good Friday! There were no palms at the cross, no hosannas. Do we realize the tragedy of it?

Tragedy is born of the sense of futility. How utterly futile the palms and hosannas of that Palm Sunday crowd! The cries of the mob, "crucify him, crucify him," drowned the very memory of the hosannas.

The most tragic fact of the Gospel story is the fact of the unknowing crowd. The Christ passed. They saw the Son of Mary, and, unknowing, they thought they saw the Messiah of their mistaken dream, but they did not see the Son of God and Saviour of the world. He passed to His Cross unknown.

Is Calvary otherwise conceivable? It requires a deeper contempt for essential humanity, a doctrine of depravity more fearful than the merciful ministry of Christ permits, to believe the deeds of that week of horrors possible had the people known all the dread meaning of their deeds. Jesus from His Cross said they did not, and this first word, what is it but a shedding forth of this one ray of light upon the otherwise hopelessness of sinful men?

As Jesus looks upon the crowd He sees the scoffers, and hears their taunting mockery. He, I can believe, thinks of Pilate and Caiaphas, and of Judas, the weakness and the bitter enmity, the ambition and the hatred which really nailed Him to that cross. He knew the greater responsibility, greater than that of the brutal soldiers, greater than that of the unknowing crowd. Does He cast the mantle of charity over Pilate, and Caiaphas,

and Judas? What a revelation of the heart of Him who shows us God! Even in this hour of the powers of darkness Love is stronger than hate.

And herein is the spiritual tragedy. These words of Jesus, though words of pity, are a revelation of the fearful nature of sin. They tell us that the wound of sin enters into the understanding. They knew not the Christ because of a veil over their souls, but a veil that might have been lifted, for the heart is blind as the heart is hard. The responsibility is for the hard heart.

How surpassing strange this first word from the Cross! For the moment reflect upon its worldwide meaning. Christianity has been called the "Religion of Sorrow," and there is profound truth in those words of Goethe. Jesus Christ was the "Man of Sorrows."

There is no false optimism in the Christian view of life. The Cross of Christ is true to the realities of life. It witnesses to the pain and sorrow, and the sin of humanity. But does all optimism wither in the scorching light of the Cross? Does the witness of the Christ to the sadness of life kill hope?

Look steadily at the Cross as it stands today in the light of history. When Jesus Christ was nailed to it the cross was the abhorred symbol of shame and crime. Strange! The old loathed implement of death has become the symbol of life. For these long centuries it has been the sign of the grace of God, the comfort of the penitent, the pledge of man's peace with God, the symbol of divine charity even on war's blood-stained battlefields. Why? Do not mistake. You get no false view of life at the Cross. It is God's condemnation of sin, and yet it is the sign of the gentleness of God. Again, why? There is a remarkable drawing of the Crucifixion by William Blake that suggests the answer. The whole scene is in darkness save one ray of light that shows the Saviour on the cross. At the foot of the cross is a lonely figure with outstretched arms in an attitude of worship. It is not a disciple. It is not even the Mother. It is the *world* that is represented. The artist tells what the mind does not grasp. That ray of light in which the Saviour is seen reveals the world's hope. Shall we kneel?

The presentation of the Sunday School Lenten Offering will take place on Easter Day at 3.30 P. M. The school will meet in the Parish House at 2.45 to give ample time for the tabulating of the offering, the awarding of the banner, etc.

To all those who have worked so diligently and to all those who have contributed so generously for the worthy endeavor, we extend our grateful appreciation.

Just who will be awarded the banner this year is at present very much in doubt, as every class is working hard for this honor.

The attendance during March has been splendid, due largely to a genuine personal interest manifested by the teachers in their scholars. Mrs. Wiley's monthly list of absentees has been a great help and we are thankful to all those who have helped with personal visits. We are proud of our school.

 Their Lord indeed was risen again.

Near to the disciples at Emmaus was the Risen Saviour that first Easter Day. Near to His faithful ones is He now in ways we little understand. And the same glad message does He give our hearts of the Life Everlasting beyond. There our departed loved ones are in joy and felicity for evermore; there we shall meet them in a happy reunion which is never to end.

May this Easter faith and comfort be yours in all fulness.

EASTER FLOWERS

The Altar Guild will be thankful for contributions of money or plants to help with the Easter decorations.

We are planning again for a beautiful grouping of potted Easter lillies in the Chancel and also cut lillies for the vases.

Plants or cut flowers should be sent to the Parish house on Saturday (Easter Even), April 7th, not later than 4 P. M.

We would greatly appreciate the gift of some tall Easter lillies in pots.

Please place a card on plants that are sent in memory of departed loved ones, so that we may make a record of the memorial. These plants are distributed to the sick after the Easter Services.

EASTER OFFERING

Easter Offering Envelopes will be distributed with the notices of the Easter Services and your Vestry hope that you will give generously at this time toward the needs of the Parish.

We have not yet reached the point where our income from the Duplex envelopes is sufficient to meet our expenditures, so we must appeal to our Parishioners for Special Offerings at Easter to make up our deficiencies. The hearty co-operation and the generous support of every communicant makes a somewhat difficult task at times, a very pleasant duty and your Vestry is very grateful to you all.

THREE HOURS DEVOTION GOOD FRIDAY

FAITH AT THE CROSS

(Continued)

SECOND WORD

"Today shalt thou be with me in Paradise."

"There were two thieves crucified with Him, one on the right hand, and another on the left." One prayed, the other reviled and mocked."

There are other men on crosses, there are other dying men. It is a common fact, common as life.

Where do dying men go? Does the Cross cast a light on the way dying men go? There are those who look toward the future as into thick darkness. There is a horror of death. How piteous the dark pessimism of much of the literature and art of the time! Under the influence of a materialism that kills faith in God and the immortal soul, doubt and fear darken the whole view of life. There is no purpose to justify life or the universe. The forces that work, work for death. There is a feeling of life as

"Darkness at the core

And dust and ashes all that is."

"Death," says Bernard Shaw, "is nothing but making room," and preaches the philosophy of the Stoic, but deep below all the studied acquiescence is the feeling that life has lost all meaning. George Sterling tells it when he describes himself as a

"Dim solitary traveler

On ways that end in evening and in waste."

And yet there is bitter protest against what one has called "the iniquity of oblivion." It sets the seal of finality on all human hope. This protest often ends in mockery of all that in life seems good, a mockery that but hides hopelessness.

Was there something like that in the soul of the thief who reviled and mocked? There had been evil in that man's life, evil that had warped and seemingly destroyed all the possible fineness of human nature. Had there ever been a glimmering of a purer hope and a cleaner life? He was dying as a common malefactor. He looked at Him of the central cross. How did the holy calm of Jesus affect him? Did he see hope for man as the other thief did, or only the cruel lie that life seemed? He reviled and mocked. What did he revile? Was it Jesus, or was it life? Did he mock because here was only another deluded soul, was the calm of the Face only the same old lie? Did we see on that cross beside the Cross of the Saviour the bitter sinner who had accepted the dread creed of denial and dies with it on his lips, mocking what he thinks the "ancient lie"? Or was it simply truth rejected, goodness scorned? For it is a fearful fact that truth rejected becomes truth hated, goodness scorned becomes goodness hated. The hard cynical attitude of many today is not far from the hatred of the restraints of truth and goodness. Was that kind of

hatred in the soul of that dying man? I do not know. Jesus was silent. I cannot fathom the meaning of the silence of Jesus.

The other dying man looks upon the dying Christ. He sees something that causes him to see himself as he ought to be, something that brings to his lips not mockery, but prayer. "Lord, remember me when Thou comest into Thy kingdom." The Saviour hears. He answers. "Today shalt thou be with me in Paradise."

Now is the true revelation of Him of the Cross. He does not come down from the cross to prove Himself the Son of God, but hangs there to pardon and save. It is the highest power of God. He answers the penitent thief as only God can. Since then, and only since then, has man's creed declared faith in "the forgiveness of sins." That is indisputable fact. The Gospel of Jesus Christ is the only Gospel for sinning, dying men. We kneel before the absolving Priest of the Cross.

YOUR ENVELOPES

Are your pledge envelopes paid up to date? We do not have a system of statements for unpaid envelope subscriptions, but if you are back in your payments and desire to know the amount, Mr. Livezey will gladly give you the information.

It will be of great help to the Accounting Warden to have all pledges kept up to date.

If you do not have weekly envelopes, we will gladly supply you with a carton for 1928.

DORCAS SOCIETY

The Dorcas Society has been very active since Easter. Meetings have been well attended and much future work planned. The June Party this year will be on new and novel lines and will be given during the week of June 4th.

CHOIR MUSICALE, MAY 3rd, 8.15 P. M.

LENT AND EASTER

The Sunday School carol service and presentation of the Lenten Offering on Easter Day brought to a conclusion a most helpful Lenten season and a most glorious Easter Day.

As we look back over the Lenten season we find much food for serious reflection.

To begin with, over and above everything else, the parish really did seem to be keeping Lent. We had a better attendance at services perhaps than ever before, more communicants came regularly to the Lord's table, more people seemed seriously interested in things spiritual. All of this helped to make our Easter such a glad and joyous day.

We began with a very ambitious Lenten program which, from the experience of the past Lent, we must modify another year.

The afternoon services apparently are not at a convenient hour for most of our parishioners. We have attempted to hold them for two years now, but without success.

The mid-week evening service was much more successful than ever before. Next year we must make it even more so. We shall begin with a definite resolve to make this a real community Lenten service.

The children's service on Wednesday afternoon is another service that has great possibilities. We do better with this service at St. Paul's than, perhaps, any other city parish, but if we concentrated on it more it could be a much bigger and greater service. Next year we hope to have a special group to co-operate in making this a great children's service.

The Wednesday morning Communion service was well attended. There is no reason why the chapel should not be filled every Wednesday morning. The hour is a convenient one for most of our women and if they would resolve definitely to come they would find the same help and strength that others find in this beautiful service. That more do not come is most likely due to the fact that we do not have a week-day Communion service throughout the year. Perhaps beginning next fall we shall have such a service.

The early celebration on Thursday morning we shall change next year to Friday. This is only the second year for this very early week-day celebration and we are thankful that the attendance is gradually increasing.

We are most thankful to all the visiting clergymen who come to us on Sunday evenings. The messages they brought were most helpful and inspiring and we are very deeply grateful.

No words can describe the beauty and joy of the Easter services. We can only say a word of appreciation to those whose careful foresight and planning as regards the music and the flowers and all the other necessary arrangements made such wonderful services possible.

NEAR EAST RELIEF

The Cause of the Near East Relief Will Be Presented to the Congregation on Sunday Morning, April 29th, By

Dr. Edward Bedrossian. Dr. Bedrossian, a native of Marsovan, Turkey, was graduated from Anatolia College in Marsovan and from the Medical Department of the University of Pennsylvania in Philadelphia.

During the war Dr. Bedrossian served in the United States Army as a medical officer and later accompanied the Relief Commission on a tour of inspection to Constantinople and the Balkan States.

In the year 1915 Dr. Bedrossian's parents were massacred during the deportations that the Armenians suffered at the hands of the Turks. He knows what extreme destitution and frightful living conditions exist throughout these lands today, and has been doing all in his power to secure relief for them. He has spent a great deal of his time in lecturing on behalf of his unfortunate people.

SUNDAY SCHOOL

The work of our Attendance Secretary, Mrs. Wiley, has been of great help this past school year. Lists have been prepared and placed in the hands of the teachers for personal visitations.

A splendid response is the report of teachers who have made the visits. In this respect Mr. Livezey's class shows the greatest improvement.

We hear a great deal in this day of church school programs. Many of them are very helpful. We have yet, however, to provide any program that will take the place of personal interest.

With many available teachers for classes in 1928-1929 we are looking forward to a system of smaller classes with a greater emphasis on personal interest.

During the past month we have lost two capable and faithful teachers through removal to the suburbs, Misses Elizabeth and Abbie Schummacher. We will miss them very much. They were regular in attendance, held the attention and interest of their scholars, and were a personal example and influence.

Miss Dorothy Whiteside will take the class formerly taught by Miss Abbie Schummacher.

The superintendent has not yet made a definite choice in connection with the class taught by Miss Elizabeth Schummacher. Fortunately capable substitutes are available until a teacher is chosen.

The school as a whole worked hard for the Lenten offering. Several of the new classes in the main school made a splendid effort. Naturally we missed some of the energetic workers of former years. Miss Margaret and Miss Ella Aikens, Mrs. Boyle, Miss Hoffman, Mr. Dunbar, Dr. Sladen and others, whose classes were merged to form the older groups in our present school. We are looking forward to the return of some of these teachers next fall to take charge of younger groups in the main school.

We are ending now our third year as a morning school. It has been necessary to make many revisions, but we feel that on the whole we have succeeded admirably in bringing about such a radical change without completely disrupting the school.

We never could have made such splendid progress as a morning school in so short a time without the wise guidance of the officers and the hearty co-operation and support of our teachers.

ANNUAL DINNER

We are glad to welcome the Sextons' Association to St. Paul's for their Annual Dinner on Tuesday, May 8th. Their Annual Dance will be held in the Parish House Tuesday Evening.

EASTER OFFERING

The Finance Committee of the Vestry takes this opportunity to thank all those who so kindly contributed to the Easter Offering. It is not possible for them to thank every contributor individually, because in many cases no name was given with the contribution. We are grateful for your loyal help and co-operation. Without endowments or pew rents we are entirely dependent on the free will offering of our communicants. We are trying hard to give the Parish an economical administration without in any way curtailing our activities. With the local conditions confronting us, progress is to be made in one way, and one way only, and that is by an aggressive policy of Parish extension and expansion.

Like the French at the Marne, every Protestant Church in this section either goes forward or ceases to be. Under God's guidance and protection, we are going forward at St. Paul's and we will continue to go forward, but only to the measure of your help and your co-operation.

You help by your presence, by your example, by your prayers, and by our contributions.

YOUNG PEOPLE'S FELLOWSHIP

The Lenten drama, "The Terrible Meek," and Van Dyke's "Fourth Wise Man," were presented on Friday evening, March 23rd, by members of the Y. P. F. All the parts were splendidly taken and great credit is due the members of the Fellowship.

The annual closing date of the Sunday evening devotional meetings is Whit Sunday. This year Whit Sunday is May 27th.

We have, therefore, only five more meetings. We hope that the interest and enthusiasm of the Fellowship will continue until the closing date.

The next business meeting and social evening will be held Friday evening, May 11th, in the Parish House.

(Materialistic News.) A senior warden has just told his fellow parishioners in a big parish meeting that sixteen of them whose incomes average \$91,000 a year are giving only about \$1,000 for the work of the church. Another parish reports 431 automobiles and 408 families, with 159 families pledging for the work of the church less per year than the cost of two tires.

ASCENSION DAY, MAY 17th—HOLY COMMUNION 10.00 A. M.

FAITH AT THE CROSS

(Continued)

THIRD WORD

"Woman, behold thy son, son behold thy mother."

There is a little group at the foot of the cross, three women, one of the Mother, and a disciple. It is the only expression of faith in all that crowd, and they can bring only the tribute of their tears. It is a bruised faith, but held there by a love which nothing can arrest. The sword which the aged Simeon foresaw is piercing the heart of the Mother, and John can only remember Him of the upper room. They will be with Him to the last, but they must live on, Mary to carry ever the wounded heart, and John to go back to his nets.

I think there are few thoughts so overwhelming as what one calls "the awful loneliness of life," the loneliness there is no help for, that no one can reach, no one can share. "The absent light of love,

The delayed word that kept your ears empty,
And the hand that never beckoned,"
must the Mother, must John, forever know that loneliness?

The loneliness of Jesus, He felt it when His disciples were "scattered" and He was left alone, and now on His cross, around which surged the unknowing crowd; but the nearness of love at the foot of the cross was dear to Him, and of all the words from the cross the tenderest are these to His Mother and to John. His eyes rest on that little group. As He looks at the Mother, His mind goes back to the home at Nazareth, the workshop of the carpenter, and the tender ministries of that Mother; and as He looks at the others He thinks of the years of teaching in Galilee and His call of John from his nets. He knows as only He can know what this dark hour means to them, how their faith is bruised, and how love lives, but how dark the future seems. Not thinking of self, He says, "Woman, behold thy son, son behold thy mother."

How human that word! It is a word to His own Mother, a word confiding a sacred trust to a friend. Jesus dies with the sorrow of His Mother in His own great soul, and with confidence in the loyalty of a man.

How sacred human relations since Jesus was born at Bethlehem, how sanctified by His word from the cross! How divine a true friendship since Jesus Christ called men "friends," and sealed such friendship with

the sacred trust confided from the cross! Such friendship, I say, for herein is the great lesson for us. What is the warrant of the permanency of our human affections? Can we fail to see the answer the Cross of Christ makes to this question? Fellowship in sin is never a friendship that bears strain. Sin blights it. Sin, slowly it may be, but surely destroys everything good and beautiful in our human nature.

The lesson goes deeper. Whatever has its root only in time and sense must perish, for all that is of the earth, earthy, passes away. It must be so, for the time element and the earth element have nothing permanent in them, and if our human affections have no deeper root than in time and sense they can have no element of permanency. They must die with the lower nature to which they belong. But in union with God in Christ, our human nature is redeemed, in Him may be purified and held as sacred. As we think now of our own, holding them as sacred, let us in grateful love kneel.

SUMMER PLANS

Parish organizations are already formulating plans for the usual summer activities.

Members of the Junior Brotherhood Chapter, directed by Messrs Born, Abele, and Phillips, are looking forward to their annual summer camp. They are planning to go the first week in August, leaving the Parish House on Monday, August 6th.

The Sir Galahad Boys have resumed their weekly meetings and are planning for two weeks of camping, beginning Monday, July 16th. Further details to be announced later.

The Girls' Friendly expect to go again to the Holiday House at Cane Mav. A play will be given shortly to raise funds to help defray the expense of this annual trip.

A delegation from the Advanced Junior Chapter of the Brotherhood, Fred Samuels, director, is planning a trip to Camp Gardiner, Cheshire County, New Hampshire. They will leave June 25th, and return July 8th.

The expense of the summer camps and the trip to the Holiday House is met largely by the boys and girls. The balance is made up by generous contributions from individual communicants interested in this particular phase of our Parish work. The Parish has no item for this work on its budget.

The Rector, appeals to you again to make our summer program for the young people possible by your contributions.

Dear Friend:

We appreciate very much your Pledge for the support of our Parish and for the Missionary Program of the Church in 1928. Your co-operation is most helpful.

Many of our Pledges are paid in full to date. Others, most likely, because of absence or illness, are somewhat in arrears.

Any who are behind in their Envelopes will help greatly, with our Summer Finances, if they will pay all Pledges, in full, up to Whitsunday, May 27th.

Whitsunday, or Pentecost, sometimes called the "Birthday of the Church," is one of the outstanding days of the Christian year. There will be a celebration of Holy Communion at 7.30 A. M. and at 10.45 A. M.

A special envelope is enclosed for your offering. If you are making up arrears, you may use this envelope. But please enclose at least one of your envelopes or your number, so that we can properly credit the amount.

ELECTION OF A BISHOP COADJUTOR

The great event toward which the whole convention had been moving, was the election of a Bishop Coadjutor on the last day of the session. Nominations had been made late on Wednesday afternoon. So the delegates were ready, after a largely-attended celebration of the Holy Communion on Thursday morning, to proceed with the balloting. Indeed, being human, they were prepared before the nominations were made, for there had been weeks of discussion of the prospects of the principal candidates, whose merits had been urged by their respective friends and opponents. Although, as is customary on such occasions, some of the delegates took advantage of the first ballot, not to try to elect a bishop, but to bestow the honor of a vote or two on some personal friend, it was evident from the beginning that the contest lay between Dr. Sherrill, Dr. Fleming, and Dr. Tucker, with Dr. Robert Johnston as a possibility if the delegates could not agree on one of these three. The balloting proceeded with great rapidity owing to the excellent work of the Rev. Joseph P. Morris and Mr. Frank Longshore and their efficient group of tellers. And as it proceeded, it was soon clear to all that Dr. Sherrill was making such gains, especially among the laity, that it was only a question of a short time before the great body of the delegates would swing to him. The expected happened on the fifth ballot when he was elected by the laity and received 83 clerical votes. Then, on the next ballot, he was overwhelmingly elected by both orders; and a moment later the choice was made unanimous. There was such a general feeling that Dr. Sherrill was an excellent man for the office that one could sense a universal heartiness in the loud chorus of "ayes" that went up from the delegates when Bishop Garland put the motion to make it a unanimous election. There was no feeling of bitterness, but only of good-will among all who had voted for other candidates, and a sincere desire on the part of everyone that Dr. Sherrill would accept the election.

Though he has not yet reached forty years of age, Dr. Sherrill has made such a name for himself that it is unnecessary to write at any length about him. His rectorship of Trinity Church has been remarkable, and of itself commended him to the Diocese. It is interesting to note that almost sixty years after Holy Trinity Church, Philadelphia, gave Phillips Brooks to Trinity Church, Boston, our Diocese should assemble in Holy Trinity Church and ask Trinity Church, Boston, to give her rector to us. We sincerely hope he will accept the high honor which the Diocese of Pennsylvania has bestowed upon him.

CHOIR MUSIC FESTIVAL

Choral and solo singing featuring the third annual musical festival of the Memorial Church of St. Paul, in the Parish House, 15th and Porter Streets, under the direction of Louis R. Beck, organist and choirmaster, last night. A mixed choir of forty voices sang Rachmaninoff's "Gloria to the Trinity," Sullivan's "As Torrents in Summer," and "Father Keep Us in Thy Care," Schubert's "Serenade," and several other short selections.

Albert Eastwood sang Kahn's "Ave Maria" and Dr. Randall Skillen was heard in Rasbach's "Trees." Both of these young men have tenor voices of pleasing quality. Among the soprano solos of Mrs. Elsie Labold was d'Hardelot's, "I Know a Lovely Garden." Mrs. Anna Moore, contralto, and Georgianna D. Worrall, soprano, appeared in solo selections and Harry Koch, a baritone of exceptional ability, sang Handel's "Where'er You Walk," with other numbers. Miss Annette Engell gave several readings.

An excellent quartette composed of Mr. Eastwood, Mr. Koch, William Jillard, and Dr. Skillen offered Coe's "Oft in the Stilly Night"; Matthew's "Surrey Song," and Blaker's "Safety First." The duet, "Whispering Hope," by Mrs. Labold and Mrs. Moore also was effective.

FAITH AT THE CROSS

(Continued)

FOURTH WORD

**"My God! My God! Why Hast Thou
Forsaken Me?"**

Two hours have passed since the nailing to the cross, two hours of slow dying. Christ has forgiven His enemies. He has blessed His friends. The noise of the reviling stops. Thick darkness veils the light of day, and darkness falls upon the soul of the Christ. He cries, "Eloi, Eloi, lama sabachthani."

There is something very human in this cry from the Cross. Is it even a human weakness? It is a darkness of soul, a darkness that only a soul can know, a darkness in which God seems lost to Him.

Why did the Saviour enter into that darkness? We bow before the deep mystery of this cry from the Cross, but to spiritual discernment one great truth, the saving truth of the Gospel, stands out clearly.

I recall how Jesus called Himself the Good Shepherd and think of that parable of incomparable beauty in which the Shepherd seeks the lost sheep "till he find it." In its widest meaning that parable is interpreted for us in this hour of soul darkness, for that lost sheep is man, and the Cross tells how far into our tangled and darkened life the Saviour had to go to find us. God seemed to have forsaken His Son, but no, it was not the hiding of God's face from Him. It was God's emphasis on the darkness into which man has gone, and into which the Son must go to find him.

It awes one to realize how Jesus Christ reaches down through the ages and lays His hand on us. It is because He knows all the darkness in which we lose ourselves. He knows it because He went into it all. He not only saw into the depths of life, but descended into them, and all to find the lost sheep. That is the one message of the Cross. It explains all that the Church has been trying to tell about the divine mystery of the vicarious suffering of Jesus. In some awfully real sense He who knew no sin was made sin for us.

There is everything for faith as we think on this cry from the Cross. It is assurance of the all-comprehending sympathy of our Saviour. He not only reaches down through all time and lays His hand on us, but places Himself by our side, stays with us, and tells us how to go through any darkness that may overtake us. He endured it all that He might be with us in it all.

There are depths into which we may go, depths of pain, depths of sorrow, depths of brooding thought. There may be spiritual

loneliness when friends are distant and God seems far away. Some of us know the pain of the "why," when God does not explain, seems not to hear. Faith is on a cross, Hope seems dying. The saints tell it. They often speak of a "horror of great darkness" through which they have come. Souls most like Jesus have known the nailing of faith to its cross.

It is the sympathy of the Christ that caused that cry of forsakenness. It tells that there is no darkness into which we may go that He has not known, and into which He does not go with us. The time may come when our Lord's "Eloi, Eloi, lama Sabachthani" is our one ray of hope and comfort, for it tells us in the darkness to trust God, for even when the Father's face seemed to be turned away His cry still was, "My God! My God!" Jesus in that hour of great darkness teaches us faith in God.

We dwell upon the details of our Lord's suffering love, to know it all so real, because it means so much to us in our struggle with evil. We are weak. The pain of the cross which Christ bids us bear is often very real, and we shrink from it. We want a sympathy that is human as well as a strength that is divine, and that we find in the Christ of the Cross.

It is the vivid reality of the human Christ that is so precious. It shows us that He is indeed our Brother. The very human weakness of our Saviour is precious to us, for it shows us weakness in strength. Here is One who suffered all that we can possibly suffer, and who teaches us to transmute suffering into joy. He has borne suffering humanity into the highest Heavens, there to receive us and love us forever. As a great poet has told it:

"'Tis the weakness in strength that I cry
for! My flesh that I seek
In the Godhead! I seek and I find it.
Oh! Saul! It shall be
A face like my face that receives Thee;
a man like to me
Thou shalt love and be loved by forever;
a hand like this hand
Shall throw open the gate of new life to
Thee! See the Christ stand."
We kneel for we have seen.

BY THE PRESIDENT

We do not need more material development, we need more spiritual development. We do not need more intellectual power, we need more character. We do not need more law, we need more religion. We do not need more of the things that are seen, we need more of the things that are unseen.

Father, we come, with youth and vigor pressing,
Gladly to serve as Thou wouldst have Thine own,
Grant that we may, Thy Holy Name confessing,
Promise to know the Christ and make Him known.

Be with us, Lord, we kneel in supplication,
In bonds of fellowship before Thy throne,
By fervent prayer, by willing consecration,
Help us to know the Christ and make Him known.

Feed us, dear Lord, that we may rise victorious,
Filled with the pow'r that comes from Thee alone,
Inspired with zeal, we face life's challenge glorious,
Eager to know the Christ and make Him known.

YOUNG PEOPLES' FELLOWSHIP

Of the first five Americans trained for Church Army work and recently given their temporary commissions, three are the product of Young People's Fellowship groups. More candidates are greatly needed.

Have any young people of the Church a more picturesque meeting place than those who are members of St. James' Church, Meeker, Colorado? That town is forty-five miles from the railroad, in the recesses of the Rocky Mountains. There is a really beautiful church, recently built. The new parish house is a "converted" log building, 17 x 38, with a kitchen attached. Meeker used to be an army post made necessary by the war-like Ute Indians, and was the scene of a massacre about fifty years ago. There are several of the log buildings still standing. The new parish house was probably part of the infirmary of old Fort Meeker. The parish is thus preserving an interesting part of the old Frontier, and the rector, Rev. Charles D. Evans, says the young people are putting it to a very good use. Meeker is a trifling sixty miles across country from Steamboat Springs where the two Church Army men have recently gone to work at the request of the bishops.

BROTHERHOOD CAMP

The following members of the Advanced Chapter of the Junior Brotherhood accompanied by the Rector will leave for Camp Gardiner, Laurel Lake, Fitzwilliam Depot, New Hampshire, on June 25th, returning July 8th: Fred Samuel, Director; Gilbert Moore, William Pelletreau, Clarence Baltz, Edwin Abele, Bernard Samuel and Robert Potts, Jr.

The group expects to have the same happy experience that they had last year at Camp Carleton and come home with an equal collection of trophies.

HOLY COMMUNION EACH SUNDAY DURING SUMMER 8.00 A. M.

G. F. S.

The Girls' Friendly wish to thank all those who so kindly took an interest in their show which they held on the first of June. You know the proceeds were for their Cape May trip, and they are all very grateful to everyone who was kind enough to help them out. I wish that I might tell you of each girl who took part and of how well she did, but as there were forty-one in all it would not be possible. However, I can thank those who helped produce it, and to them great credit is due. Helen Clark, Virginia Glenn and Charlotte Hiehle were mainly responsible for our success, and we give them a vote of thanks.

The girls leave for Cape May on June 26th, and we expect fourteen to go. Many of them are going for the first time and I know that we can promise them a good one.

TO ENVELOPE SUBSCRIBERS

If you are going away for July and August, please make some provision for the payment of your envelopes. Our church expenses go right on through the summer months and it will greatly help the accounting warden if the envelope subscribers will co-operate in this respect.

MEMORIAL SERVICE

A beautiful and impressive service took place in the Church on Sunday evening, May 27th. It was the occasion of the annual memorial service of the Gen. John F. Reynolds Post, No. 71, of the Grand Army of the Republic.

The Gen. John F. Reynolds Camp, No. 4, Sons of Veterans, and their Auxiliary, as well as the members of the Women's Relief Corps of the Reynolds Post, the Herbert Warriner Post, No. 70, American Legion, and Auxiliary, Donald T. Shenton Post 185, and Auxiliary, and Troops 231 and 232 of the Boy Scouts, assisted with the service.

We were greatly honored by the presence of these veterans and greatly inspired by the beautiful and hopeful words of their memorial service.

MINSTREL SHOW

The Minstrel Show and One Act Comedy, "The Passing of Mr. Peal," given under the auspices of the Advanced Chapter of the Junior Brotherhood on Friday evening, June 15th, fittingly closed the Parish House activities until the fall.

The minstrels, coached as usual by Mr. Chambers and Mr. Braggs, were most entertaining. As you will see by the program, which is printed in full in this issue, the troupe was a mixed one and as end "men" the girls were quite the equal of the boys.

"The Passing of Mr. Peal," so sad, so sudden, so unexpected, was greatly enjoyed.

The old minstrel troupe consisting of Albert Eastwood, Herman Evensen, Bill Devir, Bill Jillard, Adolph Lipke, Martin Born, Bill Wiley, Howard Dunn, George Anderson, Frank Hawthorne, Bill Locke, Joe Robinson, Bob Moore and Howard Kensil are threatening a revival in the fall, and our Junior Minstrels are making rapid progress.

A united troupe for one great show in December would please us all.

JUST JIM

Jim Lum is a Chinese laundry man in a Southern town, "just the ordinary Chinaman who has a laundry in so many places," the rector writes. "He did mine, and I was struck by the thought that we spend so much money in trying to help the Chinese in his own country and do not bother about him at all when he is at our very doors, oftentimes very lonely and isolated.

"Jim could speak little English but could understand it better than he could talk it, so I would stop and talk to him. I found he had an unusually good moral reputation and he was easily interested in coming to the services which he soon learned to enjoy and appreciate. I then approached him on the subject of his uniting himself with the Church and tried to make clear to him what it would all mean.

"He was the first and only Chinese, the Bishop told me, who had been presented to him for confirmation. This was about two years ago and Jim has been one of our most faithful communicants ever since. He has contributed regularly each year more than he promised, to both sides of the duplex envelope, and is always anxious to pay, the treasurer tells me. The members of the congregation have stopped in to speak to him whenever there was the chance to do so and in this way he has felt one of us in the faith.

"Jim had been in the community for a number of years and none of the Christian bodies had ever thought of him in spite of the fact that they were all doing work in China. It quite startled them when he was confirmed. The same thing could be done in many other places with patience and a little kindly interest."

How many people like Jim do you know in this community? Have you ever spoken to them about the Church?

FAITH AT THE CROSS

(Continued)

FIFTH WORD

"I thirst."

"Behold the man," said Pilate. How little the Roman understood his own words! He saw the Man Jesus in the depth of His passion, not dreaming its meaning. Strange irony of history! Pilate dared to pity. Jesus stands before the ages, the Ideal Man.

The Ideal Man! What do we now see? A very common fact, a human body in pain. It is a cry of physical suffering, the cry of a man parched and burned with the fire of crucifixion. Here is neither the apathy of the Stoic nor the false impassibility of the Buddha. Jesus Christ did not feel it a dishonor to utter such a cry. He did not die to annihilate the body, nor did He deny the pain that our bodies may know. There is no Christian Science at the Cross of Jesus Christ.

If we needed further proof of our Lord's complete identification with us we would have it here. The great reality in the suffering of Jesus is that He was human through and through. The Cross was real. The body on it was real. His suffering was real as our suffering is real. Christ assumed that body in the womb of the Virgin Mother, lived His pure life in it, and offered it in sacrifice to the Father. He hallowed it. He encourages no deformed spirituality.

Let us try to receive the lesson in these facts. Pain is the deepest thing we know in this life. It lays open the deepest in us. From the childbed to the couch of the dying, life is at the price of pain. From first to last pain is a fundamental fact of life. Pain has been with us from the womb of the world, and will be with us into the unknown. Only so is the spiritual evolved. It is all at the price of pain.

Pain belongs to us all. Pain at any moment may come. Pain may come in great intensity, pain must be ours before all is over. Do we shrink from pain? It is but natural. Jesus did. He was like us in all but sin, and this cry, "I thirst," tells us that our Saviour can feel with us, not only in sufferings of the mind, but in the pangs of the body, and this is to know that the Greatest meets the least, the Highest bends to the lowest. It brings Him to every bed of pain.

This teaching goes deep. We all shrink from pain. We shrink from it as if imposed by a hand that we are powerless to resist. We are often tempted to rebel against pain as against a wrong. How are we to think of it here before the Cross of Christ? One thing is certain, unless we find the mystery of pain solved at the Cross of Jesus Christ there is no solution; but if He on the Cross be indeed the Son of God, then that Cross brings God to every bed of pain, and we know, not only

that pain may be borne in submission to the will of God, but borne in the assurance of purpose of good, and in the comfort of His love. Let Him of the Cross teach us that, and we may glorify God, as He did, in the endurance of pain.

But see how He teaches us that. Why did He refuse the drink which would have deadened His pain? So only could He triumph over pain, and it was necessary for us that He triumph. His must be a free sacrifice, and complete. If Jesus had accepted the narcotic He would have escaped the pain, but the identification with us would not have been complete. Think of what would have been lost to us. That cry, "I thirst," brings Him in complete sympathy to our beds of pain. But are we able to receive all the lesson which our Lord teaches from His cross of pain? Shall we, His followers, have no mark of suffering, no badge of discipline, no pain to endure? How do we bear our pain? The Cross is, indeed, the symbol of pain, but not of weakness. It is the symbol of brave, patient endurance. Let us kneel before Christ's Cross of pain and pray for grace to be like Him even in pain.

DORCAS SOCIETY

During the summer months the Dorcas Society will discontinue its meetings.

The last meeting of the season will be held on Monday evening, June 25th, when we will have our farewell social. We will reopen on Monday, September 10th. Come out then and make the coming year a success. Our Strawberry Festival and Sale, held on June 6th and 7th, proved a great success, both financially and socially. Every person present on the above nights departed for home assuring us that they had a very enjoyable time. The Dorcas Society at this time wishes to thank you all for the aid extended to them in this festival and sale; the young people, for their very enjoyable entertainment, and our very efficient president, Miss Schofield, for her tireless efforts.

Before we separate for the summer we will hold a Luncheon at Fuhrman's Inn, 21st and Ranstead Streets, Tuesday, June 26th. We extend an invitation to any ladies of the congregation or their friends to join us. Consult with Miss Schofield or any member of the Dorcas Society regarding the arrangements.

All members who have not made returns for tickets or sales are asked to do so as soon as convenient, so that all our accounts may be settled before closing for the summer.

We offer our prayers for the speedy recovery of our treasurer, Mrs. William T. Chase, who has been ill for some time.

Regular Meetings of the Auxiliary will begin early in October, the exact date to be announced from the Chancel.

THE UNITED THANK OFFERING

General Convention of the Church opens in Washington, D. C., on October the ninth, and on the eleventh, in the Church of the Epiphany, our Offerings of the past three years will be presented.

The uncountable prayers, thanksgivings, acts of "joyful service," and a glorious offering of wealth gathered from thousands of Little Blue Boxes in every corner of our land—north, south, east, west, and even the far islands of the sea—will be heaped upon the golden alms-basin and offered to God, while we sing

"Holy Offerings rich and rare!
Offerings of praise and prayer;
On thine Altar laid we leave them,
Christ present them!
God receive them!"

Can you picture the glory of that moment, and what it might be if every woman in the Church should give her share?

Truly the echoes of that shout of praise would vibrate round the world, and the joy of it would be as the sound of many waters!

24TH ANNIVERSARY

On Sunday, October 14th—At three special services we will celebrate the 24th Anniversary of our Parish.

There will be a Corporate Communion of all Parish Organizations at 7.30 A. M., Morning Prayer and Sermon at 10.45 A. M. and Evening Prayer and Historical Address at 8.00 P. M.

We will begin our 24th year with grateful hearts for all of God's mercies in the past—with a consecrated enthusiasm for the work and tasks and problems of the present. This will bring us a sure trust and confidence in the future, because futures rest on the works of today.

SUNDAY SCHOOL

The regular sessions of the Sunday School began September 16th at the usual hour, 9.30 A. M., with all of our regular officers in their places. Much enthusiasm was displayed and this year promises to be a banner year in the history of the school.

Nineteen pupils were promoted from the Junior to the Senior School and from this group three new classes were formed. Miss Jean Hoffman and Mr. Bruce Edkins have been assigned to classes. Miss Anna Wallace is in charge of the class formerly taught by Mrs. Theodore Offner, who is better known as Miss Diverta Ritter. Mr. Fred Samuels is in charge of the class formerly taught by Miss Elizabeth Schummacher. We extend a cordial welcome to the additions to our teaching staff and wish them much success in their new work.

An orchestra is being formed to assist in the service, which will materially help in our school singing.

Plans for Rally Day will be found elsewhere in this edition of the "Chronicle" and every member of the Parish is invited to join us in our Rally Day Activities.

ORDER OF SIR GALAHAD

The regular meetings of the Order of Sir Galahad will begin Wednesday evening, September 26th, in the Parish House. All boys of the Parish, between the ages of 9 and 12, are requested to attend. Interesting events have been planned for the coming sessions.

ELECTION OF A BISHOP COADJUTOR

A Special Convention has been called for Tuesday, October 2nd, to elect a Bishop Coadjutor for the Diocese. Your prayers are asked for the Divine guidance of this Convention.

DORCAS SOCIETY

After their pleasant vacations, the members of the Dorcas Society have again taken up their work.

We held our first meeting on Monday evening, September 10th, and had a very interesting evening. Fifteen members answered the call.

Our President, Miss Schofield has been thinking of a number of ways in which we can earn money for the Society, and already has the situation well in hand.

At the meeting on Monday evening our Rector talked to the members about holding at Bazaar, in the autumn, to stimulate interest and provide funds for some repairs and improvements to the Church, both inside and out.

The members of the Dorcas Society are willing to help this project to the best of their ability, as they have always done in the past.

Secretary.

YOUR CHURCH ENVELOPES

Many communicants are in arrears in their weekly envelopes. It will help the Accounting Warden greatly at this period in the Parish year if all arrears are made up just as soon as it is possible to do so.

For the many checks and remittances received from envelope subscribers during the past few weeks the Accounting Warden is greatly appreciative. It is not always possible to acknowledge such remittances separately.

If you do not have envelopes we still have a few sets for the remaining months of 1928.

BROTHERHOOD

For many years there have been active Senior and Junior Chapters of the Brotherhood of Saint Andrew at Saint Paul's, Chester, Pa. Dr. Taitt, the Rector, and his group of faithful Brotherhood men have been consistent supporters of our Assembly as well as Standard bearers in their own parish. The invitation to hold a Senior and Junior Assembly Meeting, which they were kind enough to give us, has been accepted and the first of our 1928-29 series of meetings will be held Thursday evening, September 27th, at 8 P. M.—Please remember the date. Our Chapters will go by auto, leaving St. Paul's at 7 P. M.

A short but exceedingly interesting program has been arranged with Lawrence Choate of Washington and Dr. Holmes of the University of Pennsylvania as the speakers. Their addresses will be constructive, helpful and stimulating and should be of particular value in focusing our attention on several important matters which face us in our Brotherhood work this Fall and Winter.

CAMP GARDINER

A group from the Advanced Chapter of the Junior Brotherhood, including Fred Samuels, Gilbert Moore, William Pelletreau, Edwin Abele, Clarence Baltz, Bernard Samuel, Robert Solts and the Rector, spent a very interesting two week period at Camp Gardiner. The Camp is beautifully situated on Laurel Lake near Fitzwilliam Depot, New Hampshire. It is a large spring fed lake with a sandy bottom.

We left the Church early on Monday morning and drove to camp by the way of New Hope, Morristown, Bear Mountain Bridge, Danbury, Hartford, Northampton, Greenville and Athol. This route took us through some of the most beautiful country in the east, Bear Mountain Bridge was an interesting feature of this route, also the New York State Reservoirs, the Berkshire Hills and the Mohawk Trail.

While in Camp we had an opportunity to see some of the beautiful New England Country. A hike to the top of Mount Monadnock was a new experience to most of us and a very rare privilege.

Given liberty from Camp, on Independence Day, we drove to Keene, New Hampshire, a town boasting one of the widest main streets in the world—To most of us the width of the main street was secondary to the quality and quantity of food served at the best restaurant. The oatmeal and peach diet of the Camp needed just a little relief in the way of beefsteak and French fried potatoes.

Space and the proper degree of modesty will hardly permit the detailed list of the prizes captured by our Chapter in the Annual Field Meet. In another article we will list the events and the winners.

Bob Solts, the most popular man in Camp, and Bernard Samuel sustained badly sprained ankles in one of the many closely contested ball games.

The conferences, campfires, stunt nights, mosquito hunts, whipples and other camp activities were greatly enjoyed. Also Eddie Abele's life boat.

We came home through the Green Mountains of Vermont and down the West Shore of the Hudson. The Catskill Mountains at sunset were most beautiful. We crossed the Delaware again at Port Jervis and continued via the Delaware Water Gap and the farm at New Hope.

We are already entertaining many suggestions and plans for next year, but it would be very difficult indeed to exceed the real helpfulness of our two years experience at Camps Carleton and Gardiner.

G. F. S.

It seems a very long time since a group of the girls from the G. F. S. left for a week's visit to Cape May. As usual they had a lovely time, due to the unfailing kindness of Miss Neilson and her co-workers of the Holiday House. We enjoyed the usual pleasures, bathing, picnics and the weekly party at which all our girls took an active part. The following are the girls who went:

Caroline Halfpenny
Edith Anderson
Mary Trevania Wilcox
Mary Simmons
Catherine Cornelius
Dorothy Moore
Evelyn Moore
Anna McCook
Lucille Fitzgerald
Rosella Born
Miss Georgianna Worral
Miss Schofield
Mrs. Wilcox

JUNIOR BROTHERHOOD

One of the largest camping groups in the history of the Junior Brotherhood left the Church on Monday, August 6th, in charge of the Director, Mr. Martin Born.

The Camp at Evers Mills, familiar to many of the boys, was available through the courtesy of Holy Trinity Parish.

The chief item of interest in every camp, of course, is the camp menu. This was large and varied and supplied to the utmost the needs of every boy.

The annual hike was, as usual, an outstanding event of the week. The hikers walked to within a mile or two of the Delaware River, going by the way of Pineville and the Jericho Mountain Road.

A visit was paid to the Rector and Mrs. Wilcox on their Jericho Mountain farm.

By the time Wycombe was reached on the return, so many hikers complained of sore feet that a truck was secured to cover the remaining distance.

Everyone voted Mr. Born the Champion hiker.

The week went all too quickly and the campers returned very grateful to their leader and to the camp officials.

BOY SCOUTS

Troop 232 will begin its regular meetings for the winter on Friday evening, September 21st, at 7.30.

Boys who desire to join the troop should consult the Scout Master, Dr. J. Randall Skillen.

Troop 232 went into camp on Monday, August 13, at Holy Trinity Boy's Camp on the Neshaminy Creek near Doylestown. There were 11 boys in the group.

The troop gathered at the Church at 8.00 A. M. and proceeded up 13th Street. They were recipients of the envy of their fellow passengers, because of their good fortune and forthcoming fun.

To start the week well, Hartnett, Kohles, Morris, Jordan and Matthews, tiring of the slow progress of a hay wagon went on ahead. The first three arrived safely, but the other two led the Scout Master and his assistant, Willard Smith, Jr., a merry chase for about 15 miles. When they returned to camp they found both boys eating their first meal with the rest of the troop.

For the remainder of the week, camping went well, a number of the boys passed tests and Hartnett won his Second Class Badge.

If anyone wants to eat baked (burnt) potatoes, and half cooked steak and relish it, they should ask Hiehle, Simons, Pfeffer, McAfee and a couple of others to cook it, but please supply the fire for they found it a tough job to get one going in the open, with only two matches and no paper or other outside help.

The first week was so enjoyable that the Scoutmaster was delegated to return home and visit the parents of eight boys and obtain permission to stay another week.

The boys had a wonderful time, the best eats ever, well-cooked and plenty of them, swimming, canoeing, hiking, games and most of all, campfires and hot dogs and roast marshmallows.

The thanks of Troop 232 are extended to the following:

Holy Trinity Boys' Camp.

Mr. Walter Fares and his assistants for their co-operation and great help in making this one of the best camp periods Troop 232 has had.

Then to Mr. and Mrs. Willard Smith, Sr., and party for a wonderful surprise party during the second week. They brought about eleven guests to camp and it seemed as though they had bales of frankfurters and rolls innumerable, also mustard by the bottle. All we had to supply was a fire for roasting and a group of boys to eat the hot dogs as fast as they were roasted. This we found to be the easiest task during the camp.

Ask the Scouts about their initiation if you wish suggestions for same.

The hardest task of the camp was our leave-taking. We all hated to go and everyone hoped that we might return next year and renew some very pleasant friendships.

J. RANDALL SKILLEN,

Scoutmaster.

ORDER OF SIR GALAHAD

The Sir Galahad boys went to camp this summer in two groups. The first group left on Monday, July 16th, and the second group on the 23rd. This year, through the courtesy of Dr. Mockridge, we camped at Clearspring Farm, the beautiful summer place of St. James' Parish.

The Rector went with the first group and the second group was in charge of Bernard Samuel.

The boys in the Sir Galahad group are the youngest of any of our camp groups and for many of the boys this was their first camping experience.

Everyone enjoyed the swimming, and fishing and when Mr. Born paid us a week end visit we had a very pleasant hike.

We are greatly indebted to the Rev. Mr. Shearer and to Mr. Brent and other members of the Camp Staff for making our trip so enjoyable. Also to Mr. James Hazlett and the Rector for helping with the transportation to and from Camp. Mr. Hazlett took a "movie" of the group, which we hope he will show at one of our meetings this fall.

PRAYER FOR THE CHURCH'S PROGRAM

Almighty and Everlasting God, Who has promised through Thy Son, Jesus Christ, to be with Thy Church to the end of the world, we humbly beseech Thee to prosper this undertaking of Thy people in the Church's Program for the good of Thy Church and for the advancement of Thy Kingdom. Strengthen us, we beseech Thee, O Lord, with the Holy Ghost, the Comforter, and daily increase in us Thy manifold gifts of grace. Enlarge our faith, enlighten our understanding, and lead us with a hearty desire to do Thy will. Especially we beseech Thee to give wisdom to those who are called to lead us, and to all Thy people a ready will to work together with love and zeal. And grant that all that we do may be so ordered by Thy governance that Thy blessing may rest upon our endeavors, to the glory of Thy Holy Name, through Jesus Christ, our Lord. Amen.

MISSIONARY SPEAKER

✠ ✠

Because of the fact of the General Convention is meeting this year in the nearby City of Washington, D. C., it is possible for us to have as our special preacher on Sunday morning, October 28th, the Rev. Arthur M. Sherman of Wuchang, China, a delegate to the Convention.

✠ ✠

RUMMAGE SALE

The Annual Rummage Sale held under the auspices of the Dorcas Society will be held October 26th and 27th. We solicit donations of used clothing, old furniture and useful used articles of any kind. Please send to Parish House or notify us and we will call.

ST. MICHAEL'S MISSION

On Tuesday evening, October 23rd, in the Guild Room of the Church of the Holy Apostles, Mr. Albert Hastings of St. Michael's Mission, Wind River, Wyoming, will give one of his interesting talks on the Indians of the Wind River Reservation. Mr. Hastings is an able speaker and his lantern slides are very interesting.

The meeting is under the auspices of the Woman's Aid of the South Philadelphia Convocation. It is a splendid chance to get together before our regular meeting which will be held after the convention, notice of which will be sent later.

As the Supply Department of the Diocese is interested in St. Michael's Mission this year, it makes the occasion doubly interesting.

✠ ✠

WOMAN'S AUXILIARY

Dear Mrs. Hazlett:

Your total contribution of ready-made articles, knitting and finished garments, plus the standard values for making, has been distributed as follows:

Mission Field (Indian, Domestic, Colored, Foreign)	168.85

We wish to express to you our sincere appreciation of your service.

Most sincerely yours,

MISS ANNA D. DICKSON,
Chairman, Supply Department.

ANNIVERSARY SUNDAY

The 24th anniversary of the first service held on the site of the present church was commemorated on the 19th Sunday after Trinity, October 14th.

The day began with a well attended corporate Communion celebrated in the chapel at 7.30.

The Sunday School met at 9.30 and had as the guests of the upper school an orchestra from the neighboring Church of Reconciliation.

Large congregations attended the morning and evening church services.

At the evening service an historical paper prepared by a committee of the Vestry, of which Dr. Sladen is chairman, was read by the Rector, and greatly enjoyed by members of the congregation.

BE FAITHFUL IN CHURCH ATTENDANCE

G. F. S.

The Monday evening group of the G. F. S. has been divided into two sections. The younger group held an election of officers last Monday evening and the following were elected officers for the coming year:

President—Evelyn Cranston.
Vice-President—Mary Simmons.
Secretary—Catherine Ritter.
Treasurer—Ethel Tucker.

The girls in the younger group are busy making novelty candy jars, etc., for their table at the Bazaar. The older group is working on a play to be presented on one of the evenings during the Bazaar.

As no election of officers has been held as yet for the older group, the officers for the present stand the same as last year:

President—Dorothy Moore.
Secretary—Anna McCook.
Treasurer—Virginia Haines.

The Associates in charge of the G. F. S. this year are Anna Wallace, Jean Hoffman, Virginia Glenn, Helen Hays, Charlotte Hiehle, Anna Schaeffer, Helen Clark, Clara McCarter.

DO TEACHERS COUNT?

The Junior "B" Chapter of the Brotherhood of St. Andrew has resumed its weekly meetings and the boys are planning great things in accordance with our rule of prayer and service.

During a little talk at the last meeting a question was asked while discussing the Lord's Prayer as to whether or not any one of the boys had said anything unkind about anyone that day.

A voice from the rear asked, "Do Teachers Count?"

Thinking it over, I wonder if he meant school teachers or Sunday School teachers?

MARTIN L. BORN,
Director.

SUNDAY SCHOOL

A new term has begun in our Sunday School. No other Church school can be more justly proud of its reopening session than our own. Every class seems full to overflowing. A great many new pupils have already been enrolled. The spirit shown by the teachers and pupils is one of the most encouraging features of the new term. Pray that we continue in the same spirit throughout the year.

On October 14th, our 24th anniversary, we were greatly pleased to have with us an enthusiastic orchestra composed of young men from the Church of Reconciliation. The music added greatly to our service.

The congregation must have been impressed by our wonderful attendance on Rally Day. To see the little tots and older children marching side by side into the Church was truly most inspiring.

We ask at this beginning of a new year the continued support of the parents. With that and our own sense of spiritual responsibilities we cannot help but succeed with the great work given us to do.

GEORGIANNA D. WORRALL,
Secretary.

Y. P. F.

The Young People's Fellowship resumed its activities for the year on Friday, October 12th, at which time the election of officers took place. The new officers are as follows:

President—Georgianna Worrall.
Vice-President—Fred Samuel.
Secretary—Charlotte F. Hiehle.
Treasurer—Raymond McNeil.

Many thanks are due to Martin L. Born, retiring president, for his unceasing efforts in the Fellowship for the past year; also to the other officers and members by whose cooperation the promotion of the Fellowship was effected.

On behalf of the Y. P. F., I wish to extend a cordial invitation to all the young people of the church between the ages of 14 and 25 to join us. We have devotional meetings every Sunday evening in the Parish House, at 7 P. M. Our business meetings are held on the second Friday of each month.

We have interesting work confronting us in which I am sure you will enjoy participating.

CHARLOTTE F. HIEHLE,
Secretary.

ORDER OF SIR GALAHAD

The Order of Sir Galahad began its regular meetings with a number of new members. This organization is unlike to some of the other organizations inasmuch as our members are yearly advanced into a higher degree. Consequently we need new material constantly to fill the gaps occasioned by those advanced. Therefore, when new members are inducted into the secrets of the Order, it is indicative of the progress of the group. A choir of ten voices has been recruited from the Order and in the near future we expect to use the boys as a Sunday School Choir and also use them to augment the regular choir at special services. Temporary officers were appointed as follows: President, Willard Haines; Sentinel, Paul Weisburg. This year, Bernard Samuel has been appointed Athletic Director, and conducts interesting and instructive sports during the gymnasium period.

Boys of the parish between the ages of 9 and 12 will find real friendships awaiting them in this Order. Meetings every Wednesday evening at 7.30 in the Parish House.

Director.

MISSIONARY NOTES

Forty-seven missionaries were appointed in 1927 for foreign and extra-continental fields. In every instance these recruits filled vacancies caused by death or retirement. All our distant mission fields are under-staffed to such an extent as to make the opening of any new areas practically impossible.—Department of Missions Report.

Don't ask for proof of this item, but it comes first-hand from the missionary. In a Michigan church which had been closed for ten years, where services were recently resumed, the missionary found a women's guild that had been going on for fifty years and—this is the exciting part!—six of its members, who were over seventy-five years old had never missed a meeting.

FAITH AT THE CROSS

(Continued)

SIXTH WORD.

"It is finished."

What was finished? That which He came to do, that which only He could do.

Artists depict the shadow of the Cross over the Child Jesus. It is deeply true to fact. A divine compulsion led the Christ from the manger at Bethlehem to the cross on Calvary.

Nothing is more profoundly impressive than our Lord's confession of compulsion. "Wist ye not that I must be about my Father's business?" "I must work the works of Him that sent me." "The Son of Man must suffer many things, and be rejected of the elders and chief priests and scribes, and be slain, and be raised the third day." "For this cause was I born, and for this cause came I into the world." The "must" is ever present, binding chains around the freedom of His life. Here proud mind may learn humility.

Do not mistake. Christ's "must" was not the cold necessity which a power that cannot be resisted may impose. His were chosen bonds, chains bound around His freedom by His own will. As He hung on the cross His enemies reviled Him and said, "If thou be the Son of God come down from the cross." "He saved others, himself he cannot save." The taunt was true. He could not save Himself. Jesus Christ was bound to that cross by cords He could not break. But why? Not because He was the helpless victim of hate, but because His holy will bound Him there. Had He saved Himself He could not have saved others. His great love for man led Him to Calvary and held Him there.

These are the cords that bound Jesus to the Cross. "My meat," He said, "is to do the will of Him that sent me, and to finish His work," and only on the cross did He say, "It is finished."

That, the will of God, was done. His work was finished. The will of God! From first to last Jesus Christ confessed a divine imperative. He always connected His "must" with the will of God. When He said, "Lo, I come to do Thy will, O God," that consecration bound Him to the definite career which the Incarnation introduced. The Shadow of the Cross was over the Child in the manger cradle.

We confess the mystery. Before it my pen halts. We need to use words with reverent care. Was the Cross the will of God? It was man who nailed the Saviour to His cross.

The Christ is God's will. The cross was inevitable. Life had to meet death. Man is saved by life, not by death. Christ is Life, the cross is death. Let us be careful that the Christ is not hidden by the cross, and yet must we see the cross, for in a way, mysterious and wonderful, that life of suffering, that death on the cross, did accomplish the will of God for man, for only so could Life meet death, and God's love be made known. That was the work of God "finished" on the cross. It was the work of "God in Christ."

We have tried to express that accomplished will of God in one word, the word "atonement." I confess that, nearing the end of earthly life, I am not much concerned about a theory of atonement. It is too mysterious, too wonderful, for my mind to formulate it. I realize the truth of Bishop Westcott's words—"How His life and death avails with the Father is a question we have no power to answer." The mind learns humility at the cross.

I rest on the accomplished fact, the fact that, as our Lord in Himself united God and man, so in the atonement made, the chasm made by sin is bridged, and I am glad for the word of the theologians because I can write it at-one-ment. That is finished. We may say our creed, "For us men and for our salvation He came down from heaven."

It is enough for faith, let us kneel.

SPECIAL OFFERING

HURRICANE FUND FOR PORTO RICO AND SOUTHERN FLORIDA

SUNDAY, NOVEMBER 18, 1928

Three hundred deaths, 700,000 homeless, incalculable property lost, conveys some idea of the sweep of the September gale in Porto Rico. No overstatement of conditions is possible. More than a score of churches, rectories, parish houses and St. Luke's Hospital, Ponce, were leveled by the blow. Bishop Colmore's plea for help has touched the heart of the whole Church. He needs immediately \$118,000 to renew or restore his stricken work. Hence this direct appeal for funds and a plea that aid be immediate and generous.

More than two thousand dead, buried in the wreckage of the September hurricane in Florida, bore grim witness to the work of the savage storm there. More than twenty pieces of Church property, churches, parish houses, rectories, were totally destroyed or seriously damaged. Conditions are such that local efforts cannot meet the need. Hence this Church-wide appeal that wrecked properties may rise from their ruins and the work and worship of the Church be resumed. The need is immediate and generous giving is imperative.

CONFIRMATION

At the evening service, November 18, the rector will speak on the life and works of Schubert. He died on November 19, 1828, so this centenary is a fitting time to express the spiritual significance of his life and work.

What various authorities say in estimating Schubert:

"His character was without a flaw. He was truly free from envy or malice. Simplicity, modesty, kindness, truthfulness and fidelity were his marked characteristics. Schubert was a man to whom friends became devotedly attached. He was faithful and true; he won affection without demanding or seeming to need it."

CORPORATE COMMUNION

The eleventh annual nation-wide corporate communion of the men and boys of the church will be held on the first Sunday in Advent, December 2, at 7.30 A. M.

This is one of the most helpful and inspiring services held during the year. How wonderful and uplifting it would be if every confirmed man and boy in the parish was in his place before the altar on December 2.

THE PRAYER BOOK

Prayer Book revision for the present generation is complete and the new book is to be ready by Easter. Many interesting details will be thoughtfully studied by all communicants who love the Church. It will make us more familiar not only with the additions but with the book as a whole. A layman recently became immensely interested in what he took to be part of the new material, only to discover that it was a very old prayer that had been right in his Prayer Book all the time.

OFFERING FOR HURRICANE FUND, NOV. 18th, AT 10.45 A. M.

THANKSGIVING DAY

Thanksgiving Appeal to the Congregations
of the Diocese of Pennsylvania.

DEAR BRETHREN:

During the past year our Hospital has continued its great work for the sick and suffering. The Episcopal Hospital is one of the largest Hospitals in the city; the total operating costs amount annually to over \$450,000. Of this amount we receive about 45 per cent. from patients who are able to pay. For the year 1927, 54 per cent. of our entire expenditure represents free service given to the people of this community. In addition to the large percentage of free service, there are many patients also who cannot afford to pay the full rates.

We receive no aid from the State, nor from the Welfare Federation, but depend entirely on our income from endowments and the voluntary gifts given so generously by our people, especially on our Thanksgiving Day offering.

The extensive improvements which we are making at the Hospital do not provide new beds, but give us rather an opportunity to do a larger and a better work for the community. When our Dispensary Building is completed, we will be able to take care of 300,000 visits yearly, which can be readily increased if necessary, so that this Out-Patient Department should be able to take care of about one-third of our population as represented in the northeast section of the city. And, of course, the opening of this Dispensary will increase the operating cost for this larger community service. I therefore appeal to you for your generous offerings on Thanksgiving Day. If you cannot be present at the service, will you please send your offering to the rector.

Asking for your prayers and for your generous response, believe me,

Very faithfully yours,

THOMAS J. GARLAND,
Bishop of Pennsylvania

ARMISTICE DAY

Armistice Day was celebrated with fitting services on Sunday November 11. At the service of Holy Communion, 7.30 A. M., we remembered in particular the Gold Star members of St. Paul's and the fallen comrades of the rector.

At the 10.45 A. M. service there was a proper observance of the cessation of hostilities at 11 o'clock.

The offertory anthem was "There Is No Death" by O'Hara.

The musical program at the evening service was as follows:

P. M. Organ—Evening Song.....Bairstow
Grand Chœur in B Flat
Dubois
Cantileva Goltermann
Bass solo—Recessional.....De Koven
Mr. Harry Koch
Anthem—What of the Night
Thompson

Beautiful prayer to be in the new Prayer Book: Almighty God, our heavenly Father, guide, we beseech Thee, the Nations of the world into the way of justice and truth and establish among them that peace which is the fruit of righteousness, that they may become the Kingdom of our Lord and Saviour, Jesus Christ. Amen.

ST. PAUL'S ANNIVERSARY BAZAAR

A great anniversary bazaar will be held in the parish house on Thursday, Friday and Saturday, November 22, 23 and 24, afternoon and evening. The proceeds will be used to clear up some present deficits in various departments of our work and to prepare the way for the fitting celebration of our twenty-fifth anniversary in 1929. We are anxious to come to this milestone in our parish life, free from deficits and with certain needed repairs and improvements made and paid for.

This is a worthy aim and should have the whole-hearted interest and co-operation of every communicant and friend of St. Paul's.

You will find on sale at various bazaar tables fancy articles, many suitable for Christmas gifts; handkerchiefs, dolls, candy, groceries, cakes, aprons, five and ten cent articles, Christmas tree decorations, soft drinks, towels, drugs, vegetables, flowers, stationery, used books, jellies and jams and many other items. Suppers will be served every evening. Children will be interested in the fish pond and Chinese laundry.

Every evening there will be entertainment features including the Friendly play and the Sunday School moving picture in the main auditorium. Admission tickets may be had from members of the Sunday School and from members of all parish organizations.

DORCAS SOCIETY

The past months have shown an increase in attendance and also in membership. The following names have been added to our roll this season: Mrs. Allen, Mrs. Hill, Mrs. McComb and Mrs. Simmons. The second Sunday in each month a Corporate Communion of the Dorcas Society will be held at 7.30 A. M. The rector will feel very much encouraged to have as many of our members as possible attend this service. The members wish to thank all those who so kindly donated rummage for our sale and also those who by giving their services helped to make the rummage sale a success. It would help greatly if members of the congregation would save articles for the rummage sale in the spring, which will be held some time in March. By doing so, it will insure a good supply of articles. Our whole attention during this month will be devoted to preparation for the coming bazaar, which will be held on the 22nd, 23rd and 24th of this month. All of our members are engaged in many activities at present for the benefit of the various bazaar tables.

Two groups in the Sunday School are engaged at the present time in a campaign for new members. THE CHRISTMAS SERVICES

We are looking forward, eagerly, to the beautiful services of Christmas Day and to the privilege of presenting ourselves before His Altar on the day of His Nativity. Our hearts are lifted up as we sing with the Saints of all the ages. "Today Christ is born: today the Saviour hath appeared: today angels sing upon earth and Archangels rejoice: today the righteous are glad, and say, Glory to God in the Highest, Alleluia."

The services on Christmas Day begin at 5.30 A. M. with a prelude of instrumental music. Mr. Francis J. Lapitino, eminent harpist, is coming from New York to play for us again, and Mr. Albert Barone will play the violin. At 5.50 A. M. the choir will sing Carols and at 6.00 A. M. the Communion Service begins.

A full program of the Musical Numbers will be found elsewhere in the Chronicle.

There will be a later celebration at 10.30 A. M.

ALTAR GUILD

Once again we are busy preparing for the Christmas services and have started a little earlier than usual to plan our Church decorations. The members of the Altar Guild are receiving contributions from the communicants and friends of the Parish for this work. We will receive your gift either as a memorial or thank offering. In what more appropriate way can we express our love and gratitude?

Once more the joys of Christmas,

Once more the chance to say,

All happiness and blessings

To you on Christmas Day.

KATHRYN R. JOHNSTON,

Secretary.

THE CHRISTMAS OFFERING

Thou art coming, Thou art coming;
We shall meet Thee on Thy way;
We shall see Thee! We shall know Thee,
We shall bless Thee, we shall show Thee,
All our hearts could never say:
What an anthem that would be.
Music rapturously sweet,
Pouring out our love to Thee,
At Thine own all glorious feet.

EVERY-MEMBER CANVASS

The Every-Member Canvass will be held during the week of December 17th. Every individual connected with the Parish will be asked to make a definite pledge to the support of the full program of the Church. This year has been an outstanding year in the history of the Duplex Envelope System in our Parish. The pledges are larger and more regularly paid. May we continue to go forward, year by year, to a fuller realization of our Christian Stewardship.

THE BAZAAR

The Anniversary Bazaar came to a successful close on Saturday evening, November 24th. This bazaar was an adventure in faith. It was gotten up in a very few weeks to supply funds for a definite need.

You will see by the report attached of the amounts actually turned in to the cashier on Saturday evening and which will be supplemented in many cases by additional sums, just how happy an event this was.

It was a lot of work, of course, but everyone worked together and the spirit of the whole enterprise was most laudable.

THANKSGIVING OFFERING

The Thanksgiving Day Offering for the Episcopal Hospital amounts, at present, to about \$125.00, which is a very generous sum for our congregation to give at a special service of this kind.

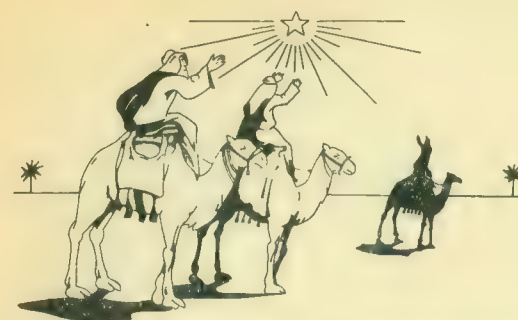

In addition to the money given, a large quantity of foodstuffs were brought and presented to the House of Rest in Germantown.

DORCAS SOCIETY

Here we are again, and I am glad to say that our attendance is very satisfactory. In the absence of our President our Vice-President, Mrs. Wallace, has taken the helm with a will, and everything is going along splendidly.

The Bazaar was a great success, and everyone seemed to be having a lovely time. The Dorcas Society wishes to thank each and every one who so kindly helped, by giving their time and money, to make this Bazaar the splendid success that it was.

The second Sunday in each month has been set aside for a Corporate Communion of the Dorcas Society. Let us hope that as many of the members as possible will avail themselves of this privilege.

"Teach me to do the thing that pleaseth thee, for thou art my God."

On Monday the 17th. December, we will hold our last meeting of the season and on January 7th, 1929, we will have our annual election of officers for 1929.

Will the ladies please come out and vote. After the business meeting there will be a Social.

We wish you all a Merry Christmas and a Happy New Year.

HARRIET J. SKILLEN,
Secretary.

✦ ✦

THANKSGIVING CANTATA

A large congregation greatly enjoyed Maunder's Sacred Cantata, "Song of Thanksgiving," which was sung by the choir on Sunday evening, November 25th.

This was perhaps one of the best of our special musical services of the year, and results of the service could be traced in the splendidly attended service on the morning of Thanksgiving Day.

✦ ✦

THE FRIENDLY PLAY

The play, "How a Woman Keeps a Secret," was presented on all three nights of the Bazaar. Mrs. Anna Wallace, the coach, is to be highly commended for the excellency of the performances.

✦ ✦

YOUNG PEOPLE'S FELLOWSHIP

The play given by the Y. P. F. on Wednesday evening, November 21st, was greatly enjoyed by all present.

The members of the cast were all heartily congratulated. Mr. Martin Born was the capable and efficient coach.

A dance followed the play.

CHRISTMAS PAGEANT—SUNDAY, DECEMBER 30TH,—8.00 P. M.

DO YOU KNOW

of any white girls between the ages of six and ten, both of whose parents are dead and who would welcome an opportunity for a home and education? The Carson College for Orphan Girls, Flourtown, Pa., recently had an opening for fifteen such girls. If interested address Miss Frances M. W. Jones, Flourtown, Montgomery County, Pa.

✦ ✦

GIRLS' FRIENDLY CANDIDATES

The Mission Service for the Candidates of the Girls' Friendly was held on Saturday, November 3, in the Parish House of St. Paul's Memorial Church, 15th and Porter Streets. After a service led by the children, the Rev. Francis B. Barnett spoke to them about his experiences in Africa, and he had the children interested from the start: he wore the tramping costume worn by missionaries working among the natives in the smaller villages of the interior near Liberia, and he explained in a delightful way why each part of the equipment was necessary. The offering was for St. Mark's Hospital at Cape Palmas, which is the national money object for the G. F. S. A. this year. There were almost one hundred children and a number of visitors in attendance, which was very gratifying considering the rainy day. Ice cream was served to the little people, and they all went home feeling that the afternoon had been most profitably spent.

✦ ✦

HURRICANE FUND

A very generous offering was given on Sunday, November 18th, for the hurricane sufferers of southern Florida and Porto Rico.

✦ ✦

THE LEGION DINNER

The annual Armistice Day dinner of the Donald T. Shenton Post No. 130, American Legion, and the auxiliary was held in the parish house on Wednesday evening, November 7. The rector is chaplain of this post and was overseas with many of its members. He was in the same platoon with "Don" Shenton in E Company, 103rd Engineers, Twenty-eighth Division. It is a very great privilege therefore to have this dinner at St. Paul's.

The members of the post wish to express their gratitude to the members of the Dorcas Society for the splendid dinner and to the members of the G. F. S. who served it so beautifully.

THE NEW LEAF

He came to my desk with a quivering lip—

The lesson was done—

"Dear teacher, I want a new leaf," he said;

"I have spoiled this one."

In place of the leaf so stained and blotted

I gave him a new one, all unspotted,

And into his sad eyes smiled—

"Do better now, my child."

I went to the throne with a quivering soul—

The old year was done—

"Dear Father, hast Thou a new leaf for me?

I have spoiled this one."

He took the old leaf, stained and blotted,

And gave me a new one, all unspotted,

And into my sad heart smiled—

"Do better now, my child."

CORPORATE COMMUNION

The senior Girls' Friendly Society is sponsoring a pre-Lenten corporate communion of the confirmed girls and women of the Parish on Sunday morning, February 3rd, at 10.45 A. M., as a preparation for the blessed Lenten season so soon to follow.

BE REGULAR IN YOUR CHURCH ATTENDANCE

SUNDAY SCHOOL

Our Sunday School continues to go forward, step by step, toward the goal we have set for ourselves—"The outstanding Sunday School south of Market Street and between the rivers." We have already broken all attendance records since the days of the afternoon school. Another year of progress such as has been made since September and we will soon equal the best attendance records of best years of the afternoon school.

Christmas was, as usual, a most enjoyable time. The entertainment for the children of the Junior School, presented by the girls of the G. F. S., coached by Miss Anna T. Wallace, was most cordially received by the large group of children present.

The Senior School entertainment, coached by Miss Elva Livezey, was very amusing. The quartette and the little boy who wouldn't keep still were features.

The carol service on Sunday morning, December 30th, was a revelation to many members of the congregation. It was necessary to move them back, pew by pew, to make room for the children.

Two of the new carols this year were particularly beautiful. It was necessary for Dr. Sladen to be absent because of a trip to Florida, but the school was a credit to his careful training.

Gold crosses were awarded to these scholars for bringing new scholars during November and December:

Rosella Born	Margaret Williams
Ruth Dougherty	Elizabeth Milligan
Charles Zinger	Rose Sacker
Francis Thrasher	Laura King
Samuel Foster	Dorothy Headley
Martin Born	Josephine Atkinson
Caroline Halfpenny	Minehola West
Vivian Galosi	

At the evening service on December 30th, members of the Junior School, directed by Miss Elizabeth Cole, presented some very beautiful tableaux of the Nativity.

COMING EVENTS

February 1—Pre-Lenten Dance. Mr. Anderson's Class.

Feb. 2—Cake Sale and Supper, Dorcas Society.

February 12—Play and Dance. Mrs. Sladen's Class.

February 16—Cake Sale and Supper. Miss Hoffman's Class.

March 2—Cake Sale and Supper, Mr. Edkin's Class

THE CHRISTMAS MUSIC

We are all very grateful to Mr. Beck and the members of the Choir for the beautiful music at Christmas time. The early service Christmas Day was especially beautiful and was enjoyed by the largest congregation we have ever had at this early celebration.

THE OFFERING ENVELOPES

The Duplex Envelopes for 1929 have been distributed and we hope that at this writing every communicant has received a carton of envelopes for the new year. This year we are using Homilopes. This is an envelope with a little message printed on the back in attractive colors. Please read the messages week by week. You will find them helpful and instructive. The following is the message on the back of the envelope for the first Sunday of the year:

A NEW YEAR'S RESOLUTION

* * * This one thing I do * * *

—Philippians 3:13.

"Doing one thing regularly, no matter how small it may be—doing it even when you don't feel like it, when you are half-sick or think you are too tired, but doing it just the same—is known to be a wonderful character tonic. Indeed, there is a virtue in the regular doing that often far exceeds the virtue of the thing done.

"But in addition to the benefit that comes from the stimulating self-discipline of the regular doing, why not have also the greatest possible benefit from the thing done. Suppose that the rule you never broke, the thing you elected to do unfaithfully, rain or shine, convenient or inconvenient, were to be at Church at least every Sunday morning, on time, happy and smiling! Visualize what it would mean to us individually and to our Church if each of us resolved to do that one simple thing throughout this year!"

ALTAR GUILD

The flowers and decorations for our Christmas services were very lovely as usual, and it is the desire of our members to thank all who contributed so generously and those who worked so hard to make the church beautiful.

Each month a list is published giving the names of those contributing for Altar Flowers for that month. You will notice that we have quite a few vacant dates which we would like to fill. The flowers are usually placed as a memorial or thank offering and the standard charge is \$3.00. However, contributions of any amount are always gladly received. There are still a number of vacant Sundays. Would you like to have one? If so, please give your name to the Rector or to a member of the Altar Guild.

Dues for the Sustaining Fund are now due. If you are a Sustaining member we will be glad to receive your remittance.

Have you one of the Altar Guild Calendars? The Calendars for 1928 are now due. If you will please bring your 1928 Calendar we will gladly give you a new one for 1929.

All contributions to the Altar Guild are used exclusively for that work.

We gratefully acknowledge contributions from the following for the Christmas Flowers and Decorations:

Mr. Robert Johnson	Mrs. Cohill

GO-TO-CHURCH SUNDAY

February 17th will be observed as "Go-to-Church" Sunday by the churches of Philadelphia. This special day will be a part of the Twentieth Anniversary Celebration of the Philadelphia Federation of Churches.

A large committee, representing all denominations, asks your co-operation in filling to overflowing, rain or shine, all of our seven hundred churches.

GO FORWARD—25TH ANNIVERSARY IN OCTOBER

CORPORATE COMMUNION—GIRLS AND WOMEN—FEBRUARY 3rd

YOUNG PEOPLE'S FELLOWSHIP

The Y. P. F. devotional meetings on Sunday evenings have been well attended and the papers read and the discussions have been interesting and helpful. Since January 1st the talks have been as follows:

January 6—Dr. Randall Skillen, subject, "Should We Contribute Toward Foreign Missions?"

January 13—Fred Samuel, "Value of Summer Church Camps."

A very enjoyable social was held on December 14th, the date of our December business meeting. We entertained the Cadets from the Schoolship Annapolis, in co-operation with Mr. Stockman and Miss Gale, of the Seaman's Church Institute. The Rector received a lovely note of appreciation from the Cadets.

At the business meeting on January 11th a resolution was passed that the Y. P. F. raise a fund to refinish the woodwork in the chancel to harmonize with the new Lectern and the clergy stall and kneeler recently installed. This would add greatly to the appearance of the Chancel and we hope it can be accomplished before our 25th Anniversary Sunday in October. Estimates for the work are being secured.

We need the active support and co-operation of all the young people in the Parish. Come and unite with us in worship, study and service. Devotional meetings every Sunday evening at 7 o'clock.

Just a word, in closing, about Christmas. We tried to do our part on Christmas Eve to bring happiness to some children we are interested in, and after playing Santa Claus we went caroling. We could not go, of course, to all the homes in the parish, but we did try to bring the beautiful message of Christmas to some of them.

† †

DORCAS SOCIETY

The regular weekly meetings of the Dorcas Society were discontinued during the holiday season. We resumed our work on Monday evening, January 7th.

The attendance was not as good as usual, owing to the illness of so many of our members. We hope they will soon be able to be with us again.

The following officers were elected for the new year: president, Mrs. Alexander J. Wallace; vice president, Mrs. Olive P. Doughty; secretary, Mrs. Robert Skillen; treasurer, Mrs. William Chase.

We are going to serve a dinner for the Convocation on Monday evening, January 21st. We would like as many members as possible to come out and help with this dinner.

MRS. HARRIET J. SKILLEN,
Secretary.

CHRISTMAS GIFTS

Several very beautiful gifts were presented to the Parish on Christmas Day. A very beautiful "Durham" processional cross, in hand-wrought brass from the studios of A. M. Moubray & Co. of London, England, was given as a thank offering and used for the first time at the early celebration on Christmas Day.

Another thank offering, used for the first time in Epiphany, is a handsome clergy stall and kneeler from the studios of the Irving & Casson-A. H. Davenport Co. The stall and kneeler are in hand-carved oak to harmonize with the lectern, altar rail, Bishop's chair, reredos and panelling. This leaves three units necessary to complete the permanent wood work of the chancel, the choir stalls, the organ console and the pulpit.

We are very grateful indeed for these beautiful thank offerings.

The Altar Guild received a lovely gift at Christmas time from Mrs. R. W. MacDowell to be used in replacing some of our altar linens.

The Rector has in hand at present some suggested designs for the chapel windows and the tracery over the Porter Street door. He will place these in the vestibule of the church, and will gladly consult with members of the congregation who are interested in adding to the beauty of our church through memorials of this kind.

† †

PLAY AND DANCE

A three-act comedy entitled "A Perfect Little Goose" will be presented by the young women's class of the Sunday School.

Inasmuch as the duration of the play is one hour and a half, and because of the dancing to follow, it is important that the play start promptly at 8 o'clock.

This is one of the most clever plays that has been produced in St. Paul's in several years.

This event is planned for the evening of Shrove Tuesday, February 12th, and is the last social event before the Lenten season.

The tickets are fifty cents for adults and twenty-five cents for children which, of course, includes admission to the dance. Proceeds of this event will go to the Lenten offering of the Sunday School. Your co-operation will be appreciated.

O Blessed Jesus, Saviour of mankind, at Whose birth the night was filled with heavenly radiance: Lighten the thick darkness of the world, and the gloom of our miseries and fears: have compassion upon the peoples of the earth stumbling in confusion, and guide our feet into the way of peace: Who art with the Father and the Holy Ghost one God, world without end. Amen.

LENT

Make a good beginning. Services on Ash Wednesday, as follows:

7.30 A. M.—Holy Communion.

10.00 A. M.—Penitential Office and Holy Communion.

4.15 P. M.—Children's Service.

8.00 P. M.—Litany, Penitential Office and Address.

Have a definite Lenten program and try hard to follow it for the entire forty days.

Remember that your program is only a means to an end. There is no virtue in a rigorous Lent unless it brings you closer to Jesus, unless it makes you more Christ-like, unless it reveals to you, the life in Christ.

Have a rule of life for Lent. Follow it closely for forty days and you will continue it. The Church helps by offering the privilege of more frequent services.

Come to the Holy Communion every Sunday in Lent, if possible, and on at least one week day. Read the Bible daily, pray daily, practice self-denial, read at least one good religious book.

Try to follow this simple rule, one-half hour of worship each morning; this may include prayer, Bible reading, or an office from the Prayer Book. Do this before breakfast and see what a difference it will make in your daily life.

LENT'S THREE-FOLD APPEAL

THREE TEXTS

I Ought

"Herein do I exercise myself, to have always a conscience void of offense toward God and toward man."

I Can

"I can do all things through Christ that strengtheneth me."

I Will

"My meat and drink is to do the will of Him that sent me."

THREE PRAYERS

I Ought

O LORD, we beseech thee mercifully to receive the prayers of thy people who call upon thee; and grant that they may both perceive and know what things they ought to do, and also may have grace and power faithfully to fulfill the same; through Jesus Christ our Lord. Amen.

I Can

O GOD the strength of all those who put their trust in thee, mercifully accept our prayers; and because, through the weakness of our mortal nature, we can do no good thing without thee, grant us the help of thy grace, that in keeping thy commandments we may please thee, both in will and deed; through Jesus Christ our Lord. Amen.

I Will

STIR UP, we beseech thee, O Lord, the wills of thy faithful people; that they, plentifully bringing forth the fruit of good works, may by thee be plentifully rewarded; through Jesus Christ our Lord. Amen.

YOUNG PEOPLE'S FELLOWSHIP

An interesting program for the devotional services, during Lent, has been adopted in the Y.P.F. We will discuss, in detail, the life and works of some of the great saints of the Christian Church.

The discussion will be from the viewpoint of the things these men did, rather than the things they refrained from doing, that contributed to their lives of Christian service and devotion.

On Sunday, February 10th, Miss Anne Cole will lead the discussion. The topic: "St. Francis of Assisi." Meeting at 7.00 P. M.

He hath not guessed Christ's agony,

He hath not dreamed His bitterest woe

Who hath not worn the crown of love,

And felt the crown of anguish so.

Ah, not the torments of the cross,

Or nails that pierced or thirst that burned,

Heightened the Kingly Victim's pain,

But grief of griefs, His love was spurn.

SPECIAL JANUARY SERVICES

All Church services, during January, were splendidly attended, which naturally is a most encouraging feature of our work together.

The Service of Lights on Sunday evening, January 20th, directed by Miss Elizabeth Cole, was very beautiful indeed and also very instructive. It was a helpful service not only to the large congregation present but likewise to all those who took part.

On Sunday morning, January 27th, the Rt. Rev. Julius W. Atwood, D.D., Bishop of Arizona (retired), was the special preacher. Bishop Atwood has many warm friends at St. Paul's. He confirmed large classes here in 927 and 1928. The Rector began his ministry under Bishop Atwood at Globe and Miami, Arizona.

The members of the G.F.S. sponsored a Pre-Lenten Corporate Communion of the women and girls of the Parish on February 3rd. This was a most inspiring service and the very best preparation our communicants can make for a serious and helpful Lent.

COMING EVENTS

Tuesday, February 12th—Mrs. Sladen's Class, Pre-Lenten Play and Dance.

Saturday, February 16th—Miss Jean Hoffman's Class, Cake Sale and Dinner, 6.00 to 8.00 P. M.

Saturday, March 2nd—Mr. Bruce Edken's Class, Cake Sale and Dinner, 6.00 to 8.00 P. M.

WEDNESDAY EVENINGS

The mid-week evening service, during Lent, is the one Lenten weekday service that most of our congregation can attend. This service grows dearer and more blessed each year.

This year we will consider together the Parables of our Blessed Lord.

Services begin promptly at 8.00 every Wednesday evening during Lent.

GUSTAV A. HEIM

It is with a sense of deep personal loss that we record in this issue of the CHRONICLE the death on Saturday, January 26th, of Gustav A. Heim, our Parish Secretary.

Mr. Heim, a patient invalid for fourteen years, took over this important work upon the death of Mr. Darley. He carried it on with the same loving spirit.

From his desk he reached out to touch every home in the Parish. He knew us all and was interested in us, even though but a very few of the congregation knew him.

He was a patient, loyal, faithful soldier of Christ.

Mr. McHenry, who had known Mr. Heim for many years and presented him for confirmation, officiated at the funeral services. Miss Mayhew, of the Choir of Old Christ Church, sang.

JANUARY ACTIVITIES

Space this month does not permit of a very detailed account of the various parochial activities during January. It has been a very busy month.

On Friday evening, January 18th, the members of the Senior Department of the Sunday School had a very successful party to end the new member campaign held during Advent. The School was divided into two groups and the group bringing the larger number of new pupils was entertained by the less fortunate group. Miss Hoffman and her aides gave us all a very pleasant evening.

On Monday, January 21st, we entertained the Convocation of South Philadelphia. The ladies of the Dorcas Society had charge of the arrangements for the evening meal and it was a great pleasure to act as hosts to our neighbors in the Convocation. The G.F.S. girls also assisted.

On Friday, February 1st, Mr. George Anderson's Class of the Sunday School gave a very successful Pre-Lenten Dance. This is one of the many activities organized to help with the Sunday School Lenten Offering.

The dinner given by the Dorcas Society on Saturday, February 2nd, was also a Lenten offering activity. A splendid meal was served to a very large and appreciative group.

REST AWHILE

From the coming and the going, from the human flood-tide bowing,

In the markets, in the highways, in the avenue and byways;

From the evils of contending, from the follies never ending;

From all envying and hating, friends and neighbors alienating;

Ere your soul the world defile, come apart and rest awhile.

Heed the call so sweet and tender of our Shepherd and Defender.

He who will never cease for the weary and despairing,

Linger 'neath His welcome smile, as apart, you rest awhile.

—J. M. Canvaness.

DAILY PRAYER

Almighty God, without whom our labor is but lost, prosper the work of Thy holy church throughout the world. Especially do we ask Thy blessing upon the work of this, our Parish. Build it upon the foundation other than which no man can lay, Jesus Christ. Defend it from the defilement of worldly motives, unclean hands and the lust of visible success, that in the day when the fire shall prove each man's work of what sort it is, ours may abide, and we Thy laborers, have praise of Thee; through the same Jesus Christ our Lord. Amen.

FAITH AT THE CROSS

BY

REV. ABRAM LINWOOD URBAN

*A Series of Addresses Delivered in St. Paul's
on Good Friday, 1927*

SEVENTH WORD

"Father, into Thy hands I commend my spirit."

At last it is the end—the end of His pain and of our watching. At this hour Jesus said, "Father, into Thy hands I commend my spirit." It was the last act of His Humanity. Henceforth we know Him risen and ascended.

What was this last act of the Man Jesus? It was a last act of filial trust. The words declare the victory of the Son of Man. The darkness of the Redeemer's mind passed, and He calmly said, "Father, into Thy hands I commend my spirit."

What have we seen this day, seen with the eyes of the spirit? We have followed a struggling, striving, suffering Christ, followed to the last word from His cross. To his enemies that cross meant defeat and utter repudiation of the Man Jesus. What does it mean to us? We pay our tribute where the old world laid its scorn. They saw weakness, we see power. Why is it so? How has the soul of man come to see the majesty of the meek, the power of the weak? It is the majesty and power of God who is love. That is the miracle wrought by the Christ of the Cross. That is the victory of the Cross, the supreme triumph of Love over denial and betrayal, over uttermost hate and death. It is not now the hour of the powers of darkness. From first to last it is the lesson of conquering Love that we learn at the Cross of Christ.

Have we truly learned? We have not unless we learn here the true Rule of Life written out in terms of suffering.

There is a philosophy of life which sees, not triumph but unspeakable weakness in the cross of Christ. It is a philosophy that exalts self and the passion of power, that in the name of self-realization demands uttermost freedom for self-assertion. Of course, as a rule of life it can see only cowardly surrender in the divine self-giving of Jesus Christ. The cross is a spectacle of submission to defeat, a weakness inconsistent with the doctrine of legitimate right. "He that saveth his life shall lose it," said this Man of the Cross. That is absurd, say the critics, a saying as "foolish" as is the cross. The will to live alone makes life possible. To "save it" is the primal instinct. To the man of the world Christ's is an impossible program for living.

At the Cross of Christ two philosophies or rules of life are seen contending for the rule of man. One exalts self, the other loses self in a large human passion. One has for its ideal a superman who, rising above all weakness and overcoming all opposition, by the

force of self-assertion rules the weaker, whether in nature or in man; the other by the power of love in divine self-giving raises the weaker to a fellowship in which life's good is made possible to all. These are the two philosophies that since Jesus Christ gave Himself contend for the rule of life. That is going on in a world-wide way. Like leaven the spirit of the Christ has been working in the lump of our common humanity, unseen and slowly, in altruistic spirit and motive.

But is not great nature on the side of the strong? Is not the primal instinct true to life at its best? Do not the weak fall by the way? Men have so interpreted the scientific dogma of "the survival of the fit," but the truth in that dogma does not deny the real teaching of the Christ. It is utter misstatement to speak, as some do, of the life-denying spirit of Christianity. The religion of the Christian does not deny life, nor its instinct of survival. "I am come," Jesus said, "that they might have life, and that they might have it more abundantly." The Cross of Christ exalts life, but reveals life as found in losing it in a fuller life. The man of the world does not see into that other side of Christ's words. "he that loseth his life for my sake shall find it." It is at the Cross that we learn this deeper wisdom. Soul after soul has learned to believe, to serve, to live this wondrous faith.

Which of these contending rules of life do we make our own? That rates us in God's universe. From His cross the Christ challenges faith. "If any man will come after me, let him deny himself, and take up his cross, and follow me."

Which rule of life shall it be? We need to pray as the blind beggar in Masfield's great drama of Good Friday, "Teach me, O Thou Wisdom of God, and make me wise."

For this, too, is true. The victory of the Cross can be understood only as we come to have in ourselves the spirit of the Cross. Love can be understood only by love. All the pain, all the sorrow of the suffering Christ but tell the appeal of infinite Love to the souls of men, and only as the soul rises out of self into a fellowship of Christ's sufferings can we understand how the "All-great" can be the "All-loving, too." The poet tells it sublimely—

"The Very God! think Abib, dost thou think?
So the All-great were the All-loving, too—
So through the thunder comes a human voice

Saying, 'O heart I made, a heart beats here!
Face my hands fashioned, see it in myself!
Thou has no power, nor canst conceive of Mine,

But love I gave thee with myself to love.
And thou must love me who have died for thee."

In awed silence let us kneel once more.

THE NEW PRAYER BOOK

We promised a copy of the new Prayer Book to members of the Sunday School who were faithful in their attendance at the Sunday morning church services during Epiphany but as yet the new books are not for sale.

Here is the routine that must be followed before the new Prayer Book can be placed on sale:

1. A Standard Book must be prepared, printed, and distributed to authorized publishers. This is being done.

2. Publishers must set up their various editions according to the Standard Book, and proofread it very carefully, several times, so that there is no possibility of any error creeping in.

3. Probably final proofs must be checked by the custodian of the Standard Prayer Book, or someone designated by him, and approved.

4. Books must be printed and bound.

We hope to have them soon.

EASTER OFFERING

Easter Offering Envelopes will be distributed with the notices of the Easter Services and your Vestry hope that you will give generously at this time toward the needs of the Parish.

We have not yet reached the point where our income from the Duplex envelopes is sufficient to meet our expenditures, so we must appeal to our Parishioners for Special Offerings at Easter to make up our deficiencies. The hearty co-operation and the generous support of every communicant makes a somewhat difficult task at times, a very pleasant duty and your Vestry is very grateful to you all.

EASTER DAY—HOLY COMMUNION—6 A. M. AND 10.30 A. M.

EASTER FLOWERS

The Altar Guild will welcome your beautiful memorial plants for Easter.

We are planning again for a beautiful grouping of potted Easter lilies in the Chancel and also cut lilies for the vases.

Plants or cut flowers should be sent to the Parish House on Saturday (Easter Even), March 30th, not later than 4 P. M.

We would greatly appreciate the gift of some very tall Easter lilies in pots.

Please place a card on plants that are sent in memory of departed loved ones, so that we may make a record of the memorial. These plants are distributed to the sick after the Easter Services.

COMING EVENTS

Post-Easter Dance will be given by Mr. Bruce Edkin's Class on Wednesday, April 3rd. As all similar Parish House activities have been suspended since Ash Wednesday, the younger members of St. Paul's are looking forward to this event.

CONTRIBUTORS

We are still catching up on the record of those who kindly contributed to the Christmas Offering and add these names: Mrs. O. Doughty and Mrs. Walter Scott. Many contributions by check and some in unmarked envelopes, we fear, have not been acknowledged in the CHRONICLE. The record was compiled from the special offering envelope.

HOLY COMMUNION

Some Guides for Holy Communion from the "Parish Helper" of St. Luke's

1. When you come forward to receive Holy Communion be careful not to crowd other people. Try also to let members of families kneel side by side. It often means much to them. Remember that consideration for others is nowhere so fitting as at the Lord's Table.

2. Pray while you are kneeling at the rail. Strive fully to realize what the service means. Pray especially for greater love to God and for your neighbors. Be sure, too, to offer a prayer of thanksgiving at this time.

3. When you return to your seat continue your prayers and thanksgivings. You should learn to use your Prayer Book to this end.

4. Never leave the Church till the Benediction has been pronounced unless absolutely compelled to do so. You would not leave the house of a friend before the meal was finished except for serious cause. The Lord's Supper is far more important.

Elected officers of the Guild are as follows: Jack Allen, president; Edwin Leedom, secretary; Walter Sammans, treasurer. The other members of the Guild are: William Gamper, Franklin Scouler, George Smith and George Anderson, director.

THE SUNDAY SCHOOL LENTEN OFFERING

Space in this issue does not permit the recording in detail of the efforts made by various classes and departments of the school for their Lenten offering. DORCAS SOCIETY

The meetings of the Dorcas Society have been very well attended and very much enjoyed during the past month. All helped faithfully at the dinners and other activities in which we have been engaged.

We were glad to welcome two new members during February. We hope they will feel at home among us. The members of the Dorcas Society are attending a luncheon on Thursday, April 25th. The place is Sears, Roebuck & Co. All members of the Dorcas Society are invited to come out to the meetings and hear about this. There is no charge for this luncheon.

The Rummage Sale for the Easter Offering will be held about March 21st and 22nd. If you have any discarded clothes or furniture which you would like to dispose of, kindly notify any member and they will be glad to attend to it.

The Birthday Party for Mrs. James Kershaw was a great surprise to that good lady, who is one of our oldest members and a faithful worker in Christ's vineyard.

The gifts we e many and varied cooking utensils predominating. Every one present had a wonderful time. The members will be glad to hear that Mrs. Evensen is improving and expects to be with us again in the near future.

(Mrs.) HARRIET J. SKILLEN,
Secretary.

SUNDAY SCHOOL NOTES

Although the drive for new members has been over for quite some time, the enrollment has been steadily increasing ever since. Some of our newest members are:

Charles Di Illio	Thomas Lister
Orvin Anderson	Catherine Houck
Fulvia Colanosca	Dorothy Blais
Helen Bainbridge	Harry Snyder
Roberta Dodd	William Fell
Bernard Samuels	Esther Burns

We are glad to have these pupils with us and we hope they, too, will each bring another member.

It is a wonderful thing to have a large enrollment, but it is more than wonderful to know that a large percentage of these children attend regularly every Sunday. One Sunday the attendance reached the high mark of 278, and our every Sunday average is over 250. This is exceptionally good for a Sunday School having morning sessions, and with a total enrollment of about 325.

The classes of the Senior Department have been competing for the honor of displaying the "Banner for Perfect Attendance." Mr. Livezey's class was awarded the banner for the month of February. Too much credit and praise cannot be given to Mr. Livezey for his sincere efforts to arouse the interest and co-operation of his boys. His class is one of the largest in the school. During the February month not one boy was absent! We were proud to present the banner to them.

Miss Weintraub has another splendid class. The following teachers had perfect classes sometime during the past month:

Mr. Livezey	Mr. George Anderson
Miss Hudson	Mr. Fred Samuels

The perfect classes for March will be listed in the next issue. Watch for them!

GEORGIANNA D. WORRALL,
Secretary.

GOOD FRIDAY

On Good Friday we will have Meditation from 12 to 3 on "The Seven Words of the Cross." It is encouraging to note the city-wide movement for a universal observance of Good Friday, and in particular the hours from 12 to 3. If it is not possible to spend these hours at St. Paul's try to attend service somewhere for at least a part of the time.

"Couldst thou not watch with Me one hour?"

There will be a service in the evening at 8.00 P. M.

ANNIVERSARY SERVICE

There will be a special service in the Sunday School on Sunday morning, April 21st, to mark the 17th anniversary of the dedication of the Parish House. The Parish House was dedicated on Sunday, April 21, 1912, by the Rt. Rev. Philip M. Rhineland, D.D. Fortunately we have a record of the service used at that time and we will sing the same hymns and use the same psalms and lesson. We hope to make this the occasion for a reunion of many former members of the school.

EASTER

Space does not permit the recording in full of the wonderful services of Holy Week and Easter Day. They were just the culmination and outgrowth of a devout well-kept and helpful Lenten season.

Palm Sunday saw the church filled at both morning and evening service. The Holy Week Pageant, presented by the members of the Girls' Friendly, was reverently and beautifully portrayed.

On Easter Day, Messrs. Albert Barone, violinist, and Francesco Cortese, harpist, added greatly to the program of special Easter music. The choir, directed by Mr. Louis Beck, sang as only a choir of inspired voices can sing and beautiful music, properly rendered, is a worthy offering to the Risen Christ.

The sacrifices of Lent were evident in the splendid Easter offering. A great outpouring of grateful hearts.

In the afternoon the joyous carols of the Sunday School once again filled the church with heavenly music. Here, too, the many sacrifices of Lent were brought to light in a great Sunday School Lenten offering.

All in all, Easter was a day long to be remembered in the annals of the Parish and in the recesses of many hearts.

REV. GEORGE WOOLSEY HODGE S. T. D.

It is with deep regret that we chronicle in this number of our Parish paper, the death of the Rev. George Woolsey Hodge, S. T. D., Rector Emeritus, of St. Mary's Pro Cathedral, Broad and South Sts., Phila.

Dr. Hodge was very much interested in the establishing of the Mission, which later developed into our present Parish, and since then he has always taken a deep interest in our progress. He was Dean of the Convocation of Southwestern Philadelphia, when the work here was started.

Just before his death, Dr. Hodge recorded for us his recollections of our early days, which will be incorporated in a Parish History, now being prepared by Dr. Charles Sladen. We had looked forward to Dr. Hodge's being with us on the occasion of our 25th Anniversary, which we will celebrate on Sunday, October 13th, of this year.

THE SUNDAY SCHOOL

The 17th Anniversary of the Dedication of the Parish House was commemorated with Special Exercises in the Sunday School on Sunday morning, April 21st. Two hundred and eighty-two children were present. The Rector read the following prayer, which was used by Bishop Rhinelander, at the dedication of the building on April 21, 1912.

"O Eternal God, mighty in power, and of majesty incomprehensible, Whom the heaven of heavens cannot contain, much less the walls of temples made with hands, we beseech Thee, in Thy great goodness graciously to accept the dedication of this House to Thy service, in the instruction of young and old, and for the welfare and good wishes of Thy people that here true faith and brotherly love may dwell. Accept, O Lord, this service at our hands, and bless it with such success as may tend most to Thy glory, the upbuilding of Thy Church, the extension of Thy Kingdom, and the furtherance of our happiness, both temporal and spiritual, through Jesus Christ, our Lord." Amen.

The Supt., Mr. Thomas S. Boyle, spoke briefly of the help and inspiration that has been given to hundreds of boys and girls in this community, during the years the building has been in use.

We are all looking forward now to the celebration of the 25th Anniversary of the organization of our School which takes place on Sunday, October 13, 1929. The Rev. Edwin T. Carson, has promised to be with us on that day and also, Louis Bennett and Charles Scanlan, the first scholars to register in the School.

DORCAS SOCIETY

The Dorcas Society resumed their meetings on Monday, April 9th, having closed for the Easter season. The attendance was very good, as it has been for some time now. We are planning a number of activities for the coming months, the most important being the strawberry festival the first week in June and the luncheon at Sears, Roebuck & Co. on April 25th. Those of the members and their friends who have promised to come will please be at the parish house at 12.15 P. M. on that day. When you start housecleaning, don't forget the rummage sale to be held in the fall.

The Dorcas Society wish to extend their sympathy and offer their prayers for their fellow member, Mrs. Harry Rosenfelt, on the death of her beloved husband.

(MRS.) HARRIET J. SKILLEN,
Secretary.

Y. P. F.

Members of the Y. P. F. are deeply interested in the Provincial Convention, to be held in this city, April 26, 27 and 28th.

Plans for our participation included a Social, held on Friday evening, April 19th. Proceeds of which will be sent to help defray expenses of the Convention; The sending of Miss Georganna Worrall. Mr. Fred Samuel, Mr. Raymond McNeile and Mrs. Charlotte Hienle to represent our fellowship at the Conference Banquet. We will hold a Corporate Communion for Young People, on Sunday morning, April 28th at 7.30 A. M., Daylight Saving Time.

NEAR EAST RELIEF

This subject will be presented to our Congregation on Sunday morning, April 28th, at the 10.45 A. M. service, by Dr. M. Hagopian.

During the massacres and deportations that the Armenians suffered, Dr. Hagopian's relatives suffered untold agonies and lost their lives.

Dr. Hagopian brings a strong message and we bespeak him a cordial welcome.

TRINITY SUNDAY—MAY 26TH

TROOP 232, B. S. OF A.

Troop 232 is now striving intensely to develop through an extensive and well prepared program, every boy like quality that leads to the development of character, and aspires to the ideal. Through training, careful examinations and many discipline along the line prescribed by National Scout Leaders is our method.

At present, a membership in the troop is conditional. Every scout must endeavor to attain to the highest efficiency in scouting of which he is capable, or he is dismissed. And it speaks well for our young boys that the increased requirements have been well received by them. With the exceptions of four new members, every scout has almost passed his second-class exams, and a few are on the way to first-class. A feed on the 18th and a hike on the 20th, started our Spring programs for "out-door fun."

All this has been accomplished through the efforts of Messers Fred Blatz, Fred Samuels, Robert Aikens, Charles Fulwider and Spence Dunbar, Scoutmaster. The work has been divided as follows: Dunbar, organization and exams; Blatz, Instruction and exams; Samuels, athletic activities; Fulwider, Athletic activities and signalling instruction; Aikens, athletic activities and duelling.

ST. VINCENT'S GUILD

Although it is the newest organization in the Parish, St. Vincent's Guild is rapidly making its presence felt. The members have been most consistent in the performance of their duties, which are very reverently performed.

The Guild is proud of the fine tribute recently paid it, by the Rector. Mr. Wilcox said, "I am very proud indeed of the work of this organization. The members have been punctual, regular and reverent in the performance of their duties. The service they render adds greatly to the dignity of our worship."

The members of the Guild were delightfully entertained recently at the home of Mr. and Mrs. Oscar Sampler.

Our president, Jack Allen, has recently recovered from a brief illness. We are glad to have him with us again.

During a recent hike, motion pictures were taken, which will be shown in connection with other films at our next meeting.

FOR MEMORIAL DAY

Rupert Brooke, during the war, wrote in one of his sonnets,

"If I should die, think only this of me:

That there's some corner of a foreign field
That is forever England."

And all poetry lovers and many other people gloried in the beauty of his thought and his deep love for his country. It has been left to a much less conspicuous person, a Japanese catechist in an obscure corner in Nebraska, to express a sentiment perhaps even nobler, the love and gratitude of an alien for his adopted country. On visiting the graves of some Japanese who had died in Nebraska in the past twenty years, he says:

"These twenty-three graves of our Japanese brethren are not always the symbol of our sorrow; they stand permanently as our encouragement and pride, because they became the soil of America."

Has America ever received a finer and more humble tribute?

Thoughts such as these in our minds as we begin to look forward to and to plan for two beautiful services of memorial that we always hold in May.

The service on Mother's Day, Sunday, May 12th, 10.45 A. M. Please send memorial flowers and plants for the altar that day. Later in the month the memorial service for the Veterans of the Reynolds Post, G. A. R., and the accompanying military units. This service is on Sunday evening, May 26, 8 P. M.

BROTHERHOOD OF ST. ANDREW

The Brotherhood of St. Andrew, Junior Chapter has certainly had a pleasant and profitable year to date.

Stanley Dever, after being out of our ranks for more than a year has returned and he intends to stay.

Roy Pelletreau, Lloyd Cucknell and Tommy O'Neil, paid a visit to the Church of the Saviour, about two weeks ago and enjoyed themselves greatly.

The entire chapter is going to attend an Assembly meeting at the Church of the Saviour, on April 22nd, and hope to beat the Church of the Saviour boys in basketball.

ORDER OF SIR GALAHAD

With the advent of spring, the thoughts of boys are turning toward camp days. Preliminary plans are being made for a summer camp, and in all probability the boys will attend the same camp that they attended last year. Many new members have been registered with our secretary within the last month, thereby giving more boys the opportunities of the Order.

25TH ANNIVERSARY—OCTOBER 13, 1929

The Parish Chronicle

JUNE, 1929

NUMBER 6

JUNE

JUNE PARTY—

Once again we present the record of a very active month. Naturally the annual June Party was perhaps the outstanding Parish House event. It was held on two evenings—June 6th and June 7th. The entertainment on June 6th was given by members of the Junior Brotherhood. "B" Chapter, Mr. M. Born, Director, presented a very amusing and enjoyable Minstrel Show. The singing was excellent. The show was under the direction of Mr. John Chambers, well known to all as the producer of St. Paul's minstrels for many years past.

The Advanced Chapter, Mr. Fred Samuel, Director, presented a one-act comedy entitled "Fur and Warmer." The play was all about the adventures of one very useful fur coat worn in turn by four young men of somewhat different proportions.

In the majority of plays success or failure is largely determined by the beauty and grace of the female members of the cast. This was a very successful play.

On June 7th the entertainment was presented by the members of the Girls' Friendly Society, Miss Virginia Glenn directing. The numbers offered were splendidly received by a large audience. This entertainment was very original, and all the numbers were well worth the many encores received.

The members of the Dorcas Society served delicious strawberries with ice cream which made everyone very happy, and just a little cooler.

DIOCESAN DAY—

Originally set for June 8th, it was postponed until June 22nd, because of a heavy downpour of rain. As we had made all arrangements for our picnic on the 22nd, we decided to follow our original plans, so very few members of the Church or Sunday School attended this very interesting and extremely important event.

SCHOOLS AND GRADUATION—

Many of our Sunday School members were among the June graduates of various institutes of learning. Jeannette Wiseman was in the class at Southern, George Anderson was in the Brown Prep. graduating class and a commencement speaker. Stanley Briggs graduated at Southern, Paul Weintraub entered the Naval Academy on June 18th, and Wilbur Hiehle left at the same time for Fort Meyer, Va., preparatory to examinations for West Point.

MR. HILL'S ANNIVERSARY—

Sunday, June 2nd, was the 20th anniversary of the rectorship of the Rev. John E. Hill, All Saints, Moyamensing. The Rector was very glad to be present and assist in this service. The Rev. Albert E. Holt officiated at St. Paul's in the Rector's absence. Wednesday evening, June 12th, the members of the congregation of All Saints tendered a very hearty reception to the Rev. and Mrs. John E. Hill, at which time a substantial purse was presented to Mr. Hill by a large group of his parishioners.

ELECTION OF BISHOP CO-ADJUTOR—

Tuesday, June 18th, was the day of the special convention to elect a Bishop Co-adjutor. The Rev. Francis M. Taitt, S.T.D., Rector of St. Paul's, Chester, was elected on the first ballot and promptly accepted.

Dean Taitt will bring to the office a thorough knowledge of the needs of this section of the city, as he was Rector of Trinity, Southwark, Second and Catherine Streets, for six years. He is greatly loved and highly respected by all.

JUNE WEDDINGS—

Three of our faithful and loyal communicants were June brides: Misses Edna Laager, Dorothy Fulwider and Clara McCarter. They begin their married lives with the united good wishes of the entire parish.

SUNDAY SCHOOL COMMENCEMENT

—On Sunday, June 23rd, was the most interesting service of its kind in the history of the school. Seventy-five honor pupils, with perfect attendance records, were presented with honor pins by Mr. Charles Scanlan, one of the first pupils of our school. Sixty-eight pupils received pins and honorable mention for not having been absent more than twice during the year. Many awards were made to pupils for greatly improved attendance records over previous years. Many special awards were made to officers and teachers of the school and to members of the school interested in parish organizations for distinguished service rendered during the year. A complete list of these awards is to be found elsewhere in the "Chronicle." We are justly proud of our school.

SUNDAY SCHOOL PICNIC—

We haven't sufficient superlatives to tell of the wonderful picnic held on July 22nd, at Willow Grove Park. Mr. and Mrs. Boyle were present as usual with the magical car, out of which flows a never-ending stream of

SUBSCRIBE TO THE ANNIVERSARY FUND

cans of wholesome and delicious fresh milk, crates of oranges, prizes of all kinds, and many other thoughtful provisions to please the hearts of children and grown-ups alike.

25TH ANNIVERSARY FUND—

This fund is beginning to take definite form and a list of those who have taken units to date is printed in this issue. We would like to get in touch with many of the former communicants of the parish in connection with this anniversary celebration. If you know the present address of any former member of St. Paul's please communicate with Mr. Fulwider.

SUMMER CAMPS—

Details are being completed now for our annual summer camps. The boys will go in three groups—under the leadership of Messrs. Anderson, Born and Dunbar.

THE PARISH CHRONICLE

THE SUNDAY SCHOOL

Our school reopened on Sunday morning, September 15th, with a splendid attendance. Three new classes were formed in the Main School to provide for the children promoted from the Junior School in June.

Thru the splendid efforts of Mrs. Sladen, well-trained teachers were available for these new classes. The new teachers are Misses Josephine Atkinson and Rose Buzby. The new class of boys will be taught by Mr. Stanley Briggs, a former member of the Brotherhood Class. Mrs. Sladen's class also provided a teacher to replace Miss Lydia Hudson, resigned. Miss Anne Schaeffer will teach this class.

We were sorry to receive the resignation of Miss Hudson. She was faithful to her class during the last few years at a great personal sacrifice, coming from West Philadelphia every Sunday morning.

We regret to report the resignation of Miss Georganna Worrall as school secretary. Miss Worrall has been most faithful and efficient and we will miss her greatly. Until the return of our superintendent, Mr. Boyle, who is abroad with Mrs. Boyle at present, Miss Helen Hayes, the assistant Secretary, will be in charge of the records. Miss Hayes will be assisted by Messrs. Wm. Pelletreau and George Pearson, former members of the Brotherhood Class. Mr. Raymond MacNeill, also of the Brotherhood Class, will assist Dr. Sladen in the Treasurer's Department.

Two other teachers will not return in the Main School, Misses Jeannette Hoffman and Virginia Glenn. Mr. G. E. Sladen has been a very capable substitute for Miss Hoffman and we hope he will continue with us during the year.

Several of the members of Miss Glenn's class have been promoted to Mrs. Sladen's Training Class and Mrs. E. F. Glenn has been caring for the remaining group.

In the Junior School Miss Ida Wager has been added to our teaching staff. Promotions have been made and all department reorganized for the year.

The following are the statistics for Sunday morning, September 29th:

Attendance, 259.

New Scholars, 6.

Perfect Classes—Mr. Stanley Briggs.

Miss Helen Park

Miss Lillian Twiford.

Many of the teachers will attend the Diocesan Institute, to be held at Holy Apostles', 21st and Christian Streets, on Monday, October 7th.

SPECIAL MUSIC FOR ANNIVERSARY SERVICES

MORNING SERVICE, OCTOBER 13TH

Rev. EDWIN S. CARSON

Introit—Prayer of Thanksgiving

(Folksong of the Netherlands)

Arr. Kremser

We gather together to ask the Lord's blessing,

He chastens and hastens his will to make known;

The wicked oppressing cease them from distressing,

Sing praises to his name, he forgets not his own.

Beside us to guide us, our God with us joining,

Ordaining, maintaining his kingdom divine,

So from the beginning the fight we were winning;

Thou Lord, wast at our side—all glory be thine.

We all do extol thee, thou Leader in battle,
And pray that thou still our Defender wilt be.

Let thy congregation escape tribulation:

Thy name be ever praised—O Lord, make us free.

Offertory Anthem—"How Lovely Is Thy

Dwelling Place". Johannes Brahms

How lovely is thy dwelling place, O Lord of Hosts.

For my soul, it longeth, yea faineth for the courts of the Lord:

My soul and body crieth out, yea for the living God.

O blest are they that dwell within Thy house,

They praise Thy name evermore.

The Twenty-fifth Anniversary Dinner will be held in St. Paul's Parish House Wednesday evening, October 16th, at 6.30 P. M. Dinner tickets may be had from any member of the Committee, Vestry, or from E. F. Gillin, Chairman; Martin L. THE PRAYER for the

UNITED THANK OFFERING

O Lord, our heavenly Father, we pray thee to send forth more labourers into thy harvest, and to grant them thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as thou hast given to them. Accept, from grateful hearts, our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of thy Kingdom through Jesus Christ our Lord.—Amen.

THE GIRLS' FRIENDLY SOCIETY

The Girls' Friendly Society resumed its weekly meetings Monday evening, September 23rd, with a social. Everyone had a wonderful time. The evening was spent playing various games, and winners of the games were rewarded with lovely prizes. Each girl was served with a delicious cup of cocoa and many fancy cakes. Every girl went home happy.

On Monday, September 30th, the meeting was opened with prayers and the Friendly Hymn. Following that was the election of officers. Evelyn Moore was elected president. Ethel Tucker, our past president, was elected vice-president. Lucille Fitzgerald holds the office of secretary. Mr. Albert Eastwood, as leader, took charge of a group of girls who wish to form a junior choir. After singing for a short time, the meeting adjourned.

LUCILLE FITZGERALD, Secretary.

† †

BENEDICTUS ES DOMINE

Quite a number of people do not understand why we sing the "Benedictus Es Domine." This is the new short Canticum authorized by the General Convention of 1916, which can be sung in place of the Te Deum or Benedicite. A great many churches sing it in Advent and Lent (when the Te Deum is eliminated) on account of its brevity, instead of the long Benedicite. Be sure and get a copy of this beautiful Canticum and place it in your Prayer-Book, so that the next time we sing it, you can join heartily with the choir in its rendition.

Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.—S. Matt. 9: 38.

We are gratified in adding to our executive staff Messrs. Coates F. Bateman and Edwin H. Leedom as counsellors. A drive for new members has been launched and all boys of the parish between the ages of 9 to 12 are urged to attend the meetings. From 7.30 to 8.15 a recreation period in the gymnasium is conducted, followed by the meeting with full ritual. The Order is dismissed promptly at 9 P. M.

PARISH MEETING AND SOCIAL

In connection with the celebration of our 25th Anniversary, there will be a Parish Meeting and Social, held in the Parish House on Friday evening, October 18th.

Those who were present at our last Parish Meeting and Social will remember what a lovely time we had and will look forward eagerly to the 18th.

At the Parish Meeting reports will be read by all the Anniversary Committees

When on my day of life the night is falling,
And, in the winds from unsunned spaces
blown,

I hear far voices out of darkness calling
My feet to paths unknown.

Thou who hast made my home of life so
pleasant,

Leave not its tenant when its walls decay;
O Love Divine, O Helper ever present,
Be Thou my strength and stay!

Be near me when all else is from me drifting:
Earth, sky, home's pictures, days of shade
and shine,

And kindly faces to my own uplifting
The love which answers mine.

I have but Thee, my Father! Let Thy Spirit
Be with me then to comfort and uphold;
No gate of pearl, no branch of palm I merit,
No street of shining gold.

Suffice it if—my good and ill unreckoned,
And both forgiven through Thy abound-
ing grace—

I find myself by hands familiar beckoned
Unto my fitting place.

Some humble door among the many man-
sions,
Some sheltering shade where sin and striv-
ing cease,
And flows for ever through heaven's green
expansions
The river of Thy peace.

There, from the music round about me steal-
ing,

I fain would learn the new and holy song,
And find at last, beneath Thy trees of heal-
ing,

The life for which I long.

NUMBER 11

NOVEMBER AND DECEMBER

THANKSGIVING DAY

There will be two services this year on Thanksgiving Day—a celebration of Holy Communion at 7:30 A. M. and our usual service at 10 A. M.

At the 10 A. M. service gifts of food-stuffs of all kinds will be received for the Home for the Aged. The offering at both services will be for the work of the Episcopal Hospital.

The primary purpose of the day is that we may gather together in places of worship to give thanks to God. Giving thanks is an important note in worship and one that is very often far from our minds and hearts. Let us resolve to use this day for the specific purpose intended, and claim thereby a share in its blessing. It is a matter of individual personal obligation. No one can be thankful for you. No one can attend service for you. If you have never before attended Divine service on Thanksgiving Day, resolve to do so this year. In the first place it is your duty as a Christian and in the second place it is your duty as a good citizen, for Thanksgiving Day as we know it is not set aside by an edict of the Church but by a proclamation of our President.

ADVENT CORPORATE COMMUNION

The Advent Corporate Communion of the men and boys of the Parish will be held on the First Sunday in Advent, December 1st. Because of the fact that quite a number of former communicants now living at a distance desire to attend this service and find it almost impossible to do so at the early hour the service this year will be at 10:45 A. M. It is hoped that every man and boy in the Parish will be present at this inspiring service, when with thousands of other men all over this nation we pledge anew the strength and vigor of the men of the Church to the cause of Christ and His Church,

Sunday morning, December 1st, at 10:45 A. M.

THE NEW PRAYERBOOK

If they can be delivered in time we hope to have the new prayerbook for use at the Advent Corporate Communion.

THE EVENING SERVICE

During Advent we will have four special evening services:

Dec. 1st—The service will be conducted by members of the Young People's Fellowship.

Dec. 8th—The sermon will be preached by the Rev. C. H. Reese, Rector of St. Matthew's Church, 18th and Girard Ave.

Dec. 15th—The sermon will be preached by the Rev. John Roak, Minister in charge of the Church of the Resurrection, Mayfair.

Dec. 22—A Christmas pageant, given by the members of the G. F. S.

OCTOBER

ANNIVERSARY SERVICES

The outstanding event during October was quite naturally the celebration of our twenty-fifth anniversary. The services on Anniversary Sunday were well attended and it was a great joy to us all to have Mr. Carson and Mr. Earp as the anniversary preachers. Many former communicants returned for the day and renewed old acquaintances.

PARISH DINNER

The Parish dinner in Anniversary Week was most carefully planned and successfully carried through. It was somewhat in the nature of a Parish reception in honor of our newly consecrated Bishop Coadjutor, Bishop Taitt. The Bishop's address was greatly enjoyed and quite won the hearts of all present. Doctor Peckham came over from Brooklyn to be with us and our dear friend and neighbor, Mr. Hill, brought us greetings from All Saints.

ANNIVERSARY FUND

A full list of subscribers to date to the Anniversary Fund is printed elsewhere in the Chronicle. We have not as yet reached our objective of \$5,000.00, so that the Committee in charge of the Fund is continuing its work.

It is very necessary that we complete the full amount of the fund. While we now have funds in hand to cover every Parish indebtedness, we desire to go one step beyond and have a capital fund to meet future emergencies. As we are not having a Bazaar this fall, because of this Special Fund, it is quite possible that friends of the Parish who always helped with the Bazaar can be appealed to on behalf of the Fund. Pledges may still be sent to Mr. Frank Fulwider, chairman of the Fund Committee.

MR. LIVEZEY'S DEATH

We were all greatly shocked on the day before our anniversary service by the news of the sudden death of Mr. Livezey. Perhaps no other communicant of the Parish had looked forward to the anniversary with such eagerness as Mr. Livezey. For years

he has always been in his place at every service with a friendly smile and a word of greeting for everyone.

We are singularly blessed with many devoted laymen at St. Paul's and each seems to have made a place in the life of the Parish, peculiarly his own. When they are taken from us, therefore, either by removal or death, we miss them keenly. It is difficult for anyone else to adequately fill their place. We know how true that was of Mr. Buck and of Mr. Hughes, and of many others. It is particularly true of Mr. Livezey. It is not necessary to relate, because it is all so familiar, of his work with the young men of the Parish; of his patient and painstaking labors in his office as assistant to the accounting warden; of his friendly greeting to strangers; of his visitations to the sick; of his faithful attendance at services; of his eagerness to help any one at any time.

Our church has seldom been the scene of such a service as his funeral. Because of the many changes in our immediate neighborhood in recent years, community spirit seems to be a thing of the past. In the face of all the changes Mr. Livezey, because of his Christian character, had stamped his impress on the community, not as it was but as it is, and his funeral in every sense of the word was a community funeral. People of every color and race and creed sang together, prayed together and wept together.

The true test of the spirit of the life and example of Mr. Livezey, and of the devotion to service in the name of our blessed Lord, which is so evident in the whole life of our Parish, is manifested in the willingness of his fellow vestrymen and communicants to take over the tasks which fell from his hands. Very quietly and yet very thoroughly and conscientiously, his duties have been taken up by others who have pledged themselves in his name carry on.

AN INTERESTING LETTER

Dear Mr. Wilcox:

Mrs. Cavanaugh (my wife), my father and myself wish to express our gratitude to you and your congregation, and through you to Rev. Edwin S. Carson, who in his remarks regarding the early history of St. Paul's, was so kind as to credit my mother with being a help to him. I do recall when quite a boy of hearing my mother frequently refer to Rev. Carson in the kindest manner, and I do know my mother always felt happy in the knowledge that the first Rector of St. Paul's appreciated her friendship and welcomed her assistance.

Miss Mary Cochran, of Atlantic City, one of your early parishioners, informed me of the sermon Rev. Carson delivered last Sunday commemorating "The 25th Anniversary of St. Paul's," and we find much comfort in the recognition given to my mother, who was called to her heavenly reward two years ago. It is indeed great consolation, nevertheless, to know the truth of "By their deeds ye shall know them."

I again want to express my thanks and hope St. Paul's will have the utmost success in its every endeavor.

Trusting you and Dr. Carson may be spared to enjoy St. Paul's Golden Jubilee, I am

Yours very truly,

WM. J. CAVANAUGH.

Mrs. Garland and I are extremely sorry we cannot be present at the dinner in celebration of the twenty-fifth anniversary of St. Paul's Church. Unfortunately we will both be in Harrisburg in attendance of the Provincial Synod. Hoping that you will have a successful evening and with our affectionate regards to all at St. Paul's, believe me

Very faithfully yours,

HELP THE CHILDREN

The children of All Saints' Church, Littleton, New Hampshire, in the White Mountains, sold Christmas cards last Advent, to earn a special Advent offering for missionary work. One small boy, aged ten, sold five dozen. This meant not only the money offering but the spread of good religious Christmas cards (secured from the G. F. S.) and some education of children and adults in missionary needs.

† †

BISHOP MURRAY

It is part of the very genius of the Church that her noblest and highest officials are so often the most lovable characters. To everyone who had ever been within sight or sound of Bishop Murray the news of his death brought a sense of personal loss.

† †

DORCAS ACTIVITIES

A very successful Rummage Sale, which netted over \$100.00 for the Anniversary Fund, was given on November 8th and 9th. Our thanks and appreciation are extended to all those who helped whether through gifts of articles or personal service at the sale. On Armistice Day the Rector was host to the Donald T. Shenten Post of the American Legion. The Dorcas Society served the post members with a very excellent meal. This supper is now a fixture on the yearly program of the Shenten Post and the members greatly appreciate the hearty co-operation of all at St. Paul's.

STANDING NOTICES

Every one is welcome at all services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants, coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or, if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to the Rubric before the office for the Visitation of the Sick, which reads:

"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals, at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's Parish are asked to send their names and addresses to the Rector. The regular weekly envelope system is used to meet the expenses of the Church.

BROTHERHOOD OF ST. ANDREW

The advance Junior Chapter of the Brotherhood of St. Andrew has organized for the season of 1929-1930. We held our first meeting on Wednesday, November 6, 1929. At the meeting we held an election of our officers for the year. William Pelletreau was elected director; Edwin Able, vice-director; Alfred Wager, secretary. All fellows between the ages of 16 and 21 are welcome to join us. The meetings are held in the Parish House every Wednesday evening at 8 o'clock. We are out to make our chapter one of the biggest and best in the organization. We have organized our basketball team and elected William Pelletreau captain.

ALFRED WAGER,
 Secretary.

CORPORATE COMMUNION FOR MEN AND BOYS, SUNDAY, DEC. 1

FROM MR. TAYLOR

Dear Mr. Wilcox:

I received your very kind invitation last week. There were several matters partly arranged for that time, and I was not at all sure that I could make it for Wednesday, October sixteenth. Unfortunately, they have so lined themselves up as to preclude any possibility of my being with you. I am sorry for this.

May I extend to you, and the good people of St. Paul's, my hearty congratulations and good wishes on this anniversary.

Even though I cannot be with you at this time of your anniversary, I want you to know that my heart is with you in every other way. I spent three very happy years of ministry there, and I hope that I was able to make a small contribution to its life.

Very sincerely yours,

GRANVILLE TAYLOR.

ORDER OF SIR GALAHAD

The membership has grown to twenty-five lads and the interest in the organization is increasing rapidly. This year ritualistic work was begun and the boys are deriving much enjoyment and value from it. At each meeting stories are told and the symbolism and moral of the stories emphasized. As we are increasing our membership, any lad between the ages of 9 and 12 is invited to attend the meetings Wednesday evening in the Parish House.

DORCAS SOCIETY

After their pleasant vacations the members of the Dorcas Society have again taken up their work.

By the time this issue reaches you our Rummage Sale will be past. We wish to thank all who so kindly donated toward this sale. Our meetings have been very well attended during the months of September and October. Our room is getting quite crowded. We are glad to welcome another new member, Mrs. Moody, who was brought by Mrs. Walter Scott. As members of the Dorcas, let us all get to work and try to bring more ladies of our church into our fold and let them enjoy the pleasures which we enjoy in our work and in our friendship. A unit has been donated to the 25th Anniversary Memorial and Thank Offering Fund by this society.

During the latter part of the summer we had the kitchen thoroughly cleaned and painted and it certainly does look nice. We also had the range renovated and put in first class condition for our winter's work.

During the summer vacation the members had some very pleasant trips together, one of which was a visit to Valley Forge. The Rev. Mr. Burke, Rector of the Memorial Chapel, very kindly entertained us, and told us many interesting things about the place. We also visited the Church Farm School at Glen Lock, where one of our members has two little boys. On September 4th the members were entertained by Mrs. Edkins at her summer home in Pitman Grove, N. J. We had a most enjoyable day and the "eats" were delicious. On October 18th we attended a lecture on "Cooling and Cooking by Electricity." It was very interesting and I wish more of our members and their friends could have attended.

The Dorcas Society wishes to extend their sympathy and offer their prayers for Mrs. Livezey, one of our former members, on the recent death of her beloved husband, and also for Mrs. George Garrison on the death of her brother.

HARRIET J. SKILLEN,
Secretary.

THE HALLOWE'EN PARTY

"Better than ever before," was the verdict of the Sunday School scholars who attended the annual Hallowe'en party. Members of Y. P. F. had charge of the games and the Dorcas Society supplied the prizes and refreshments.

It is always a mystery to those who attend this party for the first time as to how so

large a group and one so filled with the carnival spirit is so enjoyably entertained and kept busy. The secret lies in the unselfish efforts of a group of parishioners, young and old, whose sole interest on this particular night is to see that someone else has an evening brimful of happiness and pleasure.

CHRISTMAS PAGEANT

Sunday evening, December 22d, 8 o'clock,
a Christmas pageant will be presented by the
Girls' Friendly Society.

In connection with this service we will have
a manger service. Members of the Sunday
School are requested to bring presents and
march into church, placing their gifts at the
manger as they pass by. These gifts will
be sent to the City Mission for distribution.

THE CHRISTMAS OFFERING

Our minds are filled at this blessed Christ-
mas time with thoughts of those we love and
how best to express that love in the form
of gifts. May we keep uppermost in our
mind and hearts the opportunity that the
Christmas offering affords to express in some
small measure our love and gratitude for the
birth of a Saviour.

THE MUSIC ON CHRISTMAS DAY

At the early morning service, 6 A. M., on
Christmas Day, there will be the usual in-
strumental prelude, starting at 5.30 A. M.,
harp, violin and organ. This year the harp-
ist will be Mr. Frank A. Nicoletta and the
violinist, Mr. John K. Witzemann.

As part of the prelude, Mrs. Anna Moore
will sing a traditional arrangement of "While
Shepherds Watched Their Flocks By Night."

Before entering the church, the choir will
sing ancient Christmas carols.

The anthem to be used at the early ser-
vice is one by J. Prindell Scott, a fine setting
of the Christmas story. "There Were Shep-
herds," containing solo parts to be sung by
Mrs. Labold and Mr. Eastwood.

The Communion carol, "Sleep Holy Babe,"
is a composition of Pickells, short and tuneful.

At the later service on Christmas Day, the
anthem to be used is an arrangement of
"Angels From the Realms of Glory," by
Neidlinger.

DORCAS SOCIETY

The Dorcas Society has discontinued its meetings until after the holidays. The meetings will be resumed on Monday evening, January 6th. On that evening we will hold our annual election of officers and hope that the members will come out in goodly numbers. There will be a social after the business meeting. On January 6th we are going to visit the plant of the Breyer Ice Cream Co. Bus will call at St. Paul's Parish House at 1.30 P. M. We can take thirty adults, so get in touch with the committee in charge or with the Secretary and they will give you information about this trip.

The members of the Dorcas Society extend their sympathy and offer their prayers for their fellow member, Mrs. Hilsman, on the death of her dear mother.

HARRIET J. SKILLEN, Secretary.

UNITED THANK OFFERING

The fall collection for the United Thank Offering of our Parish was \$24, with only eleven persons contributing. Many boxes have been distributed through the Parish and your Treasurer feels confident that if each contributor would feel herself obligated to respond, no matter how small the offering, we could have more than doubled this amount. Up to and including our fall collection, we have presented \$550.50. Let us try and have our spring offering larger, and keep the Blue Box in a prominent place—each of us keeping in mind the saying:

"He who does the best his circumstances will allow,

Does well, acts nobly—angels could do no more."

This offering is given by the women of the diocese for the support of the women in the mission fields.

MRS. SLADEN'S CLASS DANCE

One of the very best social events of its kind ever held in the Parish House was the dance given by the members of Mrs. Sladen's Class on Friday, November 29th.

The Parish House was beautifully decorated and made much more attractive than usual by the use of many floor lamps.

A very large group of young people were present and greatly enjoyed the evening.

We are very grateful to those who made this event such a great success. We need many more splendidly managed and well conducted social events of this character.

YOUNG PEOPLE'S FELLOWSHIP

Our meetings during November and December have been very interesting and most helpful.

On Sunday evening, November 24th, Mr. William B. Carns, of the Senior Class of the Philadelphia Divinity School, was the speaker. We greatly enjoyed his address.

As usual on Advent Sunday, the Fellowship had full charge of the evening service. Mr. Born, ex-president of the Fellowship, made the address. We were glad to welcome at this service delegations from St. Mark's, Frankford, and Resurrection, Mayfair.

Sunday evening, December 15th, thirty members of the Fellowship visited Church of the Resurrection, Mayfair. This visit was made possible by the courtesy and kindness of Dr. Sladen, Mr. and Mrs. Solts and the Rector, who kindly accompanied us and supplied the transportation.

We are looking forward now to doing something at Christmas time for some children we are interested in and also in our carol singing on Christmas Eve.

We regret very much the illness of our President, Bruce Edkins, and hope he will recover in time to be with us on Sunday evening.

GIRLS' FRIENDLY SOCIETY

The Friendly has been busy during Advent rehearsing for a Christmas pageant, which we hope you will all come to see and enjoy. The pageant is different than any we have given and we feel sure you will find in it a joyous and helpful Christmas message.

The pageant will be given on Sunday evening at 8 o'clock. In connection with the pageant this year we will have a manger service.

Members of the Sunday School have been asked to bring gifts, which will be presented at the manger and sent later to the City Mission for distribution.

The girls have also filled a dozen stockings for children in local hospitals. The stockings were made and filled during the Advent season.

On Monday evening, December 23rd, we will have our annual Christmas party. No meeting will be held during the Christmas holidays.

THANKSGIVING

The Board of Managers of the House of Rest acknowledge with thanks your kind donation of canned goods, groceries, cereal, etc.

Very truly,

A. B. WEIGHTMAN.

Per A. E. TAGGART.

NOVEMBER

THANKSGIVING DAY OFFERING

The Thanksgiving Day offering for the Episcopal Hospital was in round numbers about \$100. This is a splendid offering, indeed, and is a manifestation, on the part of many, of sincere thankfulness for God's goodness.

DECEMBER

MEN'S CORPORATE COMMUNION

The annual Corporate Communion of the men and boys of the Parish was held on Advent Sunday, December 1st. It was one of the most inspiring services ever held at St. Paul's. The Rector was assisted by the Rev. Hugh Wilson, who so kindly assisted at several of our services during the Lenten season.

It is always inspiring to see a great group of men and boys, kneeling together, to attest their loyalty to our Blessed Lord and His church.

SUNDAY EVENING SERVICES

The Sunday evening services during Advent have been better attended than usual. We have had the pleasure of special sermons by Mr. Reese and Mr. Roak, and we greatly appreciate the helpful messages they brought to us.

We are looking forward now to the manger service, and Christmas pageant, to be held on Sunday evening, December 22nd. The pageant this year promises to be very beautiful indeed. There is always a helpful message, as well as the note of beauty, in our pageants, and we should not hesitate to invite our friends and neighbors to enjoy them with us.

CHRISTMAS SERVICES

The complete list of the Christmas services will be found elsewhere in the CHRONICLE.

Our early morning Christmas service, with the prelude of instrumental music and the singing of the ancient carols, is quite a unique service, and one which has made a deep and abiding place for itself in our hearts. As we depart from this service with our faces aglow with the light of the Blessed Christmas morn, it is evident that the Holy Child of Bethlehem has filled us with all joy as we received Him in our Christmas Communion.

It is needless to remind you that Christmas is one of the days when the Church expects every confirmed member to make his or her Communion. We should be preparing our hearts now to receive Him, lest amidst the rush of commerce, the whirl of society and the din of the city, He comes.

as He did on that first Christmas morn, only to find no room for Him in our hearts.

CONFIRMATION

Bishop Co-adjutor Taitt will visit St. Paul's to administer the Apostolic rite of confirmation on Sunday, January 26th, at 10.45 A. M. Confirmation classes meet as follows: The Junior Class on Wednesdays at 4 P. M., the Senior Class on Thursdays at 8 P. M.

CHILDREN'S CAROL SERVICE

The carol service of the Sunday School will be held on Sunday morning, December 29th, at 10.15 o'clock. Classes will form as usual at 9.30 and the service begins in church at 10.15. Please note the change in time for this service.

PLEDGES FOR 1930

A letter addressed to every communicant member, calling attention to the budget for 1930 and asking for your pledge toward the same has been sent out by the members of the Finance Committee of the Vestry. Some of us have grown very careless in this matter of adequate support, not only to the work of our Parish but to the whole program of the Church. Perhaps it has been because we are not more familiar with the needs. You will find elsewhere in the CHRONICLE a copy of the 1930 Budget. You will see that for a Parish of our size and importance it is a very modest sum, and one well within the reach of our resources.

One of the things we might well do in the New Year which is just before us, is to better acquaint ourselves with the work of the Parish and of the Church.

During Lent this year we will try to arrange for a Mission Study Class to which every member of the Parish will be invited. In this way we can study the whole situation together under capable leadership.

Resolve now to attend this class when it is organized.

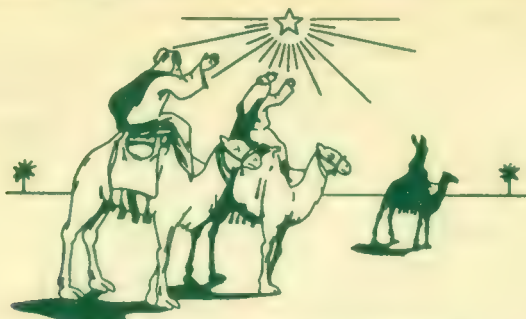

ENVELOPES FOR 1930

Cartons of envelopes for 1930 are now ready for distribution and may be had from Mr. Robert Skillen. Mr. Skillen very graciously took over this arduous task after Mr. Livezey's death. It is truly a labor of love and done with a willingness and spirit of self-

sacrifice that is characteristic of so many members of the Vestry.

THE SUNDAY SCHOOL

The CHRONICLE would not be complete without a word of somewhat boastful pride in the Sunday School. Last year we were delighted when our average attendance was over 250. This year we are doing even better. Our greatest joy comes through the faithfulness and efficiency of our officers and teachers. It has been a great pleasure recently to add to our staff Miss Ruth Siegmann, Mr. and Mrs. H. C. Campbell and Mr. James Hill.

THE NEW YEAR

May the New Year be full of blessings and of peace. It will be as we draw nearer and nearer to God through the love of His Blessed Son, our Saviour, Jesus Christ.

The Woman's Auxiliary meetings for fall and winter work have been resumed and we invite every woman in the Parish to meet with us on Wednesdays at 1 P. M. in Parish House.

The demand for work and the need of workers to fill this demand is great. The Supply Bureau of the Woman's Auxiliary is very similar to the Red Cross organization during the war. With your co-operation we can increase greatly our effort for missions.

There is a need for knitted garments, sweaters and afghans. If you can knit and will do so at home, our President, Mrs. Hazlett, will gladly get the wool and the directions for you.

RECTOR'S LETTER

Dear Friends:

I wish that I could tell each one of you how much you have meant to me during the seven years of my Rectorship. They have been very happy years indeed, made so by your faithfulness, your loyalty and your love.

We have loved each other because we have been serving the same Master, following the same Leader and loving the same dear Friend.

May He continue to bless us all.

STANLEY V. WILCOX.

THE LENTEN OFFERING

Many Parish House activities are planned in connection with the Lenten offering.

On Saturday evening, February 1, the combined classes of Miss Anna Schaeffer and Miss Rose Buzby will give a dinner. It will be served from 6 to 8, and the charge will be 35c for children and 60c for adults.

On February 8, the members of the Dorcas Society will give their annual cake sale and dinner for the Lenten offering. This is a labor of love on the part of the members of the Dorcas and is given to show their interest in and their willingness to aid the Sunday School. Other members of the Parish have an opportunity to show a similar interest by coming to the dinner.

Dinner will be served at 6 P. M., and your patronage will be greatly appreciated.

† †

FELLOWSHIP PLAY

The Diocesan Young People's Fellowship will present a very amusing three-act play at the New Century Club on February 21 and 22. Tickets are \$1.00 each, and may be had from any member of our Y. P. F. We have never had a very large attendance from our

Parish at this annual event in the Young People's program. This year we hope that every ticket allotted to our Fellowship will be sold. Mr. Bruce Edkins is president of our Fellowship.

† †

SERVICE OF LIGHTS

The annual Service of Lights will be held on Sunday evening, February 2. Those of you who have attended the service in the past will know how beautiful and inspiring it is.

This will be the last service of Mr. Wilcox's rectorship. In what more fitting way could we mark his going than by going forth from this service carrying the light of Christ into the community about us. Sunday evening, February 2, 8 P. M.

† †

DORCAS SOCIETY

The regular weekly meetings of the Dorcas Society were discontinued during the holiday season. We resumed our work on Monday evening, January 6. We had a very good attendance. Twenty-seven ladies answered the call. We had our annual election of officers at which the following officers were elected.

President, Mrs. Alexander Wallace; vice-president, Mrs. Olive Doughty; secretray, Mrs. Robert J. Skillen; treasurer, Mrs. William T. Chase, Jr. We look forward to the support of each and every member to make this term of office as successful as the past. After the business meeting, we had a very enjoyable social. Refreshments were served by our committee.

HARRIET J. SKILLEN,
Secretary.

SERVICE OF LIGHTS—SUNDAY EVENING, FEBRUARY 2,—AT 8 P. M.

DECEMBER

December was as usual a very busy month in the Parish. Church and Sunday School attendance was well maintained all during the month with perhaps a slight increase in the average attendance in the Sunday School. It is a great pleasure to see the marked increase in the number of Sunday School scholars who come regularly to the church services. This is true of the younger scholars in particular. It augurs well for the future. Perhaps the reason for the irregular church attendance of some of the older members of the school is due to our neglect in their early training.

Many apparent problems in parochial life would cease to be problems if communicants were more faithful and regular in church attendance. Let us continue to properly train our children.

That more children do not come is due to lack of interest on the part of so many parents. It is not a matter that can wisely be left to the discretion of the child.

Once the children are encouraged to come, they soon come gladly and willingly. They are helped by the service and in turn help us all by their presence.

We are very fortunate at St. Paul's in that the older members of the congregation do not object to the children having a part and place in the service.

Christmas was an inspiration and a great joy. It was rather bad walking early on Christmas morning, but the usual large congregation was present at 5.30 A. M. to enjoy the beautiful music and to receive the Christ Child in the sacrament of Holy Communion.

How silently, how silently

The wondrous gift is given,
So God imparts to human heart,

The wonders of His heaven.

No ear may hear His coming,

Yet in this world of sin,

Where meek hearts will receive Him still

The dear Child enters in.

The pageant presented by the members of the Girls' Friendly Society on the Sunday evening before Christmas was very beautiful, very instructive and most helpful. We are deeply grateful to all those who took part.

We must not pass by the Christmas services without a word of appreciation to the members of the Altar Guild and the young men of the Parish who took charge of the Christmas decorations. These things are done so quietly at St. Paul's and so efficiently that quite often we merely accept them as a matter of course.

Some of us know who are more directly responsible—know how much careful planning and difficult though loving work it all is and we are extremely grateful.

The Christmas greens are so very beautiful this year that it is going to seem quite rare when they are removed after the evening service on February 2. The architectural lines of our Church are extremely beautiful, but we do need the ornamentation which is suggested by the Christmas greens. Perhaps very soon we may have more of the permanent chancel woodwork and additional stained glass.

We have a sketch for the tracery over the Porter Street door and for a suggested chapel window. Either would make a splendid memorial.

Perhaps in the near future we could put suitable stained glass in the clere story windows in the chancel. This would be a great help in bringing out the full beauty of the east window.

One thing we could do at a very nominal expense would be to refinish the choir stalls, organ console and the pulpit in keeping with the woodwork in the sanctuary. The hymn board in back of the pulpit should be removed and placed on one of the brick columns.

The Sunday School carol service held on the Sunday after Christmas was enjoyed as well by the older members of the congregation as by the school. The new carols selected by Dr. Sladen and rendered under his direction were greatly enjoyed by all.

During the absence of Mr. Boyle almost the full burden of the Sunday School has fallen upon Dr. Sladen. That our average attendance is larger than ever is due to his loyal and efficient management. It is a great compliment to Mr. Boyle that the school has progressed and been so altogether faithful during this period. When he returns in

May, restored as we hope he will be to vigorous health again and to the active management of the school, we are sure that he will find the cords lengthened and the stakes more firmly driven.

It was a great pleasure to have as our guests on Sunday evening, January 12, the members of the Colonial Chapter of the Daughters of the Eastern Star. It is not without self sacrifice that they came for their annual service during the Epiphany season. The Christmas pageant was repeated and greatly enjoyed.

The Rector announced his resignation informally to the children on December 29, and the formal announcement was made by Mr. Fulwider, Secretary of the Vestry, at the services on January 5.

He has accepted the call to the Rectorship of St. Paul's, Chester, Pa., and his last services will be on Sunday, February 2.

Bishop Taitt preached to a large congregation on Sunday morning, January 26, and confirmed a class of twenty-two. It was a lovely class and will add additional strength to youth and vigor of our Parish.

Very few of us realize what a great joy it is to prepare a class at St. Paul's for Confirmation. The members of the class are eager to learn, regular in their attendance, and most attentive to the class leader. Because of the busy time between the holidays and the date set for Confirmation it was necessary to have the class meet on three afternoons in the week before the Bishop's visit. Everyone came—we began classes promptly and we found the hour too short. It was a real test of the whole-hearted desire of the class to be prepared to receive the blessed gift of the Holy Spirit.

Dr. Sladen, the Senior Lay-reader of the Parish, made the address at the evening service on January 26. Here too we are very fortunate in having such gifted and consecrated laymen so eager and willing to render service. Dr. Sladen for some years past has been licensed by the Bishop to make addresses.

He called the attention of the congregation to the necessity of devotion on the part of the laity during the period when the Parish may be without a Rector. The real strength

of a Parish is in the strength of the laity and their devotion to our Blessed Lord. We are confident of the willingness of our communicants to carry on until a new Rector is chosen.

NUMBER 2

A LENTEN CALL

There are many difficulties in taking charge of a large Parish. Work can be planned only for a short period, instead of a whole season or year. Under these conditions we can only hope to "lengthen the cords and strengthen the stakes." Isa. 54:2. To do even this requires hard work for the Priest-in-charge, and co-operation and renewed consecration on the part of the people.

The strength of a Parish is gauged not so much by the number of its communicants, as by the number regularly attending the services and taking an active part in the work of the Parish.

I. W. W. (I won't worship) is not conducive to the development of the Spiritual life in the individual Christian nor to the growth of the Parish. Strength and Inspiration for work is gained by Worship.

It is fitting that this Lent finds every communicant of St. Paul's attending some service each Lord's Day, that His House may be filled; that Spiritual benefit may come to all, and that by this renewed consecration the Parish may be made ready for your new Rector when he comes.

Meanwhile, I am here to serve in every possible capacity.

Faithfully yours,
AUBREY C. GILMORE,
 Acting Rector.

REST AWHILE

From the coming and the going, from the human flood-tide bowing,
 In the markets, in the highways, in the avenue and byways;
 From the evils of contending, from the follies never ending;
 From all envying and hating, friends and neighbors alienating;
 Ere your soul the world defile, come apart and rest awhile.
 Heed the call so sweet and tender of our Shepherd and Defender.
 He who will never cease for the weary and despairing,
 Linger 'neath His welcome smile, as apart, you rest awhile.

—J. M. Canvaness

STAND FAST

The Lenten Season is now upon us and it behooves us to stand solidly together, both men, women, young men, young women, boys and girls, and do our duty as would be expected if we had a regular rector. Our Minister-in-charge, the Rev. Aubrey Gilmore, will lead us at all services and it is expected all parishioners of the Memorial Church of St. Paul will attend to their Christian duties as of yore.

Every organization must become more earnest in continuing their work under their respective leaders so that when a regular rector is chosen to care for the parish he will find everything in good working order and that St. Paul's will continue to do good work in South Philadelphia.

The Vestry feels it incumbent at this time to urge all parishioners to keep up their pledges and see to it that they don't fall behind, also the Sunday School under Dr. Charles F. Sladen will keep up the good work and continue to add to the roll many children who are without a place to learn the Bible and instructions in the Church teachings.

It is hoped, now that the Lenten season is upon us, that all who are interested in the Memorial Church of St. Paul will attend every service and back up our Minister-in-charge so that he may feel that we are with him in his endeavor to follow in the footsteps of Our Lord and Saviour Jesus Christ.

A roster of services for Lent will be found in another part of The Parish Chronicle.

DAILY PRAYER

Almighty God, without whom our labor is but lost, prosper the work of Thy holy church throughout the world. Especially do we ask Thy blessing upon the work of this, our Parish. Build it upon the foundation other than which no man can lay, Jesus Christ. Defend it from the defilement of worldly motives, unclean hands and the lust of visible success, that in the day when the fire shall prove each man's work of what sort it is, ours may abide, and we Thy laborers, have praise of Thee; through the same Jesus Christ our Lord. Amen.

PARISH CHRONICLE

Our Church paper has been a source of satisfaction to everybody of the Parish with its news of various activities of all organizations and events to happen, and has kept all posted of the work of the Parish, also of the Diocese.

It has come to a point that we must discontinue publishing our paper due to the loss of advertisements and the subscription list falling to nothing.

Mr. Robert Skillen, Business Manager, claims where there were 300 subscriptions several years back, there is now only 10 who subscribe and it can readily be seen that our parishioners must rally together and subscribe to The Parish Chronicle which cost only \$1.00 per year and hand your subscription to Mr. Skillen if you want the paper to continue.

EASTER OFFERINGEaster Offering Envelopes will be dis-
tributed and your Vestry hope that you will
give generously at this time toward the needs
of the Parish.We have not yet reached the point where
our income from the Duplex envelopes is
sufficient to meet our expenditures, so we
must appeal to our Parishioners for Special
Offerings at Easter to make up our deficien-
cies. The hearty co-operation and the gener-
ous support of every communicant makes a
somewhat difficult task at times a very
pleasant duty and your Vestry is very grate-
ful to you all.**RECTOR'S LETTER**It is now mid-Lent. Many of our people
have availed themselves of the opportunities
offered for Spiritual benefit, by their atten-
dance at the various services of the Church.
But a large number will not be able to say,
"This is a well spent Lent."Again I want to urge a larger proportion
of our people to attend the services. I also
want to emphasize the necessity of our young
people and children remaining to the morn-
ing service, and ask the co-operation of the
parents in this important matter. The future
of the Church depends largely on the church-
going habits formed by the young.Easter is at hand. Much depends on how
these days are spent, whether the soul ap-
unprepared, for so great a privilege. There
proaches the Queen of Festivals prepared or
are sins of omission and sins of commission
to be confessed. There is the matter of "tak-
ing account of stock" spiritually—a most im-
portant matter, that cannot be delayed. Each
one can well ask, "What have I done, or left
undone that has not been pleasing to my
Saviour, Jesus Christ? What can I do to
bridge the gulf that lies between my Lord
and me? More frequent reading of the Bible?
More frequency in prayer? More frequent re-
ceiving of the Holy Communion? 'Whereby
alone we obtain remission of our sins, and
are made partakers of the Kingdom of
Heaven.' (Prayer Book.) Some definite line
of Christian work?" According to our an-
swer, so will our fitness be.As an act of preparation for Holy Week
and Easter please read the Exhortation in the
Prayer Book, page , and make a per-
sonal application to yourself.So may this Easter be the most joyous in
your Christian experience.

Faithfully yours,

AUBREY C. GILMORE,

Acting Rector.

THE CHOIR

Our choir has been a source of inspiration to the communicants and visitors of St. Paul's, and Sunday after Sunday, year in and year out, twice a day they have been faithful in rendering hymns and anthems that were A-1 in their rendition. Many lovers of good music have voiced their appreciation from time to time and gave much encouragement to the choirmaster and organist, Mr. Louis R. Beck, and the members of the choir for their great help to the Rector, Vestry and parishioners in attracting many who would absent themselves from their church duties if it were not for the choir.

We take this method of showing our appreciation for the good music each Sunday, and other times, when the choir, under their able leader, has always been punctual in their duties.

REUNION OF CONFIRMATION CLASSES

There will be a reunion of Confirmation Classes and a celebration of Holy Communion on Maundy Thursday, April 17th, at 8.00 P. M. Pews will be reserved and designated for classes from 1905 to 1930, inclusive, so that the classes may sit together.

† †

GOOD FRIDAY

On Good Friday we will have Meditation from 12 to 3 on "The Seven Words of the Cross." It is encouraging to note the city-wide movement for a universal observance of Good Friday, and in particular the hours from 12 to 3. If it is not possible to spend these hours at St. Paul's try to attend service somewhere for at least part of the time.

"Couldst thou not watch with Me one hour?"

There will be a service in the evening at 8.00 P. M.

† †

DORCAS SOCIETY

The members of the Dorcas Society have been very busy since the Lenten season began.

We are still enrolling new members. The room in which we meet is now filled to overflowing. We are giving a series of Covered Dish Luncheons at the homes of the members. The proceeds from these luncheons will be turned into the treasury to enable us to carry on our work as we have done in the past. The first was held at the home of Mrs. Fulwider. About thirty-five members and friends attended. The food was ample and delicious and everyone had an enjoyable time. The next will be held at the home of Mrs. McComb, 1200 Mollbore Terrace, on Thursday, April 10. The people who were so fortunate as to attend the one she gave last year will

remember the wonderful time we had and will need no further invitation to this one. Others will be held after Easter. The sympathy of the members is extended to Mr. and Mrs. Dunn on the death of their daughter Edna and also to Mrs. Frank Jillard on the death of her husband.

Whom the Lord loveth he chasteneth.

HARRIET J. SKILLEN,

Secretary.

† †

TROOP 232, B. S. A.

The Boy Scout Troop at St. Paul's has been getting along very well. Our membership has been increased to a substantial number, and, after a trying period of organization, we are getting under way with an active spring program. Troop Inspection was held on March 17 by Mr. Lulie, Field Examiner for District III, and, considering our limitations, we made an excellent showing. On either the first or second week-end after Easter there will be an overnight hike to be under the supervision of Mr. Dunbar and and general fun will prevail. The trip will Camp Biddle. The usual test-passing, hiking Mr. Blatz; and because we feel that much material benefit can come to a boy from an outing of this sort, we are urging the parents of the Scouts to arrange it so that every boy can be along.

We should like to request that the Sunday School teachers co-operate in increasing the membership of the troop. Boys over twelve years of age are eligible, and we are anxious to have as many boys from the Sunday School as we possibly can. Application blanks can be had from Mr. Blatz.

Mention should be made here of Scout Charles Spring, who has been doing excellent work as Troop Scribe. His good work has made it possible for the Troop to become better organized and equipped to carry on the Scout program.

† †

Rev. and Mrs. Gilmore have taken an apartment at 2217 South Broad Street—Telephone, Jackson 3999.

Our thanks are extended to Mr. Beck and the members of the choir for their faithfulness at all the services this Lent. Special music is planned for the remaining Sundays and for Easter.

Twenty years ago, in an issue of The Parish Chronicle, your Rector at that time stated that the motto of St. Paul's "has always been *The People Had a Mind to Work.*"

This accounts for the splendid progress that has been made from a small mission to a large city Parish, thriving in the face of a changing population, and going steadily forward regardless of losses, removals and changes.

The ideal Parish is one in which there is some work for each individual to do, and each individual at work in his or her place. In St. Paul's there is an opportunity for all, but not all are meeting the obligation that rests on the Christian. Are you one who is relying on others to do your part? In the Dorcas? Choir? Church School? Boy Scouts? or other organization? What talent has the Lord given you, that you may increase it by using it? Will you not volunteer to do something for Christ and His Church?

Your Minister plans to preach a sermon this month on "Shall I meet you at Church?" reviewing an article of the same title in a recent number of a popular magazine that has caused nation-wide comment.

Another Lent and Easter has passed. The Easter services, with the glorious music so well rendered and the message of the certainty of life eternal "through Him who brought life and immortality to light," brought joy to all.

We are now spending with our Lord "the great forty days" between the Resurrection and the Ascension. Let us like the disciple of old learn what He would have us do.

Faithfully yours,
 AUBREY C. GILMORE.

EASTER

Space does not permit the recording in detail of the wonderful services of Holy Week and Easter Day. They were just the culmination and outgrowth of a devout well-kept and helpful Lenten season.

Palm Sunday saw the church filled at both morning and evening service.

On Easter Day, Messrs. Harry Aleinikoff, violinist, and John Gasparro, harpist, added greatly to the program of special Easter music. The choir, directed by Mr. Louis Beck, sang as only a choir of inspired voices can sing and beautiful music, properly rendered, is a worthy offering to the Risen Christ.

The sacrifices of Lent were evident in the splendid Easter offering. A great outpouring of grateful hearts.

In the afternoon the joyous carols of the Sunday School once again filled the church with heavenly music. Here, too, the many sacrifices of Lent were brought to light in the great Sunday School Lenten offering.

All in all, Easter was a day long to be remembered in the annals of the Parish and in the recesses of many hearts.

FOR MEMORIAL DAY

Rupert Brooke, during the war, wrote in one of his sonnets,

"If I should die, think only this of me:

That there's some corner of a foreign field
That is forever England."

And all poetry lovers and many other people gloried in the beauty of his thought and his deep love for his country. It has been left to a much less conspicuous person, a Japanese catechist in an obscure corner in Nebraska, to express a sentiment perhaps even nobler, the love and gratitude of an alien for his adopted country. On visiting the graves of some Japanese who had died in Nebraska in the past twenty years, he says:

"These twenty-three graves of our Japanese brethren are not always the symbol of our sorrow; they stand permanently as our encouragement and pride, because they became the soil of America."

Has America ever received a finer and more humble tribute?

Thoughts such as these in our minds as we begin to look forward to and to plan for two

DORCAS SOCIETY

The regular weekly meetings of the Dorcas Society were resumed on April 28th, after a discontinuance of two weeks during the Easter season. The Covered Dish Luncheons are going merrily on. The one given by Mrs. Edkins on April 24th, was a decided success. About 35 attended. There was an abundance of delicious food. After the luncheon, Mrs. Edkins entertained with a Radio game and a cake walk. Mrs. George Blatz will give her luncheon on May 8th, at the Parish House. We hope for as good attendance as we have had at the others.

LENTEN OFFERING

Dr. J. Randall Skillen, treasurer of the Sunday School, reports that the Easter Offering now exceeds six hundred dollars. The banner this year was awarded to the Primary Department. As there were no quotas assigned to the various classes, the award was made on the basis of the class making the best of its own possibilities and it was the younger children in the Primary Department who seemed most deserving of the honor.

SERVICES DURING LENT

The re-union of the Confirmation Classes was the occasion, as is the custom in many churches, of a final preparation for the Easter Communion, and an appeal was made that each class undertake to raise a fund, either for improvements at St. Paul's, or, to increase the Endowment. Some of the classes are already busy putting the suggestion into effect. I shall be glad to hear from some member of each class who will act as secretary to correspond with the other members of the class, that this purpose may be accomplished.

The attendance at the Wednesday evening services during Lent was most encouraging. A series of addresses was given on the Church: her History, Faith and Practice.

About 350 made their Easter Communion at the two Services Easter Day

At the Wednesday afternoon Children Service during Lent there was a total enrollment of 58. The total attendance was 267, and an average of 38.

Those with a perfect record were: Jack Boyd, Alice Boggs, Dorothy Chase, Gertrude Chase, Catherine Cornelius, William Coffin, Marion Ells, Samuel Ells, Norman Fleming, Edwin Hill, Mary Gibson, Alberta Lane, Dorothy McCoak, Ruth Ryan, Margaret St. John, Frances St. John, Margaret Tucker, Charles Weisberg, Howard Zeigler, 19 in all.

The following nine missed but one service: Jane Churchill, Lena Brenner, Edna Dodd, Thelma Featers, Charles Gamper, Annetta Furgerson, Mary Morlock, Olga Morlock, Rae Morlock.

EASTER FLOWERS

The flowers and plants on Easter Day were most beautiful, and added greatly to the joy of our Easter. The Altar Guild is most grateful to all those who sent plants and flowers, or contributed in other ways. A partial list from our records to date is given below.

LIFE'S TEST

There's only one method of meeting life's test;

Jes' keep on a-strivin', and hope for the best;
Don't give up the ship an' quit in dismay;
'Cause hammers are thrown when you'd like a bouquet.

This world would be tiresome, we'd all get the blues

If all the folks in it just held the same views;
So finish your work, show the best of your skill,

Some folks won't like it, but other folks will.

† †

FINAL SCORE

It isn't the job we intend to do

Or the labor we've just begun

That puts us right on the ledger sheet:

It's the work we have really done.

Our credit is built upon things we do,

Our debit on things we shirk;

The man who totals the biggest plus

Is the man who completes his work.

My dear friends of St. Paul's:

We are in the midst of three great Festivals of the Church, the Ascension, Pentecost and Trinity, in which we celebrate the Ascension of our Blessed Lord, the Birthday of the Church, and the Triune God. The Church provides a Proper Preface for each of these, thereby showing their importance. There will be a celebration of the Holy Communion both on Whitsunday and Trinity.

It was with pleasure that we welcomed the few remaining members of General John F. Reynolds Post 71, Grand Army of the Republic, together with representatives from the Sons of Veterans, Veterans of Foreign Wars, Warriner and Shetzline Posts, American Legion, and their Auxiliaries. It will soon fall on the shoulders of these younger honored veterans of our Army and Navy to decorate the graves of our noble dead, to observe Memorial Day, and instill into the minds of the children in our schools, their brave deeds, "lest we forget" their sacrifices in defending our country against our enemies.

Vacation time is approaching. Again I want to urge attendance at Church, wherever you may be. After June first, the evening services at St. Paul's will be discontinued for the summer. This should mean a larger attendance at the morning service. The same splendid enthusiasm shown to the Church, as is apparent in all the organizations of the parish, would soon be manifest by a largely increased attendance at the Church services. Let us not forget God during the summer.

The annual picnic of the Church School will be at Willow Grove, Saturday, June 21st, leaving the Church promptly at 8.30 A. M. Let us make this a Parish picnic.

As we continue together our labors of love in the extension of the Kingdom of our Lord, may His blessing continue upon us.

Faithfully yours,

AUBREY C. GILMORE.

SUNDAY SCHOOL PICNIC

Each year our scholars of the Sunday School look forward to a day's outing at Willow Grove and the good things prepared by the superintendent, Thomas S. Boyle.

This year the picnic will be held on Saturday, June 21st. The cars will leave promptly at 8.30 A. M. from the Parish House. Return, leave at 7 P. M., arriving home about 9 P. M.

Some few parents always go along each year and it is expected quite a few will take advantage this year to be with the children. Also a number of young people come out in the afternoon, making the affairs quite successful.

Sports will be had under the guidance of Mr. Gillin for the children with the usual prizes by Mrs. Boyle.

Plenty of milk and fruit for the children—also parents are advised to bring receptacles for the coffee, which is free—also bring your sugar as milk will be provided.

DORCAS SOCIETY

During the summer months the Dorcas Society will discontinue meetings. The last meeting, which will be a social affair, will be held on Monday, June 16th.

The coming Strawberry Festival, under the auspices of the Dorcas Society, gives us the opportunity to show that we can do better things for St. Paul's. Let us all give our united efforts to its success. The date is Friday, June 13th.

How many Dorcas members are going to the Sunday School picnic to be held Saturday, June 21st? I am sure we will all have an enjoyable time. The Dorcas is planning a number of outings during the summer. Come out to the few remaining meetings and hear about them.

HARRIET J. SKILLEN,

Secretary.

ORDAINED TO THE MINISTRY

It is with real pleasure and thankfulness to God that the congregation of the Memorial Church of St. Paul feel that one of our young men will be ordained as a minister of the Church. On Friday, June 6th, Mr. Spencer Dunbar will be ordained and immediately become curate at St. Paul's, Chester, Pa. Through our former Rector, Stanley V. Wilcox, whom he will assist, he will get a good training. We wish him God's help in his new field.

+

OUR YOUNG PEOPLE

It is very noticeable at the services, the absence of our young people. WHY? The Church and its service are held at the same time and place. The children of the Sunday School are noted by their absence. This should not be. We certainly should hold up the honor of St. Paul's for its work in the past, and who but the young people can do this? Attend the services and set an example so that when the fall season comes around we will be in a position to make things hum around the Parish House and Church.

PRESENTATION OF FLAG

On Sunday evening, June 1st, the Young People's Fellowship presented a Church Flag in memory of Mr. Frank W. Livezey, a vestryman and teacher in the Sunday School. This service was under the auspices of the young people and conducted by them. Mr. Spencer Dunbar, who will be ordained as a clergyman in June, preached the sermon. The flag was presented by Mr. Bruce Edkins and received on behalf of the Church by Rev. A. Gilmore.

KEEP YOUR PLEDGES PAID

The summer vacation is upon us and many parishioners are absent from Church services—it behooves them to see that their Pledge Envelopes are paid in advance so that when they come back in September they will not be so far behind in their payments. Church expenses go on during the summer months and every bill must be paid.

We wish those that intend being away a healthful vacation and hope upon their return that they will be invigorated to such an extent that they will come back refreshed to go on with the work of the Master and make the work in St. Paul's felt throughout the community and Diocese.

GOD STILL AT THE HELM

We hear very much at the present day about new ideas and strange doctrines, but we need not tremble for the ark of God's truth when history teaches us that Christianity has come safely through many a social and intellectual revolution, and is still fresh with a life that seems ever young. It behooves us to have calm confidence in the living power of truth; we know by experience that it is a sublime reality; we may then be assured it cannot die. Whatever our ideas may be, the world will move on in the path of progress, for God is still at the helm of affairs; He controls the circumstances and guides the destinies of His people.

Even now when good men do things not quite in harmony with common notions, and speak truths which have a sound of strangeness, many are ready to cry out that the Church is in danger, and that we are going to be cursed by new doctrines.

Let us be calm. There is nothing to be gained by going into a state of wild excitement. New deeds may be prompted by the everlasting Spirit, and striking truths may be but the old gospel translated into the language of today.

—Rev. W. G. Jordan in "Spiritual Life."

NEVER LOSE FAITH

There are thousands who have ceased to be practicing Church people, not because they doubt the faith, nor because they deny the Christian ideal of character, but simply because they have been defeated in their Christian warfare. They are discouraged in their spiritual conflict. Will they not remember that it is to the defeated that Jesus offers Himself as Helper and Leader. It is to turn their reverses into victories that He became Man, and to succor them that He offers them grace upon grace, help renewed from day to day. Do not be daunted by your failures, but reenlist and try and try again.

Get back to the sources of strength and power in the holy Word and Sacraments, return to prayer and to work; and earn at the end the glorious tribute of the Lord Himself: "My brother and fellow-worker and My fellow-soldier."

—The Scottish Chronicle.

SUBJECTIVE QUESTIONS

Have I trained my insight enough to keep in operation the process that separates the real things of life from its superficialities?

Have I yet sensed the important fact that the enjoyment of money is not in its quantity?

Have I learned the great lesson that when giving God His rightful place I am assured of a position of influence in the world?

Am I stronger in demanding things than in the determination to radiate the spirit of unselfishness?

Do I realize the weakness of the platform on which I stand if my example could not be confidently followed by others?

Does the passing of the years furnish positive proof that I have made advance along the pathway that has been uphill?

Has it ever gripped my consciousness that my life can never be valued unless I constantly follow a scale of values?

Do I really know that success in its finality never consists in what I have but in what I am?

Is it not a fact that the mastery of difficulties brings out the man and succumbing to them presents a sorry spectacle of weakness?

Have I ever really listened to Christ unless appropriating the whole of His teaching?

WHEN AT HOME OR AWAY ATTEND CHURCH SERVICES

Do I know that giving way to oddity may spoil the fine points of life just as much as deliberate wrongdoing?

Is not obedience to pure motives the outstanding achievement of life?

Because God has laid down Worship as one of the fundamentals for man, is it not futile for me to treat it as incidental—occasional?

I BELIEVE

"Lord, increase our faith."

Channing said truly, "No one is so tempted to believe too little as the person who began by believing too much." Or, rather, too many things, trying to see in detail the fashion of things to be, making an Atlas of Eternity. In reaction against what it deems the over-belief of other days, our generation has fallen into an under-belief, far below what is its right. If our fathers asked how good is the most that we can mean by the word "God," their sons ask how real is the least we can mean by it. What we need is not faith in more things, but more faith in a few profound things which make us men, whence men in all ages have derived inward sustaining hope. For as we are moved most deeply not by many things we try to believe, but by the few things we cannot persuade ourselves to disbelieve.

—JOSEPH FORT NEWTON.

EARNESTNESS IN PRAYER

Be dead in earnest when you pray. Do not trifle. Reflect upon where you are. Never forget whom you seek. Come before Him with actual problems whether large or small that demand the solution he alone can give. Avoid hypothetical requests. Draw deeply on your own laboratory experience of need. Insincere prayers that slip carelessly across wayward lips never rise above our heads. With broken wings they pitifully hug the treacherous marshes, forever denied the adventurous glories of the upper air. "Our prayers must mean something to us," wrote Maltbie Babcock, "if they are to mean anything to God." Probe the inner depths of your prayers under the penetrating x-ray beam of crystal sincerity.

"Sincerity, as Jesus conceives it, implies that all thoughts and motives can bear the light."

RECTOR'S LETTER

As the people of St. Paul's have returned from their summer vacations, I extend to you my Christmas greetings. The Lord graciously bless and prosper you in your labors of love in the advancement of His church during the coming months.

Most of the parish organization are already actively at work—the Dorcas Society and Girls' Friendly Society Monday evenings; Boy Scouts and Choir Thursday evenings, and the Sir Gallahad will begin its activities. A leader for this group of some twenty-five lads is greatly needed. Who will volunteer?

At the beginning of the fall's work, I want to offer the motto, "Not for self—but for St. Paul's," as the thought to guide us this year. I cannot plan out the work for the year for each organization, I can only hope to get each organization working in the interest of St. Paul's. No organization exists for itself alone, but to strengthen and build up the church.

The children of today will be the church of tomorrow. Unless they are taught the place of the church in their lives: to love the church, to work and give for the church, and to worship at her altar today, they cannot be expected to do so tomorrow. Habits formed in childhood control the life in manhood and age.

The treasurer informs me that some of our people are back in their pledges. PLEASE.

Also, please help me get all the interests of the parish going at top speed that when your new rector comes, he will find the motto of St. Paul's from the start—"The People Had a Mind to Work"—true today.

May God's blessing rest upon us.

Faithfully yours,

AUBREY C. GILMORE.

SUNDAY SCHOOL

Rally Day for the Sunday School was held on Sunday, October 19th, in the Parish House. The scholars of all grades responded in a large number and the Sunday School expects to take a large part in the church's work this coming winter. The Cross and Crown System has been extended to all departments.

Five new teachers have been added to the Sunday School.

Dr. Charles F. Sladen, associate superintendent, is very much gratified at the increase in attendance since the school opened, Sunday, September 21st, and especially the good order and attention by the scholars.

† †

LEADERS WANTED

A call is made by our rector-in-charge for men and women to take charge as leaders in various organization and as teachers in the Sunday School.

Surely we have in our parish someone who will devote some of their time in teaching the young who are the future church.

If you feel God's call, get in touch with Mr. Gilmore, and may God's blessings be given you.

YOUNG PEOPLE'S FELLOWSHIP

The young people of the parish are urgently invited to the services of the Young People's Fellowship on Sunday evenings at 7 P. M., and at the meetings held every other Friday evening at 8 P. M. Good music and splendid speakers.

IMPORTANT

This publication is only possible so long as our friends in the business world give us their advertisements. Many will do that if they get results. The advertisements cover many needs of your household and business. Please look them over carefully, and whenever possible give them your patronage.

"I saw your advertisement in St. Paul's Parish Chronicle"—that counts with the tradesmen more than you think.

ST. PAUL'S OPEN TO ALL

A large majority of the parishioners have enjoyed their summer vacations, both old and young, and it is expected that they are ready to get back into the work of the church. We have many faithful people who attend to their duties in the church whether it rains or shines. After three months, the church and Sunday School, being closed except morning service, it behooves every parishioner to wake up to the fact that the church must go on. Surely our interest has not been lost.

Our rector-in-charge, who has been faithful since his appointment as a supply, feels that all the parishioners should stand by the church and when a new rector is appointed, to take full charge, and can arrange affairs, that will make the events and the work of the organizations run along smoothly.

Just as soon as a leader is taken away from us we wander away from the church and forget who we go to services to worship.

Never let us forget that the church has been consecrated to God and we His children, go into the House of God, on bended knees

with our supplications to Him for strength to resist the snares of Satan and pray for His love and forgiveness so that we may enjoy a happy period while on this earth.

It has been noted that many of our young people have been lax in their attendance both at the church services and from Sunday School and this should not be, for they should know that St. Paul's is a training school for their future life, and they who are faithful should bring back those who have wandered off.

Let everyone be determined to start at once to be faithful to our church duties both morning and evening and those of the Sunday School attend every session, so we may absorb the teachings of the Bible and serve the Father, Son and Holy Ghost.

There are many people young and old, who do not worship anywhere, of whom you come in contact, that would appreciate your invitation to come and worship with you.

Every faithful parishioner should pray to God for His help that we may continue the good work in St. Paul's and that we be given wisdom to so conduct our lives that there will be no reproach upon us.

Our church has gone at top speed under previous rectors and will go on again with every organization functioning strongly, making a happy parish as heretofore.

In conclusion it is desired that every parishioner get back to their respective duty and have every cog working harmoniously when a new rector steps in to take charge, so he can go on where our last rector left off.

EDITORIAL

The editor of *The Herald*, South Philadelphia C. E. paper, wrote the following letter in the current number of that paper:

I saw a football game last fall. One team worked as a unit—each man seemed to know just what to do—and did it. The other team, the heavier and stronger, played in a hit or miss way. In the last minutes of play, a member of the heavier team broke through his opponents and pushed on with the ball towards their goal. Then—he tripped over one of his own men, and dropped the ball!

There's a lesson in this! We can "play the game," each in his own way, or we can use teamwork. Without teamwork one of us may slip, and void the efforts of the others. The safe, profitable course is co-operation.

We must pride ourselves on the spirit of teamwork in our organization. We must work with each other in the same spirit. The rector of a successful church stated that the motto of his congregation had always been, "The People Had a Mind to Work."

Christian Endeavor is not a one-man job, but rather an organization in which there is

some work for each individual to do, and each individual must work hard in his or her place. In the Christian Endeavor movement there is an opportunity for all, but not all are meeting the obligation that rests on the Christian. Are you one who is relying on others to do your part? What talent has the Lord given you, that you may increase it by using it? Will you not volunteer to do something for Christ and His Church?

Substitute for Christian Endeavor any of our church organizations, and we strike the keynote of the work in St. Paul's this coming fall and winter.

Miss Catherine Johnson was joined in Holy Matrimony to Mr. Harry Hazzard on Thursday, September 25th. A full choir, with Mrs. Moore as soloist. The ceremony was performed by Rev. Aubrey Gilmore, rector-in-charge. They are spending their honeymoon in Boston and New England States.

Mr. Martin Born, one of our popular workers in the church, has moved to Logan.

FINAL SCORE

It isn't the job we intend to do

Or the labor we've just begun

That puts us right on the ledger sheet:

It's the work we have really done.

Our credit is built upon things we do,

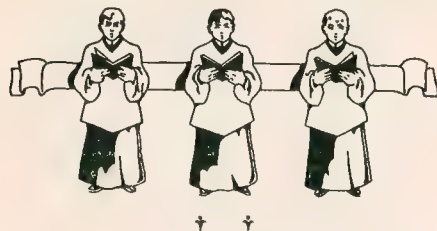

Our debit on things we shirk;

The man who totals the biggest plus

Is the man who completes his work.

DORCAS SOCIETY

The Dorcas Society resumed its weekly meetings on September 15th, after a discontinuance of two months. We hope that our members are in good health and able to carry on the program we have mapped out for this season. The first affair given by the Dorcas Society was a Covered Dish Luncheon on October 23rd. It was a very enjoyable affair, about twenty-seven attended, and we expect to have a number of these luncheons this season. We expect to hold our annual Rummage Sale on November 7th and 8th. Anyone having rummage to dispose of will please send a card to St. Paul's Parish House or notify any member of the Dorcas Society and it will be called for on the morning of the sale.

There are still quite a few ladies of the church who are not members of the Dorcas and we extend to them an invitation to join us in our work and assure them that they will spend many pleasant evenings.

HARRIET J. SKILLEN,
Secretary.

GIRLS' FRIENDLY

The first fall meeting of the Girls' Friendly Society was held on Monday, September 29, 1930. We were pleased to have a large attendance and hope to add many new members during the coming season.

We have many interesting things planned for the winter. All girls past eleven years of age are cordially invited to our meetings.

Come out and help us make them a real success.

ANNA T. WALLACE,
Branch President.

YOUR HELP REQUESTED WITH THE CHRONICLE

BE YOURSELF

There's no one just like you, and you know this is true.

Be somebody else and you will not be you.

So just take a hint, friend, and thereby be wise

A swallow's no thrush, though each of them flies.

A pansy's a pansy, nothing else can be,
And a lily's a lily, now therefore you see
To be yourself's wisdom, there's no one just like you.

And here is the best way to be happy and true.

We dislike the fellow who's always trying to show

He's some Count Chuckabluffski, he wants you to know,

And this poor sap does not see just why it is

He's going through life in a way, hit and miss.

Oh, just be yourself, friend, we'll like you much more.

Otherwise your actions make us troubled and sore,

Especially when we know you're a pretty good fellow,

And your praises we do wish to maintain and to bellow.

But we find it real hard; so just take the cue

There's no one just like you, so please just be you.

† †

LIFE'S TEST

There's only one method of meeting life's test;

Jes' keep on a-strivin', and hope for the best;
Don't give up the ship an' quit in dismay:

'Cause hammers are thrown when you'd like a bouquet.

This world would be tiresome, we'd all get the blues

If all the folks in it just held the same views;
So finish your work, show the best of your skill,

Some folks won't like it, but other folks will.

THE JANUARY VESTRY MEETING

The Vestry met with the Rector at his home Friday, January sixteenth, the following being present: James M. Hazlett, Dr. Charles Sladen, Herbert Edkins, Frank B. Fulwider, Eugene F. Gillin, Robert Skillen.

It was decided to have the financial year close as of December thirty-first, but to leave the elections as at present, following Easter. The change is due to the fact that Easter is a changeable date, thus making impossible a true financial picture of any twelve-month period.

A budget will be drawn up at the February meeting for 1931, at which time the annual financial statement for 1930 will be present.

Lengthy discussion concerned the financial position and ways of raising money. Unanimously decided to place the emphasis upon increasing the number of pledges through the envelope system and to ask the Parish to concentrate upon a large Easter offering.

Decided to print in The Chronicle the monthly financial statement as presented at the regular monthly meeting of the Vestry.

The Chronicle is to be mailed to every family rather than to a preferred list of subscribers.

The Sunday services to be enriched by variety: First Sundays, Holy Communion; Second Sundays, Morning Prayer and Litany; Third Sundays, Full Morning Prayer; Fourth Sundays, Morning Prayer and Ante-Communion; Fifth Sundays, Full Morning Prayer.

It was unanimously decided to reintroduce the Processional Cross and to revive St. Vincent Guild.

Authorization of a Junior Vestry of young men and women to be nominated and elected at the February meeting of the Vestry.

Their interests will include the following: Every member canvass, the evening services, educational programme, all societies working among youth, mailing The Chronicle, keeping envelope system with an assistant treasurer responsible to the accounting warden, evening ushering, Young People's Bible Classes, training course for future Vestrymen.

Dr. Charles Sladen of the Parish Vestry will represent the Vestry as a member of the Junior Vestry.

CONFIRMATION

Baptism and Confirmation represent two stages in life's experience within the Church.

By Baptism we become members of the Society of Christians through the good offices of some Christian Church. It may have been that we were baptised by a Roman Catholic priest, a Methodist or a Presbyterian minister, an Episcopal minister. Whoever may have baptised you and through the offices of whatever Church you may have been baptised, just so long as you were baptised "In the Name of the Father, the Son and the Holy Spirit" the Episcopal recognizes your baptism into the Christian Society and does not rebaptise you.

Confirmation is a later step by means of which you are initiated a member of a particular Church, in this case of the Episcopal Church. The day arrives when you are old enough to choose your Church, or, as an adult, sufficiently desirous of relating yourself to a Church. Thus you seek Confirmation or membership and upon an appointed day the Bishop receives you.

We shall be holding classes of instruction leading to confirmation with the opening of the Lenten Season.

A NEW VESTRYMAN

Dr. Randall Skillen was elected a Vestryman to fill the unexpired term of Mr. Livezey. We rejoice in the recognition of this younger man who has contributed so much to the welfare of St. Paul's.

A BRIDGE PARTY

Friday, February 13th, 8 P. M.

Miss Rose Buzby's class in the Church School plans a bridge party for the adults and their friends in the Parish House, Friday evening, February thirteenth, at eight o'clock. Thus the class works towards building up its Easter offering.

Prizes and refreshments and a chance to help a class in its financial effort to help the Parish—and all for a fifty-cent charge. This deserves our support.

This publication is only possible so long as our friends in the business world give us their advertisements. Many will do that if they get results. The advertisements cover many needs of your household and business. Please look them over carefully, and whenever possible give them your patronage.

"I saw your advertisement in St. Paul's Parish Chronicle"—that counts with the tradesmen more than you think.

PARISH RECEPTION

Friday, January 30th, 8-10 P. M.

The Dorcas Society will be the hosts of the Parish at the reception to be given the Reverend and Mrs. Herbert L. Johnson.

Everyone is coming! At least we hope so! This reception is as much a rallying of the Parish in sociable gathering as it is a chance to meet the new Rector and his wife. Thus, you may have already met them, but that makes your presence doubly important for you can help us to give others a good time.

We are planning upon the Taylors and the Willcoxes being present and Mr. Gilmore also, if he has not already gone South. Speeches will be in order from them, and Mr. Beck and his splendid choir will contribute to our programme. Refreshments are assured!

Come one, come all,
To the Hall of St. Paul's;
Meet the new Rector and his wife,
And have such a time as you've never had
in your life.

† †

The Sacrament of Holy Baptism will be administered on Sundays at half-past twelve o'clock. Will you telephone the Rector sometime during the previous week?

ENLARGING THE CHURCH SCHOOL

Beginning with the first Sunday of February, we shall establish a second session of the Church School at ten-forty-five, for lower grades.

Parents who have very little ones of kindergarten and primary age will thus be able to come with them to the church service. The children will sit with their parents in the church through the first part of the service and will march to the Parish House for instruction following the Rector's sermonette for boys and girls. The parents will meet their children in the Parish House immediately after the service.

JANUARY LUNCHEON

DORCAS SOCIETY

At the regular meeting of the Dorcas Society, held on Monday evening, January fifth, the following officers were elected:

President, Mrs. Alexander Wallace; vice-president, Mrs. Joseph Doughty; secretary, Mrs. Robert J. Skillen; treasurer, Mrs. Margaret Chase. These officers look for the support of each and every member to make their term of office as successful as in the past.

The Dorcas will a Covered Dish Luncheon on Thursday, January twenty-ninth. These luncheons are very enjoyable affairs and we would like to have as many as possible attend them and also the dinner of which I will tell you more later. The proceeds to go into our treasury, which was very much depleted by our last year's work.

We had a very busy and successful year, as you will see by the treasurer's report in another part of the paper. The Church has been asked to donate twenty-five garments each month (until April) to the City Mission, and as usual the Dorcas Society is taking charge of it. We would be glad to receive donations of cast-off clothing, clean and in good condition, for this work.

We expect to hold our annual dinner on Saturday evening, February seventh. As this is a very important dinner we would like it to be well patronized by the members of St. Paul's Church and their friends. If the Dorcas Society is to function as it is capable of doing, we will need the support of each and every member of the Church at all times.

HARRIET J. SKILLEN,
Secretary.

THE NEW YEAR

The new Church Envelopes are being given out to last year's pledgers with sufficient cartons left over to supply those who will begin pledging for the year 1931.

Below is a pledge form for your convenience. Will you not fill it out and place in the offering plate next Sunday? From month to month we shall publish the total in new pledges. Perhaps your will support the plan by being among the first of the new pledgers.

Fifty percent. of our congregation do not give regularly through the pledge system of weekly envelopes. If we could approximate the ideal that everyone pledged something, St. Paul's would be in a splendid position to move forward. Do not think that your pledge is too small to make a difference. One hundred new pledges at ten cents weekly means \$520 a year added to our income. May we not hope to reach the first hundred by the next issue of The Chronicle?

THE ANNUAL PRE-LENTEN DINNER

Saturday, February Seventh, Six-Thirty
O'clock

The Dorcas Society asks the whole Parish to gather at this year's Lenten Dinner—big and little, old and young—everyone who has an interest in St. Paul's.

January marks a new milestone in our history as a Parish. Without leadership for many months, we now feel settled once more. The life of the Parish awakens. Six busy months lie ahead of us before summertime. We must regain the position we held when Mr. Willcox was with us.

Thus the Lenten Dinner should mark the rallying of all our forces.

THE FELLOWSHIP

You will notice that many Sundays are unprovided for at the present writing. Flowers may be placed upon the altar as memorials and thank offerings or as gifts whose only association is the desire of the giver to have a share in beautifying the symbol of God's presence. Memorial flowers are often given toward the birthdays of loved ones, surely a wonderful way in which to remember them.

CHURCH SCHOOL NOTES

The Teachers' and Officers' Supper on the fifteenth was a great success—twenty-nine out of thirty attended!

We congratulate and thank Mrs. Charles Sladen, who prepared the supper.

A member of the Vestry has kindly offered to finance our monthly suppers until June.

The next supper will come on Friday, February the sixth.

We are asking Betty Weintraub to prepare this supper with a committee of her own choice from the Church School Staff.

The Church School organist and teacher, Albert H. Eastwood, has missed but two Sundays in seven years.

Miss Halfpenny's class has had perfect attendance twice in January.

Miss Anna Wallace, secretary of the Church School, is compiling a card index of scholars which will be duplicated in the Family Record Index.

Mr. B ck, the church organist, was kind enough to allow us to overlap his rehearsal. We shall try to be good hereafter!

Beginning the first Sunday in February we shall have a second Church School in conjunction with the ten-forty-five service, comprising Kindergarten and Primary Departments.

Thus parents can bring the very little ones with them to the service, have them set with them during the first part of the service and allow them to retire before the sermon, for their instruction.

We shall hope to increase our Church attendance as well as serve many little ones.

† †

WATCH THIS COLUMN

Every morning the sun is rising a little bit earlier. We shall hope to see an increasing number at the seven-thirty celebration of Holy Communion, Sunday mornings.

The next issue of The Chronicle will be in the mail Thursday, February the twelfth—the Lenten number.

The Christmas decorations transformed the Sanctuary and Chancel. How different Christmas would have been without them! Have you thought of helping to defray the cost of them? The Altar Guild needs a gift from you. Will you not place it upon the offering plate next Sunday in a special envelope marked, "A Gift for the Christmas Decorations"?

We hope that those who have not completed the payment of their 1930 pledges and who have envelopes which have not been offered upon God's altar, will endeavour to present them before January closes so that we may close the books of the past year.

Mr. Skillen is responsible entirely for the advertisements in The Chronicle. These make possible the printing and mailing of this important paper. One thing we can do to help him—patronize the advertisers. Look over the list and mention The Chronicle when you buy.

When Mr. Willcox left he confidently nominated Bruce Edkins as Editor-Pro-Tem of The Chronicle. Everyone knows that he has served faithfully and has proved his versatility in the excellent way he has handled the Editorship. As his duties are taken over by the new Editor, we wish to congratulate Bruce and to thank him.

A CONSTRUCTIVE LENTEN SEASON

Another Lenten season approaches and with it comes once more the opportunity to use it in creative ways.

Many people follow a tradition which makes of Lent a very gloomy season—so gloomy that the reaction on Easter Monday is rather unhealthy. May it not be a mistake to place the damper upon activity so completely that people sigh with relief when Lent is over? Some leaders of our Church throughout the country have suggested that the two weeks from Passion Sunday through Holy Saturday would make a much more effective Lenten season, enabling us all to spend the time intensively and ensuring real attention to the value that may be derived from a penitential period.

Meanwhile we are anticipating the traditional Lent. Let us plan to make of it a creative rather than a negative experience.

Self-denial is important if it leads somewhere. To cast out a devil but to fail to invite into one's life an angel leaves the sanctuary of the reward life unoccupied. The devil may return! Often does! "And the last state of that man was worse than the first."

But let us be definite and concrete.

To give up the movies during Lent—if the action goes no further than that—has no effective result. If one gives up the movies during Lent because it is wrong to go to movies or because movies and the Christian life during Lent seem not to fit—then movies are wrong at all times. But if one gives up movies during Lent—first because, let us say, one is going to save all of the money that would normally be spent in movies to build one's Easter offering; secondly, because one is going to use the time spent at the movies in worthwhile reading, in reading to a blind person, in spending the time with some person who is shut in, in reading one's Bible, in attending the Wednesday Evening Service or in some other of a hundred constructive endeavours—then self-denial ensures a creative result.

Good Friday—why the adjective—"Good"? Because Calvary's Cross has blessed the world.

Therefore, paradoxical as it may seem, we may live through Lent with a song in our

hearts. We do not approach, we cannot approach, Good Friday after the manner of the Apostles. They were sad, disillusioned, fearful, sorrow-stricken. They were all this because the future was unknown. Their Master seemed to go down in ignominious defeat. No wonder they were heart-broken. We know what they did not and could not know—that Calvary's Cross was to be the greatest blessing ever vouchsafed the world.

Calvary makes us sad for it tells us at what a cost—even the life of Jesus—God blessed the world for all time. But midst our sadness, we rejoice that we have a Saviour whose saving power was born of Calvary's experience.

Seems paradoxical, surely, but it is true nevertheless and its truth changes our whole approach to the values of the Lenten Season.

A LENTEN SERVICE FOR

BOYS AND GIRLS

Wednesday Afternoons
4.00 P. M. to 5.00 P. M.

The boys and girls will have their very own Lenten Service every Wednesday afternoon at four o'clock.

They will meet in the Parish House with the Rector. From among those who come the first Wednesday, February the eighteenth, we shall pick a choir of boys and girls. We shall arrange for boys and girls to take different parts of the Service. A minister and assistant minister, a reader of the Psalms and a reader of the Bible. Then we shall act out the story that has been read. A boy and girl will be the Church Wardens who will receive the offerings.

Altogether our Wednesday afternoons will be a happy, useful number of hours and we shall come to know one another very well.

LENTEN PREACHERS AND SERVICES

Reverend Stanley Willcox, Reverend Lewis G. Morris and Reverend Spence Dunbar will be our visiting preachers during Lenten Wednesday evenings. See the plan upon another page.

The Rector's Lenten Sermon subjects are also given. They are so arranged that any adult thinking of Confirmation will have covered the prescribed instruction and, at the same time, the sermons will be of general interest.

We urge, therefore, that those adults who wish to become enquirers with reference to Confirmation should try to attend the majority of these Lenten Services.

The Sunday Evening Services will take a different form each week—we shall do some real hard thinking as well as earnest praying and enthusiastic singing.

Many will find the Instruction Service for Holy Communion of deep interest on Sunday evening, the eighth of March.

We commend the "Sacred Cantata" on the fifteenth of March in the evening.

Let us make this Lenten Season an experience of spiritual growth, adapting ourselves to the informality of the Evening

Services and coming to the Wednesday Evening Services prepared to give ourselves to worship.

Nothing will give your Rector more satisfaction than to see the Sunday evening congregation grow. Will you help by coming to all of these services?

CHURCH SCHOOL NOTES

Miss Caroline Halfpenny reports a perfect class for the third time in January.

The next Teachers' Supper comes on Friday, March the sixth, at six-thirty o'clock.

We are asking Miss Phyllis Livezy's Department to prepare the supper.

The Office Staff has moved downstairs to the Vestry Room to be central for the whole school.

We are trying to give each class a room or a quiet nook for the teaching period.

Teaching will begin sharp at half-past nine and last until ten minutes past ten—forty minutes of undisturbed teaching.

Pupils will report directly to their classes. The teacher or pupils in turn will lead in a class prayer.

See the Class Prayer in this issue.

We are trying to arrange so that the Office Staff will not disturb any class for any reason during the teaching period.

It is understood as a matter of course and for the sake of efficient teaching that no teacher will use any of the forty minutes of teaching time for the discussion of extraneous matters—as for instance, Lenten plans for raising money, picnics, socials, weekday activities. These matters will be discussed either by meeting before half-past nine or following the Church School Service or after the Morning Service.

Mrs. N. L. Johnson becomes directing advisor of the Kindergarten and Primary and Intermediate Departments and has already met with her staff.

The extra school at the ten-forty-five hour is established. It is experimental, depending upon the response of parents.

We shall expect the Kindergarten Department to share once a month in the service now held in the Church.

Chairs will be arranged after the form of a Church. Pupils will sit as classes. Transsept chairs will form a choir. In time we shall hope for choir vestments.

Dr. C. F. Sladen, the Rector and the organist, Mr. Albert Eastwood, will attend in their vestments at the ten-ten service.

The school aims to start on time—half-past nine—and to conclude the teaching period absolutely on time—ten past ten. Will every parent help us correct the terrible tardiness?

We are considering the proposal that attendance pins should only be awarded to those pupils who not only attend but who are on time.

Let us establish a Church School morale during the Lenten Season.

CONFIRMATION INSTRUCTION BOYS AND GIRLS

Wednesday Afternoons
5.00 P. M. to 6.00 P. M.

The boys and girls who are thinking of Confirmation or who would like to listen to the instruction without deciding immediately about being confirmed will meet with the Rector at five o'clock on Wednesday afternoons during Lent, beginning Wednesday, February the eighteenth.

What is the age for Confirmation?

All depends upon the boy and the girl. Girls develop earlier than boys. The age of twelve is a good average age.

We make the mistake, sometimes, of thinking that Confirmation is the end of an experience. In reality, it is the opening of an increasingly rich experience that will continue throughout life. We should not expect that boys and girls will have our understanding of the Church and of Holy Communion. It would be a poor commentary upon our spiritual growth if that were true!

Confirmation places a boy or girl within a new and growing experience. It opens a new phase of life. Perhaps the most important factor in presenting a boy or girl for Confirmation is not the matter of age but whether the parents are confirmed and are loyal to the Church's services and especially to the Sacrament of Holy Communion.

THE EASTER OFFERING

The Church School has taken \$700.00 as its goal for the Lenten Offering to be presented Easter Day.

Mr. Martin Born, Miss Josephine Watt and Mr. William Pelletreau are the members of the committee responsible for the details of this offering.

The Parish is asked to put forth an unusual effort this year so that their Easter Offering may help us solve our financial problems.

WATCH THIS COLUMN

The Parish Reception was a delightful event. Mr. and Mrs. Johnson wish to thank the Parish for this cordial welcome and to thank especially the Dorcas Society and Mr. Frank B. Fulwider of the Vestry for carrying through the details with such thoughtful care.

The next issue of the "Chronicle" will be in your hands for Palm Sunday, bringing you news of our plans for Holy Week and Easter Day.

George Anderson has been reappointed a Lay Reader by the Bishop upon nomination by the Rector. Are there others?

Did you receive two copies of the "Chronicle"? We hope to correct our lists soon so that this will not happen regularly.

✠ ✠

A LUNCHEON

The Women's Auxiliary will hold a "Cover Dish Luncheon" on Thursday, February the twenty-sixth, at twelve-thirty o'clock.

✠ ✠

THE YOUNG PEOPLE'S FELLOWSHIP

Greece had her Demosthenes, England her Burke, but the Young People's Fellowship invites you to hear Mr. Blatz, Mr. Born, Mr. Eastwood and many others of our number, to prove to you that those orators of old couldn't hold a candle to the ones we have at St. Paul's. Come out, you young people, and take part in an hour of enlightening discussion on such topics as "World Peace," and "What Is a Christian?" Our meeting is from seven to eight o'clock on Sunday evenings.

The Fellowship would like to offer their appreciation to those parishioners and their friends, who helped to make our Valentine Dance of February sixth such a social and financial success.

JOSEPHINE ATKINSON,
Secretary

THE EASTER OFFERING

Parishioners of St. Paul's:—

Easter Day is peculiarly the day that Christians choose to express by their gifts their appreciation of the Christian Message.

It may be that they are drawn to do so because Lent and especially Good Friday have sharpened their vision of the price that Jesus paid to bless the world with His message.

There is another reason. Easter Day brings home to us the difference which it makes to all life's values to possess the hope of Immortality. Loved ones draw closer and life is transfigured as we live as those who shall be reunited with them in the Heavenly Father's Home.

Thus at Eastertide we are grateful—we feel the full force and eternal significance of the Christian Message. Our own happiness makes us wish that our Parish could reach many more people in our community so that they might share our message and be comforted. We think of lands where people live without any working knowledge of Eternal Life as we know it. We have a deepened desire that the Christian Message should mean more to many lives.

One symbol of our gratefulness and of our desire is seen in the overflowing Offertory plates on Easter Day. People give and do not stop to count the cost—joyfully presenting their gifts as their hearts prompt them and staying not to examine their gift in the presence of God. With their gifts go themselves and God recognizes and accepts these symbols of our love and consecration.

Not for many years has the Parish stood in greater need of financial support. Eleven months interregnum has depleted the treasury. We must move on but lamely both in Parish activity and in missionary support unless parishioners will pour out their gifts this Eastertide. May we not hope for an unusual demonstration of loyalty this year?

Faithfully Yours,

JAMES M. HAZLETT,
Accounting Warden.

AN EASTER CROSS

The Rector will present an Easter Cross to each member of the Church School at the nine o'clock Easter Service. These crosses will serve as beautiful markers for your Bible.

HOLY WEEK

We shall have four outstanding days in Holy Week.

Wednesday Morning at ten o'clock marks the last of our Lenten Week Day Communion.

The Church School will hold its final Lenten Service at four in the afternoon.

There will be no Evening Service.

Thursday Evening, known as Maundy Thursday, we shall gather to keep the Memorial of The Last Supper. This is a time when Confirmation Classes of past years gather to make their Corporate Communion.

Do you remember the year of your Confirmation? The pews in the middle aisle will bear tags marking the several years. Thus classes may sit together and feel again the unity of those days when they moved forward together to the altar rail to be confirmed.

Friday, known the world over as Good Friday, we shall gather at noon for the Three Hours of Meditation. The Rector will be the leader in our devotions. It is hoped that every member of the Parish will try to come for a part of the period to kneel within the shadow of Calvary's Cross. We are also asking the boys and girls of the Church School to attend the first hour. Offertory plates at the foot of the aisles enable you to present your gifts. Will those who attend try to enter and to retire during the singing of the hymns.

Friday Evening at eight o'clock there will be a Service of Preparation for those who plan to make their Communion on Easter Day.

Saturday, commonly called Holy Saturday or Easter Even, at four o'clock the Rector will baptise boys and girls, adults as well as the small babies. May we not hope that many parents who are not baptised will plan to be baptised that afternoon with their children?

YOUR EASTER COMMUNION CARD

You will find Communicant Cards enclosed. Additional cards may be secured at the rear of the Church. The Rector will greatly appreciate receiving your card. Place it in the Offering plate on Easter Day or in the boxes at the rear of the Church.

IMPORTANT

This publication is only possible so long as our friends in the business world give us their advertisements. Many will do that if they get results. The advertisements cover many needs of your household and business. Please look them over carefully, and whenever possible give them your patronage.

"I saw your advertisement in St. Paul's Parish Chronicle"—that counts with the tradesmen more than you think.

PARENTS

Is your boy twelve years old? Is he receiving the training that he should in order to become a good citizen?

Your boy may begin this training by joining the Boy Scouts of America. Scouting trains boys for all walks of life and offers them the greatest opportunities.

Lindbergh was a Boy Scout. A Scout went with Admiral Byrd to the South Pole. Two-thirds of those who took part in the National Edison Contest were Boy Scouts and a Boy Scout won the prize.

Among the subjects studied in scouting are the following: Aviation, Nature Study, First Aid, Personal Health, Swimming, Camping. Sea scouting is open to boys over fifteen years of age.

Why not come to the next meeting with your boy? We meet every Tuesday evening at seven-thirty. Let him see the Troop in action. The Assistant Scoutmaster, Mr. Raymond Siegle, 1427 Shunk Street, will be glad to come and talk scouting to you. Drop him a card or speak to the Rector.

Scouting is such a worthwhile experience. Its motto is "Be Prepared." Is your boy prepared?

RAYMOND SIEGLE,
Assistant Scoutmaster.

PARENTS—BOYS—GIRLS

Will you talk about the Three Hour Service on Good Friday in the home and plan to come with your boys and girls at least for the first hour? If we could make that hour something that families do together, how splendid it would be! And what more wonderful for a family to do together than to kneel within the shadow of Calvary's Cross?

If the day school functions on Good Friday, write a note for your boys and girls asking that they may be dismissed at a quarter before twelve. The spiritual life of your children is of at least equal importance with their intellectual life.

Let us make of Good Friday a day to be remembered amongst us for all generations. More and more the world is laying aside its business on Good Friday that it may meditate upon spiritual values. Let us help make this movement effective to the strengthening of lives everywhere, not least among boys and girls through whom the ideal can be made a reality in future years.

THE ANNUAL PARISH MEETING

The Rector calls the whole Parish to meet with him on Easter Monday evening.

There is much to consider: the financial position; the future programme; the election of Vestrymen; the reading of annual report from all societies.

Let us make it a real gathering of every supporter of the Parish. Every Communicant who is a regular contributor has a vote.

The Rector is asking the Dorcas Society to serve refreshments.

LENTEN MITE BOXES

So far as we know, every boy and girl received a Lenten Mite Box by taking it personally from off God's altar.

We have tried to do our part to impress upon your boys and girls the truth that their Easter offering in the Mite Box is their gift to God. We hope that the tiny box is receiving due respect in the home.

Since they received their Lenten Boxes from off the altar, so are these boxes of sacred significance. Our hope is that every boy and girl will return the box on Easter Day. It is more important that the boys and girls should return their Lenten Boxes than that they should be filled to overflowing with pennies. God lent them the box for a special purpose—that is what we have tried to impress upon them. We shall know that every boy and girl who returns his box has done his best and that his gift represents something of his love of Jesus. Thus it is that we shall not be as interested in the total offering as we shall be in the attitude of the boys and girls themselves. It is evident that parents who see our purpose can help us realize it. Will you help?

The Church School Service when we present our Lenten Mite Boxes comes at nine o'clock on Easter morning. Parents are very cordially invited to share with us in this service which will be held in the Church.

✢ ✢

AN EASTERTIDE DANCE

The Friday after Easter, beginning at nine o'clock, the Young People's Fellowship will hold the second of their yearly dances. The pre-Lenten dance was so ably managed that we expect great things for the Eastertide Dance.

THE CHURCH SCHOOL

Interest is growing in the Sunrise Easter Service at nine o'clock Easter morning for the Church School.

We shall meet as classes in the Church School. There with banners flying and with our Lenten Mite Boxes in our hands, we shall march into Church for our Easter Service.

The new choir of Church School boys and girls will lead our singing.

Mrs. Brandon is our Lenten Organist for the Church School Service on Wednesdays.

The choir is developing nicely under her direction.

Our Mite Boxes will be presented upon the altar on Easter Sunday at the Sunrise Service at nine o'clock.

Each boy and girl will personally place his or her Mite Box upon the altar.

How wonderful that will be! For each of us received our Mite Box by taking it off the altar and on Easter Day we shall offer our gift to God.

Our gifts will later be opened and counted by Dr. Randall Skillen's Finance Committee.

The boxes will then be burned rather than placed in the waste paper basket, thus ensuring that what we received from off the altar is treated with utmost respect.

Miss Hathaway's class has had perfect attendance for January and February.

Mr. Sladen and Miss Weintraub report perfect attendance for a Sunday in February.

We are glad to see boys and girls attending the Ten-forty-five Service.

May Scott kindly substituted recently. Mrs. G. Lawrence Schetky also substituted the second and third Sundays of March for Mrs. F. A. Goddard.

We welcome the following new teachers: Dorothy Larkin, Mary Elizabeth Simmons, Mr. and Mrs. Howard W. McComb, Mrs. F. A. Goddard.

✢ ✢

EASTER ENVELOPES

Enclosed with this CHRONICLE are the Easter envelopes for your family. Additional envelopes may be secured in the rear of the Church. We hope that every parishioner will present his personal gift this Eastertide. If you are planning to be away on Easter Day, do not fail to present your gift on Palm Sunday.

✢ ✢

SUNDAY EVENING SERVICES

will be continued through April and longer if the attendance is maintained. We have been doing wonderfully well—over fifty last Sunday evening. Let us keep up our interest through April.

THE PARISH CHRONICLE

HERE AND THERE

Miss Kathryn Warden kindly addressed the mailing list for the chronicle in February.

The Vestry discovered in the Annual financial report that the telephone cost the Parish ninety-five dollars in 1930! Feeling that the phone was not fulfilling a need, they ordered its removal.

We hope that those who receive altar flowers are careful to burn them where they have faded. When they have been upon God's Altar, they bear a significance which is sacred indeed. Please do not just throw them out with the ashes.

Parishioners may secure offering envelopes at the close of any service from the Vestryman on duty at the rear of the Church.

The Junior Vestry increased their group at the last meeting by electing Miss Josephine Watt and Mr. Fred Samuels.

Among other resolutions, the following was unanimously carried with reference to the use of the Parish House by boys and girls: "That all groups functioning in Parish House activities must be in charge of a Church member responsible to the Junior Vestry."

Have you seen the sign listing Parish House Activities? If you have a group desiring the use of the Parish House, please see Miss Betty Weintraub so that we may avoid conflicts.

Mr. and Mrs. Robert F. Jenkins have transferred to us from the Church of St. Luke and the Epiphany. We welcome them to our Parish.

Mail returned for Freeman Reeser and Mrs. James Livesley, Jr. Does anyone know their present address? Please tell the Rector.

The Church School Staff is planning a Card Party of Bridge, Five Hundred and Pinochle some time after Easter to raise money for the annual picnic of the Church School and a special picnic for the teachers and officers.

We hope that the whole Parish will support us.

On all sides, we hear great reports of the Cantata on the fifteenth. Our congratulations to Mr. Beck and his loyal choir.

Did you send in your subscription for the CHRONICLE last month? If not, will you use the enclosed envelope for your gift?

Bishop Tait comes for Confirmation on Sunday evening, May the tenth.

We hope that many adults are thinking of being confirmed and that they are attending the sermon instructions.

There are some twenty-five boys and girls attending the Wednesday instructions.

GOOD FRIDAY THE LITTLE TOTS

Miss Betty Weintraub, assisted by the Superintendents of the Kindergarten and Primary Departments, Miss Mildred Leuthy and Miss Phyllis Livezey, will hold a service in the Parish House for the pupils of these departments from twelve to one o'clock on Good Friday.

Hymns and prayers and Stereopticon slides telling the story of Holy Week and Easter will make an interesting hour.

We hope that many mothers will plan to come with their boys and girls, leaving the very little ones to share in the Parish House Service while they attend the first hour of the Three Hour Service in the Church with their older children.

† †

DORCAS SOCIETY

The holy season of Lent is fast drawing to a close and Eastertide, the queen of festivals, will soon be here. The Dorcas Society has been very busy during the Lenten season and have many plans for work to be done after Easter. We, in conjunction with the Auxiliary and Altar Guild, have been giving a series of Cover Dish Luncheons. These luncheons have been very well attended and successful in a financial as well as social sense, the ladies of the three societies working together very harmoniously and happily. Thursday, March 26th, the Dorcas will hold their Cover Dish Luncheon. I do not know whether this paper will be in your hands before this date or not, but hope that it will. This will be the last of our activities until after Easter.

We have planned a Card Party to be held in the Parish House on Friday evening, May 1st. Tickets are fifty cents and may be had from any member of the Dorcas Society. We are also giving a luncheon at Fuhrman Inn, on Thursday, May 21st. This seems a long time ahead, but these luncheons are so popular that the dates are booked far in advance. We have reservations for sixty ladies and want all our members and friends to support us in this undertaking and also enjoy a very good luncheon. The tickets are fifty cents and any member of the Dorcas will be glad to supply them. You can see we are a very busy society but it is not all work and no play, by any means, as we have very enjoyable social evenings on the first Monday of each month and also some impromptu ones besides, especially Monday evening, March 16, when we had a "St. Patrick's Party." Despite the inclemency of the weather we had a very good attendance and every one present had a good time.

WE THANK YOU

So we all say to Mr. Louis Beck, our organist and choir director and to the members of the choir because of their unusual musical programme this Easter tide. The full attendance at six o'clock with the beautiful rendering of the choral communion service more than thrilled a large body of worshippers. Then the later service of morning prayer and Holy Communion discovered an appreciative congregation remaining until the close of the service to enjoy the unusual programme of sacred music.

NUMBER 4

THE RECTOR'S ANNUAL REPORT

To the Parishioners of St. Paul:

Your Rector, in presenting the Rector's Annual Report, draws attention at the outset to the fact that the present administration came into effect the first of January and that the report, therefore, becomes necessarily a review of months previous to the new year.

Upon the resignation of the Rev. Stanley V. Wilcox as Rector, the vestry engaged the leadership of the Rev. Audrey Gilmore as rector pro-tem. Mr. Gilmore continued in charge to the close of 1930. The Parish and vestry appreciate his consecrated interest during months of inter-regnum which always means a certain unrest.

Of real interest is the manner in which the several societies carried on during this period. Effective leadership in the Dorcas Society and the Women's Auxiliary guaranteed the continuity of their work—the same may be said of the Altar Guild. We cannot speak with too great appreciation of the leadership of Mr. Louis Beck in maintaining the morale of the choir. Leader and singers have co-operated wholeheartedly through the year to such a degree that the services of the Church have been rendered with dignity and beauty. High praise ought also to be given to Dr. Charles F. Sladen for his constant service of leadership in the church school during this same period of disorganization. Mr. Raymond Siegle as active leader of the Scout Troop and the Misses Anna Wallace, Mildred Leuthy and Phyllis and Elva Livezey as leaders of the younger girls have contributed with remarkable success to the interests of our boys and girls.

Since January the Parish has seen some return to the splendid responsiveness of Rev. Wilcox's administration.

The several societies have continued their work; the congregations are growing; the vestry has been meeting regularly each month.

The vestry elected Dr. J. Randall Skillen to complete the term of the late Mr. Livezey. The fiscal year has been changed from Easter to the thirty-first of December. The Chronicle is now being

mailed to every church family including church school families. The junior vestry has taken over the financial records of pledges.

Easter has come and gone. Our services were largely attended. Reports of finances will be presented at this evening's meeting.

The summer period opens. Then the autumn and the opening of another year of effort in behalf of the kingdom of God in this Parish. We shall hope to give ourselves to the task and expect to accomplish great things for God through our consecrated efforts.

CONFIRMATION

Bishop Taitt visits our Parish for Confirmation on Sunday evening, the tenth of May.

Classes for boys and girls will continue on Wednesday afternoons through April and the first week of May.

The sermon periods also will deal with subjects related to confirmation preparation for adults. We shall hope that those of mature years who are thinking of confirmation will speak to the Rector at once.

THE EASTER FLOWERS

The following members of the Parish co-operated to beautify the altar on Easter Day by gifts of flowers and potted plants. The Altar Guild expresses the hope that the list is accurate and would like to know if any names have been omitted.

PRESENTATION SERVICE

The seventh annual service of Thanksgiving for the presentation of the Lenten Missionary offering of the church schools of the South Philadelphia Convocation will take place on Sunday afternoon, April 26, at four o'clock in the church of the Holy Apostles, 21st and Christian Streets.

Two Bishops will be the speakers, our own Bishop Taitt and Bishop Gilman of China.

We shall hope that a very large delegation of our boys and girls will attend this service. Our Junior Choir will wear their vestments and march in the procession.

All those who care to meet at our Parish House at half-past two may march with the Rector to the service. We shall go along 15th Street to Ritner, down Ritner to 21st Street and thence along 21st Street to the Church of the Holy Apostles—others may prefer to go direct to the church. The important matter is to try to attend this great service of church school scholars.

CONFIRMATION SUNDAY EVENING, MAY 10TH

THE ANNUAL PARISH MEETING

We made a good start Easter Monday evening in our first annual Parish meeting. A member of the vestry remarked, in presenting the Budget, that this was the first real gathering in ten years of Parishioners called to consider Parish affairs. We shall develop the plan further another year.

Reports were offered from the several societies. The Rector presented an annual report. Election of vestry men resulted in the re-election of the four retiring vestry men.

The Budget for 1931 was accepted with the following changes: The organist's salary and the Sexton's salary were raised to \$800 and \$1400 respectively to become effective September the first. An item of \$300 was included for music and another item of \$65 for the choir picnic. The total budget amounts to \$8266 and is detailed as follows:

BUDGET FOR 1931

Pensions	250.00

A SPECIAL APPEAL

Mr. Eugene F. Gillin, who presented the Budget for 1931, at the annual Parish meeting, drew attention to the deficit of 1930, amounting to \$1305. This amount comprises two items—coal, \$975; diocese, \$330.

Mr. Frank F. Fulwider of the vestry presented a plan for taking up this deficit. He suggested that a letter and a pledge card be sent to every Parish family drawing attention to our desire to clean up outstanding bills of 1930.

Parishioners will be asked to make a special pledge payable by the end of June, if possible, but later if necessary. These pledges may be mailed to the Rector or placed in the offering any Sunday—special envelopes will then be mailed to those who pledge to help us.

This plan was adopted by the meeting and will be put into effect through the Junior Vestry immediately. We hope for a generous response from the whole Parish.

+ +

THE EASTER ALTAR

We shall not soon forget the lovely Easter altar. The sanctuary and choir as well as the chapel and baptistry were beautiful, due on the one hand to the many memorial gifts of Parishioners and on the other to the artistic touch of Mrs. Florence McGowan and the members of the altar guild. The Chronicle but expresses the feeling of every member of the Parish in most heartily thanking the altar guild for their contribution towards a beautiful Easter Day.

CHURCH SCHOOL

Verna Dietz and George Lindsay are recovering splendidly.

Miss Caroline Halfpenny is back again after the flu.

The Sunrise Service on Easter morning brought out 220 scholars and teachers.

The beautiful service in the church was stirring indeed.

We congratulate Miss Mildred Leuthy's kindergarten department upon their anthem.

Everyone is beginning to think of the annual picnic.

We plan to have a picnic just for the teachers and officers in addition to the church school picnic.

Dr. Randall Skillen reports that the Easter offering of the Church School through the mite boxes was \$382.70.

This leaves but \$117.30 to pay on our Missionary apportionment of \$500.

We are happy to welcome back Mrs. F. A. Goddard who has been ill some four weeks with the flu.

Mr. Eugene F. Gillin's encouraging commendation of the Church School at the Easter annual Parish meeting should hearten every teacher and officer.

We are glad to announce that Mr. Gillin is reorganising the Young Men's Guild.

+ +

TWO IN ONE

Summer is coming! Which probably means that many of our people will be away from the city.

Expenses continue throughout the summer. The church remains open and our overhead of \$500 per month must be met.

Will every Parishioner co-operate in the following plan? During May and June place two envelopes in the offering each Sunday and thus pay your pledge envelopes of July and August before you go away for the summer.

The result is interesting. Your church can meet its debts on time and pay its salaries; we shall not have to borrow and thus will escape interest charges; you will return in September without having an accumulated pledge to pay at the church, it will mean a most comfortable position for our church finances to be in as we open the fall and winter activities.

Will you not join the Two-in-One Club by doubling up on your church envelopes during May and June 7.

SUNDRY NOTES

The following have presented their letters of transfer and thus associate themselves more closely as Parishioners of St. Paul's: Mrs. Elizabeth Simpson Lockhart from the chapel of the Mediator; Miss Margaret MacDonald from Gloria Dei. We welcome them.

The following mail has been returned: Mr. and Mrs. Robert Miller, Mrs. Mary Renshaw, Phyllis W. Lowe, Robert Hogan. Please inform the Rector if you know the new addresses.

All the women of the Parish are invited to the service on Thursday morning, April 30, at half-past ten o'clock.

Shall we continue to see some of those who attended our Easter services?

The Diocesan Convention opens on May 5. All are welcome to attend the opening service in Holy Trinity at 9.30 A. M. on Tuesday, May the 5th.

Our delegates to the convention are as follows: Thomas S. Boyle, James M. Hazlett, Eugene F. Gillin.

Our alternates are as follows: Herbert S. Edkins, Dr. J. Randall Skillen.

Bishop Taitt advises the Executive Committee of the Diocese that he will not ask for an assistant at this time.

Let us give him a royal welcome the evening of Sunday, May the 10th.

The Bishop has expressed a wish that every Vestry man should attend this service so that he may meet the executive officers of the Parish following the service.

We were delighted to have Mr. George Anderson assisting us in the Easter services. We shall hope to have him occupy the pulpit one of these days when seminary studies are over.

We shall hope that another of our boys will soon be indicating his desire to enter the ministry.

With Spence Dunbar in deacon's orders and George Anderson doing fine work in the seminary, we should be looking about for some outstanding young man to follow in their footsteps.

The Rector was delighted to have his Father assisting him on Easter Day.

Do not forget the Dorcas Society Card Party in the Parish House on Friday evening, May the 1st, at eight o'clock. Tickets are fifty cents.

Reservations for the Dorcas Luncheon at Fuhrman Inn on Thursday, May 21, are coming to the secretary. The space is limited. See Mr. Robert Skillen very soon.

The Chronicle is now mailed to every home in the Parish, including Church School families not otherwise attached to the Parish. May not the increase in our congregations be partly accounted for because of this departure? If you have not subscribed to its maintenance, will you not place the enclosed envelope in the offering this week?

Mr. Robert Skillen reports an Easter offering to date of \$936.37.

We shall continue the Sunday evening services through May the 10th, and longer if the attendance seems to warrant it.

You may become a regular subscriber towards the support of the Parish by securing envelopes from Mr. Fulwider at the rear of the church after any service.

+

THE VESTRY

The following were elected to the Vestry for a three-year term at the Easter Monday Parish meeting: Mr. Thomas S. Boyle, Mr. James M. Hazlett, Dr. Charles F. Sladen and Mr. John Aikens.

The following continue as members of the Vestry, 1932: Mr. Herbert Edkins, Dr. J. Randall Skillen, Mr. Samuel J. Buck and Mr. Frank F. Fulwider. 1933: Mr. James Aikens, Mr. Eugene F. Gillin and Mr. Robert Skillen.

Mr. Wesley E. Scott resigned in February, in view of his removal to a suburban Parish. The Vestry hoped that Parishioners would post nominations in the Church Porch on Passion Sunday, so that the annual Parish meeting might proceed to the election of a successor to Mr. Scott. Following nominations, the election according to the by-laws reverts to the Vestry at their next regular meeting.

+

LIGHTS OUT

The Vestry asks us to co-operate in trying to reduce the cost of electric lighting in the Parish House. It is claimed that the teachers of organizations meeting during the week sometimes forget to switch off lights in rooms not in use. Perhaps we all could take the problem upon our minds and develop the habit of being economical in our use of the lighting facilities.

WHAT SHALL WE WEAR?

So the girls and some of the boys are asking with reference to the Confirmation service.

We shall wear what ordinarily we wear any Sunday when we come to church or church school.

Some of the girls wish to wear new white frocks. So they may, but it is not necessary to go to all that expense. Some girls wish to wear veils or little white head coverings. So they may, but, again, none of this is obligatory.

Just so long as we are clean and our suit or dress is brushed and tidy, we shall be quite acceptable.

Our Heavenly Father will not even notice our clothes. He will be looking into our hearts and hoping that Confirmation will mean wonderful things to our lives. What a calamity if we were so dressed up that all our thoughts were of how nice we looked and we should entirely forget to think of God!

"I saw your advertisement in St. Paul's Parish Chronicle"—that counts with the tradesmen more than you think.

EPISCOPALIANS

There is a list of new members of the Episcopal Church in this issue. Our recent confirmation extended to quite a group the privileges and responsibilities of membership.

Among the responsibilities is that of supporting the work of God through St. Paul's Parish.

We hope that everyone who was confirmed on May the tenth, will sign a pledge card, using the one in this issue of the Chronicle. Would it not be splendid if we could report in the June issue that everyone has responded?

Each new member ought to pledge and have his own envelopes. Do not be satisfied because the family pledges. You have your personal responsibility. There is a satisfaction which comes of placing your very own envelope on the plate as evidence that you are accepting the responsibilities of membership.

There may be some who for a long time have been attending St. Paul's. Do you give regularly? If not, will you also sign the pledge form below and place it in the offering plate next Sunday?

† †

Do not forget the Vestry's request to turn out all unnecessary lights in the Parish House.

HAVE YOU SENT IN YOUR SPECIAL PLEDGE—DO IT NOW

ITEMS OF INTEREST

In the list of those who so kindly gave memorial flowers for the Easter Altar, the following should have been included: The Misses Ball, and Mr. and Mrs. Blatz.

We are glad to announce that Mrs. A. J. Wallace is able to be out once more. A right royal welcome we shall give her at the Dorcas.

Mrs. Madeline Watt is active again after what might have proved a very bad accident.

The Vestry elected the following at the last meeting: Mr. A. J. Wallace, Mr. Thomas A. Dunbar.

We now have a complete Vestry once more and shall hope for great things when the autumn programme opens.

Do not forget to join the "Two-in-One Club" by placing two envelopes in the offering each Sunday during May and June.

Mr. Bruce Edkins and Miss Mildred Leuthy represented us at the Y. P. F. Convention held in Baltimore on May the second.

The Women's Auxiliary greatly appreciates Mrs. A. J. Brandon's service at the organ the morning of the Thank Offering Service.

Fifteen thousand dollars comprised the gift of the Women's Auxiliary of the Diocese presented upon our altar at this service.

We shall hope that our Parish appeal for a special offering of \$1300.00 will be as worthily supported.

Why not memorize the Communion Prayers appearing upon the front page of this issue? Once learned, you will be more definite in your approach to the altar.

The Rector will be glad to confer with those who wish to learn of summer camps for boys and girls.

An envelope appears with this issue to enable you to support the Chronicle. If you have not responded, will you do so now? This is the last appeal before summer.

† †

DANCE—MAY 22nd

The final dance of the Young People's Fellowship comes on Friday, the twenty-second. The best of orchestras is promised. A good committee is furthering the project. We shall plan upon the largest crowd of the year.

FINAL LUNCHEON

The Dorcas Society will hold its final luncheon at Furhman Inn on Thursday, May 21st. Since space is limited, those interested ought to see Mrs. Robert Skillen immediately.

You may be living very near one or more of these new people. Why not run in to see them and let them know that you also go to St. Paul's Church? Be neighborly.

Dear Mr. Johnson:

I want to thank you once more for the beautiful service on Thursday. For the United Thank offering. It all went so smoothly and you had arranged everything for our convenience and benefit, including the music and leaflets. The ladies all wanted me to tell you of their appreciation too. Didn't we have a splendid offering? We shall always be able to remember our largest presentation was at St. Paul's.

Yours very sincerely,

EMILY NORRIS INGERSOLL.

MR. AND MRS. JAMES A. AIKENS

We regret most sincerely the decision of these old parishoners to transfer their membership to Highland Park.

In accepting Mr. Aikens' resignation as a member of the Vestry, a motion was unanimously passed reflecting the appreciation of the Parish for all that Mr. and Mrs. Aikens have meant to us through many years. We know that the Church of the Holy Sacrament is fortunate to have them as Parishoners.

CHURCH SCHOOL NEWS

Next month comes the Annual Picnic at Willow Grove.

We all regret Miss Betty Weintraub's removal to West Philadelphia.

Miss Elizabeth Cole took over the leadership of Miss Weintraub's class on May the third. Thus the class continues its work without a break.

Mr. Raymond Phillips and Miss May Scott substituted for teachers on May the third. Which reminds us to say that we hope all teachers will notify the Rector when they cannot be present. It is a pity to leave the class in the lurch.

Miss Caroline Halfpenny's class has had perfect attendance since the first of January.

Mrs. G. Lawrence Schetky took charge of the Kindergarten Department on May the third in the absence of Miss Mildred Leuthy.

We are glad that Miss Eleanor Francois is well again.

D. Skillen reports the Lenten offering of the Church School as \$395.00—a splendid result, an average of two dollars a pupil!

Our Church School Choir, small as yet, was well represented at the presentation service in the Church of the Holy Apostles.

Six more Sundays of education then there comes a long vacation for teachers, officers and scholars. But of course we shall remember when our school meets in September to return in clean, fresh collars.

† †

THE EVENING SERVICE

We shall discontinue the Evening Services following the Memorial Day Service on the evening of May 24th. We shall resume the Evening Service in October.

A NOTICE OR TWO

Enclosed in this issue is a final appeal for support of the Chronicle. If you have not helped, will you use this envelope soon?

Spence Dunbar will soon be advanced to the priesthood.

Bishop Taitt sails for two months' holiday in Europe at the end of June.

Have you joined the Two-in-One Club? We have paid \$400.00 of our \$500.00 apportionment to the General Church.

The boys' and girls' Easter offering made this possible!

The Rector was the guest recently of George Anderson at the Philadelphia Divinity School. The professors had good things to say of him and of his work.

The Rector attended all the sessions of the Diocesan Convention.

Please remember that the hassocks in the church are there to kneel upon. Some of us are using them for a foot-rest!

Could we try to place the books in the bookrack? The Church would look much more orderly.

George Smith is very faithful as our Crucifer. We shall hope to organize a larger group in the Fall.

REV. STANLEY V. WILLCOX
JUNE 13

The Reverend Mr. Willcox is to be our guest and preacher the Sunday morning of June the thirteenth. Those who were confirmed a year ago in the last class before his departure will receive their Confirmation Certificates at the time of the notices in this service. Let us plan to give him a most hearty welcome.

THE SUMMER MONTHS

Someone has sought to urge attendance at religious services during the summer months by arguing that the devil never takes a holiday. It is a poor argument.

Church-going is a privilege. We are broad enough, surely, to realize that failure to attend church is not a sin, but rather the neglecting of an opportunity both to derive benefit for ourselves and to contribute by our presence not only to the worship of God, but to the enthusiasm and interest of others.

We can worship God in the quietness of our own home or beside the ocean. But will we do so? The slowing down of life's many interests during the summer presents a real chance to spend quiet times in the presence of God. Many of us will do so, some of us beside a lake, others in a church. How beautiful those wee countryside churches are! We are the better for sharing in the services. Still others will be in the city and within distance of St. Paul's. The morning services will be but an hour. Let us attend out of a sense of privilege, rejoicing in the opportunity which is ours to sit peacefully and to kneel quietly in the presence of God.

† †

THE USE OF THE CHURCH

The Rector discovers that some of our parishioners do not know that the church is at their disposal for the service of burial at any time. There is no charge. All one needs to do is to ask for the privilege of using the church.

No place is quite so fitted for such a service. The casket may be brought to the church before the service and all things arranged in due order. The family may meet in the Parish House and enter the church by the side door, taking their places in the front pews. They may leave in the same way.

The church is large enough to hold all those who may wish to attend the public service. The family may have a private service in the home before the casket is taken to the church. The casket may be opened in the porch of the church following the service.

Many a service of burial would present fewer problems if such a course were followed. The Rector hopes that many will give the place earnest consideration.

THE SPECIAL APPEAL

The returns from the "special appeal" for thirteen hundred dollars with which to clear off old outstanding debts keep coming in to the Rector. At the present writing we have \$650.00. We have also a pledge of two hundred dollars conditional upon the fund reaching one thousand dollars. That is a real incentive.

The following are among those who have responded: Mrs. Olive P. Doughty, Mr. and Mrs. J. Hare, Mrs. Mary K. Ringwalt, Mr. and Mrs. F. B. Fulwider, Mr. Charles H. Fulwider, Mr. and Mrs. A. D. Woodhull, Miss Laura Henzler, Mr. and Mrs. Horace Vondran, Mrs. A. E. Burns, Mr. and Mrs. James M. Hazlett, Mr. and Mrs. M. J. Crean, Mr. and Mrs. J. M. Gibson and family, Mr. Thomas A. Johnston, Mrs. Edna K. Hughes, Mrs. Georgina Kampen, Mr. and Mrs. John Dunn, Mr. and Mrs. Robert Solts, Jr., Mr. and Mrs. Charles M. Hazzard, Mrs. Elizabeth Macpherson, Mr. and Mrs. James Phillips, Mrs. E. Blanche Conner, Miss Linie H. Oldham, Mr. and Mrs. J. T. Kershaw, Mrs. Elizabeth R. Donovan, The Dorcas Society, Mr. Thomas A. Glasgow, Mr. and Mrs. Robert J. Skillen, Mrs. Sarah L. Hodgson, Mr. Harry E. Hodgson, Miss Anette Engell, Mrs. Annie G. Engell, Mr. and Mrs. John Aikens, Mr. and Mrs. Alexander J. Wallace, Miss Anna T. Wallace, Mr. Benjamin O. Matlack, Miss Josephine Watt, Mrs. M. Madeline Watt, Mrs. Florence M. McGowan, Mr. and Mrs. James Hincken, Mrs. Clara E. Richards, Mrs. Mary L. Roberts, Mrs. S. Christy, Mr. and Mrs. F. A. Goddard, Mrs. G. E. Eaton, Miss Ernestine M. Laughlin, Miss Susan Brice, Mr. and Mrs. Thomas A. Dunbar, Mr. and Mrs. W. J. Smith, Mrs. Mary Russell, Mr. William Williams, Jr., Mrs. Ellen Wiedemer, Mr. and Mrs. James V. Hazlett, Miss Annie S. Christie, Mrs. James Murphy, Miss Mildred Wager, Miss Ida Wager, Mr. Raymond J. Phillips, Mr. and Mrs. Samuel Gerhart, Miss S. Reba Jaquillard.

May we not hope that many others will remember to send their gifts and pledges to the Rector as soon as possible? These are hot days, indeed, but your Vestry is still facing that great coal bill of \$975.00! Let us clear it off before cold weather returns.

THE ILLUMINATED CROSS

We shall hope to be able to finance this project by the month of October. Your Vestry has in mind the possibility that such an illuminated Cross would help to draw attention to our location and to build our evening congregations. Miss Laura Henzler has kindly consented to be treasurer of the fund and will be pleased to hear from you.

ATTEND YOUR CHURCH DUTIES DURING THE SUMMER

THE MARRIAGE SERVICE

It seems worth while to make a few suggestions in view of the many questions asked of the Rector with reference to details of the Service of Matrimony.

The church is the best of all places in which to be married. It is wise indeed to surround the marriage service with all that can help to emphasize its sacred character. While the Rector will perform the ceremony in the home, he prefers not to do so.

The use of the church is without charge. Every parishioner may have the church opened for any service of the church. All one needs to do is to make a request.

Many people enclose in an envelope a gift for the sexton which is presented to him by the Best Man. This is not obligatory, neither is it in the nature of a charge. It is, however, a most graceful act of courtesy and the Rector hopes that parishioners may find a pleasure in continuing the tradition.

Several have asked what the clergyman's fee is. There is no fee. The custom is to make a voluntary gift representing one's pleasure in having one's Rector officiating at the service when such gifts are offered. The groom's attendant presents the gift to the minister in an envelope. No one need feel that this is obligatory.

The Rector does not marry people at his home. He does not wish to provide witnesses to any marriage. He also takes the stand that he wishes to officiate only at such marriage services in which he knows at least one of the parties to the marriage. One or other family should be affiliated with the parish.

The organist is available for all services. Since he is remunerated only for his work as organist and choirmaster, it is necessary to engage him for the marriage service. The groom ought to see him just as soon as he has arranged the date of the marriage with the Rector and will contract with him at that time as to his charge.

Rehearsals are important if the wedding is of any proportion. The wedding party will remember that the rehearsal is taking place in the House of God.

Those who care to use the Parish House for a reception following the church service may do so by arranging with Mr. Frank B. Fulwider, of the Vestry. A charge will be made for this privilege.

A SUGGESTION

Many are the expenses involved in a funeral. No one realizes more than the Rector how great a problem it is to meet them. He takes this opportunity to suggest that it is not at all necessary to provide him with a special automobile in which to ride to the cemetery. This is an unwarranted expense. He would prefer to ride with the members of the family or with any group according as there is room in one or other of the automobiles.

† †

REVEREND SPENCE DUNBAR

Those of us who were privileged to attend the Ordination Service in Old St. Peter's Church on June the first were deeply impressed. Four men were ordained Deacons and three were advanced to the Priesthood.

Our greatest interest, of course, was in the Reverend Spence Dunbar, of our own Parish. Mr. Wilcox must have felt a real joy in presenting one who had grown up during his ministry at St. Paul's.

We congratulate Spence and wish him every blessing in his work for the Master. We also congratulate his parents whose consecrated lives have recommended the ministry to their son and whose devotion has made possible the offering of a son to the Christian Church.

HAVE YOU PAID UP PLEDGES BEFORE SUMMER?—BE SURE TO

ITEMS OF INTEREST

Are you remembering to place two envelopes in the offering each Sunday?

The Dorcas Society entertained the South Philadelphia Convocation on Tuesday, the twenty-sixth of May.

Many universities and divinity schools are holding commencements and class reunions. Our Rector attended his class reunion at the Cambridge Seminary, Cambridge, Mass., on June the eleventh.

The Rector was recently one of the judges in the Reading Contest at the Philadelphia Divinity School.

He also spoke at the Memorial Day exercises at the Barrett School on the twenty-seventh.

St. Mark's Church, Frankford, and St. Paul's Church, Pitman, N. J., the summer church of several of our parishioners, are starting chapters of the order of Sir Galahad for boys.

Our Rector has accepted an invitation to preach the Coronation sermon on June 14th in the evening at the former church.

The Reverend Stanley V. Wilcox comes as our guest and preacher the Sunday morning of June 14th. Let us give him a real welcome.

Those who were confirmed in the last class presented by Mr. Wilcox will receive their certificates at this service. Be sure to attend.

The Rector will be preaching in Chester that morning.

† †

THE CALLING

The Rector has made many, many calls since January, but he is far from the goal of having called upon every family in the parish. The sick and the shut-in and the bereaved have a first claim on his attention. It is hoped, however, that in time every home will be visited. Parishioners will realize that this will take time, but they may be assured that they are not being overlooked.

† †

Additional Special Appeal—Mr. and Mrs. James D. Hill.

† †

ARE YOU PLEDGING?

We cannot report a complete response from the recent Confirmation Class. Perhaps when you read this you will make out your pledge and place it in the offering plate next Sunday morning.

THE ANNUAL PICNIC

Saturday, June 20th

We go to Willow Grove. Our position is Row Five.

We leave the Parish House by street cars at 8.30 A. M.

We leave the Grove at seven o'clock.

Be sure to bring your lunch and a cup or glass.

Mr. Eugene F. Gillin has kindly consented to be director-in-chief of this year's picnic. He will be responsible for all decisions.

He will be assisted by the following: Mr. Raymond Siegle, in charge of the races; judges of the races, Mrs. T. S. Boyle, Mr. Eugene Gillin; announcer of the races, Mr. Alfred Wager; in charge of morning baseball, Mr. Fred Blatz and Ernest Hiehle; in charge of peanut hunt, Josephine Watt and Dorothy Pelletreau; coffee and milk booth, Mr. E. F. Gillin and Mr. George Voss; distribution of oranges, Mr. Thomas S. Boyle; amusements, Mr. Thomas S. Boyle; street cars, Mr. E. F. Gillin and Mr. Voss; in charge of tables, Alfred Wager; police, Helen Ferguson, Elva Livesy; morning games for little ones, Dorothy Pelletreau, Gettine Estes.

Mr. and Mrs. Thomas S. Boyle are very kindly supplying us with milk and oranges and the prizes.

We hope that many parents will come, either in the morning or the afternoon.

The transportation is free to all pupils, teachers and officers of the Church School.

All others will pay fifty cents if they go by the cars.

Cars leave at 8.30 A. M. Be sure to be on hand by 8.15 A. M.

THE NEW PRESIDENT

Dr. Randall Skillen, retiring president of our Young People's Fellowship, has brought us additional honor by being elected president of the South Philadelphia Convocation of the Young People's Fellowship. We congratulate him and ourselves as well.

CHURCH SCHOOL NOTES

Mr. Alexander J. Wallace and Mr. William Pelletreau helped us as substitute teachers on May the twenty-fourth.

Church School will close the Sunday of June 14th.

The opening session in September will be the thirteenth, the second Sunday of the month.

Miss Caroline Halfpenny's class is to be congratulated upon a perfect attendance record since the first Sunday in January.

Be sure to read about the picnic plans in this issue.

We are planning to grade the Church School for the opening in September.

We shall also hold our closing service each Sunday in the church.

Do not forget to make your Communion each first Sunday of the month during July and August, either at 7.30 or 10.45 o'clock.

Miss Eleanore Francois is designing a reredos for the Kindergarten altar. We shall use it when we open in September.

A parishioner, Mrs. Wiley, is presenting us with a piano for the use of the Kindergarten Department.

† †

MAIL RETURNED

Does anyone know the new addresses of the following whose mail has been returned to the Rector?

Mrs. Robert Hoffman, 2529 South Cleveland Street; Mrs. Martha Hubbard, 2132 Shunk Street; Miss Elsie M. Lee, 2545 South 12th Street; Mrs. Anna McNeil, Mrs. Raymond McNeil, 2532 South 17th Street; Mrs. Ida McCloskey, 2633 South 12th Street; Miss Florence Struck, 2330 South Rosewood Street; Harry Koch, 1421 Arch Street; Alberta Lane, 2228 South Garnet Street.

† †

THE DORCAS SOCIETY

We congratulate the Dorcas upon their gift of fifty dollars to the special appeal. We also rejoice to learn that the proceeds of the Strawberry Festival will be devoted to the same purpose.

† †

CO-OPERATION

The Young Girls' Guild is giving the entertainment features at the Strawberry Festival of the Dorcas Society. This is a fine spirit. Co-operation in parish activities means harmony and success. Let us help each other grow in strength and in numbers.

RELIGIOUS EDUCATION

Some people call the organization a Sunday School. Others call it a Church School—names do not matter very much if our purpose is clear. What is our purpose?

First and always our purpose is to educate. In this instance we educate in religious values. We do so by two ways of approach by sharing knowledge; by leading the pupil into self-expression. A great educator has said that there can be no impression without expression. Thus while we share knowledge, give information and use Teachers' Manuals, behind all this plan lies the deeper purpose of character building. What a child hears is not his until he puts it to use. Thus our purpose first and always is to educate, to draw forth, from the pupil his own reactions to the universe both physical and spiritual in which he is living, to get at his philosophy of life and then to broaden his vision through richer forms of self-expression.

Thus we grade our school this fall just as the Public School is graded. If your child were to return from Day School this fall declaring that there were sixth grade girls associated with her in the eighth grade, you would be visiting the principal the following morning, and rightly so. For your child ought not to be in an intelligence group of sixth grade standing. It means that she is being deprived of her educational privilege. It is for this reason that we are grading our Church School—to avoid just such a protest from parents who value religious education for their children.

We shall gradually increase the number of grades, combining handwork with informational teaching. The Day Schools are a long way in advance of the churches in this respect. What wonderful creations your children bring home from their schools! We plan to apply this method in our Church School, teaching through the eye and the hand as well as through the ear.

We shall also diversify the subjects presented in our curriculum. A pupil should graduate from an Episcopal Church School with a fairly rich fund of knowledge. He ought to be familiar with the life of Jesus, he ought to know the range of Old and New Testament history, he ought to know his Bible, he ought to have followed the progress of Christianity, he ought to have studied the

story of Christian Missions, he certainly ought to be conversant with the history of his own Church, its Prayer Book, its creeds, its ritual, he ought to have followed a simple course in Christian Ethics.

What a lot there is to know! What thrilling courses may be introduced! What a standard of accomplishment challenges us! We shall make a beginning this year, laying our foundations slowly and carefully and always with the underlying purpose that the business of a Church School is to educate.

Much else we have in mind but space fails us. Suffice it to say that we also plan to take the whole school into Church every Sunday. Church School begins at nine-thirty. Until ten minutes past ten the pupils will be in their classes. Then a service in the Church—a shortened form with sermon, offerings, hymns and prayers. Thus once more we shall educate by holding our services amidst the beauty of God's Holy House. Reverence, praise, prayers and a love of the Episcopal form of worship will be among the results.

What a paltry few hours in the course of a year we give to the religious education of our children—something like fifty hours a year! How dreadful it is! Let us, at least, make the most of our opportunity small as it is by co-operating wholeheartedly in the plans for this winter's work in our Church School.

CONFIRMATION

Bishop Taitt will visit us for Confirmation on Sunday evening, December the sixth. We shall not have another Confirmation until December of 1932.

The Rector is particularly interested in presenting a large group of adults this coming December. He has discovered at least twenty adults in his Parish calling who are thinking of attending the autumn classes. Announcement of the days and hours of these classes will appear in the next issue.

Boys and girls will also be presented in December. There are a dozen or more who are eligible. Others will appear in the fall.

If we could build up a class of forty for December's Confirmation, our Parish would be greatly strengthened.

IMPORTANT

This publication is only possible so long as our friends in the business world give us their advertisements. Many will do that if they get results. The advertisements cover many needs of your household and business. Please look them over carefully, and whenever possible give them your patronage.

"I saw your advertisement in St. Paul's Parish Chronicle"—that counts with the tradesmen more than you think.

NEW FACES

Parishioners come and go. For a while they serve the Parish, then duty calls them to new fields. We shall miss several good workers this fall since business calls them to other cities in the state and the country.

Others take their places. We are glad to welcome the following families with whom the Rector has come into contact. Mrs. G. E. Eaton, Miss Ernestine M. Laughlin, both of whom sent gifts towards the "special appeal" having heard that we were campaigning to clear off an old debt. How splendid is their spirit!

Miss Tillie Eppler, who was introduced to the Rector one Sunday morning in June.

Miss Velda Foster from St. Louis, Mo., who may teach in our Church School.

Mr. and Mrs. Henry F. Gillespie, whose family of two boys and three girls will be entering our Church School this fall.

Mr. George C. Conley, who married Miss Caroline Halfpenny last June. Fortunately Mrs. Conley will be teaching again this fall.

Mr. and Mrs. Albert E. Kaess, whom the Rector married last June and who are planning to be confirmed in December.

Miss Eleanor Krause, whom the Rector met while calling upon a Parish family.

Mrs. William H. Locke, whose marriage this

June was so largely attended. She is not a member of the Episcopal Church at the present time.

Miss Dorothy Logan, who is anxious to join the Y. P. F.

Miss Edna Meniger, whom the Rector met at the home of a Parishioner.

Mr. and Mrs. F. S. Neale, whose little girl has joined the Church School. We expect two other girls will register in September.

Miss Catherine E. Nord, who joined the Sunday School shortly before the vacation.

Mrs. William Roach and Mrs. Catharine Starr, both of whom the Rector met while visiting a sick parishioner and who asked him to secure their letters of transfer to our Parish.

Mr. and Mrs. Charles H. Roberts, whose boy has been attending our Church School—we look for real help from Mr. Roberts.

Mr. and Mrs. J. D. Schloegel, whom the Rector met in time of sorrow.

Mr. Frank Spoeral, who married Hester Pelletreau this spring. He ought to be an Episcopalian.

Mrs. Amanda Whilldin, who would love to have someone read to her.

Mr. and Mrs. F. E. Wilkins, whose two daughters registered in the Church School late in May.

Mr. John A. Augustine, who married Sophie E. Conly in June. They are living in Frankford, but perhaps they will not forget St. Paul's.

THE SPECIAL APPEAL

In addition to those whose names were published as having responded with gifts towards the "special appeal," in the last issue, the following have sent in gifts: Mr. and Mrs. James D. Hill, Mr. Martin J. Scheuerlein, Miss Helen Bickley, Mrs. Charles St. John, Miss Mildred Leuthy, Mr. and Mrs. W. G. Veitch, Dr. and Mrs. C. F. Sladen, Mr. and Mrs. R. Lau, Dr. R. Graham Lau, Mr. and Mrs. G. E. Garrison, Mrs. Harry Rosenfeldt, Mrs. Helen Wiedmer, Mrs. N. Livezy, Miss Elva Livezy.

The Rector also received a gift at the church door on July 12, but the name of the donor escaped him.

The Dorcas Society, in addition to the initial gift of fifty dollars, has added one of thirty-five dollars.

Just a little less than two hundred dollars still to receive. Surely we shall reach our goal!

† †

MAIL RETURNED

Does anyone know the present address of James Albertson and Harry Koch? Their mail has been returned. Please inform the Rector.

THE JUNIOR VESTRY

The Senior Vestry passed the following motion at its June meeting with reference to the authority of the Junior Vestry: "That the Senior Vestry recognizes the effective work of the Junior Vestry and gives them authority over all activities having to do with the organizations of young people and boys and girls and expects that all such organizations will submit all programmes to the Junior Vestry for their acceptance before putting them into effect."

The Senior Vestry concurred unanimously in the thought of the Junior Vestry that no programme of Junior Societies calling for the use of the Parish House or the Church should be announced until the Junior Vestry had accepted the same and a night had been appointed for such activity.

The Vestry also unanimously adopted the principle set forth by the Junior Vestry that no activity of Junior Societies or of any groups of boys and girls or of young people should take place in the Parish House unless a duly authorized leader, responsible to the Junior Vestry, is in charge.

What both Vestries have in mind is to discourage the irresponsibility of certain groups and individuals in their use of the Parish House.

† †

SUMMER SERVICES

We may congratulate ourselves upon the attendance at the morning services during June, July and August. There has been a very remarkable response. Perhaps the most inspiring aspect of this response is the promise which it gives us for the winter months. If we can do as well as we have these hot summer Sundays with all the competition that comes of vacation time, then our congregations ought to increase greatly by October. Enthusiasm begets enthusiasm, numbers make for numbers. Shall we not all try to help by attending every Sunday when the fall arrives?

† †

THE SPECIAL APPEAL

We are nearly at our goal of thirteen hundred dollars. Another one hundred and seventy dollars will enable us to pay our coal bill of \$975.00.

The Vestry is hopeful that many who read this good news will promptly send their gifts to the Rector so that we may pay our bill before September closes.

SUNDAY SCHOOL OPENS SUNDAY SEPTEMBER 20TH

BOYS—GIRLS
TEACHERS

Church School begins on Sunday, September the twentieth, at nine-thirty o'clock.

You will receive a postal card from the Rector about the seventeenth of September, which will tell you what class you are to be in and where the class will meet.

You are supposed to be in the same grade as you are in Public School. If a mistake has been made come just the same the first Sunday, go to the class to which you have been assigned and give the teacher the correct information regarding your Day School grade. New pupils ought to be on hand to register at nine-fifteen.

A box of offering envelopes for each pupil and teacher will be presented September 27.

These envelopes are smaller than those which the congregation uses.

The offerings will be received at the Church School service. Boys and girls will be appointed Vestrymen and will receive be appointed by Vestrymen and will receive the offerings just as is done in the later service.

The Treasury Department, Dr. Randall Skillen, chairman, will open and record the envelopes later on Sunday or Monday.

Y. P. F.

A new executive undertakes the leadership of the Young People's Fellowship. The following were elected at the June meeting: President, Fred Blatz; Vice-President, Bruce Edkins; Secretary, Phyllis Livesy; Treasurer, Edkins; Secretary, Phyllis Livezy; Treasurer, Mildred Leuthy. We congratulate them and assure them that a very wonderful opportunity for constructive endeavor lies ahead.

DEPARTURES

We regret the removal of Mr. and Mrs. George Anderson and their family to Frankford, and their transfer to the local Parish. Through many years they have served St. Paul's and we shall miss them.

Miss Vivian Galosi has moved from Philadelphia. Her service in the Church School and the choir has been greatly appreciated. She leaves a real place to be filled.

Major and Mrs. Hiehle and their family have moved to Washington, D. C. The Major did splendid work in the High School Department of our Sunday School. We are planning for Mr. Fred Blatz to take the leadership of his class.

† †

RECTOR'S DISCRETIONARY FUND

Mrs. F. A. Goddard's Church School Class closed the school year last June by presenting the Rector with ten dollars for his Discretionary Fund to be used by him in any way he saw fit in the work of the Parish.

Mrs. Olive P. Doughty also made a gift to the same fund in June.

† †

HOLY COMMUNION

With the first Sunday of September we return to our regular schedule of services of Holy Communion. There will be an early celebration every Sunday morning at seven-thirty and a late celebration at ten-forty-five on the first Sunday of each month. Let us all plan to be present the first Sunday of September.

REPLEDGING THE PARISH

A real campaign faces us—a campaign that will ask every member to reconsider his pledge to the support of Christ's work through our Parish. Many are pledgers and are giving regularly—many others are not pledgers. The Vestry is anxious to arrive at some definite knowledge of our actual pledged income. At the present time and for some years past, we have not known through any organized system of pledging what our real income is. Thus the difficulty of planning our expenditures.

The Campaign will probably take place in late November. Meanwhile statistics are being gathered, the Parish Lists brought up to date, men and women are being asked to join the Flying Squadron of Campaign Canvassers. We shall have as our objective the slogan: "Every Member Pledging Something." The next issue of the "Chronicle" will bring to you many definite facts with reference to our financial status. With the true picture before us, we shall face conditions frankly and gird ourselves to meet them.

† †

A MONTHLY SOCIAL

The Executive of the Young Peoples' Fellowship have decided to hold a monthly Social every first Friday of the month for all boys and girls of high school age and older.

The first of these socials comes Friday, October second, at eight o'clock. Games in the Gym, games upstairs, a short business meeting, dancing and refreshments comprise the program. Girls will bring sneakers, middies and bloomers, and boys their sneakers for gym games.

† †

AN APPRECIATION

When the Rector took Altar Flowers to Mrs. James Thomas Kershaw on September 20th, she asked him to express to the Ladies and the Congregation generally her deep appreciation of many kindnesses. We take the opportunity to assure Mrs. Kershaw that we greatly appreciate her service to St. Paul's Church.

CONFIRMATION

The Bishop visits us for the Holy Rite of Confirmation on Sunday evening, December 6th. Classes of instruction begin the first week of October, as follows:

Boys and Girls—Wednesdays at 4.30 P. M.

Men and Women—Thursdays at 8.00 P. M.; Sundays after evening service.

Thus there will be three opportunities. Older boys and girls may come to the evening classes. Adults may elect to come either Thursday or Sunday evenings. The instruction will cover the same ground at both meetings. It has seemed wise to have two classes for adults so that those who cannot come during a week night may have the opportunity on Sunday evenings—The class on Sunday evenings will meet from a quarter before nine till half-past nine, in the front pews of the church.

There may be many who are confirmed that would like to hear these confirmation instructions Sunday evenings. Everyone is welcome. There may be some who are not planning upon confirmation, but who would like to hear the instruction before making up their minds. You are welcome. No one who attends commits himself and no pressure will be brought upon anyone to be confirmed.

† †

CHURCH SCHOOL OPENING

A close survey of Parish families during June and July reveals that there are approximately three hundred boys and girls of school age. Fifty-seven of these were not members of last year's Church School—made up largely of boys and girls of upper 'teen age. We hope to attract them this year.

When we opened the Church School on September 20th, one hundred and twenty-nine old pupils reported, nine new pupils registered; a total of one hundred and thirty-eight. There were thirty-seven teachers and officers in attendance.

Our Church School thus opens its new year with one hundred and seventy-five pupils, teachers and officers.

A SERVICE OF INSTITUTION

Sunday morning, the twenty-fifth of October, we shall hold a service for the institution of the teachers and officers of our Church School. They will meet in the parish house after the Church School session and follow the choristers in the procession.

The Reverend Frederick E. Seymour, director of religious education for the diocese will visit our Church School officially at half-past nine, and will preach the sermon at the eleven o'clock Service. We welcome him to our Church School and Parish and shall value any suggestions he may give us that will make our plans more effective.

THE PARISH LIST

A business organization made application to the Rector this week for the Parish list of families, with the idea of soliciting for a sales article. The Rector's attitude is that a Parish Record is sacred and personal and that he has no right to subject his Parishioners to salesmen by sharing this list even for a monetary consideration of value to the Parish. He has, therefore, refused very definitely to give your names and addresses.

OCTOBER BRIDGE PARTY

Under the auspices of the Young Peoples' Fellowship, a Parish Progressive Bridge Party will be held on Friday, October twenty-third, at eight o'clock, in the Parish House.

Tables will progress, prizes will interest many, refreshments for all. We hope that all our members, young and old, will come to the party.

EVERYONE REQUESTED TO JOIN HEARTILY WITH THE CHOIR

YOUNG MEN AND WOMEN

We cannot commend too highly the opportunities in the Church School Classes of High Three and Four.

High Three offers a class in Christian Ethics for young men, with Mr. Fred Blatz as the Leader. Mrs. H. W. McComb offers to young women a course which proposes to survey the literature of the Bible. The same course is being offered by Mr. N. W. McComb for young men in the last year of high school and for those who have left school for business. Really the class is a graduate group of young men functioning at the Church School hour. Anyone who had the privilege of sitting under Mr. McComb last spring will realize that he is "par excellence" a wonderful teacher and that he makes the Bible live in new and interesting ways. It is a privilege to have him on our Staff and a privilege to be in his class.

There is also a graduate class for girls of Fourth Year High and young women who are in business, led by Mrs. G. Laurence Schetky whose interest is "Methods of Teaching." Mrs. Schetky is approaching the subject by the use of actual "Case Studies,"—somewhat after the fashion that Law is taught today in our colleges. She is well equipped to lead—we urge a growing interest in her course.

† †

A LITTLE MORE EFFORT

That is all we need to reach our objective with reference to the coal bill now long outstanding. Just about one hundred and fifty dollars will accomplish the result. Since our September issue of the "Chronicle" we have received gifts from the following: Mrs. Buzby Mrs. F. Reader, Mrs. Florence E. Fink. The Dorcas Society has presented a third gift of twenty dollars, which brings their total gift to one hundred and five dollars. We congratulate the members upon their loyal support.

† †

HELPERS

To Messrs. Thomas Johnston and Charles Fulwider we wish to express our appreciation, as did the vestry at their recent meeting, for their splendid service during August in assisting Mr. Frank B. Fulwider renovate the Parish House and Church. We are also in Mr. James Hazlett's debt, as we are so constantly, for supplying the paint that has transformed the exterior of the Parish House.

THE SINGING OF HYMNS

Have you noticed that the Congregation does not stand up to sing a hymn until the choir begins to sing? Which means that we are all out of step in congregational singing. The suggestion is made that, beginning the first Sunday of October, we should all stand just as soon as the organist begins to play over the hymn tune. Then we are all ready to sing the opening verse. Watch the result in better congregational singing, added enthusiasm and the development of the spirit of worship.

A hymn is a poem—If you read two verses of a poem, you are very sure that the message of the poem is lost. Usually it is the first stanza that gathers up the message.

Hymns are poems,—sometimes ascriptions of praise, sometimes a prayer—We should not cut off the hymn in the middle.

Our plan, therefore, will be to sing all the verses of the Processional Hymn unless otherwise announced. The Recessional Hymn is also a poem—the choristers will sing all but the two last verses in the Chancel. Two verses will be sufficient to enable them to march to the Parish House. Thus we shall complete our praise and prayer in orderly fashion.

† †

YOUNG PEOPLES' FELLOWSHIP

President Fred Blatz announces the opening of the Sunday evening meetings for October 4. The program for these Sunday evenings has been worked out and will be published monthly in the "Chronicle." The October activities are as follows:

October 4—"Why and How Should We Read the Bible?" Subject to be presented by Miss Eleanor Francois and Mr. Raymond Siegle.

October 11—"Why Should We Christianize the Chinese?" Subject to be presented by Miss Elva Livezey.

October 18—Convocation Service at the Church of the Holy Apostles.

October 25—"A Preacher's Message." Subject to be presented by Mr. Raymond Phillips.

THE PARISH CHRONICLE

BOYS' AND GIRLS' TEACHERS

With the consent of the Rector, Dr. Randall Skillen becomes treasurer of the Church School. Subject to confirmation at the next regular meeting of the teachers and officers of the Church School.

Miss Kathleen Buzby has kindly consented to take the leadership of Class 91. We welcome her to our Faculty.

The Every Member Canvass will come the Sunday afternoon before Thanksgiving Day.

We welcome you to another year of strenuous work and interesting activity.

We welcome the new teachers: Miss Gertrude Cole, Miss Ruth Moody, Mrs. Harry Hazzard, Mr. William Pelletreau, Mr. Elton Dunbar, Miss May Morris, Miss Annie Bailey, Mr. Raymond Siegle, Mrs. G. Laurence Schetky, Miss Margaret Hazzard.

Mr. Albert Eastwood continues as organist of the Church School. He is as happy as we are to have the Church organ and the Services in God's House.

Among new departures was the presentation of the pupils' envelopes in the Church School Service. Thus the boys and girls gain a new impression of the meaning of their weekly offering to God.

Mrs. G. Laurence Schetky's fourth year high school class for girls in Methods of Teaching will train teachers for other years.

If additional registrations cause us to add classes, we shall have to spill over into the Church. Even the Registrar, Miss Anna Wallace, is joyfully functioning in the Main Lobby for lack of a room.

The teachers are meeting by grades with the Rector and Mrs. Johnson for teachers' meetings.

Nothing, perhaps, has been more needed than Teachers' Training Classes.

We plan to discover superintendents for Junior High and High School during the coming weeks.

Which leads us to remark that there are now five departments in the Church School: Kindergarten, Primary, Inter-

mediate, Junior High School, High School.

Term ends January 29 with mid-year tests. The second term opens February 5, 1932.

ITEMS OF INTEREST

The Dorcas Society has given \$105.00 toward the Coal Fund.

Mr. Frank B. Fulwider spent most of his month's holiday during August renovating the Parish House and the Church. Thus the Parish has been saved a considerable sum. We wish to thank him for his devoted service.

Miss Anna Wallace and Miss Phyllis Livezey are doing a splendid service as recorders of the Parish Pledge Envelopes.

Mr. George Voss has constructed a most useful book-case cupboard for the choir music.

Congregations are growing steadily. We shall hope to be functioning in good fashion by the first Sunday of October.

We aim to mail the "Chronicle" during the week preceding every first Sunday of the month.

Sunday Evening Services begin this week, October 4th, at eight o'clock.

The first Sunday Evening Confirmation Instruction comes after the evening Service, October 4th.

The treasurer will greatly appreciate the payment of pledges to date.

The Morning Service begins at eleven o'clock, on October 4th.

Beginning the first Sunday of October, we shall be urged to stand just as soon as the organist begins to play over the hymn. Thus all of us will be ready to sing the opening verse of the hymn.

Holy Communion will be celebrated at the Eleven o'clock Service, the first Sunday of October. Let us make it a Rallying Day for the whole Parish.

The Young Peoples' Fellowship holds its first Sunday Evening Meeting October 4th, at seven o'clock.

VOLUME XX

NOVEMBER, 1931

NUMBER 9

Parishioners

Our greatest immediate need is to increase the number of those who will give regularly each week to the support of Christ's work in our Parish. Thus the tremendous importance of this year's

Every Member Canvass

There are only one hundred and sixty-four members of the Parish who give regularly through the Envelope System—we hope that we can interest so many others that there will be at least three hundred who will sign pledge cards for the year 1932.

Our Slogan in this Canvass is—

"Everybody Pledging Something"

There are but few of us, surely, who could not pledge five cents each week. Many more of us could safely pledge ten cents each week. Still others may think in terms of twenty-five cents, some will pledge one dollar and others still more.

The Canvass becomes a co-operative plan whereby, through pledges of varying amounts, we raise the general average of our gifts. Three hundred members averaging fifty cents weekly would raise our Annual Budget of seventy-five hundred dollars. It seems possible if everyone will pledge something.

What we hope is that every adult member of a household will write out his or her own pledge; Husband as well as Wife; Daughter and Son as well as Parents; Grandfathers and Grandmothers. If each household will ask frankly—"What do we give as a family to the Church," a great surprise will be in store for many of us. Many a family will say, "Why, we can give more than that and we ought to do so."

Perhaps you will decide that as a family combining your gifts you will give twenty-five dollars each year, perhaps the total will be fifty dollars, perhaps but ten dollars. Then make out your several pledges, dividing the total amount among the members of your family so that each member pledges something.

READ THE 1932 BUDGET CAREFULLY AND PLEDGE ACCORDINGLY

Such is the plan of our *Every Member Canvass* which comes to a close on Sunday, December the sixth. The Bishop visits us for Confirmation that Sunday Evening. We shall announce our total at the Evening Service and ask the Bishop to present our Pledges for 1932 upon the Altar.

May God prosper us as we plan to support His work through the Parish of the Memorial Church of St. Paul.

THANKSGIVING DAY

We shall plan to hold a celebration of Holy Communion at eight o'clock and Morning Service with sermon at ten o'clock.

Parishioners are asked to leave their gifts of fruits and vegetables and canned goods at the Parish House on Wednesday before Thanksgiving. These are distributed by the Altar Guild to homes for the Aged. We shall also make a gift to the Episcopal Hospital from our open offerings as in former years.

† †

THE ALTAR GUILD

The October meeting proved to be a wet night but an enthusiastic meeting with Mrs. Florence McGowan presiding. Routine business was quickly transacted.

An Altar Guild Covered Dish Luncheon on Thursday, November 12th, at twelve-thirty o'clock for all members of the Parish. May we not hope that these luncheons of the women's societies will be more widely shared in by our people? It is a splendid way to be sociable.

† †

PLEDGES AND HIGH SCHOOL

All boys and girls in Upper Church School are giving each week in the Sunday School offering. Must they pledge in this Campaign?

Since most of them are confirmed and naturally come to Church Service, it would be nice to have Adult Membership Envelopes so that they may have their gifts to offer at Communion and other services.

We would suggest that they divide what they are now giving in Sunday School and pledge half of it in this Canvass. We do not expect boys and girls to give more. We do wish them to share in our Plans. The best way is to divide your School Pledge.

† †

School begins at 9.30. Please help us solve the lateness by arriving at 9.25.

RUMMAGE SALE NOVEMBER 6th AND 7th—SEND IN OLD CAST-OFFS

I AM PLEDGING

Why should I make out a new Pledge Card when I am giving regularly through the Envelope System?

There are several reasons why we ask you to co-operate.

1. There has been no Canvass of our Parish in four years.

2. We should very much like to have you reconsider your pledge. Perhaps you can pledge a little more. It may be that you must cut your pledge. Circumstances differ.

3. Some members have not paid anything on their pledges for months. The depression made it impossible. We propose to wipe out all delinquent pledges and to begin again in January, 1932. If the time comes when you can fill an old envelope and place it in the offering during the better times of 1932, you will be glad. Meanwhile we begin again.

4. We shall have a complete picture of our pledged income for 1932.

5. We like to think that you are sharing in our Plan and we do not wish to assume what may not be your intention—that you will pledge for 1932 as you have in the past. We might plan to spend your money in writing our Budget and then discover that you were not sharing in the Plan at all.

6. So we ask *Every Member* to make out a pledge that will indicate what he is prepared to do in 1932.

† †

RUMMAGE SALE

The Dorcas plans its annual Rummage Sale for November 6th and 7th. Look over your spare room and the attic and the stored trunks and bring your articles to the Parish House on November the second.

† †

MISSIONS

Next year's offering envelope will have but a single pocket. Our Missionary apportionment of \$500.00 is included in our Budget of proposed expenditures.

In writing your pledge, therefore, please include what you regularly pledge for Missions in the one pledge which you will make for the support of Christ's work in our Parish.

THE 1932 BUDGET

We hope that every parishioner will carefully scan each item in the proposed Budget of 1932. Every item is cut to the minimum. You see the total—that total pictures our responsibility. What will you do by signing your Pledge Card to help us meet our responsibilities?

SALARIES

Rector	\$2,600.00
Organist	800.00
Sexton	1,200.00
Extra Janitor	100.00
Summer Pulpit Supply	50.00
Rent of Rectory	\$4,750.00
Clergy Pension	900.00
Missionary Apportionment	250.00
Diocesan Assessment	500.00
Insurance	330.00
Music	535.00
Altar Guild	100.00
Coal	50.00
Gas	800.00
Electricity	30.00
Water	175.00
Repairs	50.00
Printing	250.00
Janitor Supplies	100.00
Postage	150.00
Laundry	50.00
Envelopes	90.00
	\$9,160.00

Certain items in this Budget call for a remark or two.

The Missionary Apportionment will be

partly carried by the Church School. In 1931 they paid \$400.00 of the amount.

The Diocesan Assessment is owing for 1931, an amount of \$330.00. We have not listed a like amount for 1932.

The Insurance for the next three years, \$535.00 falls due in 1932. If we can arrange to pay premiums yearly, this item will become \$178.00, thus reducing our Budget to \$8,403.00 if we include \$400.00 from the Church School towards the apportionment.

The Sexton tells us that we burn fifty tons of coal each year. If we can find a way to join up meetings so that the Parish House is not heated so many days in the week, we could reduce this item of \$800.00 considerably.

It is probably near the mark to plan that our Budget will be eight thousand dollars.

Three hundred members contributing through pledges an average of fifty cents each week would give us seven thousand five hundred dollars in 1932. Will you not consider most seriously what each member in your family can pledge to pay regularly each week during the coming year?

† †

PLEDGE NOW AND MAIL TODAY

There is a real reason for this suggestion.

Sunday, December the sixth, in the afternoon, a group of Canvassers, The Flying Squadron, will call upon every household in the Parish. They come not to ask you to pledge but to receive a sealed envelope in which you, after consideration, have enclosed your pledge and the pledges of the members of your family.

This means a great many calls, more than five hundred.

What a help it would be if several hundred parishioners, knowing that they will pledge, would save us a call on that busy Sunday afternoon by mailing us their pledges beforehand!

What encouragement, also, if in the next issue of the CHRONICLE, which will be in your hands a few days before Sunday, the sixth of December, we can say that already two hundred members have sent in their 1932 pledges.

Enclosed therefore, with this issue are Pledge Cards for each member of your family and an envelope. Please sign your pledge and mail today.

ALL SAINTS DAY

This year "All Saints Day" comes on Sunday. It is a day where we especially remember our loved ones who have passed beyond our physical sight, but whose unified personalities are as complete as ever they were upon the earth. Christianity teaches that they are more complete.

It is a day when we draw nearer to them by coming to the Altar and receiving Communion. The Rector would like to remember your loved ones by name in this service. Will you write to him or speak to him before November the first so that he may have the names of those whom you would memorialise?

The morning sermon will speak of faith. The evening sermon of Heaven. We hope that you will come to hear these sermons.

Many a parishioner may wish to assist in adorning the Altar on "All Saints Day." It would be a most beautiful act if our people would bring single white flowers as gifts of remembrance. We shall have a vase at the rear of the Church Sunday morning and Sunday evening. Just place your flower in the vase. In the course of each service the vases will be placed upon the Altar, significant of the Loved Ones whom you wish to be remembered.

† †

A FEW DONT'S

1. *Don't* wait for the other person to pledge. Send in your pledge.

2. *Don't* ask what the other person is pledging. Pledge whatever seems right in the sight of God and mail your pledge.

3. *Don't* think that because your pledge is small you need not to send it. What we hope is for several hundred small pledges. Added together they make a mighty amount.

4. *Don't* say,—"My wife pledges for us." Let Christ Jesus know that you wish a share in His work in your own name.

5. *Don't* throw the pledge card in the waste basket. Think first whether the church has ever served you.

6. *Don't* say that St. Paul's is always asking for money. Rather remember that the neglect of many of its members has left the financial burden straining a few.

7. *Don't* say,—"I shall not pledge because the ministers have never called on me." Remember that you are one of nearly a thousand in your parish and your minister is but one striving to serve a thousand. Remember, too, that perhaps you have not yet been to church to welcome him.

8. *Don't* say,—"I should worry about the church." Perhaps even this week you may be most anxious to have the minister serve you in sickness or in death.

9. *Don't* say,—"I never go to church." It is a tragic confession to have to admit that you count your soul as of so little worth.

10. *Don't* say,—"I don't believe all that the church teaches." Perhaps a modern sermon from a modern pulpit would discover the church and the minister miles beyond you in their declarations. Come, hear for yourself.

11. *Don't* say,—"Church is good enough for women folks." Just ask yourself if you could wish your wife to be as you are,—irreligious. Would not something of beauty be missing in your home? Why not share in what means so much to her and to you?

12. *Don't* say,—"I'll wait until the canvasser calls." What if you were a canvasser! Why not support us enthusiastically as we begin our canvass. God knows we need a lot of enthusiasm to make this canvass a success.

† †

PLEDGE WITHIN REASON

Far better it is to pledge what you know you can pay than to pledge more than you possibly can give. If you find that you can give more, there is always the opportunity to give in the open offering. So many people stay away from Churches because they cannot meet their pledges. Make your pledge within reason.

If your 1931 pledge is in arrears and cannot be paid, forget it until times look up again. Begin all over again in 1932, pledging what you know you can pay. The Church is much better financed that way and we shall see our congregations grow again.

† †

CHURCH SCHOOL NOTES

Church School has struck its stride and the sessions are moving along smoothly and interestingly.

The pupils are responding splendidly to our new envelope system: an envelope each Sunday as regularly as Sunday follows Sunday. Dr. Randall Skillen reports increased offerings in total. That is fine, but finer still is the fact that our boys and girls are remembering to bring their offerings regularly.

Last issue we reported 138 pupils and 37 teachers and officers. We now report definite growth as follows: Pupils, 207; teachers and officers, 38. Let us continue to grow.

Miss Jean Hoffman becomes superintendent of the Intermediate Department, relieving Miss Josephine Watt, who prefers to teach in Grade 4.

WANTED**Sixty-nine More Pledges**

The Every Member Canvass is moving along splendidly and has already broken two records as follows:

1. Pledges, 1931	142
Pledges, 1932	231
2. Total, 1931	\$3,026.40
Total, 1932	3,961.88

Our objective is 300 pledges, which will more than double the number of pledges for this year.

We need

Sixty-nine More Pledges

Will you be one of this number? Please mail your pledge today and thus save us a call on Sunday afternoon, December sixth.

The Bishop visits us for Confirmation on Sunday evening, December the sixth. He will present upon the altar the pledges we have received at that time, thus consecrating our promises to support Christ's work in our Parish during 1932.

We hope that you will come to that service to share with us in a wonderfully, glorious and triumphant service.

Remember that our slogan is, "Everybody Pledging Something," men and women as well as boys and girls of teen age and over. Let us all plan to share in putting our Parish on a sound financial basis.

NEXT SUNDAY AFTERNOON**December Sixth**

The Flying Squadron of St. Paul's Canvassers, will make the Canvass Sunday afternoon, the sixth of December, upon all those whose pledges have not been received.

The Canvassers come as messengers from your Vestry and Parish. They do not call to urge you to pledge. That has been done through the Pulpit and the CHRONICLE. They simply come to receive your sealed envelope in which you have enclosed your pledge.

May we suggest the following:

1. That you receive them with enthusiasm and kindness.
2. That you remember that they are giving of their time and strength to help your Parish.
3. That you stay in until they come so that they will not have to make a second call.
4. That you have your sealed envelope stuck in the door if you must be away.
5. That if you do not feel you can pledge this year, that you write this on the Pledge

Card and sign your name, enclosing the card in the sealed envelope and leave it for the messenger.

6. That if you do not care to do this that you tell the messenger frankly that you cannot pledge this year or leave a message to that effect. It will save an extra call.

7. That you realize that we who are engaged in this Canvass are trying to serve the Master.

ART FOR HEART'S SAKE

On January 22nd and 23rd, the Young People's Fellowship will present the three-act comedy, "Art for Heart's Sake," an amusing story of the ? ? ? You better come see it and find out for yourself. Tickets will be 35 cents for adults and 20 cents for children.

Dancing will follow the play each evening.

I GIVE WHEN I COME BUT

when do you come? And when you come, do you give just for that Sunday or for the Sundays also when you were absent?

WHAT

if the Church only held services on those Sundays when the Vestry had sufficient money to pay for that Sunday's expenses! functions every day of the year—not merely on Sundays, but every day. Our plans for next month and next fall and Christmas a year from now are made upon the basis of what our people promise to give weekly throughout the year. Without these promises or pledges, we should have to close our doors.

THE CHURCH IF

we were to depend upon people who gave when they came to church, we might just as well become a Mission and let the Diocese support us or go out of existence at once.

SOME PEOPLE

say that they do not believe in pledging themselves. But think—this Canvass is not a welfare drive or a "Y" whirlwind campaign! This Canvass is asking you to pledge support to the cause of Jesus Christ! Are you afraid to pledge your support to your Master?

SURELY

everyone of us loves the Master and is ready to pledge to help Him. It is just that we got a bit mixed up in our thinking. Some campaign annoyed us and we are unconsciously visiting our anger on Christ and His Cause.

NO ONE

ever put it that way to me before—you say? Well, we do. What we have written is God's truth. The Cause of Jesus Christ challenges you to believe in it and in Him and in God and dares to ask your help.

TO THINK

that Jesus has literally to beg and to persuade his followers to help Him. Surely we would not deliberately treat Him so!

HUMILIATION

enough He suffered upon the Cross. Shall we add by our unwillingness to pledge our faith one iota to that humiliation?

OF COURSE

we will pledge. We are loyal and unafraid. Our trouble is that we had never seen the facts in this way.

† †

WE THANK THEM

We thank Miss Mildred Leuthy, who has made duplicate copies of the Parish mailing list for the Rector.

We thank Miss Kathryn Warden, who has mended some fifty of our large hymnals so that they will continue to serve us for a couple more years.

We thank Mr. George Voss for building a fine bookcase cupboard for the Choir music.

We thank Mr. Frank B. Fulwider and Mr. Charles Fulwider for changing the water meters at a considerable annual saving to the Parish.

† †

WHAT SHALL I PLEDGE?

The answer is to be made as between you and God. If you feel happy in God's presence as you pledge, then your pledge becomes your gift to Him. That is all that matters.

It may be of interest to notice that our pledges represent quite a range. Some of our pledges are as follows:

1 pledge at 4 cents weekly, 14 pledges at 5 cents weekly, 35 pledges at 10 cents weekly, 8 pledges at 15 cents weekly, 10 pledges at 20 cents weekly, 60 pledges at 25 cents weekly, 8 pledges at 30 cents weekly, 7 pledges at 35 cents weekly, 3 pledges at 40 cents weekly, 31 pledges at 50 cents weekly, 1 pledge at 55 cents weekly, 2 pledges at 65 cents weekly, 2 pledges at 75 cents weekly.

We have pledges of larger amounts, of course, but the important point is to make out pledge as in the sight of God and thus share in helping God's work through St. Paul's Parish.

THE HONOR ROLL

Two hundred and thirty-one members of the Parish have mailed in their pledges as we go to press. Their names appear in our Honor Roll. Without a doubt there will be many more when every pledge is in and the Canvass has been completed on Sunday, December the sixth. We shall publish an additional Honor Roll in our next issue.

Shall we pass our goal of three hundred pledges? It looks as if we may do so! What a splendid accomplishment that would be. Will you not help us? Mail your pledge today.

Meanwhile, our Honor Roll includes the following:

Mr. John Aikens, Mrs. John Aikens, Miss Ella M. Aikens, Miss Margaret M. Aikens, Miss Josephine Atkinson, Mr. John A. Augustine, Mrs. John A. Augustine, Miss Annie M. Bailey, Miss Edith F. WHY SHOULD I PLEDGE?

It is a fair question. Among many reasons, the following may be advanced:

1. Every baptised Christian ought to decree it not merely a responsibility but a privilege to support Christ's work through the Church.

2. We may not all be missionaries to China, we may not all be ministers in Philadelphia. We all have the chance to accomplish much the same result by our gifts in pledges to support the work.

3. Answer a question with another question: What have I, what do I gain from Christianity?

4. Did you receive your knowledge of the Bible and of Christian teaching in some Sunday School long ago? Do you owe the church anything for this free heritage?

5. Were you married in some Episcopal Church? If you thought enough of it at that time to ask the Church to bless your marriage, may it not hope that you are still interested?

6. Has the church ever buried anyone dear to you? Perhaps you are forgetting to help the church which once brought its message of comfort to you.

7. Do you still value the Sacrament of Baptism for your little children? May not Mother Church, which receives and blesses your boys and girls, look quite frankly in your direction for financial support?

8. Have you boys and girls in our Sunday School? In heat and light, in pencils, paper and notebooks, in teachers' manuals and pupils' leaflets, the cost is considerable to train your children in the Christian faith. You do not wish to receive all and give nothing!

9. But most of all—the Sacramental Life of the Church. This means much to many lives, constantly refreshing them as they carry life's burdens. Surely we should be the poorer if we were deprived of this help. What an opportunity to help maintain this fountain of life for all who may come to it for refreshment.

Thirteen pupils have registered who were not in last year's school.

THE COAL BILL

We all rejoice that the Coal Bill is paid—\$975.00, representing an old indebtedness which your Rector inherited. Parishioners loyally responded. Gradually we climbed towards our objective of \$1300.00. The first \$330.00 went to pay the Diocesan Assessment of 1930, just a few days before we should have lost our seat in the Convention! With that out of the way, we set out for the other old bill—the coal bill. Now it is paid.

We congratulate the Dorcas Society upon their remarkable gift of \$155.00, and the Choir upon their outstanding gift of \$101.00.

Now we move on to make the Every Member Canvass an unprecedented success. Already we have 77 more pledges than last year. Mail in your pledge today and help us to place St. Paul's where it will never, never fall behind as it did in 1930.

CHRISTMAS

The January number of the CHRONICLE will reach you the Sunday before Christmas, bringing you our Christmas plans. Please read every word of it.

† †

SUNDAY THE SIXTH

In view of the fact that Confirmation comes that evening, we shall celebrate the Holy Communion at eleven o'clock, the second Sunday of December, as well as on the first Sunday. This will enable those who have been confirmed this fall to make their first communion. We hope that the twenty-nine who were confirmed last spring will join with our newest members in this communion.

CHURCH SCHOOL NOTES

Miss Mildred Muller has joined our teaching staff. Grade 2 grew too large for one teacher. May we continue to grow!

Mrs. Gerald L. Eaton and Miss Mary Scott have been added to our teaching force.

Mrs. H. C. Johnson, as advisor to the Lower School, is holding seven grade teacher conferences each month.

Mr. Charles Fulwider, Mr. Raymond Siegle, Miss Elizabeth Cole, Mrs. Cordelia Imfeldt, Miss Mary Blakeley, Miss Kathleen Buzby have consented to act as permanent substitute teachers. Any teacher, therefore, who must be absent owes it to her class and to the school to advise the Rector during the week so that he may inform the substitute teacher and place the proper manual in her hand in time to prepare the Sunday lesson.

VOLUME XXI

NUMBER 1

The Nativity of our Lord

or

The Birth-Day of Christ

Commonly Called

Christmas Day

Thus it is that our Prayer Book describes the festival which falls on the twenty-fifth of December. To Christian people it is a Holy Day associated with their religion. It is also a holiday associated with school holidays and a cessation of work in business circles.

Our problem is not to lose sight of the holiness of Christmas Day in an over-emphasis upon holidaying. It is a matter of proportioning our interest.

The first thought of many people on Christmas morning is the Christmas tree and the Christmas stocking. That is natural. The birth of Jesus led to the establishing of Christmas Day—let us not forget Him.

The services for Christmas Day are outlined upon the cover of this issue. We hope that every member of the Parish will come to one of these services,—boys and girls as well as men and women. We hope that parents will lead the way by coming themselves and bringing every member of the family with them.

Meanwhile your Rector wishes you all not merely a Merry Christmas, but a Happy, Holy Christmas,—both happy and holy because you will begin the day by kneeling at the altar rail and in imagination transport yourself to that cradled manger of long ago.

CHRISTMAS PARTY

Plans for what should be a most joyous Christmas party for the church school children, ranging from the kindergarten to sixth grade, were formulated on Tuesday evening at a meeting held at the Rector's house.

First and of importance to everyone is the date, which is Saturday afternoon, December 19th, at 2.30 P. M. in the parish

house. All children and teachers in the grades mentioned are cordially invited to join us in the joy and fun we'll have at that time. Here is the news:

We're having a tree of course and a real Santa with his reindeers and a bag of gifts and candy for everyone. It is not known for certain yet, but it is hoped the money we receive for Christmas candy this year may be used to buy ten cent

OUR PARISH RESPONDED NOBLY IN THEIR PLEDGES

THE PARISH CHRONICLE

toys for each of the church school children and some candy canes too. If this is definitely decided the personal presents will be properly wrapped and tied with each child's name. Santa will bring the presents in his bag and present them to each of the children personally. Santa will come in his sleigh and reindeers, who will be none other than the tiny kindergarten and first grade children. They will be dressed in white with red hats and red sashes and tiny bells.

There will be a lovely Christmas story told the children while they are all gathered round the big tree and to help make it even more joyful there will be carols by all of us.

Some of the children from one particular group are going to be dressed in costumes representing various countries and will tell the children just how Christmas is celebrated in their native land.

One project we hope to carry out is that of having the children give their Christmas offering toward a Christmas for someone else who would not be provided for otherwise. We hope each teacher will tell his class that we plan to make someone else happy with our gifts of money with which we will buy toys and food and of course candy together with a real Christmas tree, for whomsoever it will be our good fortune to help. Children will love the idea of helping someone else and will be given their own Christmas envelopes in which to place their offerings. These envelopes will be collected and placed in a gold bag which will be tied on a tiny tree we will have for the occasion by one member of every class.

It was planned that the music and carols for the party will be arranged for by Miss Phyllis Livezy. Miss Mildred Leuthy and Miss Gertrude Cole will present the story to the group. The Decorating Committee of Edythe Martin and Ruth Moody and Mildred Muller will manage the decorations and the trees for the party.

The children of the fourth grades under Miss Josephine Watt and Miss Annette Francois are going to tell us about Christmas in foreign lands. The sixth grade children are to make the gold bags for our offerings. These are simply made out of theatrical gauze or cambric.

(Signed) JEAN HOFFMAN,
Secretary.

THE CHRONICLE ENVELOPE

The Vestry has adopted a new method of financing the Chronicle. Everyone knows that the Chronicle is now being mailed to every household in the Parish. Previously only subscribers received it, which meant that eighty per cent. of our families never knew what was happening in the Parish life.

If the Chronicle is of value it is as a piece of publicity and naturally prospective worshippers and contributors are those whom we especially wish to interest in the whole of our programme.

Mr. Robert J. Skillen has faithfully and generously carried the burden of financing the Chronicle. Advertisements are difficult to secure and subscribers also. At the moment of writing the church owes Mr. Skillen quite one hundred dollars which he has advanced out of his own funds to carry our Parish paper.

Thus it is that the vestry adopts the plan of including in the box of 1932 envelopes a monthly envelope for the Chronicle. You are asked to give ten cents a month.

Three hundred pledgers with envelopes giving ten cents monthly means thirty dollars monthly for the support of the Chronicle. This, with what is obtained by advertisement, will ensure the publication of the paper for 1932.

That we all like the Chronicle is evident. That we wish it to be continued is certain. Let us, then, do our part by placing the monthly envelope in the plate.

† †

JUNIOR HIGH AND HIGH SCHOOL Christmas Party

Tuesday—December 22nd, eight o'clock

Messrs. Fred Blatz and Albert Eastwood are in charge of the plans for this Christmas Party. We shall welcome all the teachers of kindergarten, primary and intermediate department as well as the officers of the church school. Boys and girls of Junior high and high school and their teachers are cordially invited to what promises to be an unusual evening.

† †

INITIAL ENVELOPES

You will find them in your boxes of envelopes for 1932,—the very first envelope. If everyone will contribute the small amount suggested by filling the "Initial Envelope" and placing in the offering plate, we shall avoid making the cost of these envelopes a charge on Parish funds.

THE PARISH CHRONICLE

PROJECTS FOR 1932

Today, as the Rector prepares this issue of the Chronicle,—December second,—he has written the President of the Dorcas Society with reference to a project for 1932.

For three years we have had no insurance premiums to pay, since they fall due every three years. They fall due once more in 1932, for the amount of \$536.00.

This amount insures church, parish house, organ and furnishings against fire loss to the amount of \$50,000.00. It is an enormous extra to add to our 1932 budget.

The Rector has asked the Dorcas Society to make this their project for 1932—to raise \$536.00—the insurance premium for the next three years. He has suggested that they might organize a monthly Parish Card Party to which we shall urge the whole Parish to come. Thus we should develop sociability within the Parish and raise our money as well.

It is a stirring project, especially if the Dorcas will make a pledge for the amount as part of the Every Member Canvass and thus help us to raise our total pledges for 1932.

† †

ANOTHER PROJECT

has been accepted by the church school teachers, officers and pupils to whom the Rector has suggested three items in our 1932 budget—

Electricity	\$175.00
Gas	30.00
Water	50.00

a total of \$255.00.

On Sunday, December the sixth, in their open service, the Rector suggested that the whole school write a pledge of five dollars weekly as their part of the Every Member Canvass, the sum to be deducted weekly from their church school offerings and placed in their church envelope by cheque through the treasurer of the church school.

As their offerings are averaging more than ten dollars every Sunday, this will insure the regular payment to the Building Loan Society as well as their weekly pledge of five dollars to the support of the church—and the church will be receiving their assistance regularly. Thus we shall also raise our pledged income by \$260.00.

If the Dorcas also accepts the plan, it means \$536.00 additional to our pledged income, which means \$6,447.88 at this very moment in pledged income for 1932.

OTHER PROJECTS

Will the enthusiasm spread? There is the choir—who gave a gift of \$101.00 towards the old coal bill and did it magnificently—perhaps they will tackle the two Budget items of

Music	\$100.00
Laundry	90.00

a total of \$190.00 as their project for 1932.

There is the Woman's Auxiliary. Is the missionary apportionment of \$500.00 too large an item? If so, there is the Diocesan assessment of three hundred and thirty dollars.

How fine it would be if both the Woman's Auxiliary and the choir placed pledge cards in the Rector's hands by Christmas time indicating what they would do for 1932! Up would go our pledged income to over several thousand dollars.

Then there is the Young People's Fellowship and the Girl's Service Guild. If each would make a pledge as part of the Every Member Canvass of fifty dollars each,—say the Postage Item of \$50.00, and the Envelope Item of \$50.00,—how excellent it would be—perhaps the Boy Scouts will accept an item also.

We reprint the Budget for 1932 in this issue that all may reread it and decide what they will take as their Parish Project for 1932.

† †

LENTEN PREACHERS

We are already planning for Lent. Special preachers every Sunday and Wednesday evening.

The Reverend Malcolm E. Peabody of St. Paul's, Chestnut Hill, and the Reverend Stanley V. Wilcox of St. Paul's, Chester, and Dr. George H. Toop of Holy Apostles have accepted our invitation to preach on Sunday evenings. The Reverend Spence Dunbar and the Reverend William P. Sharp are each giving us a Wednesday evening.

Others whom we have invited will be heard from in time for the February issue of the Calendar.

† †

AN ERROR CORRECTED

Our last issue stated that the Dorcas Society presented a gift of \$155.00 towards the coal bill. This should have read,—\$185.00. It was an outstanding gift, but wait until we hear their plans for the 1932 project!

SUNDAY EVENINGS

We have decided to maintain the Sunday evening services through January. Then Lent will be with us early in February, with special preachers every Sunday evening. May we not hope for enlarging congregations Sunday evenings during January as a promise of our Lenten Sunday evenings?

"I saw your advertisement in St. Paul's Parish Chronicle"—that counts with the tradesmen more than you think.

TARDINESS

Tardiness of both pupils and teachers in the Sunday School was discussed at a meeting held at the Rector's home Tuesday, December 1st. Everyone agreed that we have improved somewhat, but that we are far from the goal of 100% cooperation from both teachers and pupils. With this idea in mind the following suggestions were offered as a means of encouraging promptness all along the line.

1. Establishing an honor roll which would include the names of those classes whose attendance for one month was 100% on time. This would include the teacher and the report would be read out by Mr. Johnson at the end of each month.

2. Getting in touch with the parents of the tardy child about the seriousness of being late. It was felt if more parents realized our own feelings about it and how it affects the progress of the lessons, we could gain their help in this matter.

3. The use of awards of some type, such as lovely colored pictures, or special hand work, might be an incentive to

promptness for the period of a month or two.

4. Along the line of No. 3 was suggested extra hand work to be done before church school begins and to be worked on only by those children coming early enough to take part in it. It was suggested we might start this work at 20 minutes past nine and work on it until 25 minutes to ten. As an experiment Gertrude Cole thought we might make cambric books, paste pictures and any pretty cards in them, and at this time give these finished books to some little children either in a hospital or elsewhere, as our Christmas gift to them.

5. The privilege of receiving the offerings on Sunday morning in Chapel Service might also be given to those children representing a class of perfect promptness.

6. To impress the children with the importance of promptness it might be brought to their attention each Sunday morning while they are lining up to enter the Chapel either by Mrs. Johnson or one of the superintendents. Mr. Johnson thought he might have those early children rise in Chapel each Sunday to make us see clearly how many of us are doing our best.

7. Every teacher who conscientiously attempts to follow any one of the above suggestions will undoubtedly appear on time, which will encourage the children and help us realize our ambition of every-body early.

(Signed) JEAN HOFFMAN,
Secretary.

We expect to reach 400 pledgers.

We have increased total pledged income from \$3,000.00 to \$5,911.88 and shall certainly pass \$6,000.00,—an increase of \$3,000.00 or double what we shall receive from envelopes this year.

The story of the pledges is as follows—

THE 1932 ENVELOPES

The new envelopes will be in your hands before the close of December.

Since we have held an Every Member Canvass and now know exactly who are pledgers, we shall issue the boxes of envelopes in alphabetical order according to our file of pledge cards. This may mean that you will not receive for 1932 the identical numbered envelope of this year.

Everyone will understand that it would greatly confuse the keeping of the records of payments if we attempted to follow the numbering of this year,—and, understanding, will not mind the new plan in the interests of efficiency.

YOUR CHRISTMAS ENVELOPE GENEROUSLY FILLED HELPS A LOT

THE FESTIVAL OF LIGHTS

Sunday evening, January the seven-teenth, at eight o'clock we shall hold the Festival of Lights. The service will take the form of a pageant. The shepherds and the wise men, the twelve apostles and the history of the early Christian Church will be portrayed.

The Christ light upon the altar will be passed on to a boy and girl at the head of each pew by the apostles who will receive their lights from the Christ light and then the light of Christ will be passed on to those in each pew.

We shall see who can carry his lighted candle all the way home and light a candle as the Christ light in the home.

Every boy and girl and every adult will be thrilled by this pageant. Plan to come Sunday evening, January the seventeenth.

† †

CHRISTMAS PRESENTS

The Rector has informed the teachers and pupils of the church school that he hopes no one will think it necessary to send him Christmas presents or to send one another presents.

Not all teachers are in a position to give their pupils presents; not all pupils can give presents to their teachers. The Rector certainly can give to neither.

We shall save ourselves an embarrassing position if we observe the suggestion.

† †

PERSONAL SERVICE

We thank Miss Mildred Leuthy, Mr. Raymond Siegle and Mr. Charles Tucker for typewriting all the call cards for the Every Member Canvass. With enthusiasm they responded to the Rector's call for assistance on Sunday afternoon, November the twenty-ninth, and did a fine piece of service very expeditiously.

THE PARISH CHRONICLE

THE CHRISTMAS ENVELOPE

Enclosed with this issue of the Chronicle are Christmas envelopes for each member of your household. The smaller envelopes are for your boys and girls.

We send them to you now, not only because we save the Parish ten dollars in extra postage, but also to enable you to place your Christmas gift upon the Altar the Sunday before Christmas if by any chance you cannot be present with us on Christmas Day.

Every boy and girl, every man and woman will wish to lay a gift upon the Altar this Christmastide. In imagination we bring our gifts to the Christ child and lay them at the manger. Naturally everyone wishes to share in so beautiful an experience.

May we not anticipate an unusual offering this year,—unusual not in terms of the total amount of money,—but unusual because a very large majority of us share in bringing our very own personal gift.

THE 1932 BUDGET

We hope that every parishioner will carefully scan each item in the proposed Budget of 1932. Every item is cut to the minimum. You see the total—that total pictures our responsibility. What will you do by signing your Pledge Card to help us meet our responsibilities?

MONTHLY NOTICES

One reason why we have fallen so far behind in our income is that pledges have been allowed to lapse. This has been as much the fault of our lack of any adequate follow-up as it is a failure on the part of our people.

The Vestry feels that many Parishioners would keep up their pledges if they were kept in mind of the state of their pledges.

Beginning with the February issue of The Chronicle, therefore, we shall enclose in the mailing envelope with the Parish paper a statement of your pledge. This statement will be in no sense a bill but simply a record. Each month you will know how you stand. We hope that it will be an incentive to everyone to meet his pledge as regularly as possible.

The statement will read somewhat as follows: "Your pledge for the work of Christ through St. Paul's Parish for 1932 was _____ at the rate of _____ weekly, which means that at the present writing you should have placed upon the altar the sum of _____. Our records show that we have received _____.

If there is any error, please notify us immediately." Some months the record will show that you are fully paid to date. Other months, that you have overpaid. Again it may appear that you are a little behind.

The Vestry believes that this plan will be heartily welcomed by every Parishioner.

THE PARISH CHRONICLE

RECORDS

We are growing. Enthusiasm is moving us on to new records. It is a hopeful promise for 1932. Read these records:

1. 246 more people pledging for 1932 than this year.

2. Total of pledges for 1931—\$3,000.00. Total of pledges for 1932—\$6,000.00, an increase of \$3,000.00.

3. The largest number confirmed in any one year since 1925.

4. A larger number of teachers and officers in our church school than 1930—1931.

5. A larger active attending membership in our church school than in 1930—1931.

6. A larger number at Holy Communion on Thanksgiving Day than last year.

7. A larger number present at the Thanksgiving Day service than last year.

8. Morning congregations growing— evening congregations better than last year at this season.

9. Offerings of the church school appreciably increased.

10. The church school service in the church at ten minutes past ten the wonder of adults who have seen it.

The real days lie ahead. St. Paul's is slowly but surely working out of the terrible slump of 1930-1931.

Let us get squarely behind the vestry and the Rector as the new year opens before us and put St. Paul's upon the map in South Philadelphia.

SUNDAY SCHOOL NOTES

The Rector is leading the grade conferences for Junior High and High School teachers.

Handwork and the visualization of the lesson through pictures are spreading through Intermediate, Junior High and High One with most remarkable results.

Teachers are saying that there is not time to teach the lesson in forty minutes! They are delighted with the new approach to teaching through discussion, handwork and note book work.

Miss Elva Livezey besides being a teacher in the Church School is Assistant Treasurer in charge of the recording of Church School envelopes.

Parents and friends are cordially invited to visit any class or department of our Church School.

We urge everyone not to miss the Kindergarten Department when they visit us. Miss Leuthy and her staff are doing a remarkable piece of work.

SEE THAT YOUR CHILDREN ARE ON TIME FOR SUNDAY SCHOOL

Mr. H. W. McComb's class for young men continues to grow. Fifteen on October 4th and more coming. A parishioner tells me that the young men are complaining that the period of teaching is not long enough! More strength to such a teacher. Every young man ought to visit this class. He will continue to come if he will but look this class over.

Each pupil has been presented his box of offering envelopes by the Rector in the Church School service. All the boxes were first placed upon the altar, then distributed personally and by name. Thus we strive to teach our boys and girls that their offerings are their gifts to God.

So far the response has been most gratifying. Let us all work to keep it so.

THE FLYING SQUADRON

The following men and women bore the burden of the Every Member Canvass on the afternoon of Sunday, December sixth. The final story of the Canvass appears in this issue. ATTEND YOUR LENTEN DUTIES AT SUNDAY EVENING SERVICES

School will present on the above-mentioned evening a Pageant of Living Pictures. The programme includes famous pictures in The Galleries of the World.

The presentation of each picture will be accompanied with fitting musical selections under the direction of Miss Phyllis Livezey and with an interpretative prologue telling something of the artist's life and the history of the painting.

The following will be presented:

1. "The Virgin." By Thayer. Interpreted by Miss Mildred Leuthy, Evelyn Hill, Jack Long.

2. "Age of Innocence." By Reynolds. Interpreted by Rae Morelock.

3. "Boy With a Rabbit." By Raeburn. Interpreted by Gordon Harper.

4. "Angel With a Mandolin." By Da Forli. Interpreted by Miss Josephine Atkinson.

5. "The Annunciation." By Botticelli. Interpreted by Miss Anne Schaeffer, Miss Eleanore Francois.

6. "The Visitation of Elizabeth." By Albertinelli. Interpreted by Miss Elva Livezey, Miss Eleanore Francois.

7. "Holy Night." By Marata. Interpreted by Miss Eleanore Francois, Laura May Gamper, Helen Lee Hodgkin, Marion Meckling.

8. "Artist and Her Daughter." By Le Brun. Interpreted by Mrs. Lawrence K. Schetky and Miss Nancy Jane Schetky.

10. "Boy With a Thorn in His Foot." By Fourth Century, B. C., Unknown Sculptor. Interpreted by William Laven-der.

11. "Pallas Athena." Greek Sculpture. Third Century, B. C. Interpreted by Mrs. William Jillard.

12. "Infanta Maria Teresa." By Velasquez. Interpreted by Joyce Dolbey.

13. "Whistler's Mother." By Whistler. Interpreted by Mrs. Elizabeth MacPherson.

Here is an unusual programme deserving support, both because of its beauty and because the proceeds will go to the Lenten offering of the Church School.

THE MORNING SERVICES

What splendidly enthusiastic services they have been this Lenten Season! Larger congregations than at any time this year except early Christmas morning. It is so inspiring to choir and to clergy and must surely mean much to God. How delightful to see so many boys and girls attending. Thirty one Sunday, twenty-eight another Sunday. Our Lent is both wonderful and inspiring.

A FULL ATTENDANCE SUNDAY EVENINGS FOR VISITING CLERGY

THE MONTHLY NOTICE

Once more we enclose the monthly statement of your pledge to the work of Christ in St. Paul's Parish. Already the result has been most striking. Our offerings for January and February are running much higher. We print below the receipts for January:

Week	Loose	Chroni- cle	Ini- tial	Christ- mas	Extra
Jan. 3	\$7.97	\$8.30	\$0.15	\$22.00	\$15.00
10	5.89	4.10	.30		
17	2.86	2.75			
24	2.71	3.10			
31	4.52	1.70			

Total \$23.95 \$19.95 \$0.45 \$22.00 \$15.00

Week	Church Envelopes	Missions	Envelopes
1932	1931	1931	1932
Jan. 3	\$11.95	\$3.10	\$51.56
10	30.75	1.00	73.29
17	2.50	.45	74.17
24	5.20	.10	65.10
31	14.55	2.75	75.84

Total \$64.95 \$7.40 \$339.96

This gives us a total for January offerings of \$493.66. Simply splendid. When we tell you that for the first two Sundays of February we already have received \$429.38 you will see how loyally our people are maintaining their pledges.

Next month we shall publish expenditures for January and February as well as the receipts. Thus you will see just what is happening in the church's financial matters.

Six of the monthly notices were returned to the Rector with corrections. We were so glad to receive them. Be sure to return your notice if the statement does not agree with what you know you have given. We want to correct any mistakes. Two of the six wrote that their pledges were more than our statement suggested. Was that not fine of them? It is good also to receive a statement saying you are paid up to date. Let us maintain such a record.

THE CANTATA

Palm Sunday Evening

The choir is especially keen to present a sacred Cantata this Lenten season. Palm Sunday evening will be the last of our evening services. Everyone knows how loyally the choristers have supported our evening services. Shall we not show our appreciation by attending the Cantata in large numbers?

Smith, Jackie McComb, Marian Joyce, Margaret Tucker, Eleanor Headley, Anna Mae Mendoza, Bertha Jenkins, Evelyn Cranston, Ethel Tucker, Mary Louise Morelock, Nancy Jane Schetky, Edwin Hill, Charles Cranston, John Lindsay, Edna Dodd, Mary Gibson, Anna Peterson, Martha Swinden, Ruth Melvin, Malcolm Schetky, Betty Eells, Helen Lee Hodgkin, James Hill, William Joyce, John Milligan, Evelyn Hill, Betty Hoffman, Marie McComb, Margaret Louise St. John, William Williams, Gordon Harper, McDonny Schetky, Thomas Hoffman, Helen Patzig, Samuel Strang, Merle Evensen, Samuel Eells.

Still other pupils were absent but once and have "Faithful Attendance" as follows: Violet Wager, Virginia Rimal, Joyce Dolbey, Marion Eells, Edwin Fleming, Olga Morelock, Dennis Lane, Julian Hodgkin, William Wallace, Robert Long, Anders Peterson, Joseph Farley, Paul Patzig, Mark Dolbey, Helen Persia, Norman Fleming, Arthur Loudon, Roy Wallace, Jack Long, Edwin Burkhardt, Harry Kruger, Charlotte Lane, June Linler, George Smith, Walter Tesche, Oscar Loudon, Edith Morelock, Jayne Dickinson, Robert Griffin, Mary King, Kathryn Milligan.

The teachers set the pupils a splendid example. The following were never absent throughout the term: Mildred Leuthy, Margaret Williams, Helen Park, Annette Francois, Laura King, Mrs. G. C. THE PARISH CHRONICLE

THE CHRONICLE

Phyllis Livezey, Bruce Edkins, Albert Eastwood, Elton Dunbar, Mr. James Hill. Still other teachers were absent but once: Miss Annie Bailey, May Scott, May Morris, Ruth Moody, Elva Livezey, Fred Blatz.

In all the attendance records of pupils we have not counted absence due to illness against the record, provided a letter was presented from the parents.

We are sorry that these results could not appear in the February issue. Unfortunately Sunday came on the last day of the month and the Chronicle had gone to press.

We are well on our way into the Second Term. May our June results be quite as fine reading as these are!

The notebook work of the Lower School has worked out in wonderful fashion. The Superintendents of the three Departments, the Misses Mildred Leuthy, Phyllis Livezey and Jean Hoffman, chose the books of the following pupils as of outstanding merit: Kindergarten: Helen Persia, Helen Lee Hodgkin; Grade 1: Laura May Gamper, Verna Deitz; Grade 2: Dennis Lane, Malcolm Schetky; Grade 3: Oscar Loudon, Josephine King; Grade 4: Margaret St. John, Anna Loudon, Norman Fleming, McDonny Schetky; Grade 5: Edwin Kestler, William Hart, Carolyn Sparenberg, Edna Dodd, Ruth Melvin, Annetta Ferguson; Grade 6: Katherine Cornelius, Joyce Dolbey; Grade 7: Violet Wager, Mae Gillespie.

MANY, MANY THANKS

To Nancy Jane, McDonny and Malcolm Schetky, who folded all the Lenten Boxes. This was a real service.

To Miss Kathryn Warden who will have charge of the Monthly Parish Financial Statement.

Miss Warden will also record the pledge envelopes weekly after they have been opened by the Misses Anna Wallace and Phyllis Livezey on Sunday mornings.

To Mrs. G. E. Eaton, Mrs. George C. Conley, Miss May Morris, who have served us so well on our Church School Faculty.

To Miss Alice Gamper who loaned us a Swiss costume for the Pageant.

To all the mothers whose boys and girls are listed in the Honor Roll of Attendance. It is your love and sacrifice which has made the record possible. Even Sunday, when you might have had extra sleep, you were up betimes because you valued the religious education of your children. Be sure God honors you.

THE PARISH CHRONICLE NEEDS YOUR FINANCIAL SUPPORT

Last issue we acknowledged \$17.95 from Parishioners who used the January envelope in their carton of church envelopes. THE PARISH CHRONICLE

NOTES OF INTEREST

The Young People's Fellowship, while attending their Corporate Communion last month, presented an offering of thirty-five dollars.

Thus they are within striking distance of their 1932 Project of \$50.00 outlined in the January issue.

We congratulate them!

The Dorcas Society is working hard towards their 1932 Project.

Be sure to support their Easter Season Card Party, announcement of which will appear in the next issue.

Three articles appear in this issue which were held up in the February Chronicle for lack of space: Bible Study, Church School Notes, Items of Interest.

Miss Kathryn Warden has taken over Mrs. George C. Conley's Class. We welcome her.

The Vestry unanimously voted to discontinue the evening services beginning Easter Day.

The Bible Study Class meeting at the Rectory during Lent has been doing some real thinking.

We thank Mr. George Voss for building the very remarkable picture frame for the Pageant of Living Pictures.

Bring your discarded newspapers to the Parish House. Mr. James Hill's Class is acting as our agents in the collecting and disposing of them. Proceeds will go to the Lenten offering.

THE EASTER OFFERING

We hope that every member of the Parish is thinking of the Easter offering. If we could plan for it through the Lenten Season, putting aside our gifts from day to day as the boys and girls do, the Easter offering would be a gift worthy of the Risen Lord. The next issue of the Chronicle will reach you during Holy Week. Enclosed with it will be Easter-tide Envelopes for each member of your family.

THERE ARE OPEN SUNDAYS FOR MEMORIAL FLOWERS

† †

THE SACRED ALTAR Memorial Flowers

During the month of January there were two Sundays when members of the Parish gave memorial flowers. The tenth: Mrs. F. Fink; The Twenty-fourth: Mrs. Alice Gibson. The Altar Guild bought flowers for the other three Sundays.

There were only two Sundays in February when memorial flowers were given: The seventh: Mrs. F. Fink; The twenty-first: Mrs. H. S. Edkins.

We greatly appreciate these gifts and hope that others will plan with Mrs. Florence McGowan for Sundays where they will be responsible for the flowers. It is to be remembered in this connection that we can do with gifts of flowers from more than one donor on any Sunday. We suggest also that the birthdays of loved ones are especially timely occasions upon which to remember them.

We publish the Memorial List for March, April and May and shall be glad to hear from others who may also wish to remember loved ones on these Sundays:

March 6th. In memory of Emily Corrie.

March 13th. Mrs. Edna Hughes.

March 20th. Mrs. Blackburn, Mrs. Florence McGowan.

March 27th. Mrs. H. S. Edkins.

April 3rd. Mrs. David Garrison, Mrs. George Garrison.

April 10th. Mrs. Georgiana Kampen.

April 17th. Mrs. Emily Dunn, Mrs. E. Evenson.

May 1st. Mrs. Tribbitt, Mrs. Frank Jillard, Mrs. A. Brennison.

May 8th. Mrs. Eugene Rudolph.

May 15th. Mrs. Daniel Cohill.

May 22nd. Mrs. Eugene Rudolph.

THE PARISH CHRONICLE

CHURCH SCHOOL NOTES

Mrs. G. E. Eaton and Mrs. George Conley retire with this semester. They have done splendid work as is testified by the fact that their classes share the attendance records with Miss Annie Bailey's class. Miss Vivian Galosi fortunately has returned to the city and will take over Mrs. Conley's class. Miss Anna Schaffer will take over Mrs. Eaton's class, Miss Ida Martin takes Miss Schaffer's class, and Miss Martin's class is combined with that of Miss Mildred Muller.

The teachers and officers have done a good piece of work. The Rector congratulates them and rejoices with them. Much is ahead of us as we strive to make ours an efficient school.

May we appeal to those boys and girls who have seemed to fall away and who have been placed upon our inactive list, to return on this first Sunday of a new term?

Examinations are over and proved anything but a nightmare. Really a very normal matter to discover what one has received from a course.

Graduation comes May 22. All those passing from one department to another will receive diplomas provided they have written and passed their examinations. Our marking system does not depend entirely on the examination—for this counts but one-third of the total work. Effort, notebook work, attendance, discipline—all these also enter in. We shall have some banner pupils when we hold our graduation exercises next June.

† †

BIBLE STUDY

There will be a Bible study group meeting at the Rectory during the Wednesdays of Lent from 3 o'clock to 4:30. Women of the Parish are cordially invited.

The Rector will be the leader in this discussion course with the Gospel of St. Mark as the basis of study. Those who attend will contribute 50 cents as the charge for the course; the proceeds to be devoted to the Easter offering of the Church School.

Two conditions only are laid down for general acceptance:

1. Whoever comes must come regularly.
2. All who come must be willing to share in the discussion.

The course will not be a series of lectures but a discussion carried on by the membership. The Rector will simply guide the discussion.

THE CHURCH SCHOOL IS MAKING RAPID STRIDES IN NUMBERS

ITEMS OF INTEREST

Miss Rose Buzby's present mailing address is Eagleville Sanatorium, Eagleville, Pa. Send her the news.

The choir is going to make Sunday evenings during Lent a special interest. Let us support them.

Mrs. Kershaw asks the Rector to express to the Dorcas and other members of the church her deep appreciation of all they have done to cheer and to strengthen her in her illness.

The Dorcas are planning an outstanding card party for Easter Week in addition to their pre-Lenten party.

Do not forget to run in to see Mrs. Dunn on Mole street. A visit brings such cheer.

The Fellowship basketball games will be held Friday evenings during the Lenten season.

At this writing Mrs. Alexander Wallace is convalescing nicely. We hope to see her at the Dorcas soon.

The offering envelopes are coming in very well. We hope that everyone will try to maintain the January record.

The Lenten Mite Boxes for the Church School will be presented on February the seventh.

Old names and new names appear in our Lenten Preaching List. We hope that large congregations will support the Sunday and Wednesday evening services.

Next Sunday the Church School will hold its monthly corporate communion at ten minutes past 10 o'clock.

The services for Good Friday and Easter Day will appear in our March and April issues.

The April issue will reach you before March 27th, Easter Day, and will bring you an Easter envelope.

Why not plan now to lay aside a little each week towards your Easter gift?

Let us make this an outstanding Lenten season.

Easter Day

We assume that we shall have good congregations on Easter Day. Every Christian church witnesses an outpouring of worshippers the day of the great Festival.

The first Easter Day, however, was but a beginning. The movement, which got its inspiration from the belief that Jesus was living, grew by leaps and bounds. The growth in numbers and in interest was cumulative. The second Easter was a wonderful day. So was the fifth anniversary. Not for three hundred years or more did the worshippers have church buildings in which to meet. But by that time Easter Day had grown out of all proportions to its small beginnings and every Sunday was an Easter Day in the sense that Christians gathered regularly to worship God through the Living Christ.

Would it not be a revelation to us if many of those who crowd our churches on Easter Day would make that day the beginning of a new attempt at regular attendance at the services of the church? Seems such an anti-climax to witness the falling off the Sunday after Easter in Christian churches. Since January our morning services have been growing. Passion Sunday was most inspiring. No doubt Palm Sunday and Easter will be also.

Beginning with the Sunday after Easter, we shall have a weekly Sunday Communion at seven-thirty as usual, the Church School Service at ten-ten, and the morning service at eleven. Why not plan to attend one of these services every Sunday?

EASTER FLOWERS

The Altar Guild, Mrs. Florence McGowan, Chairman, is hoping that many Parishioners will wish to give lilies for the Easter Altar. Your gifts may be sent to the Parish House, Saturday, March 26th. Will you enclose an envelope, giving your name and the names of those in whose memory the gift is given?

We hope that there are many who will feel that they can give even an Easter bloom. Vases in the rear of the church at the six o'clock and eleven o'clock services on Easter Day will enable you to deposit your gift. During the offertory, these gifts will be placed upon the Altar.

LENTEN BOXES

Do not forget the Easter service of the Church School at nine-thirty on Easter morning. We shall meet regularly as classes to take the attendance, but no teaching will be given. At nine-forty we shall move into the church for our Easter service.

It is at this service that we shall present our Lenten Mite Boxes. Each boy and girl will have the privilege of placing his or her own box upon God's Holy Altar.

We hope that the offering will be worthy of our fine school.

✠ ✠

The Kindergarten boys and girls are planning to sing an Easter Carol during our service.

BE SURE YOUR EASTER PLANTS ARE IN BY THIS SATURDAY

ANNUAL PARISH MEETING

Our annual Parish meeting must be held, according to the By-Laws, on Easter Monday. The meeting is scheduled for eight o'clock. Election of retiring vestrymen, the reading of the annual reports of the several Societies of the Parish and new business that may legitimately come before an annual meeting will receive consideration. Every Parishioner is urged to support the Parish meeting.

† †

BIBLES

The following attended at least one service every Sunday during the first term of Church School and were presented with Bibles on Quinquagesima Sunday: Mary Gibson, Marion Eells, Mary Louise Morelock, Samuel Eells, Gordon Parker, Margaret St. John.

We hope that many others will win Bibles or Prayer Books for a similar record this term.

† †

MEMORIAL PRAYERS

The Rector will be very pleased to remember loved ones before the Easter Altar. Will you be good enough to mail him the names of those whom you would remember or give him the names before the services on Easter Day? The Prayer of Remembrance will be offered at the eleven o'clock service only.

† †

DIOCESAN CONVENTION

The opening service of the 148th Annual Meeting of the Convention of the Diocese will be held at 9.30 A. M., on May 3, 1932, in the Church of The Holy Trinity, 19th and Walnut Streets, Philadelphia.

The Bishop will entertain the Clerical and Lay Deputies at dinner on Monday, May 2, 1932, at 6 P. M., to be followed by a Diocesan Mass Meeting in the Church of The Holy Trinity at 8.15 P. M., when the Bishop will read his Annual Address to the Convention and a Missionary Bishop or others will speak.

Our Delegates are as follows: Messrs. Eugene F. Gillin, Robert Skillen, Frank B. Fulwider. Alternates: Herbert S. Edkins and John Aikens.

Everyone is most cordially welcome to attend the Monday evening service in the Holy Trinity Church at eight-fifteen. The program of this year's convention makes a new departure. Let us share in it.

TWO MONTHS OF RECEIPTS

Everyone will be interested in our receipts for January and February. We placed upon God's Holy Altar during January offerings amounting to \$493.66. Our offerings for February total \$783.77! Is that not wonderful? How loyal our people are! How striking it is that our monthly statement is receiving such a fine response. Let us keep it up through April. Our next issue will bring you the results for March, including the Easter offering.

Requests for another showing of the Pageant of Living Pictures were impossible of fulfillment as most of the costumes, loaned to us by St. John's Church, Haverhill, Mass., had to be immediately returned. We greatly appreciate the kindness of my old Parish in lending us their properties.

PLEDGES FOR 1932

Last month we reported 403 pledges to the work of Christ through St. Paul's Parish. We can now report 411 pledges and we are expecting other pledges, as individually those who were not seen in the canvass on December 6th respond to a personally written letter from the Rector.

Thus we stand at the moment as follows:

409 Pledges \$6,070.48
2 Pledges, 10 cents weekly 10.40

411 Pledges \$6,080.88

What a wonderful result if we can reach 442 pledges—just three hundred more pledges than last year! This only means 31 additional pledges. Will you mail your pledge to the Rector?

We acknowledge the following who have received envelopes and become regular givers through the envelope system: Mrs. D. H. Cohill, Mr. D. H. Cohill, Mr. Raymond Siegle, Mr. Fred Samuel, Mrs. Martha M. Abele, Mr. Edwin Abele, Robert M. Wainer, Lucille A. Wainer.

THE MONTHLY STATEMENT

This month the monthly statement will be mailed separately to you during Easter Week. This change is due to the fact that the Chronicle goes out a week before the close of the month.

Our statement of receipts for the first two months of this year, which appears in this issue, reflects the response being given to the monthly statement. How much easier it is to maintain the pledge when each week's envelope is given regularly.

Envelope holders are maintaining the monthly Chronicle gift in wonderful fashion. We gladly acknowledge the following:

CHURCH SCHOOL NOTES

Easter Day at 9.30 we hold our Easter Service.

Be sure to bring your Lenten Mite Box with your Lenten gift.

We shall each individually and personally place our Mite Boxes upon the Easter Altar.

There it was that each of us received a Mite Box as from God's hands and naturally we wish to place our gift in His hands on Easter Day.

We rejoice in those boys and girls who have attended the morning services during Lent.

There will be no teaching session on Easter Day. We shall meet as classes at 9.30 A. M. and proceed to the church at 9.40 A. M.

OUR PLEDGES ARE INCREASING. ARE YOU WITH US?

WHAT OF EXPENDITURES

We give each item of the Budget, then the January and the February Expenditures and the total as follows: Music: \$105.00; \$72.00; total \$177.00 (includes salary of organist and repairs to organ and piano); Electricity: \$21.29; \$19.68; total \$40.97; Clergy Pension: \$56.88; total \$56.88; Janitor: \$100.00; \$114.00; total \$214.00 (includes extra Saturday night janitor); Postage: \$5.51; \$10.00; total \$15.51; Rector and Rectory Rent: \$280.16; \$280.16; total \$560.32; Chronicle: \$15.00; total \$15.00; Gas: \$2.09; total \$2.09; Insurance: \$10.00; \$160.00; total \$170.00; Laundry: \$6.98; total \$6.98; Water: \$8.00; total \$8.00; Discretionary: \$13.43; total \$13.43. A grand total of Expenditures of \$1,280.18.

Statement—Two Months

Balance January 1, 1932	\$676.09
Receipts—Two Months	1,778.43

Total	\$2,454.52
Expenditures	1,280.18

Balance March 1, 1932	\$1,174.34

What Do We Owe

Just three items, two of which are rather large:

Tuning Piano	\$15.00
Coal	488.00
Diocesan Assessment	350.00

Total	\$853.00
-------	----------

We hope to pay gradually, perhaps \$100.00 monthly, on the coal bill and thus clean it up before September. Why is such a large amount owing? Did we not pay \$975.00 through a "special appeal" last spring? Yes, but remember that this \$975.00 was for coal bought in 1929-1930 and paid us up to January 1, 1931. The present \$488.00 represents the heating of the church and parish house from January 1, 1931, to March 10, 1932—almost fifteen months.

The Diocesan Assessment is our contribution towards the Bishop's salary and Diocesan expenses. Large this year because it represents 1931 assessments due January 1, 1932, and covers the salaries of two Bishops. Our assessment for 1933 will be considerably less with only one Bishop. Last year, 1931, we paid \$330.00 just before the annual convention through the "special appeal" which included this and the old coal bill. Thus, neither amount came out of current Parish receipts. We shall have to pay the \$350.00 before May 1st to hold our seats as a Parish in the convention.

THE CHURCH PENSION FUND

Enclosed with this issue is a copy of a pamphlet written by Bishop Lawrence for the members of the General Convention at Denver. This was practically his last official act before he retired. It describes the history and principles of the Church Pension Fund in the clear and interesting style of which he is a master.

On December 17, 1931, Bishop Lawrence, on account of his advanced age, resigned the Presidency of the Church Pension Fund, which he had held since October 23, 1913, the day following the action of the General Convention in creating a pension system for the Church. He had directed the energies of the Fund, from its being a mere idea, to an institution which has upwards of \$27,000,000 of assets and pays in pensions to the clergy and their families over \$1,000,000 a year.

Every layman, who shared in the initial campaign, and who appreciates what the Pension Fund means to the Clergy of the Episcopal Church, will wish to read this pamphlet and to inform himself of the present status of the Fund.

ITEMS OF INTEREST

We are happy to announce that Mr. James Hincken is now convalescing at home.

Jackie Rudolph has come through an appendicitis operation very successfully.

Mrs. Frederick Fink is greatly missed in all our activities. We pray that she may soon be well and strong again.

We shall miss Mrs. Kate St. John and her granddaughter, Margaret, who are planning to move out of the Parish.

Mrs. George Scanlon promises to be out by Easter Day.

We rejoiced to see Mrs. James T. Ker-shaw in church on Passion Sunday.

The Misses Anna Wallace and Phyllis Livezey who for a year and a half have so faithfully fulfilled the duties of Assistant Treasurers in the Parish, having in charge the opening and recording of the offering envelopes, retire at Easter. We thank them for their loyal service to the Parish.

Mrs. Bertha Francois is well again and Mrs. Ellen Francois and Mrs. Florence Linler are convalescing.

So many sick these days that our Altar Flowers scarcely go around. It is wonderfully inspiring, however, to notice what pleasure the sick receive from even a few blooms. The fact that they have been upon the Altar means so much.

ITEMS OF INTEREST

What a night was that when the Reverend Malcolm E. Peabody visited us! It was good of him to come so far. We profited from his practical message.

Dr. George H. Toop, so recently out of the hospital, would not disappoint us Passion Sunday evening. What a wonderful sermon he gave us!

Miss Kathryn Warden was elected at a recent Vestry meeting as Assistant Treasurer to Wm. James M. Hazlett, in charge of the same work. Miss Warden, since January, has had charge of the recording and monthly statements. She now includes the supervision of the weekly counting of the offerings.

We regret the departure of Mrs. G. Lawrence Schetky, the leader of our Senior class for girls in the Church School. Mrs. Schetky and her children will spend a year in Europe. We thank her for her service to the Parish, as she leaves us early in May and wish her a "bon voyage."

Miss Rose Buzby continues to make improvement. Have you written her a cheery note or mailed a new magazine or a book? Her address: Eagleville Sanitarium, Eagleville, Pa.

The Rector preached in Chester, Monday of Holy Week, in connection with the undenominational Noonday Services in the local theatre.

CHURCH SCHOOL NOTES

Walter Tesche and George Morelock are being instructed in the duties and privileges of Crucifers. Gradually we shall form a Sacristan's League of older boys who will serve at the Altar.

Would it not be a wonderful plan to call some Sunday this spring "Flower Sunday?"

Do not forget the Three Hour Service on Good Friday. Please enter and depart during a hymn. You are especially asked not to do either during the addresses.

A stereopticon service for the younger boys and girls will be held in the Parish House from twelve to one, in charge of Miss Mildred Leuthy.

Good Friday evening at eight o'clock we shall have a quiet service in preparation for the Easter Communion.

The Rector is prepared to administer the sacred rite of Baptism on Easter Saturday. Will you telephone and make arrangements?

Easter Communion for those who are unable to attend our services on Easter Day will be administered in the homes of the Parish on Easter Monday and Tuesday. Will you please notify the Rector if you wish him to come to your home?

May we not hope that the Easter offering will represent a real gift to the Risen Saviour?

GRAND ARMY SERVICE**MAY 29th****An Evening Service**

The Rector and Vestry have extended to the Grand Army of the Republic a most cordial invitation to St. Paul's on the evening of Sunday, May the twenty-ninth, at eight o'clock.

The Reynolds Post, Sons of Veterans, will be a guard of honor for the Grand Army.

The Slook-Montague Post, the Herbert Warriner Post will also be our guests as well as the ladies of the several Auxiliaries. We shall plan for even a larger congregation than last year.

Mr. Louis R. Beck and the members of the choir are planning a special musical service. The Rector will preach.

Mr. George Coffin, of our parish and of the Slook-Montague Post, has been appointed in charge of plans for this special service by the Rector.

+ +

MONDAY—MAY SECOND

Remember that everyone is cordially invited to share in the great diocesan service Monday evening in Holy Trinity Church. The Bishop will read his annual address to the Convention and Dr. H. Percy Silver, D.D., of New York, will give the sermon.

The service begins at 8 15 P. M. Be sure to come, for this is an unusual opportunity. We hope that the delegates have answered the Bishop's invitation to dinner. It is important to answer even though you cannot go. Note the hour of this dinner, 6 15 P. M. sharp at the Penn Athletic Club.

+ +

PRESENTATION OF LENTEN OFFERING

The Church Schools of South Philadelphia will present their Lenten Offerings upon the altar of Holy Trinity Church on Sunday afternoon, the eighth of May. The service will be held at four o'clock. Parents and boys and girls are cordially invited.

There will be a beautiful pageant presented as part of the service — "The Christ-child Talents." Bishop Taitt will be present and will place our offering of \$150.00 upon the altar.

THE SECOND OF MAY

The Girls' Service Guild, our Junior Girls' Society, presents its annual evening of interesting entertainment the evening of Monday, May the second. Unfortunately it comes the evening of the Bishop's Dinner and the opening of the Diocesan Convention in Trinity Church, thus preventing the attendance of some of us. The little girls always do a worthwhile project. We have no hesitation in urging full parish support. The Misses Elva and Phyllis Livezey and Miss Anna Wallace are the directing heads of the organization. No tickets are on sale. The charge of twenty-five cents will be collected at the door.

+ +

CHURCH SCHOOL GRADUATION**SUNDAY—MAY 23rd**

9.30 - 10.30

We hope that many parents will come to our Commencement Day Service. Diplomas will be presented to successful pupils for scholarship and attendance. Certificates of graduation from the several departments will be given. The Rector will preach.

The plan is a new departure and marks the culmination of a first year's effort along new lines. We are gratified over the results and look for good things next Fall.

+ +

THE DORCAS SOCIETY

The President, Mrs. A. J. Wallace, has presented, in behalf of the Dorcas Society, a sum of one hundred and twenty-five dollars as their first gift towards the insurance premiums for 1932. The total premium is \$538.00. This amount the Society hopes to raise before the close of the year—a further gift is promised late in June when the last of this Spring's activities takes place. Then with the Fall the membership is going to go after the balance. We congratulate them most heartily upon their present success. We believe that they will raise the whole amount. The Dorcas never fails in any of its undertakings. We cannot begin to express to them, as members of the Vestry, how much it means to have their support as we face the financial problems of this difficult year.

SUMMER

The lean season of summertime approaches,—a time when our congregations fall off but when our expenses continue.

Last year many co-operated to help us carry our financial problem by placing their summer envelopes in the offering ahead of time. It would help us so much if you will begin the practice of putting in two envelopes each Sunday during May and June. Thus all of July and August envelopes would be paid before you go away.

† †
THE PAGEANT

The total receipts from the Pageant of Living Pictures amounted to \$50.00. The expenses including the large picture frame which becomes a permanent property, were \$19.31.

The receipts of \$50.00 included \$4.10 from the sale of candy under the auspices of Mrs. Harry Hazzard.

Thus we have a total of \$30.69 which was presented upon God's altar Easter Day as part of the Church School Lenten Offering.

THE ANNUAL PICNIC

The Rector appoints Dr. J. Randall Skillen chairman of the Annual Church School Parish Picnic, together with the following committee: Messrs. W. J. Gibson, J. D. Hill, H. Knause, Miss Josephine Atkinson, Miss Mary Simmons, Miss Annette Francois.

The Committee will decide upon the date and place for the picnic, arrange for transportation, plan for games and activities and be responsible for all plans on the day of the picnic. Dr. Skillen will be calling his committee together immediately.

† †
THE EASTER MUSIC

Though we appear with this issue a month after Easter, it is our first opportunity to thank the choristers for their marvelous contribution to our Eastertide Services. The ministry of sacred song is a beautiful way to serve God.

Especially do we congratulate Mr. Louis R. Beck, our organist and musical director. Our services moved so smoothly that we are apt to forget that this result is not by accident. To his constant work and consecrated effort we are greatly indebted for the glory of Easter Day.

† †
THE DORCAS EVENINGS

For several weeks members of the Dorcas have been entertaining in the homes. Fifty-four members of the parish and other friends attended one such gathering the evening this article is being written.

Among those who have held these happy, social evenings are the following: Mrs. H. S. Edkins, Mrs. F. B. Fulwider, Mrs. Frank J. Beitz, Mrs. N. W. McComb, Mrs. Eugene Rudolph.

The proceeds amounting to \$107.00 have been devoted to the Dorcas gift towards the insurance premiums—one hundred and twenty-five dollars having been deposited to the church's banking account today.

Not least among the results has been the opportunity for people of the parish to meet one another in a social way. We may not estimate this value, but we do know that this aspect of these evenings is of inestimable worth to the parish as a whole.

IN AND OUT OF THE PARISH

Miss Rose Buzby is gaining steadily. We took her Easter Lilies and held an Easter Communion for her.

Mrs. J. Kershaw is almost reaching a full schedule of activities.

Have you been to see Mrs. John Dunn?

The Bible Class closed its sessions with Easter, after weeks of the greatest interest.

Congregations are keeping up in fine fashion. Let us continue to make Sunday mornings, times of worship.

How solemn and how wonderful was the Burial Service in the church for David Wiley. Mother Church ought more often to bury her dead. One could wish that we might get away from services of burial in the homes of our people. We are baptised by the church in the church. So ought we also to be buried from the church.

The Altar Society has offered to provide fifty small hymnals for the pews. They cost about thirty cents apiece when purchased in quantity. Is there anyone who would wish to provide an additional fifty copies?

We also need more Prayer Books. The cost is thirty cents apiece. Would a parishioner or parishioners care to finance us for a hundred copies?

Services during the month of May: 7.30 A. M. Holy Communion; 10.10 A. M. Church School Service; 11.00 A. M. Morning Prayer and Sermon. Attend some service every Sunday.

The Vestry recently signed the papers of Mr. George Christian Anderson who is asking the Standing Committee of the Diocese to pass upon his application for ordination to the Diaconate.

DR. FLOYD W. TOMKINS

A great soul has moved on into those greater realms of light and of life. Everyone knew Dr. Tomkins. He was part of Philadelphia as he was part and parcel of every constructive endeavor not only within the Episcopal Church but in the spiritual life of this great city,—a bold, faithful, frank, adventurous Christian gentleman, a seeker after souls, a true pastor, a splendid citizen. The city and the church are the poorer for his departure, though the richer for his consecrated life will long yield large returns. Heaven is made more glorious with his advent and the Master rejoices in his wonderful life.

MONDAY—MAY THE NINTH

The Diocesan Convention of the Young People's Fellowship has chosen St. Paul's as their conference headquarters for Monday, May the ninth. Conferences will be held afternoon and evening in the Parish House with vespers in the church. Bishop Taitt will be present.

The Dorcas Society plans to serve two hundred and fifty at the Banquet—D. J. Randall Skillen, President of the South Philadelphia Convocation, and a member of our Vestry, is representing the Rector in all committee plans. We rejoice to be hosts to this important convention.

† †
THE ANNUAL PARISH MEETING

We report the following elections to the Vestry: Messrs. Herbert S. Edkins, Dr. Randall Skillen, Frank B. Fulwider. The Rector appointed Mr. Thomas S. Boyle, Senior Warden and Mr. James M. Hazlett, Accounting Warden.

The following committees were appointed by the Rector: Properties: Mr. Frank B. Fulwider, Mr. James M. Hazlett, Mr. Thomas S. Boyle; Music: Dr. J. Randall Skillen, Mr. A. J. Wallace, Mr. H. S. Edkins; Ushering: Mr. T. A. Sunbar, Mr. E. F. Gillin, Mr. Robert J. Skillen; Finances: Mr. James B. Hazlett, Mr. John Aikens, Mr. Samuel Buck.

" " —April 15.70

Total to date \$64.67

The Envelope Pledgers are to be congratulated upon their co-operation and continued response. The total of \$64.67 means that our gifts have paid for two issues of the Chronicle. This, with the returns from the advertisements, is carrying the cost of the paper so far this year.

CHURCH SCHOOL NOTES

Miss Elizabeth Baumann substituted for our Teaching Staff recently.

\$30.69 from the Pageant of Living Pictures for the Lenten offering! Fine.

We close the Church School on May 22nd. Examinations will be held May 15th.

Mr. William Evensen substituted recently for Mr. Hill.

Miss Bailey's class leads the school in attendance.

Mrs. Johnson will take over Mrs. G. Laurance Schetky's class for the remaining Sundays in May.

The Church School will open its Fall Sessions the last Sunday of September.

The boys and girls are being given an opportunity to help in the sale of tickets for the Fellowship Play.

We shall publish graduation results in the next issue.

Do not forget to fill all of your remaining Church School envelopes and bring them in the next few weeks before graduation.

Teachers are asked to leave their Teachers' Manuals in their class boxes the last Sunday of Church School.

Will teachers who have borrowed books from the Rector please return them before School closes?

The Teachers are to be congratulated upon a very good year's work.

PARISH CARD PARTY

Wednesday, April 27th, 1932

We are sorry that this issue of the Chronicle appears too late to advertise the Parish Card Party. Once again the Dorcas has initiated a splendid venture. We trust that their efforts upon this as upon all occasions will receive wide support. Let us remember that this group is making these Parish Evenings possible in order to help the parish financially and socially. Everyone of us can afford to show our interest.

THE EASTER ALTAR

We all join in congratulations to Mrs. Florence McGowan and the members of the Altar Guild upon the artistic beauty of the altar this Eastertide. It is now May, but the beauty of the Easter Altar remains a hallowed memory. We thank them for their consecrated service.

We also thank the many parishioners and friends who made possible such a glorious display of Easter blooms. Many a home rejoiced to receive these flowers during Easter week. The sick and the shut-ins desire the Rector to thank the parishioners for remembering them.

The older boys and girls are invited to come for the first hour of the service in the church.

THE CHURCH SCHOOL

The Church School year has come to a close. We are thinking in terms of next Fall and another year of work.

We shall open the first Sunday of October—October the second. The month of September proved a very restless month. Teachers were still vacationing week-ends and pupils were not settled down to the routine life of the day school.

We shall plan for larger classes in the several grades and for fewer teachers. Though this will mean that some of our present staff will not be upon our Faculty, we shall provide for them an adult class of real worth. Not a few have suggested their lack of preparation and their desire for training courses.

We shall continue the graded system not alone because of its success this year, but especially because it is a move in the right direction.

We shall hope to increase the Teachers' Conferences and to emphasize even more fully the value of hand work. With fewer teachers, conferences are more possible and more definite planning for note book work can be carried through.

Tardiness has greatly decreased this year. Our records in this issue of attendance both of scholars and of teachers indicate what is happening. Parents, certainly, have co-operated in wonderful fashion.

The Church School envelope system has done fairly well. A monthly statement throughout the school year will be worked out so that parents may keep in touch with this real problem—our attitude is that it is not how much a child gives but rather that he learns to give regularly.

We have felt that one of the finest achievements this year has been the relating of the boys and girls to the worship of the church. An inspiring sight it is to see so many of them engaged in their own service in the worship of God.

The future opens to us. Let us enter into its opportunity thankful for the privilege that is ours in revealing the Heavenly Father to His Little Ones.

AN INTERESTING RESULT

By actual count we find that two hundred and twelve scholars in the Church

School were given creditable standing both for attendance and for work accomplished. This number represents the active Church School for this year,—those who can be counted as actually participating.

We find a fringe in addition of thirty-five pupils who came so irregularly that we took them off our Active Lists and our Class Attendance Cards.

The result, therefore, is most encouraging. It has this real promise that, with a definite school of two hundred and nine, we shall move out next year to stabilize the group described as the fringe and thus continue to grow towards new standards. We have more than held our own this year against the records of the three previous years in actual live and regular attendance. The future is wonderfully full of promise. Let us strive for an actual steady attendance of two hundred and fifty next Fall.

+ +

CHURCH ATTENDANCE

It has been of real significance to notice the boys and girls who have been attending our Morning Service. The following have attended every Sunday during the Second Term of Church School: Gordon Harper, Mary Louise Morelock, Ethel Conly, Olga Morelock, Mary Gibson, Marion Eells, Charles Cranston, Edwin Fleming, Edith Mae Morelock.

We congratulate them and hope that they have come so to love the service that they will continue to attend throughout the summer months.

+ +

CHURCH ENVELOPES

Summer is at hand. Have you begun to place two envelopes in the offering each Sunday? You will help the parish so much if you will think of our financial problem presented every Summer season.

+ +

YOUNG PEOPLE'S FELLOWSHIP

The following were elected at the Annual Meeting: President, Albert Eastwood; Vice-President, Eleanor Francois; Secretary, Alfred Wager; Treasurer, Margaret Williams.

FORTY-TWO DOLLARS

Just as we go to press we are informed that the Dorcas have presented an additional gift of forty-two dollars—thus making their total gift—three hundred and seventeen dollars. The membership is surely to be congratulated upon this fine result.

PAY UP ALL PLEDGE ENVELOPES FOR THE SUMMER MONTHS

THE PARISH PICNIC

The date is Saturday, June the eighteenth. The Committee, headed by Dr. J. Randall Skillen, will mail postals to all active pupils in the Church School, thus reaching the parents as well as the boys and girls.

Bring your lunch and be sure to include a cup. Coffee will be served free to everyone.

Put down the date. We leave the Parish House a nine o'clock. Consider this a most cordial invitation to every adult in the parish to share with our young people in the Annual Parish Picnic.

† †

CHURCH SCHOOL GRADUATION

Graduation Sunday—May 22nd—was a new experience for pupils and teachers. The presentation of diplomas of graduation and certificates of attendance together with awards for scholarship and notebook work as well as church service attendance made of the Commencement Service a happy event.

† †

PERFECT ATTENDANCE

The following results are of great interest: Boys and girls who have not missed a Sunday throughout the whole school year are to be commended most highly. Their parents also may be enthusiastically congratulated. We scarcely realize how wonderful such co-operation from the home means to efficiency of the school. The following are in the Honor Roll of Perfect Attendance: Edwin Fleming, Betty Eells, William J. Smith, Billie Williams, Helen Lucille Patsig, Gordon Harper, William Joyce, John Milligan, Edna Dodd, Mary Gibson, Charles Cranston, John Lindsay, Samuel Strang, Samuel Eells, Jr., Alberta Lane, Marion Joyce, Kathryn Milligan, Eleanor Headley, William Coffin, Paul Fish, Ethel Tucker, Bertha Jenkins, Evelyn Cranston, Thomas Hoffman.

The Teachers

Let us not forget also that there were the following teachers and officers who were on hand every Sunday of the Church School year to perform their duties. That is one great reason why we have made such strides this year. We highly commend the following: Miss Mildred Leuthy, Miss Helen Park, Miss Ida Wager, Miss Josephine Watt, Mr. Harry E. Krauss, Mr. Albert Eastwood, Miss Josephine Atkinson, Mr. Alfred Wager.

Faithful Attendance

There is a fine group of scholars who have missed but one Sunday during the Church School year: Helen Persia, James Hill, Norman Fleming, Edwin Burkhardt, Martha Swinden, Marion Eells, Edwin Hill, Mary Louise Morelock, Merle Evensen, Margaret Tucker, Robert Griffin, Violet Wager, Walter Tesche, Evelyn Hill, Virginia Rimal.

TEACHERS

Several teachers missed but one session during the year: Miss Margaret Williams, Miss Phyllis Livesey, Miss Annette Francois, Mr. James Hill, Miss Annie Schaffer, Mr. N. W. McComb.

Just Two Absences

A pretty good record after all and well worthy of mention: Scholars: Joseph Farley, Paul Patsig, Olga Morelock, Mary King, Harry Kruger; Teacher: Miss Annie Bailey.

The Second Term

A few pupils, who did not hang up an attendance record during the first term, have done well the second term. Perfect: Stephen Mills, Ethel Conlv, Erwin Zinger, Mary Mills, Dorothy Williams; Faithful (one absence): Ethel Jones, Robert Mooney, May Tesche.

Teachers

Second Term

Perfect attendance: Miss Edith Martin, Miss Kathryn Warden, Mrs. Harry Nazard.

THE HAND WORK

This feature of our Church School work has been an outstanding emphasis this year. Thus the lessons have been taught through the eyes and the hands as well as through the ears. We have no doubt of the value of this broadening of whole outlook towards teaching.

The following boys and girls had the best notebooks during the Second Term: Robert Long, Charlotte Lane, Dennis Lane, Edith Rae Morelock, Norman Fleming, Betty Hoffman, Edwin Fleming, Anna Peterson, Dorothy Boyce, John Lindsay, Joyce Dolbey, Mary Louise Morelock, William Coffin, Betty Eells.

SCHOLARSHIP

Last February we published the standing of those scholars who had done exceptional work during the first term. We now share the results of the whole year's work.

THE DORCAS SOCIETY

We rejoice with the members of the Dorcas Society in the wonderful gifts they have already made to the Treasurer of the church towards the Insurance Premiums of five hundred and thirty-eight dollars.

Two gifts have been presented—one of one hundred and twenty-five dollars and one of one hundred and fifty dollars—a total of two hundred and seventy-five dollars. This leaves two hundred and sixty-three dollars to be raised before the close of the year. We have every confidence that they will raise the whole amount. The Vestry assures them of their deep appreciation of this most practical assistance.

Two recent Card Parties in the homes of parishioners will swell the fund considerably. Mrs. Sarah Garrison and Mrs. George E. Garrison held a most enthusiastic and profitable Social Evening. There followed the Double House Party under the auspices of Mrs. Kate Jillard and Mrs. William Jillard. Pinochle and Radio in one home and Bridge in another. Refreshments were served to the guests in each home, with the option of sampling the coffee in either centre.

Most everyone received a prize and all went home happy after an extremely good evening.

The Dorcas Luncheon follows on June 2nd at Furman's Inn, with the possibility of a good return towards the Fund.

† †

During July and August there will be celebrations of the Holy Communion at seven-thirty o'clock on the first Sunday of each month.

OUR THANKS TO THE DORCAS SOCIETY FOR THEIR LOYALTY

THE PARISH CHRONICLE

BOYS AND GIRLS

Evelyn Cranston has been responsible for bringing a little girl to Sunday School and seeing that she reached home safely. Evelyn has done this all year,—a real service to the Master Jesus.

Is your name in any of the Honor Rolls? If not—try to put it there next year.

Robert Mooney, all this Spring, has been responsible for calling for and returning a little boy to his home. Thus he put another life into touch with the message about Jesus. Be sure that the Heavenly Father knows of and will not forget his loving service.

A FINE PLAY

We rejoice with the Young People's Fellowship in the success of "Seventeen." It was a success financially, of course, but more significant still was the presentation of a play which every parent would gladly support and to which boys and girls could come with real values for them—we congratulate Miss Josephine Atkinson who coached the play, upon a worthwhile service accomplished.

† †

TYPEWRITER

Has any parishioner a typewriter they wish to give to the parish for the use of the Assistant Treasurer? We need one so much now that we are sending out the monthly statements. Please notify the Rector who will call for it.

ABOUT THE PARISH

Everyone rejoices in the convalescence of Mrs. St. John.

Rose Buzby is maintaining a splendid spirit and the physician says that she will soon be well again.

We hope that everyone will remember that there is an eleven o'clock service every Sunday throughout the summer months.

**Go to Church Sunday
October Second**

Why not make this Sunday a day to be remembered? It is the first Sunday of another month. The Holy Communion will be celebrated at half-past seven and at eleven o'clock. The Church School has its opening session at half-past nine.

Let us make it "Go to Church Sunday," with every possible parishioner on hand to welcome everyone else. A good year lies ahead of us. Let us all enthusiastically carry our work forward to even finer results.

THE FINANCIAL SITUATION

The following figures set forth our receipts and expenditures for eight months—January through August.

Receipts:

Balance, Jan. 1, 1932	\$ 676.09
Offerings	4,649.53
Chronicle	108.52

Total\$5,434.14

Expenditures:

In total 5,364.65

Balance, September 1, 1932 .. \$ 69.49

Detail of expenditures (eight months):

All salaries (Rector, Organist, Janitor) and Rectory rental, \$3,779.78; printing, \$108.84; Chronicle, \$108.52; discretionary, \$26.88; postage, \$20.00; janitor's supplies, \$11.60; music (organ and piano tuning and repairs), \$109.06; gas and electricity, \$138.06; pension, \$170.63; insurance, \$266.00; laundry, \$36.37; water tax, \$8.00; building repairs, \$196.90; altar, \$12.00; Diocesan assessment, \$352.08.

+ +
\$317.00

This amount represents the splendid gift of the Dorcas Society towards the Insurance Premiums for 1932-1935. It is a symbol of their larger intention, for their goal is \$538.00, which leaves \$221.00 still to be raised before December closes.

The Vestry and the Rector congratulate and thank them most heartily. May we also take this opportunity to urge all our parishioners to support the fall plans of the Dorcas Society, as they strive to enlist the whole parish in helping to meet our insurance premiums. How encouraging it will be when December closes to know that we shall have no premiums to meet for several years.

MONTHLY STATEMENTS

Enclosed with this issue is a statement of your pledge to date. If there is any error, please return it with your comment, so that we may make corrections.

Just three months before the year runs out. Our record for the first six months is so good that we should be encouraged to keep up our pledges.

The 1933 envelopes have arrived. We had them printed during the summer at a saving of thirty-five per cent! They will not be sent to you before the middle of December.

Before that time we shall work out our plans for a second Every Member Cavanaugh in the hope that we may persuade many to pledge who did not do so last year. Our fine record of 411 pledgers for 1932 leads us to hope that we can advance to 500 pledgers for 1933. But more of this in our November issue.

Beginning with the November issue, we shall enclose a statement of the pledges of boys and girls in the Church School, thus keeping parents informed of their children's offerings and also regulating this phase of our Church School life.

The statement of Church receipts and expenditures, and also the report of last year's Church School Treasurer in this issue, will interest many. Get out your February copy of the Chronicle in which the Budget is printed. By comparing present eight months' expenditures with the Budget you can gain a real picture of our financial position.

Has anyone a typewriter that could be given to the Parish? Please notify the Rector.

CHURCH SCHOOL NOTES

Our School opens Sunday morning, October the second, at nine-thirty o'clock.

Be sure to bring your postal card notice with you. You should receive it through the mail this week. Since your class number and your class room are written on it, the card is a most valuable identification. We shall not have to take time to look up your class if you bring the card.

Mr. Voss has every room in wonderful order—clean, dusted and ready for the school bell to ring.

Miss Alice Gamper and Mr. Raymond Phillips have been added to our Faculty.

Church School Offering Envelopes will be distributed on October the ninth.

Be sure to make out your pledge on the card enclosed in your carton of envelopes and to bring it with you the following Sunday.

Miss Josephine Atkinson takes charge of High Four for girls. She will present a course in the study of the Life of Jesus with special consideration of ways in which it might be presented as material for teaching. Thus her class will study methods of teaching in combination with a survey of material for a Life of Jesus. Her class will meet in the Vestry.

Mr. Frank McCook joins our Faculty as leader of Grade 5, and Miss Lucille Fitzgerald as leader of Grade 6—both classes for boys.

Miss Annie Bailey will lead all the girls in High Two—"The History of Christianity."

Miss Eleanore Francois moves up from the Kindergarten Department to lead Grade 8. Miss Alice Gamper joins the Faculty as the leader of a class of girls in the sixth grade.

Miss Mary Simmons joins our Faculty as leader of Primary 21, and Miss Helen Park advances to Primary 20.

Mrs. Frank McCook has accepted the office of Registrar of the Church School.

The Rector has appointed Dr. J. Randall Skillen Treasurer for the school year. Remember your attendance records.

Who knows of a boy or girl who might come to our Church School? Why not extend an invitation?

Our period of worship will begin at 10.10 A. M. in the Church.

October second is Communion Sunday. Why not plan to remain for the eleven o'clock service?

Mr. Albert Eastwood will again be our Church School Organist.

The complete staff of the Church School will be published in our next issue.

Miss Mary Simmons joins our Faculty as a Teacher in Grade Two.

Do not forget that to be tardy four times counts as an absence when we are giving diplomas for attendance.

Mr. and Mrs. Frank McCook have been appointed by the Vestry as Assistant Treasurers of the Church School, responsible for opening and recording the Church School Offering Envelopes and for sending out the monthly financial statements of the Church School.

Miss Ida Wager becomes Assistant to Miss Mildred Leuthy in the Kindergarten Department.

Our Church School Treasurer, Dr. J. Randall Skillen, reports a balance of \$195.00 as we open our October sessions.

Mr. H. W. McComb is planning new and interesting methods for the Graduate High Four Class for Young Men. Last year his survey of Biblical Literature followed largely the lecture course method. This year he aims to make his group a forum for the open discussion of Biblical problems and interpretation.

THE WOMEN'S AUXILIARY

This Women's Society meets on Thursdays at half-past two o'clock with a monthly all-day meeting opening at ten-thirty. The membership contracts to take over an apportionment of sewing from Diocesan Headquarters, and is busily engaged from November to May. Mrs. James M. Hazlett is President.

A most cordial invitation comes through this issue of the Chronicle to the women of the parish to associate themselves with the work of this society. Every baptized member of the Episcopal Church becomes automatically a prospective member of the Women's Auxiliary. Naturally, as baptized members we are pledged to the missionary challenge of the whole Church.

† †

COAL! COAL!

That's the problem as the cold breezes begin to blow. We shall have to be very careful of our coal. If we can keep our Parish House activities to Mondays and Thursdays, once there is need of heating the rooms, we shall save a heap of coal. The great cost lies in starting the fires. Those thinking of other nights than Mondays and Thursday must speak to the Rector soon, so that he may bring their plans before the Vestry. Confirmation classes will be invited to meet at the Rectory, thus saving the heating of the Parish House. It may be possible also that committee meetings could be held at the homes of members. In any case, let us all strive to save on the coal bill this winter.

CONFIRMATION

Bishop Taitt comes to us the second Sunday evening of December for confirmation. Which means that we must begin our instructions early in October.

The Rector will be writing quite a few adults, as well as boys and girls, very soon, asking them to think of being confirmed this year.

Last year we had the largest number confirmed for many years—somewhere back in Mr. Taylor's time there was a larger group. What can we do this year? There are easily one hundred unconfirmed. Why not make a decision for this year?

ALTAR FLOWERS

We appreciate the kindness of those who are providing flowers for the Altar during September and October.

September 18th: Miss Laura Henzler; September 23rd: Mrs. O. P. Doughty.

October 2nd: Miss Julia Lockuart; October 9th: Mrs. George Blatz; October 16th: Miss Linnie Oldham, Mrs. Elizabeth Donovan; October 23rd: Mrs. H. W. McComb; October 30th: Mrs. Frances Wickeiser.

RECOGNITION

The Parish will be delighted to know that the Rector has been elected a member of the Department of Education of the Diocese of Pennsylvania. This honor ought to make us all very happy, for it represents a definite recognition of our Church School policy. We have fallen into line with the programme of the whole Church by grading our school in classes and in courses, and the Diocese is not slow in recognizing our loyalty. By honoring the Rector the department is commending the vision of St. Paul's Parish.

CHURCH ENVELOPES

Your Treasurer is hoping that these immediate Sundays will find parishioners catching up on their Church Envelopes. Naturally, the summer months are always difficult months. We have weathered them and hope that before October closes all our subscribers will be right up to date.

ABOUT THE PARISH

Mrs. Kate St. John is up and about and home. We rejoice with her.

Our Early Communion at 7.30 Sunday mornings will be held regularly beginning October the second.

Miss Rose Buzby is amazing everyone with her remarkable progress this summer.

The Rector rejoices in the many kind expressions of appreciation that he should have been on hand for all the services and sermons and sick calls this summer. To have kept the Parish together through this most difficult summer and to have had such fine summer congregations comprise a real reward.

Everyone has appreciated Mr. Beck's presence at the organ during August. His beautiful organ solos after the lesson have enlarged the spirit of our worship. Why should he not favor us more often?

Mr. William Evensen gave us a violin solo one Sunday. Miss Isabel Rosenfeldt, Dr. J. Randall Skillen and Mr. Albert Eastwood have rendered solos. The congregation enjoyed singing the hymns. Really, our services this summer have been quite unusually fine.

† †

PRAYER BOOKS AND HYMNALS

We are in need of both. The Altar Society is going to help us. Miss Laura Henzler is also building a fund through small subscriptions. With everyone helping a little we shall be able to supply the pews.

Our plan is to buy the small books. The large hymnals are costly and unnecessary for the worship of the Church School. Their weight is too much for little hands.

We shall hope for even more complete congregational singing and praying when every parishioner can be given an individual book.

† †

THE BIBLE CLASS

Our Lenten Bible Class at the Rectory was of great interest and certainly was a wonderful time.

The suggestion has been made that we extend the plan a bit this year by holding an Advent session as well as a Lenten session.

Thus we purpose to open the first week of November and run six weeks—until the week before Christmas. With the opening of Lent we shall hold a second six weeks of discussion.

Our course will continue in the study of the Gospel of St. Mark, picking up our story just where we left it last Eastertide.

DATE OF JUNE 26

Our Assistant Treasurer, who keeps the record of pledges, Miss Kathryn Wardon, reports that for the half year ending in June there are fifty pledgers who have paid nothing on their pledges. As I look over the list of unpaid pledges as of that date, I find myself assuming that almost all who were then delinquent will have paid up by October. The names are those of responsible people to whom the Church pledge is a promise to God and sacred. Only the very worst misfortune would lead them to forget their pledge. Some of these fifty pledgers have died; others have definitely removed and disappeared. A year ago we had only 135 actually paying their pledges; today we have 360! These fifty represent a sum of \$255.60, as against \$3,053.44 pledged up to the end of June.

Many a Parish would be envious of such a record. To me it is a most encouraging picture, and certainly it ought to be to our Vestry and congregation. Another year of such fine co-operation, a little lifting of these dark clouds of depression, and we shall be going along in glorious fashion. Probably there are few parishes in the whole Church that are not doing a lot of financial worrying. If they could read what our people are doing in the worst year of the depression, they would give us a hearty cheer.

So, cheer up, everybody, and let us return to church Sunday morning, October the second, full of enthusiasm for our services of worship and for the varied activities which comprise our Parish life.

† †

THE DORCAS

The membership held its opening meeting Monday, the twelfth of September. What a splendid start! Such enthusiasm promises a busy year and many worthwhile tasks.

May we draw the attention of the women of the Parish to this organization? The meetings are held in the evenings—eight-thirty every Monday evening. Mrs. Alexander J. Wallace is President. You are encouraged to join this fall. Either arrive any Monday evening and be welcomed or speak to the Rector, who will ask some member to come with you the first time, and thus dispel any little hesitancy about approaching a new group.

THE SERVICE OF MATRIMONY

The season for weddings swings round again. There are several matters worth bringing to the attention of our people in this connection:—

First: We hope that congregations will remember that the wedding service is a sacred service, held in God's Holy House. Again and again last Spring there were people who stampeded out of the church as the wedding party proceeded down the centre aisle. Can we not try to make it a rule to remain standing in our pews not only until the bride and groom have departed but also until the priest has left the chancel.

Secondly: There has been a great deal of disorder at the front door as wedding parties have attempted to reach their automobiles. People seemed to run riot and to forget that they had been present at a sacred service. Pushing, crowding, throwing of rice, noise and clatter,—the whole scene is so unseemly. May we not hope that this attitude will change

Thirdly: The Parish House may be engaged for wedding receptions at a service charge.

Fourthly: Those who wish music must make arrangements with the organist of the parish. There is a charge for this service.

Fifthly: The Altar Guild must be consulted if a bridal party wishes to place flowers upon the altar.

† †

ROBERT J. SKILLEN

Mr. Skillen, whose responsibility it has been during 1931-32 to open and record the Church School Offering Envelopes, is relinquishing that task this year in view of the plans for a more extensive record and the mailing of monthly notices. The new plan calls for such an increase of detailed labor that it has not seemed fair to ask him to carry this along with all that he does in managing the Chronicle.

PATRONIZE THE ADVERTISERS

THE CHRONICLE

Miss Laura Henzler has presented the Rector thirty dollars, the gifts of many parishioners, towards new prayer books and hymnals. The Rector and Vestry deeply appreciate this gift and Miss Henzler's splendid service.

The Young People's Fellowship will hold its first Corporate Communion on Advent Sunday, November 27th, at 7.30 o'clock. Breakfast will follow in the Parish House.

We all rejoice in the complete recovery of Mrs. James M. Hazlett and hope that we shall soon see her again at our services and the meetings of the Woman's Auxiliary.

Our Adult Bible Class will begin its Advent meetings at the Rectory on Wednesday afternoon, November the ninth, at three o'clock. Be sure to bring your Bible.

Mr. James M. Hazlett very kindly made possible the recent Choir banquet.

Sixteen new registrations in our Church School the opening Sunday. We welcome the following: Clara Virginia Quaile, William Quaile, Beatrice May Quaile, Sara Wolf, Sarah Hetto, Rae Gears, Edith Conrad, Louise Reber, Shirley Richard, Elizabeth Dickinson, Albert Eells.

We are working out a Font Roll of Pre-Kindergarten boys and girls which will be on exhibition shortly.

We plan for a Christmas Pageant and Christmas Service from seven until eight on Christmas Eve for the Church School pupils, their teachers and parents.

The Altar Guild will hold its Fall Covered Dish Luncheon, on Thursday, November 10th, at 12.30 o'clock. Bring a dish and let us try your cooking. Come and enjoy our cookery.

Our appreciation goes to Mr. F. B. Fulwider and his son, Charles, who with Mr. Voss, have laid the new hot water pipes in the basement of the Parish House without charge to the Parish.

Our Blue Box Offering as reported by Mrs. John Aikens, amounted to \$24.00.

MONTHLY STATEMENT

Another monthly statement comes with this issue. Our year soon closes. May we hope that every parishioner will do his best to meet his church obligation by Christmas Day? Your Vestry hopes we may close the year with every bill paid.

CHRISTMAS

The Birthday of Jesus falls this year on Sunday. How wonderful that is, for we shall have a glorious Sunday.

What shall we decide upon as our holiest gift to the Christ Child? Each gift will be different, as different as is the wealth of personality. Each with his gift of loving devotion will kneel before the Altar offering his precious treasure of consecration to Jesus.

We shall also wish to express our joy in concrete gifts of money.

Your Rector asks you to accomplish an exceptional result this year. His ideal is the present upon the Altar on Christmas Day a total offering of **Fifteen Hundred Dollars**.

He asks you to place this offering in his hands before Christmas Day. He has a plan.

Every parishioner will be asked to give a definite amount worked out in such a schedule that, if everyone does his part, we shall all share without the burden being too great for anyone. Some will be asked to give one hundred dollars, some fifteen dollars, many five dollars, still more one dollar and even the boys and girls will be given opportunity to help in small amounts.

Christmas comes but once a year and this plan comes less often still. When you hear from the Rector, do not fail to respond immediately.

A NEW FORM

The Chronicle comes to you in a new form but with the same amount of reading matter. A committee of the Vestry, composed of Mr. Robert J. Skillen and Dr. J. Randall Skillen, recommended the change in the interests of economy and efficiency. It was discovered that the advertisements were only paying for the pages upon which the advertisements appeared! We now present a Chronicle at less cost and within the range of our ability to carry with your monthly subscription of ten cents through the envelope system, and with no loss of reading material.

ONE HUNDRED AND FIFTY

We promised the Bishop that we would give \$300.00 this year towards the spread of Christ's message throughout the world. The boys and girls gave \$150.00 of this amount in their lenten offerings and this has been forwarded to the Bishop.

For many years our Parish of adult members has given nothing to missions. Whatever has been given has come from the children's offering.

It is the well-established philosophy of our Episcopal Church that the Parishes which possess a missionary vision and sacrifice to give to missions are the Parishes which are actually alive in their own parochial interests. Shall we take that philosophy to heart? Are we missing definite spiritual blessing through our complete lack of enthusiasm for the spread of the Kingdom?

Our pledge to the Bishop lacks \$150.00. There are two months in which to meet this sacred obligation. Are there those who are as concerned as the Rector that we have not met our pledge? Will you give anything towards meeting the obligation? If you will give the Rector these gifts he will see that they are passed through our books and forwarded to our Bishop.

Our only way of meeting this problem is by special gifts from those who with the Rector feel that we cannot fail our beloved Bishop and the Church of Jesus Christ which he represents. Seven dollars has reached me. Are there others who will help?

NEEDLEWORK GUILD

We all rejoice in the year's accomplishment of our Parish Chapter of the Needlework Guild of America. Mrs. F. B. Fulwider, Directress of our Parish Chapter, reports a total of 102 garments and \$17.00 delivered to headquarters.

This is the second largest parish return in the Diocese. The garments, all of which are new, are distributed to needy in hospitals, charitable organizations and families. Why not advise Mrs. Fulwider of your desire to make one garment before October 1933?

AN APPRECIATION

The Rector, in his own behalf as well as in behalf of the Vestry and Parish, has written to Mrs. Florence McGowan as follows:

Dear Mrs. McGowan:

May I take this opportunity to thank you for your loving and faithful service to the Altar Guild? No aspect of the Church's life has more sacred values. I know you have loved your work and counted it a privilege to have been chosen to lead. We shall miss you in so many ways. I appreciate thoroughly your problem, however, and can only wish you "Godspeed." Wherever you are, you will be serving and our loss is not a loss to the church at large. You have enriched our life and now you will enrich the life of another of our churches.

With kindest regards,

H. L. JOHNSON,
Rector.

SUNDAY, DECEMBER 4th

THE EVERY MEMBER CANVASS

It is on this Sunday that our "Flying Squadron" will call upon every adult parishoner who is not a regular pledger at this time.

Those who are pledging this year now closing will not be included in this canvass we shall approach them by letter during November—and hope that, with the exception of those who have moved away or died, we shall repledge them for the year 1933.

We had 411 pledges during 1932. Some have disappeared from our community. The doubling up of families in the present difficulty accounts for many of these and is quite understood by us all.

Our hope is that we shall gain seventy-five new subscribers. That would be a splendid increase in this hard year. Once more we emphasize the importance of small pledges. Our concern is not over the size of any pledge but rather that there are five hundred people who are not pledging anything.

To these parishioners we shall come on Sunday, December the Fourth, and our hope is that we shall have a wide response.

THE CHRONICLE

Our last issue showed a total of \$108.52. Everyone will be happy to know that we actually print this issue owing nothing to our printer or to our manager. Actually a clear slate financially. Can we keep the slate clean? Yes, if everyone will continue to support the Chronicle through the envelope system, ten cents monthly, and, of course, everyone will.

We record, for instance, the following gifts since our last issue:

Ten cents:—42, 194, 219, 280, 283, 4, 19, 24, 39, 51, 85, 90, 115, 116, 117, 124, 134, 287, 289, 399, 135, 136, 163, 166, 182, 190, 191, 195, 196, 206, 232, 235, 239, 268, 282, 294, 297, 366, 373, 395, 397, 399, 400, 4, 17, 42, 264, 271, 287, 379, 380, 3, 180, 181, 252, 277, 283, 295, 412, 421, 54, 55, 240, 252, 400, 4, 380.

Twenty cents:—15, 180, 181, 412, 3, 13, 182, 240, 378, 101, 53, 124, 154, 329, 330.

Thirty cents:—14, 65, 311, 312, 193, 311, 312.

OUR LENTEN PROGRAM

It is not too early to think of this coming Lenten Season. Lent is one of the most important parts of our Church Year. The good that we receive from this Season comes to us, because, we ourselves have put something into it. FEBRUARY 10th IS ASH WEDNESDAY. The Rector is planning to have Lenten Services each Wednesday evening in Lent. Visiting members of the Clergy of the Diocese will deliver the Sermons. On Ash Wednesday we will have three Services. The Holy Communion will be Celebrated at 7.30 A. M. so that business people may have the benefits of the ministrations of the Church. It is a fine way to start the Lenten Season, and a business day, by attending Church. At 10.00 A. M. we will have the second Celebration for all the women of the Parish. Each of us should make every effort to attend one of these Services. In the evening at 8.00 P. M. we will have Penitential Offices and Sermon by the Rector. The Rector hopes that all members of the Parish will co-operate with him and attend these Services on Ash Wednesday and all during the Lenten Period. It is not long, we can well afford to be earnest in our prayers for this short Season. It will do us so much good. This good will be reflected in the world. Our lights shine only in proportion to the amount of fuel and supply that we have stored within our hearts and minds.

LENTEN CLASSES

Lent is not wholly a time of abstinence. We should not look forward to Lent and begin to plan what we will, "give up." This Season is one in which we should diligently seek after the Spirit. One way of seeking is attending the Church Services. The second method of seeking is by attending classes. Adding to our knowledge of things advances us in the Spirit. Surely we remember that old saying, "KNOWLEDGE IS POWER." This is not a trite saying, it is an expression of a concrete truth.

The Rector is planning to conduct two classes during Lent. The first, is a Class in The Bible.

Some people will say that they know the Bible from cover to cover. Their knowledge consists of saying so many verses from memory. This is not true knowledge of the Bible. We must also know about our Bible. We should look to the origins of the Scriptures, the men who wrote them, the conditions and customs under which these people lived. These all color the Scriptures. In this course we will begin many years before Moses comes into the picture and trace the Hebrew people in their wanderings and campings, in their battles for survival, and their faith in God. THIS COURSE WILL BE GIVEN ON TUESDAY AFTERNOONS AT TWO O'CLOCK IN THE PARISH HOUSE, BEGINNING FEBRUARY 16th.

The second course of instruction will be the Life of Jesus. This is most important for each of us. We know a great deal about Jesus, but our knowledge is not full. It is well for us to read the Gospels. We read of the many incidents in the life of our Lord. We read St. Matthew for a time then St. Luke, we miss the full picture as it is given to us by the four Gospels. In this class we will look at the life of Christ from this point of view. We will make effort to trace with the Disciples every footstep, every good deed; we, with the great company that followed Christ will listen again to His teachings.

If you cannot come to both classes, as the second class will be held on THURSDAY AFTERNOONS IN THE PARISH HOUSE BEGINNING FEBRUARY 11th, AT TWO O'CLOCK, come to one of them. Each of us cannot do all things well, we can however, set ourselves down to do one thing perfectly. Make your choice in this matter, select the course that will be most interesting to you, one that will give you more faith, a new perspective, one that will lift you, and give you new inspiration, and attend that class without fail. If you intend to take either of these classes will you please speak to the Rector and tell him which one you will take so that he may make adequate plans for the people who will attend. Your hearty co-operation is needed in this matter.

Dear Friends:

RING OUT THE OLD! RING IN THE NEW! We have heard this so many times. The true symbol of New Year's seems to be noise. But, is this true? We gather with our best friends, the people we love most deeply. We want to be with them at this time. It is a joyous occasion. We rejoice together, not because the past is gone, not because we are scraping the past, but because together we look with firm resolve to the future.

New eras are brought about because all has not been well in the past. Our histories are full of romantic tales, and stories of revolutions, the establishment of Empires, the defeat of kings, and the overthrowing of principedoms. These are not all, "Gone With the Wind." As we look at them we see that the dissatisfaction with the past caused the people to completely destroy everything that was good or bad. All was literally, thrown out, and a new regime set up. Herein is the error. The past, no matter how regretful, always has something in it of value. There are the great stones of ideals, the great blocks of truth, the panoramas of beauty, the pillars of sound learning, of honest and sincere industry, the fortresses of finance. The debris of life is the foundation stone of the future. In the path of progress the stones of truth, beauty, and all the others stand boldly before the eyes of men. The dust of ridicule, hatred, malice, and envy, is the debris beyond reclamation.

These facts are so true of the New Year's Season. Our tendency is to scrap all that is past, and to begin the new era from a newly established start. Many of us make this start from an anticipated and hoped for "break." If our lives are motivated and advanced merely by these "breaks" then life is a gamble, all is

chance. We have nothing to do with the future, if the lot falls upon us then we will be successful. If the lot falls elsewhere we have no hope but to travel miserably along as we are, as we have in the past. Is this life? What of Him who said, "I am the way, the truth, and the Life." Think of Him who said, "Seek ye first the Kingdom of God and His Righteousness." Can this be mere chance? Of a truth, the year 1937 is not a new beginning. We cannot start to build anew what was started in the year 1936. Life, then, would be a periodic tearing down, scraping, destroying, of all the gains of the previous years of our existence. Life does not begin January first, and end December thirty-first of any year, with a yearly house-cleaning on New Year's Eve.

If New Year's Eve is a house-cleaning time for us, then it means only this. We have things in our lives that are not abiding, that do not bring to us true satisfaction and joy, that are not permanent. It means that we do not have the true foundations for the future. Three hundred and sixty-five days are ahead, for us to do with what we will. Would to God, our Father, that we realized this fact. My prayer for you, and for myself, is that we shall build wisely in 1937, putting in the New Year the things we want there. Our first step is the Christlike mind and heart, coupled with a determined will that the power alone for us to do and to succeed comes from God to us through His Church. For each of you I pray the joys of a New Year that will be happy, and prosperous, patterned after God our Father, through Jesus Christ, His Son, our Lord, so that all the true joys and comforts will be yours evermore.

Faithfully yours,

J. PERRY COX.

CONCERNING FINANCES

The Vestry reported at the December Meeting that the Pledges received for 1937 were very low. These were so low, that, were they our only source of income, we would have to end our work immediately. Yet, when we reason this matter through, not all of our people are willing to make a pledge. For this attitude they have their own personal reasons. We are glad that this attitude of thinking is back of their respective decisions. However, we must conduct the affairs of our Parish to completion in a systematic and orderly way. This can be done efficiently when the Vestry have in their hands statements of intended giving from the Parishioners. Then, and only then, can the Vestry calculate our budget needs, what we can do in the future. We must pay as we go.

These facts bring this thought boldly forward in our minds. St. Paul's is doing a great work. In the year 1936 our condition was better than it has been for sometime. But, to continue in the future—we must have regular contributions from the members of the congregation. Our benefits from the Church of God—we receive mutually. Together we must regularly share the responsibilities.

This we do! The people of St. Paul's have a mind to work as well as worship. Our very fine Heating Plant is a memorial to the loyal workers of St. Paul's. This year we have paid the Diocese in full. We can proudly take our place in the affairs of Convocation and the Diocese, and feel that we belong there because our bills are paid. However, not all of our bills are paid in full. The Vestry will publish in the February issue a full and complete statement of our outstanding accounts. It is the opinion of the Rector, Church Wardens and Vestrymen, that when the people of St. Paul's see for themselves the condition of things about the Parish in the financial part of our work, they will shoulder to shoulder, arm in arm, do what is set before them to do, and not rest until it is finished.

For the loyalty of the people in 1936 we are thankful. They have given, and in most cases, given until it was sacrificial. That is the reason our Parish stands! For the future we need not fear, as long as we preserve this attitude, cultivate it in our children and Young People. 1937 is not just a New Year—it is a challenge. Together WE PRESS TO THE MARK.

THE CHURCH SCHOOL

Our Church School continues its good work. The Christmas Party was a huge success. The children were so happy to have their candy.

Naturally, when a thing progresses it changes. That is the principle of growth. THERE IS TO BE A CHANGE IN OUR CHURCH SCHOOL. THIS CHANGE WILL OCCUR ON SUNDAY, JANUARY 17th. All of our children are to come to Church School promptly at 9.30 A. M. and report to their respective classes in the Parish House, instead of in the Church. On the same day THE ATTENDANCE CONTEST WILL BEGIN. The plan is this. The Contest will be held from January 17th until May 23rd. Each member of the Church School is to be in his place promptly every Sunday at 9.30 A. M. If a member of the Church School should be late four times this will count an absence. At the completion of the contest on May 23rd, all members of the Church School who have had perfect attendance during this period will receive a beautiful gift. The gift depends solely upon the choice of those who have had a perfect attendance record. The books from which these people may choose are The Bible, The Prayer Book, The Hymnal, or any other suitable book the pupil might desire. The Bibles, Prayer Books and Hymnals will have the names of the pupils printed on them.

A word to the parents of our children. This is a splendid way for your children to earn for

themselves a Bible, Prayer Book, or Hymnal, that will be used by them all during their lifetime. It would not be appreciated half so much if we were to give these out on some Sunday morning in a wholesale manner. The object for us to consider and work for is this. Our Children should have these books as part of their equipment for life. The best way to obtain them, so that they will mean most, is to earn them. It is hoped that all parents will co-operate with the Rector and Church School Teachers in this most important matter.

For the Class that has the most new members, and the most perfect attendance during this period will receive the Banner and have given to them a Party in the Parish House. THIS CLASS WILL BE THE BANNER CLASS FOR THE YEAR. Boys and Girls, and Young People, this is worth working for in our very best and most earnest way. Remember Sunday, January 17th, 9.30 A. M., in your class in the Parish House, and then thereafter, no latenesses or absences.

CONFIRMATION

Bishop Taitt has sent word to us that he will visit St. Paul's Parish on Sunday Evening, February 21st, at 8.00 P. M., for the purpose of Administering the Rite of Confirmation. Each of us who are parents of children should recall that we and the Sponsors of the Children promised this, "Wilt thou take heed that this child, so soon as sufficiently instructed, be brought to the Bishop to be confirmed by him?" Our answer was made in good faith, "I will, God being my helper." This, then, is our duty. Our children should be instructed, in the home, in school, and in the Church. THE CLASSES OF INSTRUCTION WILL BEGIN ON MONDAY AFTERNOON, JANUARY 11th, AT 4 P. M., FOR ALL THE CHILDREN. THE ADULT CLASSES OF INSTRUCTION WILL BE HELD ON MONDAY EVENINGS FROM 8 UNTIL 9 P. M. There are many candidates for Confirmation in St. Paul's Church. Please assist the Rector and tell him of these people immediately. This effort of ours can be made most successful if we all do our part.

YOUNG PEOPLE'S FELLOWSHIP

On Sunday evening, January 10th, a very important meeting of the Fellowship will be held in the Parish House. The Officers for the coming year are to be elected. The Plans for a great many functions for the New Year will be discussed. The Fellowship will present its Annual Play. This must be planned with the help of all. COME!

RECTOR, WARDENS AND VESTRY

The Rector, Church Wardens and Vestrymen of the Parish will sponsor a Card and Radio Party on Friday evening, January 29th, in the Parish House. The Party is given under the auspices of this group to start a fund to pay our Insurance Premiums. The sum to be paid

this winter is \$536.00. This can be easily surpassed if we all work and share alike. The Prizes will be excellent, and the refreshments will be perfect. Plan to come and bring your friends. This Party must have the support of each of us to be successful.

DORCAS SOCIETY

After the Christmas holidays, the Dorcas Society resumed its meetings. We had a very busy and successful year and wish to thank our many friends, both within the Parish and without, for their support and interest during the past year and hope they will continue to support us in 1937. The election of officers for the ensuing year took place on Monday evening, January 4th. The Rector presided at the election.

The following officers were unanimously elected:

President, Mrs. Howard McComb.
Vice President, Mrs. Joseph Doughty.
Secretary, Mrs. Robert J. Skillen.
Treasurer, Mrs. Mabel Pelter.

The first of our activities will be a Card and Radio Party at the home of Mrs. Skillen on Friday evening, January 8th.

A Luncheon at the home of Mrs. McComb, 1200 Mollbore Terrace, on Wednesday, January 20th, at 12.30 P. M.

A trip to a Motor Parts Plant on Wednesday, January 27th, leaving at 12.30 P. M.

A Card and Radio Party in the Parish House on the evening of Shrove Tuesday, February 9th.

Harriet J. Skillen, Secretary.

WOMAN'S AUXILIARY

On first Friday in November we had a re-organization meeting and held election of officers. Mr. Cox, our Rector, presided as chairman.

Mrs. John Aikens was elected President.
Mrs. O. P. Doughty, Vice President.
Mrs. H. McComb, Treasurer.
Mrs. H. S. Edkins, Secretary.

On account of the holiday season we held over most of our work until now. We are meeting every Thursday afternoon in the Parish House and extend a cordial welcome to all the women of the Parish to come and join us.

The work is interesting and when finished it is sent to the Mission Fields.

Mrs. H. S. Edkins, Secretary.

CHRISTMAS ALTAR

Our Christmas Altar was exceptionally lovely this year. We are very proud of our floral offerings and so happy that we may still enjoy the beautiful blooms. This year we have used potted plants and what a joy they have been. It is so nice to know that all during the holiday season our Church has looked its best. There was surely a Christmas message in the flowers.

The members of the Altar Guild thank all who so generously contributed. If you wish to give and have not done so it is still not too late.

Kathryn J. Hazzard.

seen in this light is not a sacrifice, but, "our bounden duty" and service to Christ and His Church.

Plan your Easter Offering for the Church as you plan the things about your household. Ash Wednesday is February 10th. We have six weeks after that day until Easter Day. Make every day in your life a day in which some offering is made to Almighty God. We are richly blessed, yes, and far more than we rightfully deserve. What greater ingratitude is there in the world than ingratitude to God, our gracious Heavenly Father. On Easter Day we will say in the Holy Communion Service, "And here we offer and present unto thee, O Lord, our selves, our souls and bodies, to be a reasonable, holy, and living sacrifice unto thee." This can be a reality and a truth beyond contradiction, if we have been faithful and have given freely of that portion of this worlds goods that have been allotted to us to administer as a trust. The work of our Parish only progresses as far as we will have it progress. Our Easter Offerings together means the advancement of the Kingdom of God. We share plentifully all the benefits, surely we are not going to shirk the responsibilities.

THE KING OF KINGS

ON FRIDAY, MARCH 12th, THE CHURCH SCHOOL will present in the Parish House this most wonderful motion picture. This picture will be shown in full, it will not be cut in any way. We are to have SOUND ACCOMPANIMENT. This is an entertainment we must admit, for this picture has been shown in every city in the United States in motion picture houses. But, it has been acclaimed by the Church as one of the finest pictures that has ever been filmed. This picture brings us the Life of Christ in a way that we have not seen it before. The stories that we have heard from babyhood up will live before our eyes. This picture will bring to us beautiful music, for one of the finest Choirs in America will sing many of the hymns we love to hear and sing ourselves, in the background of the setting. The great Halleluia Chorus will conclude this presentation.

This is the Church School's effort, to help the Parish raise our Easter Offering of \$1,500. Our children need above all your encouragement. The tickets are to be entirely within reason. Ten cents for children and twenty cents for the adults. This is reason enough for each member of the Parish to attend. It is part of our education and better understanding to see this picture. Do not neglect our children. Do not neglect yourself, for this picture is sure to live a long while in the memory as one of the finest of its kind.

EXECUTIVE COMMITTEE

We have had several meetings since you heard from us last. Our principal concern at present is the Easter Offering. All Parish organizations are working very hard on their projects to raise that \$1500.00. What are you doing?

We were one of the first churches to pay our Diocesan apportionment; let us have the finest Easter Offering in the Diocese.

Support the following activities and we will top our mark:—

Feb. 9—Dorcas Shrove Tuesday Card Party.

Feb. 11—Visit to National Biscuit Co. Dorcas sponsoring.

Feb. 19—Card Party. Davis Furniture Co., 3930 Lancaster Ave.

Feb. 24—"Spry Demonstration", Parish House, 9 P M. Silver offering.

Mar. 5—Card Party. Mrs. Boggs and Mrs. Rudolph, 1508 Porter St.

April 30—Lit Bros. Fashion Show. Mrs. Krauss's Class.

We close with the thought that you do not forget one of our most important activities—the Wednesday evening Lenten services planned by our Rector.

Josephine Krauss, Secretary.

"INASMUCH"

Send us, O God, as Thy messengers, to hearts without a home, to lives without love, to the crowds without a guide. Send us to the children whom none have blessed, to the famished whom none have fed, to the sick whom none have visited, to the fallen whom none have lifted, to the bereaved whom none have comforted. Kindle Thy flame on the altars of our hearts, that others may be warmed thereby; cause Thy light to shine in our souls, that others may see the way; keep our sympathies and insight ready, our wills keen, our hands quick to help our brothers in their need; for Christ's sake. Amen.

FOR TODAY

O God, give me strength to live another day. Let me not turn coward before its difficulties or prove recreant to its duties. Let me not lose faith in my fellow men. Keep me sweet and sound of heart, in spite of ingratitude, treachery, or meanness. Preserve me from minding little stings or giving them. Help me to keep my heart clean, and to live so honestly and fearlessly that no outward failure can dishearten me or take away the joy of conscious integrity. Open wide the eyes of my soul that I may see good in all things. Grant me this day some new vision of Thy truth, inspire me with the spirit of joy and gladness, and make me the cup of strength to suffering souls; in the name of the strong Deliverer, our only Lord and Saviour. Jesus Christ. Amen. —Phillips Brooks.

Dear Friends:

We are facing together another Lenten Season. This fact has a deep significance for each of us. Facing the Lenten Season together means that we as a Parish are co-operating together to our fullest capacity to make our Lenten Devotional Services a success. Then, too, there are the Lenten Classes. Together we realize that our knowledge is but meagre, and that yet we have much to "hear, read, mark, learn and inwardly digest." Our sincere co-operation together acknowledges our need for something that we do not have, but can surely obtain by pursuing these avenues of the Spirit. We are not alone in our faith in this method of "drawing night unto God" for the Apostles gathered themselves together with all the members of the first Christian Community. They continued earnestly in prayer and supplications. Together they knew what the result would be. But, the fact is, that they also realized that alone they could not obtain the fullness of the Spirit.

The Lenten Season does not require of us the giving up of anything. That is not the purpose of this period. Lent does not mean for any of us the learning of doing without the things that we care for most of all. We hear so many of our people say, "I am not going to the theatre," "I am not going to do this or that," "during Lent I will not smoke." This type of statement is a symbol of a principle. During the Lenten Season we are determined to place things in their rightful positions. Oftentimes, we are mastered by many things in life. We do not realize just how much the things about us do become our task-masters. We are led by them daily unknowingly.

In Lent we become the master of ourselves, and with a determined will, rule ourselves as we should be governed. We place material things in the background, but what do we place in the foreground? What takes the place of the things which we have placed aside? Is it merely the giving up of these for awhile that we seek?

The sincere Lenten Season can only be judged by its result in us. We worship together, of course. We join each other in prayers. But, for what purpose? The result of Lent is purely personal. The benefits that come to us do not come for the group as a whole. We as individuals receive a renewed cultivation of the Spirit. The sincere Lent is the stretching forth of our hand to quiet our own desires and to place them aside, that the higher voices and the higher touches fall upon us. It is the making of a human emptiness about our souls, so that the higher fullness may fill it with all joy and happiness in the work and service of the Master. John Greenleaf Whittier must have known these facts in his heart and in his mind when his soul cried out and said:—

"Drop they still dews of quietness,

Till all our strivings cease:

Take from our souls the strain and stress,
And let our ordered lives confess

The beauty of thy peace.

Breathe through the heats of our desire

Thy coolness and thy balm;

Let sense be dumb, let flesh retire;

Speak through the earthquake, wind and fire,

O still, small voice of calm."

"And let our ordered lives confess" notice these few words. Not our lips,

not our workings, not the things that we give up or do without, not wealth, nor power, none of these. Lent for you and Lent for me means Life. It means a God-centered life. A life that is God-ordered and God-willed. When the lives of men the life of God meet in one person, it can signify only this. It is another Incarnation. God has found anew another Son. From that day forward, when God finds us and we find God, the change is on our part. We live everyday in the year as becomes a Son of God. The Lenten Season is not then confined to a short space of forty days, but becomes a Lifetime. God grant that each one of us in St. Paul's Parish will find the Lenten Season a reality and a season of true Spirit cultivation.

Faithfully yours,

J. PERRY COX.

ST. PAUL'S CHURCH SCHOOL

The Teachers and Officers of the Church School are very much encouraged by the response of our children to the Attendance Campaign. Since this campaign started on January 17th, we have had over one hundred children in the Church School. The children are eager to earn a Bible, Prayer Book or Hymnal, or any other suitable book that they might use the rest of their lives. This spirit is a healthy one. Each of us treasure something that we earn for ourselves.

The children look forward with great enthusiasm to the Lenten Season. The Classes of the Church School are vieing with one another in competition to have enrolled the most new members. This Class will be the BANNER CLASS FOR THE YEAR. For the child that has the greatest amount in his or her Mite Box the Rector will give a picture of Our Lord that may be placed in the child's own room at home. Or if the fortunate child should desire it he will give a group of pictures portraying the Life of Christ. For the Class that has the most Lenten Offering this year a Party will be given for this group for its reward.

To us who are a little older these things might seem a little childish. This is not so for the children. It would be a lesson for the members of our Parish to see the sincere joy and enthusiasm of these our children in their work for our Parish. If our future life in St. Paul's depends upon

our children we need not fear a great deal about it. But, our need is a present day one. We must continue to co-operate together and maintain this spirit for and in our children. This is our obligation. All the parents of our Parish should feel keenly responsible and without fail see to it that their children attend Church School. Without the aid of the parents of our children we are lost to help them. It is the hope and prayer of the Teachers and Officers of the Church School that we will take our responsibilities seriously and make our Church School go forward. THIS WE MUST DO TOGETHER. BE IT NEVER SAID THAT "OUR CHURCH SCHOOL FAILED IN ITS MISSION BECAUSE OF ME."

CONFIRMATION CLASS

It has been very heartening to the Rector to have such a fine response to his plea for Confirmation Candidates. We have a great many children as well as adults. The Junior Class meets on Monday afternoons in the Rector's Office at 4 P. M. It is not too late for Candidates to enroll themselves. The Adult Class meets on Monday evenings in the Rector's Office from 8 until 9 P. M. It is the duty of all to be Confirmed by the Bishop. This we cannot afford to postpone until later. It should be the anticipated joy of everyone of us to receive, "the laying on of hands." In Confirmation we stand convinced that we are able to face the future ourselves and in order to insure the future and its success we seek the aid of the Holy Spirit in all that we do. To have the necessary strength we receive the Holy Communion. Only in this way can we adequately "press toward the mark of our high calling of God, through His Son, Jesus Christ, our Lord." It is never too late to change your mind. Enroll yourself in one of the Classes. Be not afraid to continue "Christ's faithful soldier and servant." Determine now to assume your rightful place in Christ's Church.

DORCAS SOCIETY

Since the beginning of the year the Dorcas Society have enrolled many new members. The attendance and interest in these meetings has grown together.

Monday evening, February 1st, at our Open Meeting we had as our guest speaker, Mrs. Thomas L. Harris, Educational Secretary of the Diocese of Pennsylvania. Her subject was, "The Childhood of our Lord in Nazareth."

THE SHROVE TUESDAY PARTY

On Shrove Tuesday, February 9th, the Dorcas Society will hold its Annual Shrove Tuesday Card and Radio Party. It is very difficult for us to realize just how hard the committee for this affair has worked. They are still working to make this a truly St. Paul's Party. It is hoped that each member of the Parish will attend this affair and support this worthy organization. The prizes are to be of the very best for this winter season. The refreshments are being planned by the committee and will be tastier than ever. The tickets are thirty-five cents. You cannot afford to miss this evening of fun with all your friends that you will surely meet in the Parish House.

THE LENTEN CLASSES

Just a word about the Classes that are to be held in the Parish House during Lent. The Class on Tuesday will be a Class in the History and Literature of Israel. It will meet at two o'clock sharp, in the Rector's Office, in the Parish House. This Class will discuss the history of Israel from the very beginning and as each epoch brings forward a piece of literature we will point out the causes that brought it forth. This is a very

interesting approach to our Holy Bible. These facts will not be brought to our attention in an academic manner, but in a simple way so that we might enjoy perfectly the most interesting and romantic stories of the ages. We will attempt to cover the entire Bible in the six meetings.

On Thursday afternoons at the same time we are to have a Class in the Life of Christ. There is a tendency for some of us to say, that we know all about this wonderful life, that since childhood we have been reading about our Lord, and now do not need to study any more. If this were true our Parish would be just a little more like the Kingdom of God than it is. If this were true, our neighborhood would have a different outlook on life. There would be unbelievable happiness and joy in the abiding things of life. If this were true, the world would be different. Strife and bitterness would be gone. Misery and oppression would be outlawed. A light would shine so that none would be missing the way. All would be truth and beauty, ugliness and falsehood would be no more. The large things of life, after all, depend upon the little things of life. A great deal depends solely upon us. The opportunity is golden during Lent for us to make the humble beginning. Resolve to attend one of these classes or both if you can. Let us seek the Spirit of God together. We can make no better start than the thinking of God's thoughts after Him.

THE EASTER OFFERING

Men and women have a funny little habit. If they set their minds on a new car, they put away a little each week until they have saved the Down Payment. If, instead, the article is a new suit or a dress, a piece of furniture, or a watch, the same process is employed. This principle has a great deal of merit. What we want we get, because we are willing to slowly and steadily sacrifice each week until our purpose is accomplished. We should look forward to our Easter Offering in the same way. Think for a moment of the great purpose to be accomplished by the Church. Our children are to be educated and trained. Our Hospitals, Schools and Church Institutions are to be maintained. Far greater than these is the command given to us by Jesus Himself, "Go ye therefore into all the world and preach the gospel." We can not go into all the world ourselves and do this work. That is understood by all. But, our offerings, no matter how small, or how great, do fulfill this command. Our Easter Offerings to St. Paul's Parish are our personal messengers of Christ to the world. Our Easter Offering

The Altar Guild is now ready to receive your Offerings for the Easter Flowers. There will be an Aims Basin on the Table in the Back of the Church to receive whatever you want to contribute. If any desire to send a Lily Plant will they please be left in the Church on Saturday morning. The plants may have a card attached, if it is the desire of the donor to give them to someone. These may be gotten again on Easter Monday. It was a lasting joy to see our Christmas Altar. It is the hope of the Rector that all will co-operate again and make our Easter Altar Decoration a true symbol of the Resurrection. It would be a happy thought, if our Altar was flowered as was the Garden where the Tomb was hewn out of the rock, and where Mary came and found Him, and in that Garden we were to make our Easter Communion. Then Easter Day would surely have a new meaning of beauty and reality.

Kathryn Hazzard,
 Chairman of Altar Guild.

Dear Friends:

Someone has said, "Lent is the way of life." This fact is true, if we make the Lenten season a sincere attempt to gain new vision and new vigor. There are still some people among us that say they do not need this season for their refreshment, and that there are many other ways to accomplish the same result. Thinking of what we in this Parish have said together during this season, it seemed to me that the words of St. Peter in his second Epistle took on a new meaning, "For we have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord Jesus Christ." What we have said we know to be absolutely true, because we have put it to the test. What others have attempted to teach us, we have found to be "wells without water."

The Lenten Season is still with us, but something new is added. Step by step we now approach Holy Week, and Easter Day. We have made many new discoveries for ourselves during Lent. We have found that the "way of Life" is often encumbered by many trivial things which we can readily and easily do without. We discovered that our material life is happier and more fruitful, has hidden depths of which we were ignorant, when it is lived in simplicity. A life with many purposes, many aims, many ideals, seldom finds that any of these are accomplished. When our Lord spoke of the camel going through the eye of a needle, he had another scene in mind. The caravan Gate of the city of Jerusalem was not very wide. Many merchants zealous to do a huge business in imports loaded their camels until they

could carry no more upon their backs. When they came to the gate of the city, they had to be unloaded, so that they could go through the Gate and enter the city. We have found this true of life during Lent. We have learned two things.

The material side of life is vast. We can be many persons in the same person at the same time. Life has its changes that do make their mark upon us. Changes in economics, changes in government, changes in education, and most important of all, changes in ourselves. Yet, it is true, we may lay hold upon the "seen" and pursue it. Man is vast enough to overcome the greatest of obstacles. St. Paul wrote to the Corinthians asking, "Did I not work with my hands at my trade, did I ask thee for anything?"

What of the "unseen?" This is the spiritual side of our lives. Because this aspect of each of us is unseen it is none the less tangible. We cannot see force, nor can we seen energy, or the ability to do work. Yet, we know that beyond the word of a doubt these things exist. We lay hold of these and use them for mutual betterment. With all these and the joys they bring, the comforts they give, and the rewards that are received, we are not complete in our happiness because there is death ahead of each of us. It was Henry Ward Beecher who wrote, "Thine, O death, was the furrow; we cast therein the precious seed. Now let us wait and see what God shall bring forth for us. A single leaf falls—the bud at its axil will shoot forth many leaves. The husbandman bargains with the year to give back a hundred grains for the one buried. Shall God be less generous? The truth of the Resurrec-

tion is this. We do not believe that the laws of God and nature have been violated in one extraordinary and unparalleled episode. We believe that a universal law of life, which overmasters death, and is forever superior to it, has had once and for all a visible witness. We have an earthly image. This is truly a seed for our spiritual image. First the grain, then the blade, then the ear. All the same plant. So with us. We are material, earthly first. We learn all the lessons that man can teach. We must learn all the lessons that God has to teach. Easter Day brings this lesson to its final chapter. Life does not end in defeat. Even though a life be taken and brutally used, spat upon, mocked and denied, Crucified—it is not the end. There is no such thing as death, because with God there is no end of life. Be strong in earthly vigor and anticipation for the things that earth has to offer. Lay hold on all the things that God offers us so freely in His Son, Jesus Christ our Lord.

Faithfully yours,

J. PERRY COX.

THE CHURCH SCHOOL

The Officers of the Church School are very much encouraged that our Church School continues to progress so steadily. Our progress is slow but sure. A word should be said of the excellent work being done by Mrs. Canavan and Mrs. Imfeld in our Primary Department. In the fall when we opened our Church School we had about five children that came to the Upper Room for Sunday School. The Rector visited this department to observe the methods of the teachers. Frankly, he was amazed by the progress this group has made. Over twenty-three small children meet each Sunday, rain or shine, and go to "Church." They do the things the adults do in Church in an intelligent child-like way. Most heartening of all, they understand, and thoroughly enjoy what they do. It is the hope of the teachers and officers that the parents of the Parish will make it their point to observe this group, and send the children in their household to join in, and enjoy, all the benefits of this very fine department.

The Attendance Contest has made a great change in our Church School. The boys and girls are most enthusiastic about earning their Bibles, Prayer Books, and Hymnals. We hope that the parents will continue to encourage the children in all that they do. In the Parish we have many friends of the Church School. It was a great joy to receive such a splendid gift from the Dorcas Society to help in defraying the expense of bringing the picture, "The King of Kings" to

the children and people of the parish. These gifts that we receive from time to time are the things that help to make the wheels of our progress turn a little faster. We are grateful to Miss Henzler for her most liberal gift for the Church School.

The Church School teachers and officers meet from time to time to discuss plans for bettering our system of conducting the Church School. On the Sunday after Easter we will begin a new plan. The Church School will meet at the regular time 9:30 A. M. The classes of Dr. Ker, Mr. Krauss, Miss Jenkins, Mrs. Krauss, and Mr. Hill, will assemble in the Church for a brief Devotional Service. There will be a very short sermon by the Rector. After this service, these people will go to the Parish House for their Class Period. At 10:10 A. M. the Classes of Mrs. Hazzard, Miss Ethel Tucker and Miss Margaret Tucker, will assemble in the Church. A modified form of Morning Prayer will be used for these children with a Lesson-Sermon by the Rector. The Primary Department will join this group from time to time for Worship. It is hoped that in this way we will be able to attract all of our children in worship that is suitable for their ages and needs. This can be successful, IF, we all co-operate with the Teachers and Officers of the Church School. Please give the Church School your attention. We need your help and continued devotion.

THE EASTER OFFERING

Our Parish Meeting in February was most beneficial to us all. Together we learned a great many things about our Parish. Among the most important was this fact. In 1935 our Offerings amounted to \$5,766.77. In 1936 our Offerings were much better and amounted to \$6,125.27. It was also brought to our attention by the Rector that we have been able to clear away \$1300.00 of indebtedness, and raise money to pay for the installation of a new Heating System. The Christmas Offering was most encouraging, this amounted to \$1,250.00. For these Blessings we should be eternally thankful to Almighty God. Surely we are richly endowed by His mercy.

It was brought out at this meeting that our current expenses were our mutual problem. We have no debts that have accrued over a period of time. We are on the road to progress definitely. However, we must pay our current expenses. These will amount to the sum of \$1,500.00 by Easter Day. To look at this sum it seems sizable. We at St. Paul's do more than just look at figures. We are not appalled by the largeness of this figure when we think of our capacity to get things accomplished. We must raise our Easter Offering to this amount or go in the red. We are twice blessed in our Parish with organizations that have working members who know no fatigue when it comes to the Church and its welfare. We feel sure that at this crucial time these people will not shirk. They never do! But, there are others, who are communicants of the Parish, and members of the congregation, who attend to the Church each Sunday. They make their Communion regularly. We appeal to these loyal people to aid their Parish with their Offerings. The responsibility is ours mutually. THERE IS NO WORK THAT WE CANNOT DO—IF WE HAVE THE MIND TO WORK. We have another group of people at St. Paul's who are absentee members of the Parish. When they are among friends and are asked where they go to Church, they, of course, go to St. Paul's. But, somehow or other never seem to get there. When there is a wedding in the family, a Baptism, or a Funeral, the Church is always called upon to do its duty. The Church always does its duty gladly. It is not a duty to minister to people, but a PLEASURE. We welcome these people into our Parish. If we

knew where they were living we would visit them and personally bid them to come to Church. These people are most welcome. It is our mission to get them to Church. It is their duty, as well as ours, to support our Parish with us in all its works. Remember what Bishop Taitt said to us at Confirmation, "St. Paul's Parish can be the largest and most influential Parish in South Philadelphia IF we continue to work." Easter Day gives us all the opportunity we have been looking forward to, DOING SOMETHING FOR THE CHURCH NO MATTER HOW SMALL IT IS. THIS IS OUR PARISH—WE MUST MAKE IT A SUCCESS. "LORD, REVIVE THY CHURCH BEGINNING WITH ME."

THE DORCAS SOCIETY

The officers and members of the Dorcas Society are encouraged by the continued progress in attendance and enthusiasm exhibited in the meetings. It is a joy to see these twenty-five and more people gathered in the Parish House every Monday evening in the Upper Room. During this month four new members have enrolled themselves for membership. All women of the Parish are cordially invited to attend these meetings, a hearty welcome awaits you.

The Regular Open Meeting will be held on Monday April 5th, at 8 P. M. The speaker of the evening is to be Mrs. Charles E. Tuke. Mrs. Tuke is chairman of the Board of the Church Mission of Help. Her topic will be "The Church Mission of Help and Its Work."

We are thinking of renovating the Kitchen in the Parish House, after the plans are discussed with the Vestry we will be able to announce what is to be done, and begin the work. The co-operation of all members of the Parish is asked most urgently.

When functions are announced please make every effort to attend them. We are planning a list of activities to help with the expense of this work.

Harriet J. Skillen, Secretary.

WOMAN'S AUXILIARY

The Woman's Auxiliary will have a Covered Dish Luncheon on Thursday, March 18th, at 12:30, in the Parish House. A large attendance will surely be sincerely appreciated. The money from the proceeds will be used to pay for ready made garments, such as sheets, pillow cases, boy's shirts, and girl's middie blouses. These garments are used for families in this Diocese, as well as in far off places. Some of the families that benefit from the work of these devoted women live in our own neighborhood. Bring a dish of food and twenty-five cents.

L. M. Edkins, Secretary.

Dear Friends:

The aftermath of many events of the world has produced a variety of effects upon us. Many of the events are so significant to us that men have the tendency to date time from their occurrence. The aftermath of the World War brought upon us a wave of reconstruction. All over the world a general condition of constructive building took the center of man's ability to think and plan. Out of this constructive period came an era of prosperity. Trade boomed from the four corners of the earth. Commercial companies grew to unknown size and capacity for good business. Money was extremely plentiful. The world was, indeed, a happy place in which to live. This, like other utopian myths, was a situation of eternal bliss. We who have been privileged to live now, find ourselves in the aftermath of prosperity. From the suddenness of depression we are catching up with ourselves slowly, but nevertheless, surely. We should not think of the present aftermath of the world's hectic condition as a backwash. This event, like so many others, should be one from which we date our time, and re-point ourselves with determination toward the future we seek.

Think for a moment of the aftermath of the Resurrection. The Resurrection of Jesus from the dead came as the direct result of a choice of God. What happened in the Tomb of St. Joseph was the working of God rather than that of man. The choice of God, when the world had done its very worst by Jesus and sealed His lifeless body in a tomb, has changed the world. St. Peter in his masterful Sermon to the Church at Pentecost sought to drive into the hearts of the guilty Jews that, "This same Jesus whom they crucified has been raised from the dead by the power of God and made Christ and Lord." St. Paul in

all of his preaching and writing affirms this fact, did he not write to the Romans, "But if the Spirit of Him that raised up Jesus from the dead dwell in you, He that raised up Jesus from the dead shall also quicken your mortal bodies?" In this great argument to the Corinthians St. Paul says, "But if there be no resurrection from the dead, then is Christ not risen; and if Christ be not risen, then is our preaching in vain, and your faith is also in vain. Yea, we are found false witnesses of God; because we have testified for God that He raised up Christ." The message of the first Church certainly centered around this choice of God. Upon the fact that God raised Jesus from the dead the Church has been built through the centuries. This is the aftermath of the Resurrection. It has not grown dim because of the ages that have passed. The vision has been enriched with new beauties, new joys of the Spirit of God. When is it too late to recognize for ourselves the aftermath of the Resurrection, and all the hopes that it brings to us, the new found happiness in the joy of living, the firm faith upon which we may stand? When is it too late to absorb within the strength of the Resurrection, the fortitude that it gives each of us? The Resurrection was God's way of saying to the world in a language which it has never been able to forget that He is Master of all the forces in His universe, even death. God said to man that something was resident within, that brute force can never triumph over love and charity and despair can never permanently take the place of hope in the human heart. It is our Prayer each day, that we shall lay hold firmly on this truth . . . and live!

Faithfully yours,

J. PERRY COX.

Total Attendance in Lent.....3,097

This gladdens the heart of each of us. This is most significant on the eve of our Silver Jubilee Dinner celebrating the Consecration of our Parish House. God give us the courage to calculate in terms of what is ahead and not what lies forever in the past. We can build in the future with material like this . . . NO MAN CAN REMOVE WHAT WE DO, NO MAN CAN DESTROY OUR EFFORTS, NO MAN CAN MINIMIZE OUR SACRIFICES. FOR WE CONTINUE TO WORK TOGETHER FOR GOOD.

THE CHURCH SCHOOL

We should rejoice always and continue to give thanks that our Church School progresses. Just a word about the Children's Lenten Offering. This was truly a great source of joy. Last year our Children made an Offering of \$44.00 from their Mite boxes. This year our Children were able to present to our Parish \$70.00. Numerically speaking, this is a fifty percent increase. Look at the same situation in the eyes of the Spirit. Our Children are interested in our Church School. They attend regularly each Sunday. They are being taught the ways of Christ's Church. They are being taught to support the higher things of life. This should give each of us renewed courage for the things that are ahead.

The new plan of Church School worship is working out most excellently. The Older Classes meet at 9.30 A. M. and have a real Young People's Service. The response has been most commendable. This enthusiasm cannot be shaken. The Younger Classes meet at 10.00 A. M. in the Church and enjoy their Service equally as well as the Older group. This plan has been adopted as our permanent method of approach to our Church School problem.

We are arranging to have a CHURCH SCHOOL AND PARISH PICNIC ON SATURDAY, JUNE 5th. We will hear more of this as the date approaches. Keep the date in mind. All members of the Parish are invited to attend and join in the fun. Entertainment will be generously provided for all ages.

ST. PAUL'S GUILD

The Children of the Parish and their friends are cordially invited to join St. Paul's Guild which meets on Friday afternoons in the Parish

House. The Meetings are under the supervision of the Rector and are held each week at 4 o'clock. The Children are being taught good character, good health, obedience, honesty and worship. DORCAS SOCIETY

There have been many opportunities for the members of the Society to stay at home on Monday evenings due to the very inclement weather we have been having, particularly at meeting time. However, the attendance at our meetings continues to grow steadily. Most encouraging of all is the ever progressive enthusiasm that is being manifested by all our members. This spirit cannot produce anything but good for us and our Parish. Our activities are listed in the Chronicle and we hope that all members of the Parish will continue their loyal support of all we are trying to do for St. Paul's. These interesting affairs will conclude our activities for the summer, with the exception of the various Clubs which will naturally go on as usual. We are thankful for all the support we have received from our Parish, and take this opportunity to express our gratitude. We are looking forward to the fall and all of our activities that continue to aid our Parish in all that it tries to do for the benefit of all.

Harriet J. Skillen, Secretary.

Dear Friends:

There is only one place in the Bible where we are told that the people rested, or completely suspended their endeavors for the purpose of relaxation. This story is found in the Book of Nehemiah. When we consider the circumstances we are not surprised that they did take a vacation. Jerusalem was a city of ruins. The stones of the city were called "rubbish." Apparently there was nothing of value left on which to build the solid foundations of the future. However, the marvelous happened, as it usually does, for those who have faith. The city was re-built. The wall of the city was restored. Then the people rested.

With this issue of the Chronicle we will close this department of our Parish for the summer. We should rest, for we have just cause to relax. When we look back for a moment, we have accomplished a great many things together. We began our Church School on October 4, 1936. Our attendances were not as large as they were expected to be. Again, the marvelous happened. We grew slowly and steadily each Sunday until our total enrollment was over 150 children. Our attendances in Church, at Morning Prayer and the Holy Communion, have grown slowly, but, nevertheless, surely. Our Parish House has been a literal "bee-hive" of industry. We were able to have a Thanksgiving Dinner that will take its rightful place in our Parish History. As we have learned so well, too, history always repeats itself. Our climax came apparently at Christmastide. Our Christmas Offering was an outpouring of faithful appreciation to God for His many gifts to us. We were able in a material way to do much with the expression of Parish loyalty and affection for St. Paul's. We met our Diocesan obligations, and Missionary expectations. Hardly had this season passed,

when our Confirmation Classes were formed. It was a joy to our beloved Bishop to see so many in the Class and to receive our Parish reports. His Sermon to us was so encouraging. We still labor with his words ringing in our ears. Yet, our Parish peak had not been reached despite all these activities. Our Parish Organizations, each of them, continued to work and sacrifice for our mutual good and well being of St. Paul's. We, together, celebrated the twenty-fifth anniversary of the Consecration of the Parish House with a dinner that was most successful. Again, we heard from Bishop Taitt, and our former Rectors, expressions of the fine spirit in St. Paul's Parish. Our efforts really culminated in our Easter Offering. This was the finest expression of "a venture in faith" that we have ever seen. For all these blessings we are indeed thankful to Almighty God. His richest blessing upon us came in our working together, side-by-side in Christ-like harmony. Beside this effort we place the results. From these results we take firm and resolute strength for the future. Many things are yet to be accomplished, new goals are to be passed, new joys are yet to be found. Our happiness is yet to be full.

But let us rest from our labors for a brief moment. For each of you I pray a most enjoyable summer holiday. Wherever you go, no matter how long, or, how short your stay, I hope that new vistas of beauty shall be opened for you. New scenes make for new visions. I pray that many of you will go to unexpected places, finding for yourselves and your families new gleams for the future. I pray that God will graciously return each of us in the fall, safely, without accident, to our accustomed places in this community.

Faithfully yours,

J. PERRY COX.

SUMMER EXPENSE FUND

May 26, 1937.

Dear Parishioners of St. Paul's Parish:

We are deeply grateful for the loyal support of each of the Communicants and members of the Congregation for all their earnest co-operation during the past fall and winter. This fine degree of Parish loyalty has enabled us to administer the affairs of your Parish in a more efficient and business-like way. We have been able to meet most of our bills. We have no mortgages on any of our proper-

ty. We have no deficit. We do have some items of current expense to pay in the month of June. It is our hope that through this medium we may express to the members of the Parish our hearty appreciation for all the things you have made it possible for us to do.

Summer is here. Naturally, we go away on vacations. We all need a change. Routine things make for a seemingly monotonous life. We feel that we must get away from all of this. We do go away. However, our Parish expenses go on despite the fact that we are away from Church. Knowing the loyalty of the people of St. Paul's in the past, we are asking you to continue your co-operation in an earnest way using these boxes which we have labelled "Summer Expense Fund."

We are not asking you to place any definite amount in these boxes. Let your entire family use this box according to the spirit of free will offerings. If you enjoy a holiday, make a little thank offering. If something should please you heartily, make a free will offering of remembrance. We ask you to use these little boxes as you yourselves see fit. The Church needs our faithful and continued support. We do not want to be in a position in the fall that will require us to announce a deficit. This can easily be averted if we will sincerely co-operate together and make an offering periodically in these "Summer Expense" boxes. These boxes are to be presented on Sunday, September 12th, at the eleven o'clock service. It is our prayer that the members of the Parish will do their very best in this way to avoid a shortage in the fall.

LET US TOGETHER START OUR WORK IN THE FALL WITH OUR PARISH BOOKS IN BALANCE.

Faithfully yours,

The Wardens, and Vestry
of The Memorial Church of St. Paul.

A HEART TO HEART TALK

It is the hope of the Rector that all of our people will do all in their power to further the efforts of the Church Wardens and Vestry in this matter of "Summer expense." We realize that many people do go away. It is hard for us to attend to our Church duties in the intense heat. Still, our current expenses do go ahead just the same summer and winter. We have been able to do our work well. None of us should be ashamed of our efforts. What we have been able to do has produced results that are extremely gratifying. I know that not one of us want to look to the fall, realizing that we will have a burden to lift, because of the summer months of slackened activity. I pledge myself and all of my powers to

co-operate with the Vestry in this cause. With me will you earnestly pledge to do your best? With this spirit, this effort cannot come to failure. Together we can do much that will produce good. This task is a simple and easy one, if we all work together, to accomplish our purpose. I am going to do my best, and I know that you will do the same.

OUR PARISH PICNIC

SATURDAY, JUNE 12th, IS THE DAY OF OUR PARISH PICNIC. This gala event will be held at the ST. LUKE AND THE EPIPHANY CHURCH FARM IN BROOMALL, PA. All the members of the Parish are invited to attend, with their friends. For all ages and sizes a most attractive program is being arranged. There will be races, peanut scrambles, games and swimming for everyone. The appointments of the farm afford ample facilities for the comforts of young and old alike. Coffee will be served to all our guests at luncheon and dinner. Ice cream will be served in the evening for dinner.

The children of our Church School will receive post cards that will entitle them to go on the busses that will be provided for them. There will be no charge made for this whatsoever. For the members of the Parish who do not have their own means of transportation, busses will be provided. A charge of fifty cents a round trip will be made for this service to and from the picnic grounds. The friends of our children not members of our Church School will be charged twenty-five cents for transportation. This small fee will include refreshments at luncheon and dinner. The children will need no spending money, for there is no place for them to purchase anything. There are no amusements on the farm such as are found at an amusement park. This matter was thought through so that the parents of our children would be saved a considerable sum. The committee are going to provide all the amusement that anyone could hope to crowd into the space of a single day. There is to be a TREASURE HUNT with a valuable prize for the fortunate finder.

THE DIRECTIONS TO THE FARM ARE AS FOLLOWS:—For those attending in their own cars, go out Passyunk Ave. to Darby. At the corner of Ninth and Main Streets, take a right hand turn, north on Lansdowne Ave. Proceed north on Lansdowne Ave. to West Chester Pike in Llanerch, turn left on West Chester Pike and proceed to Broomall. At Sproul Road take a right hand turn to the farm which is about one mile from this intersection, on the left hand side of the road. Signs giving directions will be placed on West Chester Pike and Sproul Road so as to insure your comfort and convenience in finding this delightful spot.

PLEASE TELL THE RECTOR OF YOUR INTENTION OF GOING ON THE PICNIC SO THAT THE COMMITTEE MAY PROVIDE FOR YOU AND YOUR FAMILY. The first bus will leave the Parish House SATURDAY, JUNE 12th, AT TEN-THIRTY A. M.

SUMMER SCHEDULE OF SERVICES

With the coming of the Summer months we are not released from attending the Services of the Church. We are schooled during the winter, and with the coming of warm weather our teachings are put to the supreme test. The Rector is very anxious for all to realize fully their obligations to God and His Church. No matter where we find ourselves we should attend Church service once on Sunday. We still should see to it that we make our Holy Communion once a month. These things we cannot overlook. For the convenience of the Parish as a whole and each member of the congregation, the services have been arranged with this thought in mind. If you plan to go away on Sunday, first, plan to attend to your Church.

The Services of the Church BEGINNING JUNE 6th will be as follows:

7.30 A. M.—Holy Communion.
9.30 A. M.—Church School.
11.00 A. M.—Morning Prayer and Sermon.

The Services of the Church BEGINNING JUNE 20th will be as follows:

7.30 A. M.—Holy Communion.
9.30 A. M.—Holy Communion.
11.00 A. M.—Morning Prayer and Sermon.

These Services at 7.30 A. M. and 9.30 A. M. will last one-half hour. The eleven o'clock Service will last one hour. The Congregation may rest assured that these principles will be faithfully carried out by the Rector. The important fact is this, DO NOT FAIL TO ATTEND CHURCH SERVICE AT LEAST ONCE EACH SUNDAY DURING THE MONTHS OF JUNE, JULY, AUGUST AND THE FIRST TWO WEEKS OF SEPTEMBER. We will resume our regular Church Services on September 12th.

MEMORIAL DAY SERVICE

On Sunday morning, May 30th, at eleven o'clock, we will hold our Annual Memorial Day Service in the Church. Chaplain Greenwood of our G. A. R. Post will attend as our honored guest. Chaplain Greenwood will celebrate his ninetieth birthday on May 30th, also. He has been richly blessed by God in many ways. He is the last man of his Post, the others have been called away to life and service eternal. It is hoped that a large congregation will be present to honor Chaplain Greenwood.

Members of the Herbert Warriner Post of the American Legion will be present

APPRECIATION

During the summer months the members of the local Democratic Club, located on the corner of Porter and Carlisle Streets, held a street carnival. The Rector and Vestry granted the Democratic Club the use of our property. We are indeed grateful to these men for all their courtesies. Our property was in no way damaged, in fact great respect was shown our Parish Church and all that it stands for in our community. The members of the Democratic Club donated to our Parish the sum of fifty-five dollars. We appreciate their thoughtfulness. We use this means to say a hearty thank you! We hope that all the plans for the community that this group are formulating, having in mind the children, and young people especially, find deep success.

CURRENT EXPENSES — OUR OBLIGATIONS

The Rector and Vestry have reported to you that we have steadily progressed. It was announced that we, as a Parish, had no outstanding debts. This is true. However, our current expenses have not been wholly met. The Summer Expense Fund Boxes were distributed to offset in part our current expenses. This obligation has not been paid. We must report to you that our current expense bills amount to \$988.00 at this present writing. The coal bill is an item of \$400.00. The Diocese of Pennsylvania expect from St. Paul's the sum of \$375.00. All salaries must be paid—the Rector, Sexton and Organist. Minor repairs are made from time to time, these must must be paid. Business people fully expect to be paid when they work for us. This is our problem, it must be solved immediately. The solution lies completely with the members of our Parish. If we would each week make our offerings to the Church as we should—this could be avoided and our treasury would show us a balance. Naturally, the Rector and Vestry are concerned deeply. Our physical plant and property is in a much better condition than it has been in for a long time. People of the Parish do attend Church. We urge you to make just a little additional effort. These are not impossible tasks. This work can be done—if we do it. Our Parish is our mutual responsibility. Please begin today to think this matter over. The time has come when we must act together.

"I DO NOT BELIEVE IN CREEDS"

"In certain circles it is considered a mark of intelligence and an absence of superstition to say, 'I do not believe in creeds.'"

If this statement refers to a particular creed there might be truth in it (but to make a general statement of such a character has no truth in it. We all believe in some sort of a creed. A creed is simply a statement of the things we believe. We all believe in something. We can not help it. Therefore, we all have a creed.

The Creed many of us recite at each Sunday is a statement of our belief in God. Individuals may disapprove of this Creed in certain of its statements, but I am by no means sure that such individuals would succeed in giving the world a better word-picture of the God in whom we believe. It is a word-picture that takes into consideration all that God has revealed of Himself through the ages.

I am interested particularly at this moment in those of us who accept this Creed and who recite it Sunday after Sunday. When we say it do we realize that we are making one of the greatest affirmations possible for us to make?

We say, "I believe in God." How do we believe in God? Does it really make any difference in our lives? It should, and if it doesn't, mere repetition of the phrase means nothing.

How can men and women say, "I believe in God," and then go out into the world, in their homes, in their clubs, in their businesses, and show by their very dispositions and actions that God plays little, if any, part in the control of their lives

I wish we might get Church men and women to realize all that is involved in saying, "I believe in God." If we really mean it when we say it, it should affect and color the whole of life.

It is easy to repeat words and phrases; it is quite another matter in the midst of disappointment, loss, grief and affliction to stand before our neighbors and demonstrate our belief in God. We really do not know whether we believe in God or not until we have been tried and our faith has stood the test.

Many cures have been suggested for the world's ailments, but there really is only one that will accomplish that purpose, and it will come about when those of us who stand up and say, "I believe in God" really mean it and put our belief to work in our daily lives.

Granville Taylor.

PASSING A MILESTONE

In the London Museum, which is a part of St. James Palace, I saw an old collection of milestones. These stones were used by the Romans to measure distance, just as we use them today. One of the milestones was extremely valuable for it showed where the present city of London got its name many centuries ago. The Romans called the city, "Londonium." Some of these old stones still mark the roads. In driving to Scotland I followed the old Roman Wall, and the ancient milestones of Britian.

There is this fact to be noticed about milestones. In each case, mile after mile, the stone would give direction to a place ahead. The stone never would read, so many miles from a place. The milestones always pointed forward. Another fact about these old stones is deeply significant. After seeing the first milestone, one eagerly looks for and anticipates the second and the third, until the destination is finally reached.

Is not life just like that? The road is old, and has been marked by the pioneers of life who have lived before us. They have truly left their mark behind them, so that others coming along that way may benefit by their experiences. The milestones along the road are the symbols of the direction of life—forward.

We are passing our first milestone together. On Sunday, October 4th, 1936, I took up my active duties as Rector of St. Paul's Parish. There are so many ways in which to look at this stone. In terms of work accomplished much can be said. Our Church School, the Teachers and Officers, co-operated and worked splendidly together with marked success. Our attendances were increased greatly. Our Parish Organizations, each one of them, worked and co-operated together, making our Parish a buzzing bee-hive of productive activities. Think of passing the milestone in terms of the worship of God. This is the pinnacle of importance in our parish life. We cannot measure the worship of God in terms of attendance at Church Services. Of course,

our attendances have increased, but that is not our first thought. We can only measure, or approximate the value of Church Worship in terms of how we feel. It is the prayer of your Rector that each member of the Parish has received some good from our Services. The good that we receive is purely personal, it is impossible for anyone to know this inward good. What people really see is the result of this inward good. Our light in the darkness. Our quiet love and charity toward all men. Our silent ministry that seeks no reward. Our visit to one in need.

I am sincerely grateful to each member of our Parish for the way in which we have worked together. I take this opportunity to express to you my joy. St. Paul's Parish has meant a new joy added to my life. I appreciate deeply the devotion of our people, and their many expressions of affection for me. Frankly, this fact makes our job easy. I can say, because I know full well that the people of the Parish are working with me, that I can face any obstacle with firm faith and courage.

Then again, that milestone. One milestone is not sufficient to direct a traveller to his destination. The milestone always points ahead. We do not live wholly in the memory of the last milestone as we travel, we live in the anticipation of the next one, and the next, until we finally, see the city. Much is to be accomplished. Many things have been left undone. These must be done. Many things have been done. These must improve and continue to progress. These tasks are not impossible. These tasks are not difficult. We have passed the first milestone together, and hand on hand we watch for the second and those to come. I pray God's richest blessing upon each of you, each member of your family, that each of your efforts in life will be truly enriched and rewarded with success.

Faithfully your Rector and Friend,

J. PERRY COX.

THE CHURCH SCHOOL

The organization of the Church School is complete. The Teachers and Officers are as follows:

Kindergarten—Mrs. Imfeld.
First Grade—Mrs. Canavan.
Second Grade—Miss Scouler.
Third Grade—To be appointed.
Fourth Grade—Miss M. Tucker.
Fifth Grade—Miss D. Williams.
Sixth Grade—Mrs. May Johnson.
Seventh and
Eighth Grade—Miss E. Tucker.
Junior Boys—Mr. Harry Krauss.
Senior Boys—Dr. Richard Ker.
Graduate Girls—Mrs. Krauss.
Secretary—Mrs. McCook.
Superintendent—Dr. J. Randall Skillen.

The essential requirement of these loyal and faithful workers is your continued co-operation. On Sunday morning make it your point to see that the children in your house leave on time for Church School. Ask them when they return from Church School about the Lesson for that day. Parents, the interest of your children in Church School depends largely upon your interest in Church School. For the splendid efforts made by these Teachers and Officers do your best in return to help them train your children. Secondly, encourage your children to invite their friends from school and play to attend Church School with them. The Teachers and Officers feel it a privilege to teach and instruct children. A little help from each home will make St. Paul's Church School one hundred percent efficient, and a joy to attend.

THE GIRL'S FRIENDLY SOCIETY

The first meeting of the Girl's Friendly Society will be held in the Parish House on Monday evening, October 4th, at 8 P. M. All girls in the Parish are urgently invited to attend. Plans of organization, the future, and socials will be fully discussed at this meeting. Be sure to be present.

ACOLYTES GUILD

All boys in the Parish of twelve years or over are requested to see the Rector and record their membership in the Acolytes Guild. We are in need of servors, Crucifers, and those who take charge of the Alms basins. Boys it is the highest honor in the entire Parish that the Rector can bestow, that of serving at the Altar. Give your name to the Rector at once.

THE DORCAS SOCIETY

The first meeting of the Dorcas Society was held on Monday evening, September 13th. It was very encouraging to see so many members present. Miss May Fazio has been enrolled as a new member. We give her a warm and hearty welcome. Mrs. Doughty, the President, has been thinking of a great many activities during the summer months. The Program of the Society will be an attraction to all people of the Parish. The activities of the Dorcas will be noted in the Activities Calendar. It is our hope that all the members of the Parish will support us in our work. The Blanket Club and the Umbrella Club have been re-organized again. Many names have been placed on these lists already. If you would like your name enrolled please give it to Mrs. Doughty, or any member of the Society. Keep our activities in mind.

Harriet J. Skillen, Secretary.

THE NEEDLEWORK GUILD OF AMERICA

The Needlework Guild is an organization that makes an annual collection and distribution of new garments to hospitals, homes and other charities. This organization is one that helps all charities. The demand for garments is very great. The need at this time is extremely urgent. Membership means the contribution of two or more new articles of wearing apparel or

household linen. Donation of money may be given. The Guild in this case does not specify any definite amount. Last year St. Paul's Parish headed the list of contributors. This is a privilege that we should maintain this year. This great work is worthy of your support. Please give your contribution to Mrs. Doughty, 2334 S. 16th Street by Wednesday, Sept. 29th.

THE MEN'S CLUB

The Rector and members of the Vestry are extremely grateful to the members of the Men's Club for their donation of ten dollars for the screens for the Church windows. This is fine co-operation on their part, their spirit is certainly appreciated. The Men's Club will meet each Wednesday evening in the Parish House for bowling and an evening of fun. All men of the Parish are invited and urged to attend. Come out next Wednesday night with us.

THE CHOIR

The members of the Choir have contributed twenty-three dollars to the Screen and Window Fund. The Rector and members of the Vestry want the Choir to know that this gift is appreciated. It is a joy to see the members of our Church Family working together like this. Mr. Beck, our Choirmaster, is anxious for all members of the Choir to return and assume their usual place, both in Choir rehearsal and on Sunday. The first weekly rehearsal of the Choir will be held on Thursday evening, September 30th, at 7:45, in the Parish House. The Choirmaster would like to meet new members for the Choir. It is hoped that many will volunteer for this work. Please see Mr. Beck before Choir Rehearsal on Thursday evening. You will be welcomed into our Choir, and find much happiness in this part of our Parish Life.

DAYLIGHT SAVING TIME!

Once more the clocks must go back one hour. On Saturday evening, please set your clocks correctly so that you will make no mistake as to Church time. It is not careless or thoughtless not to set your clock back, but it is surely not keeping up with the times.

SUMMER EXPENSE FUND BOXES

It was explained to the members of the congregation in Church, the last issue of the Chronicle in June carried additional information about the absolute importance of these SUMMER EXPENSE FUND BOXES. Later in the summer your Vestry sent you a letter explaining more fully our situation. We were all asked to bring our boxes in by September 12th, at the eleven o'clock Service. To date the Vestry have received 23 boxes from members of the Parish, totaling the sum of \$38.74. It is so unlike St. Paul's Parish to fall down on any job. The Parish has not failed the Vestry in this matter.

We have overlooked this matter and have not as yet brought our box with us to Church. There is time to bring your box. All members of the Parish who have not made their contribution in this way, to insure our starting our fall activities without a deficit, are asked to bring their boxes to Church next Sunday morning. It is not like St. Paul's to distribute 225 boxes and receive 23 back on the day of presentation. WILL YOU PLEASE CO-OPERATE WITH US. OUR NEED IS REALLY URGENT. OUR WORK MUST GO ON. NO MATTER HOW SMALL YOUR PART IS IT IS GRATEFULLY RECEIVED, AND IT IMMEDIATELY BECOMES A DEFINITE PART OF A GREAT WORK THAT MEANS SO MUCH.

THE OYSTER SUPPER

On Friday evening, October 15th, from 5.30 until 7.30 P. M. the members of the Dorcas Society will serve to members of the Parish and their friends an Oyster Supper. The tickets are fifty cents. When the menu is observed, all members of the Parish will count it a loss if they are not able to attend.

Homemade Clam Chowder

Three Fried Oysters and Potato Salad

Cole Slaw

Rolls Tea Coffee

After Dinner Mints

Assorted Nuts

Apple Pie

Fifty Cents

CARD AND RADIO PARTY

On Friday evening, October 1st, at 8 o'clock, in the Parish House, the Rector, Church Wardens and Vestry will hold a Card and Radio Party. This is the first of the season, but by far the most important. Of course, there will be exceptional prizes, and excellent refreshments. This is understood by all. The importance of this party is the cause for which the proceeds will be used. During the summer months we have had broken in the Church over thirty windows. We are told that it is impossible to have police protection twenty-four hours in the day. Mr. Voss, as well as the Rector, make every effort to curtail this problem. It is true, "boys will be boys," but we must stop this destruction. This Card and Radio Party will make for us sufficient funds to purchase screens, mesh wiring, and glass for the broken windows, IF WE ALL CO-OPERATE AND DO OUR SHARE. YOUR SHARE IS AN EASY ONE—COME TO THE PARTY ON OCTOBER 1st AND BRING A FRIEND. Tickets are thirty-five cents.

BUDGET FOR THE YEAR 1938

Dear Friends:

Elsewhere in this issue of the Chronicle you will find a summary of our stewardship, in the service of the Master, at St. Paul's. You all know the struggle and eternal vigilance that is necessary to carry on this work.

While our Rector is charged with the carrying-on of the Spiritual side of our work, it is the responsibility of all the members of St. Paul's, under the leadership of the Vestry, to provide him with the funds which are so necessary for us to complete the work.

How we are to carry on this work with a satisfactory degree of progress, never falling backward, always looking toward "The Light," is an ever pressing problem. Your Vestry feels that the best way to continue our work and also to remove the necessity for so many different appeals for special funds, is to budget our income in the most advantageous manner and so we present this itemized account of our needs for the ensuing year.

Salaries:

The Rector	\$2,100.00	
Supply	25.00	
Organist	420.00	
Sexton	900.00	
Sexton's Asst.	30.00	
	\$3,475.00	\$3,475.00
Clergy Pension	\$ 204.96	
Rectory	635.00	
	\$839.96	839.96
Diocesan and General Church Program:		
Sustentation Fund	\$ 67.87	
Episcopate and Con-		
vention Fund	159.19	
Expectation	350.00	
	\$577.06	577.06
Parochial Current Expenses:		
Repairs	500.00	
Heat	450.00	
Gas and Electricity	216.00	
Water Rent	8.00	
Printing	150.00	
Church School	150.00	
Miscellaneous Expense .	200.00	
Insurance on Property..	150.00	
Organ Repair

Music for Choir	50.00	
Workmen's Compensaton	22.55	
Laundry	84.00	
	\$2,030.55	2,030.55

Total Budget\$6,922.57

You will notice, in going over this budget carefully, that we have covered those items of known amount and also have allowed a leeway on those items which vary and cannot be definitely determined.

To raise such an amount of money needs a tremendous amount of preparation and understanding on the part of each and every member of St. Paul's. The Wardens and Vestry feel

that the best method of acquainting everyone with the seriousness of our undertaking is by means of the Every Member Canvass.

Each Vestryman has consecrated himself and his efforts to the successful completion of this task. No member of St. Paul's can do less if he wants the work to go on and we are sure that is the wish of each of us. Therefore, each member of the Vestry has invited three members of the congregation to assist him in covering the Parish in a canvass.

On Tuesday evenings, November 30th and December 7th dinners will be held in the Parish House at which time this team of workers will be informed by Dr. Frederick P. Houghton, Executive Secretary of the Diocese, as to the work of the General Church and also the work of the Church in this diocese. They also will be instructed in the details of our own efforts, so that when they go out into the Parish they may present to each one an intelligent picture of the entire problem which confronts us, and so that they may also show to each one why he should have a larger part in this great work.

At the beginning of the Canvass, Sunday, December 12th, there will be held a Corporate Communion for this team that they may consecrate ourselves to the task which has been laid before us. During the week following we will go through the Parish spreading our message. If you have any questions as to where your money is spent or any other question bearing on our work or if you wish to know what part you may play in the active service of the Parish, do not hesitate to ask us.

Please receive each one as a friend and partner, listening to what he has to tell you and then give serious thought to what you consider to be your share in the furthering of Christ's Kingdom among Mankind.

Yours in the Work of the Master,
THE WARDENS AND VESTRY.

THE GIRL'S FRIENDLY SOCIETY

The Girls of the Friendly have been meeting regularly in the absence of Miss Gamper. Mrs. Mae Scott Thompson, our former leader, has been with us as guide, friend, teacher, counsellor and sponsor. There will be no scheduled meeting on Monday evening, November 29th. On Monday evening, December 6th, we will have a Welcome Home Party for Miss Gamper, who has been studying abroad in Switzerland. All girls should please note this important date.

CONFIRMATION

Bishop Taitt has written to us telling that the visitation of the Bishop to our Parish will be on Wednesday evening, February 16th. Confirmation Classes will be organized by the Rector the first week in January. This is the most important year in your life. If you have not already been confirmed do not put this matter off any longer. Now is the opportune moment to make yourself a full participating communicant of the Church. Classes for adults will be held on convenient evenings. Classes for children will be held after school hours so as not to conflict with any of their studies. Keep Confirmation in mind!

EVERY MEMBER CANVASS ISSUE

"WHAT ARE THESE AMONG SO MANY"

We are all very familiar with the story relating to the feeding of the five thousand. Some will dismiss the episode as merely a pious attempt to present a more favorable picture of the ministry of Jesus. The point is this. The task of feeding so many appalled the Disciples because they had so little. Their's was a natural question, "what are these among so many?" The same picture stands boldly before us today.

The Collect for last Sunday petitioned almighty God to, "Stir up, we beseech thee, O Lord, the wills of thy faithful people, that they plenteously bringing forth the fruit of good works, may by thee be plenteously rewarded." As Christians we can never afford to lose sight of this fact. The Church is the body of Christ on earth working among men. We are the Church. We the people of the Church are Christ's body on earth. How can we be stirred up about the Church if we find ourselves ignorant about the Church, and what the Church attempts to do for mankind.

The question is really this. What right has St. Paul's Church to remain open, to use water, to burn coal to heat the buildings, to use electricity to light the buildings, to use gas, to call a Rector to lead the Parish in an attempt on all our parts to find the Kingdom of God?

Our Finance Committee met and proposed a budget for 1938. The total figure, including all salaries, current expense items, insurance premiums, pensions and compensations, is \$6,922.57. Again there looms before us the fact that we have only five loaves and two small fishes. But "what are these among so many?"

God has given to us the stewardship of a Mission. His purposes are to be worked out in and through each one of us. Since September 30, 1936, there have been held in the Church

234 Services. The total attendance at all these Services has been 11,895. Among these have been many Services of the Holy Communion at which 2,965 have received. There have been held to date 48 Church School Services with the total attendance of 2,797 children. To the best of our knowledge each family of the Parish and Church School has been visited. Hospital calls have been made, there were twenty-seven funerals during the year. These are services of St. Paul's Parish.

There are an equal number of Parish House activities. The Dorcas Society and the Girls Friendly Society meet on Monday evening bringing 2,300 people in the Parish House on this night alone during the year. The Visiting Nurse Society Clinic is held each Monday at four o'clock. The Men's Club meets on Wednesday evening, our Choir on Thursday evening, the boy's basketball teams on Friday evening. In other words, 24,618 people use the various facilities and Services of St. Paul's during the space of one year.

This is a Gospel of thirty-three years of Service and good deeds. This Gospel is like unto the word of God, it can never die, it can never stop working. This Gospel is not complete until every family in this neighborhood has a Church home and knows the reality of the Consolation of God.

I pray that you will prayerfully consider our Every Member Canvass, that you will receive your Canvasser with joy, and like noble Disciples make your five barley loaves and two small fishes a part of the twelve baskets full that were in over abundance.

Faithfully your Rector,

J. PERRY COX.

CHURCH SERVICES

8.00 A. M.—Holy Communion.
9.30 A. M.—Church School.
11.00 A. M.—Morning Prayer and Communion.
First Sunday—Holy Communion 11.00 A. M.
Holy Days—Holy Communion at 10.00 A. M.

THE CHURCH SCHOOL

The Teachers and Officers of the Church School report great strides in advancement and interest in the Church School. Dr. Skillen is now the Church School Superintendent in the stead of the Rector. The children are responding to his teaching and guidance in a noble way. The Rector is now meeting with the newly organized Mother's Class which meets at 9.30 A. M. All of the mothers of our Church School children are very cordially invited to attend these interesting discussions and inspirational gatherings.

The Church School, Teachers and Officers, as well as children missed the presence of Miss Margaret Tucker. Miss Tucker will soon be welcomed back to her accustomed place by each of us.

We are looking forward with much enthusiasm to our Christmas Party. The Teachers and Officers sponsored a Halloween Party that was a glorious success. Now we live in anticipation of this event that will bring the Holiday Season to each member of our Church School.

A PRAYER FOR OUR CHURCH SCHOOL

Send us, O God, as thy messengers, to hearts without a home, to lives without love, to the crowds without a guide. Send us to the children whom none have blessed, to the famished whom none have visited, to the fallen whom none have lifted, to the bereaved whom none have comforted. Kindle thy flame on the altars of our hearts, that others may be warmed thereby; cause thy light to shine in our souls, that others may see the way; keep our sympathies and insight ready, our wills keen, our hands quick to help our children in their need, Through Jesus Christ, thy only Son our Lord. Amen.

THE NEEDLEWORK GUILD

As in past years, so this year St. Paul's Parish led the various Parishes of this Diocese in giving articles to the Needlework Guild of America. The ladies of our Parish gathered together over one hundred garments and eleven dollars in money. In order that the donors of these useful gifts have assurance that their articles were received their names are printed as follows:—

Mrs. A. Brennison, E. Boggs, W. Canavan, D. Cohill, E. B. Conner, O. P. Doughty, H. Edkins, F. Fink, S. Gerhart, O. Gamper, G. Garrison, W. Gibson, E. Henderson, H. Hazzard, G. Johnston, G. Kampen, E. G. Lex, E. M. Lex, K. Locke, H. McComb, E. O'Malley, E. Pelter, J. Phillips, F. Reader, G. Spencer, R. Solts, A. J.

Wallace, Miss Warden and Miss Henzler. We are indeed grateful to these people for their gifts.

THE UPPER ROOM

The young men of our Parish appealed to the members of the Vestry for permission to use the Upper Auditorium Room of the Parish House for a Basketball Floor. The Vestry diligently considered this matter and decided that if the boys themselves would do the work, provide the funds for repairs, and carefully maintain the room against damage, it could be so used for athletic games. The young men of our Parish agreed to this procedure and gave a Radio Party to raise the necessary funds. The floor has almost been finished, and the members of the Parish are invited to inspect this work. It has meant working at night after working and school hours. Our Home Games are played each Friday night in the Parish House. All the men of the Parish should be supporters and rooters for these boys!

MRS. KAMPEN RECOVERS

Last July Mrs. Kampen, and her daughter, Mrs. Edna Hughes, were planning to take a splendid trip to South America. Just a short time prior to their proposed sailing date, Mrs. Kampen suffered a fall in her home on Cleveland Avenue. Instead of a refreshing ocean voyage she spent many long, hot weeks in the hospital. Her courage and fortitude is to be admired. Her faith should be an example to many. Her smile expresses both outward and inward joy. After her stay in the hospital Mrs. Kampen spent many weeks convalescing in her room at home. Patience beyond measure has now brought Mrs. Kampen to recovery. We are happy to know that she is walking about the house. It will be a joyful day for us to see her and Mrs. Hughes sitting in their regular places in Church again. We have missed Mrs. Kampen and Mrs. Hughes sincerely, but it is with gratitude that we anticipate their return to Church. We are indeed thankful to God for Mrs. Kampen's most speedy and successful recovery.

THE YOUNG PEOPLE'S FELLOWSHIP

During the past three weeks we have seen a great spring of new life and vitality grip our Fellowship. We have been having supper meetings. Each Sunday evening at seven o'clock we meet for discussion and then complete the meeting with a light supper. Mr. Harry Krauss has been our discussion leader. Mrs. Krauss has very kindly prepared the food. We appreciate all these things that they do for us. All young people of the Church School are urged to come out on Sunday evenings and meet with us. Last Sunday evening we elected our officers for the year. Martha Swinden is President. Alice Levy is Vice-President. Jean Gallo is Secretary-Treasurer. Bigger and better Fellowship times are ahead. JEAN GALLO, Secretary.

A HEART TO HEART TALK

YOU ARE THE BEST CANVASSER IN THIS PARISH—FOR YOURSELF

People will always say that they find themselves one of those individuals who find it almost impossible to approach anyone and ask for a pledge for the Parish, because you know neither your neighbor's income nor his financial obligations to others. BUT YOU KNOW ONE THING—YOU KNOW YOUR OWN PERSONAL AFFAIRS. You and no one else knows what you can afford to contribute to the Parish which serves you willingly.

A visiting member of the Every Member Canvassing Committee may expect a little too much of you; in some cases he will more than likely expect too little.

But you know exactly what you can give. You need no arguments to convince yourself. As a well informed Church member you know how great and wide in scope is the service rendered happily by your Parish right here in this neighborhood, in ministering to the sick, comforting the needy, consoling the sorrowful, bolstering up the discouraged, giving hope to the depraved, and food to the poor. You know full well that we do not by any means confine our good works to our own community. We attempt to aid the Divinity School, the Episcopal Hospital, the House of Rest, the work of the Church in the Philippines, and all of our Institutions in this Diocese. Christians are in no wise selfish.

Moreover, you certainly want to pay your share in supporting this Parish. You do not want someone else to do it for you. Your part is what you can afford, regardless of what others do.

No matter how efficient the plans for the canvass are formulated, no matter how well the vestry of your Parish organize the canvassers, no matter how many calls are made, no matter how well Dr. Houghton presents this subject to us on November 30th and December 7th, the canvass of your Parish will not be a success unless you canvass yourself first. What your part is in support of your Parish is up to you. Your honesty with yourself and with your Church will be reflected in what you honestly and prayerfully place on your card as your share in the advancement of Christ's Church and the bringing in of His Kingdom.

A PRAYER FOR OUR EVERY MEMBER CANVASS

O Lord, our Christ, may we have thy mind and thy spirit; make us instruments of thy peace; where there is hatred, let us sow love; where there is injury, pardon; where there is discord, union; where there is despair, hope; where there is doubt, faith; where there is darkness, light; and where there is sadness, joy.

O divine Master, grant that we may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love; for it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying to ourselves that we are born to eternal life. Through Jesus Christ our Lord, Amen.

A WORD TO THE EVERY MEMBER CANVASS COMMITTEE FROM THE RECTOR

Every Churchman who participates in a well-planned and properly conducted Canvass will come into the realization of certain joys and satisfactions that are the ample and enduring reward for his time and effort.

He will acquire a definite and comprehensive knowledge of the Church that may have escaped him through years of previous membership.

He will enlarge his acquaintanceship among the members of the parish which may lead in some instances to warm and useful friendships. In any case fellowship in any group becomes more attractive as we know and are known.

Every Canvass is fraught with incidents that enrich one's personal religious experience. New perceptions of religious truth are gathered from the speeches and discussions. New evidence of religious needs is discovered in the canvassing. A new realization of the value of one's contribution to the Church is attained. There is the strengthening reflex of every effort to influence another person in a good cause.

There is the intimate satisfaction so frequently lacking in the experience of a Churchman of definite deeds of service for Christ and the Church, and the secret joy of being identified unselfishly with a good cause.

In everything that we undertake in life that is consistent with God's plan and purpose there is an increment of courage, power and co-operation bestowed by Him. The canvasser may have this confidence with respect to his task. It properly becomes a matter of private personal prayer and will prompt his attendance at the Corporate Celebration of the Holy Communion, which will be held in the Chapel, on Sunday, December 12th, at 8.00 A. M. Each member of the The Every Member Canvass Committee is urged to devoutly attend. This is your needful preparation.

the world and preach the gospel." We cannot go into all the world ourselves and do this work. That is understood by all. But, our offerings, no matter how small, or how great, do fulfill this command. Our Easter Offerings to St. Paul's Parish are our personal messengers of Christ to the world. Our Easter Offering seen in this light is not a sacrifice but "our bounden duty" as service to Christ and His Church.

We have no debts that have accrued over a period of time. We are on the road to progress definitely. However, we must pay our current expenses. These will amount to the sum of approximately \$1,500.00 by Easter Day. To look at this sum it seems sizable. We at St. Paul's do more than just look at figures. We are not appalled by the largeness of this figure when we think of our capacity to get things accomplished. We must raise our Easter Offering to this amount or go in the red. We are twice blessed in our Parish with organizations that have working members who know no fatigue when it comes to the Church and its welfare. We feel sure that at this crucial time these people will not shirk. They never do! But, there are others, who are communicants of the Parish, and members of the congregation, who attend to the Church each Sunday. They make their Communion regularly. We appeal to these loyal people to aid their Parish with their Offerings. The responsibility is ours mutually. **THERE IS NO WORK THAT WE CANNOT DO — IF WE HAVE THE MIND TO WORK.** We have another group of people at St. Paul's who are absentee members of the Parish. When they are among friends and are asked where they go to Church, they, of course, go to St. Paul's. But, somehow or other never seem to get there. Where there is a wedding in the family, a Baptism, or a Funeral, the Church is always called upon to do its duty. The Church always does its duty gladly. It is not a duty to minister to people, but a PLEASURE. We welcome these people into our Parish. If we knew where they were living we would visit them and personally bid them to come to Church. These people are most welcome. It is our mission to get them to Church. It is their duty, as well as ours, to support our Parish with us in all its works. Remember what Bishop Taitt said to us at Confirmation last year, "St. Paul's Parish can be the largest and most influential Parish in South Philadelphia IF we continue to work." Easter Day gives us all the opportunity we have been looking forward to, **doing something for the Church no matter how small it is. This is our Parish—we must make it a success. "Lord, revive Thy Church beginning with me."**

OUR FINANCIAL POSITION

If we study the list of indebtedness as submitted by the Accounting Warden we find that St. Paul's owes to the Diocese the sum of \$517.55.

Of this sum our share of the Diocesan Program is approximately \$200.00. This figure is that set by the Diocese as our part in meeting the expenses of operating the Diocese. This sum must be paid before the Annual Convention in May or St. Paul's loses its vote and that of all things is the last that we want to happen to St. Paul's. It would be a sign to the Diocese that somewhere in our ministry we have failed to do our part.

The remainder of this sum is that which we accepted as our share in the spread of Christ's Kingdom and also should be met.

The other large sum is our coal bill totaling \$561.25 which also must be met, within the near future, if we hope to keep our credit good with our coal dealer.

Dear Parishioners:

Once again St. Paul's is faced with the necessity of continuing without a Rector. The loyalty of each one of you is needed if we are to continue the work of the Master in the spreading of Christ's Kingdom among men.

We shall be searching for some one who may lead St. Paul's on toward the ultimate goal which it should attain, but this cannot be done by one man but calls for the continued efforts of each one of us.

There are many problems facing us in the immediate future, chief among these is our Easter Offering. St. Paul's depends so much upon the Christmas and Easter Offerings to carry out the provisions of its budget that it is necessary for each one of us to give very serious thought to what we feel is our share in carrying on the work of the Parish.

The test of the value of the efforts of our former Rectors is whether or not we continue to go ahead even without

the guidance of a Rector. St. Paul's must never fail and it will not if each one does his share. Each organization must continue to minister to the needs of its respective group of parishioners so that at no point may our program be neglected.

We continue to take our place in the social service work of the community by granting the use of our facilities to the Baby Clinic, to the group of young men who are interested in gymnastics and tumbling, to the nurses of the Methodist Hospital for basketball practice and in other ways to numerous to mention.

That St. Paul's may continue to be of service to the Master is the earnest wish of the Wardens and Vestry and of every member of the Parish and we bespeak your constant prayers that it may be given to us to continue to labor successfully in God's vineyard.

Yours in the Work of Christ,
The Wardens and Vestry.

The Wednesday evening services have been very well supported, with good size congregations to greet the Rev. Frederick W. Blatz, the Rev. J. Wesley Twelves and the Rev. Walter Gale.

We hope that the remaining services will be as well supported. Following is a list of the remaining special preachers: Mar. 23—The Rev. M. Mills Garcia, Vicar of St. Titus Church.

Mar. 30—The Rev. John Roak, Rector of Gloria Dei (Old Swedes') Church.

April 6—The Rev. John McGrory, Rector of St. Bartholomew's Church.

April 13—To be announced.

MEN! — YOUNG MEN!

There is one thing very conspicuous by its absence at St. Paul's. That is the lack of more interested men. We do not see you in Church, nor yet in the Parish House, and we want to see you in both places.

Do you know that we have a fine basketball team, which is now in second place in the Church League. Why not come out and see them play.

We have a pair of excellent bowling alleys, and sufficient room for other games you might care to play. What would you care to play? Cards! Checkers! Chess! Handball! Table Tennis! Talks! Lectures! Pictures! Have a social evening! Come out and help us get these games organized.

Right now we have men bowling every Tuesday evening. Stop in and see then or come on Wednesday and bring your wife or sweetheart to bowl. Tell us what we can do for you

Phone or telegraph Wm. G. Jillard, 2243 S. 23rd St., Dewey 1649 or any other member of the Club you wish.

The Men's Club of St. Paul's is working hard to build up its organization. At present we have groups on Tuesday and Wednesday evenings (for men and women). Come out and join us.

G. W. Lex,
Acting Secretary.

GRATITUDE

The Vestry recently extended to Mr. Calender P. Ritter its gratitude for his efficient work in assisting the Accounting Warden on the Envelope Account System.

RESIGNATION

At a recent meeting of the Vestry the resignation of Mr. James M. Hazlett as a Vestryman was accepted with the deepest regret.

The years of service that Mr. Hazlett has given to St. Paul's is one of those personal sacrifices which have made St. Paul's what it is today. No matter how busy Mr. Hazlett was with the affairs of the city he always had time to think of the needs of St. Paul's and to act to its best advantage.

TREASURER OF SPECIAL FUNDS

In conformity with the wishes of the Diocese for the segregation of Missionary Funds, the Vestry at a recent meeting elected Dr. J. Randall Skillen, Treasurer of special funds.

This action will keep the special funds such as Missionary, Coal, Chronicle, etc., from getting into the general funds of the Church.

REV. FREDERICK W. BLATZ

The Parish rejoices with Mr. Blatz on his recent election to the Rectorate of St. Peter's Church, 3rd and Pine Sts.

St. Paul's can well be proud of its record in the number of successful men it has sent forth into the ministry.

EVERY MEMBER CANVASS

The Every Member Canvass held in St. Paul's during December was very successful. The increase in the number and amount of pledges was very gratifying to the Wardens and Vestry. Also the increase in attendance at the Church Services has been very marked and we hope that it will continue so.

CHURCH SCHOOL

Our Church School continues to grow each Sunday. The efforts of our teaching staff are deeply appreciated and any one who feels himself qualified and desirous of helping lead our children "in the way they should go" are most earnestly urged to join us. Their help is most urgently needed.

REV. J. PERRY COX

At a meeting of the Vestry held in the Parish House on February 17, 1938, the resignation of Mr. Cox as Rector of St. Paul's, due to his inability, on the advice of his physician, to resume his duties and responsibilities, following his recent serious illness, was accepted with the deepest regret.

The Vestry appreciates Mr. Cox's untiring efforts in behalf of the Parish and humbly notes with gratification the increase in the number of persons who now worship together in Divine Service in this Church and regularly partake of the Holy Sacraments. With God's guidance he has ever been alert to be of service to those of our people who are bereaved and distressed and his acts of charity have endeared him to each of us.

D. Cortlandt Montgomery,
Secretary of Vestry.

MRS. KATE ST. JOHN

The death of Mrs. Kate St. John on Thursday, March 3rd, has removed from the familiar faces at St. Paul's one whose faithful services has helped it continue to minister to the needs of the neighborhood. The appreciation and sympathy of the Parish is extended to those whom she has left to continue in her footsteps.

SPIRITUAL NEEDS

The Wardens and Vestry have arranged for the service of a minister to take care of the spiritual needs of the Parish throughout the period when we are with-

out a Rector. Should you need these services in case of sickness or death or for any other reason, please call on them and they will complete the necessary details.

APPRECIATION

The Vestry wishes to take this opportunity to thank the Rev. Thomas Parker for his great service at St. Paul's in taking charge of the Services in our Church on these Wednesday mornings in Lent. His efforts are deeply appreciated. Mr. Parker will conduct the Services of Holy Communion at 8 A. M. and Morning Prayer and Sermon at 11 A. M. on Sunday, March 27th. Let us show our appreciation for his kindness by having a fine congregation at both services.

Also they are now planning the decorations for our Easter Altar. Any one desiring to have a part in this service to the Parish is requested to speak to a member of the Altar Guild.

ELECTION OF VESTRYMEN

As required by the By-Laws, an election will be held in the Parish House of the Memorial Church of St. Paul on the evening of Easter Monday, April 18th, to elect four Vestrymen to serve a term of three years. The attention of members of the Congregation is directed to Article 1, Section 2, of the By-Laws of the Memorial Church of St. Paul which states:

"No person except a member of the Vestry whose term will then expire, shall be elected a Vestryman at any regular election, unless he shall have been nominated in writing by at least three electors, and the said nomination delivered to one of the Wardens or the Secretary of the Vestry at least sixteen (16) days before the election. The officer who shall receive any nomination shall post it in a conspicuous place in the vestibule of the Church before ten o'clock in the

morning of the third Sunday before the election."

Members of the Vestry whose terms expire this Easter Monday and who, by provision of the By-Laws, are candidates for re-election are:

John Hare
James E. Hill
D. Cortlandt Montgomery
J. Randall Skillen

DORCAS SOCIETY

At a recent meeting of the Dorcas Society an election of officers was held and the following officers were elected:

President, Mrs. Tillie Eppler.
Vice-President, Mrs. Elizabeth Boggs.
Secretary, Mrs. Harriet J. Skillen.
Treasurer, Mrs. Mabel Pelter.

The attendance has been very good this year, and every member seems eager to work.

We have had tours, luncheons and card parties and are planning many more activities in the future.

A new Blanket Club has been organized. There are many articles on our list including sweaters for men and women, boys and girls. Speak to any member of the Society if you are desirous of joining this Club.

Harriet J. Skillen, Secretary.

AN APOLOGY

While it is unintentional on our part to omit the names of our parishioners who contribute to funds, it does occur occasionally and we hasten to correct our error.

The following names are added to the list of contributors.

Needlework—Mrs. Kate Jillard.
Heating Fund—Mrs. William Smith.
Isolation Fund—Mrs. William Smith.

THE EASTER OFFERING

Men and women have a funny little habit. If they set their minds on a new car, they put away a little each week until they have saved the Down Payment. If, instead, the article is a new suit or a dress, a piece of furniture, or a watch, the same process is employed. This principle has a great deal of merit. What we want we get, because we are willing to slowly and steadily sacrifice each week until our purpose is accomplished. We should look forward to our Easter Offering in the same way. Think for a moment of the great purpose to be accomplished by the Church. Our children are to be educated and trained. Our Hospitals, Schools and Church Institutions are to be maintained. Far greater than these is the command given to us by Jesus Himself, "Go ye therefore into all

DORCAS SOCIETY

The attendance at our meetings continues to be very encouraging. Tickets are on sale for a Card Party on Friday Evening, May 20th, and may be had from any member of the Society.

We are also planning a Strawberry Festival the first week in June, date has not been decided upon as yet.

We have purchased a number of yards of table linen and our members are busily engaged in hemming the same, so we will have nice new table cloths for the Convocation Supper.

All members are urged to be present at our next meeting on Monday evening, May 16th, to welcome our new Rector, Rev. Thomas Parker, who will be there to open our meeting on this evening.

The society has on hand a number of bottles of vanilla extract which we would like to dispose of before the end of the season. Any one wishing to purchase vanilla will please get in touch with the secretary or any member of the society and they will be promptly served.

LOUIS R. BECK, Organist and Choir Master

Dear Parishioners:

It is with a great sense of happiness that we are able to announce the acceptance of our call to the Rev. Thomas Parker to be Rector of St. Paul's.

Mr. Parker comes to us after 14 years of service in Holy Apostles where he was the Assistant to the Rev. George H. Toop, and will begin his ministry among us on Sunday, May 15, 1938.

We feel that we have been very fortunate in securing Mr. Parker for he has worked and lived in South Philadelphia for years and he is well acquainted with the problems that face a parish in our neighborhood and that he comes well equipped to handle them and to lead St. Paul's on toward that goal which we all feel it should attain.

We wish to thank each and every member of St. Paul's who has helped us keep our Parish together and working. For practically five months we have been without a Rector, but St. Paul's has continued to move ahead. Elsewhere in the "Chronicle" you will find reports which bear this out. It speaks well for the Parish showing what it can do and that it's biggest need is a leader who will give it that additional incentive necessary to make the Parish grow.

Our first Rector, the Rev. Edwin S. Carson, has always said on his return visits to St. Paul's that the thing which impressed him most and made his ministry at St. Paul's so happy was the fact that "The People Had a Mind to Work". Let us keep that reputation so that our new Rector can also say that of his ministry among us in the years to come.

We bespeak your continued support of St. Paul's Parish and pray that we all may give Mr. Parker the support that his experience and ability merits.

Again we wish to thank all of the Parish for its support to us in the past

few months, and hope that that loyalty to St. Paul's will continue under our new leader, the Rev. Thomas Parker.

Yours in the Work of Christ,

THE WARDENS AND VESTRY.

REV. THOMAS PARKER, S.T.M.

The Vestry at a special meeting held on Sunday, May 1st, for the purpose of calling a Rector, unanimously elected the Rev. Thomas Parker to that office. Mr. Parker was notified of his election and accepted the call.

Mr. Parker has been assistant minister at Holy Apostles since 1924. He graduated from the University of Dubuque, Iowa, in 1921, following which he entered the Philadelphia Divinity School from which he graduated in 1924 and after further study he received his Master's Degree in 1926. He was ordained Deacon in 1924 and Priest in 1925.

We wish to take this opportunity to welcome Mr. and Mrs. Parker to St. Paul's and we pray that our association together will be most happy and of mutual benefit to all of us.

REV. JAMES MCCLINTOCK

We wish to thank Mr. McClintock for the way he entered into the services of St. Paul's which he conducted so admirably. He seemed to have been with us for sometime so smoothly did the services go.

Mr. McClintock thanked the Choir for their help to him in holding the services and said that so much could be accomplished and everybody would be happy when the organizations and the people of the Parish co-operated with the Rector.

THE SUNDAY SCHOOL LENTEN OFFERING

The Sunday School showed that it also continued the tradition of St. Paul's by going ahead this year. The Lenten Offering showed a considerable increase over last year.

It had been announced that prizes would be given to the boy and girl whose offering showed the greatest effort, but there were four members of the school whose efforts were so outstanding that it was decided to give each a prize.

These were awarded to:—

June Lindler.
 Rosemary Schnorr.

ANNUAL PARISH MEETING

Easter Monday, April 19, 1938

The Annual Parish Meeting was held in the Parish House at 8.30 P. M. The meeting was opened by the Rector's Warden, Dr. J. Randall Skillen, and the invocation was offered by the Rev. Thomas Parker, a guest of the Parish at this meeting.

Vestrymen present were Messrs. J. R. Skillen, McCook, Montgomery, R. J. Skillen, Ritter, Hill, Hare, Lindsay and Ker; and the congregation assembled numbered 30.

The Chair appointed Mr. Montgomery secretary of the meeting. The Minutes of the 1937 Annual Parish Meeting were read, and the meeting proceeded to the election of Vestrymen. The Rector's Warden surrendered the Chair to the Accounting Warden, who stated that no nominations for Vestrymen had been received from the Congregation, and therefore the members of the Vestry whose terms now expire are unopposed for re-election. The candidates for Vestrymen were stated as Mr. John Hare, Mr. James D. Hill, Mr. D. Cortlandt Montgomery and Dr. J. Randall Skillen. The Chair directed Mr. James Larkin to cast the ballot in favor of the candidates, and it was so done.

The Rector's Warden again assumed the Chair, and informed those assembled of the Vestry's action at their meeting on April 3rd in nominating the Rev. Thomas Parker as Rector of this Parish, and that due to the unanimity of feeling amongst the Vestrymen as to the choice, the Wardens and Secretary had prevailed upon the Rev. Mr. Parker to accept service immediately following his coming election as Rector on May 1st. The Rev. Mr. Parker had subsequently informed the Rector's Warden that he could accept the call as Rector on Sunday, May 15th. The Rector's Warden then introduced the Rev. Thomas Parker who briefly addressed the gathering.

The Accounting Warden presented a Financial Report as follows:

Received during 1938 to date	
(April 18th)	\$2,112.27
Received from January 1, 1937 to	
April 18, 1937	2,239.10
Decrease	\$126.83
Current Indebtedness	\$1,640.58
Easter Offering to Date	644.39
Balance in Church Checking Account	774.63
(Including Easter Offering to Date)	

The Rector's Warden stated that bills amounting to \$769.11 would be presented to the Vestry immediately following the Parish Meeting for action on payment. A discussion of Parish Finances followed and the results of the Every Member

Canvass, held in December, 1937, were presented.

The following organizations made reports for the year:

Dorcas Society represented by Mrs. Robert J. Skillen.

Men's Bowling Club represented by Mr. William Jillard.

The Choir represented by Dr. J. Randall Skillen.

Following the announcement of coming events the meeting adjourned at 9.15 P. M.

Sweet Communion

When you awoke from sleep this morning,
Though the hour was rather late,
Did you stop to speak with Jesus,
And His benediction wait?
Did you thank Him for His mercy,
For His care through all the night,
That no evil had befallen,
That no tears now dim your sight?

Did you ask Him for the blessing
Of His presence through the day,
For His leading safely onward,
For His guiding, lest you stray?
Did you tell Him that you'd gladly
Go wherever He would lead;
That you'd try to do His bidding,
Helping every soul in need?

If you go without these blessings
As you start another day,
Be assured your strength will fail you,
And you'll faint along the way.
O, live closer to the Master;
For unless you're very near,
Words of love He whispers to you
Will not reach your listening ear.

Dear Friends:

Though little more than two weeks have passed since I came to serve with you at the Memorial Church of St. Paul, everywhere I have gone among you you have made me feel welcome. It is not necessary for me to tell you that this has made me happy. It has been gratifying to note your eagerness to work for the Kingdom of God in our community, and more especially in our own church.

Organization activities are still going strong, which indicates loyal workers. I trust that shortly every member of the congregation and of the Church School will identify himself or herself with a group of workers and that every room in our spacious parish house may be used.

SPECIAL GIFT BOXES

There will soon be in your hands, if you have not already received them, special offering boxes which we would like to have used during the summer months. The plan for their use is simple. Just before giving thanks to God for each meal, you are to drop a cent into your gift box in token of gratitude to Him for His bounty to you. We want you to do this until the second Sunday in September, when the filled boxes are to be brought to church and placed on the alms basin. It is hoped that this plan, conscientiously followed, will take up the financial slack that occurs during vacation time.

STRAWBERRY FESTIVAL

There will be a Strawberry Festival on Tuesday evening, June 7th, at 8:00 o'clock. The Dorcas Society has gladly consented

to take charge of this affair. We hope that you will plan to come and that you will bring friends and do all that you can to make this one of the outstanding events of our church's year. Any member of the Dorcas Society, or the Rector, will be pleased to receive donations to defray the expenses. Tickets for adults, twenty-five cents; for children, fifteen cents.

CHURCH SCHOOL PICNIC

Just at the present time we do not know where our Church School picnic is to be held, but we expect to have a picnic. A committee, consisting of Mrs. Rudolph and Mrs. Ellis, is making plans for a special card party to be held on Friday evening, June 17th, at 8:30 P. M., to raise funds for the expenses of the picnic. Hence it follows that the more money we have for the picnic, the better picnic we can have. Donations of prizes are asked. We depend upon you for support.

MEN'S CLUB

On Tuesday, June 28th, the Men's Club will give a card party for church expenses. We urge you all to come and enjoy a sociable game of cards. Donations of prizes are solicited. Come and bring friends.

The Men's Club cordially invites the men and young men of the church to come to its meetings on Tuesday evenings. Bowling, checkers, darts and ping pong are some of the attractions offered. You will be very welcome.

Faithfully yours,

THOMAS PARKER.

WHITSUNDAY (Pentecost)

Today is Whitsunday. "At the first Pentecost the Holy Spirit came with power upon the waiting Church. Today the Church of Christ needs this same divine power to bring healing and hope to the world, and to guide mankind into the way of truth and peace. To renew the Church's life and power, we must be ready to receive it, and to put it into acts.

Our Savior Christ teaches us to pray and labor for the coming of His Kingdom among men. God's will shall be done on earth as it is in Heaven. Every area of human life, every land, calls for the service of Christian disciples. The foundations of a new world are being built. The mind of Christ designs them. The people of Christ must build them. Christ's rule of brotherhood must prevail.

'Strengthen us, we beseech Thee, O Lord, with the Holy Ghost the Comforter, and daily increase in us Thy manifold gifts of grace; the spirit of wisdom and understanding, the spirit of counsel and ghostly strength, the spirit of knowledge and true godliness; and fill us, O Lord, with the spirit of Thy holy fear, now and for ever. Amen.'

PEACE

If we believed in God, there would be light
Upon our pathway in the darkest night.
If we believed in God, there would be power
To foil the tempter in the sorest hour.
If we believed in God, there would be peace
In this world's warfare, ever to increase.
If we believed in God, there would be joy
Even in tears, that nothing could destroy.
If we believed in God, there would be love
To heal all wounds and lift the world above.
Lord Christ, be near us, that, beholding Thee,
We may believe in God and be set free.
J. W. Gibbs.

LET US PRAY FOR ALL THE NATIONS AND PEOPLES OF THE WORLD

"That the clouds of fear and despair may vanish before the rising winds of faith, hope, and love.
That this day, may mark a new era of ever growing international understanding and co-operation.
That the governments and peoples of the world may be increasingly willing to listen to the voice of reason, which makes for unity, as against the voices of fear, prejudice, and selfish interest, which make for division and strife.
That the strong may bear the burdens of the weak so that the hungry may be fed and the naked clothed.
That those who have power may use it only for the establishment of justice, in the manner of Jesus.
That the kingdoms of this world may become the kingdoms of our God and of his Christ."

FOR FELLOWSHIP AMONG THE NATIONS

Almighty God, who art the Father of all men upon the earth, most heartily we pray that thou wilt keep thy children from cruelties of war, and lead the nations in the way of peace. Teach us to put away all bitterness and misunderstanding, both in church and state; that we, with all the brethren of the Son of Man, may draw together as one comity of peoples, and dwell evermore in the fellowship of that Prince of Peace, who liveth and reigneth with thee in the

unity of the Holy Spirit, now and ever. Amen.

FOR THE FAMILY OF NATIONS

Almighty God, our heavenly Father, guide, we beseech thee, the Nations of the world into the way of justice and truth, and establish among them that peace which is the fruit of righteousness, that they may become the Kingdom of our Lord and Savior Jesus Christ. Amen.

FOR OUR COUNTRY

Almighty God, who in the former time didst lead our fathers forth into a wealthy place; Give Thy grace, we humbly beseech Thee, to us their children, that we may always approve ourselves a people mindful of Thy favour and glad to do Thy will. Bless our land with honorable industry, sound learning, and pure manners. Defend our liberties, preserve our unity. Save us from violence, discord and confusion, from pride and arrogancy, and from every evil way. Fashion into one happy people the multitudes brought hither out of many kindreds and tongues. Endue with the spirit of wisdom those who we entrust in Thy name with the authority of governance, to the end that there be peace at home, and that we keep a place among the nations of the earth. In the time of prosperity, fill our hearts with thankfulness; and in the day of trouble, suffer not our trust in Thee to fail; all of which we ask for Jesus Christ's sake. Amen.

FOR OFFICERS OF THE STATE

Lord of power and giver of grace and wisdom, we commend to Thee all who are engaged in the government of this State; grant to them clean hands, pure hearts, and unfailing devotion to the cause of righteousness. To Thee, meriful Lord, we commend their work, praying that it may be such as will promote Thy work in our midst, to the succour of the poor, the relief of the oppressed, the putting down of all social evils, and the redress of all social wrongs. Let all they think or speak or do, be for Thy glory and the good of Thy people. Amen.

FOR OURSELVES

Our Father, who art in heaven, Hallowed be thy Name. Thy Kingdom come. Thy will be done on earth, As it is in heaven. Give us this day our daily bread. And forgive us our trespasses, As we forgive those who trespass against us. And lead us not into temptation; but deliver us from evil. For thine is the kingdom, and the power, and the glory, for ever and ever. Amen.

Dear Friends:

We are starting the church work of the fall and winter and indications point to an active and useful year at St. Paul's. Your response and co-operation are gratifying. You are helping to make the work, always a difficult one and especially so during times like the present, a bit more encouraging, a little easier.

To show our sincerity of purpose, we hope that all who can will come to our Parish Corporate Communion on Sunday, October 2nd, at 11:00 o'clock, to be refreshed and strengthened for the work that is before us. I would like to suggest that we make the first Sunday of each month a corporate communion, feeling assured that in the sacrament of the Lord wisdom and strength will be received to meet our needs.

THIRTY-FOURTH ANNIVERSARY

On October 9, 1904, the Parish of the Memorial Church of St. Paul had its beginning. Just thirty-four years later, to the day and date, we are going to celebrate that glorious occasion. We hope that many former parishioners and friends will return to visit the Church where they, perhaps were either baptized, confirmed, made their first communion or were married. It will be a real pleasure to greet these earlier members along with our present communicants on that day. Let us make this an outstanding day in the life of our parish and a day of thanksgiving for those who made it possible for us to have this beautiful church wherein we may worship God, as well as for those who now labor for Him at St. Paul's.

CHURCH SCHOOL

The Church School re-opened on September 18th. We were pleased with the number who came to this session. It is encouraging to find so many boys and girls interested to learn more about Jesus Christ, the Head of the Church. It is in the Church School that the leaders of the Church are trained. If ours is to be a strong, healthy, life-giving institution, then our Church School must have consecrated men and women as teachers. We have devoted officers and teachers, but we do not have enough teachers. This is your opportunity. Will you not offer your services?

We plan to give awards to the pupils who have perfect attendance records. Four tardy marks will be counted as equivalent to an absence. The boy or girl who secures the most new scholars (who do not belong to other Church Schools) will receive an award.

Mr. Harry E. Krauss, Jr., has been elected Treasurer. Mrs. Frank McCook, Secretary, will appreciate your co-operation in keeping the records correct by notifying her of any change in your address. Dr. J. Randall Skillen, Superintendent, will be glad to welcome you to our Church School.

The Rector would like to start a Bible Class for Men. He hopes that a number of men and young men will volunteer to join this class. Will you speak to him about it, and speak to others about it also?

EVERY MEMBER CANVASS

A committee from the Vestry and the Rector have had several meetings

during the summer to outline plans for our Every Member Canvass. The plans are about completed and some of the canvassers have been secured to visit our parishioners for the purpose of obtaining their pledges for the year 1938-39. Others will be asked to help and I trust that they will be as eager to serve in this capacity as are those who have already been asked. The canvass will start on Sunday, October 30th, with a celebration of the Holy Communion at 8:00 A. M., followed by breakfast, at which time last minute details and instructions will be given. There will be other meetings, to which the whole committee will be invited. The use of this prayer in preparation for the visitation is suggested:

"God our Father, who providest thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of thy Kingdom, through Jesus Christ our Lord. Amen."

OUR SUMMER EXPENSE BOXES

Quite a number of the Summer Expense Boxes have been returned and our Accounting Warden, Mr. Frank McCook, reports that the amount received to date is \$146.73. We are grateful to all who have shared in this thanksgiving. If any of you have not returned your boxes, please do not fail to do so. It is not too late to present your offering.

The list of communicants and attendants at St. Paul's is neither as accurate nor as complete as it should be. Will those of you, to whom our communications come incorrectly addressed, be good enough to either hand me a correct copy of your name and address or mail the information to me on a postal card? If there are some whose names and addresses we do not have, and I feel sure that there are, will you kindly see that we receive them at an early date?

Faithfully yours,
THOMAS PARKER, Rector.

AMERICAN RED CROSS

Again the American Red Cross has rushed its workers to scenes of recent disaster. It is asking the generosity of us all to help to raise a minimum relief fund of \$500,000.00. Kindly either give your contribution to the Rector to forward, or mail it direct to Blackwell Newhall, Chairman of Southwestern Pennsylvania Chapter American Red Cross, 511 North Broad Street, Philadelphia, Pa. Do it today.

ALTAR GUILD

On a recent Sunday Mrs. Charles W. Bastian had flowers on the altar in memory of Richard Bastian.

On Sunday, September 25th, Miss Kathryn Milligan had flowers in memory of her Grandmother, Mrs. Margaret Milligan.

We are grateful to Mrs. Harper and Miss Henzler for supplying flowers for the altar from their gardens during the summer, on the Sundays that no reservations for memorials had been made.

If any person would like to put flowers on the altar on a vacant date, will you kindly let either the Rector or me know.
Kathryn J. Hazzard.

DORCAS SOCIETY

The Dorcas Society took up its work on Monday, September 12th. We have had a very good attendance this season and have enrolled one new member. The first of our activities will be a demonstration of soap and other articles, on Monday evening, October 3rd, in the Dorcas room. We hope that as many of the women of the church as possible will come, as the demonstrator would like to have at least forty in the audience.

On October 19th, Mrs. Rudolph and Mrs. Boggs will give a Card Party in the Parish House.

On November 17th, we will have a Turkey Supper in the Parish House.

We have started a new Blanket Club and would like to have some more members.

More activities will be announced later.

ALL SAINTS' DAY

Tuesday, November 1st, being all Saints' Day, there will be a celebration of Holy Communion at 10:00 A. M.

Bishop Barry, in The Teachers' Prayer Book, says "This glorious festival, summing up the special Saint's Day celebrations, dates in the West from about A. D. 610, when the Pantheon, turned into a Christian Church, was appropriately dedicated to the Blessed Virgin and to All Saints. In the East a Festival, first of All Martyrs, then of All Saints, was and is kept on the first Sunday after Pentecost. Its great idea is the unity of Christians, living and dead, of all ages, countries, and races in Christ, and the perfection of that unity in the bliss of Heaven. The Unity here implied with the faithful departed was emphasized afterwards by the celebration on November 2nd, of "All Soul's Day".

ST. ANDREW'S DAY

Wednesday, November 30th, being St. Andrew's Day, there will be a celebration of Holy Communion at 10:00 A. M.

DORCAS SOCIETY

On Tuesday evening, November 1st, the Dorcas Society will hold a Hallowe'en Party in the Parish House, every one to come masked. Admission will be 25 cents. We expect to have lots of fun.

On Wednesday afternoon, November 9th, we will hold a Card Party at the George B. Davis Furniture Store, 3930 Lancaster Avenue. All members and their friends are invited to attend. Tickets are 25 cents. Prizes are solicited.

On November 17th there will be a Turkey Supper in the Parish House. Tickets will soon be on sale for this supper.

The Card Party given by Mrs. Boggs and Mrs. Rudolph on October 19th was a great success. These ladies and their helpers worked tirelessly to make it so.

We are having a very busy season, so far we have enrolled two new members. We have on sale at present a number of articles including a fine sponge soap for cleaning paints and for other uses.

Also personal stationery, dish cloths and wax paper. We still have a number of bottles of vanilla on hand. Any one wishing to purchase any of these articles can be put in touch with the sales person by asking any member of the Society.

Dear Friends:

This issue of The Chronicle might be called "The Every Member Canvass Number". This is the time of the church year when our workers go out to visit in the homes of our parishioners, who are asked to take inventory of themselves and of their abilities. The financial stability of our Church depends more upon the success of this canvass than upon any other factor of our Church's endeavor.

Our visitors will bring you a message of the spirit of the Memorial Church of St. Paul. We trust that you will make them cordially welcome to your homes. We hope that you will earnestly consider the problems presented and that you will do all in your power to help in their solution. If you have been blessed with this world's goods, we sincerely hope that you will increase your contribution to the Church. If, however, you are doing all that it is possible for you to do for His work, then that is all that is expected of you.

If some of us but realized the amount of money that we spend on ourselves for amusements, cosmetics, tobacco, candy, etc., we would find that the total would be greatly out of proportion to the amount that we give to the Church and its work.

It is estimated that the cost of maintaining our Church is fifty cents a week for each person. But there are some who cannot pay this much and others who can pay more. The latter of necessity must be depended upon to take up the slack.

If this support were given regularly, it would enable us to maintain our services in a dignified manner. It would meet the expense of our capable choirmaster and fine choir. It would pay for our coal, for the upkeep of our build-

ings and operating expenses. It would provide for the services of the Rector, of preaching, of visiting the sick, baptizing children, preparing candidates for confirmation, of giving the blessing of the Church in Holy Matrimony and of burying the dead. He is ready to serve you in any way that he can, if you will but make your needs known to him.

The Every Member Canvass will continue through the week beginning October 30th. Will you bring your pledges on Sunday, November 6th, and place them on the alms basin and dedicate yourselves anew and your gifts to Almighty God in the greatest service of the Church, the Supper of our Lord? We would like this to be a corporate communion of the entire parish. If, however, it is not possible for you to be present at this service, will you not send your pledges in time for the service?

We pray for God's blessing upon us in our efforts and trust that we may be spiritually strengthened in this labor for Him and His Church.

Faithfully yours,

THOMAS PARKER, Rector.

"NEW PATHWAYS GIVE NEW COURAGE"

Dear Friends:

Again it becomes necessary for us to take stock of what we have accomplished during the past year and what we hope to accomplish in the coming year.

While we wish that it was not always necessary for us to keep the financial side of our endeavor before you, rather than the spiritual side, still our mission could not be carried out

without the financial part being taken care of also.

To raise such an amount of money needs a tremendous amount of preparation and understanding on the part of each and every member of St. Paul's. The Wardens and Vestry feel that the best method of acquainting everyone with the seriousness of our undertaking is by means of the Every Member Canvass.

Each Vestryman has consecrated himself and his efforts to the successful completion of this task. No member of St. Paul's can do less if he wants the work to go on and we are sure that is the wish of each of us.

Other members of the Parish have been asked to co-operate with the Vestrymen and assist them in covering the Parish in this canvass.

Meetings have been held at which time these canvassers have been instructed as to the needs of the Church in general. They also have been instructed in the details of our own efforts, so that when they go out into the Parish they may present to each one an intelligent picture of the entire problem which confronts us, and so that they may also show to each one why he should have a larger part in this great work.

At the beginning of the Canvass, Sunday, October 30th, there will be held a Corporate Communion for this team that they may consecrate themselves to the task which has been laid before them. During the week following they will go through the Parish spreading our message. If you have any questions as to where your money is spent or any other question bearing on our work or if you wish to know what part you may play in the active service of the Parish, do not hesitate to ask them.

Please receive each one as a friend and partner, listening to what he has to tell you and then give serious thought to what you consider to be your share in the furthering of Christ's Kingdom among Mankind.

Yours in the Work of the Master,

THE WARDENS AND VESTRY.

THE WOMAN'S AUXILIARY

The Woman's Auxiliary of the Memorial Church of St. Paul will hold its opening meeting on Tuesday afternoon, November 15th, at 2:30 o'clock.

Every woman who is a communicant member of the Episcopal Church is also a member of the Auxiliary. We, therefore, invite you and urge you to be present at our first meeting, when there will be an election of officers and committees appointed to represent St. Paul's at the Diocesan meetings.

If any of you have the little blue envelopes or boxes for the United Thank Offering, will you kindly give them to the Rector who will see that the money is given to the U. T. O. Treasurer.

THE CHURCH SCHOOL

It is encouraging to receive new scholars in our Church School. A number of our faithful pupils have brought friends to receive weekly instruction in Christian living. We welcome the following persons into our fellowship: Marion Amies, Bobby Beeson, Kathryn Berry, Elizabeth Burgess, William C. Canavan, Mary Ann Cresswell, Richard Hall, Harvey R. Hesington, Katherine Horkan, Anna Kampmeir, Colver Kenyon, Elizabeth Kenyon, Howard Kenyon, Margaret Kenyon, Dorothy Knight, Elizabeth Lewis, Mrs. Thomas Lewis, Frank C. McCook,

James I. Pelter, Maurice Van Auken, George Voss, Robert Wallace.

We are glad to welcome to our teaching force Miss Marie McComb, Miss Dorothy Ellis and Mr. John Lindsay, and we pray that their efforts may be richly rewarded. There is no other work that offers such a splendid opportunity to mould the lives of children and young people as does that of teaching the principles of Christian living.

THE MEN'S CLUB

We are making new acquaintances every week in the Game Room in the basement of the Parish House, where the Men's Club meets on Tuesday and Wednesday evenings from 7:45 to 11:00 o'clock. We hope to extend our activities to other evenings of the week, if the growth of this organization warrants doing so.

The Game Room was put in excellent condition during the summer and the committee that had the work in charge is deserving of our sincere thanks.

The following amusements are offered without cost:—Shuffle board, table tennis, checkers and darts.

From those who desire to take advantage of our bowling alleys, a donation of twenty-five cents is asked to defray the necessary expenses. Tuesday evening, men only; Wednesday evening, a mixed group.

As soon as the Men's Club's finances permit, we expect to have additional games, such as badminton, golf practice, archery, volley ball and hand ball.

The men of the parish are urged to avail themselves of these opportunities for fellowship and recreation. We hope to have Mr. Parker present, as official host, at at least one of our sessions each week.

THE GIRLS' FRIENDLY SOCIETY

The Girls' Friendly Society will hold its opening meeting on Tuesday, November 1st, at 8:00 o'clock, in the Parish House. The Rector will be present to talk over plans for the year.

LOUIS R. BECK, Organist and Choir Master

Dear Friends:

The Every Member Canvass has shown us that a good spirit prevails in our Parish. Everywhere that the canvassers went, they were received with a cordiality that was gratifying. With this spirit prevalent, we shall hope to accomplish much for the Master in our community. With a common interest and teamwork—rector and people working together—we may look forward to increasing usefulness.

Though Advent season was ushered in with the worst snowstorm in November in forty years, the attendance at both morning services and Church School was good. This evidence of the parishioners interest in their Church is very heartening. Advent marks the beginning of another church year and it is hoped that all may feel it a privilege and duty to attend at least one of the services each Sunday.

Those of us who have been in the shopping districts have noticed the elaborate preparations that merchants are making to entice Christmas trade. I do not recall that the store windows have ever been more attractive. As we gaze at the beautiful displays in the shops, or wade through the heavy snow covering the earth, we are reminded that Christmas is nigh. It is time for us to consider the real significance of the anniversary, to feel the joy that St. Luke must have experienced when he wrote: "Behold, I bring good tidings of great joy, which shall be to all people. For unto you is born this day in the City of David a Savior, which is Christ the

Lord." It is the birthday of our Lord, the day when Christians throughout the world sing, "Glory to God in the highest and on earth peace, good-will toward men." It is the time when everyone wants to be home with loved ones to enjoy the spirit of Christmas. It is a time when we think of others and want to share our joys with them. Even more important than these, it is a time when families should want to go to church to partake of the Supper of the Lord. It is His day and His spirit should permeate all. With joy we sing Phillips Brooks beautiful hymn:

O holy Child of Bethlehem!
Descend to us, we pray;
Cast out our sin and enter in
Be born in us today.
We hear the Christmas angels
The great glad tidings tell;
O come to us, abide with us,
Our Lord Emmanuel!

With the sincere wish that Christmas may bring you great joy and peace, I am

Faithfully yours,

THOMAS PARKER,
Rector.

The Church School Hallowe'en Party was held on October 28th. There were 125 pupils of the Church School and friends present. Appropriate refreshments were served. Everyone had a good time. The expense of the party was met by admissions at the door and the generosity of several friends.

The Church School is growing. The Superintendent hopes that more children and adults will join our classes.

The Rector is teaching Church History to a class of men. He invites any man who is interested to come on Sunday morning at 9.30 o'clock.

Mrs. Frank McCook, the Secretary, reports the following new scholars: Lillian Kampmeyer, Natalie Jones, Kathryn May, Kathryn Nord, George Curtis, Olga Vicici, Joseph Wedig, Betty Murray, William Murray, Betty Busch, Richard Murray, Nancy Murray, Alcina Gay, Hobart Gay and James Hughes.

THE WOMAN'S AUXILIARY

The Woman's Auxiliary of the Memorial Church of St. Paul met on Tuesday afternoon, November 15th, at 2:30 o'clock. The Rector called the meeting to order.

After discussing the various phases of the work of the Auxiliary, the members decided to meet twice a month, the second and fourth Tuesdays. Next meeting will be held December 13th.

The following were elected officers to serve for the year 1938-39: Mrs. Herbert Edkins, President; Mrs. Olive P. Doughty, Vice-President; Mrs. Eugene Rudolph, Secretary, and Mrs. Howard McComb, Treasurer.

It is hoped that many more women of the parish will be interested in the Auxiliary and will take an active part in its work. It is only when we put much into our efforts that we can hope to get much out of them.

THE ALTAR GUILD

The Altar Guild is planning to have the usual decorations in the Church for the Christmas season. Will you kindly place your contributions in the plate on the table at the rear of the Church.

ALTAR FLOWERS

Dec. 4th—
Dec. 11th—In memory of Father and Sister. The gift of Mrs. James C. Bigger.
Dec. 18th—In memory of Jack McComb. The gift of Mrs. Howard McComb.
Dec. 25th—Christmas Decorations. The gift of The Congregation.

If you are desirous of placing flowers on the altar in memory of loved ones, kindly speak to Mrs. Harry Hazzard or the Rector.

DORCAS SOCIETY

On Monday evening, December 5th, the members of the Dorcas Society will have their Social, after the business of the evening has been transacted. We would like all members to be present at this meeting.

The Turkey Supper is now past history but we would like members and friends and every one who had a part in this event to know that it was a huge success. We wish to thank every one for their efforts in our behalf, especially the good ladies who spent all day in the kitchen preparing the very delicious meal.

On Saturday evening, December 10th, there will be a sauer kraut supper in the Parish House. Any one who cannot eat sauer kraut may have baked beans. Tickets are now on sale and may be had from any member of the Society. In conjunction with this supper there will be a sale of cakes, candies and various articles. There will probably be many things suitable for Christmas gifts.

We have had very interesting meetings this season, the attendance is good and

every one seems to "have a mind to work."

We filled and sent out eight Thanksgiving baskets which I am sure were very much appreciated by the recipients.

On Tuesday evening, December 20th, we will have an entertainment by Burk's Broadcasters in the Parish House. Admission will be 25 cents.

Harriet J. Skillen, Secretary.

BURK'S BROADCASTERS

It gives us pleasure to announce to the host of friends of this talented group of artists, and to all who love good music, that Burk's Broadcasters, who are heard every Saturday evening from 8:15 to 8:30 o'clock, over station WFI, will entertain us in the parish house of the Memorial Church of St. Paul on Tuesday evening, December 20th, at 8:00 o'clock.

The Dorcas Society hopes that you will advertise this unique entertainment far and wide so that there may be a large audience. Tickets will be twenty-five cents each and may be obtained from any member of the Dorcas Society.

THE MEN'S CLUB

The Men's Club of St. Paul's is working hard to interest all the men of the Parish and their friends in the facilities that the club-room offers. Tuesday evenings are reserved for the men only. Come and bring a friend. On Wednesday evening each week a mixed group meets to play shuffle board, table tennis, checkers and darts, and to bowl. The men of the Club feel deeply indebted to Mr. George Lex who has worked untiringly to put the game-room in the splendid condition in which it now is.

WANTED — MEN!

Men with convictions, and men with a will.
Men to take hold when others stand still.

Men independent of praise or of blame.
Men whose professions are not to their shame.

THE KINGDOM OF GOD

I say to thee, do thou repeat
To the first man thou mayst meet
In lane, highway, or open street—
That he and we and all men move
Under a canopy of love,
As broad as the blue sky above;
That doubt and trouble, fear and pain,
And anguish, all are shadows vain,
That death itself shall not remain;
That weary deserts we may tread,
A dreary labyrinth may thread,
Thro' dark ways underground be led;
Yet, if we will one Guide obey,
The dreariest path, the darkest way
Shall issue out in heavenly day;
And we, on divers shores now cast,
Shall meet, our perilous voyage past,
All in our Father's house at last,
And ere thou leave him, say thou this,
Yet one word more—they only miss
The winning of that final bliss,
Who will not count it true, that Love,
Blessing, not cursing, rules above,
And that in it we live and move.
And one thing further make him know,
That to believe these things are so,
This firm faith never to forego,
Despite of all which seems at strife
With blessing, all with curses rife,
That this is blessing, this is life.

Dear Friends:

We were honored in having the Bishop of the Diocese with us on Thursday evening, December 1st, for my institution as the rector of The Memorial Church of St. Paul. It was a beautiful service and the Bishop, who is loved by all, preached an inspiring sermon which should be helpful to us in the new relationship. It was a pleasure to have Rev. Stanley V. Wilcox, Dean of the Convocation of Chester and a former rector of St. Paul's, Rev. John E. Hill, Dean of the Convocation of South Philadelphia, and the Rev. Herbert Toop, D.D., my former rector at the Church of the Holy Apostles and a former Dean of the Convocation of South Philadelphia, in the chancel with me. The congregation was large in spite of the fact that there were a number of other church gatherings that evening.

The Church School room was attractively decorated for the Vestry's reception for Mrs. Parker and me which followed. It was a joy to us to greet the new friends in the parish and to meet again former parishioners and friends. A vase of beautiful red roses was presented to Mrs. Parker by the Dorcas Society and a fine automobile robe, the gift of the Men's Club, and a unique gold chain and key, designed and made by a member of the vestry, were presented to me. These were very much appreciated and the friendly interest that lies behind these thoughtful acts is heart-warming indeed. Altogether it was a great evening and there were many expressions of praise of the beauty and dignity of the service of institution and of the friend-

liness of the reception and we want to thank the Vestry, the Choir, the Dorcas Society and the Girlss' Friendly Society and all others who helped to make the evening a success. We feel now, as one of the parishioners expressed it that evening, "as though we really belong".

Christmas.

The congregations on Christmas morning, according to past records, were about the usual size. The early service, with its procession of candlelights, was beautiful and very impressive. The singing of carols by our faithful choir made the spirit of Christmas very real to all of us. The later service, too, was one in which Christmas joy was evident and it is reassuring that Christian people care about the birth of the Christ Child and come to His House to worship Him.

The Church School anniversary service was held at 9:30 A. M. The Primary Department sang the lovely old carols remarkably well. Is there anything more uplifting than the voices of little children singing hymns of praise and adoration?

The offering on Christmas Day, \$902.98, while not quite up to the amount that we require and asked for, is a goodly one and I deeply appreciate the sacrifices which, in many cases, it entails. I am hoping and praying that the amount will continue to rise and will more nearly approach our goal of \$1,500.00, the sum needed to wipe out our deficit. I am very grateful for your co-operation.

Mrs. Parker and I thank you for your Christmas greetings. They were an outpouring of your friendliness and affection

for us and we appreciate them more than we can tell you. For the very large number of cards, and for the gifts from the Dorcas Society, "the Friends in the Church and the Church School", and from individuals, please accept our very warm thanks.

New Year.

On Sunday, January 1st, we shall start the year 1939 with a celebration of the Holy Communion. May God give us a Happy and Prosperous New Year at St. Paul's; one that will see a marked spiritual development in our lives. It is not unreasonable to hope that the Church may receive our first consideration and that we will make it a point to be in our pews regularly on Sundays, unless prevented from doing so by illness.

With best wishes for a very Happy New Year to you all, in which Mrs. Parker joins, I am

Cordially yours,

THOMAS PARKER,
Rector.

STATISTICS

Burials:—Frank M. Hines, Elizabeth Morrow, Matthew C. Larkin, Jennie M. Okum, Eliabzeth L. Moody and Sarah Garrison.

John Aikens.

Whereas, it has pleased Almighty God, in his infinite wisdom to remove from our midst our esteemed friend and co-worker, John Aikens, but his influence in St. Paul's and among his friends will live on.

Mr. Aikens was first elected to the Vestry of the Memorial Church of St. Paul on October 19, 1921 and served faithfully until his resignation on March 29, 1937.

Whereas, for the friendly, genial and lovable character and fine adherence to lofty standards of effective living we are increasingly his debtor. Therefore be it

Resolved, That we, the members of the Vestry of the Memorial Church of St. Paul do hereby record this tribute to his memory; and be it further

Resolved, That copies of these resolutions be sent to the family, that they be published in "The Chronicle" and also that they be spread on the minutes of the Vestry.

MEMORIAL LAMP

On Christmas Day a lamp for the organ was dedicated to the memory of Mabel Louise Rudolph, the gift of her mother, Mrs. Eugene Rudolph.

DORCAS SOCIETY

On Tuesday evening, January 3rd, 1939, the Dorcas Society will hold its first meeting of the new year. At this meeting there will be the nomination of officers for the ensuing year. On Monday evening, January 9th, the election will be held. All members are urged to be present at both meetings.

The members sent out a number of generously filled Christmas baskets, and sent flowers to members who were ill.

In the next issue of "The Chronicle" there will be a statement of plans for work in the near future.

The Society presented \$300.00 to the Church as its Christmas offering.

It is with deep sorrow that we announce the passing of one of our members, Mrs. Sarah Garrison. Mrs. Garrison will be very much missed by our organization.

Harriet J. Skillen,
Secretary.

THE WOMAN'S AUXILIARY

The Woman's Auxiliary will meet on Tuesday, January 10th, and Tuesday, January 24th, at 2:00 o'clock. It is hoped that all the members of the Auxiliary will be present to make the meetings interesting and inspiring. All women of the parish are urged to become members.

THE MEN'S CLUB

More and more men are coming out on Tuesday evenings to enjoy the activities of the Club. If you have not already taken advantage of the invitation of the Men's Club to see for yourself the fine equipment we have for an evening of pleasure, will you not make it a point to do so now? You will be very welcome and we are sure that you will have a good time.

THE EPIPHANY

(The manifestation of Christ to the Gentiles.)

Friday, January 6th, being the Feast of the Epiphany, there will be a celebration of the Holy Communion at 10:00 o'clock, in the Chapel. More of our people should attend these Saints' Days services.

THE CONVERSION OF ST. PAUL

Wednesday, January 25th, being the anniversary of the Conversion of St. Paul (for whom our Church is named), there will be a celebration of Holy Communion at 10:00 A. M.

CONFIRMATION

The Bishop of the Diocese will administer the Rite of Confirmation in our Church on Sunday, February 19th, at 11:00 A. M. The adult class will meet the Rector on January 4th, at 8:00 o'clock, and the boys and girls who are to prepare for confirmation will meet with the Rector on Friday, January 6th, at 4:00 o'clock. Will you kindly speak to him about the matter, if you are desirous of being confirmed in this year's class?

WEDNESDAY NIGHT GROUP

Some of the young men and young women meet to bowl every Wednesday evening. Any couple who is desirous of bowling is welcome to join this group. This is a fine opportunity for the young men and women to meet each other in a social way and to enjoy an evening of sport.

BASKETBALL EVERY FRIDAY EVENING

The Basketball team is now hitting its stride. The boys have defeated the two leading teams of the league and we hope that they may march on to victory after victory. Basketball is a fine game. It teaches self-control and whether a game is won or lost, it is a good sport. A clean, wholesome game is more important than a victory. Come out on Friday evenings and support the team by your presence.

THE CHURCH SCHOOL

The Church School meets regularly every Sunday morning at 9:30 o'clock. The officers and teachers are faithful in the performance of their duties and the school is growing. If you know of any boys or girls of Church School age, who are not attending Church School anywhere, but who might be interested in ours, will you tell us about them?

The Men's Bible Class meets every Sunday morning at 9:30 o'clock. Men and young men of the Parish are invited to join this group.

We are hoping that in the near future we may be able to organize a Women's and Young Women's Bible Class. If you are interested in the formation of such a class, will you kindly let the Rector or the Superintendent have your name?

1939 ENVELOPES

If you failed to receive envelopes and are desirous of having them this year, will you kindly speak to Mr. Frank McCook, the Accounting Warden, who will be glad to see that a set of them is delivered to you. This is one way in which everyone can help the Church: Giving systematically through the envelopes for Church Expense and for Missions. EVERY MEMBER CONTRIBUTING THROUGH THE ENVELOPES would be a very good slogan for us.

The Girls' Friendly Society meets every Tuesday evening at 8:00 o'clock.

The amount received up to the present time is less than one-fifth of the amount asked. Unless all the members of the Parish contribute just as liberally as they possibly can, we shall not be able to meet this obligation soon. An organization in debt works under the same handicap that an individual harrassed by debt labors. In the case of a Church, it is the Rector and Vestry who feel the burden most keenly.

Dear Friends:

On Quinquagesima Sunday, February 19th, at eleven o'clock, the Rt. Rev. Francis M. Taitt, D. D., LL. D., will visit our Church for the purpose of administering the rite of confirmation. We shall welcome our beloved Bishop most heartily and trust that he may be with us on many occasions in the future.

LENT.

Lent will begin this year on Wednesday, February 22nd. It is a period of preparation. It affords us an opportunity to take spiritual inventory of our lives. It gives us, who are repentant, time to turn from our sins to receive such instruction as will teach us the way to Christ. We are reminded of the forty days that our Lord spent in the wilderness in preparation for His mission. Rightly observed, Lent leads up to the joyous Eastertide when our hearts sing "He is Risen. "He is Risen".

The services on Ash Wednesday will be a celebration of Holy Communion at 7:30 A. M., and a second service of Holy Communion at 10:00 A. M. In the evening, at 8:00 o'clock, we shall welcome home one of the young men of the Parish

who went into the sacred ministry from St. Paul's, the Rev Frederick W. Blatz, Rector of St Peter's Church, 3rd and Pine Streets. I know that you all will be happy to greet him.

It is our plan to have visiting clergy-men preach most of the Wednesday evenings during the Lenten season.

WASHINGTON AND LINCOLN.

Two of our great Presidents were born in February. Washington and Lincoln had deep spiritual experiences. They knew God. Their administrations took place during times that were extremely trying, both for them and for the people, but, through Faith in God and in their fellowmen, they were able to surmount great difficulties. We, too, are living in a soul-testing era, with the most cruel wars of all history in progress and with even greater wars seeming imminent from time to time. We cannot hope to have either peace or peace of mind until the nations, as individuals, have accepted the Son of Peace. Only a deep spiritual awakening can bring this about.

Faithfully yours,

THOMAS PARKER,
Rector.

MISSIONARY MEETING

Time

MONDAY, FEBRUARY 13th, 8 P. M.

Place

ST. MARY'S PRO. CATHEDRAL
PARISH HOUSE

Broad and South Streets, Philadelphia

Speaker

Mrs. Grafton R. Burke

All men, women and young people are earnestly invited to attend this meeting which is under the Woman's Auxiliary of the Diocese of Pennsylvania.

PROMOTION COMMITTEE

This is not altogether a new idea at St. Paul's, but simply an old organization with a new name: a fresh start and a firm determination to stimulate a new life and interest in St. Paul's. And why not? We have a fine Church and Parish House with all the necessary equipment and facilities for furthering the work of the Parish. Success depends on each member and we must not fail.

The Promotion Committee held its first meeting on Tuesday, January 17th. The following representatives were present:

Our Rector.

The Church Wardens, Dr. R. J. Skillen and Mr. Frank McCook.

Dorcas Society, Mrs. O. P. Doughty.
Choir, Mrs. R. Johnson.

Woman's Auxiliary, Mrs. Rudolph.

Basketball Team, Mr. Thomas C. Hoffman.

Altar Guild, Mrs. H. R. Hazzard.

Men's Club, Mr. William Jillard.

Church School, Mrs. Frank McCook.

Plans were discussed for the parish activities for the coming months. It is believed that if each organization will co-operate and work as a unit for the good of all, much will be accomplished. Therefore, on Saturday, March 25th, the combined organizations will hold a Mid-Lenten Dinner, at which everyone is earnestly requested to be present. We promise a delicious Roast Beef Dinner for Fifty Cents. Will you do your part by attending and bringing your friends? Let us endeavor to make this the best dinner yet: "In Union There is Strength."

Our next meeting will be held in the Parish House on February 14th, at 7:30 P. M. I am sure that our Rector would be glad to welcome anyone to the meeting who would like to work with this group. Perhaps you have a few hours to spare occasionally, or a good idea: do let Mr. Parker know about it. Success depends on each and everyone. It will be interesting to see just how much we can accomplish by all pulling together.

Kathryn J. Hazzard, Secretary.

RUMMAGE SALE

The Dorcas Society will have a Rummage Sale in the early spring. Please send your rummage to the Parish House, marked "Dorcas".

MEN'S CLUB OF ST. PAUL'S CHURCH

Being a Charter Member of our present Men's Club, I would like to tell the men of the parish what we have for their interest and recreation. We have grown from a small organization to a fine, live

club. If you visit us you will find men bowling, shooting darts, playing checkers and ping pong and enjoying the shuffle board.

In the name of the Club, I extend an invitation to you to come and join us.

James C. Larkin.

We hope to be able soon to report about sewing for the Episcopal Hospital or some other worthy institution.

THANK YOU

The Girls' Friendly Society wishes to thank Mr. William J. Morrow for his generosity in having "The Bill Morrow Players" put on their show for us. The 48th Ward String Band was an additional feature on the program. We know that the large crowd present enjoyed the evening's entertainment very much.

STANDING NOTICES

Everyone is welcome at all services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your church home with us. Communicants coming into the Parish, or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or, if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to the rubric before the office of the Visitation of the Sick, which reads:

"When any person is sick, notice shall be given thereof to the Minister of the Parish. On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity, and to administer the Holy Communion to such as by reason of sickness or other infirmity, are prevented from coming to Church."

The Rector should always be consulted before arrangements are made for baptisms, marriages, or funerals, at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those desiring to become members of St. Paul's Parish are asked to send their names and addresses to the Rector.

The regular weekly envelope system is used to meet the expenses of the Church.

Dear Friends:

It is encouraging to note that our congregations are growing Sunday by Sunday. Together we are seeking to bring back friends of St. Paul's of former days who do not have church homes. Lent gives us a special opening to invite those without church affiliations to come, rest and pray and go home refreshed and better fitted to meet their problems for having worshipped in His House.

We welcome to the fellowship of our Church the following who were confirmed by Bishop Taitt on Sunday, February 19th: Catherine Agnes Berry, Catherine Novak Berry, James Coburn Bigger, Jr., Edgar Bristol Coleman, Ella May Coleman, Frank M. Dowler, Jr., Charles Richard Gamper, Laura May Gamper, Velda Bernice George, Flossie Flythe Heath Gynge, Thomas Edward Gynge, May Elizabeth Johnson, Lillian Kampmeier, Lorraine Anna Lane, Catherine Evelyn Nord, Anders Peterson, Violet Ponath, Rosemary Schnorr, Blanche Swinden, Florence Vortriede, Amos Shephard Wainer and Lucille Ann Wainer. We pray that these members may be richly blessed and that they may come to know God more and more through worship and partaking of the Sacrament of our Lord's Supper.

Today, March 5th, has been designated as "United Campaign Sunday". The drive for funds by the United Campaign will start soon. This is a worthy undertaking. It helps to support various hospitals and other institutions of our city. Without this aid, some of the institutions might have to close their doors and others

would have to curtail their work. We should look upon the Committee's appeal as an opportunity to share in a worthwhile cause. When the canvassers call upon us let us "give until it helps".

The newly created Promotion Committee, representing all the organizations of the Parish, is working hard to have a large turnout at the Mid-Lenten Roast Beef Dinner on Saturday, March 25th, 6:00 P. M. Kindly make reservations for the dinner early, so that the Committee may know how many to provide for. This new organization is enthusiastic and has high hopes that St. Paul's may become increasingly useful. May each one help to keep the spirit alive by doing his part.

We are having a celebration of Holy Communion each Wednesday morning at 10:00 o'clock and Evening Prayer and Sermon at 8:00 o'clock. Will you not come and welcome our guest preachers and help them to make these special services inspirational?

Mite boxes have been distributed to the children of the Church School. It is the hope of the officers of the Church School that the children will make willing sacrifices to help the missionaries who represent us throughout the world. If others would like to share in this method of giving, we shall be glad to provide mite boxes. Some of the children are selling candy to help make the offering a generous one and will be glad to supply your candy needs.

If each one of us would interest someone, not now attending, in our Church or Church School, it would double our in-

fluence in the community and increase our value to the Church-at-large in the same proportion. Only those who have helped a fellow man to know and to love God have experienced the deep joy of serving the Master. There is an old hymn of the Church that runs like this:

"Must I go and empty handed
Thus my dear Redeemer meet,
Not one soul with which to greet Him
Lay no trophy at His feet?"

This is an arresting thought.

Faithfully yours,

THOMAS PARKER,
Rector.

THE GIRLS' FRIENDLY SOCIETY

The Girls' Friendly Society, aided by the Church School, will present a pageant on Easter Sunday evening at 8:00 o'clock, in the Church. The girls and boys are working diligently to make this pageant outstanding. The congregation and their friends are cordially invited.

ELECTION OF VESTRYMEN

As required by the By-Laws, an election will be held in the Parish House of the Memorial Church of St. Paul on the evening of Easter Monday, April 10th, to elect four vestrymen to serve a term of three years and one to serve the unexpired term of Mr. James M. Hazlett resigned.

The attention of members of the congregation is directed to Article I, Section 2, of the By-Laws of the Memorial Church of St. Paul, which states:

"No person except a member of the Vestry whose term will then expire, shall be elected a Vestryman at any regular election, unless he shall have been nominated in writing by at least three electors, and the said nomination delivered to one of the Wardens or the Secretary of the Vestry at least sixteen (16) days before the election. The officer who shall receive any nomination shall post it in a conspicuous place in the vestibule of the Church before ten o'clock in the morning of the third Sunday before the election.

Members of the Vestry whose terms expire this Easter Monday and who, by provision of the By-Laws are candidates for re-election are:

Herbert S. Edkins
James C. Larkin
John Lindsay, Sr.
Robert J. Skillen.

THE MEN'S CLUB

The men of the Parish who are taking advantage of the Men's Club meetings on Tuesday evenings are enjoying themselves very much. It would be a fine

thing if all of the men of St. Paul's would meet for a social hour to enjoy bowling, table tennis, darts, etc. Why not try this out?

I. O. O. F. VISITATION

The American Star Lodge, No. 405, I. O. O. F., of 21st and South Streets, will join our congregation in an hour of worship on Wednesday evening, March 22nd, at 8:00 o'clock. We are very glad to welcome this group of men and their friends and hope that they will want to visit us again in the near future.

COAL CLUB

It is always gratifying to read of drives for needy causes "going over the top" handsomely. It stimulates our faith in human nature. We wish that we could report that the response to our appeal for \$500.00 to pay our coal bill had come up to the amount required and asked for, but to date the amount received is only \$147.30.

The following have contributed toward this fund: Anna E. Mooney, Mrs. Shellim, Margaret Tucker, Mr. and Mrs. Evans Burgess, Charles R. Gamper, Laura M. Gamper, Dorothy E. Williams, Mrs. F. A. SOUP SALE

The Church School teachers would like to thank all who helped to make their soup sale such a wonderful success. They are going to have another one on March 11th. They can promise much better soup, with fewer beans and more meat. Will you give your order to some member of the Church School if you would like some vegetable soup at twenty-five cents a quart? There will also be cakes and candy for sale.

The young girls of the Parish met on Friday, March 3rd, at 4:00 P. M., for the purpose of forming an organization. Miss Alice Levy is to be the leader of this group, which will meet each Friday at 4:00 o'clock. All the girls of the Parish are cordially invited to become members.

THE WOMAN'S AUXILIARY

The Woman's Auxiliary meets on the second and fourth Thursdays of each month. Come and learn what your Church is doing throughout the world. The delegates to the monthly meetings at the Church House return with interesting reports. Every communicant member of the Episcopal Church is a member of the Auxiliary. The women of the Church need the information and inspiration of the Auxiliary no less than the Auxiliary needs them.

The Woman's Auxiliary and friends will visit The Graphic Sketch Club on Tuesday afternoon, March 28th, 1:30 P. M. Anyone who has ever paid a visit to this unique art institution and museum knows that a treat is in store for us on this date. We number among our friends several who have visited the Club many times and who cannot speak too highly of the educational and cultural value of an afternoon spent there. Miss Mitchell, Secretary of the Graphic Sketch Club, will personally conduct our party. We urge a large attendance. A donation of twenty-five cents per person is expected; proceeds to go to the Auxiliary.

DORCAS SOCIETY

Monday evening, March 6th, will be an open meeting. Rev. Percy Stockman, Superintendent and Chaplain of the Seamen's Institute, will be our guest speaker. Mr. Stockman will tell about his work at the Institute, illustrated by stereopticon views. All members of the Parish are invited to attend this meeting.

On Wednesday, March 15th, there will be a tour of Schmidt's Furniture Store at Broad St. and Washington Ave., at 1:30 P. M. There will be cards and games after the tour.

Our card party, held on Shrove Tuesday, was a great success and we wish to thank all our members and their friends and members of the Parish for their support.

Since the first of the year, we have enrolled four new members and have had very interesting meetings.

We are going to start a new Blanket Club in the near future. Anyone wishing to join this club should consult any member of the Society.

We expect to have a rummage sale in April. Please save your rummage for us.

On Tuesday evening, March 7th, there will be a card party at Kotzen's Furniture Store, 533 Market St. Party will begin at 7:45 P. M. Admission will be twenty-five cents.

Harriet J. Skillen, Secretary.

MEN'S CLUB

WHY?

Why did our guests of March 25th have such a good time before, during and after the dinner?

Why do our visitors always enjoy themselves?

Why? Because we have Bowling, Shuffle Board, Darts, Checkers, Table Tennis and GOOD FELLOWSHIP!

Why not see if this is true?

Why not, men of St. Paul's, come to see us on any Tuesday evening, beginning April 11th?

The Game Room will not be open during Holy Week.

A Resurrection of Hope

AN EASTER MESSAGE

BY

THE RIGHT REVEREND HENRY ST. GEORGE TUCKER, D.D.

PRESIDING BISHOP

THE Resurrection of Christ brought to His disciples a resurrection of hope, courage and power. It is just this that is sorely needed at the present time. If the Son of Man should come into our world, He would find large numbers of people who are devotedly attached to His principles but who despair of the possibility of their application to the practical life of mankind. The best they hope for is to preserve their own integrity. Any thought of an aggressive offensive on the part of the forces of the Kingdom of God seems to them out of the question—something more than devotion to Christian ideals is needed by a Church which sets forth to save the world.

The disciples had learned to love Christ and His way of life, but when disaster threatened they forsook Him and fled. It was only when they came face to face with the Risen Christ that they acquired that "something more" that qualified them to proclaim the good news to the world with convincing power. They went forth as witnesses of the Resurrection. The power of the Risen Christ manifested itself in their lives.

We, too, in our generation, if we are to repeat the triumphs of the early Church, must be witnesses of the Resurrection. Our message to the world must be an Easter message. This does not mean the mere assertion of a marvelous event two thousand years ago—it means rather that we, too, have had the experience of real contact with the living Christ.

This is the true and abiding meaning of Easter. It is God revealing His Son in us as He did in St. Paul. We are not complete Christians until we have experienced within ourselves that resurrection of hope, courage and power which comes from contact with the living Christ. It is not an experience that we can create for ourselves. Christ did not say that men ought to be strong and not to faint. He said we ought to pray, to put ourselves in a receptive attitude, to open the ears of our faith that we may hear the knocking of Christ at the doors of our heart.

Easter tells us that Christ is present in our world. It invites us to seek His presence in our hearts. The promise is, "Seek, and ye shall find." For those who have responded to the Easter invitation and found Christ, this world is no longer a vale of despair. St. Paul's words are true for them: "If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."

What the world needs today is a body of Christian men and women who have had this Easter experience and who can give an answer to the question: "What shall I do to be saved?" Shall we not then at this Easter season pray that Christ will come to us saying: "All power is given to me in heaven and in earth. Go ye into all the world and preach the Gospel, the good news of the saving power of God through Christ, to every creature."

Dear Friends:

It is with pleasure that we print in The Chronicle our Presiding Bishop's inspiring Easter message.

We have had a profitable and enjoyable month, with splendid congregations present at the services. This has been encouraging to us all. We trust that our love for God and His Church is so deep that we shall want to keep the good work going until it reaches its full strength and continues without abatement.

Today is Palm Sunday, when Christian churches throughout the world commemorate the triumphal entrance of Jesus Christ into Jerusalem: A fitting time for us to commemorate His entrance into our hearts.

On Easter Sunday we will observe the anniversary of our Lord's resurrection from the grave by our presence in His House and by partaking of the sacraments which He instituted. The services of Easter will be as follows:

Holy Communion - - - - 6:00 A. M.

Church School Easter Service, 9:30 A. M.

Holy Communion and Sermon, 11:00 A. M.

Easter Pageant - - - - - 8:00 P. M.

With a prayer and the sincere wish that you may all have a happy and blessed Easter, I remain

Faithfully yours,

THOMAS PARKER,

Rector.

ALTAR GUILD

The Altar Guild is planning for the Easter decorations. We hope to have the Altar banked with lilies and ferns and made just as lovely as possible. As usual, we will need your financial assistance. An Alms Basin has been placed on the table in the rear of the Church, in which you may place your offering, or, if you prefer, you may leave your gift with the Rector or one of the Altar Guild members.

Some folks prefer to purchase their own plants. In that case please have

them delivered to the Church before two o'clock on Saturday.

If you wish to send your plant to a sick friend after the Easter Services, kindly mark accordingly and you may call for it on Monday.

Easter Day is the Queen of Festivals. Therefore, let us all have some small part in making our Church beautiful for this celebration. K. J. Hazzard.

THANK YOU

I thank the Promotion Committee, the Dorcas Society, the Choir, the Girls' Friendly Society, the Men's Club and all individuals who had any part in the success of the Mid-Lenten Dinner last Saturday evening. The dinner was delicious, the tables very attractively decorated, the service excellent and the co-operation of the various units made the preparation and serving of the dinner go as smoothly as well oiled machinery. The spirit that prevailed among the 275 diners present was a happy one and favorable comment was heard on every hand. The Rector.

THE CHOIR

The congregation is very much pleased with the excellent music that our Choir has been rendering under the able direction of our Organist and Choir Master, Mr. Louis Beck. No one knows better than the Rector how much the co-operation of the Choir makes for an inspiring service. The members of the Choir have been faithful in their attendance at rehearsals and services. Members of our Parish and visitors remark "What a splendid choir you have at St. Paul's!" We want Mr. Beck and the Choir to know that we appreciate their fine music. Mr. Beck would be glad to have others with a knowledge of music join the Choir.

PLEASE NOTE

There will be no meetings in the Parish House during Holy Week.

PARISH MEETING AND ELECTION

On Easter Monday evening, April 10th, at 8:00 o'clock, the annual meeting of parishioners will take place in the Parish House, when reports of various organizations will be read and an election of vestrymen will be held. It is hoped that there will be nothing casual or perfunctory in our parishioners' attitude toward this meeting, but that they will manifest a real interest and concern in the affairs of their Parish. If you have constructive ideas for your Church, come and give expression to them at this meeting.

PRIVATE COMMUNION

The Rector will be very happy to give those who are ill or shut in their Easter Communion, if they will make arrangements with him as soon as they can.

SERVICES DURING HOLY WEEK

Wednesday Morning, Holy Communion 10:00 A. M.

Wednesday Evening, Evening Prayer and Sermon, 8 P. M. Rev. George Mair, St. Stephen's Church, Bridesburg, Preacher.

Maundy Thursday, Holy Communion and Sermon, 8:00 P. M.

Good Friday, The Words of the Cross, 12:00 Noon to 3:00 P. M.

Good Friday, The Litany and Penitential Office, 8:00 P. M.

Easter Even, Baptism, 4:00 P. M.

On Easter Sunday the children of our Church School will bring in their mite boxes, which we hope will represent a real interest in the cause of missions. We trust that they have sacrificed much to carry out Christ's command: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost."

COAL FUND

The following names were unintentionally omitted from previous lists of givers to the Coal Fund: Mr. and Mrs. Robert J. Skillen, Dr. J. Randall Skillen and Mrs. James C. Bigger.

BASKETBALL

The South Philadelphia Protestant League is in the midst of a round robin, in which St. Paul's first team is making a creditable showing. Our boys have played well and we expect them to take second place in the League. Congratulations!

DORCAS SOCIETY

On Saturday evening, April 22nd, there will be a Chicken Dinner in the Parish House. Tickets are now on sale and may be obtained from any member of the Society. The price is fifty cents.

On Thursday, April 27th, there will be a card party and games at the George B. Davis Furniture Store, 3930 Lancaster Avenue. The party will begin at 1:30 P. M.

We expect to have a Rummage Sale in April. The date and place have not as yet been decided upon. Persons having rummage will kindly send cards either to the Secretary or to St. Paul's Church, if they wish to have it called for.

A new Blanket Club was organized on March 20th. Anyone wishing to join may do so by paying for the past two weeks.

We still have vanilla and other articles for sale and would like to sell them before Easter.

We have had a successful year and wish to thank all our members and their friends and members of the Parish for their support.

The Dorcas Society wishes you all a Happy Easter.

Harriet Skillen, Secretary.

THE WOMAN'S AUXILIARY

Members of the Woman's Auxiliary and a number of their friends visited The Graphic Sketch Club on the afternoon of March 28th. Those who saw this unique museum and art center for the first time marveled at the beauty of it and at the far-reaching influence of the work started by Mr. Samuel Fleisher some forty years ago, which has grown to almost unbelievable magnitude; and those who are familiar with the work experience an increasing interest in it with each visit. Miss Mitchell, secretary and hostess at the Club, gave a very interesting history of the work. The Auxiliary will plan to visit The Graphic Sketch Club at Christmastime, if enough members of the Parish signify a desire to join the group.

A Covered Dish Luncheon will be held on April 13th, at 12:30 o'clock. Women of the Parish, do come! Men are welcome too. The price? A covered dish and twenty-five cents, or fifty cents.

THANKS ONE AND ALL

The Promotion Committee thanks ONE and ALL for their splendid co-operation and loyal support in making the Mid-Lenten Dinner truly a Parish success. Each organization gave liberally of its services, time and money. Those not connected with the organizations also attended in goodly numbers and brought along the family and their friends. In truth, this dinner was a success and as it should be. Of course it was a delicious dinner and everyone had a pleasant time.

It is always so nice to have our OLD MEMBERS and FRIENDS with us. Many have been gone a long time and live a great distance so we are especially glad to welcome these folks back at St. Paul's.

We are grateful for all your help—and now let's put the same effort in all we do at St. Paul's—the result will be worth while—and how happy we will all be.

Watch for the next Parish Event and in the meanwhile our Rector, Mr. Parker,

Dear Friends:

We had a happy Easter. The combined attendance of the services of the day was about five hundred and fifty, two hundred and fifty of whom received communion. Our Easter offering was \$1,052.01. While it did not come up to the amount needed to meet our indebtedness, it was a very good offering. The music of the choir was unusually fine and added much to the joy of our worship. The altar and chancel were beautifully decorated. We are deeply grateful to the members of the Altar Guild for their faithful service.

On Easter Sunday evening the Girls' Friendly Society and members of the Church School presented "The Story of Easter" in a very impressive manner. We hope that all who had any part in the presentation of this pageant will offer their services for more illustrations of the teachings of Christianity.

We appreciate sincerely all that organizations and individuals have done to make our first year among you a happy one. You have responded graciously to every call upon your time and service and your increasing attendance at the Sunday morning services has been most gratifying. Our prayer is that you will not only continue to come faithfully yourselves, but that you will try to interest others who may not have church homes to come with you.

With the coming of pleasant weather and longer days there comes, too, a strong temptation to go away on Sundays or at least to remain away from church. When this urge comes, will you not make a sincere effort to resist it, or to attend church first? When you are in the city, we hope that you will feel that it is your duty as a Christian to be in your regular places on Sunday.

A number of events, outstanding in importance in our parish life, occurred during April. Among

them was the delicious chicken dinner under the auspices of the Dorcas Society. Everyone went away with a word of praise for the women who prepared the dinner and the girls who served it. Again we say, Thank you!

We are grateful, too, to the individuals who have had parties either in their homes or in the Parish House to raise funds for the Church.

The Dorcas Society is even now at work getting ready for THE SAMPLE FAIR, of which you had notice in the April number of The Chronicle. It will have taken place by the time this month's Chronicle reaches you. There is every indication it will be a very successful venture.

A June Fete will be held on June 10th. Each organization is asked to do the thing assigned to it willingly and as efficiently as possible. It will be the last big affair until fall. May we do all in our power to make it a real get-together of all our parishioners and friends to enjoy a social evening after the dinner that the Dorcas Society will prepare. As we go from booth to booth we will find useful articles to take home with us. There will be games for all who wish to take part in them. Do not forget the date: June 10th. Let us make it a night of nights!

Plans are under way for a Parish Picnic. Particulars in regard to time, place, etc., will be given later. The date has been tentatively set as June 17th. A committee of the Church School is in charge.

Thanking you all for your splendid co-operation during the past year and praying that God may give us strength and wisdom for greater service in the year before us, I remain

Cordially yours,

THOMAS PARKER,
Rector.

MINUTES OF THE ANNUAL PARISH MEETING

April 25, 1939.

The Annual Parish Meeting was held in the Parish House on Easter Monday, April 10, 1939, at 8 P. M. The meeting was opened by the Rector, the Rev. Thomas Parker, who offered the Invocation and presided.

Vestrymen present were Messrs. J. R. Skillen, McCook, Montgomery, R. J. Skillen, Hill, Larkin, Hare, Lindsay and Ker; and the Congregation assembled numbered 30.

The Chair appointed Mr. Montgomery Secretary of the Meeting, and spoke of the intention of the Vestry to hold future Annual Parish Meetings on St. Paul's Day, January 25th.

Reports of activities within Parish Organizations were presented for the:

Dorcas Society by Mrs. Robert J. Skillen.
Woman's Auxiliary by Mrs. Eugene Rudolph.
Church School by Mrs. Frank C. McCook.
Promotion Committee by Mrs. Harry R. Hazzard.

Girls' Friendly Society by Miss Mary Louise Morlock.

The Choir by Mr. Louis R. Beck.

Men's Bowling Club by Mr. William G. Jillard.

Altar Guild by Mrs. Harry R. Hazzard.

Junior Girls by Miss Alice Levy.

The Accounting Warden, Mr. Frank McCook, reported the Easter Offering to date as amounting to \$924.01. Receipts during the year of 1939 to April 9th were \$2,335.81. This was reported as comparing very favorably with receipts in 1938 to April 31st of that year amounting to \$2,164.65. The indebtedness of March 31, 1939, was stated as \$1,448.09.

The Chair stated no nominations having been received for Vestrymen for a term of three years, the present members of the Vestry whose terms now expire are unopposed for re-election. The nomination of Mr. William A. Canavan, 2727 S. 13th Street, to fill the unexpired term of Mr. James M. Hazlett, resigned, was read to the Congregation, and stated to be the sole nomination for the unexpired term.

On Motion, the Secretary of the Meeting was directed to cast the ballot in favor of the candidates:

For a term of three years:

Mr. Herbert S. Edkins
Mr. James C. Larkin
Mr. John Lindsay, Sr.
Mr. Robert J. Skillen

For a term of one year:

Mr. William A. Canavan

And it was so done.

The Rector's Warden, Dr. J. Randall Skillen, as Treasurer of Special Funds, presented an accounting of them; and also a report of his trusteeship.

The Rector spoke of the warmth of greeting he and Mrs. Parker had received during their

first year with St. Paul's, and with a spirit of love and helpfulness much will be accomplished. The meeting adjourned at 9 P. M.

D. CORTLANDT MONTGOMERY,
Secretary of the Meeting.

THE PROMOTION COMMITTEE

The members of the Promotion Committee are pleased to report progress. It is noted that attendance at the Church Service each week is improving and there is a splendid co-operation and a good fellowship at the social affairs.

Watch for the next big event the June Fete. This will be a joint Bazaar and Parish Dinner. There will be all kinds of articles for sale—a five and ten cent store—flowers, jewelry—but just come see for yourself—enjoy the fun—pop and lemonade. It is only going to last one night, so don't forget the date June 10th. Everyone is asked to help. The various organizations have been selected for the following assignments:

Dorcas Society—Dinner, Cakes and Fancy Goods.

Ladies' Auxiliary—Groceries.

Choir—5 and 10 cent Store, Hot Dogs and Vegetables.

Mrs. Doughty—Books.

Mr. Skillen—Drugs.

Men's Club—Bowling, Games, Soft Drinks and Ice Cream.

Mrs. Skillen—Lemonade and Root Beer.

So come eat, buy what you can—just don't miss this grand party.

DORCAS SOCIETY

On Tuesday evening, May 16th, we will take a motor party to Sunset Memorial Park, near Somerton. We will start as soon after 6 o'clock as possible, as we are expected there by seven o'clock. The Cemetery Committee will pay 50 cents for each person attending, so you see it is an easy way to earn some money for the Church. We would deeply appreciate the offer of cars to transport those who are not so fortunate as to own cars. Light refreshments will be served at the Park.

We are forming a new club, it is called the "Dollar Club". Each member is to pay \$1.00 per week for twelve weeks, then there will be a drawing for very valuable prizes, including a Norge refrigerator, modern gas range, vacuum cleaner and many other articles. Members will also be able to select an article of furniture to the value of \$12.00 which they have paid into the club. At the completion of the club, the Church will receive a percentage of the dues paid in amounting to over \$100.00. We should have one hundred members in the club.

If any one having anything for the Rummage Sale will please send us a card we will be glad to call for same. We expect to have our sale about the third week in May. We had hoped to have it last month, but we were unable to find a suitable place to hold it.

We take this opportunity to thank all our friends and helpers for the support given us in our April activities. Due to this help we have been able to keep our promise to the Vestry to give the Accounting Warden another hundred dollars, making our Easter Offering for this year \$500.00.

Harriet J. Skillen, Secretary.

Come to the June Fete!

Shop with us on June 10th and stay to enjoy a Virginia Baked Ham Dinner prepared by the ladies of the Dorcas Society. Finish off the evening with a game of bowling, shuffle board, baseball darts or table tennis.

As you make your round of the Fete you will find fancy goods, a 5- and 10-cent store, drugs, books, jewelry, groceries, cakes and vegetables. What would a fair be without fortunes or fishpond? You will find them both here. Pottery, a plant, or cut flowers will make an attractive gift.

For your refreshment you will find ice cream, soft drinks, hot dogs and candy.

Dear Friends:

When the temperature soars our thoughts turn to the seashore or mountains or some favorite spot that is suggestive of cool comfort and relaxation. I am sure that there is not one among us who would not enjoy a rest and change, but even those who are fortunate enough to get away for a vacation find that their thoughts have a way of returning to duties and responsibilities at home.

Summer can be a trying time for some of us, not only because of the excessive heat, but also because some of the major expenses of our Church go right on while too many of the budget envelopes come in irregularly, if at all. This is the time of year that deficits are created. Will you not do your part to put an end to this burden by catching up in the payment of your pledges, if you are behind, and, if you are going to be away for some time, by paying in advance as far as it is convenient for you to do so?

We are very grateful to the Dorcas Society for making it possible to have our Church and Parish House doors and our fence painted. Other interested parishioners are responsible for the re-decoration of the Sacristy. For this, too, we are very grateful. These im-

provements add much to the attractiveness of our plant.

Again we remind you of the June Fete, which is to be held on Saturday, June 10th, between the hours of 2:00 P. M. and 10:00 P. M. Come in the afternoon and stay for the delicious baked ham dinner and spend the evening renewing friendships and making new acquaintances. All the organizations of the Church are working hard to make the affair the success that it is sure to be, if you will come and bring your friends and patronize the booths.

The Church School will close for the Summer on Sunday, June 11th, at which time special awards will be given to those having perfect attendance records. The service will be held in the Church. It will be in the nature of a Church School communion service for those who have been confirmed and, for the others, a service of reverence. We are deeply grateful to the officers and teachers who have co-operated so whole-heartedly to make our school year a profitable one.

Do not forget to reserve Saturday, June 24th, for our Parish Picnic.

Cordially yours,

THOMAS PARKER,
Rector.

DORCAS SOCIETY

The Dorcas Society and friends will visit Abbott's Dairies on Tuesday, June 6th. The bus will leave the Parish House at 9:00 A. M. and return by 12:00 noon, so that mothers who have children in school will be home in time to prepare lunch for them. There will be a charge of twenty-five cents per person.

Anyone having rummage, please notify the President or any member of the Society who will see that it is called for.

On Tuesday, June 20th, there will be a card and radio party at Frank & Seder's store, 11th and Market Streets. Party will begin at 1:00 P. M. A donation of twenty-five cents a person is asked.

Harriet J. Skillen, Secretary.

THE WOMAN'S AUXILIARY

The Auxiliary substituted a visit to the Episcopal Hospital Garden Party on May 24th for the closing meeting of the Spring. About a dozen members had luncheon together and a number of them made a tour of the Hospital afterward.

THE VOICE OF THE CHURCH

By the Presiding Bishop

Once more the ancient prophecy has been fulfilled: "They that wait upon the Lord shall renew their strength."

A few months ago it looked as though important work in the Mission field must be abandoned because of a prospective shortage in funds. The National Council, believing that in this situation God would stir up the wills of His faithful people, sounded the Call to Action, "Witness, Christians!"

This venture of faith has met with notable success. The Church has answered the call. Men and women of large and small means have responded with sacrificial offerings. Out of weakness we have been made strong. We have through faith been brought to the beginning of what I am convinced is a new day in the life of the Church.

The victory we have won for Christ would be a hollow one if it stopped only with financial results. Our contributions of money, to be effective, must be supported by the witness of lives that have been raised to a higher level of Christ-likeness. Souls must be saved; men's lives must be changed if we are to fulfill our solemn duty to our Master.

Moreover, the values which have come out of the Missionary Shortage Effort

must be made permanent. Our prayer now should be that God who has begun a good work in us will continue to perform it until the world is saved for Christ. Such a prayer calls for sustained effort on our part for in this task we are fellow workers with God.

It is to this task that I summon the Church. The National Council has asked that I do so and I am glad of the opportunity. The response to the Shortage Effort has demonstrated the presence of a new spirit in the Church. Increasingly have come signs of new life, new interest, new vigor. I am grateful to all who shared in this Effort and have helped make it a success. Not in years has the Church acted with such unanimity of purpose and shown such proof of strength.

Now we must preserve this new interest and spirit. It must infuse every phase of our plans for the future—in Parish, in Diocese, in National Church. We should extend the influence of the Church to those on the outer fringe who have lost touch with her. We should strive to win other souls to Christ. We should so impress our Christianity upon our communities and our nation that men everywhere may see the light and that the dangers which threaten mankind may be overcome.

* * *

That we may be made more conscious of the implications of the Missionary Shortage Effort and the opportunities which have come out of it, I ask on behalf of the National Council that our clergy arrange special services of praise and thanksgiving for the strength which God has given us. At these services, may we together pray:

O eternal God, who by thy Son Jesus Christ didst establish the family of thy Church in all the world, breathe upon it anew the gifts of thy Holy Spirit, that, awakening to thy command, it may go forth in lowly service, yet in conquering might, to win mankind to the love of thy Name; through our only Saviour Jesus Christ. Amen.

and to present their United Thank Offering for the work of His Church throughout the world.

For half a century, since 1889, the women of the Church have shared in this thank offering.

The United Thank Offering provides for the training, equipping, and sending of women workers in the manifold enterprises of the Church, and cares for them when sick or disabled.

More than 400 women have served the Church under The United Thank Offering.

These missionaries are doctors, nurses, teachers, social workers, secretaries, evangelists, student workers, and field secretaries.

The United Thank Offering supports one man—Bishop Rowe of Alaska, whose salary is provided from the income of the Missionary Episcopate Fund set up from the offerings of 1892 and 1895.

Churches, schools, hospitals, and parish houses have been built from this offering.

The United Thank Offering steadily increased from \$2,000 in 1889 to \$1,101,450.40 in 1928. Decreased to \$1,059,575.27 in 1931, and to \$789,561.13 in 1934 but in 1937 it again increased to \$861,693.07.

The United Thank Offering gives the women of the Church an opportunity to express to God their thanks for many blessings and to share this thankfulness with many other people.

The use of money to express thankfulness is reasonable. The money given, represents a part of ourselves: our time, our energy, our thought.

The United Thank Offering takes the thankfulness of the women of the Church and puts it to work in the needy places of the world.

It is The United Thank Offering because the women of the Episcopal Church all over the world unite in it; because women give thanks for small daily blessings and for special manifestations of God's mercy; because it is a gift, not an assessment or even a suggested amount.

But only a small percentage of the women of the Church give to The United Thank Offering. If every woman in the Church shared in The United Thank Offering the missionary work of the Church could be greatly increased.

The \$861,693.07 given in Cincinnati, though a large sum in itself, is small when it is remembered that there are in the Church more than 500,000 women. If the thank offering of each woman was but one cent a day, the offering in a year would amount to \$1,825,000; in three years it would be \$5,475,000.

Additional information about The United Thank Offering may be found in "The Spirit of Missions" and in The United Thank Offering leaflets.

If you wish to know the joy of sharing in The United Thank Offering you may secure information and a blue box from your parish treasurer of The United Thank Offering or from

Dear Friends:

Most of us who have been away have returned from our vacations and have been planning our work for the coming year with renewed zeal. Quite unexpectedly we have found ourselves confronted with new problems and responsibilities.

While the peoples of some countries have been restless for some time, we did not anticipate that they would be at war so soon. Christians everywhere have been hoping and praying for a peaceful settlement of their problems. We have been listening with intense interest to the broadcasts from various capitols to gain information on the situation. What we hear is almost incredible. If only the leaders could have settled the affairs of their countries without sacrificing the blood of men on the altar of greed and power! Feeling so strongly that the World War, which was fought to end all wars, accomplished little in this direction, we cannot but pray fervently that the United States may be able to remain neutral and maintain her honor. May God grant to the leaders of our nation, upon whom great and grave responsibilities rest, wisdom and opportunity to bring the peoples at variance with each other into mutual understanding!

Plans are under way for a two days celebration of the Thirty-Fifth Anniversary of the founding of the Memorial Church of St. Paul. We are inviting all of our former parishioners to worship with us on Sunday, October 8th, and are

happy to announce that the Rev. Edwin S. Carson, first rector of St. Paul's, will be the guest preacher at the 11:00 o'clock service.

The Vestry and the Promotion Committee are planning an interesting social gathering for Monday evening, October 9th. There will be an Anniversary Dinner, followed by a program. This will offer opportunity for us to renew acquaintance with old friends and to make new friends. We hope to make it an occasion that will linger long and pleasantly in the minds of our people. The Bishop and former Rectors have been invited to be present.

Each of you has, or should have, in your home a box which was given to you for the purpose of placing coins in it as thank offerings for the blessings that God has bestowed upon you. I trust that you are making faithful use of these boxes and that their total will come far above our expectations. I wish that I might hope that the amount brought in might equal our needs. These boxes will be due on Sunday, October 1st, and may be placed in the alms basin at that time.

The Church School will reopen on Sunday, September 17th, at 9:30 A. M. We have a growing school, with loyal and efficient teachers. We want more scholars. Will you encourage your own children to come and bring other children with them? Perhaps there are new families in your neighborhood who are looking for a church home. Will you

make an effort to interest them in St. Paul's? They will receive a friendly welcome.

Very soon the various organizations will resume their meetings. We hope that each one of you will identify yourself with at least one of the organizations. Surely experience has proven to us all that the way to get the most out of a thing is to put our best effort into it.

We have had a good year at St. Paul's and are looking forward to even better years to come. Unfortunately, each year brings changes and the past year has not been an exception in this respect. We have lost some of our faithful members through death or removals. We hope that others may offer their services so that the loss of these may not be felt too keenly. If each and every one of us would take an inventory of his abilities and resources and freely offer them for Christ's work at St. Paul's, the burden of meeting our budget would be eased and our efforts to increase our usefulness in His Kingdom would be crowned with success.

We pray that this year we may be brought closer to God in our daily devotions and by our presence in His Church every Sunday.

The services are:

Holy Communion, 8:00 A. M.
Church School, 9:30 A. M.
Morning Prayer and Sermon, 11:00 A. M.

Cordially yours,

THOMAS PARKER,
Rector.

DORCAS DOLLAR CLUB

So far a check of \$158.58 has been turned over to the Treasurer, Mr. McCook, to be used for expenses. Another check of nearly \$50 will soon be turned over. These checks represent our commission and should encourage our parishioners to see that by joining the club which starts Monday Sept. 11th and will mature on Nov. 27th, that we can help ourselves and yet pay the Church a good sum.

Are you interested in putting \$1.00 a week for 12 weeks into a club which will give you an opportunity to buy your needs for home or Christmas gifts and yet pay us commission, if so, see any member of the Dorcas.

HAVE YOU HEARD ABOUT THE U. T. O.

Every three years at the time of General Convention the women of the Church gather for a Corporate Communion to offer their thanksgivings to God for His abiding presence in His Church

A Message from the Philadelphia Federation of Churches to the Churches of Philadelphia and Vicinity Concerning the Church in the Present World Situation.

The present world situation challenges the Church to penitence. War delineates sin in sharp outline. It emphasizes the stupidity, pride and folly of man. Wrong attitudes to life have been created and the wrong kind of a world has been built. In this Christian people have had their share. Our churches and their people are urged to spend much time in penitential prayer, confessing their own sins and those of all mankind.

The Church is challenged today to proclaim its message with renewed courage and power. There is no other way to the attainment of righteousness, justice and peace but the way of Christ. There is no other solvent for the sins and ills of mankind but the Gospel of Christ. The Church must practice a genuinely Christian way of life or a stark materialism will push the whole world over the brink into destruction.

If ever there was a time to proclaim the Christian Gospel with fervor and conviction, that time is now. The Church must maintain, unimpaired, its consciousness that it is a world fellowship. This is not a day for despair and defeat, dark though the sinister shadows may be. This is a day for courage, confidence and faith. Man's extremity has always been God's opportunity.

The Philadelphia Federation of Churches summons all the churches of Philadelphia to be incessant in prayer for the needs of the whole world, especially for all peoples in war-torn areas, and to be re-dedicated to the enduring spiritual objectives of the Christian religion through which alone salvation may come for this confused and embittered world. Let us be steadfast in our purpose to keep America in ways of peace and to help in building the kind of world from which the evil of war is banished and the philosophy of force has yielded to the Gospel of Love.

GEORGE EMERSON BARNES,
President.

STANDING NOTICES

Every one is welcome at all services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants, coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to the Rubric before the office for the Visitation of the Sick, which reads:

"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other

adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals, at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's Parish are asked to send their names and addresses to the Rector. The regular weekly envelope system is used to meet the expenses of the Church. The Accounting Warden will be pleased to provide you with envelopes.

THE VALUE OF MY CHURCH TO ME The Church Is an Asset

Perhaps the following experience related by Bruce Barton will bring a new light on the value of the church. Mr. Barton says: "A real estate man once sold me a house. He took me through it from cellar to attic and then he put me in his car and rode me around. He showed me the schools, the police station, and the fire station. Finally he pointed out the church. These were his arguments why that town was a good town to live in. It had pleasant surroundings; it had a good school; it had fire and police protection; and it had a church."

Taxes and Church Contributions

"These assets made property valuable; they made my investment secure. I thought about it quite a little—in fact, it seemed to trouble me. I contributed my share to the maintenance of the school, the park, the police, and the fire department. The tax collector took care of that. But, for several months I contributed nothing to the church. And I grew ashamed."

Ministries of the Church

"I said to myself: 'You're sending your youngsters to Sunday School. Your property is a better investment because the church is here, representing respect for law, decency and faith. If death or trouble comes to your home you will not hesitate to call on the preacher and he will not refuse to come. You take all these benefits—yet you are contributing nothing.'

The Church's Bread Line

"So I grew ashamed of taking so much and giving nothing at all—of standing in the Church's bread line. I imagined a good many other men would feel that way if they were to think the thing through. For I know many communities where people who call themselves the best people are getting something for nothing at the expense of the church."

Happy to Have a Share

Are you contributing to the current expense budget of your church? For the church to continue to be a beneficial asset and influence in your community the necessary expenses such as heat, lights, janitor service, music, repairs, insurance, printing, etc., must be adequately cared for. Every honest, thinking church member should be happy to contribute for the current expense part of his church's budget.

Pray each day that the work of the Church may be a blessing to your community,

LOUIS R. BECK, Organist and Choir Master

Dear Friends:

On Sunday, October 8th, the Memorial Church of St. Paul will observe the Thirty-fifth Anniversary of the Founding of the Parish. Former members and friends are invited to be present at the special service to celebrate this event. It will afford them an opportunity to renew friendships; and some may want to rededicate their lives to service here, where they received their early training in the Christian way.

Former members of the choir are asked to augment our choir for the occasion.

The Rev. Edwin S. Carson, first Rector of the Parish, has graciously accepted our invitation to preach the Anniversary Sermon at the 11:00 o'clock service.

The Rector, Wardens and Vestrymen hope that all who have been connected with St. Paul's at any time will make a special effort to be present at this service. We believe that we shall receive an inspiration from this association with the past that will inspire us to lead our congregation to know Jesus Christ better and to work more diligently to further His Kingdom in the years that lie ahead.

We honor the memory of that great Christian layman, George C. Thomas, who not only was instrumental in starting this parish but who, because of love for His Master, out of the generosity of his heart gave us our beautiful Church in memory of his parents, John William and Keziah Sophia Thomas. And we are grateful, too, to Mrs. George C. Thomas and her children for the George C. Thomas Memorial Parish House. Indeed, we are thankful for all the many men and women who have worked for Christ here and have left their influence in the lives of those who now worship and labor with us.

Our loyal members of the present are working with the same splendid spirit and zeal as

did the members of the past to increase the usefulness of our Church in His Kingdom.

An Anniversary Dinner is to be given on Monday evening, October 9th, at 6:30 P. M. We hope to have the Bishop of the Diocese present. Rev. Philip J. Steinmetz, D.D., Rector of St. Paul's Church, Elkins Park, will be the speaker. Dr. Steinmetz is a well known preacher and after dinner speaker and we are very fortunate to be able to secure him for this occasion. Those who have not heard him, have a treat in store for them; and those who have had the privilege of hearing Dr. Steinmetz, will not fail to hear him again. Former members and friends of St. Paul's will be very welcome to enjoy this special event with us also. If you have not ordered your dinner ticket, please do so at once. The price is \$1.00.

The Committee is doing everything possible to make the occasion a great success and we appreciate its splendid work. There will be music and short addresses and pleasant fellowship. Come prepared to spend a happy evening with us.

Remember the dates:

Sunday, October 8th, at 11:00 A. M.
Anniversary Sermon by the
Rev. Edwin S. Carson.

Monday, October 9th, 6:30 P. M.
Anniversary Dinner, and Program.

Let us show our appreciation of God's blessings upon our Parish by being in our places of worship on Sunday, October 8th, and the Sundays thereafter. May God bless you and make you rich in His Spirit.

Cordially yours,

THOMAS PARKER,
Rector.

MEN'S CLUB

The men of the Parish are invited to come on Tuesday evenings, throughout the year, to enjoy our very fine club-rooms. It is an ideal way to get acquainted, and to have a good time. Bowling, checkers, darts, table tennis, shuffle board are available for your enjoyment. We are eager to have our men make more use of our facilities. Come and bring a friend with you.

FOR THE SAKE OF YOUR CHILD

Support the Church and attend services regularly.

"A business executive said not long ago: 'Over and above all the uncertainty of the present time, the bold fact remains that the future of my children means more to me than anything else. The Church is the best insurance I can discover for that future.'"

"A selfish motive, it is true, but the Church is perhaps the greatest stabilizing force even in a war-torn world. The Church can and does influence the futures of millions of children. It can influence the future of your child, Mr. Layman."

Keep this thought in mind and when the Canvassers come to see you in reference to the Every Member Canvass, do all in your power "for the sake of your child", or children. Bishop Tucker says "The Church is Moving Forward." May we be instruments by which the wheels of the Church will always move forward to support every phase of church life at home and abroad.

PROMOTION COMMITTEE

The Promotion Committee wishes to remind you that all tickets for the Anniversary Dinner must be paid for by October 6th in order that the Committee may know how many to provide for. Will you do all in your power to make the anniversary a success? Everything is being done to make the evening an enjoyable one.

CHOIR

St. Paul's believes it has one of the finest choirs in the city. Much credit is due to our able organist and choirmaster, Mr. Louis Beck, who has been with us for fifteen years. We

congratulate Mr. Beck on the splendid results he has had and trust that he may be with us for many years to come.

Will you help to keep up the fine standard of music, if you have had training, by offering your services to your God and your Church in the service of music? We depend upon you to keep our standard high. Come today and make arrangements with Mr. Beck.

CHURCH SCHOOL CHOIR

In the near future we hope to have a Church School Choir to assist us with our services in the Church School and train our boys and girls in Church music. Mr. LaRue Scott has consented to give his services to make this new venture a success.

O God, we seek thy guidance, strength, and help to perform thy work so needed in our troubled world. Bless those who go forth in thy name and bless the homes which they enter. May this Every Member Canvass help us all to find our true home and purpose in the Church of Him who came to give peace to a fearful world, our Lord and Saviour, Jesus Christ. Amen.

Dear Friends:

Throughout the Church there will be an Every Member Canvass from November 5th to November 26th. Canvassers will make the annual survey of Episcopal Churches. They will learn how interested our people are in the extension of the Kingdom of God. The canvass will afford an opportunity for our laymen and laywomen to visit our people and tell them about the Church and its great possibilities, if the parishioners will do their part—by attending church regularly, by sending their children to the Church School and by taking an interest in church activities. This would give all fellowship with God. It would drive from us the small, nagging fears which so constantly beset us. It would show us the way.

"As a parting word to the National Council at the close of its October meeting, at the Church Missions House, New York, the Presiding Bishop told of the special efforts under way by the headquarters staff to promote the Every Member Canvass. 'I do not think the success of our missionary work has ever depended on the actual number of dollars you have succeeded in raising,' he said, 'and I do not think that any of us say ahead of time what will be the financial results of this fall's campaign. Whether we succeed in raising the total number of dollars we set out to raise or not is not the primary question. The real question is whether we to whom leadership has been committed have done everything in our power to arouse the Church to the situation, and will lead the Church to put all the effort of which it is capable, into the work. A church that

is giving all it is capable of giving can look for God's blessing."

"As members of the National Council, as leaders, we should do everything we are capable of; enthusiasm, time, effort and thought—given to carrying out the great missionary purposes that God has entrusted to us this year, with confidence that when we have done our part, God will see that our work will not fail because the requisite number of dollars from the human point of view is not available."

"A church that is on fire, giving itself to the work with the same degree of sacrifice that our Lord gave when He died on the cross, will be God's agency in bringing about God's purpose here on earth. That is the spirit in which we should go back to our homes and complete the effort we are making this fall to see that the Church does not fail in carrying out the missionary responsibility."

We, the Churchmen, cannot fail our leaders: we must give our time, prayers and efforts for the success of our work in this Parish and for the Church at large because of our love for Christ.

"The Church must build up in her laity a loyalty that will put her First among all the interests of life."

It is our duty as Churchmen to impress upon the minds of others that our Church does come first. That we are not going to neglect it either by failing to be present at its services whenever possible or by failing to support it. Nothing must come between us and our Church.

When our Canvassers come to your homes, greet them in a friendly manner, as Christians should, take the pledge cards they offer you, think of and pray

over your obligations to your Church and return the cards, after due consideration, with the feeling of satisfaction that what you are doing is the best that you can do for your Church and your God. We cannot all go as missionaries, but our gifts will help us to obey His command:—"Go ye unto all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost."

We are counting on you.

Faithfully yours,

THOMAS PARKER, Rector.

Dear Friends:

The reports of the Every Member Canvassers are not all in, so this cannot be a final statement. Our hope is that results may come up to our expectations. It would make us happy and encourage us greatly to learn that every member of the Parish has pledged to support his Church by systematic giving and by being present every Sunday at Morning Service. What power we could generate for Christ in our community, if this were a reality! It could be, if we would each do our part. Kindly bring your pledge cards in and place them on the offertory plates on Sunday, December 3rd, at the 11:00 o'clock service. Make this our Dedication Day by "presenting our gifts, ourselves, our souls and bodies to be a reasonable, holy and living sacrifice" unto Him.

There is no better time to do this than on Advent Sunday, when we look for the coming of Christ. We should prepare for that coming. Too many of us are like the foolish virgins, unprepared. St. John the Baptist admonished, "Repent ye; for the Kingdom of Heaven is at

hand." Isaiah counseled: "Prepare ye the way of the Lord, make straight in the desert a highway for our God."

The kind of Christmas we shall have will depend upon our preparation for it. We look forward to Christmas to celebrate again the birthday of our Lord. It is His day and we shall be the happier if we give special thought to the coming of the Prince of Peace, the Savior of the World. It will be a day for us to rejoice and be grateful that we have peace in our country and to pray for those countries that are at war.

The Christmas Day services are:

6:00 A. M.—Christmas Carol Service and Holy Communion.

10:00 A. M.—Holy Communion and Sermon.

With the season's greetings and a prayer that Christmas may bring you joy and peace, I am

Faithfully yours,

THOMAS PARKER,

Rector.

THE PRESIDING BISHOP CALLS WHOLE CHURCH TO OBSERVE CHURCH PRESS WEEK

One of the great and effective forces in the advancement of the Church through the past five centuries has been the printed word. In more recent times, a press devoted especially to the Cause of Christ has played an important part in the Church's work.

Church publications are and must continue with increased effectiveness to be a means of bringing our people to a knowledge of and interest in the Church's life and activity. Never before has the Church so needed a virile Church press as today. Yet, when we survey the situation, we find that an infinitesimal percentage—perhaps one in fifteen—of our Church families subscribe to or read any Church periodical. Not only does this work a hardship upon our Church papers, but it works a hardship upon the Church itself. For we are losing the fullest possible benefits of a great medium at our command for advancement.

In order that the whole Church may join in bringing our people to consider the value and the benefits of reading Church publications, I ask that the period of January 14 to 21 be set aside as Church Press Week. I suggest that during this week a strenuous effort be made throughout the Church to place Church publications in the hands of our people and that they be encouraged to subscribe to them and to read them.

Every Church family should read regularly a Church periodical. It is with this objective in view that I declare Church Press Week.

—H. ST. GEORGE TUCKER.

All women are invited to help in this—"The Mission Work of the Church."

MARION RUDOLPH,
Secretary.

Dear Friends:

Christmas brought much joy to us at St. Paul's. We had large congregations at the 6:00 and 10:00 o'clock morning services. The Choir sang the carols with the spirit of Christmas in their souls and the anthem was very beautiful. The Church was attractively decorated. The new carpet and altar linens added to the beauty of the setting. The Church School Choir sang an anthem at the second service and their singing, too, helped to make the day a happy one.

The Christmas Offering of \$1481.87 was a generous one. It showed a spirit of co-operation, of giving and service. We could well be proud of our gifts as we placed them on the altar. We thank you all for your ready response to our appeal for liberal giving. It is "a grand and glorious feeling" to know that most of our bills can now be paid.

As we look back over the year 1939, we think that it has been a very successful year in a number of ways: Church attendance has been better; we have received more money for maintenance; a Church School Choir has been organized; and several girls' groups have been meeting regularly. While it has been an encouraging year, we are not going to be contented with these results. We have

abilities and facilities for doing greater work. It can be done, if all will pull together. We want men to bring more power to our efforts. The attendance of men at the services has been gratifying. We need your services between Sundays. We want our church to be a family church. We have been blessed by our Lord; let us show our appreciation by giving of our time and talents to His work.

On Thursday evening, January 25th, the Anniversary of the Conversion of St. Paul, we are to have our Annual Parish Meeting, following a dinner at six-thirty o'clock. All of our organizations will report on the work accomplished by them during the past year. The Choir will sing for us. We expect to have a happy, friendly and frank meeting. It will be a "family affair". There will be an election of vestrymen. Make a note of the date—January 25th. We count on you to be present. Do not let your attendance be perfunctory. Let us make the meeting one of interest and helpfulness.

With all good wishes for the new year upon which we have recently entered, I remain

Faithfully yours,

THOMAS PARKER,
Rector.

MEMORIAL CARPET

On the Fourth Sunday in Advent, December 24th, a beautiful new carpet was dedicated to the memory of Mr. Joseph F. Doughty, the gift of his wife, Mrs. Olive Doughty.

At this same service a set of very fine altar linens was dedicated, the gift of Mrs. Harry Hazzard.

THE CHURCH SCHOOL

The Church School meets Sunday mornings at 9:30 o'clock. The new Church School Choir is adding much to the spirit of worship at these sessions.

Kindly send your children to our Church School. If there are children in your neighborhood, who do not belong to a Sunday or Church School, will you not try to interest them in ours?

"Children of the Heavenly King,
As ye journey, sweetly sing;
Sing our Saviour's worthy praise,
Glorious in His works and ways!"

The Men's Bible Class, under the able leadership of Mr. Howard McComb, meets each Sunday morning in the Vestry Room. All men of the church are invited to join this class.

THE AMERICAN RED CROSS

The American Red Cross has been appealed to by overseas Red Cross Societies for blankets, in addition to warm garments and hospital supplies.

As a special gift to the refugees in Europe, send a used or new blanket through the Red Cross.

If you wish to donate a new blanket, it may be sent to, "American Red Cross, 511 N. Broad Street, Philadelphia."

There are vacant dates on our Flower List. Would not more of you like to place flowers on the Altar in memory of loved ones? Kindly speak to the Rector or to me in regard to the matter.
ELIZABETH MCCOOK.

THE CONVERSION OF ST. PAUL

There will be a celebration of Holy Communion on Thursday, January 25th, at 10:00 A. M.

DO YOU?

The opportunity is given us to come to the Lord's Supper on Saints Days and every Sunday morning at the 8:00 o'clock service. It is disquieting to realize how few take advantage of these quiet, restful and helpful services. Christ says: "Do this in remembrance of Me."

ENVELOPES FOR 1940

Have you received your envelopes for 1940? If not, you may get them from Mr. Montgomery or from the Rector. We would like all to contribute through this system.

More of our people have pledged on the red side (Missions) this year than last. This is a healthy sign. We hope that others will do likewise. It means that we shall come nearer to meeting our expectations for missions. We have set \$500.00 as our expectation for this year.

Get your envelopes after the service, please.

DORCAS SOCIETY

The Dorcas Society held the first meeting of the season in the Parish House on Tuesday evening, January 2nd. There was a very good attendance, although the evening was very cold.

The Society will have its annual election of officers on Monday evening, January 8th. We would like all members to come out to vote at that meeting.

Our activities for this month are as follows: A tour of Abbott's ice cream plant on Wednes-

day, January 10th. Bus will leave the Parish House promptly at 1:30 P. M. We would like as many as possible to go with us on this tour as we must have at least 25 adults.

On Wednesday evening, January 17th, there will be another Grocery Party in the Parish House. Those who attended the last one will know how much fun we have. Hostesses will be Mrs. Garrison and Mrs. Swinden.

Another Dollar Club has been organized. Anyone wishing to join now may do so by paying for the two weeks that they have missed. The first two clubs were very popular and we expect this one to prove equally so.

We thank all our members for the Christmas offering of \$725.00. We are proud of our record.

HARRIET J. SKILLEN,
Secretary.

NOTICE OF ELECTION AND CHANGE OF BY-LAWS

The Vestry, at its last regular meeting, adopted changes in the By-Laws which, in general, affect a change in the date of the Annual Election for Vestrymen.

The sections changed now read:

Article 1, Section 1.

The annual election of Vestrymen shall be held on the Twenty-fifth day of January, called St. Paul's Day, between the hours of seven and nine o'clock, P. M., provided that the Church Wardens may, at their discretion, keep the polls open for a longer period. Notice of the election shall be given to the congregation the preceding Sunday. Should St. Paul's Day fall on a Sunday the election shall be held on the day following.

Article 1, Section 2.

No person except a member of the Vestry whose term will then expire, shall be elected a

kettles, which were secured and are now used in the kitchen. This sale realized \$6.00.

At Thanksgiving the Church School members brought food for the baskets which were distributed to the poor of the Parish.

A special effort was made to contribute to the Christmas Offering and through the sale of candy, costume jewelry and a contribution from the School treasury, \$75.00 was presented to the Church.

In April the Officers and Teachers voted to give Mr. LaRue Scott a gift in recognition of his services as Church School Organist. He was presented with some Victrola records for his collection. Later in the year Mr. Scott organized a boys' and girls' choir, which has been most successful. It was voted to give Mr. Scott a nominal sum per week to help defray his traveling expenses.

Under the able leadership of Mr. Howard McComb, the Church School now has a Men's Bible Class.

It was decided by the officers and teachers of the school that the offering (exclusive of missionary and special offerings) for the first Sunday of each month should be given to the Rector, Mr. Parker, for his discretionary fund.

The Church School, under the leadership of Dr. Skilleb, has had a most successful year. Its membership now totals 121, with new members constantly replacing those lost through removal.

For the year it can be reported that contributions totaling \$160.13 were made to the Church, a decided increase over the amounts contributed formerly.

We of the Church School realize our responsibility in training future members of the Church and are striving to build our School into the best medium for presenting to the Church and this community fine Christian people.

Respectfully submitted,

ELIZABETH M. McCOOK, Registrar.

GIRLS' FRIENDLY SOCIETY

In making out this report of the activities in which our organization has participated our program consists of financial and social activities.

On Feb. 3 we gave a play by the 48th Ward and as part of our efforts we had an Ad Book.

The girls also lent a helping hand by serving at the mid-lent dinner.

Most of the girls took part in the Easter Pageant under the able direction of Mrs. Harry Krauss.

On March 17 we had a card and radio party at the home of Mrs. Swinden.

On June 12 the Church had a Fair and we were in charge of the candy table.

The 48th Ward String Band played for us and we gave a dance on June 15.

We gave a card and radio party on June 28, to defray expenses of a week-end holiday for the girls.

November 6 we were Host to the South Philadelphia Branches of the G. F. S., at a dinner and conference.

We had tea leaf reading at the home of Mrs. Swenden on Dec. 7.

Our Social Activities:

Basketball—We outfitted our team with shorts last year. We won the majority of the games we played.

On Saturday afternoons we often went hiking. July 7 we went away for our week-end holiday.

We attended a skating party at the Adelphia on November 20.

Several showers were given last year by the girls.

In bringing our program to a close, we have all resolved to do better this year.

The first activity on our list this year is a card and radio party to be given on January 30 for our Easter Offering.

Dear Friends:

Again the Lenten Season is at hand. Ash Wednesday is on February 7th and is unusually early this year. Lent is a time for Christians to take inventory of their lives. It is a time of fasting and penitence and of preparation for Easter.

With this thought in mind, we are more regular in our devotions to God. We come to His House more frequently to receive from Him the blessings that He is at all times ready and eager to bestow upon us. May we, as Christians, say with our lips the things that we believe in our hearts and go forth to practice them in our lives.

The services on Ash Wednesday are Holy Communion at 7:30 A. M. and 10:00 A. M., and evening prayer and sermon at 8:00 o'clock, when the Rev. Frederick W. Blatz will preach the sermon. Mr. Blatz was a former boy of St. Paul's Parish and is now Rector of St. Peter's Church, Third and Pine Streets. I know that you will all welcome this opportunity to greet him.

A list of the Lenten speakers appears elsewhere in this issue of The Chronicle.

With sincere good wishes, I remain

Faithfully yours,

THOMAS PARKER, Rector.

MINUTES OF THE ANNUAL PARISH MEETING January 23, 1940

Following a delightful dinner prepared by the Dorcas Society and served by the Girls' Friendly Society, the Parish Meeting was opened at 7:30 P. M. by the Rector, the Rev. Thomas Parker. The Choir, under the direction of Mr. Louis R. Beck, sang a selection of secular music. The Rector spoke of the active life and healthy spirit prevailing in the organizations and throughout the Parish. Groups organized during the

past year were noted as a Junior Girls Group under the sponsorship of Mrs. Robert C. Johnson, another group of the younger girls for whom Miss Marie J. McComb acts as group leader and a Church School Choir under the direction of Mr. W. LaRue Scott. The Rector expressed his delight with the favorable financial position of the Church, indicating that all expenses and indebtedness incurred to the end of 1939 had been paid, and said that this was only possible through the co-operation existing among the societies. The endeavor of the Dorcas So-

ciety, through many large contributions in the past year, to remove the current indebtedness was particularly commended.

The Accounting Warden presented his report for the year of 1939 as follows:

JUNIOR GIRLS' GROUP

I am reporting for the Junior Girls' Group, candidates for the Girls' Friendly Society. We meet here in the Parish House each Monday night at 7:45. Our attendance ranges from twelve to sixteen girls. We come together for two purposes, the first to be of service when the opportunity affords itself, and the second to create a spirit of companionship and good fun among our younger girls. During the few months since we first met—last October—we have had a grand Hallowe'en Party, have filled and delivered a Thanksgiving Basket, and have filled sixteen stockings which were distributed with the Christmas Baskets. We are working on a number of scrap books which, when finished, we hope will be nice enough to send to a hospital. After our business meetings we usually enjoy all the games in the basement. We held an election of officers for the year 1940 two weeks ago, and are planning lots of interesting activities for this season. We want more girls. There are so many girls like ourselves here in our Church School, and all around us, who should come out and join us. We'd try to make them happy if they would give us a chance.

ROSEMARY SCHNOOR, President.

REPORT OF THE WORK OF THE DORCAS SOCIETY

From Easter 1939 until January 25, 1940

The Dorcas Society has had a very busy and successful year.

We have been able to turn over to the Accounting Warden for Church expenses the sum of \$1083.58. We expended for painting the Church and Parish House doors the sum of \$35.00. We have purchased for the kitchen sherbet glasses, china and other glassware at a cost of \$13.00.

We have made donations to many worthy objects, including the Altar Guild, the Garden Party at Old Swedes' Church, the South Philadelphia Convocation, Episcopal Hospital and

our own St. Paul's Day dinner. We filled and sent out 8 baskets at Thanksgiving to the needy of the Parish. We also send flowers and cards to and visit those of our members who are ill and help in other ways too numerous to mention.

To raise the money for this work we have engaged in a number of activities, including Suppers, Luncheons, Card Parties, Blanket Clubs, Dollar Clubs and 10-cent Clubs. We have sold vanilla, dish clothes, Jello, tea balls, waxed paper, root beer and matches. We also had a Rummage Sale, Sample Fair and Moving Pictures.

We have taken trips to various places of interest. We have received dues, collections and donations from our many friends.

From all sources we have received the sum of \$1335.58 since April 10, 1939, until the present time, and have expended the sum of \$1302.58.

From January 1, 1939, until April 4, 1939, we received \$474.12, making a total since January 1, 1939, until the present time of \$1809.77 received, and we expended in that time \$1802.30.

HARRIET J. SKILLEN, Secretary.

DORCAS SOCIETY

The Dorcas Society held the annual election on Monday evening, January 8th.

President, Mrs. Howard McComb.
Vice-President, Mrs. Alexander Boggs.
Secretary, Mrs. Robert J. Skillen.
Treasurer, Mrs. William Magill.

Our activities for this month so far will be the Shrove Tuesday Card Party. This will be our last Card Party in the Parish House until after Easter. We would like to have a large party. After the service on Ash Wednesday, we are going on a tour of Campbell's Soup Plant in Camden. We will leave the Parish House at 1 P. M. We expect it to be a very interesting tour.

More activities will be announced later.

HARRIET J. SKILLEN, Secretary.

ALTAR GUILD

The Altar Guild has kept our Altar and Chancel in good condition during the year. We were very sorry to lose our Directress, Mrs. Harry Hazzard. Mrs. Hazzard moved to Jenkintown and could not attend regularly, so she resigned as head of the Altar Guild after many years of very faithful service. We are grateful to her for the manner in which she has done her work.

Our Rector appointed Mrs. Frank McCook as Directress. Mrs. McCook is performing the duties of the position very satisfactorily.

We thank those who have placed memorial flowers on the altar each year. At present there are twenty-one vacant Sundays, which we would like to have filled. If you have loved ones whom you might want to remember in this way, we shall be glad to arrange for a Sunday nearest the date you wish to memorialize.

We would like to reorganize the Sustaining Membership of the Altar Guild. Dues are a dollar a year. Please speak to any member of the Guild, or to Mr. Parker, in regard to this matter.

During the year we were happy to receive beautiful flowers and donations of money for Easter and Christmas decorations; also two fine gifts that will last a lifetime: a complete set of linens for both main and chapel altars and the carpet in the chancel. Now we should have cushions covered to match or harmonize. We hope to be able to do this in the near future.

We are grateful to Mr. William Canavan for painting the Sacristy.

MAY EDKINS, Secretary.

Dear Friends:

The Lenten Season is half over and our thoughts are turning toward Easter when we again commemorate the resurrection of Jesus Christ our Saviour.

Churches are beautifully decorated at this joyous season. The Easter music, with its note of victory, stirs our hearts and souls and we are happy to come to God's House to offer up our praises and prayers to Him who is the inspiration of this service.

But, after Easter, what then? Do we become part of that great number of Christians who come to Church twice a year for Communion, who expect the Church to render acceptable service at all times with so little moral support from us?

What does Christianity really mean to us? It should mean that we are living Christlike lives, entering into the joy of serving Him in sacrificial giving of time, energy, money and self for the spread of His Kingdom among men. Is it because we Christians lack one thing that the world today is in its present well-nigh chaotic state? There must be a reason. Is it that men have forgotten God? The Bible teaches us that God is love and that He is able to do abundantly more than we can ask or even think.

Christianity has the answer to our problems. I am sure that we believe this, but it depends upon our attitude to-

ward religion whether it answers our needs. "We know that all things work together for good to them that love God, to them who are called according to His purpose." There is nothing that cannot be accomplished in His name if we have a mind to do it, but it requires that we live wholesome, Christian lives. We cannot take advantage of our fellowmen in business, social or religious life. We cannot have a double standard—a religion for Sunday and a policy for weekdays. Our lives must be patterned after the life of Christ. The Golden Rule is still our plan for living. We will not have to advertise our religion, if we believe that it has the answer.

If the world believed this and lived it, there would be no more wars and rumors of war. In Christ's mind there is no distinction between peoples. We are one in His sight. Men profess to want Christ as their leader. Shall we do all that we can to give Him to them? Dr. Samuel Higginbottom, Moderator of the Presbyterian Church, says "no other institution can compete with the Church and if this generation fails to follow it, the world is indeed lost."

Wishing you all a Happy Easter, I remain

Faithfully yours,

THOMAS PARKER,
Rector.

CHURCH SCHOOL

We are very glad to report the following new scholars in our Church School: Muriel Failing, Eleanor Anderson, Hannah Fenton, Harold Manderback, Buddy Berry, Barbara Lee Berry, Roberta Goebel, Charles Creighton, Robert Matheson, Delores Haines, Catharine Haines and Theresa Mount.

Mrs. Harry E. Krauss, Jr., Mrs. Herbert B. Edkins, Mr. Robert Kilgus and Miss Velda George are now teaching in our Church School. We are happy to have them on the staff.

Dr. Samuel Higginbottom has said: "The Sunday School is the place the child should get his knowledge of the Bible. With the passing of family worship, we have to look to the Sabbath School to give the child the Bible teaching he needs."

The Church School is working for its Easter Offering. We are selling Easter eggs and other candies, small wooden crosses, name and address labels and novelty jewelry. You may purchase the candy from any member of the school and the other articles from any member of the staff.

Some classes are raising funds for their special offering. Mrs. Mae Johnson's class is having a Sour Kraut Supper on March 2nd, which we hope will be very well attended.

The children have received their Lenten Mite Boxes. We wish that all parents would help them make little sacrifices to fill the boxes, which are to be returned at their Easter Service at 9:30 o'clock Easter morning.

LOUIS R. BECK, Organist and Choir Master

Dear Friends:

It seems but yesterday that we were looking forward to and planning for Easter.

Shall we turn back for a moment and reflect on some of the highlights of the day? It was a time of rejoicing for Christians, who found peace and courage in Holy Communion commemorating the Resurrection of their Lord and in the singing of the season's hymns of joy. All services were well attended and the Easter Offering was a generous one. The music of the Church and the Church School Choirs was very fine and contributed much to the happiness of the day.

We are grateful to all who helped to make the Queen of Feasts the very happy occasion that it was. The Altar Guild was enabled to decorate the Church very beautifully with the plants bought with the funds donated for that purpose and with the flowers and plants brought or sent to the Church.

Time passes much too swiftly for most of us. After Easter what? It is now the second Sunday after Easter and we are planning for Spring and Summer. This is essential, if we are to move forward. The Church services go on as before and, we are compelled to add; the expenses of the Church go on as usual also.

With the interested support of our people, the services will continue to be

well attended. As Robert Quillen puts it in an article titled "There's a Way to Fill the Churches," it is the purpose of the Church to "sincerely show people how to solve their problems and find their way to God." We must come to the Source for power and strength. It is in His House, in earnest communion with Him, that we shall find the solution to our problems and peace of heart and mind.

"A Church on fire to save the world from utter destruction." That is the task to which Bishop Tucker called the Church in his charge to the National Council. "The World can be saved!" was his ringing challenge, in discussing the present situation in society. The Bishop warned, however, that in order to save the world, the spiritual lives of present Churchmen and Churchwomen must be deepened and a call to individual witness must be sounded.

It is only as we of St. Paul's witness for Christ in our own Church and Community that we can help others. As Christians we cannot but be interested in the welfare of those about us. May ours not be a lukewarm interest, but rather a burning zeal prompted by a greater love for our fellowmen!

Faithfully yours,

THOMAS PARKER,
Rector.

The Dorcas Society wishes to thank the members and friends of the Parish who have made this Club possible. The commission paid us, amounting to \$144.87, was part of our Easter Offering. A new Club is being formed and we are trying to get one hundred people interested. Would you care to join and help us reach a goal we have set, so that the Dorcas Society may do its part by giving liberally toward summer expenses? Please give your name to any member. Maybe you will be one of the winners when the Club ends in June.

Our Blanket Club and 10 cent Club are being formed and we would like many more members in both.

Our other activities for the month of April will be a Card and Radio Party at the home of Mrs. Rose, 2614 S. 17th St., on Thursday evening, April 11th; Mrs. Swinden and Mrs. Burns will assist Mrs. Rose.

On Friday evening, April 19th, Mrs. McGill, Mrs. Auritt and Mrs. Ogden will have a Card and Radio Party in the Parish House.

On Wednesday evening, April 24th, Mrs. Canavan and Mrs. Rudolph will hold a Card and Radio Party in the Parish House.

We are launching a drive to increase our membership. We would like to have

fifty active members in the Society. Come and join us and you will receive a hearty welcome.

HARRIET J. SKILLEN,
Secretary.

THE GIRLS' FRIENDLY SOCIETY

On Monday night, March 11th, at a short service presided over by our rector, we were very happy to admit five new members into the Girls' Friendly Society—Hannah Fenton, Rachel Amies, Eleanor Anderson, Jane Rose and Peggy Rose.

In accordance with our present program, Miss Helen Kiesel closed our evening's meeting with a domestic science demonstration, the subject for the evening being Jelly Rolls. Any girls in the parish who may be interested in these demonstrations are cordially invited to attend them.

Our plans for this Spring include a social evening on April 29th and a Card Party on May 7th.

ALICE GRAMPER,
Branch President.

YOUNG PEOPLE'S FELLOWSHIP

The Y. P. F. has been reorganized with fifteen members. The following officers were elected:—President, Albert Morlock; Treasurer, Annette Ferguson.

Committees have been appointed and we are off to a good start.

The cardinal principles of the Y. P. F. are Religion, Education, Service and Fellowship, and our programs are endeavoring to follow these thoughts.

We have had some very interesting discussions.

We meet on Sunday evenings at eight o'clock. The young people of the Church, both boys and girls, are invited to come.

Dear Friends:

The nearly two years that we have been with you have been happy ones. You have co-operated with us in our plans and undertakings and we have gone forward; not by leaps and bounds, but steadily. We feel that this is the best way to build a sure foundation. We pray that the work may continue to grow and that more and more of our people may become actively interested in church work. We are deeply grateful to those who have given unstintingly of their time, energy and means. This seems to be the only way that an urban church, that is not endowed, can carry on. When parishioners have a real affection for their church, they look upon the unceasing efforts they are called upon to make as a labor of love.

Sometime soon some of the workers of St. Paul's will be around to see you to pick up the little envelopes that were left with you last month. This is a new venture and we trust that you think that it is a good one and are complying with the request to place a coin a day in them. Their visits will serve two purposes. You will become better acquainted with the visitors and you will help to support projects that must be undertaken.

You have received the "May Fete News" and, of course, are planning to be with us on Saturday, May 18th, to enjoy a balanced dinner of baked Virginia ham and complementary foods. Then you will want to visit the "Fair" to make necessary purchases. If you do not need anything, then you will enjoy strolling around to see what you can see and visiting with

friends and neighbors. Perhaps you will want to go to the basement to play games. We want this to be a sociable evening when we will get together and become better acquainted. Put the date down and tell us that we may depend upon you to help to make the affair a success.

We have been well pleased with the congregations and trust that you will continue to be in your place of worship regularly on Sundays unless prevented from doing so by illness or absence from the city. Since the resurrection of Christ from the dead, and in commemoration of that great event, the first day of the week has been set apart for rest and worship. It is fittingly required of us that we start our week right by being present in the House of Prayer. We teach others by our examples. Whether we desire to do so or not, it is undeniable that our lives influence the lives of others.

Have you, who are not active in your Church, ever thought how you could be of help to your Church? Perhaps you can sing: then you should be in the choir. Perhaps you have ability as a teacher: then you could teach in the Church School. Whatever your gifts may be, we are sure that we have an organization in which they would prove helpful to others. Busy days are happy days and the greatest happiness comes from unselfish service for others.

Faithfully yours,

THOMAS PARKER,
Rector.

CONVENTION SERVICE

There will be a service on May 6th for all the people of the Diocese, at 8:15 P. M., in the Church of The Holy Trinity, 19th and Walnut Sts., when the Bishop will read the Annual Address to the Convention of the Diocese.

MEMORIAL SERVICE

The annual Memorial Service will be held in our Church on Sunday morning, May 26th, at 11:00 o'clock.

EASTER OFFERING

The total Easter Offering for the Church was \$1077.08. The Church School had an offering of \$144.90 for missions. Since the list of contributors was printed the following have sent in gifts: Mr. and Mrs. Coffin, Mrs. John Seigmann; two envelopes without names.

DORCAS SOCIETY

The Dorcas Society is growing rapidly. Since the April Chronicle was published, we have enrolled three new members and some of our former members are with us again.

The Card Parties given last month by our ladies were a great success. Those held in the homes and in the Parish House were well attended and everyone had a good time.

We are now looking forward to the May Fete, to be held on Saturday, May 18th, beginning at 2 P. M.

We would like more members for the "Dollar Club."

There will be more activities during the month of May, which will be announced later.

HARRIET J. SKILLEN,
Secretary.

MEN'S CLUB

The Men's Club invites the men of this parish and community to attend its meeting on the first Tuesday of each month. The meeting is held in the Parish House at 8 P. M. sharp.

We have a very interesting meeting after which refreshments are served and the men play their favorite game—Bowling, darts or table tennis. You are asked to come and bring your friends.

OUTGOING POWER

By H. ST. GEORGE TUCKER
Presiding Bishop

WHITSUNDAY is sometimes called the birthday of the Church. Perhaps it might be better to think of it as commemorating its coming of age. In the Church's development it marks that stage which corresponds to confirmation in the spiritual life of the individual.

What is the practical significance of the fulfillment at Pentecost of Christ's promise of the Holy Spirit? One thing stands out clearly; the disciples were changed by that Pentecostal experience from a body of passive inactive worshipers into a group of strenuous enthusiastic evangelists. This does not mean of course that they abandoned worship, but that the result of their worship was an impulse to work, accompanied by an assurance that they were endowed with power which would make that work effective.

They had learned before this to trust in the love, the wisdom and the power of God, but they had been accustomed to find these manifested in what Christ did for them. Christ had said to them, "Fear not, little flock; for it is your Father's good pleasure to give you the kingdom." They looked for the fulfillment of this promise by a display of God's power working outside themselves.

Just before the Ascension they had come to Christ and realizing perhaps that He was soon to be taken from them, they had asked wistfully, "Lord, wilt thou at this time restore again the kingdom to Israel?" Christ's reply, however, indicated that the Divine power which would bring the promised Kingdom would operate not apart from them, but that they themselves would receive power, a power which would qualify them to be workers with God in establishing the Kingdom. Furthermore, He bade them look forward not to the Kingdom's being, as it were, brought to them, but as something which they were to be God's agents in taking to the uttermost parts of the earth.

Dear Friends:

The Rector and Vestry want to thank all who responded to the appeal of the Vestry for funds to be placed in the special envelopes left at your homes for that purpose. The first month's receipts came to \$98.24, which, we feel, is very gratifying. It indicates a desire on the part of the members to co-operate: a willingness to share responsibility. We pray and trust that this good work will continue.

The May Fete Committee desires to extend its thanks to all workers, to all who made donations, and to the members and friends who came to dinner and to buy articles for sale at the booths. The Fete was a decided success and, we believe, was greatly enjoyed by all who attended it. Again your co-operation was splendid. The profits of the affair came to \$202.40. What Mr. Carson said of St. Paul's many years ago still holds true: "The people have a mind to work." When you undertake a thing, you put it over with flying colors.

The visit of a delegation from Herbert Warriner Post, No. 70, of the American Legion, on Sunday, May 26th, to hold a memorial service for Chaplain Greenwood, added to the interest of last Sunday's Memorial Day service and we express our sincere appreciation to those who came. It is fitting in these trying days that we pause to pay honor to those who gave their lives for their country and to those who were willing to do so. It is our privilege now to pre-

serve our rich inheritance for the generations to come. It is our stern duty to seek to make good Americans of those within our borders. To do so acceptably, we must be true followers of the Prince of Peace.

The Red Cross appeals to us for money, clothing and other supplies. During the first World War units were established throughout the country where women sewed and knitted for suffering humanity. It is our hope that a branch may be organized in our Parish now to help those who are experiencing hardships from the present war. Wool and other materials will be furnished by the Red Cross. The work should start immediately.

The Accounting Warden would like all who can possibly do so to get caught up with their back envelopes. This, I feel sure, will not greatly inconvenience any of you and it will be a real help to the Church in tiding over the lean summer months.

Active co-operation on the part of our congregation will make our services more interesting and helpful. We derive blessings from God when we give ourselves to His service. May we come to Him for strength and say with the Apostle Paul, "I can do all things in Him that strengtheneth me."

Faithfully yours,

THOMAS PARKER,
Rector.

CHURCH GOING

By GEORGE I. HILLER

I go to Church, but not because of the preaching, nor of the music, nor yet for the sociability. I do not go simply because it is a habit, though it is an established habit with me. I go with no thought of being inspired to something new, because I am rather tired of new things, new orders and new ideals. I go with no thought of my example, though I am continually reminded that my example makes others think. I go with no thought of getting something for myself though invariably I do feel better for the experience. I go with no idea of being superior to my fellow men who do not go, because I am continually confronted with examples of sacrifice and service on the part of non-Church goers which put me to shame.

I go because in the midst of a busy life, in a week crowded with cares and worries of one kind and another, it is the only opportunity I have of remembering my God; because my prayers have a reality I cannot find any other way. I go because in the worship of the Altar, I am able to concentrate as I cannot do at any other time. I find a relationship with Jesus in the sacramental worship which I cannot find in any other way. There is nothing selfish about it, I simply feel as if I wanted to know Him better. I have tried to explain it to others—I have failed, they felt I was mystic or hypocritical. Perhaps so, but in the experience of practical every day life, when I find one whom I like, I want to know him better. Neither the Scripture nor nature give me any such consciousness of Jesus' personality and presence as I get from worship and so in practice I seek Him in worship.

I confess that sometimes that experience is marred by the failure of the preacher who injects the idealism of a philosophical lecture; sometimes by a choir whose object seems to be that of advancing my musical education; sometimes by the Church which seems to have more machinery than anything else. But despite such interruptions, I can still find no better way than worship to know and relate myself to Him.

Perhaps I am old-fashioned, perhaps I do not put up a logical argument for going to Church—really I am not trying to do so; in fact, I would give it up if someone would show me a better way. Not a better way to live, not a more pleasant or easy way to improve myself; I would appreciate that help too, but a better way to know Jesus the Christ, the greatest teacher who ever lived and who lived and died in the one idea of drawing men unto Himself, I feel that drawing power. Therefore, as St. Paul said,

"For me to live is Christ." I go to Church because I have not found a better way to attain my heart's desire.

Not that I succeed, because "my reach still exceeds my grasp," but I know what I want and other leadership offers only glittering substitutes.

be given thereof to the minister of the
parish."

On due notice given, the Rector is al-
ways ready and desirous to visit those
who are in trouble, sorrow, need, sick-
ness, or any other adversity and to such
as, by reason of sickness or other in-
firmity, are prevented from coming to
Church.

The Rector should always be consulted
before arrangements are made for bap-
tisms, marriages or funerals, at which he
is expected to officiate.

Parishioners are asked to send prompt
notice of change of residence.

Those who wish to become members
of St. Paul's Parish are asked to send
their names and addresses to the Rector.
The regular weekly envelope system is
used to meet the expenses of the Church.
The Accounting Warden will be pleased
to provide you with envelopes.

WILL YOU ACCEPT THIS AS A PERSONAL REQUEST?

Has a friend said to you, "Before I moved here I went to church every
Sunday, but, somehow, in this new neighborhood, I have just neglected to go"?
I think all of us are acquainted with someone who, in one way or another, has
indicated an old interest in some church. I am anxious to meet these people
to extend a friendly greeting to them. You can help me in this way. Fill in
the blank at the bottom of the page—detach it, and before you forget, mail to
the rectory.

Dear Friends:

We are glad to have those of you who
have been away return to Church after
your vacations and hope that all of our
people have had a pleasant summer.

Again we are eagerly looking forward
to carrying on the work here at St.
Paul's that was so well begun thirty-six
years ago this month. Our love for our
Church is manifested by our deeds. To
grow in Grace, we must have a desire to
extend the Kingdom of God. It is not
an easy task that we set ourselves, but
it is a challenging one and well worth
while. Let nothing interfere with our
undertaking. As always, teamwork is
necessary to attain best results.

This is Rally Sunday at St. Paul's. We
hope to welcome parishioners, friends
and newcomers to our services and into
our fellowship where we pray that they
may find a happy church home. It is
our plan to not only have our Church a
friendly one, but to make it a family
church. It would make us extremely
happy to have entire families come to
the Lord's Table and rededicate their
lives to His service. It is inspiring to
sing together the old familiar hymns, to
pray together and receive a renewed
spirit.

On every hand we have brought home
to us the seriousness of the condition
that the world is in at the present time.
Surely we realize that it would not be
in this state, if the people of the world
had not neglected God in their lives.
May we acknowledge our failure and
work and pray for a general turning
back to God. There will be great rejoic-

ing in Heaven and on earth when people
once again hear the inner voice and
accept its teachings.

The Bishop of the Diocese will visit
St. Paul's on the second Sunday after
Epiphany, January 19th, 1941, 8:00 P. M.,
to administer the Rite of Confirmation.
Will those of you who have been think-
ing of being confirmed kindly give their
names to the Rector; or, if you would
like to talk with him about the matter,
will you make an appointment with him?

The various organizations are now, or
shortly will be, meeting regularly. If you
are not connected with one or more
groups, it is hoped that you will join one
so that you may enjoy fellowship with
other parishioners and be of service to
your Church.

The Mite Boxes, left at your homes
during the first week of August, are due
now. Please bring them with you and
place them on the alms basins. We hope
that the offering will be a generous one.
You have responded gratifyingly to our
appeals in the past and we know that
you will not fail us. We have been do-
ing fairly well financially, as you will see
in the report of the Accounting Warden,
which is printed elsewhere in this issue.
We are grateful to organizations and in-
dividuals who are determined that St.
Paul's shall owe no man anything.

Will you not all make a special effort
to attend at least one of the services
every Sunday? If there are children in
the home, will you not send them to our
Church School? It is in the Church
School that children receive some of
their earliest impressions of God and in-

struction in the Christian way of living. We want to share with you the responsibility of their training.

Services each Sunday as follows:

Holy Communion 8:00 A. M.
Church School..... 9:30 A. M.
Morning Prayer and Sermon.11:00 A. M.

With all good wishes for a very useful year,

Faithfully yours,

THOMAS PARKER,

Rector.

DORCAS SOCIETY

The Dorcas Society meets every Monday evening at 8:00 o'clock in the Parish House. Our President, Mrs. McComb, has many new ideas for our fall work. A new Blanket Club will begin on October 7th. A new 10-cent club will be started soon. In another article in the Chronicle you may read the news of the Dollar Club.

During the summer we have given the Church \$155.00 for insurance and \$161.00 for summer expenses. We are planning to have a Rummage Sale in the near future. Please send or bring your rummage to the Parish House.

We will have a Card and Game Party in the Parish House on Wednesday afternoon, October 9th, admission 25 cents.

On Tuesday afternoon, October 15th, there will be a tour of the Masonic Temple, Broad and Filbert Streets, starting at 2:00 o'clock. Donation 25 cents.

HARRIET J. SKILLEN,

Secretary.

DORCAS DOLLAR CLUB

On Tuesday evening, July 2nd, we had the drawing of our Fourth Dollar Club, at Gram's Store, 1242 S. 17th Street.

A list of prize winners follows:

Mrs. Flossie Gyngell, 1208 Mollbore Terrace, 1st prize, Electric Refrigerator, value \$182.95.

Mrs. E. Lager, 2734 S. Smedley St., 2nd prize, Gas Range, valued at \$64.95.

Mrs. Thomas Smith, 2732 S. Smedley St., 3rd prize, Radio, valued at \$29.95.

Mrs. R. Simpson, 3812 Albermale Ave., Drexel Hill, 4th prize, Norge Electric Roaster, valued at \$24.95.

Mrs. M. Gibb, 1201 Butler St., 5th prize, Chest Silver, valued at \$16.50.

Mrs. Mary Fryer, 2621 S. Broad St., 6th prize, Chest Silver, valued at \$16.50.

Mrs. Griffin, 2744 S. 11th St., 7th prize, Table Lamp.

Mrs. Mary Simmons, 1042 W. Olney Ave., 8th prize, Table Lamp.

Our commission on this club so far amounts to \$101.10 and we are grateful to our many friends who have made these

clubs possible. The first club was started on May 15th, 1939, and up until this last club's drawing we have had \$759.86 paid us by Mr. Gram in commissions. These commissions have all been turned over for our Parish needs and we hope many more of our Parishioners will join the new club now forming and by so doing help us raise a goodly sum for our Christmas Offering. Your name may be among the fortunate winners. Are you interested in putting \$1.00 per week for 12 weeks into a club which will give you an opportunity to purchase needed articles for home or Christmas gifts and, at the same time, help the Church? If so, please see any member of the Dorcas Society.

THE AMERICAN RED CROSS

St. Paul's unit of the American Red Cross meets regularly on Tuesdays and Thursdays in the Parish House. 145 sewed and knitted garments have been returned to headquarters. We now have 100 garments on hand to make and hope soon to have a good supply of wool for sweaters. A small group is meeting regularly to sew in the Parish House and others are knitting or sewing in their homes, but the need is great and we could use a larger number of workers.

CHURCH SCHOOL

The Church School re-opened on Sunday, September 15th, with a good attendance. We have a staff of loyal workers. We need more teachers to help us in our work. The teachers are planning to attend the Church School Institute on Monday evening, October 7th, at the Christian Association, 36th and Locust

Streets, to learn what is going on in other schools and to share their experiences in the work of teaching children about Christ and His Church.

Do you know of any children that should be in our School at St. Paul's?

The children of today will be the Church workers of tomorrow. It is necessary, therefore, for us to train them for this important task. We are asking for your full co-operation to make our School the very best.

Church School every Sunday at 9:30 A. M. sharp.

DORCAS SOCIETY TO RAISE EXTRA FUNDS THROUGH NOVEL PLAN

Members of the congregation of The Memorial Church of St. Paul, and others in the community, have been urged to participate in a novel plan for raising extra money for church activities, by Mrs. McComb, President of the Dorcas Society.

This plan is based on the widespread acceptance of a similar plan last year. It gives recognized churches of any denomination or sect an opportunity to get extra money for their charities and other activities, by sending in wrappers of Procter & Gamble products between September 16 and December 2, 1940. The company will redeem (in combined total quantities of two hundred or more, Camay Soap wrappers, Ivory Flakes box-tops and one-pound Crisco labels at one-half cent each, and three pound Crisco labels at two cents each. Checks will be made payable directly to the Church, and will be mailed about four weeks after receipt.

Complete details are available from the Dorcas Society.

Please bring or send your wrappers to the Parish House.

Your presence at this dinner and sale will support the Dorcas Society and your Church.

AMERICAN RED CROSS

The Red Cross unit of St. Paul's meets on Tuesday and Thursday afternoons, from 1:00 to 4:00 o'clock. While the group is not large, a quite satisfactory amount of work is being accomplished. One hundred and thirty-five garments and several sweaters will be returned to Headquarters at the end of the week.

The meeting on Tuesday, November 5th, will be omitted.

CHURCH SCHOOL

Our Church School has recently been reorganized and the classes graded to correspond with the grades of the Public School System. We have a very efficient staff of teachers and we hope for continued growth of the School.

The Church School Choir is an inspiration to us. It is growing steadily under the leadership of Mr. La Rue Scott. Those interested in music would profit

much by the training that Mr. Scott is giving the choir.

THANKSGIVING

The Governor of Pennsylvania has proclaimed November 28th as Thanksgiving Day. There will be a service of Holy Communion in our Church at 10:00 A. M. It is hoped that our members and friends will come and give thanks for the many blessings that God has bestowed upon them during the past year.

THE FIRST THANKSGIVING CELEBRATION Plymouth, Dec. 11, 1621

Our corn did prove well; and, God be praised, we had a good increase of Indian corn. Our harvest being gotten in, our Governor sent four men on fowling, that so we might, after a special manner rejoice together after we had gathered the fruit of our labors. Many of the Indians came amongst us, and among the rest their greatest king, Massasoit, with some ninety men whom three days we entertained or feasted.

Edward Winslow.

THE FIRST THANKSGIVING PROCLAMATION

Now, therefore, I do recommend and assign Thursday, the twenty-sixth day of November next, to be devoted by the people of these States to the service of that great and glorious Being, who is the Beneficent Author of all the good that was, that is, or that will be; that we may then all unite in rendering unto him our sincere and humble thanks . . . for all the great and various favours, which he has been pleased to confer upon us . . . and beseech him to pardon our national and other transgressions; to enable us all, whether in public or private stations, to perform our several and relative duties properly and punctually; to render our National Government a blessing to all people, by constantly being a government of wise, just, and constitutional laws, discreetly and faithfully executed and obeyed . . . to grant unto all mankind such a degree of temporal prosperity as he alone knows to be best.

Given under my hand, at the city of New York, the third day of October, in the year of our Lord one thousand seven hundred and eighty-nine.

President George Washington.

THANKSGIVING DAY OFFERING

The Thanksgiving offering is for the work of the Episcopal Hospital and we trust that it will be a generous one.

Dear Friends:

Our country is actively engaged in providing a national defense to be prepared for anything that might happen. Our young men have registered for the draft, their numbers have been drawn and they may be called to serve their country.

Our Church has been preparing and executing a defense against evil since it was first organized. Men and women, boys and girls are constantly being enlisted in the army of God. Right now we of St. Paul's are planning for our annual Every Member Canvass, which will take place between November 24th and December 1st. It will offer special opportunity for us to rededicate our lives to the cause of truth and to reaffirm our faith in Christ and His Church. We, who have not been as faithful in church attendance as we might have been, should resolve to be present each Sunday morning unless prevented from doing so by illness or some other good reason. This is important. The Church is a training school where we may learn of God and how we may best serve Him to offset the works of evil abroad in the world. **Every member of the Church in Church every Sunday** should be our slogan. Let us not be content with coming ourselves, let us invite other members of our families and our friends to come with us to share a closer fellowship with God and a nearer brotherhood with our fellowmen. If we will resolve to do this and will carry out our resolution to the best of our ability, then I am sure that we shall have a very fruitful year at St.

Paul's. If parents have a sincere interest in the Church because of their love for God, their children will be interested too.

When you are asked to become a part of this army of God, to visit and interest others in your Church, will you not accept and share the responsibility as well as the privilege of church connection?

We can have no greater or nobler leader than Jesus Christ our Lord; to enlist on His side is to enlist on the side of righteousness. Can any one of us afford to do otherwise? Surely the world needs Him now as never before and we individuals are the world. If we lack courage, we have the assurance that we can do all things through Christ who strengtheneth us.

Faithfully yours,

THOMAS PARKER,

Rector.

ADEQUATE SUPPORT FOR THE CHURCH

By the Rt. Rev. Harwood Sturtevant, D.D.
Bishop of Fond du Lac

(From the Episcopal Church Evangelist)

There is no reason for the constant struggle of the Church to win an adequate financial support from its membership except the failure of the membership to appreciate their inheritance and to evaluate their Church. We have a priceless heritage of faith, tradition, beauty, and achievement.

These and many other features of our Church life are dear to the hearts of

Churchmen everywhere. Enthusiasm for the gifts received would be a positive means of stimulating our own loyalty and of winning other men to examine and accept the Church's way of life. Lukewarmness convinces no one, not even ourselves!

The continuance of the Church today on a high level of efficiency rests upon an answer in the hearts and minds of men to the question, "What is the Church for?" A reason for the faith that is in us is the first essential of a successful canvass for the budgets of Parish, Diocese, and general Church. Cold, unbelieving, uninspired canvassers had better stay at home, and be canvassed themselves by convinced and convincing members. "Be ready with an answer for any man that asketh, 'What is the Church for?'" "Teacher of truth," "Guide of morals," "Director of worship," "Dispenser of Grace," these and other reasons learned in confirmation classes must have modern elaboration and application.

The Church supplies our temple for worship, the highest act of man. To rob life of that expression toward God would be to spoil it.

The Church supplies the key to Christian fellowship, a fellowship that must some day supplant the hateful divisions of humanity.

The Church is the only means of perpetuating the Faith, just as it is the only means of insuring Christian ideals. If the Church is permitted to be weak through any failure of support, faith and ideals must inevitably be obscured.

The Church is a leaven of Society. A weak Church tends to be leavened by Society, and this is fatal. A strong Church, generously supplied with funds, men, and love can lift Society off of its skids and place it firmly on an elevator.

The Church is needed for the training of our children, and ours is a blood-guiltiness when we deprive any of God's children of Christian educational processes or allow those processes to become ineffective.

These, and other answers to the question, "What is the Church for?" must leap from our hearts to our lips. They create a sufficient urge for asking all members to pledge a sacrificial share of income toward 1941 budgets. Let us value our inheritance, and lift the Church of our love to a plane of increasing returns and assured victory.

OFFICE OF THE PRESIDING BISHOP

My dear Friend:

Through the courtesy of the Rector and Vestry of your Parish, I am privileged to write you this letter. It will reach

you at a critical time in the life of our Church and the world.

These days demand men and women of brave hearts and staunch faith in God and the living Christ. Hold fast, therefore, to your faith if you would have peace of mind and body.

The surest way to keep your faith is through active participation in the Church. It is the one divine spark which remains in this war-torn universe. I firmly believe that if our present society is to be saved, it will be by God working through His Church.

You and I, along with nearly two million others, are members of that portion of the Body of Christ represented by the Episcopal Church. We are members of a family which extends beyond our small individual communities the length and breadth of our country and to the far corners of the earth. We have many reasons to be proud that we are part of such a universal Church.

Finally, work for your Church in some capacity, however small; worship regularly wherever you may be, and give proportionately to your ability.

Through the coming days, will you remember this text: "A great door and effectual is opened unto me . . . and there are many adversaries."

Yours faithfully

H. St. George Tucker.

COURAGE AND WISDOM

O God, who hast called us to share in establishing upon earth the Kingdom of thy dear Son, help us to be true and honest witnesses of the faith which we profess. Save us from hypocrisy and unreality, from pretentiousness and cant. Make us faithful stewards of all that thou hast given us, our time and our skills, and the fruits of all our labors. Strengthen us as we go forth in thy Name to call upon our neighbors to show the glory of thy Kingdom and to talk of all thy wondrous works. Give to us courage and wisdom, patience and courtesy, and crown our efforts with a good success so that thy Church may go steadily forward in her ministries of love, through Jesus Church our Lord. Amen.

CONFIRMATION

The Rector will conduct confirmation lectures for adults on Wednesday evenings, beginning on November 13th, at 8:00 o'clock; and for boys and girls on Friday afternoons, beginning on November 15th, at 4:00 o'clock.

The Bishop of the Diocese will visit us to administer the Rite of Confirmation on Sunday evening, January 19, 1941.

Christmas Bells

★

I heard the bells on Christmas day
 Their old familiar carols play,
 And wild and sweet
 The words repeat
 Of peace on earth, good-will to men!
 And thought how, as the day had come,
 The belfries of all Christendom
 Had rolled along
 The unbroken song
 Of peace on earth, good-will to men!
 Till, ringing, singing on its way,
 The world revolved from night to day,
 A voice, a chime,
 A chant sublime
 Of peace on earth, good-will to men!
 Then from each black accursed mouth
 The cannon thundered in the South,
 And with the sound
 The carols drowned
 Of peace on earth, good-will to men!
 It was as if an earthquake rent
 The hearthstones of a continent,
 And made forlorn
 The households born
 Of peace on earth, good-will to men!
 And in despair I bowed my head;
 "There is no peace on earth," I said;
 "For hate is strong
 And mocks the song
 Of peace on earth, good-will to men!"
 Then pealed the bells more loud and deep;
 "God is not dead; nor doth He sleep!
 The Wrong shall fail,
 The Right prevail,
 With peace on earth, good-will to men!"
 Longfellow.

Dear Friends:

We are approaching the birthday of the King of Peace. It is fitting that we celebrate it with hymns of joy and praise and that we remember in earnest prayer the people of other lands whose homes have been destroyed. They must observe Christmas in their hearts alone, if they heed the holy day at all.

We have been blessed. May we show our gratitude for the good things that God has given us by sharing with others. Supplying "bundles for England" and sewing and knitting for the American Red Cross are two ways in which we may help. Can any of us doubt that it will add to the joy and peace of our Christmas if we do what we can to make more comfortable those brave people during the hard winter that is before them? And we can pray continually for peace: a peace based on the teachings of Christ whose birthday we celebrate.

The services on Christmas will be as follows: 5:50 A. M., Carol Service and Holy Communion; 10:00 A. M., Holy Communion and Sermon. It is hoped

that all of our communicants will attend one of these services to make his or her Christmas communion.

"O blessed day which givest the eternal lie

To self, and sense, and all the brute within;

Oh! come to us, amid this war of life;
 To hall and hovel come; to all who toil
 In senate, shop, or study; and to those
 Ill warned and sorely tempted,
 Come to them, blest and blessing,
 Christmas Day!

Tell them once more the tale of Bethlehem;

The kneeling shepherds, and the Babe Divine:

And keep them men indeed, fair Christmas Day!"

Charles Kingsley.

With the Season's greeting and a prayer that Christmas may bring you joy and peace, I am

Faithfully yours,

THOMAS PARKER,
 Rector.

HOW THE LAYMAN CAN HELP

By the Rev. W. S. Slack

The question is often asked: What can the individual members of a congregation do? The charge is made that the Church does not make proper use of its laymen. So we offer a few suggestions which if carried out honestly and steadily, not jerkily and spasmodically, would result in a revived Church and people:

1. I can attend my own Church regularly, and so set the example by others. "Do as I do, rather than only as I say."

2. I can give systematically of my own means to support my Church. "Give as the Lord has prospered you."

3. I can use my influence to promote the peace of the Church, and to guard its good name. It is my Church and what hurts it is sure to hurt me.

4. I can help my minister by (a) introducing strangers to him; (b) praying for him; (c) speaking well of him.

5. I can help in the Church School by taking a class and preparing the lesson, being on time, hunting the absent or missing ones, and looking out for new members.

6. I can visit the stranger, bring him to Church with me, and by introducing him to the minister and the members of the congregation make him feel that the Church is one great family.

7. I can assist by singing, or visiting, or providing a conveyance, or in some way, as I have talent or there is a need and call for it.

8. I can encourage every good work by my personal help as far as possible, and always by my good words. I can make sure first of all of what is being

done and planned before joining in criticism of efforts being put forth.

9. I can read the literature of my own Church, and thus become a well-informed person as to what my Church is, what she is doing, and knowing it be the more ready to aid in her work, as well as to be able to correct false impressions others may be laboring under regarding my Church.

10. I can give myself, put myself into her service, and therein I will find solace for my soul, and be enabled to help others.

These rules, if followed, will be found of the greatest assistance in building up any congregation.

STANDING NOTICES

Every one is welcome at all services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the office for the Visitation of the sick, which reads: "When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptism, marriages, or funerals at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

Dear Friends:

Once again I thank you for the generous Christmas offering, which amounts to \$1,518.27 to date. The size of the offering indicates that you are interested and have worked hard. It will enable us to close the year 1940 with all bills paid. This, I am sure, is a great satisfaction to us all.

We wish the parishioners and friends of St. Paul's a Happy New Year. Let us make 1941 a church-going year. If entire families attended services regularly to worship God and praise Him in His House, what a tremendous influence for good a church would be in its community! Bishop Taitt will visit St. Paul's on Sunday evening, January 19th, at 8:00 o'clock, to administer the rite of Confirmation. We bespeak for him a large congregation.

Our Annual Parish Meeting will be held on Saturday evening, January 25th. The meeting will be preceded by the usual Parish Dinner, to which all members of the parish are invited to be guests of the Vestry. At the meeting all organizations of the church will report on their activities during the past year. This is an interesting and important gathering. Do not fail to be present.

Again wishing you all a Happy and Blessed New Year, I am

Faithfully yours,
THOMAS PARKER,
Rector.

Dear Friends:

At the special service on the evening of January 19th, Bishop Taitt confirmed the following: Louis Cetrullio, Mary M. Long, Florence M. Michael, William B. Michael, John Peterson, Harry E. Rayer, Grace M. Rose and Jane Rose. We welcome them into the fellowship of Christ's Church.

The Bishop's appeal for \$30,000 from the Diocese of Pennsylvania, to aid British Missions, struck a responsive chord in a number of members of St. Paul's and I am happy to report that \$67.26 was contributed. The names of those who gave will be forwarded to the Presiding Bishop, as requested. In view of present conditions in the world, it is more important than ever that missionary efforts be not only continued, but greatly increased.

Captain J. Randall Skillen is now at Camp Shelby, Mississippi, in training for a period of one year. We miss him very much. He has given his services willingly and happily to St. Paul's. His interests were varied: Vestry, Choir and Church School. He has known no other church than St. Paul's and was able to give understanding help. He was eager to have our church meet the needs of our community. We are looking forward to his return.

While our men are away for military training, let us at home train extensively to defend our lives from false choices. Faithful attendance of services in God's House should be looked upon as a privilege and an obligation. Let us pledge

ourselves to attend the services of Lent and to enlist our friends to come with us to worship and praise Him. Ash Wednesday will be February 26th, with services as follows:

Holy Communion..... 7:30 A. M.
Holy Communion..... 10:00 A. M.
Evening Prayer and Sermon.. 8:00 P. M.

The Rev. Frederick W. Blatz, Rector of St. Peter's Church, will be our guest preacher. I know that you will all want to welcome him back to his old parish.

Faithfully yours,

THOMAS PARKER,
Rector.

MINUTES OF THE ANNUAL PARISH MEETING January 25, 1941

After an enjoyable dinner prepared by the Dorcas Society and attractively served by the Junior Girls' Organization the Parish Meeting was opened at 8 P. M. by the Rector, the Rev. Thomas Parker. Seventy persons were present and the Minutes of the 1940 Annual Meeting were read and approved. The Rector spoke of the opportunity that is St. Paul's: to invite the large number of persons newly resident in South Philadelphia to make this congregation their church home, and to make full use of the facilities of our Parish Building. Reference was made to plans, now in a formative stage, of

the Convocation and General Church to strengthen the parish church.

Mr. Parker spoke with feeling of the loss to him of the advice and work of the Rector's Warden, Dr. Skillen, during his tour of duty with the Army of the United States, and hoped that his absence would be of short duration.

The Accounting Warden presented his report for the year of 1940 as follows:

ALTAR GUILD

The Altar Guild has tried to keep our Altar clean and beautiful during the year 1940.

Our former directress, Mrs. Harry Hazzard, has made some very beautiful new linens which glorify our Altar. Our many thanks to her.

The Altar Guild is in need of many things, such as new vases that will not crush our flowers, new candlelabra, new bible markers new stoles, etc. Anyone wishing to give a memorial of this kind may see the Rector or any member of the Altar Guild to discuss what they might like to give and prices for same. We also have open Sundays for flower memorials.

We have appointed two new active members, Mrs. Harry Krauss and Miss

Dorothy Williams whom we heartily welcome.

The year 1940 has been a happy one for the Altar Guild. We are very proud to say that the members of St. Paul's have contributed to our Altar Fund through the envelopes and at Easter and Christmas so generously that we have not had to have any outside activities.

(Mrs.) L. MAY EDKINS,

Secretary.

REPORT OF THE WORK OF THE DORCAS SOCIETY For the Year 1940

The Dorcas Society has had a very busy and successful year under the efficient leadership of our President, Mrs. McComb.

During 1940 we have been able to turn over to the Accounting Warden for Church expenses the sum of \$1808.73.

We have made donations to many worthy objects, including repairing of sewing machines for Red Cross work, The Elizabeth Price Martin League and the Episcopal Hospital. We have purchased Cards and Bingo games for the Card Parties. We have had the kitchen cleaned and we have sent out Thanksgiving and Christmas baskets to the needy of the Parish.

We send flowers and cards and pay visits to those of our members who are ill. We also send sprays for those of our members who have passed away; and help in other ways too numerous to mention.

To raise the money for this work, we have engaged in a number of activities, including suppers, luncheons and card parties. We have Dollar Clubs, Blanket Clubs and 10-cent Clubs. We have also had a Stocking Club.

We have taken trips to various places of interest. We have received dues, collections and donations. We have held cooking demonstrations, brush demonstrations and two rummage sales, and we have had motion pictures.

The members have sold vanilla, dish-cloths, face cloths, wax paper, fancy baskets, tea balls, Jello, candy, Flakorn, magazines, stationery and other useful articles.

From all sources we have realized the sum of \$2021.16 and have expended the sum of \$2008.28.

HARRIET J. SKILLEN, Secretary.

CHURCH SCHOOL REPORT FOR 1940

During the year 1940 from January 1st to December 31st the Church School engaged in the following activities:

There were two soup sales the proceeds of which went to the general treasury.

In order to raise money for an Easter offering members of the Church School sold candy, wooden crosses and costume jewelry. Mrs. R. C. Johnson's class had a sour kraut dinner. Most of the boys and girls contributed generous personal offerings through the Mite Boxes. Altogether the Church School Easter Offering amounted to \$143.39.

The annual Church School picnic was held at Harper's Meadow in Germantown in June. The expenses of the outing were met by the proceeds from a card party given in the parish house for that purpose, contributions from non-members and the Church School treasury.

The Church School Hallowe'en party was a great success. It was well attended. We had games, prizes, and refreshments.

At Thanksgiving the Church School members brought food for the baskets which were distributed to the poor of the parish.

Thanks to the interest of our superintendent, Dr. Skillen, and the work of our sexton, Mr. Voss, a splendid Altar forms a lovely back ground for the Church School Choir. These boys and girls have made a great deal of progress under their hard-working, talented director, Mr. LaRue Scott.

Miss Ethel Tucker, of the Church School faculty, arranges our Altar each Sunday.

Our Christmas Offering was earned through the co-operation of the members of the parish and their friends who so generously supported us at the Daily News Cooking School, our Chow Mein luncheon and a card party. Mrs. Bruce Edkins, of the Primary Dept., sold mints. The offering amounted to \$65.00.

On Friday, December 27th, in the afternoon, a Christmas party was held for the members of the Church School at which time candy was distributed to each member.

The members of the Church School, assisted by the Church and Church School Choirs, presented a pageant in the Church on the evening of December 29th, entitled "Why the Chimes Rang", directed by Mrs. Harry E. Krauss, Jr.

We have been experimenting with a new series of lessons this year, called "The Christian Living Series." Our boys and girls seem to enjoy the new type of lessons. We hope that we are leading our pupils in the way of becoming earnest communicants of our parish.

Respectfully submitted,

BETTY MCCOOK.

ELECTION OF VESTRYMEN

At the reorganization meeting of the Vestry, held directly following the Parish Meeting, the report of the tellers was received and the following persons de-

Phila. Church League. These games will be played on March 10th, 11th and 13th, at the College of Pharmacy. We have the outstanding team in South Philadelphia and as such it deserves the support of every basketball enthusiast.

"I MET GOD IN THE MORNING"

I met God in the morning

When the day was at its best,
And His presence came like sunrise
Like a glory in my breast.

All day long His presence lingered,

All day long He stayed with me,
And we sailed in perfect calmness
On every troubled sea.

Other ships were blown and battered,
Other ships were sore distressed,
And the wind that seemed to blow them
Brought to us both peace and rest.

Then I thought of other mornings,
With a deep remorse of mine,
When I, too, had loosed the moorings
With His presence left behind.

So I think I know the secret,
Learned by many a troubled way,
I must meet God in the morning
If I want Him through the day.

Dear Friends:

During Lent we are given the oppor-
tunity to gather frequently in God's
House for prayer and worship. I hope
that we are all going to make the most
of this opportunity. It is a time to take
stock of spiritual things.

Some of us may be surprised to realize
how little value we have been to the
Church of Christ. No one can make us
ready for service: preparation takes place
within us. A real spiritual awakening
will bring joy to our hearts and com-
fort to our souls.

It is during this season that the chil-
dren of our Church School are repeated-
ly reminded that they can be useful to
others through small self-denials, by
putting coins in their mite boxes so that
the message of Christ may be taken to
other lands. Adults may want to have a
part in spreading the Gospel among the
peoples of the world. If you are inter-
ested, will you ask for one of these
boxes?

Some of us observe Lent by reading
devotional books. In our anxiety to pro-
vide material sustenance, we sometimes
neglect things spiritual. If we will read
"FORWARD—day by day" regularly,
copies of which may be found on the
table at the rear of the church, our de-
votional life will be stimulated. If we
were all to read and think along the
lines suggested in this helpful booklet,
we would be inspired with a zeal to be

of greater usefulness in the Kingdom of
God through His Church.

Faithfully yours,
THOMAS PARKER,
Rector.

A word of explanation for the deficit—It was decided to use a much superior Course of Study in the School, which had to be purchased in its entirety complete for a full year. This purchase was made in September, to be used until June 1941. At the completion of this year the course will not have to be purchased again as the texts are used permanently. However, the course we formerly used was new each quarter of the year and was purchased in quarterly units from current funds which did not drain the treasury. Since we have paid for the new course from our 1940 receipts. Our expenditures for 1941 will be small, as we will not have to make purchases of this item during the current year. Of course this will be reflected in our 1941 report, when the decrease in expenditures will, no doubt, permit the School to again show a balance.

JUNIOR GIRLS' ORGANIZATION

I am reporting for the Junior Girls' Organization. We are a group of girls ranging from the ages of twelve to sixteen. Our President for 1940 was Ella Coleman, our Vice-President, June Linler, our Secretary, Marion Mull, and our Treasurer, Rosemary Schnorr. We feel we have such a nice group of girls that we should have more come out to join with us. WON'T you girls here tonight, and you parents who have girls around our ages help us to make our group larger?

During 1940, we did our wee bit—it possibly was just a wee bit—at least it was not as big as we would have liked and we are hopeful that in 1941 you will

hear more from us. However, we did help at Eastertime and Christmas, we had our booth at the May Fair and we filled a Basket at Thanksgiving. This year we are going to devote some time to sewing for the Red Cross. We are anxious that girls realize the seriousness of conditions all over the world and do what they can to help.

Too, we hope to have parties during the year for the girls, to go skating, and generally promote good comradeship and fun among girls of our own age.

We want to do the things you like to do, so come out and help us to help you to have fun and to be useful when we can.

Next Monday Night is election night—do try to come out all YOU MEMBERS and YOU PROSPECTIVE MEMBERS.

ELLA COLEMAN,
President.

WOMAN'S AUXILIARY

During the year we made 48 women's and children's garments and 2 hospital gowns and returned them to the Supply Bureau at the Church House. We gave \$15.00 to the Foreign Committee, \$5.00 towards the Parish Dinner, \$25.00 as Easter Offering, \$2.74 for wool for 2 sweaters and \$25.00 for Christmas Offering to our Church; also, \$30.15 in the Blue Boxes for Missionary Work.

ALICE GIBSON,
Secretary.

AMERICAN RED CROSS

A unit of the American Red Cross was organized at St. Paul's on June 10, 1940, with ten persons present. We have a small but faithful group who meet on Thursdays from 1:00 to 4:00 o'clock to sew, and quite a large number of workers who sew or knit at home. We have returned 404 finished garments to the Red Cross Headquarters.

The American Red Cross makes continued appeal for workers and we would like those who are interested to join our group.

Directress.

A PRAYER

God, I pray to Thee for patience when the world seems all unfair,

When life seems one long injustice, and the end alone despair;

When I'm weary, oh, so weary! and my tears bring no relief!

When I question why Thou sendest to humanity such grief;

Grant me faith as well as patience, and forgive me when I pray

For some knowledge of the reasons why we suffer day by day.

Give me strength to keep on working, cheerfully to do my task;

Give me courage, hope, submission; perfect joy I cannot ask.

Teach me how to give to others something helpful, something true;

How to make my life worth living, how to start each day anew.

God in heaven, forgive my failures, and uphold me with Thy hand;

I am weak, impatient, restless, and I cannot understand.

I can only hope, believing there are reasons now unknown.

Which sometime, somewhere, we'll master, as we reap what we have sown.

God, once more I come imploring Thee with strength to fill my heart;

I have failed; wilt Thou forgive me, and Thy love to me impart?

— Sylvia Chapin.

CHARACTER

“The first thing a young man needs to learn is that his greatest asset in life is character. Money, position, or intellectual power is of little value in comparison. As Horace Mann said, ‘Fame is vapor; popularity an accident; riches take wings; those who cheer today will curse tomorrow; only one thing endures—CHARACTER.’ Character is the distinguishing feature of a human being. In God's sight men are what they are in their thoughts and ideals. Character decides the question of one's usefulness and happiness in this life, and determines his eternal destiny.”

Dear Friends:

We are approaching Easter when the whole Christian Church will again commemorate the glorious resurrection of our Lord. The churches will ring with the singing of hymns of joy and praise. Christ is risen! He is risen indeed! Our Master has won the victory over death! He has made it possible for us to have eternal life. No other religion holds out this promise to its believers. We are to join the great numbers of saints who have gone before us and there to live with Jesus in His eternal home.

Easter should make us realize the nearness of this relationship to Christ. He is our Father to Whom we turn now in prayer and with Whom we shall dwell in the life to come.

At Easter more than ever our thoughts are of our loved ones in Our Father's House. It is a fitting thing to have a memorial to them in His earthly home, the Church. Perhaps some of you have been considering this matter. If you have and will speak to me about it, I shall be glad to talk it over with you and make suggestions. I know of no better way to keep green our memory of and love for them.

The Presiding Bishop has started his ten year program in our Church. Go forward in Service is the key word. Easter is a good time to rededicate our lives to the Lord; to renew our baptismal and confirmation vows. It reawakens old interests. It brings back old memories. It

stimulates in us a desire to do something worth while. We need to “Go Forward In Service” for the Lord, to make this world a better world. Let us examine ourselves; take inventory of our abilities and see how much we can help in this great cause of spreading Christ's Kingdom. In the Forward—day by day—we read:

“You have it in your heart to pray, ‘Lord, revive Thy Church.’ Such prayer is surely ‘In His Name.’ And He has promised to answer prayer made in His Name.

The answer comes right back to you and me as a command to obey: ‘Go!’

GO to your Bible daily to learn God's will. If you and I leave it to someone else we are letting God down.

GO to Church regularly. God is not reviving His Church through Sunday chores, Sunday newspapers, Sunday sport.

GO with a purpose: To offer yourself. Never mind if the congregation seems unawakened. Be awake yourself and trust God.

GO with a new spirit. If you have not that spirit, go and ask for it. In that spirit, see the Church with new eyes. Your fellow members are a kinship more sacred even than your blood relatives. Treat them that way.

GO along with the Church's appointed work with all your body, soul, mind and powers.

GO, find, and bring someone into Church.

GO out from Church on the errand
Christ gives you. GO Forward in Service."

Faithfully yours,
THOMAS PARKER,
Rector.

FLOWERS FOR EASTER

If you have not already contributed toward the Easter decorations we hope that you will not fail to do so. A plate has been placed on the table at the rear of the Church for this purpose. If you prefer to buy the flowers yourself, please see that they are delivered before 2:00 o'clock Saturday afternoon.

WOMAN'S AUXILIARY

At a recent meeting Miss Buckley, of the Church House, gave an interesting talk on missions, covering the five departments of work in which the Diocesan Auxiliary is particularly interested. Miss Buckley showed sketches that typified her word pictures. She displayed articles made by the people of various missions, which were for sale.

Accidents and illness have cut the attendance at Auxiliary meetings the past several weeks, but we hope that now that beautiful spring weather is here, more of the women of the Parish will come out. Mrs. Doughty, with a reduced corps of helpers, served a delicious luncheon on February 27th.

On April 22nd there will be a Card and Game Party in the Parish House. Please reserve the date.

ALICE GIBSON, Secretary.

DORCAS SOCIETY

The Dorcas Society wishes to thank its friends for their co-operation, which enables us to give a generous sum toward the Easter Offering. The groups, into which the membership has been divided, have worked hard and their efforts have met with much success.

The Dollar Club will have a drawing at L. Gram & Sons, 1242 S. 17th Street, on Thursday evening, April 3rd. The names of the fortunate ones will appear in the next issue of The Chronicle. A new club will start immediately after Easter.

The Blanket Club ended last Monday evening and a new one will be started shortly.

Other activities will be announced after Easter.

HARRIET J. SKILLEN, Secretary.

AMERICAN RED CROSS

St. Paul's Unit of the American Red Cross meets on Thursday afternoons, from 1:00 to 4:00 o'clock.

Frequent communications are received from Headquarters. A recent one advises:

"As you may know, the Southeastern Pennsylvania Chapter of the American Red Cross is the largest Chapter in the world. Of this we are all extremely proud. Great things have been done by our volunteers in all the services of the Red Cross. The Production Department has a fine record and we are anxious to achieve even greater heights during the coming year, and we will accomplish this end with your continued co-operation."

We shall have quite a large number of sweaters, women's and girls' skirts, layette garments and accessories to return this week.

Our group would welcome more workers, either to meet with us on Thursdays to sew, or to do sewing or knitting at home.

LOUISE S. PARKER, Chairman.

A GIFT

The Rector and the Altar Guild of St. Paul's are very grateful to a friend for the gift of a beautiful fair linen altar cloth, with six finely embroidered crosses on it, that was blessed by the Rector and used for the first time on Sunday, March 30th.

GIRLS' FRIENDLY SOCIETY

The Girls' Friendly Society meets every Thursday evening at 8:00 o'clock. The girls attended a corporate communion on Sunday, March 23rd. We wish that more of the young ladies of the Church would take advantage of this splendid training. Please see Miss Helen Kiesel on Thursday evenings.

ATTENTION! WOMEN

Housecleaning time is at hand and the Dorcas Society would like you to keep it in mind when you go through your attic

treasures. The Society plans to hold a Rummage Sale soon and would be glad to have usable articles of clothing, furniture and bric-a-brac that you are ready to part with. A sale of this kind serves a two-fold purpose: It helps you to dispose of, with a clear conscience, an accumulation of things that you have no further use for and, at the same time, it enables this group of energetic women to add a tidy sum to its treasury.

SPECIAL

When you place your special Easter Offering on the plate, will you see that your name or number is on the envelope? It will enable us to ascertain the number present and the Accounting Warden will know who gave the offerings.

OLD GOLD

It has been suggested that we appeal to our parishioners and friends for their old gold. You may have in your homes old bracelets, eyeglass rims, chains, etc., that you would like to give. We can have the gold melted and the money derived from the sale of it will be used to help our church. It is a splendid idea that has worked out successfully in other churches and organizations. I hope that you will agree with the plan and work hard for it.

1940-1941 CHAMPIONS

The basketball team of St. Paul's won the 1940-1941 South Philadelphia Protestant League Championship on March 20th. The team was presented a beautiful trophy donated by Mr. William J. Morrow, Chief Deputy Sheriff of Philadelphia. We congratulate the boys and deeply regret that their coach, Mr. Warren Jordan, was unable to see his team win on account of illness. We trust that he will soon be restored to good health. The team will try to duplicate its success in the Protestant Tournament, beginning on Monday, April 7th. We have a good team and we can see no reason why it should not annex this championship, too.

THE BIBLE

When the Bible is made the guide and counselor, it exerts an ennobling influence upon the mind. Its study more than any other will refine and elevate. It will enlarge the mind of the candid student, endowing it with new impulses and fresh vigor. It will give greater efficiency to the faculties by bringing them in contact with grand, far-reaching truths. If the mind becomes dwarfed and inefficient, it is because it is left to deal with commonplace subjects only. Let the Bible be re-

We would like to thank our many friends who make these clubs possible. Our Dorcas was happy to be able to give the check of \$155.78, realized through the club, as part of its Easter offering.

A new club is forming and we need a few members to reach our quota. The proceeds will be given for summer expenses. See any member if you are interested in helping to reach our goal.

PROMISES

by the

Rt. Rev. W. Appleton Lawrence, D. D.

Bishop of Western Massachusetts

It is disconcerting and disappointing to see the way in which so-called responsible governments break their pledges. Unfortunately the spirit is contagious. The integrity of individuals seems also to have disintegrated in this last generation.

There is One, however, Whose word is still good; One who said, "Heaven and earth shall pass away, but my words shall not pass away." His words come ringing down to us through the centuries. "I am the resurrection and the life. He that believeth in Me, though he were dead, yet shall he live; and whosoever liveth and believeth in Me shall never die." "Be of good cheer, I have overcome the world." These, and many other promises which He made, are still good.

What about our promises to Him—the promises that were made in Baptism; the promises that many of us confirmed at Confirmation? Are these to be disregarded and discarded? It is well that we, as Christians, when we become critical of nations and peoples who break their word, should look into our own lives and see if we have kept our word.

Dear Friends:

Since our latest Chronicle was published, we have lost the oldest member of our Vestry and one of the most faithful. Mr. Robert J. Skillen entered into eternal rest on April 3rd and was buried from the Church on April 8th. We greatly miss the friendly greetings of this beloved member at the services of our Church.

We had a fine Easter at St. Paul's. The combined choir gave us its best and the music was very beautiful. The congregations were good and the offerings generous. The amount to date is \$1260.85.

The Church School's Easter Offering for Missions was a generous one also. The amount thus far is \$159.00, with mite boxes still coming in. Will those who have not given their offerings to Church or Church School kindly do so as soon as possible?

The Vestry is again asking the families of the Church to place coins in envelopes to express their thanks to God for the many blessings they are enjoying daily. The money will be received each month and placed in the Roof Fund. The plan is to continue for six months. This is an excellent way to help a worthy object. I know of a Church that raises a thousand dollars a year by this method. I am sure that St. Paul's can do as well, if it has your full co-operation in this endeavor.

The Dorcas Society has purchased a new range for our kitchen. It is one of the finest. It was very much needed and will serve the parish for many years to

come. We are grateful to these women for their untiring efforts. They are planning many things for the benefit of our Church. Let us encourage them in their good work by supporting them in their activities.

Mr. D. C. Montgomery is Chairman of our Parish "Forward in Service" program, the plan of the Presiding Bishop. When the messengers call to see you, will you help them by giving the information asked for so that we may have a complete roll call?

Spring is here and nature has donned her most beautiful vestments. The great outdoors is very attractive, but I am sure God's handiwork will look even more lovely to us these glorious Sundays if we worship Him in His House first. There will be something missing each time we fail to attend Divine service. Keep in touch with God through His Church.

Faithfully yours,

THOMAS PARKER,

Rector.

A RESOLUTION OF THE VESTRY

Adopted April 23, 1941

WHEREAS, It has pleased Almighty God in His infinite wisdom to bring under His benevolent Hand the soul of Robert J. Skillen, a most beloved communicant of the Memorial Church of St. Paul, therefore,

BE IT RESOLVED, That the Vestry set forth in remembrance his zealous toil

for the continuance of God's work in this neighborhood. He was loved by all, and numbered among his friends many who received their early Christian training in one of the groups under his guidance. Mr. Skillen's interest in St. Paul's was continuous from the Church's early days as a mission. He served on the Vestry since 1916, being senior in length of service, and carried the duties of Secretary for several years. Of late years, he was deputy to the Diocesan Convention.

BE IT RESOLVED, That the Vestry expresses its profound sadness at the passing of Robert J. Skillen from our midst, and offers condolence to the bereaved family, knowing that his kin may rejoice in the fact that the influence of his labor will endure in the lives of parishioners, and his friendship be perpetuated in the memory of those who knew him.

BE IT FURTHER RESOLVED, That this resolution be published in The Chronicle and a copy sent to The Church News.

CHURCH SCHOOL NOTES

The Church School, at its Easter service, gave \$159.00 to missions. This offering was made up from mite boxes, sale of Easter eggs, card party and other activities. We are grateful to Miss Margaret Tucker for her supervision of the sale of candy and Easter eggs. It was a fine job and we thank her for her efficient help. Miss Mildred Scouler and Mrs. H. Bruce Edkins are to be congratulated for having the largest offering in the School. The teachers in the primary department had a card party and sold candy for the missionary offering. We thank all who helped toward the endeavors of our Church School.

The members of the School are now planning for the annual picnic in June. They would like to make it a parish affair, with entire families enjoying a day out of doors. We are to have a card party to help defray the expenses. Will you help us to give our boys and girls a good outing by donating prizes and attending our party? Details will be announced later.

We were glad to have our Superintendent, Captain James Randall Skillen, with us several Sundays while he was attending the Medical School at Carlisle, Pa.

ELIZABETH MCCOOK,
Secretary.

FUND FOR ROOF REPAIRS

The Rector was happy to receive from Mr. and Mrs. James D. Hill and family the sum of \$25.00 for the roof fund. He makes mention of this generous gift because he feels that other families in the Church may want to make special offerings toward this fund. This is a good beginning.

MEMORIALS

On Sunday, April 27th, two beautiful vases were dedicated to the Glory of God and in loving memory of John Lindsay, the gift of his daughter and son, Helen and John Lindsay. This is a fitting way to remember loved ones who have passed on to their eternal rest. Perhaps others of our congregation are thinking of giving memorials. If they will speak to the Rector about the matter, he will be glad to make suggestions.

Dear Friends:

Sunday, June 1st, is Whitsunday. It is the birthday of the Church. It was the day on which the members of the early Church received the Holy Ghost. Christ fulfilled His promise by sending the Comforter to His disciples. These men received new power, new enthusiasm, new spirit. It was on this day that new members in large numbers were added to the Church.

We hear now and again that "now is the time for people to return to God." There is no set time or place for people to return to God. During days like these, when there is great physical hardship and mental suffering because of war, the thoughts of men return to God. They realize how much they have been neglecting Him. They must learn anew His lessons. There cannot be a day of Pentecost for us until we change our way of living. The desire for a new life must come from us. We must be in tune with the source of all power. The Church represents the power house. We are lines leading from the Church, bringing good news to the community. If the lines are disconnected no power is being generated to give light to our little world. The community in which we live is in darkness. The "trouble shooters" are set to work to find the break and to repair it and set the power in motion.

Perhaps we are the bad connections. We must find the reason that power doesn't generate through us. Our sins are holding us back and we are obstacles interfering with the work of God. We can overcome the difficulty only by changing our way of living. When we receive the Holy Ghost in our hearts, there will be no limit to the power that will flow through our lives to build up the Kingdom of God. May we celebrate the birthday of the Church by renewing our baptismal and confirmation vows, by living the Christian life.

Seventeen years ago, on June 15th, your Rector, with other young men, was ordained to the Sacred Ministry in the Church of The Holy Apostles. It was the greatest day in his life when the Bishop laid his hands upon his head and said "Take thou authority to execute the office of a Deacon in the Church of God committed unto thee, in the name of the Father, and of the Son, and of the Holy Ghost, Amen." I asked the prayers of the congregation that God might give me wisdom and strength and power to minister to His people by being a true pastor to His flock. This prayer continues in my heart.

With every good wish, I am

Faithfully yours,

THOMAS PARKER,
Rector.

ST. PAUL'S BABY CLINIC DID YOU KNOW? —

1. For many years we have had a Baby Clinic in the Church every Monday afternoon at 1 P. M. where babies are weighed and measured and health talks are given by a trained pediatric nurse sent by the Department of Public Health?

2. That this health clinic once well attended has dwindled to almost nothing?

3. That there is still a great need for health work of all kinds as evidenced by the appalling number of men rejected by the army?

4. That health lost in infancy and childhood is not regained in manhood?

5. That health work is not charity? It is our first line of defense. It is entirely educational.

6. That if you have a baby in your house you will find it worth while to bring him?

7. That if you send your friends and neighbors with their babies they will find it very helpful?

8. That everyone is welcome to visit the health clinic to see what we are doing and make suggestions to help its growth?

THE TIME—Is every Monday 1 to 3 P. M.

THE PLACE—St. Paul's Church—side entrance 15th Street.

CHURCH ROOF FUND NEWS

Dear Mr. Parker:

Enclosed find check for \$25.00 for the roof fund. I received an inspiration when I saw Mr. and Mrs. Hills' donation in the Chronicle. I trust that it will inspire more people. I hope and pray that you will reach your goal and that we shall soon have a new roof.

Sincerely,

Laura Henzler.

Others who have followed the gleam are Mrs. Oscar Gamber, card party proceeds, \$30.00; Mrs. Mary Ringwalt, \$15.00; Mrs. Anna Baumann, \$10.00; Lt. Col. George E. Hobson, \$25.00; Mr. and Mrs. William Gibson, \$25.00; Rev. and Mrs. Thomas Parker, \$25.00.

It is gratifying to have these special offerings come in. I have listed them solely for the purpose of showing what may come from an inspiration. These gifts, I trust, are above that which you are giving through the monthly special roof fund envelopes which are now due. The June envelopes will be distributed. I hope that you will welcome those who are giving generously of their time in the interest of our Church. Receipts will

be given for the funds returned. I hope that you have been as generous as possible. More people are working now and more will want to do their share to support this worthy cause. If all of use get behind this project, it will not be a burden to any. It will be a joy to us to feel that we have had a part in keeping our edifice a fit place in which to worship and serve God.

The Parish June Fete will be held on Wednesday, June 18th. There will be the usual booths for selling fancy goods, candies, cakes, ice cream, five and ten cent articles, fortune telling, beauty cosmetics and, of course, a delicious dinner cooked by our Dorcas Society. The proceeds of this Fete also will go toward the Roof Fund. Here is another opportunity for you to help.

CHURCH SCHOOL NEWS

The Annual Parish Picnic, sponsored by the Church School, will be held at Penn Valley Park, in Trevoze, on Saturday, June 7th. Buses will leave 15th and Porter Streets at 9:30 A. M. There will be a charge of 25 cents for non-member children and 50 cents for non-member adults. The committee has planned games and refreshments for all. Come and enjoy this picnic which was made possible by our members and friends who made our card party such a success.

We are sorry to say that there will be another vacancy in our staff due to the transfer of our treasurer and teacher, Mr. Harry Krauss, Jr., to Burlington, Iowa.

Church School will close for the summer on June 8th and will be resumed on September 14th.

Dear Friends:

Summer has passed and with it, vacation time. I hope that it has been a happy time for you.

Fall is here and with it come the activities of our church year. Things point to busy times ahead. To a rector, the most important part of church life is church attendance. If we are to grow in grace and daily increase in His Holy Spirit we must live close to Him and worship and serve Him in the manner that He has bidden us to do.

We are to follow the plan of the Presiding Bishop, in putting into practice the Forward in Service Program. This means work for us. Any good plan entails work and sacrifice, but we know that if a thing is worth doing, it is worth doing well. Surely we believe that soul-saving is worthy of our best efforts. It is the business of the Church to bring men to a knowledge of Our Master. As confirmed members of the Church, we are commissioned to lead others to a knowledge and love of God. Just as we were brought to the baptismal font to be made members of Christ, children of God and inheritors of the Kingdom of God, so ought we to strive to bring others to receive these privileges. A duty at hand is to attend church regularly, to encourage members of our families to do so and to invite children to our Church School and older folk to church services. If we would do this eagerly, it would not be long before our community would be church conscious. There would be a better attitude toward our fellowmen. It

would break down prejudices and banish hate. It can be done. It will be done, if each one of us will make continued efforts to serve Him according to our abilities and opportunities.

A friendly smile helps much in these times of unrest. A friendly Church makes known the purpose for which Christ came to the world.

May we rally to His cause and carry the banner of Christ forward to triumph over the world, the flesh and the devil!

Faithfully yours,

THOMAS PARKER,

Rector.

REDEDICATION SUNDAY — OCT. 5th

FORWARD IN SERVICE. These three words are given us by the Presiding Bishop and about them will be built a program of promoting all aspects of the life and work of the Church. First, we need the spiritual strength to go forward. Then we must make full use of the talents possessed by each one of us. These talents used collectively for the Bishop's program are an unlimited source of power.

In the near future the Church will send forth messengers to your homes. They will ask your renewed allegiance to Christ and His Church and your enrollment in the Bishop's Program. At the same time they will obtain information which will be helpful to us in estimating our parish resources. These resources are the things in which you are interested.

On October 5th at 11 a. m., a service of rededication to our Christian vows

will be held. After the service all are asked to enter the Parish House for lunch and a discussion of "St. Paul's Church and the Bishop's Program." All parish families are urged to bring a box lunch with them to this service. Tables will be set in the Parish House and coffee provided.

This program is country-wide. Let us make it parish-wide by our attendance on October 5th.

A PROGRESS REPORT

With the Roof Fund past the half-way mark the Vestry, early in August, entered into an agreement with John McCallion for repairs to cost \$1350. The roofer now has his materials stored in our building and will begin work shortly. The pointing of the chimneys has also been arranged with David Maas, builder. Some repairs to the wood sheathing, on which the roofing is laid, can also be anticipated. Painting of cornices will be deferred for several months. Altogether, we expect these repairs to cost over \$1500.

In making this commitment your Rector and Vestry knew that they would have the liberal giving through the Roof Fund envelopes. The October envelope for this fund will soon be distributed. A balance of some \$700 remains to be raised. As the canvassers call at your home for the September envelopes, remember that they have made a contribution of much of their time to this work during the summer. We are grateful for their help. They will feel well repaid for their aid if you will liberally give of your substance in these last two envelopes.

Dear Friends:

During November there will be a number of things that will require our attention, as members of the Church.

The annual Every Member Canvass will take place in every Parish of the entire Church, between November 9th and 23rd. It is the time to make our budget, which will enable us to know what we can do in 1942.

Do you know that during 1941 a Baby Clinic has been held in our Parish House every Monday afternoon, under the supervision of a City Nurse? Many mothers bring their children here to receive instruction in the proper care of them. This is a needful work and we are proud to have a part in it.

The Dorcas Society meets in the Parish House on Monday evenings from September to July, to plan activities for its members to help in the support of the Church. This is a very active organization and we owe a debt of gratitude to these untiring workers. During the past year they have turned over the sum of \$2000.00 to the Accounting Warden for church expenses, roof fund and insurance.

The Girls' Friendly Society also meets on Monday evenings. The girls have been taught how to cook and are now learning to sew. This group, though small, constitutes a faithful band that is willing to do what it can to further the mission of the Church in our neighborhood.

Also on Monday evenings, a group of young men and women come to the Parish House for relaxation. They have

a good time bowling. It is important for us to take time out of our busy lives for play. It helps us to keep fit for the serious duties of life.

Every Tuesday, between 1:00 and 4:00 P. M., Red Cross workers meet in the Parish House. These women are helping to meet a great need. They are making clothing of various kinds for suffering humanity in our war-torn world. Our unit also serves as a supply center for women who knit or sew in their homes. Upon completion of the garments they are returned to Red Cross Headquarters for distribution.

A group of men meets every Tuesday evening for friendly chat and recreation. They bowl, play darts, etc., and have a happy, healthy time generally.

Wednesday evening of each week is our social night, when one group or another holds parties for the support of the Church. These parties are well attended by our members and friends of other churches in our section. They afford us opportunity to chat with friends, to play our favorite game, to enjoy refreshments and take home a prize.

The Choir meets on Thursday evenings to rehearse for our Sunday services. This is a faithful organization that gives willingly of its time and talents in order that we may have excellent music. We consider our choir one of the finest in the city.

Some of the newer members of the choir meet early Thursday evenings for dancing, singing and recording. They have purchased a Radio-Victrola and they not only have good times together,

FORWARD-IN-SERVICE MEETING SPECIAL SPEAKER

Following the 11:00 A. M. service on November 9th a box luncheon will be held in the Parish House. Coffee will be served. At the conclusion of the luncheon, the Very Rev. Frank Bonyngue, Dean of the Convocation of South Philadelphia, will speak to us on "Youth and the FORWARD-IN-SERVICE Program". The Dean is taking time out of a busy Sunday to bring us a profitable message. His talk is particularly timely. It comes at a time when a new field of opportunity in Christ's Kingdom beckons St. Paul's, with the opening of Passyunk Homes. Let every one set aside this time to honor our Dean and be instructed by his message.

but they volunteer their services to help the Church to do various jobs. Some of these young girls are organizing a group to meet on Tuesday afternoons to do useful things for others, such as making scrap-books for children's wards in hospitals.

Also, there are plans under way for an a capella choir. This group will meet Tuesday evenings.

Friday evening of each week is devoted to Basketball. St. Paul's for years has been noted for having fine basketball teams. Last year our team won the championship in the South Philadelphia Protestant Church League. The boys hope to repeat their success this year and go on to higher glory.

The Vestry, the men behind the scenes, give their time, energy and thought to direct the work of the Parish. They give many hours of service to the Church. They are faithful to their responsibilities, but they cannot make bricks without straw.

I have gone into some detail to tell what your Church is doing and how your Parish House is being used.

The Sunday services of the Church are Holy Communion at 8:00 A. M. every Sunday and Morning Prayer and Sermon at 11:00 o'clock each Sunday and Holy Communion on the First Sunday of the month at 11:00 A. M. These services are not only for our own Parish, but also for others of the neighborhood who do not have church homes. There are many newcomers in our section of the city just now. Invite them to attend our services.

The Church School meets every Sunday at 9:30 A. M. We have faithful and efficient teachers who are endeavoring to teach the children the ways of Christ. Send your children for instruction and help to interest others to come. If they do not have this training now, when they are at the right age for it, future preparation can never quite make up for this lack. It is the things that we learn in our early and impressionable years that remain with us. Do you not want your children to know about Christ, to love Him and to serve Him?

To maintain our buildings so that these activities may go on without interruption or handicap, it is necessary for ALL of us to give systematically in our envelopes. The amount that we give should be in proper proportion to our income. Someone has figured that if each of us would give 4% of our income, it would be a fair rate. If every one of us would do so, we would be able to pay our bills in full on the first of each month. Do not forget the red side of your envelopes. This is important too. We can hope to prosper in our Church life only if we are mindful of the needs of others.

We are constantly reminded that the cost of living has increased. As it affects you as individuals and families, so also does it affect the Church. Will you not do your part to keep your Church alive and active by supporting it to the best of your ability?

Cordially yours,
THOMAS PARKER,
Rector.

ST. PAUL'S — YOUR CHURCH

ON EARTH . . . GOOD WILL

A Message for Christmas, 1941

By H. St. George Tucker
Presiding Bishop

On Christmas Day we celebrate God's answer to man's age-long prayer for help. Religion arises from a sense of insecurity and inadequacy. Man recognized his dire need of aid in the struggle to defend himself against the hostile powers, both natural and, at least in the earlier stages, supernatural, which threatened his welfare. He learned also from experience the inadequacy of his own capacities and resources for the satisfaction of his desires and the attainment of his purposes.

Looking back over the centuries we can find ample cause for gratitude in the blessings which we owe to Him who was born in Bethlehem.

What about God's answer to our prayers for blessing to enable us to meet our present problems? Are we not frequently as disconcerted at God's way of answering our pleadings as were those who rejected with scorn Christ's claim to be the long-desired and expected deliverer?

There is one blessing which perhaps all people will unite in asking God to bestow on this Christmas — a just and durable peace. A prayer for peace at Christmas seems peculiarly appropriate, for the angelic hosts heralded the birth of the Saviour by proclaiming, "Glory to God in the highest, on earth peace, good will toward men."

Are we justified in hoping that God will answer such a prayer? The song of the angels suggests the condition upon which alone we can expect such a hope to be realized. Their promise was peace on earth to men of good will. Where good will is lacking even God cannot establish a just and durable peace.

We know by sad experience that our own attempts to secure peace by force or by negotiations have proved a failure. The reason for this is not that the force used has been inadequate, nor even that the negotiators were not wise enough to work out proper peace terms. Is not the real cause of the failure of such attempts the lack of that spirit of peace which the angels call good will?

If we ask God for peace, then we need not expect His answer to take the form of a grant of more power to subdue aggressors, nor of more cleverness in negotiating peace terms. What we can expect is that God will send into our hearts the spirit of Him whom we call the Prince of Peace. If we will surrender ourselves to the guidance and influence of that spirit, He will develop in us the good will which as the angelic song sug-

gests is the only basis of a just and durable peace.

Let us, therefore, approach this Christmas not only with gratitude for what God has done in the past, but with the confident expectation that if we dedicate ourselves to Him, He will qualify us to take our place among those concerning whom our Lord said, "Blessed are the peacemakers: for they shall be called the children of God."

A POET

A poet lived in Galilee,
Whose mother dearly knew him,
And his beauty, like a cooling tree,
Drew many people to him.

He loved the speech of simple men
And little children's laughter;
He came, they always came again,
He went—they followed after.

He had sweet-hearted things to say,
And He was solemn only
When people were unkind that day;
He'd stand there straight and lonely.

And tell them what they ought to do;
"Love other folk," he pleaded,
"As you love me and I love you!"
But almost no one heeded.

A poet died in Galilee.
They stared at him and slew him.
"What would they do to you and me
If we should say we knew him?"
Witter Bynner.

GIFTS

By E. S. Martin

The imperial child to whom the wise men
brought
Their gifts, and worshipped in His lowly nest,
Gave no gift back. It was Himself they sought,
And finding Him were sated in their quest.
Their gifts, not expectation, but their joy expressed.
Now was the world's long yearning satisfied!
Now was the prize long waited for possessed!
Their gifts meant love, unmarred by lust or pride.
Be it so with ours; our aim, not debts to pay,
Nor any recompense save love to win.
Nor any grosser feeling to convey
Than brought the wise men's gifts to Bethlehem's inn.
Those rare we best that no return afford
Save the pure sense of having found our Lord.

Dear Friends:

We look forward to the Christmas Season each year as a time when good cheer reigns in the hearts of Christians everywhere. Our religion is founded on the Gospel—the Good News—which He gave His disciples and it should make His faithful followers happy at all times, but Christmas offers a very special occasion for rejoicing.

There are degrees of happiness as well as degrees of sorrow. Many times we smile through tears. Life has grown complex and we are confronted with conditions that are difficult to understand. This year some of those dear to us will celebrate the Birthday of the Christ Child far from their homes. We pray that, wherever they or we may be, all may find peace in worshipping Him.

We learn, with increasing concern, that church attendance in many city and suburban churches has fallen off in recent years. We at St. Paul's have been perturbed because this is true of our own Church. Some of our young men are in the service of our Country. Some of our families and individuals have moved away. Some of our members are unable to attend because they are ill. But there are absences that cannot be explained in any of these ways. There are always the faithful few that we can depend upon to be in their places on Sunday mornings. God bless them!

Christ has promised that where two or three are gathered together in His name, there He will be in the midst of them. So come all ye faithful. Is there one

among us who does not believe that this invitation is extended to him or to her personally?

With the Greetings of the Season and a prayer that Christmas may bring you joy and peace, I am

Faithfully yours,
THOMAS PARKER,
Rector.

A SMILE

A smile is quite a funny thing;
It wrinkles up your face,
And, when it's gone, you never find
It's secret hiding-place.
But far more wonderful it is
To see what smiles can do:
You smile at one, he smiles at you,
And so one smile makes two.
He smiles at some one, since you smiled
And then that one smiles back,
And that one smiles, until in truth
You fail in keeping track.
And since a smile can do great good
By cheering hearts of care,
Let's smile and smile, and not forget
That smiles go everywhere.

Dear Friends:

We may hope that the New Year will bring us health, happiness, peace and prosperity in such measure at least as we strive to deserve these blessings. But, because our God is a merciful as well as a just God, we have the assurance that if we have faith in Him and seek to do His will, He is ready and willing to do for us even more than we can ask or think.

We shall need to keep our faith strong. Again and again we have been told in recent weeks that very difficult times lie ahead; that we may be tried beyond our expectations. I trust that we may be able to face our problems with a faith born of joy experienced in the knowledge and love of God. It is He alone who can give us strength to meet trials. He strengthens the back to fit the burden.

I know of no better way to meet the challenge of 1942 than to revive the practice of family worship. What a tremendous influence we could have in our Parish if we would make regular use of the family prayers in our Prayer Book! Another way in which we could help would be to remember in our prayers daily those who are in the service of our Country.

The horrors of war were made very real to us by the happenings of December 7th, and the more forcibly were they brought home to us with the announcement that one of our boys is numbered among the missing. Our hearts go out in sympathy to Mr. and Mrs. Howard McComb in the loss of their son, George A. Scheuerlein, who gave his life to help to perpetuate the American way of living. May he and all others who have

died in the defense of our Country not have died in vain!

We thank all members and friends of St. Paul's Parish for their generous response to our Christmas appeal. To date we have received \$1,706.91; a very fine offering. It will go a great way in reducing our indebtedness. For those who have not yet given their Christmas offering to the Church, there is still opportunity to do so. It would make us all happy, I know, if we could announce at our Parish meeting, January 24th, that we had, for the third consecutive year, paid all our bills in full.

Confirmation will be held in our Church on Monday evening, February 23rd, at 8:00 o'clock. All those who are thinking of taking this step in the name of the Master should come to the class on Friday evenings, at 7:30 o'clock.

May God help us to make our Church a witnessing Church!

Cordially yours,

THOMAS PARKER,
Rector.

THE AMERICAN RED CROSS

The Red Cross meets every Thursday afternoon in the Parish House, between the hours of 1:00 and 4:00 o'clock. There

is an ample supply of cut-out garments on hand for those who sew. They may be made either at the meetings or at home. We have wool on hand for women's and children's sweaters and expect to have yarn for men's sweaters and socks shortly.

A YARN ABOUT YARN

Mrs. Caleb F. Fox, Jr., Chairman of the Production Department of this Chapter, recently met the world's most persistent and slowest knitter. Among the hundreds of women volunteers who have come to Red Cross Headquarters to offer their services in some capacity, was a woman who brought in a nearly completed woolen sock. She asked Mrs. Fox if the Chapter could match the yarn as she wished to finish the sock and knit its mate. SHE SAID SHE HAD KNIT THE FIRST SOCK DURING THE FIRST WORLD WAR!

AID TO BRITISH MISSIONS

The Diocese-wide offering is to be made on Sunday, January 18, 1942. On January 27, 1942, in Old Christ Church at 8 P. M., the Diocesan Presentation Service will be held. The Rev. Theodore P. Ferris, rector of Emmanuel Church, Baltimore, will be the preacher.

Bishop Taitt said, "We hope, in this Diocese, to raise \$27,000 as our share of the \$300,000 promised by the National Council this year.

Let us at St. Paul's do our share in aiding the British Missions.

Dear Friends:

At the present time unnumbered thousands are undergoing intensive training in our Armed Forces and in the Red Cross and Citizens' Defense organizations to prepare for the great tasks that lie ahead. This preparation is essential to the safety of our country. There must be a united front.

There is another front on which we must be united. We must be thoroughly prepared for the spiritual defense of our people. Lent is the season in our Church Year when special opportunity is given to increase our spiritual knowledge and prepare for combat with the evil forces at work in the world today.

The services on Ash Wednesday, February 18th, will be: Holy Communion at 7:30 and 10:00 A. M.; Evening Prayer and Sermon at 8:00 o'clock, when the Rev. Frederick W. Blatz, Rector of St. Peter's Church, will be the guest preacher. I trust that you will make a special effort to be present at these services and will give a warm welcome to our guest.

The Rt. Rev. George Allen Beecher, D.D., Missionary Bishop of Western Nebraska, who is assisting our Bishop, will visit our Parish on Monday evening, February 23rd, at 8:00 o'clock, to administer the Rite of Confirmation. I bespeak for Bishop Beecher a large congregation and a cordial welcome.

Faithfully yours,

THOMAS PARKER,

Rector.

MINUTES

OF THE ANNUAL PARISH MEETING

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House on Saturday, January 24, 1942, at 8 P. M., following a delicious dinner prepared by the Dorcas Society and served by the Young People of the Choir. Forty persons were in attendance and the Rector, the Rev. Thomas Parker, presided.

Candidates for vestrymen were stated as:—

Herbert S. Edkins

James C. Larkin

John Lindsay, Sr.

Alexander Schnorr

Tellers were appointed and a recess declared for the purpose of balloting.

The meeting was reconvened, and the Rector spoke of the success St. Paul's had in its financial affairs in the past year, and noted that a good financial condition without a goodly number of people in the pews did not make for a strong church. He asked that the people of the Parish reinforce their week-day social activities with the help gained in worship on Sunday. All giving for church support revolves about Sunday's services which are the heart of the Parish.

The Rector told of the canvass being conducted in Passyunk Homes, a defense housing project centered about Penrose Avenue and Hartranft Street. With the co-operation of the Diocesan War Commission, the Rector with the Rev. W.

Raulston McKean and the Rev. Morris W. Derr, are systematically searching for those who would make St. Paul's their Church home. To date, in this project, they have called at 278 houses. Mr. Parker appealed for people to offer the use of their automobiles to bring the children from this section to our Church School.

Reports were presented for Parish groups as follows:—

Docas Society—

By Mrs. Robert J. Skillen.

Choir—

By Mr. Louis R. Beck.

Church School—

By Mrs. Frank C. McCook.

American Red Cross—

By Mrs. Thomas Parker.

Young People of the Choir—

By Miss Helen Sutton

Altar Guild—

By Mrs. Herbert S. Edkins.

Children's Group—

Following the report of the tellers in favor of the candidates for vestrymen for a term of three years, the meeting adjourned at 9.15 P. M.

D. Cortlandt Montgomery,
Secretary.

REPORT OF THE WORK OF THE DORCAS SOCIETY FOR THE YEAR 1941

The Dorcas Society has had a very busy and successful year, under the efficient leadership of our President, Mrs. Howard McComb.

During 1941 we have been able to turn over to the Accounting Warden for Church expenses the sum of \$1,975.12. We have purchased a new gas range for the kitchen, at a cost of \$220.00. We have made donations to many worthy objects, including the Elizabeth Price Martin League and the Episcopal Hospital. We have had the kitchen cleaned and put in good order and we have sent out Christmas baskets to the needy of the Parish.

We send flowers and cards and pay visits to those of our members who are ill. We also send sprays for those of our members or their husbands, who have passed away; and help in other ways.

To raise the money for this work, we have engaged in a number of activities, including suppers, luncheons and card parties. We have Dollar Clubs, Blanket Clubs, a Rug Club and a 10-cent Club. We have also had a Stocking Club and a Necktie Club.

We have taken trips to various places of interest.

We have received dues, collections and donations. We have had a Brush demonstration and Motion Pictures. We had a May Fete, Bazaar and Rummage Sale.

The members have sold magazines, dish cloths, face cloths, tea balls, Flakorn, candy, wax paper, soup and other useful articles.

From all sources we have raised the sum of \$2,286.96 and have expended the sum of \$2,279.27 leaving a balance in treasury of \$7.69 to start the new year.

Harriet J. Skillen, Secretary.

CHURCH SCHOOL REPORT FOR JANUARY 24, 1942

During the year 1941, from Jan. 1st to December 31st, the Church School engaged in the following activities:—

The class under the supervision of Miss Margaret Tucker sold Easter eggs for their Lenten Offering, which encouraged the other members of the school to engage in the same.

Mrs. Bruce Edkins and Miss Mildred Scouler gave a card party, which brought \$45.00. Mrs. Edkins also sold mints.

Through Mite Boxes brought in by the children and the sale of candy \$118.71 was realized. The combined Easter offering was \$163.71.

Our annual Church School picnic was held at Penn Valley Park in Trevoise, Pa. The expenses were met by the proceeds of a card party given for that purpose, and the Church School treasury.

The Hallowe'en Party for the children was well attended, fun and refreshments were had by all and winners of games were given prizes.

Our school had a small share in helping the roof fund by turning over \$10.00 to the Accounting Warden, which was received from the Daily News Cooking School. We wish to thank our friends and parishioners who made this possible by their attendance at the cooking school.

The Christmas offering was earned through the sale of candy, supervised by Miss Margaret Tucker; a play called "The Scheming Six" given by Miss Ethel Tucker and her class, with the help of Mr. Randall Miller, and a card party given by the entire staff.

The sale of candy netted \$16.00, the play \$11.21 and the card party \$21.59. A total Christmas offering of \$48.80.

On Sunday, December 30th, a Christmas party was held for the children, at which time refreshments and candy were given each member.

In the year 1941 we lost several valuable teachers and also our superintendent, Dr. J. Randall Skillen, who is now a Major in the Medical Corp of the United States Army. They were a great loss to our

school, but we have been fortunate in getting some new capable teachers and our Rector is taking over the Superintendent's duties. We hope in due time that we may have them all back with us.

Our Church School lessons, the Christian Living Series, have proved educational and interesting to our children and we hope our training will help them to grow in God's Grace and be better men and women for having attended St. Paul's Church School.

Respectfully submitted,
Elizabeth M. McCook.

AMERICAN RED CROSS

St. Paul's Auxiliary

The Red Cross meets on Thursday afternoons from 1:00 to 4:00 o'clock. The number of workers has doubled since our country's entrance into the Second World War and has become a community auxiliary. At the time of our organization it was difficult to interest enough women to make up the materials supplied by Headquarters, but in recent weeks our difficulty has been to secure enough wool and cutout garments to keep our constantly enlarging group of workers busy. Since our last annual report, we have made 729 sweaters and garments. Much of this work has been made in the homes of our members. We will have between 75 and 100 garments to return on February 3rd.

Louise S. Parker, Chairman.

REPORT OF THE YOUNG PEOPLE

"The Youth of Today are the Future Citizens of Tomorrow." A year ago our sponsor, Mr. Montgomery, saw several of the girls walking aimlessly around the church. He talked to the girls and told them that if they wished to join the choir they could organize and have a recreation period before choir rehearsal. This is how the Young People of the Choir were organized and are still growing in size. Every Thursday night we meet from 7:30 to 8:30 to bowl, play table tennis, darts or dance. After our recreation period we have choir rehearsal and then a business meeting.

This past year we have had a card party, cake sale and dance. They were all a success. We made \$46.44 on our card party and with our cake sale money, which was \$20.10, we bought a Recordio Machine. The proceeds from the dance was contributed to the Christmas Offering.

We are now planning a card party for February 6th, which we hope will be a success, and later on a dance, for which the date has not yet been set. Some of

ALTAR GUILD REPORT FOR JANUARY 24, 1942

The Altar Guild has tried to keep the Altar in the usual order throughout the year.

In our report last year, we stated some of the things the Altar Guild needed badly. Through this we were rewarded with a beautiful pair of vases given by Helen and John Lindsay, Sr., in memory of their father. We are very grateful for these as we no longer have to crush the beautiful flowers to try to get them in the vases.

We also received a beautiful fair linen for the Chapel Altar.

The Altar Guild still is in need of many things. If anyone wishes to make a gift of money or give a memorial, any member of the Altar Guild, or the Rector, will be glad to discuss it with him. We also have open Sundays for flower memorials.

We thought you might be interested to know how much we spent on Easter and Christmas to make our Altar beautiful. At Easter we spent \$26.08 and at Christmas \$35.25.

It has made us very happy that we are able to say again this year that we have been well supported by our parishioners.

Respectfully submitted,
May Edkins, Secretary.

CARD PARTY

Attention is called to Rubric before the office for the Visitation of the sick, which reads: "When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages, or funerals, at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

"THAT'S MR. BEECHER"

Whenever a dust cloud came racing along down the prairie road into the center of the crude little prairie town and swirled around a hitching post, people watched until the dust settled enough to reveal a team of gray ponies, and a buggy with a lady and a very tall young man. Then they said, "That's Mr. Beecher. We'll be having Church services now."

The young man's parish spread out around him over 5,000 square miles of Nebraska prairie. Sometimes under a burning sun and through alkali dust;

sometimes with little warning through a blizzard that froze a stage driver's hand and killed thousands of cattle; sometimes lost on the trackless prairie for hours at a time, or delayed by fording swollen streams, he drove his famous team.

The main line of the Union Pacific was the only other means of travel. He made good use of that, too. On one train, the engineer, fireman, conductor, brakeman, and flagman were all his parishioners.

The spirit of the frontier was in everything that touched him. Soldiers, Indians, settlers, cowboys, and railroad men were his flock. He acquired an extraordinary number of picturesque friends. Perhaps the most famous in his day was Col. Wm. F. Cody, known to a generation of devoted small boys as Buffalo Bill.

The tall young missionary and the great showman were firm friends. Mr. Beecher often rode with him at the head of his parade, behind the span of white Arabian stallions. They went together on long hunting expeditions into the depths of Wyoming. The missionary knew the Wild West Show from its beginning, and when the old pioneer's last days came, in Colorado, it was his missionary friend of many years who went to bury him.

Eighteen exciting years went by and the Beecher family was eating a peaceful breakfast in October, 1910, when the telephone rang with the news that General Convention had elected Mr. Beecher Bishop of Western Nebraska. It meant that instead of the 5,000 miles of his first pastorate he had 50,000 more. As the Rt. Rev. George Allen Beecher he has been Bishop for thirty years and he is still there, patriarchal in looks but young in heart as when he first left the seminary nearly fifty years ago. —Epics.

Dear Friends:

It is with very real pleasure that I welcome the members of the Confirmation Class of 1942 into the fellowship of Christ's Church. I pray that God's richest blessing may be upon you all the days of your lives. You have identified yourselves with the Church of God at a critical time in its history. You have enlisted in a mighty army to fight the forces of evil in the world today, but the passing years will convince you that the joy experienced in close association with Christ in His work will repay you many times over for the difficulties encountered.

On March 15th, an offering is to be taken in every Church in the Diocese for the Army and Navy Commission Fund. The announcement states that the purpose of this Commission is to "keep your Church with the men in service". It goes on to say that during the First World War the Church contributed over \$800,000 for a similar job done under the leadership of the late Bishop Lawrence of Massachusetts. "Keep the Church with our men in service" is the keynote of the Commission's program and it is doing just that by providing altar and other Church equipment to the 200 Episcopal Chaplains in the Army and Navy; by providing Prayer Books and other religious literature for the men; by paying pensions of Chaplains who have left their parishes; by aiding parishes and missions near camps and swamped by the influx of numbers of service men. "One Air Squadron Commander wrote: 'If an army

travels on its stomach, it lives on its morale. In this regard, the Army Chaplains are doing a wonderful job. Any funds that they receive from the Church are expended wisely and efficiently. It is a wonder to me that they have done such a wonderful job with the funds they have. As a Squadron Commander, I am grateful to the Chaplains.'" I trust that you will give generously to this fund. Kindly place your offering in a small envelope provided for this purpose and bring it to Church on Sunday, March 15th, at 11:00 A. M.

I hope that good congregations will welcome our guest speakers during Lent. Bring other members of your families and friends to our midweek services.

Cordially yours,

THOMAS PARKER,

Rector.

AMERICAN RED CROSS

St. Paul's Branch of the American Red Cross meets in the Parish House every Thursday afternoon from 1:00 to 4:00 o'clock. On March 3rd, 134 finished garments were returned to Headquarters, as follows:

43 women's skirts
30 sweaters (various sizes)
20 infants' sacques
38 toddlers' nightgowns
3 beanies

In response to a number of requests, a Red Cross First Aid Class will be organ-

ized. A very competent instructor has been secured and a meeting will be held in the Parish House on Friday evening, March 13th, at 8:00 o'clock, to organize. Mrs. Van Vranken, the instructor, will be present to give information in regard to the course. Girls and boys (17 years old or older) and men and women of the Parish and community are urged to enroll for this training.

If you have not already made your contribution to the Red Cross War Fund, there is still opportunity to do so, either through the worker who visits you at your home or through your Church.

Louise S. Parker,
Chairman, St. Paul's Branch.

Will you please send the Rector the names of our men in service so that he may have an accurate list of them?

The following is the message which the House of Bishops, through the Presiding Bishop, has sent out to the whole Church:

DEFEATISM RENOUNCED AS WAR-TIME ATTITUDE

We live in days which are going to test each and every man. Not only individuals but also the corporate life of our day must face this testing. We bishops of the Church will be tested. The clergy will be tested. Our Church members will be tested. The Church as a living organism will be tested.

In this testing a relentless judgment will be passed upon the worth of every man and corporate entity and the worth will be determined not by good intentions but by the capacity to meet heroically the crisis of our day and to go forward. The ability of any man or organization to meet the test is determined by the spirit of courage, faith and sacrifice which give victory in the face of overwhelming difficulty. . . . We must have a reckless eagerness to give ourselves for the cause we serve that it may survive.

We are called as never before to prove our belief in the cause of Christ. Courage will drown the voice of defeatism which tempts us to think that the work of the Church might have to wait because retrenchment would force us to get along with less. Clear and alert vision will dispel the Maginot Line complex which might blind us with the idea that the Church must be content to be on the defensive in these days. . . . We renounce defeatism or the defensive position because we know that only thus can the Church lead in this moment of world crisis.

STANDING NOTICES

Every one is welcome at all services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the office for the Visitation of the sick, which reads: "When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages, or funerals, at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

"I FOLLOW MY CAPTAIN"

Across the wide Dakota prairie came a long, clear call. Saswe, the Indian chieftain's son, stopped suddenly and listened. It was the fourth year that he had been startled by this sudden call. Each time it came in the autumn. Never did his companions hear the sound.

Saswe, certain that the Great Spirit was summoning him, went off to fast and pray. It is said that his spirit was led westward until it came to a great tipi sapa, a black sacred lodge. Here he met the Power that was to direct him in his medicine work, and he learned the herbs with which he later saved many lives. The black tipi was a symbol of life renewed, and he determined to give the name Tipi Sapa to someone he loved. It was given to his first son.

Tipi Sapa spent his youth as a chieftain's son, learning to scout, to hunt, to be humble to his people and counsel them well. When his father, who was priest and medicine man as well as chief, went to heal the sick, Tipi Sapa went along to carry the sacred drum.

When he was growing up he was drawn one day into a Christian mission, and gradually he became attached to Christianity.

Tipi Sapa went away to school for several years and returned bearing the name of Philip Deloria. The people forgot their taunts and wanted him as their chief, but he balked at the final requirement. He would not kill a man. Finally he said:

"I lay down my chieftainship for another to take. I follow the road of my Captain, Christ, until the day when my spirit goes to the Great Spirit."

For nearly half a century after his ordination Philip Deloria served his people in the humble spirit of a chief. He spread Christianity among them and brought them into the Church. He lived to know that his only son had been ordained and was returning home to minister to his people. Today Vine Deloria is carrying on the work of his father.—Epics.

THE NAME ABOVE EVERY NAME

Name of Jesus! highest Name!

Name that earth and Heaven adore!
From the heart of God it came
Leads me to God's heart once more.

Name of Jesus! living tide!

Days of drought for me are past;
How much more than satisfied,
Are the thirsty lips at last!

Name of Jesus! dearest Name!

To the treasures stored above.
Oil of gladness surest claim
Bread of Heaven, and balm of love.

Jesus gives forgiveness free,

Jesus cleanses all my stains,
Jesus gives His life to me,
Jesus always He remains.

Only Jesus! fairest Name!

Life, and rest, and peace, and bliss;
Jesus evermore the same,
He is mine and I am His.

Dear Friends:

We are indeed thankful to God for the many blessings that He continues to shower upon us. We had a splendid Easter. The services were well attended and we pray that the joy and hope that commemoration of the resurrection inspires may remain with us in the days to come.

The congregation was very generous. To date, our Easter Offering amounts to \$907.67. I am deeply grateful to all of you who helped. It shows that, with co-operation, we can do things if we have a mind to do them.

The Church School also gave a very generous Lenten and Easter Offering: The amount to date is about \$200.00. This offering gives us special pleasure because it is for others. I cannot remind you too often that it is to the Church School that we look for the building of a strong church for the critical times ahead.

On Sunday, April 19th, the Annual National Offering for the Philadelphia Divinity School will be taken in the Churches throughout the nation where graduates of this School are Rectors. Of the seven Rectors that St. Paul's has had, five received their training at the Philadelphia Divinity School. Bishop Sterrett writes: "May I urge upon you, one and all, the importance of supporting annually the cause of Theological Education. The Seminaries must be enabled to properly train the future leaders of the Church for the years which will follow the present war." Envelopes will

be placed in the pews. I ask you to give generously to this worthy cause.

Hundreds of new families are moving in among us in our section of the city. Let us invite them to come to our Church and make them feel at home among us. A hearty handshake, a friendly smile and a word of welcome to visitors will make a good impression upon them. It will show them that our religion is real.

We are grateful to Mr. and Mrs. Howard W. McComb for the beautiful memorials that were dedicated recently in memory of their sons: the seven branch candelabra, in memory of George A. Scheuerlein, Second Class Gunner's Mate, who died on December 7th, 1941, when he went down with the S. S. Arizona at Pearl Harbor; the alms basins, in memory of John Howard McComb, who died December 22nd, 1933.

A beautiful service flag was presented to the Church by Mr. Benjamin F. Phagan, a veteran of the First World War. A star has been placed in this flag for each member of our Church who is in the service of his country. As other members join the service branches stars will be added. Will you kindly give the Rector the names, ranks and addresses of those already in service so that he may keep an accurate record to date?

With every good wish, I am

Cordially yours,

THOMAS PARKER,

Rector.

Dear Friends:

We are planning to have our Annual June Fete on Wednesday evening, June 17th. We are looking forward to this social event in our Church life, as it is usually the last one in which the entire Parish is interested until activities are resumed in the fall. Dinner will be served from 5:30 to 8:00 P. M. and the price will be sixty cents. There will be cakes and candy, fancy work and household articles and other commodities for sale. We hope to have something new, also, so do not miss the June Fete. You may secure your tickets either from the head of one of the organizations or from Mr. D. C. Montgomery, whose telephone number is Ful. 6175. Please do not fail to make reservations for the dinner.

The Summer Expense Boxes will be sent to the families of St. Paul's as usual. It is essential that we use them and bring them in when full. We hope that you will do this conscientiously, as you have done in the past. The idea is, as you know, to place a coin in the box for each meal as a thank-offering. If all of us will do this faithfully, I am sure that we will be surprised at the amount of money that will come in. We need this help during the summertime, when many of our congregation take long vacations and do not bring in their budget envelopes until the fall. Would it be possible for you to pay your envelopes in advance, if you are planning to be away for some time? Why not make June 28th "Pay Up Sunday"? It would be a great help to your Church.

We congratulate Mr. William McGill upon his recent election to the Vestry of the Memorial Church of St. Paul. We welcome him to this group and wish for him a very happy association with it. We know that he will give his time, energy and best thought to his new duties.

Trusting that I may see all of you, who remain in the city during the summer, at either the 8:00 or 11:00 A. M. service each Sunday, I remain

Cordially yours,
THOMAS PARKER,
Rector.

FOR THE DURATION

By Bishop Ludlow
The Suffragan Bishop of Newark

That is a phrase which is becoming increasingly familiar to us all. It is interesting to watch our own reactions and those of our neighbors as we try to rearrange the habits of a life-time to fit the need of the day. As a rule we pass through three different stages—reluctance, grimmess, and understanding. The number of stages through which we pass as well as the speed with which we do so are indices of our spiritual development.

Much has been written about us as ease-loving Americans, and we are learning that much of it is true. Why should we have to give up tires and gasoline? After all we do not use our car very much. It is the one form of recreation which we have and travel is educational as well as refreshing. Of course, "cow-

boys" and speeders could well be kept off the highways, but we do not belong in that class. Probably some bonehead in Washington thinks it will prepare us mentally for the post war Utopia in which we will have a controlled economy.

And then we think of the men scattered all over the world making ready to preserve us a decent world to live in, even at the cost of their lives. Oh, well, that's different, and, of course, we will go without gas and tires and anything else that is necessary to make their sacrifice effective. After all, it is only for a time.

Then one day, a close, familiar face leaves the office or the parish or the home and quietly slips away to distant lands. Suddenly "for the duration" takes on a new meaning. How long is "duration?" Our nerves grow tense as we ask it. How long is duration? It is a long, long time. It is too long; it is more than we can stand. It is not fair. It might be—it must not be—but it might be forever.

Now our mood is one of grimness as we go about our daily routine. Why do we have to live in such a world? Why this ghastly, futile waste of young manhood? Why doesn't someone do something to stop it! Of course we will give up anything for the sake of putting an end to it. We work and give and sacrifice determinedly and grimly now! Why doesn't God—is there a God?

In an agony of uncertainty we renew neglected practices of study, prayer, and worship. We turn wistfully to the pages of God's Word and there we find a Life—the Life. What a life of endurance for the sake of accomplishing God's purpose! A member of a despised race working in an area one hundred and thirty-nine miles long through the medium of a people who charged Him with being possessed of a devil, a blasphemer, and yet trying to change the world! His disciples played politics for place, asked to destroy those who opposed them, and when one of them betrayed Him and another denied Him the rest forsook Him and fled. And so they nailed Him to a Cross.

But He could not be stopped by misunderstanding and persecution or even death. Death was just an incident in the accomplishment of God's purpose in making all of the peoples of the earth into one family. And the disciples were to carry on that purpose unafraid of death for it had been conquered. "Ye are my witnesses," He said. "Go ye." "Lo, I am with you always."

What kind of a witness am I? Whose fault is it that the world is filled with strife? What have I done to prevent this catastrophe? Is Hitler any more to blame than I am? The questions come thick and fast now. Because God re-

spects the free will of man, He cannot and will not force him to live in family relationships with all men. Man can and does play the fool with his freedom. Man can and should build the family with his freedom. Until he chooses so to do war will be his portion.

It is not too late. God's purpose is eternal. Death is an entrance and not an end. Now our nerves are not so taut. We are beginning to understand. Sacrifice is not giving up but giving forth. Only as we give life is life gained. Now we, too, enlist "for the duration," repentant of our past neglect and strengthened by a renewed intention to be Christ's faithful soldier and servant unto our life's end. We are beginning to see that we never can and never should go back to the old way of life, for it is the way of destruction. We can and must build a new, co-operative way of life for all men. The way to that new world is sacrifice for all of us, here at home and on the battlefield. "For the duration" then becomes understanding co-operation in the lifelong task of working out God's purpose for all men.

DR. KER RETIRES.

Dr. Richard A. Ker has retired as Head of the Department of Physical Education of the South Philadelphia High School for Boys and has moved to Altoona, Pa. Dr. Ker was for many years a faithful member of the choir of St. Paul's, a teacher in the Church School and a mem-

ber of the Vestry. We miss him very much, but trust that he will be happy in his new work. He is to teach and coach in the Williamsburg High School. His years of experience as a teacher and coach should be a real asset to the school. May God bless Dr. and Mrs. Ker in their new home.

MORE ABOUT "CHRISTIAN"

By

GEORGE I. HILLER

Rector, Trinity Church, Miami

There are many people who object to the idea that "Christian" is a working designation, as I tried to express it in the issue for September 10th. They would have us believe that all one must do to be a Christian is to submit to baptism, or to give allegiance to the creedal teaching of the Church.

There are intellectual Christians, emotional Christians, ecclesiastical Christians, but the plain fact is they are all alterations of the real things. The real Christian, if we are to accept Jesus' first commandment, is one "Who will love God with all his heart, soul, strength, and mind," which, in our language is, "Everything you have got." It is a searching test. An intellectual assent or ecclesiastical conformity are not enough.

I ran across a humorous story, which illustrates what I have in mind:

"The chaplain preached a forceful sermon on the Ten Commandments, sending one private away in a serious mood. He eventually brightened up. 'Anyway,' he said, 'I never have made a graven image!'"

I know a number of people who call, or think of themselves as Christians, whose sole claim to that title is, that they do not break the laws of the land or the majority of the Ten Commandments. They are selfish, thinking only of their own health or taxes, and doing nothing for others; never worshiping God or forwarding the Kingdom of Christ on earth. That negative goodness could easily be ascribed to the carved images of the heathen which we would hesitate to call Christian.

Dear Friends:

This church year will be a significant one in our lives: More important than other years, we believe, because religion is taking a more definite place in our lives. Our Church stands as a beacon light to the community, testifying to all that Jesus Christ is the Light of the World. It is here that we meet to seek aid for our common needs. It is here that we give thanks to God for His many blessings. It is here that we meet to pray for a righteous peace. It is here that we receive strength for our daily tasks. It is here that we seek light and guidance and where oftentimes lives are changed. It is here that the Spirit of Christ is instilled in us to more completely forget self and to plan and work for others.

We believe that this war is bringing us closer together. We no longer think of self: We are thinking and planning together for the future. This change is manifested in the friendly meetings in the streets of our community, at the various "flag raisings" to honor our men in service. We are beginning to know our neighbors. Their problems are our problems, their joys are our joys, their sorrows are ours too. We are truly learning to rejoice with those who rejoice and to weep with those who weep. When we think together, pray together and work together, it makes for a better understanding and for better community living. It gives us a greater trust in God. We want to keep in closer touch with Him through regular church attendance. There

is no better way to meet this need of help to a better way of living than right in your own Church. Will you not search your neighborhood for those who do not have church homes? Start today by inviting them to come with you to St. Paul's. You will be happier for sharing the privilege with others and they will be happier for having responded to your invitation.

Somewhere in your home is a "Summer Expense Box". I trust that it has not been neglected. It should be brought to church on Sunday, October 4th, and placed upon the offering plate as your offering for the work of God in your Church. It is a joy to help a worthy cause. Do you know of any other place where your money can be as wisely invested as in your Church? Come to God's House gladly, prepared to give freely of that which He has freely given to you.

An important event is to take place in our Diocese on October 16th. The Rev. Oliver James Hart, D.D., LL.D., is to be consecrated a Bishop of the Church of God and Co-adjutor of the Diocese of Pennsylvania. The prayers of the congregation are asked that God may give him the wisdom and power and strength to carry on in His name the important work of his office.

It is regretted that all will not be able to attend this service, which is to be held at the Church of the Advocate, 18th and Diamond Streets, at 10:30 A. M. Reservations will be honored until 10:15 A. M., when the seats will be open to the public.

A reception will be held in the Church House, 202 South Nineteenth Street, from 4:00 to 6:00 P. M., for the Bishop Co-

adjutor and Mrs. Hart. This will afford an opportunity to all to meet our new Bishop and his wife. I trust that many of you will welcome this opportunity to greet them.

We wish to thank all who helped with our services during the summer months. Members of the choir were faithful in attendance and it is needless to say how much we appreciated their help. We thank Mr. LaRue Scott and Miss Ella Coleman for playing the organ during the absence of Mr. Beck. We are grateful to those who sent flowers during the summer to beautify the altar.

Let us determine that, with God's help, this year is going to be one of the best in the history of our Church and in our personal Christian life; that we are going to co-operate in every effort the Church is making to go forward. Let us pull together, timing our strokes that we pull evenly, strongly and smoothly, that we do all in our power to win for God. That spirit cannot be beaten.

May He bless us in our efforts to make our Church a mighty fortress for our God.

Faithfully yours,
THOMAS PARKER,
Rector.

YOUTH SUNDAY — SEPTEMBER 27th

This Sunday is especially dedicated to the youth of our Church throughout the nation. In our own parish it will begin with a corporate communion of our young people at 8 A. M. A special offering will be taken at this service for the work of the National Council on special youth-aided projects in the missionary field of our church, and for expenses incidental to the Council's work among youth organizations. We made a small offering to this work last year—our first. This year the youth of our parish are going to make it an offering representative of St. Paul's.

At 7:30 P. M. on Sunday evenings, beginning on Youth Sunday, meetings of the Young People's Fellowship will be resumed. To date the following persons have come forward and asked to take part in this program, and evenings have been given for their chosen subject.

September 27th—

Helen Sutton
Ella Coleman
George Ciervo

October 4th—

Virginia Bell
Irene Gagan

October 11th—

Peggy Jones
Doris Bell
Joseph Manduke

October 18th—

Forrest Coleman
Edythe Sawyer
May Johnson

October 25th—

Mary Gazzara
Annetta Ferguson
Anne Taylor

We know there are other young people in the parish who would like to present their ideas to a group drawn together by a common interest in the broad field of the Church and youth. Our invitation is extended to everyone between the ages of 15 and 25 years.

YOUNG PEOPLE'S SOCIAL EVENING

The young people of our parish and their friends have been getting together on Friday evenings for a round of bowling, followed by dancing. Some find shuffleboard and table-tennis to their liking. The evening begins at 7:45—lights out at 10:45. Co-sponsors for the month of October are as follows:

Oct. 2—Mrs Dorothy W. Tesche.
Oct. 9—Mrs. Gagan.
Oct. 16—Mrs. Sutton.
Oct. 23—Mrs. May N. Johnson.

If you are one of the few persons who have not heard of these Friday night social evenings, of course we want you over here with us.

DORCAS SOCIETY

The Dorcas Society has resumed its meetings after the summer vacation. The meetings have been well attended and enthusiastic interest is being manifested in the plans for fall and winter work.

On Tuesday evening, June 9th, a drawing of the "Dollar Club" was held at Gram's Store. The fortunate winners were:

1st Prize—Mr. E. Dare, 1200 Mollbore Terrace.
2nd Prize—Mrs. Triesback, R. F. D., Norristown, Pa.
3rd Prize—Mrs. George Berry, 2924 S. Smedley Street.
4th Prize—Mrs. McMoran, 7 E. Imwood Avenue, W. Manayunk.
5th Prize—Mrs. Wettlaufer, 2322 S. 12th Street.

We expect to start another Dollar Club at some future date.

The Dorcas Society will give a Card Party, with games, on Wednesday evening, November 4th.

More activities will be announced later.
Harriet J. Skillen, Secretary.

AMERICAN RED CROSS

Red Cross meetings were continued through the summer, with a somewhat smaller group attending. We hope that, now that organization meetings are getting under way again for the fall and winter work, we shall have a large number of workers coming out regularly to help in this very necessary work.

On September 8th the following garments were returned to Headquarters:—30 sweaters, 7 pairs socks, 1 beanie, 75 afghan squares; also, 44 toddlers' rompers, 7 hospital pajamas and 11 girls' dresses.

In response to another letter of inquiry in regard to when we may expect the production pins ordered in June, I quote from a letter received September 23rd:

"We are very far behind with the Production pins, and so I cannot promise to have your June order filled for some time. We are doing everything possible to get up to date, but they do not come from Washington."

The number of young men from St. Paul's in the service of our country is steadily increasing. Surely this should give us a special interest in working for the Red Cross. We meet on Thursday of each week, from 1:00 to 4:00 o'clock.

Louise S. Parker,
Chairman, St. Paul's Branch.

NEEDLEWORK GUILD OF AMERICA

Please send to me before October 1st your annual contribution of two or more new articles of wearing apparel or household linen*, or your donation of money. Notice of the Annual Meeting will be sent you later.

Very truly yours,
Olive P. Doughty, Director,
2332 S. 16th Street.

*Articles most needed:—For men, women and children: in pairs, warm union suits, undervests, underdrawers and nightwear; bloomers, rompers, underwaists, boys' blouses; sweaters, bathrobes, and broadsoled shoes. Warm outside clothing, coats, suits, trousers and dresses are in demand; also blankets, sheets, pillow cases and towels. Clothing for larger children, 8 to 14 years, is particularly needed. ssion of anything entails responsibility. "Rights" belong only to the man who is right.

One is amazed at the great number of people who will accept positions of leadership, titles, or honors, and who seemingly never see that these things are fraught with responsibility.

There is a growing tendency to take it for granted that any organization which

has its purpose clearly stated in its charter or by-laws will automatically attain that purpose. This is ridiculous. There must be a real corporate and individual sense of responsibility.

It is the old parable of the talents. Whether we have much or little is the measure of our responsibility. Faithfulness to that responsibility is the gauge of our commendation, or of our failure.

THE DEBT FUND

We are very happy about the response to the Rector's letter for pledges to wipe out the Church's \$1400.00 indebtedness. We have received pledges to the amount of \$463.00 up to the present, \$223.00 of which has already been paid by the following: Mr. and Mrs. Harry E. Krauss, Jr., Mr. and Mrs. Edgar Coleman, Mr. and Mrs. William Michaels, Mr. and Mrs. Frank C. McCook, Mr. and Mrs. Walter Wooding, Mrs. Olive P. Doughty, Mr. and Mrs. William Johnson, Mr. and Mrs. George Berry, Mr. and Mrs. William Williams, Mr. and Mrs. Samuel Gerhart, Mr. and Mrs. James Hill and Mr. Fred Hunt.

Will you kindly send in your pledge or money to the Rector as soon as you can, so that he may know how much has been pledged to date? Watch the thermometer at the rear of the church rise! Can we reach our goal? We certainly can if YOU will join the group of ten men who pledged \$25 each. If you feel that you cannot give this amount, by all means give what you can.

Dear Friends:

Are we doing all in our power to make our Church a witness for Christ in our community?

This is a serious question and the more so because we are living in the most trying time of our Church's and Country's history. The religion of Christ is a power that is able to change lives. It can give to us and to the world a peace which shall be lasting. The rule is simple: One must believe on the Lord Jesus Christ. Surely this is not asking too great a price for peace, love, fellowship, happiness and holiness. Yet there are around us many who apparently are not interested in religion. Is it because our own religious life has been lacking; that it leaves much to be desired? If this is the cause, let us reconsecrate our lives to Christ. The place to start aright is in God's House. Here in the quietness of His Sanctuary we may commune with Him and find wisdom and courage for the duties before us.

It makes us happy to see whole families in Church worshipping God. This should be the custom of all Christian families. We should put first things first.

There are many strangers in our section of the city these days. Let us invite them to our Church and give them a warm hand of fellowship and true Christian friendliness. Our Church can be a "light" in our community if we desire it to be and are willing to work to make it so. If we will start with ourselves, then go on to our neighbors and the new people

in our midst to help them to know God better we will be doing what is within our power to make our Church a witness for Christ in our community.

The National Church is sending representatives into the dioceses to tell of the work of the General Church. They are going to relate how men and women have witnessed for Christ in all parts of the world, and how much more could have been done if there had been more men and women to do it.

The Every Member Canvass is made each year to enlist church people on the side of God; to carry out His offensive warfare against the things which tend to destroy that which is good. It is really a spiritual canvass to revive the religious life in us; to make us realize that the work of Christ is indeed important; that if we are to have a part in bringing peace to the world, we must be a Christian nation.

Let us be honest with ourselves and start today on the march back to God.

Faithfully yours,

THOMAS PARKER,

Rector.

DORCAS SOCIETY

The Dorcas Society has enrolled seven new members in the past month. These members were brought in by our President, Mrs. McComb.

We are taking orders for Church Birthday Calendars and anyone wishing to participate should get in touch with a member of the Dorcas Society or with Mr. Parker. The calendars are 35 cents each and 10 cents for each birthday date.

We are having a card party, with games, in the Parish House, on Wednesday evening, November 4th, and we hope for a good attendance.

The Bazaar and Supper will be held on December 5th, in the Parish House.

We have started a Blanket Club and would like to have some more members.

There will be other announcements later. Harriet J. Skillen, Secretary.

THE AMERICAN RED CROSS

St. Paul's Branch of the American Red Cross has received its most recent order of production pins. These pins have been earned by a number of members of our group by fulfilling the requirements in sewing or knitting.

Those who have had work out for some time are requested to turn in the finished garments as soon as possible. Red Cross Headquarters has constant demands made upon it from various sources and the supply is sometimes low.

All who have helped with Red Cross work at any time are cordially invited to be present at the meeting on Thursday, November 12th, when we hope to have a speaker present and tea will be served.

We expect soon to make bags for soldiers' kits. These are to be filled with writing materials, soap, razor blades, tooth brushes, playing cards, needles and other small personal comforts. The American Red Cross is planning to supply each service man leaving for overseas duty with a utility kit. Since the Red Cross, buying in very large quantities, can invest money to better advantage than we, as a small group, can, we are going to give a cash donation from our treasury toward the purchase of these

items. Anyone—man, woman, boy or girl—desiring to have a part in giving comfort and cheer to the men in service may give a donation either to Mrs. Doughty, Mrs. Brennon or to me.

Louise S. Parker, Chairman.

BAZAAR

The Church Bazaar and Supper will be held on Saturday, December 5th. The Dorcas Society is working hard to make the affair a success. Please send or give your donations for the Bazaar to any member of the society. Useful gifts will be for sale. Remember the date—Saturday, December 5, 1942.

SPAGHETTI SUPPER

The Young People are going to prepare and serve a Spaghetti Supper in the Parish House on Saturday, November 14th, from 5:30 to 8:00 P. M. The supper will cost 45 cents. Come and make it a success.

Edkins is making very attractive aprons, for which she will be glad to take orders. Mrs. Parker is selling personalized stationery. You will want to buy these items for yourselves and also for Christmas gifts. Nothing could be more practical. Please place your orders early "to avoid the rush!"

DAY OF PRAYER

The Church will be open from 7:00 A. M. to 7:00 P. M. for all who wish to come, rest and pray on Armistice Day, November 11th.

There will be a celebration of Holy Communion at 7:00 A. M., for those who go to business. There will be a later celebration of Holy Communion at 10:00 A. M.

Let us all who possibly can come to church sometime during the day to pray for the nations of the world, that peace may come in accordance with the will of God.

It will gladden the hearts of our men and boys in service to know that we are praying that God will protect them and bring them home to us soon. Especially will the families of service men want to remember their loved ones in prayer.

RESPONSIBILITY

By George I. Hiller

Rector of Trinity Church, Miami.

Though you teem with ability and lack a sense of responsibility, it profiteth you nothing.

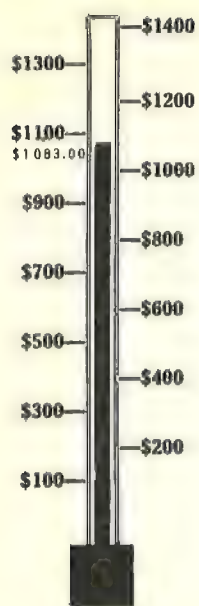

From the largest to the smallest organization there is an incessant demand for responsibility.

A man well endowed with this world's goods, and who fails to see that his brother has need, or who has no feeling of social responsibility, is blind or behaving like an ostrich. By his actions he deliberately courts the downfall of the social order, which has given him his place, and permits him to enjoy the luxuries of life.

While the group of men who think they can wrest power, privilege, and luxury from society by destroying the existing social order, are equally blind, because in such a struggle they will destroy the very thing they covet.

As citizens, Christians, either rich or poor, privileged, or underprivileged, the saving grace is a sense of responsibility.

All this is true in a big way in our world today. It is also true in every organization. We have a responsibility not only for their financial support, but a responsibility to render personal service and individual leadership. Many of us speak carelessly of "our city," or "my country," or "my parish," or "our church."

Dear Friends:

The manner in which you have responded to the appeal for the \$1400 Debt Fund is very gratifying to your Vestrymen and Rector. To date, the amount of \$1083.00 has been pledged, of which a total of \$980.00 has been paid in and is in bank. This is a remarkable response thus far and we hope that you who have not yet given to the Indebtedness Fund will bring your contributions to Church on Sunday, December 6th.

Our very sincere thanks to all who have already contributed to this Fund. It will lift a burden from our minds and give us a feeling of real satisfaction if we are able to pay our bills in full before the first of the year. We hope that, with your Christmas gifts to your Church, a working fund may be in hand that will enable us to carry on, paying as we go. This is our aim and you will want to do your part to help us to realize it.

None of us, I am sure, will forget that Monday, December 7th, is the first anniversary of "Pearl Harbor". We will have been at war a year. A great many of our young men have answered the call and are in camps stationed throughout the country; others, some of whom were in service prior to December 7th, 1941, are in war zones and engaged in combat. We have lost two of our boys: George Scheuerlein, at Pearl Harbor, December 7th, 1941, and Charles Hilsman, at New Guinea, on November 4th, 1942. The sympathy of all goes to the families of these young men and our prayer is that they may not have given their lives in

vain. We pray that out of these perilous times will come a new order, founded on the teachings of Christ, and that we who are on the home front may prepare now to make this world a better word for coming generations.

The Church office would like to have the addresses of all of our men in service, in order that we may keep in touch with them and that they, through The Chronicle and our letters, may be kept in touch with their Church.

The Rt. Rev. Oliver J. Hart, D.D., Bishop Coadjutor of the Diocese, is to visit our Parish on January 24th, at 11:00 A. M., to administer the Rite of Confirmation. The Rector will meet the adult class on Wednesday, December 9th, at 8:00 P. M., in the Parish House, and the boys and girls on Friday, December 11th, at 4:00 P. M. Will you, who have not been confirmed and are desirous of being confirmed, speak to him about this matter and plan to come to the class?

With all good wishes, I am

Faithfully yours,

THOMAS PARKER,

Rector.

YOUNG PEOPLE'S FELLOWSHIP

An interesting talk on woman in war industry throughout the nation was given by Miss Mary Blakeley, of the staff of the Evening Bulletin, on Sunday evening, November 15th. Miss Blakeley's experiences in keeping up with the planned itinerary of the trip and meeting the re-

quirements of censorship enroute gave us an insight into the endurance required of reporters.

On Sunday, December 6th, we will have as our guest, Dr. Charles F. Sladen, long identified with the Philadelphia school system, and a former member of this parish. We know that Dr. Sladen's talk will be of interest to all young people and they will not want to miss this Sunday evening's meeting at 7.30.

Other events planned are caroling on Christmas Eve, and a dance early in the new year with men of Uncle Sam's armed forces as our guests.

The Annual Diocesan Dance will be held on Saturday night, January 16th, at the Stephen Girard Hotel.

ELECTION OF VESTRYMAN

The Vestry is happy to announce the election of Mr. Edgar B. Coleman to its body. Mr. Coleman was elected to take the place of Dr. Richard A. Ker, who now resides in Altoona, Pa. We welcome Mr. Coleman to our official family and we trust that he will find happiness with us in carrying on our work in this community.

Dear Friends:

The year is young and it is not too late to wish you all a Happy New Year.

May I again thank you for your ready response to my appeal for the Debt Fund, which to date amounts to \$1150.00 paid in, with several pledges still to be fulfilled; and for the liberal Christmas Offering of \$1101.40. These offerings were truly generous ones.

The year 1942 was a very good one for us financially. We have been able to pay all our bills and are very proud and thankful for this. A good church year, however, means more than the ability to pay off indebtedness. It means also working and praying together that we may do our share in the spreading of God's Kingdom among men. May we strive to accomplish more for Him in the days that lie ahead.

With all good wishes, I am

Faithfully yours,

THOMAS PARKER,
Rector.

CHURCH SCHOOL REPORT

For the year 1942

The following activities were held by the Church School:—A card party given by Mrs. H. Bruce Edkins and Miss Mildred Scouler; a card party given by Mrs. Elmer Goebel; A Chow Mein Luncheon given by Mrs. H. Bruce Edkins and Mrs. Frank C. McCook. The class of Mrs. Margaret Tucker Davis sold candy.

Our annual picnic was called off this year because of the transportation problem. A party was held in its place. We had a magician whom the children enjoyed very much.

Our Church School has been very unfortunate in losing the following teachers:—Mrs. H. Bruce Edkins, Mr. and Mrs. Harry E. Krauss, Jr., Mrs. Margaret Tucker Davis, Mrs. Ethel Tucker Miller and Miss Mary E. Parker. We welcome Mrs. Kathleen Smithgall, Miss Helen Sutton and Mr. George Lindsay to our staff.

Our attendance has been irregular. We urge parents to send their children to Church School every Sunday. They are the future leaders of the Church and our work is to prepare them for that leadership. Elizabeth M. McCook.

YOUNG PEOPLE'S REPORT

The Young People of St. Paul's have had a very busy year and on the whole, a successful one. We started the new year with a card party, which was a big success. In May we had a dance. In June we had a Servicemen's Dance, which went over very well. During the summer months we went swimming and picnicking to Somerton Springs and to Lake Worth, N. J. In the fall we went on hikes and roller skating parties which were enjoyed by all. Late in November we had a Spaghetti Dinner, prepared by one of the mothers of our own group. The girls served the dinner and helped with the kitchen work. It was our first attempt at a dinner and we raised some money. In August we visited Fellowships to see them in action and in September we started our own Young People's Fellowship, which meets every Sunday evening.

September found our members bringing their friends to our Church every Friday evening for a good time. This group has certainly grown and we wish our Fellowship would grow as rapidly.

All through the year we helped other organizations of St. Paul's by serving at dinners, selling tickets, etc.

On the Eve of the Birth of Our Saviour we went Christmas caroling, which ended the Young People's year just right.

I sincerely wish to thank all for their co-operation this past year and hope you

will work as well or even better with your new officers and chairmen of committees. Helen Sutton, President 1942.

Dear Friends:

We extend the hand of Christian fellowship to the members of the 1943 confirmation class. We welcome them in the name of our congregation and we hope that they may ever enjoy their fellowship with Christ and with those who love and serve the Lord.

The Bishop Coadjutor preached on a text that we may well take for ours individually, "Lord, what wilt thou have me to do?" It is a challenge to all of us to help bring others to Christ through confirmation.

We had a very interesting Annual Parish Meeting on St. Paul's Day. While we did not have a large gathering, we had a good meeting. The reports of the various organizations were read. These reports are published in this issue of The Chronicle.

We look forward to another year of work together, laboring side by side in the greatest work of all, that of making Christ known to men.

Faithfully yours,

THOMAS PARKER,

Rector.

MINUTES OF THE ANNUAL PARISH MEETING, JANUARY 25, 1943

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House on St. Paul's Day, Monday, January 25, 1943, at 8:00 P. M. Thirty persons were in attendance, and the Rector, the Rev. Thomas Parker, presided.

The meeting was opened with an invocation, and the minutes of the Annual Parish Meeting held on January 24, 1942, were read and approved. The Rector reviewed the work of the parish during the past year and a financial statement for 1942 was read and copies distributed. The number of calls made by Episcopal clergymen on residents in Passyunk Homes was stated as 400 in number, but the work has not lead to any marked increase in church attendance from their neighborhood.

Reports were presented for Parish groups as follows:

Dorcas Society by Mrs. Robert J. Skillen.

Young People's Fellowship by Miss Helen Sutton.

American Red Cross Auxiliary by Mrs. Thomas Parker.

Church School by Mrs. Frank C. McCook.

Choir by The Rector.

Altar Guild by Mrs. Frank C. McCook.

Tellers to report the vote for Vestrymen were appointed by the Rector as follows: Mrs. William Gibson, Mr. Harry Pettyjohn and Miss Helen Sutton. A recess was taken for balloting, following

which the tellers reported the vote in favor of the candidates:

Mr. Edgar B. Coleman

Mr. Frank C. McCook

Mr. William McGill

Mr. Calender P. Ritter.

The meeting adjourned at 9:15 P. M. and was followed by refreshments served by the Dorcas Society.

D. Cortlandt Montgomery,

Secretary.

WORK OF THE DORCAS SOCIETY

For 1942

The Dorcas Society has had a very busy and successful year under the efficient leadership of our President, Mrs. Howard McComb. We have enrolled several new members.

During 1942 we have turned over to the Accounting Warden for church expenses, the sum of \$1,000.00. We have made donations to many worthy causes, including Episcopal Hospital, Elizabeth Price Martin League, Convocation and Garden Party at St. Peter's Church, 3rd and Pine Streets.

We send Baskets at Christmastime to needy members of our Parish. We send flowers and visit those of our members who are ill. We also send flowers when members of our organization are bereaved.

To raise the money for this work, we have engaged in a number of activities, including Suppers and Card Parties. We have had Dollar Clubs, Blanket Clubs, Candy Clubs and a Rug Club. We have taken trips to various places of interest.

We have received dues, collections and donations. We had a Bazaar in December. The members have sold stationery, calendars, tea balls, wax paper, soup, aprons, dish cloths, face cloths and other useful articles. We have also had bakery sales. From all sources we have realized the sum of \$1,218.54 and have expended the sum of \$1,163.09 leaving a balance in the treasury of \$55.45.

Harriet J. Skillen, Secretary.

ST. PAUL'S BRANCH OF THE RED CROSS

Interest in Red Cross production was stimulated at the beginning of the past year by the attack on Pearl Harbor. At once Red Cross Headquarters was stamped by volunteers who were eager to do something—anything—to help. There was not enough work on hand to supply the demand.

Our own group was augmented by women who were sent to us as the branch nearest their homes. The supply of wool for sweaters and cutout garments that we had on hand was soon exhausted.

This brought our work almost to a standstill for some time and dampened the zeal of the new workers. Before long we were back to the faithful few who have been meeting in the Parish House since April, 1940, and the larger number who sew and knit at home.

During the year we have made the following articles:

166 sweaters	37 women's skirts
22 pairs socks	50 infants' sacques
7 beanies	61 infants' nightgowns
65 diapers	5 convalescent robes
76 girls' dresses	52 hospital pajamas
90 rompers	75 afghan squares

We have a bag of garments packed and ready to be returned to Headquarters. These are not included in the above list. We have given \$16 toward fittings for comfort kits for service men about to go overseas.

On November 16th we had a tea for our workers and friends, at which time Mr. Robert M. Heine, Assistant Manager of the Southeastern Pennsylvania Chapter of the American Red Cross, gave a very interesting and enlightening talk on the work that the Red Cross is doing at home and throughout the world.

Early in the year a First Aid Class was formed, which was ably instructed by Mrs. Schuyler Van Vranken. Twenty members completed the course and received certificates.

From time to time we receive bulletins from Headquarters presenting the urgent need of surgical dressings; of volunteers to take up Home Nursing; and of donors to the blood bank. We shall be glad to give information about these important services to those who are interested in helping in any of these ways.

Louise S. Parker, Chairman.

ALTAR GUILD REPORT FOR 1942

There is little new to report on the work of the Altar Guild as it is much the same from year to year.

We have received two fine gifts for the Altar from Mr. and Mrs. Howard W. McComb: beautiful candelabra in memory of George A. Scheuerlein and an alms basin in memory of Jack McComb, on March 22nd.

The Church has received a beautiful Service Flag, the gift of Mr. Benjamin Phagan.

\$23.85 was contributed for Easter Flowers; \$24.35 through the envelope system and \$22.45 for the Christmas Flowers. We thank all who contributed to these.

The Rector has appointed four new members to the Altar Guild: Mrs. Wm. McGill, Mrs. Edgar Coleman, Miss Ella Coleman and Miss Virginia Bell.

Elizabeth M. McCook, President.

Dear Friends:

Many things of interest are happening these days and one of the most interesting is the "Laymen's Bible Reading Crusade". This Crusade begins on Ash Wednesday and continues through Lent. It would be good devotional reading for us to read through the New Testament during Lent. It would help us to prepare our minds and hearts for Easter. Too many of us have been neglecting the reading of our Bibles. This is an opportunity "to read, mark, learn and inwardly digest" the Bible's teachings.

Lent, too, affords us the opportunity of coming together more often in God's House for worship and prayer. No matter what our hours of work may be, there is time for us to come apart and rest and pray. May we make every effort to grow spiritually.

There will be distributed among our parishioners a self-sacrifice coin folder. We are asking you to place ten cents a day in this coin folder and bring it in on Easter Day as your Lenten Offering. The times call for sacrifice and we know that you will gladly do all you can for your Church.

Praying God's continued blessing upon you, I remain

Faithfully yours,

THOMAS PARKER, Rector.

RED CROSS WAR FUND

March is Red Cross War Fund Month

In this most critical year ever faced by your Red Cross, Greater Philadelphia is asked to give \$4,234,000 for the only appeal during 1943 by the Southeastern Pennsylvania Chapter. This will provide the community's share in the second national Red Cross War Fund of \$125,000,000.

Mounting needs bring ever-increasing calls for Red Cross service as it goes shoulder to shoulder with our armed forces to every part of the world. More than 2,000,000 men in the past year were given counsel and assistance by trained Red Cross staff workers who understand the problems of service men and their families.

Since war began, the American Red Cross has aided 20,000,000 civilian war victims in Europe, Africa and Asia. To destitute hordes of Chinese refugees scattered over Asia, to thousands of wretched Greeks and Poles in the Middle East, the Red Cross is a symbol of life and hope.

On the home front the Red Cross fights to sustain public health as doctors and nurses go to war. Through courses in First Aid and Home Nursing; through Canteen, Motor Corps, Nurses Aid, and other services, the Red Cross has trained millions of our people to meet the new needs and grim civilian dangers of modern warfare.

The Red Cross collects our people's blood, freely given for the plasma needed urgently and in greater quantity on the battle fronts. It organizes and maintains hundreds of volunteer production groups, to make surgical dressings and clothing.

The Red Cross, which belongs to all

of us, needs all our support. Give more this year—give as much as you can!

The Ward Committee, under the direction of Mrs. Howard McComb, will solicit your contribution, beginning on Monday, March 8th. Please be as generous as possible.

Those who wish to contribute through the Church may give their contributions to Mrs. Parker.

DEAN FRANK W. BONYNGE

The Very Rev. Frank W. Bonyng, Dean of the Convocation of South Philadelphia, will visit our Parish on Wednesday, March 24th, at 8 P. M. We are very happy to have the Dean with us during Lent and we urge our people to come out and give him a hearty welcome.

Send Your Child to Sunday School

"And that from a child thou hast known the holy Scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus."—II Tim. 3:15.

The inspiring, uplifting and strengthening influences of the Sunday School last through generations. The influence of the Sunday School puts a stamp upon the child which can never be removed. The Sunday School is made possible through the church by the self-sacrific-

ing teachers who are devoting their time and talents to developing Christian lives.

It is made possible by the contributions of time, money, personality, trained leadership and love.

If your children are not in Sunday School, bring them next Sunday. Fathers and mothers can show a telling example to their children by being attendants at the Church School.—The Philadelphia Inquirer.

AMERICAN RED CROSS WAR FUND

If you have not yet given to the American Red Cross War Fund, it is not too late to do so now. It was announced over the radio this (Wednesday) evening that Philadelphia has thus far raised only

sixty per cent of its quota. We have all heard appeals for this fund again and again over the radio, from the pulpit and at public gatherings and have read about it daily in our newspapers. Surely there is not one among us who does not realize the importance of securing the amount asked; nor is it likely that there is anyone who has not a member of his family, a relative or a close friend in the service of our country. If the life of a loved one were lost because the needed supplies were not available, and if we had not done what we could have done to help supply them, we'd feel very remorseful, wouldn't we? Let them be safe and let us not be sorry.

Mrs. Parker will be glad to receive your donations, if you have not contributed or if you desire to give again.

Dear Friends:

Lent is half over and we are looking forward to Easter, when we shall sing again with Christians in Heaven and on earth, "Christ is Risen". May each one of us make a special effort to make this Easter season a happy one, full of hope for the future of our church and of our country.

The self-denial cards are in your hands. By April 4th, you should have them more than half filled. This is the first time that we have used these cards and there has been some misunderstanding as to their purpose. Some have thought that they were to take the place of the usual Easter offering. If this is your interpretation, we shall consider your offering as having been given for that purpose. If, however, your offering in the past has been more than the amount placed in the cards, we hope that you will make up the difference; or, better still, that you will give your regular Easter offering plus your self-denial offering, which was the thought in mind. This help in meeting your Church expenses will be sincerely appreciated by your Rector and Vestrymen.

With the season's greetings, I remain,

Faithfully yours,

THOMAS PARKER, Rector.

ONE SHIP SAILS EAST

One ship sails east and another sails west,
While the self-same breezes blow;
It's the set of the sails, and not the gales
That bids them where to go.
Like the winds of the air are the ways of
the fates,
As we journey along through life;
It's the set of the soul that decides the
goal,
And not the storms nor the strife.

The Altar Guild requests potted plants for Easter decorations. The plants may be sent to the parish house on Saturday morning, April 24th. DORCAS SOCIETY

The members of the Dorcas Society have been assisting the Red Cross War Fund Drive.

On March 21st the Dorcas Society, with the help of some of the girls of the church, prepared and served dinner for service men at the Salvation Army canteen. It was such a successful evening that the Salvation Army has requested them to come again. The Dorcas Society takes this opportunity to thank all who made this contribution toward the entertainment of our service men possible.

The Dorcas will hold a card party on Tuesday evening, April 27th, at 8:15 o'clock. Refreshments will be served. The admission will be 37 cents. We look for a large crowd.

Harriet J. Skillen, Secretary.

YOUNG PEOPLE'S FELLOWSHIP

Our Young People's Fellowship meets Sunday nights at 7:45 P. M. We'd be happy to have new boys and girls join us.

On March 11th, our President, George Ciervo, left to serve in the Armed Forces of our country. He is now stationed at Miami Beach, Florida, in the Army Air Corps. Virginia Bell was elected to serve as President in his absence.

Some of our girls acted as Hostesses at the Salvation Army Center on March 21st, when the ladies of the Dorcas Society prepared and served a dinner to boys in uniform. We are hoping we may be asked to be Hostesses again.

Boys and Girls!!!

Come out on Sunday nights and join us. Besides our Y. P. F. services, which are both helpful and interesting, we are planning good times for all.

Remember the time—7:45 P. M.

May E. Johnson, Secretary.

"OUR BOYS"

It has been suggested that we keep in touch with our boys in camp and wherever they may be serving our country. We would appreciate it if the families who have members in service would send their names and addresses to the church office, so that we may have a correct file

of them. The Committee, Messrs. Berry, Coleman and Jillard, would welcome donations to enable them to carry on this work.

SUGGESTS FORWARD STEPS IN COMMUNICANT'S LIFE

Keyed to Church's Advance Plan

Bishop Sturtevant of Fond du Lac, calling his people to full anticipation in the Forward in Service program, makes ten specific suggestions:

1. Move Forward your seat at worship. Don't be a back seat Christian.

2. Move Forward your time of arrival for service to permit a few minutes of quiet prayer and meditation, of self-examination and intention, before the service begins.

3. Move Forward your singing and responding from the inner recesses of your throat and soul to the open space of God's world, sharing audibly and joyfully in the praises of heaven.

4. Move Forward your thinking from the dim caves of tradition to the open court of vision, overcoming inertia to come to grips with your need of personal religion.

5. Move Forward after worship to greet your fellow Christians warmly.

6. Move Forward your giving to the plane of regularity in the use of your envelopes weekly.

7. Move Forward the spirit of religion in your home by giving prayer an earlier place in the day, and not just the tired end. Try a few prayers in addition to grace at supper table with the family, using the back pages of Forward—day by day.

8. Move Forward the daily meditation or reading from the Forward Movement booklet to a fresher, brighter place in the day's program. A page a day, two minutes; an enduring dividend-paying investment.

9. Move Forward your Christian love and forbearance to replace family argument and bickering, and move your household forward in the realm of conscious solidarity as an essential unit in God's Family.

10. Move Forward your charity to include all humanity, combating selfish aloofness with real concern for your neighbor—wherever he is.

LENTEN PREACHER

The Rev. Joseph Paul Morris, Vicar of the Chapel of the Prince of Peace, will be the guest preacher on Wednesday, April 14th. We welcome Mr. Morris to St. Paul's and hope that there will be a good congregation to hear his message.

THE ARMY AND NAVY COMMISSION OFFERING

We are pleased to report that gifts received and pledged on March 28th for the world-wide work of the Army and Navy Commission and the work of the War Commission in this Diocese amounted to \$77.30.

The early contributors to our Parish offering were:—

Mrs. George Conrad
Mrs. Blanche M. Curtis

Three envelopes without names.

Others gave in the loose collection on Sunday, March 28th.

No quota has been set for any of the churches in this diocese, but in the proportioning of other diocesan expenses St. Paul's has been asked to give one-half of one per-cent of the sum sought. If we apply this same ratio to Bishop Hart's earnest request for \$50,000 to be raised in the Diocese of Pennsylvania, St. Paul's share is \$250.

We can add nothing to Bishop Hart's appeal for funds to keep the Church with the men in the service of our Country. Remember that we are told that our armed forces will closely approximate 10,500,000 men next year. Many of them will seek guidance from our chaplains. The chaplains will have available only such articles to implement their work as your gifts provide. If you feel that your gift should be spread over the year, use the pledge form inclosed with the Bishop's letter.

SEND YOUR CHILDREN TO SUNDAY SCHOOL

As Paul pointed out to Timothy, it is well for the youth (in the home and in the Sunday School) to have their conscience made to direct them in proper behaviour toward God and man. Justice Lewis L. Fawcett of the Supreme Court of New York is quoted as saying, "My experience during 22 years on the bench, in which time over 4000 boys under twenty-one years of age were convicted of crime before me, of whom but three were members of a Sunday School, has satisfied me of the value of Sunday Schools to the community, in helping safeguard it from the growth of criminals."

"Train up a child in the way he should go . . ."—The Philadelphia Inquirer.

WORKERS NEED COURAGE

Any pastor, priest, or rabbi can make or break his church. Today offers them a great opportunity. They should so inspire their own people, including their finance committees, to the point where these committee members will have the courage to go out and raise needed funds for their churches.

People usually are eager to help financially if they are properly approached

and particularly if they are convinced that their money will be well spent. Let us make them realize that they will save themselves only as they save the churches.

Dear Friends:

Easter, "the Queen of Feasts", is now past. But for the disquiet in our hearts because of the war, the day would have been a very happy one for us at St. Paul's. The congregations were large and a feeling of hope and renewed confidence prevailed. The choir gave splendid support at both the early and the late services.

I am very glad to be able to announce that the Easter offering came to more than the amount asked. The total to date, including self-denial cards and gifts from organizations, is \$1331.59, with some cards and envelopes still coming in. The Vestry and I are very much pleased with this response and thank very cordially all who responded to our appeal.

May 15th will mark the fifth anniversary of my coming to St. Paul's as your rector. These years have been happy ones for me and have seen the fulfillment of a number of plans made when I began my ministry among you.

The war is adding immeasurably to our responsibilities, and also to our opportunities, and we shall need the co-operation of every one of you to accomplish the work before us. May we depend upon you for this help?

With all good wishes, I remain

Faithfully yours,

THOMAS PARKER,

Rector.

nor did his reply in the least mitigate the percentage that got him into the Q. M. school as an officer candidate. There's no particular story in this circumstance, but there is a story in the fact that after a few weeks of school he started attending chapel on Sundays, a procedure brought about by the example set by the other students in his classes. Prior to that, however, he was but one of the negligible fraction of one-half of one per cent of "unbelievers," according to General George A. Horkan, commandant of the quartermaster school.

A VITAL ROLE
Volunteers are needed to help man the Air Defense Wing's Information Center in Philadelphia.

With the disclosure by Col. Glenn O. Barcus, Wing Commander, that the WAACS are being withdrawn from the Center by the army for duty elsewhere, came the announcement that 700 volunteers will be needed to operate the Aircraft Warning Service in this city.

Men and women are needed for both day and night work.

Warning that "the importance of industries in this area makes Philadelphia a target of prime importance from the enemy's viewpoint," Colonel Barcus said:

"It is imperative that we maintain a 24-hour defense against possible enemy air raids. The fact that Philadelphia has not yet undergone the horrors of a bombing does not mean that such a bombing is not feasible."

Volunteers should register at the Civilian Defense Office, 16 South 15th Street, immediately.

Y. P. F.

These last six months have been very successful ones for the Y. P. F. Many of the young men are away in the service of Uncle Sam; so the girls have tried to carry on to the best of their ability.

We have helped to serve at Dorcas Society's dinners, both at home and at the Salvation Army Canteen. We had a very nice Pageant at Easter, and tho it was short, a nice evening service helped to make it seem longer—next time we'll try for a better one.

Early in May we took a five mile hike up the Wissahickon, and last Sunday the

young people had an outing at Lake Worth in New Jersey—both of which were lots of fun.

This does not mean that we have all play. We still have our meetings every Sunday evening at 7:45. All are welcome to come and join us then. Recently we, the Y. P. F., decided to ask the younger boys and girls from the Sunday School to come and join us. This Sunday, being Whitsunday the Young People will celebrate it by having a corporate communion at 8:00 A. M. We urge all young people of St. Paul's to join us.

May E. Johnson,
Secretary.

Some of the women of the Dorcas Society have been interesting themselves in wounded men of our armed forces by visiting them at the Naval and St. Agnes Hospitals. These women have been taking "smokes" and other treats to them. If you wish to help in this worthy effort and also to add a bit of cheer to our own men in service, please place donations in the plate on the table in the rear of the Church. These gifts will serve two purposes: They will help the Dorcas Society in its good work and will enable our Committee of Men to keep in touch with our men from St. Paul's who are in service.

Dear Friends:

Mrs. Parker and I wish to thank all of you who helped to make the dinner on May 15th such a happy and successful gathering. It was quite an undertaking to prepare and serve a meal for so many people. Everything went off very well and we feel sure that all who attended the dinner had an enjoyable time. We thank the Vestry, the Dorcas Society and Friends for the gifts that were presented to us on the fifth anniversary of our coming to St. Paul's.

The heat of the past few days reminds us that summer is at hand. It also makes us realize that the work of the Church will be curtailed as the various organizations close for the summer. The Church, however, will be open and services will be held at the usual hours: Holy Communion at 8:00 o'clock and Morning Prayer and Sermon at 11:00 o'clock every Sunday morning. We are being urged by the Government to remain at home weekends, to help relieve transportation difficulties. It is our hope that our parishioners will attend Divine services regularly on Sunday mornings and that they will remember their loved ones and friends in the armed forces of our country before the altar. While they cannot be with us now in person, they may be with us in spirit. Remembering them in this way will help us during these days of separation and will enable them to do their duty with increased confidence. We must not fail them. It pleases us to learn that they have attended services at their camps or at nearby churches. It will encourage them to know that we at home are remembering them in our prayers. This is the best tie that we can have with them,—the bond of Christian fellowship.

With all good wishes, I am

Faithfully yours

THOMAS PARKER,

Rector.

The Diocesan Spring Presentation of the United Thank Offering was held on Thursday, May 6th, at 10:30 A. M. at St. Luke and the Epiphany under unusual circumstances. Shortly before the service began the sirens sounded and many of the congregation, including the organist,

were caught in the alert. With only the chancel lighted Bishop Hart began the service. In the darkness it was most impressive for it was possible to appreciate the chancel and stained-glass windows as never before.

Dr. Salmon preached on the joy and opportunity in the work of the United Thank Offering and impressed upon his hearers that now, more than ever before, the work is needed. He said, in part, "We are not our brother's keeper, we are our brother's brother. As he came to the close of his sermon the "all clear" sounded and the lights in the church came on. Each was impressed that no matter what may happen the Church must go on.

The Offering was presented and then Bishop Hart led in reciting the hymn,

"Holy Offerings Rich and Rare." Bishop Taitt presented the Offering at the altar and led in the Thank Offering Prayer before reading the eleven names that had been added in the Book of Remembrance since the Fall In-gathering.

Truly it was a Thanksgiving Service, as the women in the Diocese were conscious of their many blessings. The Offering to date amounts to \$12,206.94. The books will be open until June 15th and there is every reason to believe that the goal of \$15,000 can be realized.

On account of General Convention meeting early in October, the Fall In-gathering will be early: Tuesday, September 28th, at St. Stephen's Church, 10th Street below Chestnut, at 8 P. M.

Camp Lee, Va.:—It was in the course of his post board examination that an applicant for officers candidate school at Camp Lee made a remark that led an officer, incidentally, to ask what his religion was; and he, with all the seriousness he could muster, replied: "I'm an atheist, thank God!" SERVICE MEN

Our Church has been represented at the St. Stephen's Church Service Club on the second Sunday of each month since July. Our women have helped at the Snack Bar and our young ladies have acted as hostesses.

Now the Service Club is to have supper for the men on Sunday evenings, from 5:00 to 7:30 P. M. We are asked to take a Sunday and I am sure we will all be willing to help to make the men in service happy while in Philadelphia. Mrs. Howard McComb has been selected to take charge of the suppers for the Club and Mrs. Robert Johnson is to supervise the waitresses.

The Dorcas Society has given me a donation for Christmas remembrances for our own men in service. I shall be happy to receive other donations to let "our boys" know that we are thinking of them while they are serving their country and ours.

The Committee for the above is as follows:—Mr. William Jillard, Mr. George Berry, Mr. Edgar Coleman, Mrs. Howard McComb, Mrs. William McGill and Mrs. Walter C. Tesche.

FORWARD DAY-BY-DAY

This way of using daily the Forward Day-by-Day Booklet may be helpful:

1. Begin by taking a moment to realize you are in the presence of God and a prayer that the Holy Spirit will bring God's message. "Speak, Lord, for Thy servant heareth."

2. Read the entire Scripture passage assigned for the day, weighing each word.

3. Before you read the printed comments in the booklet, listen for any mes-

sage which may come to you through the passage. It may be direction for some particular thing to be done. It may be a solution of some particular problem. It will give definiteness to your thoughts and help you to put them into effect if you write them down.

4. Then read the comments for further light and understanding.

5. Follow with prayer, not only for yourself, members of your family, and friends, but for your clergy and parish, Diocese and Bishop, and for the men and women in the armed forces.

STANDING NOTICES

Every one is welcome at all services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants, coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to the Rubric before the office for the Visitation of the Sick, which reads:

"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity and to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals, at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's Parish are asked to send their names and addresses to the Rector. The regular weekly envelope system is used to meet the expenses of the Church. The Accounting Warden will be pleased to provide you with envelopes.

Dear Friends:

We hope that you have had as pleasant and restful a summer as it was possible to have under existing conditions and that you are ready for the fall and winter work at St. Paul's.

The Summer Expense Boxes are due on October 3rd. Please bring them with you to Church and place them on the offertory plates. We trust that your offerings will be generous, as the need at the end of the summer is always great.

Countless churches throughout the world will be having Holy Communion on Sunday, October 3rd, the first Sunday of the month. What a tremendous influence for good we could have if all communicants would come to the Lord's Supper at this time, to worship Him and to pray for strength and guidance for the tasks that lie ahead; to pray humbly for wisdom and for the knowledge of the love of Christ.

Cordially yours,

THOMAS PARKER,

Rector.

BISHOP TAITT'S DEATH

On July 17th the Diocese was shocked to learn of Bishop Taitt's death. The Bishop was greatly loved by people both within and without the Church. His entire ministry was spent in the Diocese of Pennsylvania.

MEMORIAL SERVICE FOR BISHOP TAITT

A memorial service for Bishop Taitt will be held on Sunday evening, October 17th, in Holy Trinity Church, 17th and Walnut Streets. The clergy and congregations are invited to this service.

A thank offering to God for the long life and work of Bishop Taitt in the Church in this Diocese will be taken on Sunday, October 3rd. Envelopes for this purpose will be distributed in the pews. If for any reason you are unable to be present, please send your contribution to the Accounting Warden marked "Bishop Taitt Thank Offering".

TENTH BISHOP OF PENNSYLVANIA

The Rt. Rev. Oliver James Hart, D. D., LL. D., became the tenth Bishop of Pennsylvania upon the death of Bishop Taitt. Bishop Hart was enthroned as Bishop of the Diocese at a very impressive service held in the Cathedral Church of Christ, on September 21st.

YOUTH SUNDAY, OCTOBER 13th

The Presiding Bishop urges all young people of the Church to observe wholeheartedly Youth Sunday, October 31st.

There will be a corporate communion for the Young People of the Parish on October 31st, at 8:00 A. M. Let us make every effort to be present and invite others to come with us.

THE CHANCEL WINDOW

Many persons have admired the beautiful stained glass window above our altar which was erected by the members and friends of the parish in memory of Mr. and Mrs. George C. Thomas and dedicated in October, 1924. The D'Ascenzo Studios, designers and builders of the window, have given us the following description of it:

In the centre panel of the design is a figure of Our Lord in the act of blessing His followers and disciples, and on the ribbon underneath are these words "All Nations shall serve Him." Immediately under the ribbon is placed the emblem of the Paschal Lamb, our sacrifice.

The standing figures on the lower level of the design are those of St. Paul and St. Peter, with the following inscriptions. Under St. Paul are noted the words uttered by him at Athens: "Him declare I unto you." Under St. Peter are the words: "Upon this rock I build my Church."

In order to further illustrate our suggestion of the establishment of the Church we have designed two predellas or small panel pictures. The one under St. Paul depicts him addressing the Athenians; the one under St. Peter illustrates the Baptism of Cornelius the Centurian by St. Peter.

In the upper level of the design are shown on the right and left of our Lord, the figures of Timothy and Barnabas. Timothy is shown in the vestments of a priest holding a chalice and scroll in order to designate his high rank and position of authority. On the ribbon below are the words of St. Paul, "Timothy my work-fellow." Barnabas is shown on the other side of Our Lord with pilgrim staff and water bottle, emblems that suggest his companionship with Paul on their several missionary journeys.

Beside the symbols of the four Evangelists in the right and left centre of the design you will also find other emblems of special significance in the background gresaille pattern. All of which should be carefully studied in order to produce the very best results.

CHURCH-WIDE DAY OF PRAYER

On Thursday, November 11th, at 10:00 a. m., there will be a celebration of Holy Communion in our Church. Come and spend some time in prayer.

THE REST OF US

Our Church and Church School attendances are reflecting among a number of things the influences of the war. Our boys have gone into the Service, others are called upon to work either for civilian defense or for war production. The general state of confusion and uncertainty likewise adversely affects the whole situation. These things we cannot help and must make the best of them.

The rest of us, however, must endeavor to make up these loses. We must keep "the home fires burning" at their brightest and best. This includes the Church as it does the many other phases of our normal way of life. It means that we who have not been called out of our normal ways of life must do more, increasingly more and more, to keep the "home front" at its best. The war is no excuse for us to neglect our Church and our God. If we are truly disciples of the Master the tragic conditions of the day will force us to increased interest, loyalty and devotion to the things for which the Church stands.

Parents must stand back of the Church School. All of us must endeavor to keep our Church well filled with devout worshippers.

Dear Friends:

We are grateful to you all who have given through the Summer Expense Boxes. The amount derived in this way has enabled us to pay for some repairs that were necessary. Unfortunately, the years have brought our buildings to a state where we may expect to have to make repairs upon them from time to time.

The "Denial Cards" sent to you last spring met with such a cordial response and filled such a real need that the Vestry and I hope that you are willing to help in this way again this year. We are, therefore, mailing you these cards. Each card holds forty times. They are to be placed on the offertory plates on Christmas Day.

The Every Member Canvass, under the direction of Mr. D. Cortlandt Montgomery, will take place as soon as the necessary arrangements can be made. One of the purposes of the canvass is to stimulate interest in the Church and we hope that we may count upon you for full co-operation.

We are anxious that the men in service have the Church with them wherever they may go. This is important and it must be provided, but in our zeal for them to avail themselves of this opportunity, let us at home not neglect the privilege of attending church too. We believe that the men in service would be happy if they knew their families were in church regularly and praying for them.

The work for service men at St. Stephen's Church Service Center is being carried on in a very efficient manner. Our church will provide and prepare the supper on Sunday, November 7th. This means a giving of time and money, but it is a satisfaction to feel that we are doing something for boys who are away from home and friends.

The Committee appointed to keep in touch with our own men in service will be glad to receive donations from you in the box at the rear of the Church. The Committee is thankful to you for your fine co-operation in this matter. Will you not show your continued interest in the undertaking by being present on Tuesday evening, November 9th, at 8:15 o'clock, for an evening of cards and games?

Have you some new neighbors who are looking for a church home? Have you suggested St. Paul's? If not, will you do so at once? We shall make every effort to make them feel at home. The children will be welcome in our Church School at 9:30 A. M.

I believe that our Church would have a far greater influence if we were more of a family church with entire families present at a service at least one Sunday a month. If we knew God better and loved Him more, we would be a greater

power in spreading His Kingdom among men.

Cordially yours,

THOMAS PARKER,
Rector.

CHURCH BAZAAR AND SUPPER

The Dorcas Society has planned a Church Bazaar and Supper to be held in the Parish House on Saturday evening, December 4th. Let us start now to plan and prepare for a sociable evening for the members of our Parish and our friends. Remember the date—December 4th.

MOVING PICTURES

The Dorcas Society has arranged to have a moving picture shown by Abbott's Dairies on Monday evening, November 15th. After the picture there will be games. It is hoped that many will be present to see the movies and will remain for the games.

THANKSGIVING SERVICE

There will be a celebration of Holy Communion on Thanksgiving Day, Thursday, November 25th, at 10:00 A. M. The offering will be for the Episcopal Hospital and it is hoped that it will be a generous one, as the Hospital is rendering splendid service to those in need.

THE PARABLE OF THE EVERY MEMBER CANVASS

Based on St. Luke, 16: 1-12

The Parable of the Every Member Canvass, by the Rt. Rev. Robert Nelson Spencer, Bishop of West Missouri. "Once and for all," says Bishop Spencer, "Jesus gave us the Parable of the Every Member Canvass. You may read it for yourself in the 16th Chapter of St. Luke, the first twelve verses: First it is spoken expressly to us, as Church members, or Church attendants. Jesus had been speaking to the crowd, as one might speak to people in a drive for a Community Chest, or in a Town Meeting. 'And now He said also to His disciples.' Now He is talking to us. Now He is talking about the Church.

"The second thing to note carefully is this: He is talking about money. He is talking about finances. He is talking about what you and I owe to the Church. To be sure, He talks in parable. He is using 'measures of oil' and 'measures of wheat' for money, for that was what they used as money in that every member canvass. The point is, how much do you owe, how much do I owe? We have the pledge card in our hand. What do we owe to keep the Perpetual Light of the Holy Gospel shining in this dark world?

"Now here is where the shameful part comes into this business. A too easy conscience, called here in the parable 'a steward' is going to shave down a confessed obligation. The disciple canvassed says 'I owe an hundred measures of oil.' That might mean a thousand, or a hundred, or fifty-two or thirteen and a half dollars. It means the utmost that we ought to give and can give. But the too easy conscience says 'Maybe I should make that less. I'll not put down that hundred. Money is plentiful for most people now. Figures don't lie, and the community and war chests went thousands over doubled goals. But we don't know what is coming, with high living and increased taxes. I'll sit down quickly and shave that hundred to fifty.' Or I'll say, 'Make it the same as last year. But oughtn't I to make it more this year? They did it in the community and the war chests. But no; the same as last year.

"Well, if we deal unfairly with this Every Member Canvass, we'll have to do it quickly. Jesus says that this man, playing with his conscience, sat down quickly and gave what he knew he ought to give and could give. We must do it quickly if we are going to do it. The Every Member Canvass, which is planned months in advance, which has to do with budgets wearily worked over, which holds the efficiency and the fate of a parish, or a diocese, of the whole Church in the balance—the Canvass so far as the sub-

scriber is concerned, is a brief moment. The subscriber can do it no end of harm in that brief moment, when his pencil is making figures on a pledge card.

"Or, the subscriber may crowd into that brief moment, all the blessings the Church has given him. His baptism, confirmation, his first communion, and his many communions; the piety of his parents who loved the Church, lived in it, were gathered up into the Arms of God from its arms; the sacraments that have nourished all of life's way; the feel of the difference when one has come into the Church door, when one's lips have tasted the dust of a work-a-day world, and a chalice of Divine Love has cleansed them; the Church where One has brought to all our sins and temptations and struggles the pitiful heart of God—How much do I owe to my Church—All that we must bring into that brief moment when our living fingers are making figures on a pledge card.

"One does not, of course, waste this space on the Episcopalian who is doing his full duty to the Church. There are many such. But half the Episcopalian in America give practically nothing to the Church.

"We can get by. The disciple in the story did. He did it quickly before his conscience could say one word, and he got by. On the face of the story it seems that our Lord commended him. But when we look squarely into the eyes of the story, 'it brings the sweat out on us.' Jesus says: 'You are a wise child of this world. You have saved something on that pledge card. Take it! Take it, for that is all you will ever get—forever and ever.'

"Our Lord admits that money is a good friend to have. It is useful in this world. You can make it your friend while you are here. But you can also tie some of it up in the eternal thing which is your religion. I want to quote our Saviour exactly here—for I wouldn't know about this: 'Make friends,' He said, 'of the money of this world; that, when ye fail, it may receive you into everlasting habitations!' Can you buy your immortality? No. But you can purchase a share in the Eternal Christ who did buy your immortality. You can purchase a friendship, not for three score years and ten, but forever and ever. Do you believe this? Look about you. Your Church was built and nourished by those who are now in eternal habitations. Their friendship is all about you. It is their love that will not let you go. Are you going to let down the generations coming after you? Are you going to invest in the Eternal Friendship? You must think about these things when the angels of your better nature tell you what you owe, and what you are about to put down on that pledge card."

Dear Friends:

Christmastime is a time of good cheer: a time of joy. It should be a happy time for us all as we celebrate the birth of the Son of God, the Prince of Peace.

From time immemorial the giving and receiving of gifts have been associated with this season of the year. The Wise Men brought the Infant Jesus gifts of gold and frankincense and myrrh when they visited Him in the manger in Bethlehem. From this good example came the custom of giving gifts to Christ each year through His Church. As our needs at St. Paul's continue to be many, we trust that your gifts to your Church this year will again be very generous. We need \$1600.00 to meet outstanding obligations. It will be a better Christmas for us all if each and every one of us will do his or her best for Christ's work through His Church.

The services on Christmas Day and the Sunday after are as follows:

Christmas

Holy Communion and Carols, 5:45 A. M.
Holy Communion and Sermon, 10:00 A. M.

Sunday after Christmas

Holy Communion 8:00 A. M.
Church School 9:30 A. M.
Holy Communion and Sermon, 11:00 A. M.

Wishing you all a happy Christmas, I am

Cordially yours,
THOMAS PARKER,
Rector.

Dear Mr. Parker:

May I express, on behalf of the Executive Committee of St. Stephen's Service Club, and for myself, personally, our most grateful thanks to you and to all the members of St. Paul's Memorial Parish, who made possible the bountiful Supper served to 185 Service men last Sunday evening.

I think we must also say special thanks to your Parish for having given us Mrs. Howard W. McComb, as the enthusiastic and efficient chairman of this new and successful part of the Club's work.

A statement of the use of the funds provided by St. Paul's Memorial is herewith attached.

Very sincerely yours,

THE EVERY MEMBER CANVASS — DECEMBER 6th to 19th

Your Rector and Vestry

ask you to consider seriously the great need for strengthening our Church in these war days. We must not forget that those representing us on the battlefronts are counting on us here at home.

Our faith must be as strong
as theirs!

ALWAYS A PRIORITY—OUR CHURCH

The war has brought new opportunities to the Church and, to take advantage of these, we must enlist the help of every Church member. The Every Member Canvass is not merely a solicitation for money; even more important, it is a challenge to every member to give of himself, his time, his thought, his abilities, as well as his means, to the Church and her Mission. Our Church can be transformed in its outreach to the community, the nation and the world if every member is truly enlisted for Christ. This is the goal for this year's Every Member Canvass.

Our soldiers and sailors have faith. And we must not fail them; our faith must be as strong as theirs. The channel of our faith is the Church, St. Paul's Church, right here in our own community. When the war is over, will they come home to the kind of peace, the kind of community they hope for? One of the best ways to insure this is to strengthen our faith and our Church.

Our chaplains are with our service men, and on the Home Front regularly we are called to worship at our Parish altar. In the past year, 147 services were held and the attendance numbered 5030. From birth to death our Church serves us. In a year we have had 26 baptisms, 23 confirmations, 2 weddings and 62 burials. We want our children to be strong, free from fear and want; free to worship. Our Church School is training them for such a future.

The war has taken 52 of our men and young men into military service; but we still have a faithful lot who carry on in our parish work. It is our privilege to work and give to the support of our Church in our community. We should thank God for that privilege, realizing that today half the people of the world are denied it. Let's not be guilty of the "too little . . . too late" attitude.

St. Paul's is not just a local church. It is part of a world-wide Church which started with Christ and has come down to us through the Ages. Just as our parish grew out of the efforts of others, so we work for and give to the support and extension of our Church outside our community. The Vestry has accepted as St. Paul's share of the missionary work of our church the sum of \$700.

Today new opportunities for the Church are available and by giving to the support of our missionary program at home and abroad we can help shape the kind of a world and the kind of a peace our men and women in the military services expect of us.

Our Parish budget for 1944 shown below may be termed a minimum budget. It represents the amounts necessary for the maintenance of services and parish life, but does not cover major repairs now necessary on our buildings.

Missions	\$ 700
Diocesan Assessment	353
Salaries	4,200
Music	150
Clergy Pension Fund	255
Repairs	100
Improvements	500
General Maintenance	600
Printing and Mailing	400
Rental of Rectory	700

\$7,968

The budget allots \$7,268 for the work of the Parish and for the Diocesan Assessment.

Expected receipts in 1944, if based on 1943 giving would be:

Envelopes (black side)	\$2,600
Parish organizations	900
Easter offering	650
Christmas offering	650
Loose offerings	250

\$5,050

There are two ways of giving the balance of \$2,218; weekly in increased giving through the envelope system, or by special appeals which are costly to distribute and take much time of a small group of people to prepare. The advantages of giving our full share through the envelope system are apparent to all of us.

Just as our men and women are enlisting in the armed forces for the defense of democratic principles, so we must enlist in the Christian forces of our community and our nation. We do this by regular attendance at Church service and other activities. But we also do it by giving regularly in proportion to our means.

We're giving more in '44 to the Church.

Dear Friends:

We wish you all a Happy New Year: A year that will bring peace to many nations, with total peace in sight: A year that will bring God closer to us day by day.

Some of our men in service have written "We didn't know how much we could miss St. Paul's until we couldn't attend its services". It make us feel good to have them write that they are thinking of St. Paul's and looking forward to the day when they can return to worship in their home church.

Perhaps the least that we, who are at home, can do is to resolve to attend church once a week and pray for the boys in service and for an early and wise peace. We cannot think of anything that would make them happier than to know that we are remembering them before the altar of God.

A matter that is giving us grave concern is the seeming lack of interest in our Church School. It does not seem to matter to some parents whether their children attend Church School or not. Do you not want your children to know about Jesus and to be strengthened by a knowledge of and faith in a loving Father in Heaven? Do you not think that it is as important for them to receive a religious education to teach them how to live as it is for them to have a secular education to train them to earn a living? Let us do all that we can to make our Church School an important part of our lives,—by sending our children to it, by interesting other children to attend it or by teaching in it.

We thank all the members and friends of St. Paul's who contributed so generously to the Christmas offering. To date it amounts to \$1275.06. The Rector and Vestry appreciate very much your generous response to the Christmas appeal.

We pray for courage and wisdom and faith to meet the privileges and responsibilities of the New Year upon which we have just entered.

Faithfully yours,

THOMAS PARKER, Rector.

Should St. Paul's Day fall on a Sunday the election shall be held on the day following.

Article 1, Section 2.

On Thursday, February 24th, there will be a meeting of Wards 26, 36, 40 and 48, in the Parish House at 8 P. Speakers will tell about the great need of volunteer workers to put the Drive "over the top".

We hope many will come out and give their services.

**WELCOME
TO BISHOP McCLELLAND**

We are very glad to have with us this evening, the Rt. Rev. William McClelland, D.D., Bishop of Easton (Maryland), to administer the rite of confirmation to this year's class.

Bishop McClelland is not a stranger in Philadelphia, having been born here. He received his education in the public schools of this city, Harvard University and the Philadelphia Divinity School. His early ministry was spent in our city. We extend a hearty welcome to him and trust that he may visit us again.

**MINUTES OF THE
ANNUAL PARISH MEETING
January 25, 1944**

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House on St. Paul's Day, January 25, 1944, at 8.00 p. m., following a dinner prepared by the Dorcas Society and served by the young women of the Church. Thirty persons were in attendance, and the Rector, the Rev. Thomas Parker, presided.

The meeting was opened with an invocation, and the minutes of the Annual Parish Meeting held on January 25, 1943, were read and approved. The Rector spoke of the favorable financial condition of the Church, and asked for the support of the communicants in meeting our increased missionary quota of \$700 for 1944 which St. Paul's has accepted.

Reports were presented for Parish groups as follows:

Choir by Mr. Louis R. Beck.

Church School by Mrs. Frank C. McCook.

American Red Cross Auxiliary by Mrs. Thomas Parker.

Dorcas Society by Mrs. Robert J. Skillen.

Work of friends of the Parish at St. Stephen's Service Club and in Federal hospital wards by Mrs. Howard W. McComb.

Altar Guild by Mrs. Herbert S. Edkins.

Parish Committee for the Diocesan War Commission by Mr. D. Cortlandt Montgomery.

Young People's Recreational Group by Miss Ella Coleman.

The Rector reported the formation of a Boy Scout Troop and gave a current report for the Servicemen's Committee.

Tellers to conduct the voting for Vestrymen were appointed by the Rector. Following the balloting the tellers, Mrs. William Gibson and Mrs. Matilda Greentree, reported the vote in favor of the candidates:

Mr. John Hare, Sr.

Mr. James D. Hill

Mr. D. Cortlandt Montgomery

Dr. J. Randall Skillen

The meeting adjourned at 9.15 p. m.

D. Cortlandt Montgomery,

Secretary.

AMERICAN RED CROSS

St. Paul's Branch of the American Red Cross met regularly on Thursday of each week until midsummer, when supplies ran out and we were unable to secure more. When we met again in September, the Supply Department of the Red Cross was still short of materials for sewing and was able to send us only a small amount of wool for knitting, which was soon exhausted.

For this reason, and because of the necessity of conserving coal, and also because our group had been reduced in numbers by illness, removal from the city and employment, our members voted to do the work in their homes when materials could be supplied by Headquarters. At the present time we have a fair amount of wool on hand for sleeveless sweaters for the Army. If there are experienced knitters who are not now knitting for the Red Cross, we would be glad to have them take wool for this purpose, providing that they expect to be able to return the finished garments within a month.

CHURCH SCHOOL

The Church School is one of the most important departments of the Church. It is here that children are given early instruction in the things pertaining to God and His Church. We have a faithful group of teachers, for the most part, and they are endeavoring to help our boys and girls to receive a good religious training.

It is appalling to realize the indifference on the part of some parents in regard to their children's religious life. Most children want to come to Church School, but their parents do not care to be bothered by seeing that they get up and off on time. This state of affairs is not peculiar to St. Paul's, however. Church magazines have stressed this situation frequently of late.

We cannot have a strong, live Church if we do not have a growing, interested Church School. Are you willing to retard the growth of your child by not giving him the opportunity to grow in grace and in the knowledge of God?

Better still, may we not only send children to our Church School, but come ourselves to help in whatever way our abilities can be used.

DORCAS SOCIETY

The Dorcas Society has had a busy and successful year, under the efficient leadership of Mrs. Howard McComb.

During 1943, we have turned over to the Accounting Warden for church expenses, the sum of \$950.00, and have made

donations to many worthy causes, including Convocation, Elizabeth Price Martin League, House of Rest for the Aged, also to purchase gifts for service men in hospitals, overseas and for those still in the States. We also sent gifts to needy members of our Parish. We sent flowers to and visited those of our members who were ill. We also sent flowers and cards of sympathy when members of our organization were bereaved.

To raise money for this work, we have engaged in a number of activities, including suppers and card parties. We have had a blanket club and a candy club. We have taken trips to places of interest. We have received dues, collections and donations. We had a bazaar in December. The members have sold stationery, tea balls, bath salts, starch and greeting cards. We have attended cooking school lectures. We have had moving pictures and games. From these sources we have realized and expended the sum of \$132.47.

ALTAR GUILD REPORT

The Altar Guild has worked out a schedule for the members to take turns in doing the altar work and it seems to be working out very nicely.

We now have a chart with the memorial flowers listed for the year, in the rear of the church. Those who give flowers may see when their memorials are due and whether they are listed correctly. If there are any changes in providing flowers, please get in touch with Mrs. McCook. At times our flowers are very few. This is because they are very expensive now and our funds are low now and then. In some cases, those who have given us the money to buy the flowers have not increased the amounts given.

A prayer book was given by Mr. Cortlandt Montgomery and Mrs. William Wiley as a memorial to their mother, Mrs. Mary Montgomery, and was dedicated on All Saints' Day.

The Altar Guild wishes to thank all who have helped to beautify our altar with gifts of flowers or money.

FRIDAY EVENING GROUP

I am here tonight as a representative of the group now meeting in the Parish House on Friday evenings. During our time here we have the privilege of using all the recreational facilities afforded in the basement, using the recording machine for dancing. Since this group has no appointed leader, I volunteered to represent them tonight. They wish to express their sincere gratitude and thanks for the benefits that our Church has given them.—Ella M. Coleman.

ST. STEPHEN'S SERVICE CLUB 10th Street below Market

On Sunday, October 3rd, suppers were added to climax a busy week at St. Stephen's Service Club, 923 Ludlow St., where Service Men and Women find the welcome that brings them back again and again; and they look forward to their hours "off duty" when they can mingle with "Buddies" from every State in the Union and Allied Nations. A record from Sept. 1st until Jan. 1st shows that 11,994 have spent their leisure hours with us—3,743 new registrations, that speaks for itself—showing they have found a "home" in Phila.

It is my pleasure to be chairman of Suppers: heading a committee of women representing 17 Parishes. The young women of our own Parish are the trained waitresses who serve alternately, so St. Paul's is doing a tiny bit in making it pleasant for our service folks who spend their leisure hours in Phila. Parishes in the Diocese provide the suppers and each Parish is host for a Sunday; and we are booked until April. We have served from 200 to 250 every Sunday. Thanksgiving Day was "Banner Day" when we served turkey and all trimmings to 319. Entertainment follows the supper, 8 to 11 P. M., and every member of the Parish is invited to come in and visit any Sunday evening.

Aside from giving comfort and joy to Boys on leave, there is a group of women who spend many hours among our wounded and sick veterans at the Naval Hospital, St. Agnes Hospital and Byberry. This group is known as "Service Volunteers" and meets in the Parish House, the 1st Friday of the month at 8 P. M.

Groups visit the Naval Hospital every Tuesday and the third Sunday of the month. St. Agnes, where Coast Guard and Merchant Marine are quartered, every Tuesday, Thursday and Sunday. We make one trip a month to Byberry, where we have 150 veterans assigned us; this work is interesting and helps build up the morale of those who did their part for us.

Anyone willing to give time to this work is invited to join and be assigned to a trained group.

SERVICE MEN'S FUND

On October 8th, 1943, a Service Men's Committee was organized for the purpose of sending remembrances to our men in the service.

The Committee is as follows: Mr. William Jillard, Mr. George Berry, Mr. Edgar Coleman, Mrs. Howard McComb, Mrs. Walter C. Tesche and Mrs. William McGill.

To date, we have received \$159.70 from donations and a card party. The ex-

penses for the Christmas kits, packages and contents amounted to \$131.50, leaving a balance of \$28.20 in the treasury.

The Committee is especially grateful to Mrs. Kampen for a donation of \$10, which she earned by making very attractive baskets out of Christmas cards.

We regret that lack of space in The Chronicle prevents our printing the letters of thanks that we have received from our men in service for these remembrances. Without exception, they expressed sincere appreciation of the gifts sent and the thoughtfulness which prompted the sending of them.

Give to Those Who Are Giving to You WAR SERVICE DAY Sunday, February 13th

The Church in a world of war must, and indeed does sense a special obligation to make its ministry available and effective. Especially must it serve those who are subject to this new form of life, who are accustomed to Christian worship and teaching. All people who are away from normal environments and many from their own church and its ministry become our individual responsibility. We cannot all answer in person the call for help or the request for advice and understanding from these people far from home, but we have it in our power to implement our representatives, to give them the fullest material help as missionaries of Christ.

Your representative in this work is the Army and Navy Commission of the National Church. To aid the work of the National program and to meet more effectively local situations created by war conditions, a Diocesan War Commission was appointed. Its job is to raise funds for this Diocese's share in the work of the Army and Navy Commission; to raise funds for local work and to investigate new needs for the work of the Church and ways of meeting them.

Many of our parishioners have aided the work of the Diocesan War Commission at St. Stephen's Service Club. To those who have worked there the need is very close and real, and they obtain a feeling of deep satisfaction in seeing the result of their labors. Multiply this work many times to represent the many places where we find Americans today and you can get some idea of the breadth of the work of the Army and Navy Commission.

The National Commission needs \$65,000 from our Diocese to continue their work, 40% of which will stay in this Diocese for the use of the local Commission. On War Service Day, February 13, a special offering will be taken for this fund. Every member of the Church is asked to "Give to those who are giving for you."

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We are now in the second week of Lent and are seeking to renew our spiritual life by study of the teachings of our Lord. That is what Lent is for: a special time for preparation. When we send children to school, we send them to the institution that we think will best prepare them for their life-work. We are not satisfied unless they have the best. This should be particularly true of Christians: they should see that their children receive the best training available to fit them to be followers of Jesus. We should not be satisfied to have them exposed to a meager training: we should see that they "read, mark, learn and inwardly digest" the things that will help to strengthen their spiritual lives. If we are able to renew interest in religion during the Lenten Season, we shall greatly strengthen our usefulness in spreading the Kingdom of God among men. We shall have a part in bringing about a better feeling among men. Understanding each other, loving each other and working peaceably with one another is one way that we know that He is directing our lives.

Let us make full use of these days of preparation.

Cordially yours,

THOMAS PARKER,
Rector.

CHILDREN HELP CARRY CHRIST'S MESSAGE

by the

Rt. Rev. Henry St. George Tucker, D.D.,
Presiding Bishop

The Children's Lenten Offering gives to the young members of the Church an opportunity to help in the carrying out of God's purpose here on earth.

Christ taught us both by His example and by His loving interest in children that our heavenly Father both welcomes and expects their co-operation. When He was only twelve years old He said to those who scolded Him for being in the Temple asking and answering questions, "Wist ye not that I must be about my Father's business?" After He had grown up and was busily engaged in teaching and healing, on one occasion the disciples rebuked those who brought some young children to Him. They thought that He was too busy to be interrupted by children. He said, however, "Suffer the little children to come unto me, and forbid them not: for of such is the Kingdom of Heaven."

We have every reason therefore to believe that the heavenly Father rejoices in the help of young people. They play a real and important part in aiding Him to

carry out His loving purpose for mankind. Children's offerings may not be as large in amount as those of grown people, but anyone who has ever worked in the mission field knows that their contributions make a tremendous impression upon those whom we are trying to reach with the Gospel message. I have myself seen people who were utterly indifferent to my preaching and teaching suddenly show intense interest when I read to them a letter from a young Christian in America or told them of a contribution that had come from children to help carry Christ's message to those in a far country.

Let us then think of the Children's Lenten Offering not only as a means of showing our gratitude to God for all that He has done for us, but also as an opportunity of taking a real part in the work for which Christ came down from heaven and died upon the Cross. Our gift may seem small, but if it represents our best effort, if it means real sacrifice of something that we want for ourselves, then Christ will welcome it and through it perform a service for one whom larger offerings had been unable to draw to Him.

The Children's Lenten Offering all over the world is illustrating the truth of those words written long ago, "And a little child shall lead them."

SOLDIER, WHAT DID YOU SEE?

What did you see, Soldier? What did you see at war?

I saw such glory and horror as I've never seen before.

I saw men's hearts burned naked in red crucibles of pain.

I saw such godlike courage as I'll never see again.

What did you hear, Soldier? What did you hear at war?

I heard the prayers on lips of men who had never prayed before.

I heard men tell their very souls, confessing each dark stain.

I heard men speak the sacred things they will not speak again.

What did you eat, Soldier? What did you eat at war?

I ate the sour bread of fear, the acid salt of gore.

My lips were burned with wine of hate, the scalding drink of Cain.

My tongue has known a bitter taste I would not taste again.

What did you think, Soldier? What did you think of war?

I thought, how strange we have not learned from wars that raged before,

Except new ways of killing, new multiples of pain.

Is all the blood that men have shed but blood shed all in vain?

What did you learn, Soldier? What did you learn at war?

I learned that we must learn sometimes what was not learned before.

That victories won on battlefields are victories won in vain

Unless in peace we kill the germs that breed new wars again.

What did you pray, Soldier? What did you pray at war?

I prayed that we might do the thing we have not done before;

That we might mobilize for peace . . . nor mobilize in vain,

Lest Christ and man be forced to climb stark Calvary again.

This poem was used by Rev. John Bodger as the closing words of his stirring address at the War Commission luncheon in the Bellevue-Stratford on January 28th.

Dear Friends:

May I take this opportunity to thank you for your very generous response to our Lenten and Easter appeals. The offerings amounted to \$1,412.29.

Bishop Hart has suggested that the Churches of the Diocese be open daily for their congregations to enter and pray for victory and peace. We are glad to comply with the Bishop's suggestion. Please come through the Parish House to enter the Church.

The Dorcas Society and Girls' Friendly have pledged 54 Red Cross Prisoner of War Boxes, representing the 54 stars on our Service Flag. Each box costs \$3.50. If you would like to contribute \$3.50 for one of these boxes, please send or hand your contribution to the Rector; or you may place a donation in the alms basin on the table at the rear of the Church.

Another way in which we can honor those of our members in the service of our country is to be present at one of the Church services every Sunday. They will be happy to know that we are praying for them before the altar of God.

Cordially yours,

THOMAS PARKER,
Rector.

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

We are again planning for the months when our members go on vacations and church attendance is poor.

Mr. Herbert S. Eddins came upon this scheme to help us with what we have been calling our "Summer Expense Fund". If you will follow the instructions below, it will be interesting to you and helpful to your Church. Here is what you are to do:—

"The 4:15 Plan"

"The 4 represents the 4 months—June, July, August and September. The 15 means the first 15 days of each of those months. In a box on the first day drop one round copper—on the second day deposit two cents more—on the third increase the collection by three cents more—add four more pennies on the fourth day—five on the fifth—and so on—depositing the number of coins represented by that day of the month up to and including the 15th—or a total of \$1.20 for one month—\$4.80 over the 4 months.

On Sunday, May 28th, representatives from the Herbert Warriner Post, No. 70, American Legion, took part in a Memorial Service in our Church. We wish to thank them for their co-operation in making the service interesting and memorable.

On June 14th we will hold our Annual June Fete. You are cordially invited to attend and bring your family and friends. Besides a baked ham dinner, prepared by members of the Dorcas Society, and served by the young ladies of the church, there will be tables with Fancy Goods, Bakery and Candy for sale. You will have an opportunity to give a beautiful doll your favorite name and, if you should be fortunate enough to select the right name, the doll will be yours. This is St. Paul's Night. Come out and enjoy yourselves and help to make the evening a success.

The services during the summer months will be:—

Holy Communion 8:00 A. M.
Morning Prayer and Sermon . . 11:00 A. M.

Let us try to be present every Sunday, unless prevented from doing so by sickness or by absence from the city on business or vacation.

Cordially yours,
THOMAS PARKER,
Rector.

CHURCH SCHOOL

The Church School will hold its closing session on June 11th, at 9:30 A. M.

Our School, represented by Mrs. Roy's class, presented our Lenten Offering of \$200.00 at the Presentation Service, held on the grounds of the Episcopal Academy, May 21st. The total offering from the Church Schools of the Diocese amounted to over \$45,000.00.

The Church School will re-open on Sunday, September 17th, at 9:30 A. M.

BOY SCOUTS

Andrew Bozzelli is Troop Quartermaster of Troop Five and also acting as Patrol Leader of the Beaver Patrol.

Every month an award is given to the

outstanding patrol of the month. The Cobra Patrol won the award for April and the Beaver Patrol won the award for May.

On Saturday, May 11th, there was an Investiture Ceremony and there were also two films shown, one about the Scouts and the other of Treasure Island.

On Saturday, May 13th, the Troop went to the Fels Planetarium in the Franklin Institute, 20th St. and the Parkway, and took "A Trip to the Moon". After our visit to the Planetarium, we went on a Commando Hike. The Beaver Patrol reached the destination (Scouts' Triangle) but the Cobra Patrol got lost and, not being able to reach its objective, had to go home.

On Wednesday, June 14th, Troop Five will be presented with a flag of the United States at Scout Headquarters by the Daughters of the American Revolution.

From July 26th to August 2nd the Troop will camp at Treasure Island.

PERSONAL STATIONERY

A letter from the Personal Stationery Company states: "We are happy to announce that we are able to again accept orders for Elite and Club Size Stationery from our old customers, starting June 15th and continuing to September 15th, 1944.

The demand for our stationery is tremendous and we strongly advise that you start right now, taking orders for late summer and fall delivery. Impress upon them the importance of ordering now for next Christmas, as the paper shortage is critical and may be much worse this coming fall."

Mrs. Parker will be glad to show you samples and take your orders.

A SERVICE OF THANKSGIVING

A service of Thanksgiving will be held in the Church when hostilities cease in any theatre of operations. The Church will be open all day to give people an opportunity to give thanks for the end of hostilities and to pray for all in service. There will be services at 11:00 A. M. and 8:00 P. M. We shall use the service prepared by a priest of the Diocese of Pennsylvania, approved by the Bishop.

The Church is open all day every day for all people to enter and pray.

THE SANCTUARY

A Prayer for V-Day

Almighty God, our Heavenly Father, we offer unto Thee, humble and hearty thanks for the victory with which Thou hast blest the cause of freedom and for once more guiding our feet into the way of peace. In this hour of triumph keep us humble and fully mindful of our dependence upon Thee, remembering that Thou alone canst enable us to secure through this victory in war a just and durable peace.

Grant that in our treatment of our enemies we may put aside hatred and resentment, and under Thy guidance follow the path of justice.

For all the nations of the world we pray that Thou wilt guide them into the way of justice and truth and establish among them that peace which is the fruit of righteousness, that they may become the Kingdom of our Lord and Saviour, Jesus Christ.

We remember before Thee, Heavenly Father, those who have given up their lives in the struggle to uphold the right of all men to freedom. Grant unto them, O Lord, joy and peace and greater opportunities of service in the new life to which Thou has called them. Stir up in us who survive here on earth the will to dedicate ourselves with equal devotion to the task of winning a peace worthy of their sacrifice and in conformity with Thy righteous and loving purpose. All of which we ask in the Name of Jesus Christ our Lord and Saviour. Amen.

—By the Presiding Bishop

Conducted by W. M. Weber.

CONVOCATION OF SOUTH PHILA.

The speakers at 5:00 P. M. will be the Rev. James M. Collins, City Mission; the Rev. James W. P. Carman, National Council Field Officer, 3rd Province.

A Sound Movie, "We Too Receive", will be shown at this meeting

BAZAAR AND DINNER

On Saturday, December 2nd, 1944, a Bazaar and Dinner will be held in the Parish House, under the auspices of the Dorcas Society. It is our hope that this will be the best we have ever held. Let us prepare for it now, by making articles for the apron and fancy work table and by seeing that cakes and candy are donated for the food table. If we all begin to plan for it now, we will make it a successful event, an evening at St. Paul's well spent.

HOLY COMMUNION..... 8:00 A. M.

CHURCH SCHOOL..... 9:30 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Autumn is here and boys and girls are back in school again. Carefree vacation days are over until another year. For grownups, too, summer days are but memories. We hope that everyone is rested and ready for the duties of the fall and winter.

Our organizations should have plans for the year, so that activities can get under way without delay. Each one of us will want to do the best he can for the group of which he is a part. And the groups, in turn, must co-operate with each other, if we are to have a healthy church.

A church should be a friendly place. We should invite those around us, who have no church affiliations, to come to St. Paul's. And when they come, let us not fail to welcome them. May we determine to be "doers of the Word" this year as we have never been before. There are so many ways in which our help is needed in the extension of the Kingdom of God!

What are some of the ways? A choir always needs members and our choir is no exception. Here is an opportunity for you to help. We need Church School teachers badly too. Here is another way in which you may be useful. If you feel that you cannot teach, then come as a pupil. The Church School is not for boys and girls only. It would be a fine thing if we could have a Bible Class for men and women which, in turn, would stimulate interest in the Church.

Our Bishop told us, you will recall, that having a Confirmation Class each year is not the responsibility of the Rector alone, but of the Vestry and congregation as well. Confirmation will be on January 14th, 1945. It would be gratifying to have you all interest yourselves in bringing, or helping to bring, someone to the Bishop for confirmation. There is no other experience in life equal to the joy of bringing someone to Christ.

The Every Member Canvass will take place in November. Some of our canvasses in the past were not as successful as they should have been because we were unable to get enough of our members to visit our people. This is another way in which you can help. Will you not respond to this appeal with "Here am I, send me!"

Opportunity is given to each of us to make a donation toward the "Christmas Fund For Our Men In Service". Nearly every one of the men wrote expressing appreciation of the gifts that we sent them last year. We know that they will be very happy to have us remember them again at Christmastime. We can do more than send gifts. We can write to them too. We shall be very glad to give you

their addresses. Why not include them in your Christmas greeting list?

May this year be a fruitful one for us all!

Faithfully yours,
THOMAS PARKER,
Rector.

We, at St. Paul's, do not have such an organization, but some of our women have been helping in this work. Members of the group have expressed a desire to organize. It is hoped that the meeting will be well attended.

Christmas Dinner and Bazaar, Saturday, December 2nd

Dear Friends:

The Every Member Canvass in our Parish will take place between November 12th and December 3rd. Mr. D. Cortlandt Montgomery, the Chairman, has made the plans to have canvassers visit you. We are hoping and praying that this canvass will be very successful; especially that it will stimulate interest in our members so that they will determine to be present in God's House every Sunday morning, unless prevented from doing so by sickness. This is an important factor in making our canvass a success. We are counting on all of you to do your part.

Advent folders are being sent to you again. This has been a systematic way in which each of us has had an opportunity to make our Christmas giving substantial. These folders, plus the special Christmas offering, have enabled us to pay our outstanding obligations and to start the New Year free from debt. It is our prayer that we may receive funds this year to more than cover these needs, so that we may make much-needed repairs and replacements in our Church and Parish Building.

Bishop Hart will visit our Church on Sunday morning, January 14th, at 11:00 o'clock, to administer the Rite of Confirmation. Will you do what you can to interest someone to attend the class? Instruction Class will meet in our Parish House on Friday evenings at 8:00 o'clock, beginning November 17th.

Faithfully yours,

THOMAS PARKER, Rector.

"DON'T LET THE BOYS KNOW AT GUADALCANAL"

A few weeks ago according to "The Word and Way", a soldier returned to his Memphis home from Guadalcanal. His parents met him at the station at 10:15 Sunday morning.

Immediately, after the exchange of sacred greetings the mother said, "Son, let's hurry home; I cooked for you the best chicken dinner you ever tasted."

"But, Mother," he said, "this is Sunday and it is almost time for service."

"Why, yes," replied the mother, "but I did not think you would want to go today. You have just returned from the battle front, you are tired, you will need a bath and rest, and I thought you would like to call in some of your friends for a visit and to share the Sunday dinner."

"Mother," said the boy with deep feeling, "I had rather go to the service today than any place in the world."

To the church they went. The boy was moved deeply—mostly because of what he did not find at the service. After the benediction he went quickly to the pastor.

His first words were, "Pastor, what is wrong? They have been telling us in Guadalcanal that all of the churches at home are filled with praying people, agonizing for the boys on the battle fronts, and praying for a spiritual victory. The church is not full, and I have not heard any agonizing prayers for the dying and suffering boys."

As the pastor turned away, the soldier was heard to say with deep feeling, "Oh, God, don't let the boys at Guadalcanal find out about it."

Whether or not the boys at Guadalcanal know, the Lord knows exactly how often we attend services and how often we pray fervently for the dying and suffering boys.

It is a grand thing to pray personally and privately, but the exhortations still read:

"Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching." (Hebrews 10:25).

"Follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart" (2 Timothy 2:22).

Here is a question for each of us to consider: "Would I be thankful to have every person in the armed forces know my record of attendance at services and of my prayers on their behalf?"

—"Now" 9-15-44.

The offering on Thanksgiving Day will be for the Episcopal Hospital. We urge you to give generously. The Hospital is doing a great work in the Northeast, where it is surrounded by industrial plants.

CHRISTMAS DINNER AND BAZAAR

The Annual Christmas Dinner and Bazaar will be held on Saturday evening, December 2nd, in the Parish House.

The Dorcas Society will prepare the dinner; the girls of the Parish will serve it.

Mrs. Oscar Gamper, who is in charge of the apron and fancy work table, will be very glad to receive donations of these articles. Mrs. Olive P. Doughty will be grateful for donations to the cake and candy table.

Miss Elsie Butterworth and Mrs. Thomas F. Parker have donated beautiful dolls, whose names you will have an opportunity to guess.

The Dinner will be served from 5:30 to 7:00 P. M., and the price will be \$1.00. Will you kindly send a card requesting reservations to Mrs. Howard McComb, 1200 Mollbore Terrace, or phone Dew. 7415.

We shall look for you on Saturday evening, December 2nd.

DORCAS SOCIETY

We have been holding our regular weekly meetings and have settled down to another year of earnest work.

The attendance is fair. We have enrolled two new members, Mrs. Hesington and Mrs. Rickner.

On November 14th, Mrs. Garrison and her helpers will have a Card Party in the Parish House.

On Tuesday evening, November 21st, Mrs. Edkins and her helpers will have a Card Party.

These parties are for the Christmas Offering.

On November 28th there will be a Card Party for the Service Men's Fund.

Harriet J. Skillen, Secretary.

A SERVICE OF THANKSGIVING

The Church will be open all day to give people an opportunity to give thanks for the end of hostilities and to pray for all in service. There will be services at 11:00 A. M. and 8:00 P. M. We shall use the service prepared by a priest of the Diocese of Pennsylvania, approved by the Bishop.

The Church is open all day every day for all people to enter and pray.

CHRISTMAS DECORATIONS

The Altar Guild is desirous of having our Church beautifully decorated for Christmas. We can all help to make it so by giving donations for this purpose. Gifts may be placed in the offertory plate on the table at the rear of the Church.

STANDING NOTICES

Every one is welcome at all services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptism, marriages, or funerals at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Advent is the season of fulfillment. Again we shall celebrate with joy and hope the anniversary of the coming of the Christ Child. The Advent Season is the beginning of the church year and we are looking forward to another year of usefulness in Christian work.

From experience we find that there is a great deal to be done for Christ in our community. The work will not be burdensome, if each one of us will do his or her share. It will be hard only if it is left to a few. Certainly we shall want to do our share and there is something that each one of us can do. It matters only that we do something. Do not wait to be asked; offer your services and they will be accepted with grateful appreciation.

The Every Member Canvass this year so far has been one of the best that we have had. I am sure that you have enjoyed the visits of the canvassers and that they, in turn, have enjoyed their visits with you. The real results of the canvass will be determined by your presence at services. Will you not come and take your place in God's House? It would be an inspiration to all who take part in the service to see you regularly on Sunday mornings.

The Confirmation Class is meeting on Friday evenings at 7:30 o'clock, in the Rector's office. We would be happy to have you become a member of this year's class. Bishop Hart is to visit our church on January 14th, 1945, and we shall want to give him a hearty welcome. Have YOU tried to interest someone in being confirmed? It is not too late to do so.

December days are full ones. All of us are busy with preparations for Christmas. As we near the end of the year the Vestry and I are concerned also with the problem of whether or not we are going to be able to close the year with all of St. Paul's bills paid. We can do so if all will pay up their budget envelopes in full to December 31st and fill the Advent folders that have been sent to them.

The Rector and Vestry wish to thank all the organizations and members who have shared in the work during the year 1944. We pray that we may have God's blessing in our endeavor to do a greater work in the year ahead.

We are hoping and praying that the year 1945 will bring peace again to this war-weary world and that those of our church family, who are in the service of their country, may return to us soon. Have you included the names of our service men and women in your list for Christmas greetings? Please do so. We know that they will be happy to have you remember them.

With cordial Christmas greetings and, "as Tiny Tim observed, God bless us, every one!"

Faithfully yours,
THOMAS PARKER, Rector.

NOTICE OF ELECTION

Sections of the By-Laws state:—

Article 1, Section 1.

The annual election of Vestrymen shall be held on the Twenty-fifth of January, called St. Paul's Day, between the hours of seven and nine o'clock, P. M., provided that the Church Wardens may, at their discretion, keep the polls open for a longer period. Notice of the election shall be given to the congregation the preceding Sunday. Should St. Paul's Day fall on a Sunday the election shall be held on the day following.

Article 1, Section 2.

No person except a member of the Vestry whose term will then expire, shall be elected a vestryman at any regular election, unless he shall have been nominated in writing by at least three electors, and the said nomination delivered to one of the Wardens or the Secretary of the Vestry at least fifteen (15) days before the election. The list of nominees shall be published at the services on the Sunday following the close of the nomination.

Article 1, Section 3.

Four vestrymen shall be elected at the annual election in each year to serve for three years, and until others be chosen. In case of failure to elect vestrymen at the annual election, the vestry shall elect to the vacancies thus created. The Vestrymen so elected, whether by the Vestry or by the Electors, together with the eight Vestrymen whose term will not have expired, shall constitute the Vestry for the ensuing year.

The members of the Vestry named below are, by provision of the By-Laws, candidates for re-election:

Herbert S. Edkins
James C. Larkin
John Lindsay, Sr.
Alexander Schnoor

The election will be held on the evening of Thursday, January 25th, 1945.

D. Cortlandt Montgomery,
Secretary.

THE EVERY MEMBER CANVASS

As the Visiting Committee is completing the Canvass I wish to thank them in your name for the splendid work they have done during the past three weeks in trying to see every member of the Parish in this neighborhood. That you may know

them, their names are set forth here:—
Elsie W. Butterworth, Mary L. Webb, Herbert S. Edkins, Mrs. Herbert S. Edkins, William McGill, and Mrs. Howard W. McComb.

The results of the Canvass have been most gratifying. The Canvassers have been received cordially and it is hoped that an increase in attendance at the service of worship will be noted.

The pledges now in hand from 94 persons have designated \$2015 for Parish support and \$439 for Missions. This is approximately one-quarter of our Parish budget and over one-half of our Missionary budget. We hope that additional pledges will permit us to carry out our full work set forth in our budget for 1945.

D. Cortlandt Montgomery,
Secretary,
Parish Every Member Canvass.

DORCAS SOCIETY

The Dorcas Society is having its regular meetings on Monday evenings. We have been holding Card Parties every Tuesday evening and we are having good attendances. The meetings are very interesting and we would like to have more of the church members come out and join us in our work.

We have a Blanket Club.
Harriet J. Skillen, Secretary.

GIRLS' FRIENDLY SOCIETY

The Girls' Friendly Society meets every Monday evening at 8:00 o'clock. These meetings could be made more interesting, if more of our girls would come out.

CHURCH SCHOOL CHRISTMAS PARTY

The Church School Christmas Party will be held on Friday evening, December 29th, from 7:00 to 9:00 o'clock. The Committee is planning a good time for all. Remember what a nice party we had Hallowe'en? We are hoping to make this party an even better one. Don't forget the date—December 29th.

A SERVICE OF THANKSGIVING

A service of Thanksgiving will be held in the Church when hostilities cease in any theatre of operations. The Church will be open all day to give people an opportunity to give thanks for the end of hostilities and to pray for all in service. There will be services at 11:00 A. M. and 8:00 P. M. We shall use the service prepared by a priest of the Diocese of Pennsylvania, approved by the Bishop.

The Church is open all day every day for all people to enter and pray.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

A good New Year to you all and may 1945 be a year of constructive work in the extension of Christ's Kingdom, bringing a victorious peace and happiness to a weary world.

The Rector, Wardens and Vestrymen wish to thank all who so generously responded to the Christmas appeal. The offering was a very good one and amounts to date to \$1670.33. Though the Christmas letter and special offering envelopes were mailed a week before Christmas, some of them were not delivered until several days after. When these gifts are received, we feel certain that we shall be able to close our books with all bills paid. We deeply appreciate your co-operation.

We had a very fine Christmas. The 6:00 A. M. communion service was well-attended. The choir and congregation sang the traditional carols and started the day in the right spirit. The service at 10:00 o'clock also was a good one.

It is daily being brought to our attention by press and radio that our Army and Navy cannot conduct a successful war without adequate man-power and supplies. These are essential. It is equally true that the Church cannot wage its fight against "the world, the flesh and the devil" unless its members supply labor and materials with which to carry on. The materials might well consist of our various talents and abilities and the labor our willingness to use them in church work.

It is disheartening to realize that some people are quite indifferent to religion. Everything else seems to come first. What is left is given to the Lord. The Church of God can never be strong while its members are lukewarm. What have we individually to offer to an ill world? It needs so much more than idle promises. We must have an urge to do something for Christ. Each one of us must search himself for the answer. Each one of us bears the burden of responsibility. Are we going to fail Him?

With the prayer that this year may bring us nearer to God and that peace on earth may indeed become a reality, I remain

Cordially yours,
THOMAS PARKER, Rector.

ANNUAL PARISH MEETING

Our Annual Parish Meeting will be held on Thursday, January 25th. The meeting will be preceded by the usual Parish Dinner. At this meeting all organizations of the church will report on their activities during the past year. There will also be an election of Vestrymen. We trust that you will come out to enjoy a good dinner, hear the reports and cast your ballot. Dinner \$1.00.

THE CONVERSION OF ST. PAUL

Thursday, January 25th, being the anniversary of the Conversion of St. Paul, there will be a celebration of the Holy Communion in the Church at 10:00 A. M.

1945 ENVELOPES

The 1945 budget envelopes have been distributed. If, by chance, you have not received yours, if you will speak to the Rector or to the Secretary of the Vestry about it envelopes will be sent to you.

WELCOME! BISHOP HART

The Memorial Church of St. Paul welcomes the Rt. Rev. Oliver J. Hart, D. D., Bishop of the Diocese, to our church January 14th. It is a real pleasure for us to have our Bishop with us to preach the sermon and to administer the Rite of Confirmation. The offering at this service is for the Bishop's discretionary fund. We trust that you will be very generous in your giving.

THE ALTAR GUILD

The Altar Guild thanks all who made it possible for us to have our church beautifully decorated for Christmas. We do not think that the altar and chancel ever looked more beautiful. We are grateful to Mr. James D. Hill and to Mr. Charles Tucker for the Christmas greens and trees and to Mr. and Mrs. H. Bruce Edkins for the cut poinsettias on the altar, which they sent from their garden in Miami, Florida. Besides the potted plants purchased with you contributions, there were memorials to Mr. and Mrs. William Williams, Mr. Hugh Toole, Mrs. Mary Bruce, Mrs. James Kershaw, Mr. Joseph Conner and Mrs. Kate Jillard.

The Service Men's Committee appreciated very much Mrs. Georgiana Kampen's donation of \$22.00 toward its fund. Mrs. Kampen raised this sum by making and selling attractive pin cushions.

There are to be card parties and games on the following dates:

January 9th—Mrs. Garrison's group.
January 16th—Mrs. Edkins' group.
January 23rd—Mrs. Swinden's group.
January 30th—Mrs. Garrison's group.
February 6th—Mrs. Edkins' group.

We are starting a rug club on January 8th. Anyone wishing to join this club may do so by contacting any member of the Society. The Dorcas Society welcomes new members.

The Dorcas Society will attend a broadcast "Fun in Studio One" at Station WCAU, 1622 Chestnut Street, on Thursday, February 1st, 3:15 P. M. Donation twenty-five cents. We would like to have an attendance of fifty or more.

Harriet J. Skillen, Secretary.

THE CHRISTMAS BAZAAR

The Christmas dinner and bazaar were very well attended and were a success socially and financially. The dinner, fancy goods and apron table, and the bakery table all netted substantial gains over the proceeds from these three efforts last year. Mrs. William McGill was the fortunate one to guess the name of the baby doll and Miss Edna W. Mixsell, of Swarthmore, guessed the name of the little girl doll. The costumes of both dolls were entirely handmade. The dolls' names were Mary and Faith respectively.

THEOLOGICAL EDUCATION SUNDAY

The National Offering for Theological Education will be taken up on Sunday, January 21st, 1945.

The offering will go to the Philadelphia Divinity School and we trust that many will be interested in theological educa-

tion through their giving. Envelopes will be distributed in the pews.

ST. STEPHEN'S SUPPER

Sunday, January 28th, being the Sunday nearest to St. Paul's Day, our Church will sponsor the supper for the Service Men and Women who come to St. Stephen's Club on that Sunday. The cost of the supper will be approximately \$75.00 and we would appreciate it if we would receive your contributions at once. Members of the congregation may enjoy the dinner by making reservations in advance at a dollar a plate. After dinner, visitors are welcome to watch the evening's entertainment from the balcony. Mrs. Howard W. McComb has been in charge of these Sunday suppers since they were started. Please place contributions in the alms basin at the rear of the Church, or give them to either Mrs. McComb or the Rector.

ALTAR GUILD

The Altar Guild wishes to thank those who gave so generously throughout the year to help beautify our altar. Although you have given generously we did not have sufficient funds to carry on. We had to ask support from our Church funds.

There are quite a number of Sundays throughout the year when we have no memorials. If these could be filled, it would make it unnecessary to use Church funds and make the Altar Guild self-sustaining. We wish to thank Mrs. Matilda Greentree and Mr. George Voss for securing our flowers.

PARENTS' MEETING

A meeting of the parents of boys 9 to 12 years of age will be held on the second floor of the Parish House on Monday, February 12th, at 7.45 p. m., with a view to setting up an organization which will make Cub Pack Five go. Two mothers have already offered to conduct weekly Den meetings in their homes. Den Dads have volunteered to do their part, and the Scouts look forward to their job as Den Chiefs. Fourteen boys are coming to the Parish House every Friday night and we want them to have the Cubbing program quickly. Cubbing is a home-centered activity. Your son expects you to help him get Cubbing. A representative from the Philadelphia Council, Boy Scouts of America, will be here to explain the idea and show a film on Cub activities.

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

Again we are on the threshold of Lent, a time for Christians to give special thought to their way of living, to repent of their sins and turn again to God. We look forward to Easter and the Resurrection of Christ. A sure way to spiritual preparation for this season is to come into closer communion with God by attending church services to worship and pray.

May this Lenten Season awaken in our souls a deep desire to know God better and to love Him more.

Faithfully yours,
Thomas Parker, Rector.

WELCOME

Bishop Hart visited our parish on January 14th and confirmed the following:—Joan E. Augustine, Dorothy A. Bauman, Arlene L. Dove, Florence E. Fink, Gloria C. Fink, Robert E. Jones, Donald S. Pitt, Kenneth W. Tucker and Margaret J. Wager. We are very happy to welcome these members of the confirmation class into the fellowship of Christ's Church.

WAR COMMISSION

The Annual Offering for the War Commission will be taken on Sunday, February 11th. We are asked to raise \$50,000 in our Diocese. Envelopes will be placed in the pews and we trust that our offering will be a generous one. This money is to assist our Army and Navy Chaplains in their work and also to carry on the splendid work that the Commission is doing at St. Stephen's Service Club.

SERVICE MEN'S HONOR ROLL

The new Service Men's Honor Roll will be dedicated on Sunday, February 11th, at the 11:00 A. M. service.

The Committee would like to have the members of the families of the men present at this service.

Dorothy W. Tesche, Secretary.

MINUTES OF THE ANNUAL PARISH MEETING January 25, 1945

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House on St. Paul's Day, January 25, 1945, at 7.45 p. m., following a dinner prepared by the Dorcas Society and served by the young women of the Girls' Friendly Society. Thirty-five persons were in attendance, and the Rector, the Rev. Thomas Parker, presided.

The minutes of the Annual Parish Meeting held on January 25, 1944, were

read and approved. The Rector expressed a desire that our Church attendance be an indication of our interest in things spiritual as our contributions show our desire to maintain the Parish and its activities.

Reports were presented for Parish Groups as follows:

Cub Pack by Edward Goebel.

Boy Scouts by Raymond Berens.

Choir by Mr. Louis R. Beck.

Dorcas Society by Mrs. Robert J. Skillen.

Girls' Friendly Society by Miss Anna Hardy.

Church School by the Rector.

Servicemen's Committee by the Rector.

St. Paul's Service Group by Mrs. L. M. Harper.

St. Stephen's Service Club and Service Volunteers (Hospital Group) by Mrs. H. W. McComb.

Parish Committee for the Diocesan War Commission by Mr. D. C. Montgomery.

Junior Choir by the Rector.

Basketball Team by the Rector.

Altar Guild by Mrs. Frank C. McCook.

The Accounting Warden presented a Financial Report for the Year of 1944.

Tellers to conduct the voting for Vestrymen were appointed by the Rector. Following the balloting the tellers, Mrs. William Gibson and Mrs. Matilda Green-tree, reported the vote in favor of the candidates:

Mr. Herbert S. Edkins

Mr. James C. Larkin

Mr. John Lindsay, Sr.

Mr. Alexander Schnorr

And they were declared elected for the stated term of three years.

The meeting adjourned at 9.15 p. m.

D. Cortlandt Montgomery,

Secretary.

CUB PACK FIVE, B. S. A.

During December, 1944, several boys of 9 to 12 years of age began meeting on Friday nights at 6.45 p. m. The program consists of Indian-lore, handicraft, and subjects of interest to boys of pre-Scout age. Short hikes and a visit to the Academy of Natural Sciences have rounded out our activities. The group has grown to a lively group of 14 boys and our next step will be to hold a parents' meeting and proceed to organize along Cub Pack lines.

TROOP FIVE BOY SCOUTS OF AMERICA

Scout activities, since the middle of November, included a hike to Pennypack Park and one to Scout's triangle where

firebuilding and cooking tests were passed on the snow-blanketed ground. Tenderfoot tests have been passed and we invite all boys twelve years of age to climb the ladder of Scouting with us.

When most people see a boy in Scout uniform they know what the uniform means. A Scout symbolizes truth, knowledge and helpfulness. A scout is always prepared to help others. Scout training has proved helpful to the armed forces, and Scout skills acquired in the meeting room and on hikes have saved lives.

DORCAS SOCIETY

The Dorcas Society has had a very busy and successful year, under the efficient leadership of our president, Mrs. Howard McComb. During 1944 we have been able to turn over to the Accounting Warden for Church expenses the sum of \$1050.00, also \$150.00 for fire insurance.

We have made donations to many worthy projects including the Elizabeth Price Martin League, the House of Rest for the Aged, Woman's Aid of the Convocation of South Philadelphia and Educational Week for the Blind. We have also made contributions to funds for Servicemen's gifts and Prisoner-of-War boxes.

Our members who may become ill are cheered by flowers and cards, and we visit them when possible. We try to be helpful to the bereaved and those in need.

To raise money for this work we have engaged in a number of activities including luncheons, suppers and card parties. A blanket club and a candy club have proved successful in adding to our funds. Parish-wide events of the year were a June Fete and a Christmas Bazaar at which many useful articles were sold. Social activities included trips to places of interest.

From all sources we have raised the sum of \$1564.90 and have expended \$1563.38 leaving a balance in the treasury of \$1.52 to start the New Year.

ST. PAUL'S SERVICE GROUP

Our group was formed on December 1, 1944, and is composed of the mothers, wives, and sisters of our men in the Service. So far only 14 women of the 33 to whom we sent postal cards have attended.

The following officers were elected:

Mrs. Howard McComb, President.

Mrs. L. M. Harper, Secretary.

Mrs. Laurence Ritter, Treasurer.

We have formed this group in order to keep St. Paul's in the minds of our boys. We send cards to each one as his birthday comes along. If we do not have the birthday of your man in the service, then we would appreciate your sending in the date and his latest mailing address. Just

now we are sending each Serviceman a Valentine, and, later on, an Easter Card. If the boys make a request for something and we can send it to them, we will be glad to do that too.

In some places where our boys are, there are no Episcopal Chaplains, and the boys do not and sometimes cannot attend services. Even a Valentine sent in St. Paul's name will put them in mind of their Church, and perhaps give them that needed encouragement. We will not forget them. Perhaps some of you may think your boy does not need these reminders, but these are trying times for all of them, especially those on foreign soil.

After Easter we plan to have a card party and would like each one of you to attend, in order that we may raise money for our future plans. We plan to help other Servicemen besides our own. You will hear more from us from time to time.

REPORT ON

PARISH WORK AT ST. STEPHEN'S SERVICE CLUB AND "SERVICE VOLUNTEERS" (Hospital Group)

It has been my privilege for the past 17 months to work among the service personnel at St. Stephen's Service Club at 923 Ludlow Street. During this time we have served 14,500 suppers on Sunday nights. We average 150 and on several occasions we have gone over the 300 mark. These suppers are sponsored by the Parishes: each Sunday a different Parish is responsible for the entire program. Women from the Parish cook the meal and supervise the kitchen, and young girls from the sponsoring Parish serve it. These girls are the hostesses of the evening and are responsible for the entertainment on the recreation floor. From April 12, 1943, to January 1, 1945, 56,000 Service men and women have been guests of the Club.

Since December, 1941, a group of women have worked with me among the sick and wounded in our military hospitals and during the past year we have served 5860 patients at the Naval Hospital, 640 at St. Agnes Hospital (Coast Guard and Merchant Marine), 480 at the Seaman's Institute, and over 1800 at the State Hospital located at Byberry. We made one trip to England Hospital at Atlantic City, where we had 200 patients assigned us. At Christmas time we had four wards to visit (450 packages) at the Naval Hospital. These gifts were provided for by groups from four Parishes: the Church of the Holy Apostles and the Mediator; Grace Church, Mt. Airy; All Saints, Moyamensing, and our own group.

We are grateful to all who helped during the past year and hope many more will join us in the coming year.

been in this City for six months and yet I have not found a welcome in any Church." Perhaps she is at fault but this week each member of this congregation and the members of a thousand other congregations are asked to find the strangers in their communities and change these strangers into friends by inviting them to the services of the Church or to the Church of the stranger's choice. John 6:1-15.

March 18th

Conscience can become calloused and unresponsive to the call of God. This week our Christian brotherhood in Philadelphia is stressing the importance of a conscience which is sensitive to the Spirit of God. As we deal with unpleasant neighbors, as we conduct business, and as we mingle with our households, we will seek to have a conscience void of offense; and so we will enrich our lives and enrich the lives of all with whom we come into contact. Heb. 9:11-25.

March 25th

This week, we are to remember that we may serve the Lord by sharing with others our time, our possessions, our friendships and our talents. The man who owned the colt upon which our Lord rode into Jerusalem contributed an important part to the day of Triumph. The Triumphal Entry of Christ into another heart may depend upon your stewardship of things. Matt. 21:1-9.

April 1st

The ministers and officers of this Church, together with its entire membership, wish to extend a cordial welcome to all strangers who worship with us today. May our services enrich their lives and renew their loyalty to the Christ whose resurrection we celebrate today. Next Sunday, and all the Sundays of the year, this congregation stands ready to serve all who would come. May we look for you next Sunday. Luke 24:1-12 inc.

THIS CHURCH SUPPORTS THE CRUSADE FOR SPIRITUAL ENLISTMENT

Dear Friends:

Lent is passing quickly, as time has a way of doing. I wonder whether we are carrying out the plans that we, individually, had for this season? Some of us, doubtless, are even with our schedules, while others have let the press of business or the lure of pleasure crowd out our good intentions. Good intentions, we find, are not enough. They must become good deeds to count. Our spiritual life suffers in proportion to the degree that we neglect the things of Christ. We cannot build upon shifting sands, but must have a firm foundation. If we fail, it is because our foundation is not right. Jesus Christ is still the one sure foundation for a Christian life.

Bishop Hart, who is chairman of the "All Philadelphia Crusade For Spiritual Enlistment," has asked us to take part in this crusade, by trying to reach the unchurched in our community. It is an opportunity for each of us to invite others to church. The crusade is a simultaneous effort of twenty-five denominations to increase the loyalty of each member. It is a time to arouse the interest of the people to seek God and find in Him the great comfort that He is.

Have we tried to enlist any of our friends and neighbors in this crusade? If not, let us begin today to do so, adopting the slogan "Every Member a Participating Member."

Too often we have left the work of the Church to the few faithful ones and we are grateful to them for carrying the burden for years, but it is not right for the rest of us to bury our talents. We should share them with the Church for the spreading of the Kingdom of God. May we deepen our spiritual lives through close communion with Him so that we may be fit to lead others to the knowledge and love of God. Easter will bring real joy to us if we can stimulate spiritual awakening in the lives of others.

Faithfully yours,

Thomas Parker, Rector.

1945 RED CROSS WAR FUND

March is the month for the 1945 Red Cross War Fund Campaign. "Never before have the demands on the Red Cross been greater. The Red Cross is with the American boys and girls on every battle front, ministering to the wounded, bolstering morale and endeavoring to supply a little touch of home in distant and often unfriendly localities. Food and clothes packages for prisoners of war and the collection of life-saving blood are others of the many Red Cross services that are provided without regard to race, creed or color.

The tasks of the Red Cross have never been greater. Will you consider this in determining the size of your contribution?"

ST. PAUL'S SERVICE GROUP

Last month we sent a Valentine to each of our service men and women, and we are sending each one an Easter card this month.

We are going to have a card party on April 3rd and trust that every member of our group will unite in an effort to make the party a great success. The proceeds will be used to carry on our work for the boys.

We hope that the members of the congregation will get into the habit of looking on the table in the rear of the church to see whether there are service men's birthday cards to be signed.

L. M. Harper, Secretary.

THE GIRLS' FRIENDLY SOCIETY

The Girls' Friendly Society meets every Monday evening in the Parish House, at 8:00 o'clock. The girls, under the supervision of Mrs. Roy and Miss Scouler, are having very interesting and helpful meetings and would like to have other girls join them.

THE DIOCESAN WAR COMMISSION

An offering for the Diocesan War Commission was taken on February 11th. The amount received was \$108.65. If you have not yet contributed to this fund, we shall be glad to receive your gift.

THE CRUSADE FOR SPIRITUAL ENLISTMENT

March 4th

Twenty-five denominations representing a thousand Churches in Philadelphia, are urged to devote this week to the practicing of Christian Unity. In these tragic days, a grave responsibility rests upon every one to work for Christian Unity. We can do this by seeking to assist in such ways as we may Christians of other groups. One Pastor in this City is giving a part of his building on Sunday mornings to the housing of a congregation which is temporarily without a place of Worship. Our Lord prayed that we might all be one; this week, we will especially help to answer that prayer. Luke 11: 14-28.

March 11th

There are in this community many strangers and others who, while they have lived here for a long time, are still strangers to any Church. Said a young lady from the South recently: "I have

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

ar Friends:

We had a Happy Easter at St. Paul's. The Church was beautifully decorated; the music was excellent; and it was good to hear many favorable comments about our service. It inspires all of us to give the best that we have for the glory of God.

May I thank you all for your splendid response to our appeal for a generous Easter offering. The total to date is \$1463.86. We are grateful for your loyalty and self-sacrifice. Without your co-operation, the work would be hard indeed. It is the spirit in which we labor that counts and when we work in unity we can carry the "Good News" into our community with a fervor worthy of the name of Christians. With Christ as our friend and daily companion, we can have a real and active part in making this world His world.

No one can read of the experiences of our men on the battlefields and fail to give thanks to Almighty God for their faith and their heroic deeds. With faith, we too look to the day when wars shall cease and peace will come again and abide and the Church will go forward with renewed zeal to make Christ more widely known and loved. The opportunities will be great; may we meet them with a deeper sense of responsibility for the welfare of others.

The better we know Christ, the more we will want to be like Him. He went about doing good among men during his brief sojourn on earth and before he ascended into Heaven, he commissioned his disciples and followers to "Go, and teach all nations". It is a command and, as soldiers of the cross, we are to obey this command. It will give us deep satisfaction to have a part in the spreading of Christ's Gospel. Let us not fail Him nor ourselves.

Faithfully yours,

Thomas Parker, Rector.

UNITED NATIONAL CLOTHING COLLECTION

Have you sent your good used clothing to the Parish House? The garments will be shipped to war-devastated countries on the basis of their greatest immediate need. All types of infants' clothing as well as overcoats, suits, underwear, aprons and shoes for men, women and children are needed. Bring them to the Parish House between 9:00 A. M. and 4:00 P. M. any day except Saturday, or bring them on Monday or Friday evenings, between 7:30 and 10:00 o'clock. If the bundles are too large, or if it is not convenient for you to bring them, the Boy Scouts will call for them. A com-

mittee of the Dorcas Society will sort them and the Boy Scouts will take them to a clothing station. All of us should do all that we can to help those who are in desperate need.

WOMAN'S AUXILIARY

The Annual Meeting of the Woman's Auxiliary of the Diocese will be held at Christ Church, 2nd Street North of Market, on Monday, May 21st. Holy Communion at 10:30 A. M. The business session will follow, with a talk by Bishop Hart. At 2:00 P. M. Bishop Dunn, of Washington, will give an address.

THE DORCAS SOCIETY

The Rector and Vestry wish to thank the members of the Dorcas Society for its generous gift of \$400.00 to the Easter Offering. We appreciate the untiring efforts of this group to help the Church.

The turkey dinner on April 14th was a great success and we thank all who had a part in the preparation and serving of the dinner.

ASCENSION DAY

There will be a celebration of Holy Communion on Ascension Day, Thursday, May 10th, at 10:00 A. M.

JUNE FETE

The Annual June Fete will be held this year in the Parish House, date to be announced later. Dinner will be served. We shall be glad to receive donations of fancy goods, candy, cakes, cookies, pies and other foods for the fancy goods and bakery tables.

These dinners and sales have been very successful in the past, not only as a means of raising funds for the church, but also as a means of becoming better acquainted with fellow-members of St. Paul's.

Let us make this year's Fete the big event in our Parish before the summer vacation.

THE LENTEN OFFERING

The Lenten Offering of the Church Schools of the Diocese will be presented Sunday, May 20th, at 4:00 P. M., at the Episcopal Academy. Bishop Roberts will speak and Bishop Hart will receive the offering. The members of the Church School and of the congregation are invited to attend this inspiring service.

CUB PACK FIVE, B. S. A.

Cub Pack Five has grown in adult leadership and has applied for registration with the Boy Scouts of America. Members of the Pack Committee are George F. Kramer, Chairman, Charles Albert and Thomas J. McKinnon. They have recommended the appointment of Sydney A. Ficco as Cubmaster and Elmer Goebel as Assistant Cubmaster. Seventeen Cubs have three dens for their headquarters. These dens are operating in the homes of Mrs. Jane Kramer, Mrs. Dorothy Goebel and Mrs. Gertrude Colbert. Standing by are Mrs. Gertrude Rickner, Mrs. Helen Jillard and Mrs. Sarah S. Westervelt, who are ready to help as the Pack grows. Most of these people have been awarded their certificates for completing the Cub Leaders' Training Course.

The Cubs, boys between the ages of 9 and 11, meet weekly in the homes of the Den Mothers and have a game hour on Friday evenings in the Parish House with their Den Dads. A Scout, called a Den Chief, helps the Cubs with their Den meetings. Currently under way is the General Eisenhower Waste Paper Campaign. The Cubs have collected over two tons of waste paper. They are looking forward to a Pack Installation Ceremony, at which time the Pack Charter will be presented to them.

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We are looking forward to seeing you at our Annual June Fete, which will be held on Wednesday, June 20th, afternoon and evening. The Dorcas Society will prepare the dinner, which will be served from 5:30 P. M. to 7:30 P. M., by the young women of the parish. There will be the usual tables of fancy goods and aprons, cakes and candies, and of course a "white elephant" table. The Boy Scouts and Cubs are planning to sell fruit and garden produce. We all enjoy these friendly get-togethers, as they enable us to get better acquainted with one another.

Mrs. Oscar Gamper will be in charge of the fancy goods table and Mrs. Olive P. Doughty will have the cake and candy table. Miss Elsie W. Butterworth has dressed and donated a very beautiful baby doll, the clothing being entirely handmade. Everyone seeing this lovely doll will be eager to win it. Perhaps YOU will be the lucky one.

We shall need and be glad to receive donations for the tables. Will you not help to make this June Fete a very successful one, both socially and financially?

The Episcopal Church throughout the United States is planning to raise \$5,000,000.00 for a "Reconstruction and Advance Fund". Our Diocese is seeking to raise \$500,000.00 of this amount. The money is to be used to rebuild churches and schools in the Philippine Islands and China, where the Japanese armies have destroyed the churches and educational institutions. All of us, I am sure, will want to share in this giving to promote the work of the Church. We have been concerned about the welfare of our missionaries and missions. Now we know, from reports from liberated missionaries, what has happened in these countries. Their need is urgent and all Christians will want to help their Christian brothers to rebuild their churches of Christ. When you are asked to help, will you not give generously for those who have heroically carried on the work of the Master during these terrible times?

We regret to announce that Mrs. Howard W. McComb, president of the Dorcas Society for the past six years, has resigned. We shall miss her leadership, but we know that Mrs. McComb, is devoting much time and energy to work at St. Stephen's Service Club, visiting service hospitals and organizing service groups.

The Church School will hold its closing session on Sunday, June 10th, and will reopen on Sunday, September 16th. The officers and teachers will have a party for the members of the Church School on Friday evening, June 22nd, from 7:00 to 9:00

o'clock. We invite you to enjoy the evening with us.

The Sunday church services during the summer will be at 8:00 A. M. and 11:00 A. M. We trust that all our members will make an effort to be present at one of these services each Sunday.

With all good wishes,

Faithfully yours,
Thomas Parker, Rector.

DORCAS SOCIETY

The Dorcas Society will hold its closing meeting on Monday evening, June 25th.

Mrs. George Garrison, our new president, has been presiding at our meetings since Mrs. Howard W. McComb resigned. We regretted having Mrs. McComb give

up the office after having been our able and energetic leader for six years. The members of the Dorcas are loyally supporting Mrs. Garrison in her new office.

The card parties on Tuesday evening have been well attended and we appreciate the support the people have given us.

The last of the regular Tuesday evening card parties will be held on June 12th.

There will be an extra card party on Thursday, June 21st.

"THE 4:15 PLAN"

The 4 represents the 4 months—July, August, September and October. The 15 means the first 15 days of each of those months. In a box on the first day drop one round copper—on the second day deposit two cents more—on the third day three cents more and four more pennies on the fourth—five on the fifth—and so

on depositing the number of coins represented by that day of the month up to and including the 15th—or a total of \$1.20 for one month—\$4.80 over the 4 months.

These boxes will be distributed for your use sometime during the month of June. This is a fascinating game to play and the money derived from the boxes will help us in our work.

PERSONAL STATIONERY

A letter from the Personal Stationery Company states:—

"We are happy to announce that are able to again accept orders for Elite and Club Size Stationery from our old customers, starting now and continuing during the summer.

The demand for our stationery is tremendous and we strongly advise that you start right now, taking orders for late summer and fall delivery. Impress upon them the importance of ordering now for next Christmas, as the paper shortage continues critical."

Mrs. Parker will be glad to show you samples and take your orders.

STANDING NOTICES

Every one is welcome at all services in the Memorial Church of St Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A Communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the office for the visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness, or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptism, marriages, or funerals at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's are asked to send their names and address to the Rector.

CONFIRMATION

The Rt. Rev. William P. Remington, D.D., will visit the Memorial Church of St. Paul, Sunday evening, December 9th, at 8 o'clock, to administer the rite of confirmation.

DORCAS SOCIETY

The Dorcas Society resumed its meetings on Monday evening, September 10th, with our President, Mrs. Garrison, presiding.

We have a fair attendance. We would like to have other members of the Parish join us in our work. We have planned a

number of activities for the coming year.

There will be Card Parties, with games, on Tuesday evenings.

We have started a Miscellaneous Club. Anyone wishing to join this club may do so by speaking to any member of the Society.

Mrs. Edkins has Christmas Cards for sale.

On Saturday evening, December 1st, we expect to assist with the Parish Bazaar and Dinner.

There will be notice of other activities later.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.

CHURCH SCHOOL..... 9:30 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

The summer was a good one for all of us. The end of war in the Pacific brought great joy and relief to everyone. Our men in service are no longer subjected to the dangers and horrors of war and in due time will be coming home. This is the time we have long been praying for and looking forward to.

As a Church, too, we are eager to welcome them back. They mean much to the home church and the church means much to them. In our relief that our men are no longer in action and imminent danger let us not relax our interest in them and prayers for them. Let not our religion prove to be mere words, but let us show by our deeds how thankful we are to Almighty God that the war is over and may we strive as never before to maintain permanent peace in the world, taking always as our pattern and inspiration the great, but humble, Prince of Peace.

We are trying to get the fall and winter work of the Church off to a good start. The more hands we have to do it, the easier it will be for us and the more satisfactory will be the results. Each one of us will find a place in one or more of our organizations and will be very welcome. Your interest, manifested by your presence, will stimulate the officers and members of the various groups and greater work can be accomplished. Do not bury your talents, but rather use them for the Glory of God and the extension of His Kingdom.

Now is the time for our members to bring in their summer boxes. The "4:15 Plan" was very successful last year and a great help to our Church. We are hoping that it will prove to be even more successful this year.

The raising of money for the Reconstruction and Advance Fund will take place after January 1st, 1945. However, we shall be glad to receive contributions for this cause at any time. The plan offers opportunity for us to share in the rebuilding of God's work, which has received such a serious setback by the havoc of war.

May we return to Church after the summer season with renewed enthusiasm and the determination to try more than ever to make God's house a house of prayer for all men. Let us give to the Lord that which we need, not that which

we cannot use, and look forward to real spiritual life and growth.

With all good wishes, I am

Faithfully yours,
Thomas Parker,
Rector.

We shall be happy to welcome the Odd Fellows to St. Paul's. All Odd Fellows and friends are invited to join American Star Lodge in this service of thanksgiving for victory.

THE CHOIR

The choir has resumed Thursday evening rehearsals and hopes that the members will come out faithfully. Mr. Beck, organist and director, would like very much to increase the number of members and invites those who sing to join the choir.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Every day or so now we are hearing that one of our service men has been discharged or that he soon will be. It is gratifying to us to welcome them back and we are especially pleased to see them in their regular places in church again. We are happy indeed to see them looking so well and fit. A hearty "Welcome Home" to them!

The Rt. Rev. William P. Remington, D.D., was instituted Suffragan Bishop of the Diocese of Pennsylvania on All Saints' Day, at the Cathedral Church of Christ. We welcome him as our Suffragan Bishop. We will have an opportunity to welcome him personally on Sunday evening, December 9th, at 8:00 o'clock, when he will visit our parish to administer the rite of confirmation to the class now being prepared by the rector. Bishop Hart has emphasized over and over again that it is the responsibility of the congregation to present a class of suitable candidates to the rector for instruction. It would make you and me happy if, as a member of the Church of Christ, you would bring someone to the class for preparation.

The Annual Christmas Bazaar and Dinner will be held on Saturday, December 1st, 1945. We are looking forward to this event because it is always such an enjoyable one. The Dorcas Society will serve a turkey dinner from 5:30 to 7:30 P. M. There will be for sale fancy goods, aprons and other useful articles. Mrs. Oscar Gamper is heading the group in charge of this table and will be glad to receive donations. Mrs. Doughty will again have the bakery and candy table and she, too, will appreciate donations. Mrs. Garrison, president of the Dorcas Society, would like volunteers to help her and her assistants with the dinner. Our Bazaars and Dinners have been getting better and better. Let's make this one the best yet.

The Monday evening gatherings of the men for relaxation and fellowship have been proving very enjoyable. The men are getting out of these get-togethers just what it was hoped that they would when the idea was suggested. They are getting better acquainted. After an evening of fun at games — shuffleboard, bowling, table tennis, darts, etc. — they have refreshments. If you have not been to any of these meetings, you are missing something; if you get started, you will not want to miss again.

Mr. D. Cortlandt Montgomery is Chairman of the Every Member Canvass. It is important that we co-operate with him in order that every member of the parish may be visited and given an opportunity to support the Church. The Rector, Wardens and Vestrymen need the support morally and materially of every

member of St. Paul's. We have an opportunity to express our thanks to God in this way. We are grateful to the men and women who give their time and energy for the work of Christ at St. Paul's. We need more willing and devoted laborers in the Church of God.

The Advent Folders will be mailed to you shortly. They have been of great assistance to the Church. They are to be placed on the offertory plates on Christmas Day. You have responded so well in the past that we are anticipating that these folders will be received gladly and that you will give freely.

Looking forward to another year of usefulness and happiness together in our Church and our community, I am

Faithfully yours,

Thomas Parker, Rector.

MISSIONARY COMMUNIQUE

A thin little child dressed in an old lace curtain was brought by her mother to the Church's Home for Children in the Panama Canal Zone. Her North American father had deserted the Panamanian mother; mother and child had been living in a basement room open to all weather, and without food. The Children's Home was able to accept the child. A Hindu, a Filipina, and a Puerto Rican, along with Spaniards, Costa Ricans, French and Chinese have been members of the Home. It has been caring for children since 1920.

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

During the past weeks through a series of pamphlets and reprints from "Forth" we have presented to you, in a very general way, the work of the Church in far places. Here at home there is need for training in the rural sections of the Southern States.

We are called by our General Church through the Presiding Bishop to make these fields a special work of our Church through the Reconstruction and Advance Fund in 1946. St. Paul's people have responded fully to the calls of the Bishop for funds and services for the Armed Forces. In a quieter moment it is well to reflect a bit on the principles we set as our aim in the War, and then give liberally to the one agency that represents our Christian ideals to these, our brothers.

MISSIONARY COMMUNIQUE

When the sixty boarding school girls at Emery Hall, Bromley, Liberia, heard how the Chinese girls and boys of the Hankow diocesan school moved their school more than one thousand miles into Free China rather than interrupt their education, the Liberian girls, first-graders to fifteen-year olds, organized a program of music and recitations, invited everybody to attend and bring an offering, and sent the money "to be used for the school children of China, who have had to move so often and suffer so much in order to do what is very easy for us in this country."

WHO PAYS THE BILLS?

In a certain church during the Every Member Canvass one of the canvassers related this story:

Mr. A, had turned them down, and then the goodly layman not defeated but just getting started, said, "Well, Mr. A, do you want someone else to pay your grocery bills, also?"

"Certainly not," replied Mr. A indignantly.

"No offense, Mr. A, but I was just thinking that, as you have already said, you want the church to live to train your children—but you refuse to help with the expenses."

"Well," retorted Mr. A, "what does that have to do with my grocery bills?"

"Oh, nothing in particular," replied the canvasser, "except I can't see your sense of honesty in wanting to pay for the food

that keeps your children's bodies healthy, but letting someone else pay for the food that keeps their souls alive."

The tension was eased a bit—and finally made altogether right when a big smile burst on Mr. A's face and with a hearty good laugh he said, "George, you win, that grocery bill did the trick; here's my pledge."—The Wichita Light, First United Brethren Edition.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.

CHURCH SCHOOL..... 9:30 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

The coming Sunday is the First Sunday in Advent, the beginning of a new Church year. "Advent means coming, and it is designed to celebrate our Lord's coming in the flesh in great humility to save them that were lost, while looking forward at the same time to His second coming in glorious majesty to judge the world."

Are we making preparations for the Advent Season? Surely, as Christians, we feel the need of preparing for Christ's return. What better preparation could we have than a greater knowledge of Jesus Christ and His way of living; a deeper understanding of Him who taught us to love our neighbors as ourselves and to share our blessings with others? This is the practical application of the familiar Golden Rule, to do unto others as we would have them do unto us. There would not be cause for the differences and dissensions in the world today, if we respected the opinions and rights of others as we expect them to respect ours. A primary source of trouble is our inclination to an attitude of superiority. Our Lord gave the disciples and us a lesson in humility when he washed the disciples' feet and told them "A servant is not greater than his Lord, neither one that is sent greater than him that sent him." Naturally, there must be leaders, for without them we could not know the way. In Jesus we have leader and guide. Let us follow His leadership and learn to do His will.

Man is a lazy creature by nature and he is apt to be contented with his way of living. Being satisfied with our lot makes us indolent. We lack aggressiveness and have no initiative. When we reach this state, we dry up mentally and spiritually and are unprepared for what lies before us. Christians should not be caught without oil for their lamps, as were the virgins of old. Our souls should be filled with the Glory of God and our lives shine as lights to show a darkened world the way to Him. May this Advent Season have a very real meaning for us and may we be comforted and encouraged by the assurance that Christ is indeed coming again.

Faithfully yours,

Thomas Parker, Rector.

CHURCH SCHOOL

The Church School held its Christmas Entertainment on Friday evening, December 28th. We were sorry that a number of our boys and girls were unable to attend because of illness. Those present had a very enjoyable time.

We have accepted with regret the resignation of Miss Doris Bell as a teacher in our Church School, as she will be leaving shortly with her family to make her home in the South. We shall miss Miss Bell very much.

Miss Kathryn J. Westergon is a new teacher in our Church School. We give her a hearty welcome and trust that she will find a great deal of joy in her new work.

Will you help us to give a religious education to the boys and girls in our community by sending them to us on Sunday mornings at 9:30 o'clock.

WELCOME HOME

We are very happy to welcome home our returning service men. It is good to see them in their regular places on Sunday mornings, after an absence of several years. We are proud of their records and grateful to them for what they have done for us and for their country.

MEN'S GROUP

Some of the men of St. Paul's have been meeting on Monday evenings for pleasure and relaxation. Those of us who come out are having a lot of fun. We are eager to have more of the men share this fellowship. SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We have entered a new year; one that finds wars at an end and the nations of the world planning for peace after five years of terrible conflict. We pray that God may help us to keep the peace for generations to come.

The war has wrought many hardships to nations and to individuals. It has brought destruction to cities, towns and hamlets. Millions have been killed or wounded. Our own country has suffered heavily in loss of lives and casualties. Many countries have not only lost loved ones, but have seen their homes, churches, schools and hospitals leveled to the ground. These peoples should again have the opportunity to worship God in edifices dedicated to His glory. They should have hospitals to relieve the suffering, heal the sick and give comfort in times of distress. They should have schools to educate the young, and especially should they be taught the right way to live and to govern themselves.

How can these privileges be given?

The National Council of our Church has a plan. It is asking us to give, as a minimum, the sum of \$5,000,000 to the Post-War Reconstruction Fund. The Diocese of Pennsylvania is asking for \$500,000. St. Paul's is asking its members to give \$500 to this fund. The offering for this purpose will be received on Sunday, February 10, 1946, at the 11:00 a. m. service. Envelopes will be mailed to each communicant and we pray that your offering will be a generous one. Give not what you can spare, but give what you need. Let us make every sacrifice that we can for those who sacrificed so much for us and God will surely bless us in our efforts.

Faithfully yours
Thomas Parker, Rector.

MISSIONARY COMMUNIQUE

Even before the War, this is the sort of opportunity that was troubling Bishop Binsted. In November 1941 he wrote: "I have just returned from a walk over the mountains through primitive forests for two days in tropical rain to the village of Balatoc where we recently placed a native catechist. In that village alone, where no Christian work has been done, approximately a thousand people are asking to be baptized and confirmed, and it is only one of a number of such villages along a river valley towards Bontoc. If we could place two or three good workers in Balatoc or the vicinity there is

no limit to what the Church might do for these people. It is hard to see all these opportunities opening up before the Church and not be able to take advantage of them." Surely the coming years must see these opportunities fulfilled.

HERBERT S. EDKINS

The Memorial Church of St. Paul suffered a great loss when Mr. Herbert S. Edkins was called to his eternal home on December 22, 1945. Mr. Edkins had been a vestryman for many years and for the past five years was Rector's Warden. He was faithful in his duties at all times. He was deeply interested and active in the work of the Church and was of great help to the Parish. We at St. Paul's shall miss him very much. We extend our sympathy to his wife and son.

May perpetual light shine upon him
and may his soul rest in peace.

The Christmas Bazaar and Dinner was a great success. The turkey dinner, prepared by the Dorcas Society and served by the young women of the parish, was delicious and those present were generous in their praise of it.

"THANKS"

Through the co-operation of the Clergy and Treasurers the Diocese of Pennsylvania has met its budget. 140 Churches have given more money than they pledged for the Proportionate Share. We appreciate the effort made by the majority of treasurers in sending to the Church House one twelfth of their Missionary money each month.

1946 ENVELOPES

The 1946 envelopes have been distributed. If you have not received yours, kindly speak to the Rector or to the Secretary of the Vestry about it and envelopes will be sent to you.

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

Dear Friends:

The Reconstruction and Advance Fund Offering will be taken on Sunday, February 10th. We, of St. Paul's, have been asked to give \$500.00, as our share of the \$500,000.00 that the Diocese is raising for the National Church. This is our opportunity to express in concrete form our appreciation to our Christian brothers for what they have done for us during the past five years. Their lands were devastated. Let us help them to rebuild their churches, schools and hospitals, which are so greatly needed.

Please bring your envelopes for this special offering on Sunday, February 10th, and make it a very generous one.

Faithfully yours,
Thomas Parker, Rector.

MINUTES OF THE ANNUAL PARISH MEETING January 25th, 1946

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House on St. Paul's Day, January 25th, 1946, at 7:45 P. M., following a dinner prepared by the Dorcas Society and served by the teachers of the Church School. Thirty persons were in attendance, and the Rector, the Rev. Thomas Parker, presided.

The minutes of the Annual Parish meeting, held on January 25th, 1945, were read and approved. The Rector expressed the welcome of the Parish to its returned servicemen who have taken their accustomed places in church on Sunday mornings. Mr. Parker, speaking what was felt in the hearts of those present, noted the loss of a friend and ardent worker in the recent death of the Rector's Warden, Herbert S. Edkins.

The Parish's commitment and the work of the Reconstruction and Advance Fund was announced by the Rector and every member of St. Paul's asked to give as his means permit.

Reports were presented for Parish groups as follows:

Choir by Mr. Louis R. Beck
Troop 5, B. S. A., by Raymond Berens
Dorcas Society by Mrs. Robert J. Skillen
St. Paul's Service Group by Mrs. L. M. Harper
Altar Guild by the Rector
Church School by the Rector
Friday Evening Group by Miss Ella M. Coleman
The Accounting Warden, Mr. Edgar

B. Coleman presented an annual financial report for 1945.

Tellers to conduct the voting for Vestrymen were appointed by the Rector. Following the balloting the tellers, Mrs. William Gibson and Mrs. Ruben Auritt, reported the vote in favor of the candidates:

Edgar B. Coleman
Frank C. McCook
William McGill
Calender P. Ritter

And they were declared elected for the stated term of three years.

The meeting adjourned at 8:30 P. M.

D. Cortlandt Montgomery,
Secretary.

ST. PAUL'S SERVICE GROUP

At the conclusion of a year of activities within our group, we hope that we have been helpful to our men and women in the service. Foremost among our activities were our efforts to keep in touch with our servicemen. Fifteen large Christmas boxes were sent overseas and forty-four boxes of candy sent to the men in and out of the service in this country. During the year we sent out thirty-three birthday cards. Cards were also sent for St. Valentine's Day, Easter and Christmas.

Flowers were given for the Altar on Easter, Memorial Day, and Christmas, and new stars added to the Service Flag as necessary. We aided the Diocesan War Commission in serving at St. Stephen's Servicemen's Club on a few Sunday evenings. The expenses of this work were defrayed mainly by card parties, and the regular collection of dues. At our last meeting, held on January 11th, we decided to disband the group. A sum of \$83.13 remaining in the treasury has been offered toward a bronze Honor Roll to be placed in the vestibule of the Church.

We wish to express our sorrow in the death of Mrs. Eugene Rudolph, one of our active members, in the closing month of last year.

L. M. Harper,
Secretary.

DORCAS SOCIETY

The Dorcas Society has had a very successful year. During 1945 we were able to present to the Accounting Warden for Church Expenses the sum of \$1200.00, and an additional sum of \$150.00 for fire insurance. We have also contributed to many worthy causes.

We have sent messages of cheer where illness has overtaken a member, and have given a word of comfort on a friendly call. Our bereaved members

have our especial sympathy.

Our Social and fund-raising activities include suppers, card parties, a blanket club, and a candy club. We have also taken trips to places of interest. Parish-wide events of the year were participation in a June Fete and a Christmas Bazaar. From all sources we have raised the sum of \$1764.21 and expended the amount of \$1602.11, leaving a balance in the treasury of \$162.10.

Harriet J. Skillen,
Secretary.

TROOP FIVE PHILADELPHIA COUNCIL BOY SCOUTS OF AMERICA

Troop Five reorganized on March 28th, 1945, at which time eight boys were invested. During the Spring months we had several one-day hikes and competition was keen for reaching Second-Class. We attended the Southern District Camporee at the Scout Training Area and were one of the Troops to receive the Merit Award for good camping.

Summer found us preparing for Treasure Island Camp, where we set up our site with ten Scouts on the third week in July. For two weeks it rained, and floods prevented swimming or boating, but handicraft and the Nature Lodge were interesting activities. Fall activities included overnight hikes and one day hikes. We have three patrols and fourteen registered Scouts. Troop meetings are held on Friday evenings, and patrol meetings are held weekly at the patrol dens. The Troop Council, who are the boy leaders of the troop, plan Troop programs on Sunday evenings. We are looking ahead to a year of camping and advancement. Service projects included waste-paper collection, the used clothing drive, Seventh War Loan, and the War Fund pageant.

Scribe.

MISSIONARY COMMUNIQUE

Although there was no actual fighting in Liberia, the Church's institutions in that tropical country suffered during the war years. Any property in equatorial Africa needs constant care to maintain it. At St. Timothy's Hospital Cape Mount, staff and supplies have been difficult or impossible to secure; consequently, the hospital is much in need of repair and new equipment. Screening and mosquito nets, essential in the midst of disease-bearing insects, are worn out; metal frames are rusted; termites are in the wooden posts; cement floors are crumbling; asbestos roofing is warped and lets in the tropical rains; furniture for wards and kitchen needs replacements; some essential supplies, drugs and chemicals, have been entirely lacking.

TROOP FIVE PHILADELPHIA COUNCIL BOY SCOUTS OF AMERICA

Troop 5, with the assistance of Elmer Phillips, of our Troop Committee, made its way to Hart Scout Reservation for a week-end trip on February 8th. On Sunday, February 17, in observance of Scout Sunday, we had as a guest speaker at the 11 a. m. service, Elliott Gaskill, a member of the District Committee.

During the Victory Clothing Collection, Scouts Raymond Berens, Fred Marcus and John Bonella worked with Committee Member Elmer Phillips in gathering and packing 450 pounds of clothing, a portion of which was contributed by members of St. Paul's congregation.

We are planning our Spring and Summer Program which will include a week's camp at Treasure Island and the District Camporee.

SUNDAY SERVICES

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

The Lenten season will commence on Ash Wednesday, March 6th. It is a special season for devotional exercises; a time for penitential services. It is a period of preparation for Easter; an opportunity for all of us to strengthen our spiritual bodies with the Bread of Life. Jesus went into the wilderness to prepare for His mission. He remained there forty days, fasting and communing with His Father.

We can learn more about our Saviour during this Lenten season by setting aside a special time for prayer and devotional reading. We believe that Christianity is the solution to our accumulating problems. Faith in Him, and a readiness on our part to do His will, will go a long way to pave the road to a happier and holier life. This cannot, of course, be accomplished by mere fasting or by attending additional services. There must be a purpose in our observing Lent and that purpose should be a zeal to grow more and more like our Master. The Lenten season can be a sure help to all of us, if we are willing to try to understand and be influenced by the teachings of Christ. It means giving up the old way of living and taking on a new manner of life by building up the spirit.

The Church of Christ is an important factor in the life of any community. It can be and should be in ours. The individual member of the Church should do all that is in his power to bring honor and glory to his Church. A strong Church means that the members of that body are practicing the teachings of Jesus in their daily lives. If this were true of every community, then individuals and nations would be living at peace with one another. This should be our aim: To live peaceably with one another and to make our community as spiritual as we can.

Happiness comes to us through right living. Wealth does not make for contentment unless it is shared. We can be happy in our religious life by doing good day by day; by building up the Kingdom of God; by being kind one to another and by being temperate in all things. If we are sincere in our desire to make this Lenten season mean something in our lives and are determined that we shall do every thing in our power to lead unselfish and more useful lives, then indeed we shall know the true meaning of Lent.

May God give us the wisdom and courage to carry out our purpose to be better and more helpful Christians

in the days to come!

Faithfully yours,
Thomas Parker, Rector.

1946 RED CROSS FUND

The services of the Red Cross are as essential now as in wartime to help in this work. Our armed forces on occupation duty will continue to demand and must have Red Cross services in Europe, in Japan, and many other parts of the world. Nor must their families at home be neglected. The serviceman and his family have a right to expect that the Red Cross will continue to provide help, inform-

ation, and a friendly hand in peace as in war.

Our wounded and sick in 1,921 military hospitals need ceaseless care and the help of Red Cross on their road back to recovery and normalcy — a road which for many has no ending. WE CANNOT FAIL THEM. The peacetime services of Red Cross are also most important. They include the training of our youth in citizenship through the 20,000 members of Junior Red Cross, constant vigilance for natural and man-made disasters through our Disaster Preparedness and Relief Committee, work in civilian hospitals where the nursing shortage is still acute, medical and emergency relief to starving people overseas, etc.

The 1946 Red Cross Fund will open on March 1st with a quota of \$3,400,00 for the five surrounding counties comprising the Southeastern Pennsylvania Chapter.

THE DIOCESE OF PENNSYLVANIA

February 15, 1946

Dear Brethren of the Clergy:

As you probably know by now, the Episcopal Church is joining with a majority of churches in The World Council of Churches, in a cooperative venture in sending material aid (food, clothing, etc.) to our sister churches in liberated countries abroad.

Each parish is asked to cooperate in this movement by securing gifts of food, clothing, seeds, drugs, etc. to be shipped to Europe and to be given out by the churches there, thus enabling these churches to give relief that is so desperately needed to supplement the work of UNRRA and the Red Cross.

Some parishes have already responded magnificently to this appeal, but a majority have not notified the Church House of any cooperation. This is a continuing program. If you have already had one collection, keep up the good work. If you have not — this is your opportunity to begin.

I have appointed Mrs. George Trowbridge, Vice-President of the Auxiliary and Chairman of the Department of Christian Social Relations of the Diocese, as Chairman of the Material Aid Program. She and her Committee have posters and instructions which they will deliver to your church.

I hope you and your parish will not only cooperate but assume leadership in your communities to make this an inter-church effort.

Sincerely yours,
Oliver J. Hart.

HOLY COMMUNION.....	8:00 A. M.
CHURCH SCHOOL.....	9:30 A. M.
MORNING PRAYER AND SERMON.....	11:00 A. M.

Dear Friends:

We are realizing more and more that the world is in a serious state. In many countries people are in need of the bare necessities of life; in some countries they are dying by thousands from starvation and disease.

The hope of the world now as always is Christianity. Only Christ's disciples, with a passion for souls, will be able to relieve this desperate situation. It will be Christians, for the most part, who will share their food with the starving peoples of the world. We have a two-fold privilege and obligation: We must first feed the stricken peoples and then we must restore Christ to them by sending and supporting missionaries to the fields where missionary work has been halted by years of war. If we prove ourselves practicing Christians by feeding and clothing the needy, we should have little trouble in interesting them in the religion we profess and seek to teach.

Jesus said, "I am the bread of life;" also, "If any man eat of this bread, he will live forever." The Master is telling us how we may receive spiritual food that will enable us to be with Him in the life hereafter. It is those who receive this spiritual sustenance daily who will help to solve problems in a Christ-like way. We, too, should go about doing good, relieving the distressed, healing the sick and cheering the downcast. May we have a burning zeal to know God better and to share our knowledge with others, and may God bless us all!

Faithfully yours,

Thomas Parker,
Rector.

TROOP FIVE PHILADELPHIA COUNCIL BOY SCOUTS OF AMERICA

Troop Five was privileged to honor one of its Scouts on Sunday, May 12th, at Gloria Dei Church where Scout Raymond Berens was presented with a good citizenship medal by the Quaker City Chapter, Daughters of the American Revolution.

The weatherman is continuing to mix us a strong dish of weather on our overnight camps. The Camporee was no exception, and in spite of new nylon tents that retained the water on the inside rather than keep it on the outside, we came back with another good camping experience chalked on the record.

Treasure Island Camp is only a few weeks away and the Scouts are planning to make the most of the week of July 20th. Advancement to the higher ranks of Scouting has not been good but camping time is here and we hope to change a few badges by October 1st.

On Saturday, May 25th, the Scouts and Cubs collected about 700 cans of food for relief of famine in Europe and accepted \$13.50 for purchase of food certificates.

PACK FIVE CUB SECTION BOY SCOUTS OF AMERICA

Pack Five was busy in the month of May with three get-togethers. Father-and-Son Night on May 8th was attended by almost every Cub and his Dad. Mother's Night on May 15th again brought the Cubs out with their Mothers. The final Pack Meeting for the Season was held on May 24th. It was hobby night and prizes were awarded for the best exhibits.

Ronald Roy and George Kramer were

graduated into Scouting, choosing Troop Five for their troop. The Cubs worked with the Scouts on famine relief.

Many good times for the families of Cubs have been enjoyed during the year and Cubmaster Briggs promises he will come up in the Fall with a full bag of programs to interest all of us.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We had a very good Easter. The services were well attended and everyone present seemed to be in the Easter spirit. The music was excellent and helped our spiritual appreciation of the day. What wonderful strength the Church would have, if we would attend our Church throughout the year as we do on the day we celebrate our Lord's resurrection! It would give us new power, new enthusiasm and a greater desire to live useful Christian lives.

The Vestry joins me in thanking you all for the splendid Easter Offering. The response to the Lenten and Easter appeals was very gratifying. The combined offering amounted to \$1,454.08.

The days ahead of us are going to be difficult ones, but we can meet them with courage and fortitude, knowing that God will give wisdom and strength to carry on if we call upon Him. We cannot sit idly by and expect Him to do it for us. We shall have to do all in our power to help in the adjustments necessary so that we may again live normal lives. One thing that encourages us to believe that conditions are shaping in this direction is that we see our returning service men in their usual places in Church. We are happy indeed to have them back worshipping with us.

We are enjoying spring weather and we hope that the lure of the outdoors will not affect our church attendance. The day will be better for us if we worship Him in prayer and praise.

With all good wishes, I remain
Faithfully yours,
Thomas Parker, Rector.

THE YOUNG PEOPLE'S FRIDAY EVENING GROUP

These young people meet regularly Friday evenings for bowling and games and dancing and have an enjoyable time. It is to this group that we turn for special services for our Parish Dinners, Bazaars and Entertainments. They are always co-operative and efficient.

THE CHOIR

The membership of our Choir is increasing, but there is room for others and we hope that those who are able to serve our Church in this way will offer their services.

SUMMER EXPENSE FUND

The following have contributed to the Summer Expense Fund since the last Chronicle was published:—

Mrs. George F. Kramer, Mrs. L. M. Harper, Camper Family, Miss Ball, Mrs. Elizabeth Hetto, E. Laager, Mrs. Paul Dornheim, Mr. and Mrs. William Williams and Mr. and Mrs. George J. Gaul.

THE RETIRED CLERGY

There is widespread concern throughout the Church regarding the retired clergy and the widows and children of the clergy. The General Convention appointed a Commission, with Bishop McKinstry of Delaware as chairman, to consider the raising of a fund with which to supplement pensions now being paid by The Church Pension Fund to retired clergymen, and to widows and children of clergy. The Diocese of Pennsylvania is attempting to meet this problem through "The Christmas Fund." The Fund at present is not sufficient to provide adequate supplemental aid for all needy retired clergy and their families, but it is able now to help in some fifteen cases. The original plan back of the founding of the Christmas Fund was for those parishes, who cared to do so, to give their Christmas offering to

this Fund. Where a parish does not feel itself to be in a position to give the entire Christmas offering to the Christmas Fund, it might be willing to call attention to it in the Parish Bulletin, and allow those people who desire to do so to send an offering for this Fund. Those desiring to help should make checks payable to "The Diocese of Pennsylvania" and mail them to:

STANDING NOTICES

Every one is welcome at all the services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

In December, annually, we seek to clear our indebtedness in order that we may start the new year with a clean slate. It is necessary that we pay all our bills and it is important for us to plan for the year ahead. The rising cost of practically everything affects the Church as well as the home.

We would like to call your attention to the "Red Side" of your budget envelopes. This side (for missions) has been neglected by many. If each one of us did his share we could do so much more for others. Our quota for missions has been increased from \$700.00 to \$800.00 for the year 1947. Surely \$800.00 is not too much to ask of us for the support of those who are carrying on Christ's work for us in the mission fields. A missionary-minded church is a live church. We want to be alive to and eager to avail ourselves of every opportunity to spread the Good News to all parts of the world. It is not asking too much of us to sacrifice a little for those who sacrifice so much. If we take this matter to God in prayer, I am sure that we will respond more generously to this challenge of our Church than we have in the past. What a fine thing it would be for the Church to have every member of St. Paul's contributing through the "Red Side" of their envelopes.

May we make 1947 a banner year by serving the Church of Christ faithfully, by attending services regularly and by giving systematically and may God bless us in all of our endeavors undertaken in His name!

Faithfully yours,
THOMAS PARKER,
Rector.

THANK YOU.

The Rector, Wardens and Vestrymen wish to thank the men and women of the Parish who gave generously of their time and energy to the cleaning of the Church. It was a hard job, but it was done well and the spirit that prompted the undertaking pleases us very much. The men are hoping to shellac the floors soon. We are grateful for their service of interest and love and hope that more of our members will realize what can be accomplished through united effort and will want to do something concrete for their Church.

HOLY COMMUNION..... 8:00 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

A Happy New Year to you all!

The year 1946 has been a fruitful one for St. Paul's. For one thing, we have enjoyed a fine spirit of co-operation. More of us are working together for the good of the Church. We pray that this spirit may not only continue, but that it will increase in the years to come. It is our prayer that we may come to know our Lord better during the days that lie ahead than we have ever known Him in the past. If we will worship Him in spirit and in truth, we will become happier and more useful Christians.

We are pleased and grateful to announce that once again we have been able to pay our obligations in full and start the new year free from debt. It gives us deep satisfaction to have our parishioners generous in their response to the appeals that go out from the church office from time to time.

This year can be, and will be, richer and fuller for all of us, if we will devote a portion of our time to the spreading of the Gospel among those about us; to making every effort to have our Church the bearer of the Good News.

May the year 1947 bring us much happiness in our labors for Him whom we seek to serve!

Faithfully yours,

THOMAS PARKER,
Rector.

ANNUAL PARISH MEETING

The Annual Parish Meeting will be held on Saint Paul's Day, Saturday, January 25th, 1947, at 8:00 P. M. The reports of organizations will be given at this time and an election of Vestrymen held. A social hour will follow and refreshments served.

NOTICE OF ELECTION

Sections of the By-Laws state:—

Article 1, Section 1.

The annual election of Vestrymen shall be held on the Twenty-fifth of January, called St. Paul's Day, between the hours of seven and nine o'clock, P. M., provided that the Church Wardens may, at their discretion, keep the polls open for a longer period. Notice of the election shall be given to the congregation the preceding Sunday. Should St. Paul's Day fall on a Sunday the election shall be held on the day following.

Article 1, Section 2.

No person except a member of the Vestry whose term will then expire, shall

be elected a Vestryman at any regular election, unless he shall have been nominated in writing by at least three electors, and the said nomination delivered to one of the Wardens or the Secretary of the Vestry at least fifteen (15) days before the election. The list of nominees shall be published at the services on the Sunday following the close of the nomination.

Article 1, Section 3.

Four Vestrymen shall be elected at the annual election in each year to serve for three years, and until others be chosen. In case of failure to elect Vestrymen at the annual election, the Vestry shall elect to the vacancies thus created. The Vestrymen so elected whether by the Vestry or by the Electors, together with the eight Vestrymen whose term will not have expired, shall constitute the Vestry for the ensuing year.

The members of the Vestry named below are, by provision of the By-Laws, candidates for re-election:

John Hare, Sr.

James D. Hill

D. Cortlandt Montgomery

Dr. J. Randall Skillen

The election will be held on the evening of Saturday, January 25th, 1947.

D. Cortlandt Montgomery,
Secretary.

THEOLOGICAL EDUCATION SUNDAY

JANUARY 26th

At the request of the Joint Commission on Theological Education, I have designated the Third Sunday after the Epiphany, January 26, 1947, as Theological Education Sunday.

This Sunday I hope will be the occasion for addresses in every Church upon the subject of the importance of the work of our Theological Seminaries, and furthermore that in every parish there will be given an opportunity for the people of the Church to give financial support to the Seminaries.

There are many causes which at first seem more imperative. But I doubt if this be true. To a very large extent the character of the Church is determined by the quality of the clergy.

Without trained and consecrated spiritual leaders the Church cannot meet the necessities of the times. This points straight to the Seminaries and their need of adequate support.

I hope, therefore, that on this designated Sunday, there will be a ready and genuine response.

HENRY KNOX SHERRILL,
Presiding Bishop.

The offering on Sunday, January 26th, will be for the Philadelphia Divinity School.

Dear Friends:

Lent is drawing near. Ash Wednesday is on February 19th. We have a number of services during the Lenten Season. Some of us try to attend them as regularly as we can. We are hoping and praying for a greater interest and a larger attendance this year. The services are held for the purpose of renewing our spiritual lives. It is a time when we check up on our spiritual values and, noting our weaknesses and failures, put forth a more earnest effort to the strengthening of our faith and to serving our Lord.

Never before have we had such an opportunity to help a world sorely in need of love, kindness and generous sharing. The peoples of some lands are dying by the thousands and must have help—our help. However blameworthy the leaders, the aged and the little children—are innocent victims of wars and their aftermath. One cannot see pictures of these ragged and starving people without wanting to do something to help them. If we were actually to see their suffering, malnourished bodies and their ruined homes, farms and factories, we would want to do all that we could to relieve their distress. When we compare our abundance with their devastation, it makes us humble indeed and we realize that their state, "but for the Grace of God," might have been ours.

St. Paul's will be given an opportunity to share in the raising of a million dollars for World Relief; and to give clothing, shoes, blankets and other articles in good condition that can be used by the destitute peoples of the world. You may either send or bring your donations to the Parish House. When we do all that we can to serve others, we draw nearer to Him who came to serve mankind and who has told us that our field for service is the world.

Faithfully yours,

THOMAS PARKER,

Rector.

MINUTES OF THE ANNUAL PARISH MEETING

January 25, 1947

The Annual Parish Meeting of the Memorial Church of St. Paul was held in the Parish House on St. Paul's Day, January 25, 1947, at 8:15 P. M. Thirty persons were in attendance and the Rector, the Rev. Thomas Parker, presided. The Minutes of the Annual Parish Meeting held on January 25, 1946, were read and approved.

Reports were presented for Parish

Groups as follows:

Dorcas Society by Mrs. Robert J. Skillen

Choir by Mr. Louis R. Beck

Troop 5, B. S. A., by Mr. D. C. Montgomery

Altar Guild by Mrs. Frank C. McCook

Bazaar Committee by the Rector

Church School by the Rector

Bowling Groups by Mr. William McGill

Basketball Team by Mr. Roy T. Walters

Friday Evening Group by the Rector

The Accounting Warden, Mr. Edgar B. Coleman, presented an annual financial report for 1946.

The Rector commended the people of St. Paul's for the work cheerfully performed during the past year, and asked each of them to add to their happiness by imparting the Christian spirit to others.

The securing of new choir vestments was suggested as a project for this year.

Tellers to conduct the voting for vestrymen were appointed by the Rector. Following the balloting, the tellers, Mr. Roy T. Walters, Mrs. Walter C. Tesche and Mrs. Ruben Auritt, reported the vote in favor of the candidates:

John Hare, Sr.

James D. Hill

D. Cortlandt Montgomery

J. Randall Skillen

And they were declared elected for the stated term of three years.

The meeting adjourned at 9:30 P. M. and refreshments were served.

D. CORTLANDT MONTGOMERY,

Secretary.

ALTAR GUILD

The Altar Guild does not have very much to report as we have no activities, but we would like to thank those who have given memorial flowers and donations to help beautify our altar.

We received two memorials this year: A set of eucharistic candle holders, gift of Mrs. Herbert S. Edkins, and a set of small cruets for our chapel communion service, gift of Mr. and Mrs. H. Bruce Edkins, both in memory of Mr. Herbert S. Edkins.

There are a number of things needed for our altar and chancel which could be given as memorials. If anyone desires to give a memorial, please speak to Mr. Parker or any member of the Altar Guild about it.

As Directress, I wish to thank the

members of the Altar Guild for their good work. I also want to thank our Sexton, Mr. George Voss, for the help he has given us.

Respectfully submitted,

ELIZABETH M. MCCOOK.

DORCAS SOCIETY

The Dorcas Society has had a very busy and successful year, under the efficient leadership of our President, Mrs. George Garrison. During 1946 we have been able to turn over to the Accounting Warden, for church expenses, the sum of \$915.00, and \$150.00 for fire insurance, and have made donations to a number of worthy projects: the Elizabeth Price Martin League, the fund for Reconstruction and Advance, the South Philadelphia Convocation for Garden Party, and to the Episcopal Hospital. We have purchased food coupons to send overseas and have taken care of some of our kitchen needs.

Members of our group who have been ill have been cheered by flowers and cards and by visits.

To raise money for this work, we have engaged in a number of activities, including card parties, a blanket club and a candy club. Members have sold handkerchiefs, tea balls, purses, soap leaves and Christmas cards. From all sources we have raised during the year the sum of \$1,107.62, and have expended \$1,251.19, some of which was left over from last year.

The dinners for the June Fete and the Christmas Bazaar were prepared by our group.

HARRIET J. SKILLEN,

Secretary.

ANNUAL REPORT OF TROOP 5

We have been going strong for two years and hope to continue our record. We began the year with twelve boys but some had lost interest. As time moved on, a few boys decided to resign, but this didn't stop us; we just looked for recruits and found them.

"Round-up" was the keyword for January. Scout Headquarters made us an offer that aroused many boys to follow the ideals of Scouting. Although we didn't qualify for the award of a "stellar kit," which could be used to purify water, which originally was unfit to drink, we did receive recruits.

February ushered in the Anniversary of Scouting, and Anniversary Week showed us an overnight hike at Hart Scout Reservation.

The Camporee came in the second

week of May. Although it rained, we had a grand time. Mr. Phillips and Mr. Baker, two members of our troop committee, accompanied us on this wet excursion. Headquarters changed its name from "Camporee" to "Swimmoree." The next time we went camping was in July. This camping trip was to Treasure Island Camp, an island in the Delaware River. We occupied Site "E," our site the year before, which is near the Nature Lodge and has paths to all parts of the camp. The camp Staff was almost entirely changed. Our friend, Bill Steen, was not one of the staff this year. The nature lodge seemed to lack the atmosphere which Bill gave it. We had eight boys at Treasure Island, but we only stayed a week.

August was the month that Mr. Montgomery, accompanied by three boys, hiked part of the Horseshoe Trail. It was difficult for a while but we managed to survive. We found sleeping out doors with no shelter over us was fun; our only complaint was that the spiders were over-active.

September brought on a Patrol Leader's Hike to College Settlement Farm, which was enjoyed by the leaders of the troop.

Hart Scout Reservation seems to be our favorite camping ground. Yes, in November we again camped near Green Lane, Pennsylvania. We have been using three different lodges so that it doesn't become tiresome.

Speaking of Hart, I see that our Annual Christmas Hike was also there. This was our second annual hike during Christmas week, and we hope to continue them.

We have also gone on many day hikes to such places as Scout Triangle or to the Training Area. The Cheyenne Patrol held its own Patrol Hike during October and it hopes to hold another one soon. The Black Panther Patrol has planned a Patrol hike for next week.

As you can see, our troop chiefly is interested in camping.

We have not fallen short of our duties to render service where needed. We have just participated in the famous "Operation Roger" which is sponsored by the Army Air Corp. We distributed circulars in our service area and left supplies of them at various stores outside of our area. We have been asked to participate in another campaign during February, that of the Red Cross.

This is a report of our activities during the past year.

Yours in Scouting,

RAY BERENS,

Troop Scribe.

"ONE SOLITARY LIFE"

Here is a man who was born in an obscure village, the child of a peasant woman. He grew up in another obscure village. He worked in a carpenter shop until He was thirty, and then for three years He was an itinerant preacher. He never wrote a book. He never held an office. He never owned a home. He never had a family. He never went to college. He never put His foot inside a big city. He never traveled two hundred miles from the place where He was born. He never did one of the things that usually accompany greatness. He had no credentials but Himself. He had nothing to do with this world except the naked power of His divine manhood. While still a young man, the tide of popular opinion turned against Him. His friends ran away. One of them denied Him. He was turned over to the enemies. He went through the mockery of a trial. He was nailed to a cross between two thieves. His executioners gambled for the only piece of property He had on earth while He was dying—and that was His coat. When He was dead He was taken down and laid in a borrowed grave through the pity of a friend.

Nineteen wide centuries have come and gone and today He is the center-piece of the human race and the leader of the column of progress.

MORNING PRAYER AND SERMON	11:00 A. M.

Dear Friends:

We have entered the second week of Lent. As you have often been reminded, it is a season for self-examination and repentance; a time to return to Christ, if we have been drifting, to ask forgiveness and strength to go forward in His service.

Let us make Christ mean more in our lives. The Church gives us the opportunity to find Him in its services. Come and bring others to seek the spiritual help that is needed in our everyday lives.

Have you your "Forward day-by-day" Lenten booklet? If you have not, please take one from the table in the rear of the church and make it a practice to read it daily. It will inspire a desire to read more about Christ in your Bible and to know more about your Church through Church History. This is a good time, too, to read devotional books for further spiritual help.

The Lenten folders have been mailed to you. If, for any reason, you have not received yours, kindly let us know and we will see that one reaches you. Please fill it and bring it in on Easter Day. This self-denial offering will help us greatly to meet our current expenses.

We look forward to a very happy Easter at St. Paul's.

Cordially yours,

THOMAS PARKER,
Rector.

THE PRESIDING BISHOP'S FUND FOR WORLD RELIEF

"It is more than mere Christian compassion for the sufferings of our fellow-men that spurs our contribution to world relief today. The very nature of the relief that is needed makes this peculiarly a task for Churchmen.

Meeting the physical needs of the war victims is not enough. The most dire needs of people in all the wartorn countries are spiritual ones. Besides the homes and factories and Churches that have been destroyed, the farmlands that have been rendered useless, the food supplies that have been cut off, there are wounded spirits and scarred souls to be healed. The moral conscience of whole countries must be re-awakened and this is the solemn obligation of the Christian Churches.

To be sure, the physical needs must be met first. A man who is starving, whose children are dying for lack of food, will not pause to consider the moral issue involved when he has the

opportunity to steal some bread. This man, his children, all his neighbors must have food. In all probability they desperately need clothing too. And medicines. But the relief must not stop there. These people—they are to be found in most countries of Europe and of Asia—need religious guidance, the opportunity to worship, the services of a Christian Clergyman; healthy opportunities for study and recreation.

Convinced that world relief in all its aspects is an obligation belonging expressly to the Churches, believing too that this relief must be administered on the basis of need and not sect, the Churches have banded together in Church World Service, a cooperative effort to raise funds and to send help to the places of greatest need. Episcopal Churchmen take part in this cooperative project through their contributions to the Presiding Bishop's Fund for World Relief. Church World Service administers relief through two agencies: World Council of Churches in Europe and the National Christian Council in Asia. Episcopal contributions in 1946 amounted to \$825,000, money that is already at work helping to relieve the suffering in war-ravaged countries. But a tremendous and desperate need still remains. To help meet this continuing need the Church is raising \$1,000,000.00 during each of the next three years, 1947, 1948 and 1949."

We at St. Paul's will be asked soon to do our share toward raising the money for 1947.

Holy Communion and Sermon 11:00 A. M.

FLOWERS FOR EASTER

The Altar Guild asks the members of the Parish to contribute to the Flower Fund to enable the Guild to decorate the altar appropriately for Easter. Those who prefer to send plants for decoration may do so. Please see that they reach the Parish House not later than 2:00 P. M., April 5th.

There is an alms basin on the table in the rear of the Church for your offerings—for Easter decorations.

"QUOTES"

Lent is a season in which we are to break up the hard soil by penitence and so let the word of God be sown in our hearts that our lives may be fruitful. And the fruits of the spirit are love, joy and peace. Just now the world is reaping its harvest of selfishness, hate and recklessness and if experience is worth anything men should have learned that we cannot have love, joy and peace unless we are willing to undergo the discipline of the Christian life.

—Bishop Irving Johnson.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.

CHURCH SCHOOL..... 9:30 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

If you were present at one of the services on Easter Sunday, I am sure that you, too, felt that it was a good day. The services at 6:00 and 11:00 o'clock were well attended. The choir sang at both services and the music was excellent. The Church was beautifully decorated. We appreciate very much your part in making the day a happy one. There were some who asked, "Wouldn't it be nice if we had congregations like this every Sunday?" Well, why not? The services every Sunday could be just as inspiring, if we made them weekly remembrances of Christ's resurrection, and we would be enabled to do a more effective work for Him in our community.

We were well pleased with the Easter Offering, which amounted to \$1284.66, and which represented real sacrifice on the part of some. Again, thank you very sincerely.

In a Church, as well as in a home, physical property wears out and must be replaced. We bring to your attention two of our present needs. We are planning to buy new hymnals for the Church and have \$40.00 toward the choir hymnals. We shall need at least \$100.00 for hymnals to be distributed in the pews. It would be of great help in financing the purchase, if members of the congregation would pay for hymnals and donate them to the Church, regarding them as memorials to loved ones. You may hand me your donations toward this fund. The other need is equally apparent. We should have kneelers. We are looking up prices on them and find them high. Donations for this fund, too, would be very much appreciated.

With all good wishes, I am

Faithfully yours,

THOMAS PARKER,

Rector.

MAY FESTIVAL

The General Committee for the May Festival has met twice and has set the date for Saturday, May 24th. There will be a baked ham dinner, and there will be aprons and fancy goods, fruit, groceries, bakery, ice cream and other items for sale. There will be a Wish- ing Well for the children. There will be games from 7:00 o'clock until closing. To make the May Festival a success, we must have **your** full co-operation. Please give your donations of aprons, fancy goods, bakery, groceries (canned goods) or money to a member of the Committee. Note the date and

plan to be with us for the evening of May 24th.

PRESENTATION SERVICE

The Lenten Offering will be presented on Sunday, May 18th, at 4:00 P. M. This inspiring service will be held on the grounds of the Episcopal Academy. Bishop Hart and Bishop Remington will receive the offerings of the Church Schools of the Diocese. The Rev. N. B. Groton, D. D., will speak to the children.

THE MAY FESTIVAL

The May Festival was a real success, not only in the amount of money received, but in bringing together parishioners and friends for a social evening. The Parish House was attractively and artistically decorated and the dinner was delicious and everyone who took part in the affair added to its success. We are very grateful to those who toil long and hard in the interest of St. Paul's. We also wish to thank the members and friends for their donations, without which an affair of this kind could not be successfully conducted. Plans are laid and preparations begun months in advance of the event. At the present writing, the proceeds amount to \$474.00.

STANDING NOTICES

Every one is welcome at all the services in the Memorial Church of St. Paul. If you are not a regular attendant elsewhere, make your Church Home with us.

Communicants coming into the Parish or leaving it, should comply with the following Canon:

"A communicant removing from one parish to another shall procure from the Rector, if any, of the parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to Rubric before the Office for the Visitation of the sick, which reads:—"When any person is sick, notice shall be given thereof to the minister of the parish."

On due notice being given, the Rector is always ready and desirous to visit those who are in trouble, sorrow, need, sickness or any other adversity, and to administer the Holy Communion to such as, by reason of sickness or other infirmity, are prevented from coming to Church.

The Rector should always be consulted before arrangements are made for baptisms, marriages or funerals at which he is expected to officiate.

Parishioners are asked to send prompt notice of change of residence.

Those who wish to become members of St. Paul's are asked to send their names and addresses to the Rector.

CHURCH SCHOOL PARTY

The Church School will close for the summer on Sunday, June 22nd, and will re-open on Sunday, September 21st, at 9:30 A. M.

The School will have a party on Friday evening, June 20th, from 7:00 to 9:00 o'clock. Every member of the Church School is cordially invited to be present for an evening of fun.

The Church School gave \$194.00 as its Lenten and Easter Offering for the missionary work of the Church.

FLAG PRESENTATION

On Sunday, May 18th, the Sloop Montague Auxiliary, No. 354, Veterans of Foreign Wars, U. S. A., visited The Memorial Church of St. Paul. The Patriotic Instructor of the Auxiliary presented a beautiful American flag to the Church. The Rector accepted the flag and thanked the Auxiliary on behalf of the Wardens, Vestrymen and Members of the Parish.

HERBERT WARRINER POST

On Sunday, May 25th, representatives from the Herber Warriner Post, American Legion, made their annual visitation to The Memorial Church of St. Paul and held a brief service in memory of those who have died in the service of their country.

A REMINDER

Once a month a truck comes from New Windsor, Maryland, to Philadelphia to pick up cartons of clothing for the destitute peoples of Europe. Kindly continue to send or bring to our Parish House clothing, shoes, bedding, etc., in good repair, for those in dire need. Let us "do unto others as we would that others should do unto us" if we were in their places.

DOES ANYONE RECALL

That The Memorial Church of St. Paul was consecrated by Rt. Rev. Alexander Mackay-Smith, D. D., on Friday morning, May 31st, 1907? The Rev. Nathaniel S. Thomas, then Rector of preached the sermon.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

On June 15th we shall endeavor to raise our Parish's share (\$233.00) of the \$1,000,000.00 designated as "The Presiding Bishop's Fund for World Relief."

The following is taken from an eye witness's account of conditions in Europe:

"Flour and water and ersatz coffee with neither cream nor sugar! That's what people in Schwarzenau, Germany, had for breakfast on Christmas morning, 1946. At noon, they had a dinner of potatoes and water and some scraps of meat, a piece about the size of a quarter each. Supper was left-overs.

The situation in Europe is much worse this year than last. France and England are having a bad time. Though Belgium and Holland are coming back fast, Germany, Austria and Poland are in terrible condition. Church World Service goods get in, but not enough are being sent. People are turning from the Church in many places because the Christian Church and the Christian Nations of the West have failed to save them from the present indescribable suffering. Said one pastor, I'm tired, I'm hungry, I'm dopey, I'm cold. Nobody cares. The people are growing cynical. They'd rather die."

We have responded to the appeal for clothing. This appeal comes to you again and again, as often as you have clothing that you can spare that may be useful to these unfortunate people. Please send or bring it to our Parish House.

Envelopes will be sent to you for your financial gifts and you will find some in the pews on Sunday, June 15th. Let us all give all that we can to help feed the hungry people of Europe. Do not regard this as just another appeal. It is a matter of life or death. HUNGER WILL NOT WAIT!

Cordially yours,

THOMAS PARKER,

Rector.

DIOCESE OF PHILADELPHIA
CHURCH HOUSE
202 South Nineteenth Street
Philadelphia 3, Pa.

September 17, 1947.

Dear Friend:

It is with the greatest pleasure that we tell you that on September 10th our Diocese has received \$102,271.97 on our mathematical quota of \$101,261.00 which over pays our share by \$1,010.97. We are enclosing the list of Parishes and their generous contributions. In addition to this money we have shipped thru our Church World Service Center at New Windsor, Md., many tons of material aid in kind. Thus the first year of our work under the **Presiding Bishop's Fund for World Relief** has been a great success. This Diocese has given more, to date, than any other Diocese in our Church.

This work must go on and we know that you, having read the grateful letters that are pouring back from Europe will be eager to continue both the material collections and the giving of money. Keep the need before your people and they will continue to respond.

We will continue to receive and to ship material aid. We will keep bags for shipping on hand in the Church House for your use.

All money sent to the Church House after October 1st, designated for World Relief will be credited on our share for 1948 so lets keep the flow going.

Faithfully yours,

MRS. GEORGE A. TROWBRIDGE,
J. GILLESPIE ARMSTRONG,
Co-Chairmen.

THIS IS SUCCESS

"To be able to carry money without spending it; to be able to bear an injustice without retaliating; to be able to do one's duty even when one is not watched; to be able to keep at the job until it is finished; to be able to accept criticism without letting it whip you."

ONE WORLD—ONE BOOK, BIBLE READING THEME.

The 1947 theme for Worldwide Bible Reading is "One World—One Book." The American Bible Society, sponsor of the Annual plan to promote Bible Reading from Thanksgiving to Christmas, is firmly convinced that if there is to be "One World," the sure foundation on which it can rest is the "One Book."

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

What is the important thing in **your** life?

There may be as many different answers to this question as there are people who read this letter. Those of us who have been baptized and confirmed and brought up in the Church know that if Jesus is not the central figure and greatest influence in our lives He should be. From earliest childhood we have been taught that He came into this world to redeem it; that He gave us many lessons to learn; that He showed us how to live. Some have followed His teachings carefully; there are others, and all too many of them, who have never walked close to Him. It is the privilege of happy, active Christians to try to make lukewarm followers into enthusiastic workers in Christ's Kingdom on earth.

We are prone to be too interested in material things. We want above all to be comfortable. We must have conveniences that make our work lighter for us and luxuries about us that appeal to our senses. If we can afford these things, we can see no harm in having them, provided they take their proper places in our thoughts and our way of living. First things should come first. Let nothing distract us from serving Him whom we agreed to follow when we took our confirmation vows. Let the Spirit of Christ be in us and manifested in our lives and in our contacts with our fellowmen. Christian living and loving and serving are so sorely needed in the world today. Let God be first in our lives. Let children be brought to our Church School and let us who are older be faithful in our church attendance. Unless we are regularly nurtured through worship and communion with Him and obedience to His laws, we can scarcely hope to become effective Christians and fitting examples to others whom we seek to win to the Christian life.

"A young girl said to another, 'I'm trying to find out why everybody loves you so. I'd give anything if they would love me that way.' 'Oh, I didn't know they did,' she said a little excitedly. 'I never thought of it before—I mean, I never thought about anybody liking me—but I know I think a lot of all of them.'" Truly the way to have friends is to be friendly. Isn't this Christ's way too? Surely we cannot but love Him who first loved us!

May we grow in grace day by day, strengthened by daily communion and fellowship with Him, and resolve to serve Him whenever and wherever opportunity offers.

Faithfully yours,
THOMAS PARKER,
Rector.

DORCAS SOCIETY

The regular weekly meetings of the Dorcas Society, which were discontinued during the summer, have been resumed and we now settle down to another year of earnest work.

We held our first meeting of this season on September 15th and had a good attendance. Our plans for the Fall are as follows: We expect to have a sour crout or baked bean supper on Saturday evening, November 1st. We are starting a Christmas Candy Club and hope to have a large number of persons join. We have a fine assortment of Christmas cards for sale. We are taking orders for paring knives. The proceeds from these activities are for the Society's Christmas Offering.

BISHOP HART TO OBSERVE ANNIVERSARY

"October 16th marks the fifth anniversary of the consecration of the Rt. Rev. Oliver J. Hart as bishop. He has called the clergy of the diocese together to join with him in the observance of this anniversary. He will celebrate Holy Communion in the Church of the Advocate, where he was consecrated, at 10:00 A. M. After a conference, luncheon will be served for the clergy at 12:30 P. M."

A GIFT

The Rector, Wardens and Vestrymen wish to thank the Dorcas Society for its gift of beautiful green altar appointments, which were used for the first time on Sunday, October 5th. They will be used regularly at the proper times to the Glory of God and will serve as a reminder of the faithful service the Society has rendered for many years.

VACATION SERVICES

The congregation was pleased to have the Rev. Harry Ingram Fell supply St. Paul's pulpit again during the month of August. His coming offered opportunity to renew old friendships and to

make new ones. Again we thank Mr. Fell for coming to us.

CHURCH SCHOOL

The Church School resumed classes on September 21st, with many of the old pupils back and some new ones present. We can take care of many more and hope that you parents of children of Church School age will see that they are enrolled now, at the beginning of the year.

The Church School is selling Christmas cards to augment its offering for missions and either Miss Mildred Scouler or Mrs. Mabel Roy will be glad to take your order.

SUMMER EXPENSE BOXES

The Summer Expense Boxes are now due. If you have not presented yours, will you kindly do so on or before Sunday, October 19th, 1947. The money from these boxes enables our Church to meet some of the indebtedness incurred during the Summer.

NOTE

It would be of great assistance to St. Paul's if the Parishoners would pay their budget envelopes up to date.

MEN'S GROUP

Once again the Men's Group is inviting the men and young men of the Parish to come out on Monday evenings.

PERSONAL STATIONERY

Mrs. Parker will be glad to take your order, or orders, for personal stationery. Those of you who have had this writing paper know what a good grade of paper it is and how reasonable the price is as compared with similar personalized stationery. A box of this paper makes a very nice Christmas gift. The company notifies us, however, that orders for Christmas giving must be sent in not later than October 25th. If you are interested, kindly make out your orders at once.

THE BUILDERS

A builder builded a temple,
He wrought it with grace and skill;
Pillars and groins and arches—
All fashioned to work his will.
And men said as they saw its beauty,
"It never shall know decay;
Great is thy skill, O Builder!
Thy fame shall endure for aye."

A Teacher builded a temple
With loving and infinite care,
Planning each arch with patience,
Laying each stone with prayer.
None praised the unceasing efforts,
None knew of the wondrous plan,
For the temple the Teacher builded
Was unseen by the eye of man.

Gone is the builder's temple,
Crumbled into the dust;
Low lies each stately pillar,
Food for consuming rust.
But the temple the Teacher builded
Will last while the ages roll,
For that beautiful, unseen temple
Was a child's immortal soul.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

Has an Autumn ever been more lovely than this one! As we walk or ride along the country roads, we see the leaves turning from their summer greens to various shades of red, gold and rust. We pause to admire their gorgeous coloring and realize with grateful hearts that God has given us this great beauty for our enjoyment. The disquieting thought follows that we have done so little to deserve the blessings that we enjoy in our glorious free land. We experience a sense of guilt that we are not measuring up to what He is expecting of us, otherwise there would not be wars from time to time and it would not be seemingly impossible to reach satisfactory terms for permanent peace. He expects us to be His instruments to make the world more God-like by dwelling in Godly love with our fellowmen.

A Committee of the Vestry met with a Committee of the Men's Group to arrange for a Corporate Communion for Men on Sunday morning, November 30th, at 8:00 o'clock. The service will be followed by a breakfast, after which Bronte Greenwood, Esq., a member of St. Paul's Church, Elkins Park, will address the group. This is an important date for the men of the Parish—St. Andrew's Day, Sunday, November 30th, 8 A. M., Corporate Communion. Men, we are counting on you to be present.

Christmas and Bazaartime will soon be here. The Committee has set Saturday, December 6th, as the date for our Annual Christmas Dinner and Bazaar. We hope that you will reserve the date for this important event in our Church activities. It calls for a great deal of planning on the part of the Committee to work out the details to insure a successful evening. It will make their duties much lighter if every member of the Parish feels a personal responsibility to aid in the undertaking by donating to one or more of the booths. As usual, there will be Aprons and Fancy Goods, Cakes and Candy, Fruit and Canned Goods, and other useful articles for sale. We plan to have Santa Claus present to add to the children's enjoyment—also to the grown-ups'. Turkey Dinner, with all of the trimmings, will be served. Make a note of the date now and plan to bring your families and friends.

Cordially yours,

THOMAS PARKER,
Rector.

THANKSGIVING

There will be a celebration of Holy Communion on Thanksgiving Day, Thursday, November 27th, at 10:00 A. M.

The offering on this day is for the Episcopal Hospital. "The rising costs of care, the growing demands on the Hospital by the community, and the inability of many persons to pay for their care make the offering a vital part of the Hospital's financial structure."

May our offering to the Episcopal Hospital be truly one of thanksgiving for the many blessings God has bestowed upon us.

NEEDLE WORK GUILD OF AMERICA

I wish to thank all who so generously donated to this worthy charitable organization. Our contributions this year amounted to 54 garments and \$27.48. Our donations go to the Elizabeth Price Martin League at the Philadelphia General Hospital.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.
CHURCH SCHOOL..... 9:30 A. M.
MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We have just had one of the most successful bazaars held at St. Paul's in years. We had a large turnout and over two hundred persons were served a delicious turkey dinner. To the general chairman, Mr. George F. Kramer, and the committee and to all the workers we extend sincere thanks for a big job very well done. We cleared over \$500.00 on the affair and greatly appreciate the donations received from individuals and merchants. These added much to the attractiveness of the tables and to the proceeds realized. Alternate booths were gayly decorated with red and white or green and white crepe paper and lavish use was made of garlands of laurel. It is not possible to describe in detail the beauty of the colorful scene. There was a lighted Christmas tree and a huge, live Santa Claus and a small brownie were present to the delight of both the children and their elders. The workers went home tired, but very happy over the success that crowned the weeks of preparation.

The 1948 church budget envelopes will be ready for distribution soon. It will be necessary for us all to give more on both sides of our envelopes next year, if we possibly can. The expense of operating the church has increased tremendously during the past few years. All of us, I am sure, are finding it increasingly more costly to run our homes, with advancing prices of coal and fuel oil among the larger items adding to the burden. The Church is confronted with this same problem, only on a larger scale. If you have not had envelopes, be sure to see that you get yours this year. With every communicant member contributing systematically through the budget envelopes, we shall look forward with confidence to being able to meet the increased cost of operation.

Parishioners are asked to send prompt notice of change of residence.

NEW HASSOCKS

We are very happy that we have our new hassocks in the pews. It would help us very much if our parishioners would defray the cost of them. If each one of us would give \$3.75 it would save the Church that expense. You may give or send your money to the Rector.

SUNDAY SERVICES

HOLY COMMUNION..... 8:00 A. M.

CHURCH SCHOOL..... 9:30 A. M.

MORNING PRAYER AND SERMON..... 11:00 A. M.

Dear Friends:

We wish to express our appreciation to all who helped to make our Christmas a fine one. The Church was very beautifully decorated. We had good congregations at the 6:00 A. M. and 10:00 A. M. services. The offering was a splendid one, amounting to \$1,390.00, and we thank all who responded to our Christmas appeal.

We have entered upon 1948 and we hope that it will be a good year for all. We pray that we may be able to do more for the spiritual welfare of our people than we have done in the past. It is only with the co-operation of organizations and individuals, working **together** as a unit, that hoped-for results can be attained. We shall have to put our religion into action: mere words will avail little. There is work for all of us to do. Do not let us expect someone else to shoulder our responsibility for us. What an active Church we would have, if all of us were working Christians! May we pull hard and with direction and all together.

The 1948 envelopes have been distributed to those who have been receiving budget envelopes. If you have not been receiving them, please see Mr. Montgomery or the Rector about yours. The following appeared in the January, 1948, Church News:

"Many of us are honestly perplexed by this question. How much shall I give through the church? There are no rules about it, but we want to share fairly with God, from Whom all blessings flow. The scriptural ideal is to tithe, but since there are many worthy causes outside the Church (Community Chest, etc.) which need support, few have found this possible."

A tithe, or 10% of our income, is still ideal. But if this is not possible, then most people find it helpful to fix a definite proportion nonetheless.

Here is a schedule which has been found workable by many people throughout the Church. We print it here as a possible guide for those who want to find the joy of having a definite share in God's Work:

Income From \$5,000 to \$10,000
10% the ideal
5% if 1 or 2 in family
4% if 3 or 4 in family
3% if for larger family

Income From \$2,500 to \$5,000
10% the ideal
4% for 1 or 2 in family
3% for larger family
Income Below \$2,500
10% the ideal

3% for 1 or 2 in family
2% for larger family"

With best wishes for a busy and happy year, I am

Faithfully yours,
THOMAS PARKER,
Rector.

NOTICE OF ELECTION

Sections of the By-Laws state:—

Article 1, Section 1.

The annual election of Vestrymen shall be held on the Twenty-fifth of January, called St. Paul's Day, between the hours of seven and nine o'clock, P. M., provided that the Church Wardens may, at their discretion, keep the polls open for a longer period. Notice of the election shall be given to the congregation the preceding Sunday. Should St. Paul's Day fall on a Sunday the election shall be held on the day following.

Article 1, Section 2.

No person except a member of the Vestry whose term will then expire, shall be elected a vestryman at any regular election, unless he shall have been nominated in writing by at least three electors, and the said nomination delivered to one of the Wardens or the Secretary of the Vestry at least fifteen (15) days before the election. The list of nominees shall be published at the services of the Sunday following the close of the nomination.

Article 1, Section 3.

Four Vestrymen shall be elected at the annual election in each year to serve for three years, and until others be chosen. In case of failure to elect Vestrymen at the annual election, the Vestry shall elect to the vacancies thus created. The Vestrymen so elected, whether by the Vestry or by the Electors, together with the eight Vestrymen whose term will not have expired, shall constitute the Vestry for the ensuing year.

The members of the Vestry named below are, by provision of the By-Laws, candidates for re-election:

JAMES C. LARKIN
JOHN LINDSAY, SR.
ALEXANDER SCHNORR
WALTER C. TESCHE

YOUTH MEETING

The Youth, composed of members of the Churches of the South Philadelphia Convocation, met in our Parish House on Saturday evening, December 27th. While the attendance was affected somewhat by the holiday activities, the spirit of the gathering was good and the session proved interesting and helpful.

THANK YOU

The new furnishings for a study in the Parish House have been installed. They are both good-looking and utilitarian and make a very attractive setting. The Rector appreciates very much the efforts of the men, with help from the women, in raising the funds for this purpose and also the down-to-earth preliminary work of a few of the men in cleaning the room preparatory to furnishing it. He is very much pleased with the finished job and hopes that the members of the Parish will drop in to see him there.

ANOTHER THANK YOU

My letter to the Parishioners this month deals with Christianity in Action. Whether or not one of our young men, Mr. William Michael, had a premonition that it was coming, I cannot say, but he has endorsed the idea in a very practical way. He has recently painted the sacristy. It was intended as a surprise for the Rector, but the Rector happened in while the work was going on, so they were both surprised.

The painting followed a thorough housecleaning which Mrs. Frank C. McCook, Directress of the Altar Guild, gave the room and closets, taking time during her vacation to do so. Our sincere thanks.

THEOLOGICAL SUNDAY

On Sunday, January 25th, we will observe Theological Sunday in our Church. The special offering will go to the Philadelphia Divinity School.

The Philadelphia Divinity School and all other seminaries of our Church need the support of our churches. They look to the Church for candidates for the ministry and for maintenance of these men while in the Seminary. We trust that you will give generously for Theological Education.

BISHOP REMINGTON

The Rt. Rev. William P. Remington, D. D., will visit us on Sexagesima Sunday

Some years ago we had the happy experience of having the Churches of South Philadelphia unite with us in our Good Friday service. That service was one that we well remember because our Church was filled during the three hour devotions. We are happy to welcome the ministers and their congregations again this year. An outline of the services follows:

Rev. Thomas Parker, Rector, Memorial Church of St. Paul.

The First Word, 12:25 P. M.

"Father, Forgive Them, For They Know Not What They Do."

The Second Word, 12:50 P. M.

"Today Shalt Thou Be With Me In Paradise."

Rev. John Byitte, Pastor, Reed Street Baptist Church.

The Third Word, 1:10 P. M.

"Woman, Behold Thy Son; Son, Behold Thy Mother."

Rev. Herbert A. McKain, Pastor, St. Luke's Methodist Church.

The Fourth Word, 1:35 P. M.

"My God! My God! Why Hast Thou Forsaken Me?"

Rev. J. Carpenter Zook, Pastor, Mt. Hermon Methodist Church.

The Fifth Word, 2:00 P. M.

THE GOOD NEWS OF EASTERTIDE

Dean Inge has rightly told us that the Gospel is not first of all Good Advice but Good News. The first disciples proclaimed an event of the greatest significance. **He is risen.** In the entire history of mankind there is no news to compare with this—for here is a fact which has to do with God, eternal life, and the destiny of every child of God. To be sure we have known this all our lives. It is a story which is almost two thousand years old and therefore may be presumed to have no news value today. But there is such a thing as having ears and yet not hearing. Sometimes a familiar truth comes to have immediate and vital significance. Death is as old as life, yet when death touches our own, it is a new experience. Sin is venerable, but when we are gripped by temptation, it is a battle to be fought and won. So it is with the Good News of Eastertide. If we could only grasp its meaning for our world and for ourselves all things would be made new. Selfishness would give way, the burden of sorrow and of despair would be lifted. Men would live as the children of God. Here then is Good News. The Lord is risen. He is risen indeed!
